

LCH EquityClear

Pan-European Clearing for Equities

INTRODUCTION

EquityClear is LCH's pan-European clearing service for equities, which operates across two CCPs:¹ LCH Ltd (registered in the UK) and LCH SA (registered in France). Collaboration with our market partners enables us to develop innovative solutions that enhance customers' risk management and mitigate systemic risk, while continuing to deliver operational and settlement efficiencies.

As a London Stock Exchange Group (LSEG) post-trade business, EquityClear benefits from material investment in its robust technology platform and highly skilled team, allowing the service to scale rapidly and efficiently. EquityClear has fully embraced LSEG's commitment to open opportunities through essential partnerships and provides clearing members and their clients with seamless connectivity to a wide choice of trading venues.
