As specified in the table below, the current CDSClear Index Swaptions fee grid includes an onboarding fee and offers both General Members and Select Members a choice between the Introductory Tariff and the Unlimited Tariff.

The purpose of the proposed rule change is to:

- 1) extend the waiver period for the onboarding fee for both General Members and Select Members that register to the CDSClear Index Swaptions clearing service, and
- 2) introduce a clearing fee rebate applicable to the Index Swaptions Unlimited Tariff for both General Members and Select Members.

As a reminder, under the Unlimited Tariff, Clearing Members pay a fixed amount annually that covers all clearing fees for their Index Swaptions House activity for the activity of all the Affiliates of their Clearing Member group.

In order to incentivize the Clearing Members to build liquidity in the CDSClear Index Swaptions clearing service, LCH SA has decided to make the following changes to its Index Swaptions fee grid:

- 1) extend the waiver period for the onboarding fee from 31 March 2019 to 20 December 2019 for both General Members and Select Members that register to the CDSClear Index Swaptions clearing service, and
- 2) implement a fee rebate scheme, applicable to the Unlimited Tariff for both General Members and Select Members, in which discounts to the fixed fee will apply depending on the Index Swaptions notional cleared by each Clearing Member group as detailed hereinafter.

The fee rebate scheme will be valid for 2019 only and apply equally to all Clearing Members that register to the CDSClear Index Swaptions clearing service.

In order to determine the relevant discount rate to apply, LCH SA will consider the total Index Swaptions notional cleared in 2019 starting from the date on which the fee rebate is deemed effective in accordance with any relevant regulatory review and approval process.

B. Statutory Basis

Section 17A(b)(3)(D) of the Act requires that the rules of a clearing agency provide for the equitable allocation of reasonable dues, fees, and other charges.<sup>1</sup>

LCH SA has determined that the proposed fees are reasonable and appropriate to offer and grow CDSClear clearing services.

Regarding the CDClear Index Swaptions service, LCH SA has already rule filed with the SEC the relevant fee grid and believes that the proposed discounts for CDSClear Index Swaptions clearing activities have been set up at an appropriate level given the costs, expenses and revenues to be generated to LCH SA in providing such services.

All clearing members will have the same opportunity to equally benefit from the proposed incentive rebate according to the specified conditions.

LCH SA believes that proposing such clearing fees and rebate are consistent with the requirements of Section 17A of the Act<sup>2</sup> and the regulations thereunder applicable to it, and in particular provides for the equitable allocation of reasonable fees, dues, and other charges among Clearing Members and market participants by ensuring that Clearing Members pay reasonable fees and dues for the services provided by LCH SA, within the meaning of Section 17A(b)(3)(D) of the Act.

1 15 U.S.C. 78q-1(b)(3)(D).

2 15 U.S.C. 78q-1.

**Item 4. Self-Regulatory Organization’s Statement on Burden on Competition**

Section 17A(b)(3)(I) of the Act requires that the rules of a clearing agency not impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.<sup>3</sup> LCH SA does not believe that the proposed rule change would impose any burden on competition.

As noted above, LCH SA believes that the fees amount and related discounts have been set up at an appropriate level given the costs and expenses to LCH SA in offering and maintaining the relevant CDSClear Index Swaptions clearing services.

Additionally, the fee waiver and rebate will apply equally to all CDSClear Clearing Members and their Affiliates.

Further, LCH SA does not believe that the proposed rule change would have a burden on competition because it does not adversely affect the ability of such Clearing Members or other market participants generally to engage in cleared transactions or to access clearing services as the clearing of Index Swaptions remains not mandatory.

**Item 5. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others**

Written comments relating to the proposed rule change have not been solicited or received.

LCH SA will notify the Commission of any written comments received by LCH SA.

Not applicable.

**Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)**

(a) LCH SA is filing the proposed rule change for immediate effectiveness pursuant to Section pursuant to Section 19(b)(3)(A)<sup>4</sup> of the Act and Rule 19b-4(f)(2).<sup>5</sup>

(b) LCH SA believes that summary effectiveness is warranted because the proposed rule establishes a fee or other charge imposed by LCH SA on its Clearing Members, within the meaning of Rule 19b-4(f)(2).

2. Statutory Basis

Section 17A(b)(3)(D) of the Act requires that the rules of a clearing agency provide for the equitable allocation of reasonable dues, fees, and other charges.<sup>5</sup>

LCH SA has determined that the proposed fees are reasonable and appropriate to offer and grow CDSClear Index Swaptions clearing services.

Regarding the CDClear Index Swaptions service, LCH SA has already rule filed with the SEC the relevant fee grid and believes that the proposed discounts for CDSClear Index Swaptions clearing activities have been set up at an appropriate level given the costs, expenses and revenues to be generated to LCH SA in providing such services.

All clearing members will have the same opportunity to equally benefit from the proposed incentive rebate according to the specified conditions.

LCH SA believes that proposing such clearing fees and rebate are consistent with the requirements of Section 17A of the Act<sup>6</sup> and the regulations thereunder applicable to it, and in particular provides for the equitable allocation of reasonable fees, dues, and other charges among Clearing Members and market participants by ensuring that Clearing Members pay reasonable fees and dues for the services provided by LCH SA, within the meaning of Section 17A(b)(3)(D) of the Act.

B. Clearing Agency's Statement on Burden on Competition

Section 17A(b)(3)(I) of the Act requires that the rules of a clearing agency not impose any burden on competition not necessary or appropriate in furtherance of the

purposes of the Act.<sup>7</sup> LCH SA does not believe that the proposed rule change would impose any burden on competition.

As noted above, LCH SA believes that the fees amount and related discounts have been set up at an appropriate level given the costs and expenses to LCH SA in offering and maintaining the relevant CDSClear Index Swaptions clearing services.

Additionally, the fee waiver and rebate will apply equally to all CDSClear Clearing Members and their Affiliates.

Further, LCH SA does not believe that the proposed rule change would have a burden on competition because it does not adversely affect the ability of such Clearing Members or other market participants generally to engage in cleared transactions or to access clearing services as the clearing of Index Swaptions remains not mandatory.

C. Clearing Agency's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. LCH SA will notify the Commission of any written comments received by LCH SA.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing proposed rule change has become effective upon filing pursuant to Section 19(b)(3)(A)<sup>8</sup> of the Act and Rule 19b-4(f)(2)<sup>9</sup> thereunder because it establishes a fee or other charge imposed by LCH SA on its Clearing Members. At any time within 60
