Article 2 - FIXED INCOME AND TRIPARTY REPO TRANSACTIONS

The following provisions shall apply further to the expiration of the Termination Period in accordance with Article 2.5.4.10 of the Clearing Rule Book.

2.1 Risk Mitigation

LCH SA may in its sole discretion, decide to reduce the market risk associated with a Terminated Special Clearing Member's obligations to LCH SA by hedging LCH SA's exposure in Fixed Income or Triparty Repo Transactions to which the Terminated Special Clearing Member is a party, prior to engaging in the preparation of the Auction process. LCH SA, may, for the purposes of such hedging, in its sole discretion, apply any method or procedure it considers appropriate for such purposes.

Special Clearing Members agree that information regarding risk mitigation trades entered into by LCH SA are confidential and must not be disclosed other than as reasonably required to be able to execute such trades.

2.2 Portfolio Combination and Splitting

LCH SA shall determine the composition of each Special Clearing Member Portfolio and shall have the discretion to divide a Portfolio into two or more individual Special Clearing Member Portfolios or to combine two or more Portfolios into a single Special Clearing Member Portfolio with the aim of facilitating the efficiency of, and reducing the risk associated with, the Auction process described in Article 2.4 of this Instruction. The overriding principle is that LCH SA will structure Special Clearing Member Portfolios with the intention of ensuring a process of management of the Open Positions of a Terminated Special Clearing Member which best protects the resources of LCH SA. Therefore, nothing in this Article 2.2 shall be deemed to imply that LCH SA is under any obligation to split a particular Portfolio of a Terminated Special Clearing Member (regardless of the number of Fixed Income or Triparty Repo Transactions that such Portfolio contains). Except in case of gross negligence or deliberate act or omission from LCH SA, any losses or costs incurred from Risk Mitigation shall be considered losses of the Terminated Special Clearing Member and will be debited by LCH SA from the Target 2 Account of the Terminated Special Clearing Member in accordance with Article 2.5.4.11 of the Rule Book.

2.3 Direct Repo Transactions

2.3.1 LCH SA may directly enter into Repo Transactions outside of Auctions if, in its sole opinion, it considers that, in the circumstances or for timing reasons, or if an Auction will not be the most effective means of managing such assets or Special Clearing Member Portfolios, is likely to fail or if LCH SA determines that it will not be possible to complete any relevant Auction in a timely and efficient manner.

2.4 Auction

2.4.1 If LCH SA decides to dispose of a Special Clearing Member Portfolio by way of Auction, it shall, in its discretion identify up to 15 Fixed Income Clearing Members and/or Triparty Repo Clearing Members, other than the Terminated Special Clearing Member, as the case may be, which will be invited to bid in each Auction and shall invite such Bidders to submit bids for such Special Clearing Member Portfolio. All Fixed Income Clearing Members and Triparty

Repo Clearing Members accepting to participate in an Auction agree to be bound by the terms and conditions set out in Annex 1 to this Instruction.

- 2.4.2 LCH SA shall notify each Bidder of all details that may be reasonably required in relation to a Special Clearing Member Portfolio prior to the relevant Auction.
- 2.4.3 The Auction process may take place over a number of days and Auctions of different Special Clearing Member Portfolios may take place at different times.
- 2.4.4 LCH SA will have full discretion in deciding whether or not to accept one or more bids in an Auction for part or all of the Special Clearing Member Portfolio.
- 2.4.5 In the case of an Auction in which no bid is accepted or received (as the case may be), or in which the bids accepted by LCH SA are for less than the whole Special Clearing Member Portfolio, one or more further Auctions may, at the discretion of LCH SA, be held in relation to the relevant Special Clearing Member Portfolio or that part of the Special Clearing Member Portfolio which remains.

As soon as practicable following an Auction:

- (a) in the event that one or more bids were accepted, LCH SA will notify all the Bidders which participated in the Auction that one or more bids were accepted and shall notify the Bidders which submitted the accepted bids that their bids were accepted; and
 - (b) in the event that no bid was accepted, or the accepted bids were for less than the whole Special Clearing Member Portfolio, LCH SA will notify such Fixed Income Clearing Members or Triparty Repo Clearing Members as determined by LCH SA of the details of any further Auction.
- 2.4.6 All Bidders agree to use all reasonable efforts to make a bid in an Auction for a Special Clearing Member Portfolio in respect of which such Fixed Income Clearing Member or Triparty Repo Clearing Member is a Market Participant.
 - 2.4.7 LCH SA reserves the right to discretionarily cancel an Auction at any time and at any stage of the Auction Process and shall inform the Bidders promptly of its decision. LCH SA shall be free in such a case to dispose of the Special Clearing Member Portfolio (which it shall be free to split or combine with another Special Clearing Member Portfolio) by way of a new Auction or in accordance with Article 2.3 above.
 - 2.4.8 Bids may be submitted for a Competitive Auction at a price at which the relevant Bidder is willing to take on the entire relevant Special Clearing Member Portfolio and prices will be ranked in accordance with the value of the bid.

Article 3 - TRANSFER OF CASH FLOWS AND REGISTRATION OF POSITIONS

- 3.1 Following the disposal of part or all of a Special Clearing Member Portfolio by way of Auction or otherwise (and notwithstanding that other Special Clearing Member Portfolios of the Terminated Special Clearing Member may not yet have been auctioned), LCH SA will register new Transactions and/or record rights and obligations in the name of the Fixed Income Clearing Members and Triparty Repo Clearing Members whose bids were accepted in respect of that Special Clearing Member Portfolio. In such case, the Transactions and corresponding Trade Legs will be

registered in the House Account(s) of such Clearing Member and will be governed by the Clearing Rules.

- 3.2 LCH SA shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances in relation to the above. Fixed Income Clearing Members or Triparty Repo Clearing Members, other than the Terminated Special Clearing Member, whose bids were accepted in respect of that Special Clearing Member Portfolio will be required to exercise best endeavours to comply with such requirements as may be established by LCH SA, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by LCH SA for Initial Margin, Variation Margin and additional margin in respect of positions which are to be registered in their names. LCH SA agrees that in such procedures it shall make provision for set-off by LCH SA of amounts owed by LCH SA to the Fixed Income Clearing Member or Triparty Repo Clearing Member, other than the Terminated Special Clearing Member, whose bids were accepted in respect of that Special Clearing Member Portfolio as a result of the management of the Open Positions of the Terminated Special Clearing Member against sums owed by the Fixed Income Clearing Member or Triparty Repo Clearing Member, other than the Terminated Special Clearing Member, to LCH SA in respect thereof.
- 3.3. In addition, LCH SA will register new Transactions and/or record rights and obligations in the name of the Terminated Special Clearing Member, which are opposite to the one registered in the name of the Fixed Income Clearing Members and Triparty Repo Clearing Members whose bids were accepted. To this end, each Special Clearing Member authorises LCH SA in the circumstances described in this Instruction, to register new Transactions and/or record rights and obligations on its behalf and for its account.

Article 4 - MISCELLANEOUS

- 4.1 LCH SA may from time to time supplement the details of any of the stages set out in Article 0 of this Instruction immediately on notice to the Special Clearing Members on a case-by-case basis where LCH SA deems it appropriate in view of the circumstances of the Special Clearing Member Event, provided that LCH SA may not take any such action that effects a material change to the terms of this Instruction without the consultation of the Special Clearing Members unless such change is necessary to meet LCH SA's continuing regulatory obligations.
- 4.2 The timetable for implementation of the stages of the management of the Open Positions of the Terminated Special Clearing Member further to the expiration of the Termination Period in accordance with Article 2.5.4.10 of the Clearing Rule Book, shall be determined by LCH SA, in its sole discretion and without prior notice to the Clearing Members.
