 - (B) with respect to an Agent Member performing the Agent Member Services, the date on which all Contracts registered in the name of the such Retiring Agent Member's corresponding Sponsored Member(s) and attributable to such Retiring Agent Member have been closed-out, so as to ensure that there are no remaining open Contracts to which such Retiring Agent Member's corresponding Sponsored Member(s) are party.
- (i) Where an Agent Member has delivered a written notice to the Clearing House under paragraph (h) above, the Clearing House will not accept any new Contracts for the account of any Sponsored Member of such Retiring Agent Member other than Contracts which facilitate the reduction of the relevant Sponsored Member's risk with the Clearing House.
- (j) Upon the Clearing House being satisfied that the Retiring Sponsored Member or Retiring Agent Member is not a Defaulter or an Affected Agent Member, and that all obligations of the Retiring Sponsored Member or Retiring Agent Member (as applicable) to which the relevant Collateral is capable of being applied in accordance with the SC Rulebook have been irrevocably paid or discharged in full and that no such obligations are capable of arising, the Clearing House shall return or release any Collateral provided to the Clearing House for the purpose of collateralizing the Retiring Sponsored Member or Retiring Agent Member's obligations.

- (k) Provided a Retiring Sponsored Member is not a Defaulter, such Retiring Sponsored Member's Agent Member shall be liable in respect of Aggregate Excess Losses relating to any Default which arises prior to the relevant Retirement Effective Date. In such circumstances, and as further provided in the Default Rules, the Agent Member may be required to maintain some or all of its Contribution until after the completion of the default management process related to the relevant Default, notwithstanding that the Retirement Effective Date might occur prior to such time.
- (l) A Retiring Agent Member other than an Affected Agent Member shall be liable in respect of Aggregate Excess Losses relating to any Default which arises in the relevant Clearing Service prior to the relevant Resignation Effective Date. In such circumstances, and as further provided in the Default Rules, the Retiring Agent Member shall be liable in respect of Aggregate Excess Losses relating to Contributions that such Retiring Agent Member has made to the default funds of their Sponsored Members who are not Defaulters.

- (n) The Clearing House may also, by giving no less than three months' written notice, require a Sponsored Member or Agent Member to retire from Sponsored Member or Agent Member status or to resign from one or more specific Clearing Services. Following the service of such a notice, the relevant Sponsored Member or Agent Member will become a Retiring Sponsored Member or Retiring Agent Member or a Resigning Sponsored Member or Resigning Agent Member (as the case may be) and such Retiring Sponsored Member or Resigning Sponsored Member (as applicable), will be required to close-out all Contracts registered in its name or all Contracts registered in its name in connection with the specified Clearing Service or Clearing Services, respectively, by the date specified in the relevant notice.
- (o) On the occurrence of an Agent Close-out Event, the Clearing House may require an Affected Agent Member to retire from Agent Member status or to resign from one or more specific Clearing Services. Such retirement or resignation shall become effective upon the latter of: (i) completion of the relevant Agent Close-out MP in accordance with SC Regulation 9; and (ii) when the conditions in paragraphs (a) to (m) above (as applicable) have been satisfied.
- (p) The arrangements for a Sponsored Member who is a Defaulter to resign from a particular Clearing Service or retire from Sponsored Member status and for the return or release of the cover and the Contributions provided by such Defaulter's Agent Member to the Clearing House are as set out in the Default Rules, including, in particular, Rules 15 and 25 of the Default Rules.
- (q) An Agent Member may subject to the provisions of this paragraph, upon immediate notice to the Clearing House, resign its position as an Agent Member in respect of Payment Services provided to a Sponsored Member (such Agent Member shall hereafter be deemed to be a “**Resigning (Payment Services) Agent Member**” and such resignation shall be deemed a “**Paying Agent Resignation**”), provided such Resigning (Payment Services) Agent Member:

- (A) provides the Clearing House with at least 5 hours prior-notice (during a business day) regarding such Paying Agent Resignation; provided that if such prior-notice is given less than 5 hours before the end of a business day, the remaining period of time required in order to satisfy this pre-notice requirement, will continue on the following business day (“**Pre-Notification of Paying Agent Resignation**”); and
- (B) provides the Clearing House with a Payment Services Default Notice in a form satisfactory to the Clearing House in respect of its corresponding Affected (Payment Services) Sponsored Member; and
- (C) provides the Clearing House with a Payment Services Resignation Notice in a form satisfactory to the Clearing House in respect such Affected (Payment Services) Sponsored Member, detailing the reasons for its Paying Agent Resignation.

A Resigning (Payment Services) Agent Member’s Paying Agent Resignation in accordance with this paragraph shall take effect from receipt by the Clearing House of both the Payment Services Default Notice and the Payment Services Resignation Notice, provided that the 5 hours prior-notice requirement referred to in paragraph (A) above is satisfied (the “**Paying Agent Resignation Effective Time**”).

- (r) Following receipt of a Pre-Notification of Paying Agent Resignation, the Clearing House shall be entitled to apply the Agent Buffer (as sized by the Clearing House as at the Paying Agent Resignation Effective Time) in respect of margin required by the Clearing House for the account of an Affected (Payment Services) Sponsored Member.
- (s) In the event of a Paying Agent Resignation, the Affected (Payment Services) Sponsored Member must invoke, in accordance with Section 2.8.8 of the SC Procedures, the provision of Back-up Paying Agent Services either itself or via its Back-up Paying Agent, which will take immediate effect on receipt by the Clearing House of notification by both the Affected (Payment Services) Sponsored Member and the Back-up Paying Agent.
- (t) Any margin obligations that arise following an Agent Member’s Paying Agent Resignation will be allocated and discharged in accordance with the SC Procedures.
- (u) In the event that an Affected (Payment Services) Sponsored Member does not invoke the provision of Back-up Paying Agent Services, in accordance with paragraph (s) above, the Clearing House will be entitled in its sole discretion to deem such Sponsored Member a Defaulting Sponsored Member in accordance with these SC Regulations.
- (v) **Clearing House Steps**

The Clearing House has established a Paying Agent Resignation MP for the resignation management process that will apply to Affected (Payment Services) Contracts from Paying Agent Resignation Effective Time. The fundamental

principles of the Paying Agent Resignation MP are elaborated to the fullest extent possible in this SC Regulation 7.

Each Sponsored Member and each Agent Member to whom this SC Regulation 7 applies shall take all steps and execute all documents necessary or required by the Clearing House to comply with its obligations arising out of this SC Regulation 7.

The provisions of this Regulation 7 are at all times and for all purposes without prejudice to the rights of the Clearing House under the Default Rules.

- (i) during the Paying Agent Resignation MP Window the Clearing House may take any or all of the following steps with respect to the Affected (Paying Agent Resignation) Portfolios:
 - (A) to apply any available Agent Buffer to meet in full or in part any unpaid liabilities in respect of the SM/AM Accounts of an Affected (Payment Services) Sponsored Member associated with the Resigning (Payment Services) Agent Member and to satisfy any liabilities of a Affected (Payment Services) Sponsored Member to the Clearing House;
 - (B) to apply any Agent Resource Contribution in accordance with Rule 19 of the Default Rules;
 - (C) in respect of Affected (Payment Services) Contracts attributed to the Resigning (Payment Services) Agent Member, to charge to its account the amount (or, if the amount is not finally known, the estimated amount) of any expenses incurred by the Clearing House with regard to the steps which are or may be taken under this paragraph and any expenses incurred with regard thereto;
 - (D) call from the Back-up Paying Agent additional margin in an amount determined by the Clearing House;
 - (E) any other step calculated by the Clearing House to complete the Paying Agent Resignation MP; and
 - (F) to obtain such advice or assistance, whether legal or otherwise, as the Clearing House may deem necessary and at the expense of the Resigning (Payment Services) Agent Member, as applicable, for any matter arising out of or in connection with the default,

provided that, following the expiry of the Paying Agent Resignation MP Window, the Clearing House may:

- (A) exercise its rights under the Default Rules, including its right to issue a Default Notice with respect to the Affected (Payment Services) Sponsored Member where the Paying Agent Resignation MP has not been completed;

- (B) continue at its sole discretion to take any actions it deems necessary to mitigate the exposures of the Affected (Paying Agent Resignation) Portfolios;
 - (C) call from the Back-up Paying Agent additional margin in an amount determined by the Clearing House.
- (ii) where the Affected (Payment Services) Sponsored Member has not specified itself to be appointed to perform the Back-up Agent Services, all margin obligations that have arisen after the Paying Agent Resignation Effective Time will be discharged by the Affected (Payment Services) Sponsored Member who will be required to discharge its margin obligations via its contingency payment arrangements (which are more particularly described in the SC Procedures).

(w) **Determination of Amount Payable**

Upon the determination of the outstanding rights and liabilities of the Resigning (Payment Services) Agent Member, in respect of all Affected (Payment Services) Contracts attributed to it in accordance with paragraph (v) above, the following Paying Agent Resignation MP shall be completed by the Clearing House in order to determine any net amounts which remain payable between the Resigning (Payment Services) Agent Member and the Clearing House, in respect of each SM/AM Account of such Resigning (Payment Services) Agent Member's corresponding Affected (Payment Services) Sponsored Members:

- (i) there shall be brought into account all Contributions, Agent Buffer, Agent Resource Contributions and any Allocated Loss amounts (as applicable), payable by or to the Resigning (Payment Services) Agent Member;
- (ii) the sums so payable shall be aggregated or set off so as to produce a net sum with respect to each of the following accounts related to the Resigning (Payment Services) Agent Member: (i) each SM/AM Account; (ii) its Agent Buffer Account; and (iii) its ARC Account; and
- (iii) where there is inadequate Collateral (on an SM/AM Account) to satisfy an Affected (Payment Services) Sponsored Member's margin obligations to the Clearing House, the Clearing House shall have the sole discretion with respect to the allocation of any available Agent Buffer of the Resigning (Payment Services) Agent Member to satisfy the margin obligations of the Affected (Payment Services) Sponsored Member under Affected (Payment Services) Contracts. In addition, upon termination or maturity of Affected (Payment Services) Contracts with a related Sponsored Member, a net sum shall be calculated in respect of such SM/AM Account and with regards to any amount due to the Clearing House from such Sponsored Member in respect of net sums attributable to such SM/AM Account where there is inadequate Collateral (on a sub-account by sub-account basis) to fully set off such amount payable, the Clearing House shall have sole discretion with respect to the allocation of any available Agent Buffer of the relevant Resigning (Payment Services) Agent Member in setting off any such amounts payable to the Clearing House. In addition, amounts on the ARC Account can be set-off

against liabilities of the Resigning (Payment Services) Agent Member with respect to the relevant Affected (Payment Services) Sponsored Member and any excess returned to the Resigning (Payment Services) Agent Member, provided that such amounts are not required with respect to any default management process that is ongoing at the time.

REGULATION 8 CLEARING SERVICE WITHDRAWAL

- (a) If at any time the Clearing House decides to withdraw part or the whole of a Clearing Service it shall give not less than six months' notice to all Sponsored Members and Agent Members participating in that Clearing Service (for the purposes of this SC Regulation 8, the "**affected Members**") of the date on which the service will be withdrawn (the "**Relevant Withdrawal Date**"). The accidental omission by the Clearing House to give notice under this SC Regulation 8 to, or the non-receipt of notice under this SC Regulation 8 by, one or more affected Members or Agent Members shall not invalidate the Relevant Withdrawal Date. Where only a part of a Clearing Service is being withdrawn, notice need only be given to those Sponsored Members or Agent Members authorised or approved to participate in that part of the relevant Clearing Service. If the Clearing House becomes aware that it has omitted to give notice under this SC Regulation 8 to any affected Member prior to the Relevant Withdrawal Date, it will immediately notify the affected Member of the Relevant Withdrawal Date in accordance with the applicable notice provisions.
- (b) Without prejudice to its rights under the Default Rules, any notice given under paragraph (a) above shall specify the nature of the service which the Clearing House will provide until the Relevant Withdrawal Date. Unless otherwise specified in the notice, and without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules, register a Contract in respect of the relevant Clearing Service, other than a closing-out contract, after notice to withdraw the service has been given under paragraph (a) above.
- (c) If at the Relevant Withdrawal Date an affected Member (that is a Sponsored Member) has not closed-out all open Contracts in respect of the relevant Clearing Service registered in its name or, in the case of an affected Member (that is an Agent Member), registered in the name of its corresponding Sponsored Member, the Clearing House shall at its sole discretion, be entitled to:
- (i) liquidate any or all of such Contracts and require such contracts to be cash settled at a price determined by the Clearing House; and/or
 - (ii) postpone the Relevant Withdrawal Date until such time as the Clearing House determines.

CHAPTER III – ACCOUNTS

REGULATION 10 ACCOUNTS

- (a) Accounts shall be opened between each Sponsored Member and the Clearing House and each Agent Member and the Clearing House in accordance with the SC Procedures. For the avoidance of doubt, each Sponsored Member or Agent Member shall be responsible for all obligations owed to the Clearing House in respect of every account opened in respect of such Sponsored Member or Agent Member.
- (b) In the event that more than one SM/AM Account is opened in respect of a Sponsored Member, the Clearing House shall have the right to combine or consolidate the balances on any or all of the SM/AM Accounts of that Sponsored Member associated with the same Agent Member, and to set off any amount or amounts standing from time to time to the credit of any one or more of such accounts in or towards payment or satisfaction of all or any of the Sponsored Member's liabilities to the Clearing House on any one or more of such accounts associated with the same Agent Member. Further detail in respect of the composition and operation of SM/AM Accounts is set out in the SC Procedures Section 3 (*Financial Transactions*).
- (c) This paragraph applies to an Agent Member's Agent Buffer Account. The Clearing House shall not combine or consolidate the balances on or positions recorded in an Agent Member's Agent Buffer Account or set off any amount or amounts standing to the credit of any such Agent Buffer Account, in or towards payment or satisfaction of another Agent Member's liabilities to the Clearing House on any other such Agent Member's Agent Buffer Account or on any SM/AM Account, save as stated in Regulation 16.
- (d) Amounts standing to the credit of a SM/AM Account of a Sponsored Member may be applied by the Clearing House towards the payment of any sum whatsoever due by that Sponsored Member to the Clearing House whether or not arising under these SC Regulations, save that, with respect to Agent Members and subject to Rule 8(d) of the Default Rules, no amounts standing to the credit of such accounts (other than to the extent not already included in the relevant SM/AM Current Collateral Balance, Agent Buffer or Agent Resource Contribution, as applicable) shall be applied in or towards payment or satisfaction of all or any of the Sponsored Member's liabilities to the Clearing House. Amounts standing to the credit of a SM/AM Default Fund Account relating to Contributions made under the Default Rules may be applied as provided for in the Default Rules.

- (e) Any rights of set-off, combination of accounts or appropriation which the Clearing House may have under these SC Regulations or otherwise, shall apply whether or not accounts are denominated in the same currency.
- (f) Interest calculated on a basis determined from time to time by the Clearing House in accordance with the SC Procedures, may at the Clearing House's discretion (but subject to the provisions of the Default Rules and SC Regulation 39(d) be paid, or, in the case of negative interest rates, be charged, on amounts standing to the credit of any SM/AM Account and/or Agent Buffer Account and/or ARC Account (as applicable).
- (g) Debit balances due to the Clearing House on any account opened in respect of a Sponsored Member or Agent Member are payable by such Sponsored Member or Agent Member on demand and interest may at the Clearing House's discretion be charged on debit balances remaining unpaid (whether or not demand for payment is made), on a basis and at a rate determined from time to time by the Clearing House in accordance with the SC Procedures.
- (h) Subject to the provisions of the Default Rules, the Clearing House may at its absolute discretion alter the basis of calculating interest rates and such alteration shall be effective in respect of all current and future business on the date notified to Sponsored Members and Agent Members, as applicable in accordance with the SC Procedures.
- (i) If a Sponsored Member specifies a Termination Date under SC Regulation 27, the Sponsored Member shall be entitled to set off any or all amounts (whether present or future, liquidated or unliquidated, actual or contingent; but excluding any claims in respect of the outstanding balance of an Agent Member's Contribution under Rule 16 of the Default Rules) due as between the Clearing House and the Sponsored Member, provided, however, that a Termination Amount or other sum payable in respect of an amount recorded in or referable to a kind of account may not be combined or set-off against any other amount, unless such other amount is recorded in or referable to the same kind of account. For the purposes of this paragraph, the SM/AM Accounts of a Sponsored Member associated with the same Agent Member shall together constitute a single "kind of account".
- (j) Where a payment has been made to the Clearing House by an Agent Member through the PPS, that payment will only be credited to the account of such Agent Member or its corresponding Sponsored Member if it: (i) is paid into an account of the Clearing House with an institution which is solvent; (ii) that institution has performed its concentration function (being the transfer of net funds from the institution to a central account in the name of the Clearing House); and (iii) the institution has made the relevant payments to other Members on the date when the payment was due to be received by the Clearing House.

CHAPTER IV – CONTRACT FORMATION AND REGISTRATION

REGULATION 11 NOVATION

Upon registration of an original contract by the Clearing House, such contract shall be replaced by novation by two open contracts, one between the seller and the Clearing House as buyer, as principals to such contract, and one between the buyer and the Clearing House as seller, as principals to such contract. Following such novation, the original contract shall be extinguished. Each open contract shall be subject to the SC Regulations including the restrictions on the Clearing House's obligations and liabilities set out in the SC Regulations (including, without limit, SC Regulation 35), and otherwise on the same terms as the original contract replaced by such open contracts.

REGULATION 12 REGISTRATION

- (a) Where the SC Procedures so provide, the Clearing House may require the Sponsored Members in whose names one or more contracts are to be registered, to transfer (or procure the transfer of) Collateral to the Clearing House in respect of their initial and variation margin obligations, as a condition of registration of such contract or contracts, and such Collateral shall be transferred to the Clearing House in accordance with SC Regulation 15 and, if applicable, the SC RepoClear Regulations.
- (b) The Clearing House will only register a Contract in the name of a Sponsored Member where it meets the RepoClear Trade Registration Eligibility Criteria.
- (c) The Clearing House may decline to register a contract in the name of a Sponsored Member where it considers such action advisable for its own protection or the protection of the relevant market. The Clearing House may, without assigning any reason, make the registration of any contract subject to any conditions stipulated by the Clearing House including, without limitation, the transfer of sufficient Collateral by or for the account of the Sponsored Member in whose name any such contract is to be registered.
- (d) The Clearing House shall be deemed to register in the name of a Sponsored Member a RepoClear Transaction at the Registration Time in respect of the relevant type of Contract, provided that, in the case of a Contract registered by the Clearing House pursuant to Rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this SC Regulation 12 shall take effect.
- (e) Without prejudice to the Clearing House's rights under paragraph (f) below, a Sponsored Member shall be bound by a Contract registered in its name pursuant to the presentation of particulars of a RepoClear Transaction or RepoClear Term £GC Transaction by the Sponsored Member.
- (f) For the avoidance of doubt, any transaction of which details have been submitted by a Sponsored Member for registration as a Contract, which is not so registered, shall remain in effect between the original parties to that transaction or be terminated, as the case may be, according to any terms agreed between the parties thereto and the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents) shall have no obligations or liability in relation thereto.
- (g) Without prejudice to the Clearing House's rights under paragraph (h) below, OTC Transactions submitted for registration must, in order that it be registered as the relevant type of Contract, meet the eligibility criteria and other requirements as prescribed on the Clearing House's website for the relevant type of Contract, at the time when the details (as prescribed from time to time by the Clearing House) of the OTC Transaction are presented to the Clearing House, and at all times thereafter up to and including the Registration Time. A Sponsored Member may not revoke or cancel an OTC Transaction that has been submitted for registration unless permitted (as applicable) by the relevant SC Regulations or the relevant SC Procedures or with the consent of the Clearing House. A Sponsored Member may not transfer an OTC

Transaction. A Sponsored Member shall not allow the submission for registration of a transaction which is not a relevant OTC Transaction.

- (h) If at any time after registration of a Contract, the Clearing House determines that the corresponding transaction, of which details were submitted for registration, did not at the Registration Time, meet the eligibility criteria for registration as a Contract, the Clearing House shall, as soon as practicable thereafter, set aside each such Contract. Upon the purported Contract being set aside under this SC Regulation 12, the particulars of the transaction in question shall be deemed never to have been submitted to the Clearing House (and such transaction shall remain in effect between the original parties thereto or be terminated, as the case may be, in accordance with any terms agreed between them). Any payment made under, or in respect of, a Contract set aside under this paragraph shall be repayable to the person who made the payment and any securities delivered under such Contract shall be re-delivered to the person who made the delivery of such securities. Without prejudice to SC Regulation 35 and its obligations under this SC Regulation 12, the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents), shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a contract as a Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time, to enable it to be registered as the relevant type of Contract.
- (i) An OTC Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two Contracts, one between the First Member as the seller and the Clearing House as the buyer, as principals to such contract, and the other between the Clearing House as the seller and the Second Member as the buyer, as principals to such contract. For the purposes of this SC Regulation 12:
- (i) "First Member" is a Clearing Member who was, before registration of the Contract, party to the corresponding OTC Transaction as the seller; and
- (ii) "Second Member" is a Clearing Member who was, before registration of the Contract, party to the corresponding OTC Transaction as the buyer,
- provided that at least one of the First Member and the Second Member is a Sponsored Member.
- (j) With effect from registration of an OTC Transaction as two Contracts under paragraph (h) above:
- (i) the parties to the corresponding OTC Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
- (ii) a Contract registered in the name of a Sponsored Member under subparagraph (i) above of this SC Regulation 12 shall be governed by the relevant Contract Terms applicable to that Contract and the SC Regulations and SC Procedures;

- (iii) subject always to sub-paragraph (ii) above, the First Member shall have the same rights against, and owe the same obligations to, the Clearing House under the respective Contract to which it is a party as the seller and owed in respect of its counterparty under the corresponding OTC Transaction; and
- (iv) subject always to sub-paragraph (ii) above, the Second Member shall have the same rights against, and owe the same obligations to, the Clearing House under the respective Contract to which it is a party as the buyer and owed in respect of its counterparty under the corresponding OTC Transaction.

In sub-paragraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding OTC Transaction (it being assumed, for this purpose, that such OTC Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and, in the case of an OTC Transaction, that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them and subject to any changes thereto as a result of the operation of the Standard Terms.

- (k) If an OTC Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration, that revocation, avoidance or invalidity shall not affect any Contract, unless otherwise determined by the Clearing House.
- (l) In the case of a RepoClear Transaction, the Clearing House may, with the agreement of the relevant Sponsored Member and the other Sponsored Member or the RepoClear Clearing Member party to corresponding RepoClear Contracts or RepoClear Term £GC Contracts, set aside or take such other steps with respect to such Contracts on such terms as may be agreed if either or both such parties consider that they have entered into a Contract in error or have agreed to certain terms of the Contract in error.

REGULATION 13 TRADING INFORMATION

The Clearing House shall make available to a Sponsored Member and the corresponding Agent Member, in the manner and by the time prescribed by the SC Procedures, such details of original contracts presented for registration in the name of that Sponsored Member, open contracts registered in that Sponsored Member's name, and Collateral transferred to the relevant SM/AM Account(s) of the Clearing House associated with that Sponsored Member/Agent Member relationship as may be prescribed in the SC Procedures.

REGULATION 14 TRANSACTIONS ENTERED INTO THROUGH A TRADING SYSTEM

- (a) This SC Regulation 14 applies in respect of RepoClear Contracts or RepoClear Term £GC Contracts entered into by the Clearing House under SC Regulation 37(d).
- (b) Any Contract to which this SC Regulation applies which is entered into by the Clearing House with Sponsored Members, shall be registered in the name of each relevant Sponsored Member, following receipt of the details required by the Clearing House of such Contracts, from the operator of the relevant Trading System (in accordance with the arrangements made between the Clearing House and such Trading System from time to time), as applicable.
- (c) If the details required by the Clearing House in respect of a Contract to which this SC Regulation 14 applies are not provided to the Clearing House by the operator of the relevant Trading System, in accordance with the Clearing House's requirements, by the time prescribed by the Clearing House from time to time, or the Clearing House is not able to access such details, the Clearing House may decree that neither the Clearing House nor the Sponsored Member party thereto shall be obliged to perform their respective obligations under the Contracts in question. If the Clearing House so decrees, such Contracts shall be performed in accordance with any directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected Contract. Any directions given by the Clearing House under this paragraph shall be binding on all affected Sponsored Members and the corresponding Agent Members and Back-up Agents (as applicable).
- (d) Without prejudice to SC Regulation 35, the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents) shall not be liable to any Sponsored Member or anyone else for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any Contract to which this SC Regulation 14 applies, if the Clearing House does not receive the relevant details referred to in paragraph (c) above by the time referred to in paragraph (c) above, in respect of such Contract.
- (e) If the Clearing House receives details of a trade from a Trading System specified by a Trading System Participant by notice given under SC Regulation 37(b) and the details of the trade purportedly meet the RepoClear Trade Registration Eligibility Criteria set out in SC Regulation 37(c), the Matching System Participant or the Sponsored Member of the relevant Trading System Participant (as the case may be), shall be bound by any RepoClear Contract or RepoClear Term £GC Contract registered in its name in respect of such trade or match and the terms of such registered Contract shall be as set out in SC Regulation 37(b).
- (f) Without prejudice to paragraph (e) above, the Clearing House may, with the agreement of the Members party to corresponding RepoClear Contracts or RepoClear Term £GC Contracts, set aside or take such other steps with respect to such contracts on such terms as may be agreed, if either or both Members consider that they have entered into a contract in error or that certain terms of the contract have been agreed by them or their respective Trading System Participants in error.

CHAPTER V – COLLATERAL AND VALUATIONS

REGULATION 15 MARGIN AND COLLATERAL

- (a) Subject to paragraph (b) below, the Clearing House may in accordance with the SC Procedures, require a Sponsored Member to transfer (or procure the transfer of) Collateral to the Clearing House, and to maintain a SM/AM Current Collateral Balance, in an amount or of a value determined by the Clearing House, as security for the performance by such Sponsored Member of its obligations to the Clearing House in respect of all contracts from time to time to be registered in its name as open contracts pursuant to these SC Regulations. The obligation upon a Sponsored Member to transfer (or procure the transfer of) Collateral to the Clearing House pursuant to this paragraph shall be in addition to any other obligation of the Sponsored Member to transfer (or procure the transfer of) Collateral or make any other payment to the Clearing House pursuant to these SC Regulations or any OTC Contract Terms.
- (b) The Clearing House may in accordance with the SC Procedures require a Sponsored Member to transfer (or procure the transfer of) Collateral to the Clearing House in respect of any margin in circumstances prescribed by the SC Regulations and the SC Procedures in respect of any open contract registered in the Sponsored Member's name. A Sponsored Member may outsource to its Agent Member, the provision of Collateral to the Clearing House. In such circumstances the obligation to provide Collateral remains a principal obligation of the Sponsored Member. Collateral shall be transferred by the Sponsored Member or its corresponding Agent Member in such form and manner and by such time or times as may be prescribed by the SC Procedures.
- (c) If insufficient Collateral is standing to the credit of a Sponsored Member's account, or if any assets or monies transferred by or for the account of a Sponsored Member to the Clearing House as Collateral are determined by the Clearing House, in accordance with the SC Procedures to be insufficient, such Collateral as the Sponsored Member is required to transfer (or procure the transfer of) to the Clearing House pursuant to paragraph (a) above or SC Regulation 12 or the SC RepoClear Regulations, as applicable, shall be transferred to the Clearing House by the Sponsored Member or its corresponding Agent Member, where a Sponsored Member has failed to make such transfer (as applicable) in such form and manner and by such time or times as may be prescribed by the SC Procedures.
- (d)
- (i) The Clearing House shall be entitled to assume that all securities and other assets transferred by or for the account of a Sponsored Member or its corresponding Agent Member, to the Clearing House as Collateral, pursuant to these SC Regulations or under the terms of any agreement made with the Sponsored Member or its corresponding Agent Member(s), are the sole legal and beneficial property of the Sponsored Member or the corresponding Agent Member (as applicable) or are transferred for the purposes of these SC Regulations with the legal and beneficial owner's unconditional consent and free of such owner's interest. Neither the Sponsored Member nor its corresponding Agent Member may transfer securities or other assets to the Clearing House as Collateral otherwise than in conformity with this paragraph.

It shall be accepted by every person dealing on the terms of these SC Regulations that a Sponsored Member or its corresponding Agent Member (as applicable), has such person's unconditional consent to transfer to the Clearing House as Collateral, for the purposes of these SC Regulations, any securities or other assets of such person in the Sponsored Member's or its corresponding Agent Member's possession, free of such person's interest.

- (ii) Each Sponsored Member and each corresponding Agent Member represents and warrants to the Clearing House as at each date on which such Sponsored Member or corresponding Agent Member (as applicable) transfers securities or other assets to the Clearing House as Collateral pursuant to these SC Regulations: (a) that such Sponsored Member or corresponding Agent Member (as applicable) is the sole legal and beneficial owner of those securities or other assets or, as the case may be, those securities or other assets are so transferred with the legal and beneficial owner's unconditional consent and free of such owner's interest; and (b) that the provision to the Clearing House of such securities or other assets pursuant to these SC Regulations will not constitute or result in a breach of any trust, agreement or undertaking whatsoever.
- (iii) The Clearing House may, in its absolute discretion and at any time require a Sponsored Member to transfer (or procure the transfer of) and/or require an Agent Member to transfer, other securities or assets to the Clearing House in substitution of any securities or assets transferred to the Clearing House pursuant to this SC Regulation 15.
- (e) The rate of initial margin in respect of each category of OTC Contract shall be determined from time to time by the Clearing House, and such rate shall be published from time to time by the Clearing House.
- (f) Notwithstanding paragraph (e) above, the Clearing House shall be entitled at its absolute discretion, without assigning any reason and without prior notice to a Sponsored Member or its corresponding Agent Member, to modify the rate of initial margin applicable to an OTC Contract or to demand larger or additional amounts of Collateral in respect of the initial margin obligations of a Sponsored Member, either before registration of a contract or at any time after registration. Any Collateral demanded by the Clearing House pursuant to this paragraph shall be transferred by the Sponsored Member or its corresponding Agent Member to the Clearing House on demand and in such form as the Clearing House may require.
- (g) The Clearing House shall be entitled at any time to demand a Sponsored Member transfer (or procure the transfer of) Collateral immediately, in respect of that Sponsored Member's margin obligations in an amount deemed necessary by the Clearing House, without reference to official quotations or Reference Prices in respect of any open contract in the Sponsored Member's name, if, in the opinion of the Clearing House, the transfer to the Clearing House of such Collateral by or for the account of the Sponsored Member is necessary in the circumstances then prevailing, which may be affecting or may in the Clearing House's opinion be likely to affect market conditions or the Sponsored Member's performance of its obligations under the terms of such contracts or under the terms of any original or confirmed contract to which the Sponsored Member is party.

- (h) The Clearing House shall be entitled to make an accommodation charge at a rate determined by the Clearing House and published on the Clearing House's website, in respect of any non-cash Collateral (other than Sponsored Member Returned Collateral or Sponsored Member Applied Collateral) transferred to the Clearing House. Any alteration in the basis of calculating the rates of accommodation charge shall become effective in respect of all current and future business by the time as published on the Clearing House's website.
- (i) Without prejudice to the requirements of paragraph (e) above, the Clearing House may at its absolute discretion accept Collateral to an agreed amount in a form other than those specified in the SC Procedures, subject always to the Clearing House's prior assessment as to the appropriateness of such form of Collateral, in accordance with its standard risk management procedures and to any special arrangements which the Clearing House may prescribe in each case (including as to valuation and haircut). The Clearing House may at its discretion make an accommodation charge at a special rate.
- (j) If, in the opinion of the Clearing House, any asset which has been transferred to it by a Sponsored Member or its corresponding Agent Member as Collateral pursuant to these SC Regulations, is no longer either of sufficient value or otherwise acceptable to the Clearing House, the Clearing House shall be entitled to demand further Collateral be transferred by a Sponsored Member or Agent Member for the account of such Sponsored Member or be transferred by such Agent Member for the Agent Members' own account. Such Collateral shall be transferred by such Sponsored Member or its corresponding Agent Member to the Clearing House on demand in a form prescribed by the SC Procedures, provided that at any time the Clearing House shall be entitled to require the Sponsored Member to transfer (or procure the transfer of) or require such Agent Member to transfer Collateral to the Clearing House in a specified form and to demand that the Sponsored Member replace (or procure the replacement of) or that such Agent Member replace, the whole or part of any asset transferred to the Clearing House by that Sponsored Member or such Agent Member pursuant to these SC Regulations with Collateral in the form of cash.
- (k) Any request by a Sponsored Member or an Agent Member (including, for the avoidance of doubt, a Resigning Sponsored Member, Resigning Agent Member, Retiring Sponsored Member or Retiring Agent Member) for the release or return of excess Collateral shall be dealt with in accordance with the SC Procedures.
- (l) If the Clearing House takes any step or steps under the Default Rules in relation to a Sponsored Member, any sum (including without limitation the price due to be paid by the Clearing House in respect of the delivery of any property or currency by or on behalf of the Sponsored Member) standing to the credit of any of the Sponsored Member's accounts shall be treated as Collateral.
- (m) If the Clearing House takes any step or steps under the Default Rules in relation to an Agent Member, any sum (including without limitation the price due to be paid by the Clearing House in respect of the delivery of any property or currency by or on behalf of the Sponsored Member and/or Agent Member (as applicable)) standing to the credit of any of the Agent Member's Agent Buffer Accounts may be treated as Collateral.

- (n) Unless the Clearing House otherwise agrees in writing or as expressly contemplated by the SC Rulebook, neither a Sponsored Member nor its corresponding Agent Member may assign or otherwise transfer its right to the return of any Collateral transferred to the Clearing House in the form of cash. Any such purported assignment or transfer by a Sponsored Member or its corresponding Agent Member (whether by way of security or otherwise) shall be void. Neither a Sponsored Member nor an Agent Member shall otherwise encumber (or seek to encumber) its right to the return of any cash Collateral transferred by it or for its account to the Clearing House.
- (o) Any references in the SC Rulebook to: (i) Collateral deposited or held by or with the Clearing House, a Sponsored Member or an Agent Member or in an account maintained by the Clearing House, a Sponsored Member or an Agent Member; (ii) balances of Collateral with the Clearing House, a Sponsored Member, or an Agent Member or in an account maintained by the Clearing House, a Sponsored Member or an Agent Member; and (iii) Collateral credited to an account maintained by the Clearing House, a Sponsored Member or an Agent Member (and any phrases describing similar concepts), shall be construed as including:
- (i) all Collateral transferred to the Clearing House by that Sponsored Member or its corresponding Agent Member or for the account of that Sponsored Member (as applicable);
 - (ii) all Collateral transferred to that Sponsored Member or its corresponding Agent Member (as applicable) by the Clearing House; and
 - (iii) any Applied Collateral Excess Proceeds credited to that Sponsored Member's and/or its corresponding Agent Member's account by the Clearing House, but as excluding any relevant Sponsored Member Returned Collateral, Sponsored Member Applied Collateral, Agent Member Returned Collateral, Agent Member Applied Collateral, Clearing House Returned Collateral and/or Clearing House Applied Collateral (as applicable).
- (p) Expressions in the SC Rulebook such as "furnish", "provide", "deposit" and "post" (and similar expressions) are used to describe the act of transferring Collateral to or, as the case may be, from, the Clearing House and, when used in conjunction with such expressions, expressions in the SC Rulebook such as "margin", "cover for margin" and "collateral" (and similar expressions) are used to describe the collateral which is transferred to or, as the case may be, from, the Clearing House. Where the context so permits, references to Collateral being held in an account means that the Collateral is recorded in the books and records of the Clearing House as being attributable to a particular Sponsored Member and, where applicable, its corresponding Agent Member. Where the SC Rulebook so provides, references to Collateral being "transferred" from the Clearing House to the Sponsored Member may include the Clearing House recording in its books and records such Collateral as being attributable to the Sponsored Member and held in an account of the Sponsored Member and, where applicable, its corresponding Agent Member with the Clearing House.
- (q) The SC Rulebook shall be construed such that:

- (i) save as stated in sub-paragraph (ii) below, all transfers of Collateral to or, as the case may be, from, the Clearing House are effected on an outright title-transfer basis (with there being no intention to create any form of *in rem* security interest in such collateral, and despite any references to such collateral being held by the Clearing House, a Sponsored Member or an Agent Member or in an account maintained by the Clearing House, a Sponsored Member or an Agent Member or to such collateral being credited to an account maintained by the Clearing House, a Sponsored Member or an Agent Member (or to similar concepts));
 - (ii) wherever a Sponsored Member or Agent Member transfers non-cash Collateral to the Clearing House under a Deed of Charge, the Clearing House holds the Collateral as custodian for the Sponsored Member or Agent Member which transferred it (or for whose account it was transferred), on and subject to the terms of the Deed of Charge between the Clearing House and that Sponsored Member or between the Clearing House and the Agent Member;
 - (iii) wherever a Sponsored Member transfers non-cash Collateral to the Clearing House under a Title Transfer Contract, the Sponsored Member transfers legal and beneficial title in that Collateral to the Clearing House on and subject to the terms of the Title Transfer Contract between the Clearing House and the Sponsored Member;
 - (iv) wherever the Clearing House is required to return cash Collateral or Applied Collateral Excess Proceeds to a Sponsored Member or an Agent Member (as applicable) or a Sponsored Member and/or an Agent Member is required to return cash Collateral to the Clearing House, that requirement is to pay an amount of cash equal to the amount expressed to be so required to be returned; and
 - (v) wherever the Clearing House is required to return non-cash Collateral to a Sponsored Member and/or an Agent Member (as applicable), that requirement is to return (unless otherwise provided in the SC Procedures) the same non-cash Collateral (or equivalent non-cash Collateral) as was transferred to the Clearing House by the Sponsored Member or Agent Member (as applicable) and to release the same from the security created by the relevant Deed of Charge.
- (r) In determining the amount of Collateral which the Clearing House requires to be transferred to or from the Clearing House pursuant to the SC Rulebook, the Clearing House shall take into account the amount of any Collateral which has previously been determined as being required to be transferred to or from the Clearing House but which, at the time of that determination, has not been so transferred.
 - (s) Upon the Clearing House being satisfied (acting in good faith) that all obligations of a Sponsored Member or an Agent Member pursuant to the SC Rulebook have been irrevocably paid or discharged in full and that no such obligations are capable of arising:
 - (i) the Clearing House shall: (A) in the case of cash Collateral transferred to the Clearing House for the purpose of collateralising that Sponsored Member's

- obligations (other than any constituting Sponsored Member Returned Collateral or Sponsored Member Applied Collateral), pay an amount of cash to that Sponsored Member or its corresponding Agent Member (as applicable) equal to such cash; and (B) in the case of non-cash Collateral transferred to the Clearing House for the purpose of collateralising that Sponsored Member's obligations (other than any constituting Sponsored Member Returned Collateral or Sponsored Member Applied Collateral), transfer that same Collateral (or equivalent Collateral) to that Sponsored Member or its corresponding Agent Member (as applicable); and
- (ii) the Clearing House shall: (A) in the case of cash Collateral transferred to the Clearing House for the purpose of collateralising that Agent Member's obligations (other than any constituting Agent Member Returned Collateral or Agent Member Applied Collateral), pay an amount of cash to that Agent Member equal to such cash; and (B) in the case of non-cash Collateral transferred to the Clearing House for the purpose of collateralising that Agent Member's obligations (other than any constituting Agent Member Returned Collateral or Agent Member Applied Collateral), transfer that same Collateral (or equivalent Collateral) to that Agent Member (as applicable); and
 - (iii) the Sponsored Member or Agent Member shall, in the case of cash Collateral transferred to the Sponsored Member or Agent Member for the purpose of collateralising the Clearing House's obligations (other than any constituting Clearing House Returned Collateral or Clearing House Applied Collateral), transfer (or procure the transfer of) an amount of cash to the Clearing House equal to such cash.
- (t) Wherever this SC Rulebook contemplates the transfer of Collateral to or for the account of a Sponsored Member or a return of Collateral to or for the account of a Sponsored Member:
- (i) a transfer of Collateral by the corresponding Agent Member of a Sponsored Member in accordance with this SC Rulebook shall satisfy and discharge in full the obligation of a Sponsored Member to transfer such Collateral to the Clearing House under this SC Rulebook; and
 - (ii) a transfer of Collateral by the Clearing House to the corresponding Agent Member of a Sponsored Member in accordance with this SC Rulebook shall satisfy and discharge in full the obligation of the Clearing House to transfer such Collateral to the Sponsored Member under this SC Rulebook.
- (u) By virtue of the Agent Membership Agreement, each Agent Member grants a separate limited recourse indemnity to the Clearing House in respect of the portion of each of its Sponsored Member's obligations collateralised by Collateral transferred by such Agent Member for the account of each such Sponsored Member (other than any constituting Sponsored Member Returned Collateral or Sponsored Member Applied Collateral) (the "**Indemnified Sponsored Member Obligations**"). The amount of each such indemnity is limited to an amount equal to the relevant Indemnified Sponsored Member Obligations.

- (v) Wherever the SC Rulebook contemplates an obligation of a Sponsored Member and/or Agent Member (as applicable) being discharged by the Clearing House using, or otherwise applying, cash Collateral transferred to the Clearing House for the purpose of collateralising that Sponsored Member's and/or Agent Member's obligations (as applicable) to the Clearing House (including any Applied Collateral Excess Proceeds), the manner in which such discharge shall occur is by, as applicable:
- (i) the acceleration of the Clearing House's obligation to return that cash Collateral or Applied Collateral Excess Proceeds (or a portion of either) to that Sponsored Member (but only in an amount which does not exceed the obligation of that Sponsored Member which is to be so discharged) and the set-off of that transfer obligation against that Sponsored Member's obligation which is to be so discharged; or
 - (ii) the acceleration of the Clearing House's obligation to return that cash Collateral or Applied Collateral Excess Proceeds (or a portion of either) to one or more corresponding Agent Members (but only in an amount which does not exceed the Indemnified Sponsored Member Obligations which are to be so discharged) and the set-off of that transfer obligation against that Agent Member's obligation to indemnify the Clearing House for the Indemnified Sponsored Member Obligations under paragraph (u) above.
- (w) Wherever the SC Rulebook contemplates an obligation of the Clearing House being discharged by a Sponsored Member or an Agent Member (as applicable) using, or otherwise applying, cash Collateral transferred to that Sponsored Member or an Agent Member for the purpose of collateralising the Clearing House's obligations to that Sponsored Member or Agent Member (as applicable), the manner in which such discharge shall occur is by the acceleration of that Sponsored Member's and/or Agent Member's obligation to return that cash Collateral to the Clearing House (but only in an amount which does not exceed the obligation of the Clearing House which is to be so discharged) and the set-off of that transfer obligation against the Clearing House's obligation which is to be so discharged.

REGULATION 16 AGENT BUFFER

- (a) An Agent Member is required to transfer Collateral to the Clearing House in order to cover any shortfall in margin or Contributions (as required), in connection with Contracts of its Sponsored Members for which it is the Agent Member. The value of such Collateral transfers shall be determined by the Clearing House on the basis of the positions of the open Contracts of Sponsored Members attributed to such Agent Member in accordance with the SC Procedures (the "**Agent Buffer**"), shall be recorded by the Clearing House as attributable to such Agent Member and shall be attributed to its Agent Buffer Account with the Clearing House.
- (b) An Agent Member's Agent Buffer may be applied by the Clearing House towards the payment of:
- (i) margin required by the Clearing House for the account of a Sponsored Member of such Agent Member, with respect to Contracts of one or more of its Sponsored Members;
 - (ii) Contributions required from such Agent Member to the Clearing House, with respect to Contracts of one or more of its Sponsored Members,
- where such amounts have or would not been paid when due, in whole or in part, by such Sponsored Member or such Agent Member for the account of such Sponsored Member (as applicable).
- (c) In the event of simultaneous shortfalls in relation to margin due from a Sponsored Member and Contributions for the account of the same Sponsored Member, in each case with respect to the Contracts attributed to a corresponding Agent Member, the Clearing House will use such Agent Member's Agent Buffer in order to meet any such shortfall.
- (d) The Clearing House shall be entitled to apply the Agent Buffer to cover margin obligations that have been called by the Clearing House prior to a Sponsored Members' default but which have not been paid by its corresponding Agent Member.
- (e) Any Agent Buffer that is applied by the Clearing House to cover:
- (i) required margin, will form a part of the corresponding SM/AM Current Collateral Balance upon being recorded in the relevant SM/AM Account and/or upon the Clearing House in its sole discretion determining that there are insufficient funds standing to the account of the Sponsored Member in the relevant SM/AM Account; and
 - (ii) required Contributions, will form a part of the corresponding Sponsored Member's default fund upon being recorded in the relevant SM/AM Default Fund Account or applied in accordance with Rule 15 of the Default Rules, as applicable.
- (f) If there is a shortfall in the Agent Buffer as a result of the Clearing House applying the Agent Buffer in accordance with this SC Regulation 16 or a shortfall in the SM/AM Account resulting in a requirement to use Agent Buffer to cover the liabilities on the SM/AM Account, the Clearing House will call Collateral (as

determined by the Clearing House acting in its discretion) from the Agent Member to restore the Agent Buffer at the level required by the Clearing House in accordance with the SC Procedures.

- (g) In the event of a Paying Agent Resignation, the Clearing House shall be entitled to apply a Resigning (Payment Services) Agent Member's Agent Buffer in accordance with Regulation 7(t) and the SC Procedures.

REGULATION 17 AGENT RESOURCE CONTRIBUTION

- (a) An Agent Member is required to transfer Collateral to the Clearing House in order to provide pre-funded financial resources to cover losses arising from the Default of its Sponsored Members and any another Clearing Member (in accordance with paragraph (d) below). The value of such pre-funded financial resources shall be determined by the Clearing House on the basis of the Contributions of the Agent Member in respect of the Open Contracts of Sponsored Members attributed to such Agent Member in accordance with the SC Procedures (the "**Agent Resource Contribution**"), shall be recorded by the Clearing House as attributable to such Agent Member and shall be attributed to its ARC Account with the Clearing House.
- (b) An Agent Member's Agent Resource Contribution may be applied by the Clearing House following the Default of one of its Sponsored Members, towards the reduction of losses in accordance with Rule 15 of the Default Rules. If a Default occurs in relation to more than one Sponsored Member of the same Agent Member, the Agent Resource Contribution shall be applied towards the reduction of losses in accordance with Rule 15 of the Default Rules on a first to default basis. If a Default occurs simultaneously in relation to more than one Sponsored Member of the same Agent Member, the Agent Resource Contribution shall be applied towards the reduction of losses in accordance with Rule 15 of the Default Rules *pro rata* between such defaulting Sponsored Members, calculated as the proportion of such Agent Resource Contribution relative to the open Contracts of such defaulting Sponsored Members attributed to such Agent Member.
- (c) Any Agent Resource Contribution that is applied by the Clearing House towards the reduction of losses in accordance with Rule 15 of the Default Rules will no longer constitute Agent Resource Contribution.
- (d) An Affected Agent Member's Agent Resource Contribution may be applied by the Clearing House following the default of another Clearing Member in accordance with the provisions of Rule 15 of the Default Rules.
- (e) If there is a shortfall in the Agent Resource Contribution as a result of the Clearing House applying the Agent Resource Contribution in accordance with this SC Regulation 17, the Clearing House will call additional pre-funded resources from the Agent Member to restore the Agent Resource Contribution at the level required by the Clearing House in accordance with the SC Procedures provided that Agent Resource Contribution cannot be applied more than once by the Clearing House with respect to the Default of a Sponsored Member.

REGULATION 18 OTHER MODES OF SETTLEMENT AND REVALUATION

Settlement, revaluation and collateralisation procedures may be prescribed, in respect of open contracts which are OTC Contracts, in the SC Procedures. The relevant settlement, revaluation and collateralisation procedures (as applicable) may be effected by the Clearing House in accordance with such provisions.

REGULATION 19 MARKET DISORDERS, IMPOSSIBILITY OF PERFORMANCE, TRADE EMERGENCY

- (a) If the Clearing House, in relation to OTC Contracts, determines that one of the following conditions is satisfied, namely:
- (i) a state of war exists or is imminent or threatened or civil unrest or terrorist or other criminal action has occurred or is imminent or threatened, and is likely to affect or has affected the normal course of business, including, but not limited to, performance under a Contract; or
 - (ii) the government of any nation, state or territory or any institution or agency thereof has proclaimed or given notice of its intention to exercise, vary or revoke controls which appear likely to affect the normal course of business, including, but not limited to, performance under a Contract; or
 - (iii) the EU or any international organisation, or any institution or agency thereof, has introduced, varied, terminated or allowed to lapse any provision so as to be likely to affect the normal course of business, including, but not limited to, performance under a Contract; or has given notice of its intention to do so or appears to be about to do so;

then:

- (iv) in respect of such open contracts which are OTC Contracts as specified by the Clearing House, and notified to the affected Members, the Clearing House shall be entitled to invoice back such contracts in accordance with SC Regulation 21 and the SC Procedures at a price determined by the Clearing House or to require such Members to comply with any directions issued by the Clearing House regarding the performance of, or any other direction in respect of, such contracts.

Accounts shall be made up by the Clearing House in accordance with the SC Procedures for each Sponsored Member who is a party to open contracts invoiced back pursuant to this paragraph. Settlement of such accounts shall be due immediately and settlement thereof shall be made forthwith in discharge of such contracts invoiced back notwithstanding any further change of circumstances.

- (b) If, in the opinion of the Clearing House after consultation with the relevant Board, a seller's complete performance of an open contract becomes impossible for any reason whatsoever (except in such circumstances as are set out in paragraph (a) above), the affected contract may at the Clearing House's option thereupon be closed by invoicing back at a price determined by the Board, and such price shall be binding on all affected parties. Accounts shall be made up by the Clearing House in accordance with the SC Procedures.

Any formal announcement made under this SC Regulation shall be made by notice posted by the Clearing House (or by other means as determined by the Clearing House) or as prescribed by the SC Procedures.

REGULATION 20 FORCE MAJEURE

- (a) Neither the Clearing House (nor any other member of the LCH Group) nor a Sponsored Member or Agent Member shall be liable for any failure, hindrance or delay in performance in whole or in part of its obligations under the terms of these SC Regulations or of any Contract if such failure, hindrance or delay arises out of events or circumstances beyond its control. Such events or circumstances may include, but are not limited to, acts of God or the public enemy, acts of a civil or military authority other than the acts referred to in SC Regulation 19(a)(i), (ii) or (iii) above, terrorist or other criminal action, civil unrest, embargoes, fire, flood, labour dispute, unavailability or restriction of computer or data processing facilities, energy supplies, settlement systems or of bank transfer systems or wires, and any other causes beyond the parties reasonable control.

 - (ii) paragraph (a) above, pursuant to the Default Rules, shall be at a price determined by the Clearing House, and, shall be binding as a final settlement upon the parties affected by invoicing back, except that this paragraph shall be without prejudice to any further liability of the defaulting Sponsored Member to the Clearing House or to any additional rights which the Clearing House may have against the defaulting Sponsored Member, whether under these SC Regulations, at law or otherwise.
- (d) In this SC Regulation:

 - (ii) "**opposite contract**" means a contract on the same terms (except as to price or premium), as the Contract to be invoiced back in accordance with this SC Regulation, but where a Sponsored Member is a seller, in respect of the RepoClear Contract to be invoiced back, such Sponsored Member shall be a buyer in respect of the opposite contract and vice versa.

REGULATION 22 CURRENCY CONVERSION

The Clearing House shall be entitled in its discretion to convert monies standing to the debit or credit of a Sponsored Member's accounts or Agent Member's accounts into such other currency or currencies as it thinks fit, such conversion to be effected at such reasonable rate or rates of exchange as the Clearing House may determine in accordance with the SC Procedures.

- (c) The Clearing House shall have authority: (a) to obtain and make use of information from securities depositories and/or any other trade repositories relating to a Sponsored Member or Agent Member; and (b) to disclose such information to any Regulatory Body which is entitled to receive or request any such information.

REGULATION 26 ALTERATION OF SC REGULATIONS AND THE SC PROCEDURES

- (a) Unless the relevant Sponsored Membership Agreement or Agent Membership Agreement or these SC Regulations or the SC Procedures otherwise specifically provide in relation to any proposed alterations, amendment or extension, the Rules Change Committee (acting in accordance with its terms of reference) may from time to time, by notice delivered to such Sponsored or Agent Members, alter, amend or extend these SC Regulations and/or SC Procedures.
- (b) Any such alterations, amendments or extensions may be made with immediate effect or with such deferred effect as the Rules Change Committee shall determine. Any alterations, amendments or extensions to these SC Regulations and/or SC Procedures may take effect so as to apply to Contracts registered in a Sponsored Member's name at the time such alterations, amendments or extensions come into effect if the Rules Change Committee so determines.
- (c) The accidental omission to give notice under this SC Regulation to, or the non-receipt of notice under this SC Regulation by, any Sponsored Member or Agent Member shall not invalidate the amendment or extension with which the notice is concerned.

CHAPTER VIII – NETTING AND DISTRIBUTION

REGULATION 27 NETTING

- (a) If at any time the Clearing House fails to make a payment or a delivery of an asset to a Sponsored Member, other than a Defaulter, or any of its corresponding Agent Members, other than an Affected Agent Member (as applicable), under a Contract for a period of 30 days from the date when the obligation to pay or deliver fell due, then that Sponsored Member may exercise its rights under paragraph (c) below.
- (b) If at any time the Clearing House commences a voluntary case or other procedure seeking or proposing liquidation, administration, receivership, voluntary arrangement or a scheme of arrangement, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law, or if any of the foregoing cases or procedures is commenced in relation to the Clearing House by any other person which results in liquidation or winding up of the Clearing House, or if the Clearing House takes corporate action to authorise any of the foregoing, in any such case other than for the purposes of corporate restructuring (including any consolidation, amalgamation or merger), then a Sponsored Member, other than a Defaulter, may exercise the right given to it under paragraph (c) below.
- (c) A Sponsored Member entitled to exercise rights under this paragraph may, at any time whilst any of the circumstances referred to in paragraphs (a) or (b) above giving rise to such rights continue, by notice in writing to the Clearing House, specify a termination date ("**Termination Date**") (or Termination Dates, as applicable) for the termination and liquidation of all Contracts attributed to such Sponsored Member in respect of each Sponsored Member/Agent Member relationship (as identified by their unique mnemonic, a "**SM/AM Netting Set**") to which such Sponsored Member is a party and in accordance with paragraph (d) below.
- (d) Upon the occurrence of a Termination Date, with respect to the relevant SM/AM Netting Set:
 - (i) none of the Clearing House, the Sponsored Member or its Agent Members (as applicable) shall be obliged to make any further payments or deliveries under any Contract between them which would, but for this SC Regulation 27, have fallen due for performance on or after the Termination Date, and any obligations to make further such payments or deliveries which would otherwise have fallen due shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Termination Amount;
 - (ii) on, or as soon as reasonably practicable after, the Termination Date the Sponsored Member shall (or shall nominate one of its Agent Members to) determine (discounting if appropriate) in respect of each Contract its total loss or, as the case may be, gain, in each case expressed in the lawful currency of the United Kingdom (the "**Base Currency**"), (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this agreement, of each payment or delivery which

would otherwise have been required to be made under such Contract (assuming satisfaction of each applicable condition precedent and having due regard to, if appropriate, such market quotations published on, or official settlement prices set by, a relevant exchange or clearing organisation, as may be available on, or immediately preceding, the date of calculation);

- (iii) any cash Collateral balance: (A) provided by the Sponsored Member and held by the Clearing House; and/or (B) provided by the Clearing House and held by the Sponsored Member, in respect of the other party's initial margin and/or variation margin obligations shall (to the extent not already due and payable) be accelerated so as to become immediately due and payable to the party who provided such cash Collateral, and on, or as soon as reasonably practicable after, the Termination Date the Sponsored Member shall (or shall nominate one of its Agent Members to) determine the Base Currency Equivalent of such amount(s). For the purposes of this SC Regulation 27, the "**Base Currency Equivalent**" means, in respect of any amount denominated in the Base Currency, such Base Currency amount and, in respect of any amount denominated in a currency other than the Base Currency (the "**Other Currency**"), the amount in the Base Currency determined by the Sponsored Member as being required to purchase such amount of such Other Currency as at the relevant Termination Date, with the Base Currency;
- (iv) the Sponsored Member shall treat each loss to it determined under sub-paragraph (ii) above and the Base Currency Equivalent of any amount of cash Collateral due and payable to it, as a positive amount and each gain by it determined under sub-paragraph (ii) above and the Base Currency Equivalent of any amount of cash Collateral due and payable by it, as a negative amount and, subject to sub-paragraph (v) below, shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "**SM Termination Amount**");
- (v) if a SM Termination Amount determined pursuant to sub-paragraph (iv) above is a positive amount, the Clearing House shall pay it to the Sponsored Member and if any such SM Termination Amount is a negative amount, the Sponsored Member shall pay it to the Clearing House, in either case in accordance with sub-paragraph (ix) below. The Sponsored Member shall notify the Clearing House of each such SM Termination Amount, and by which party it is payable, immediately after the calculation thereof;
- (vi) with respect to Agent Members of the Sponsored Member other than Affected Agent Members, any cash Collateral balance provided by such an Agent Member and Agent Buffer held by the Clearing House in respect of the obligations of such an Agent Member shall (to the extent not already due and payable) be accelerated so as to become immediately due and payable to the Agent Member who provided such cash Collateral and Agent Buffer, and on, or as soon as reasonably practicable after, the Termination Date the Agent Member shall determine the Base Currency Equivalent of such amount(s) as well as any amounts owing by the Agent Member to the Clearing House, with respect to its activities regarding the related Sponsored Member but remaining unpaid;

- (vii) the Agent Member shall treat the Base Currency Equivalent of any amount of cash Collateral and Agent Buffer due and payable to it as a positive amount and each amount due and payable by it to the Clearing House as a negative amount and, subject to sub-paragraph (viii) below, shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "**AM Termination Amount**" and, together with a SM Termination Amount, each a "**Termination Amount**");
- (viii) if an AM Termination Amount determined pursuant to sub-paragraph (vii) above is a positive amount, the Clearing House shall pay it to the Agent Member and if any such AM Termination Amount is a negative amount, the Agent Member shall pay it to the Clearing House, in either case in accordance with sub-paragraph (ix) below. The Agent Member shall notify the Clearing House of each such AM Termination Amount, and by which party it is payable, immediately after the calculation thereof;
- (ix) a Termination Amount shall, subject to SC Regulation 28, be paid in the Base Currency by the close of business on the business day following notification pursuant to sub-paragraphs (v) or (viii) above (converted as required by applicable law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Clearing House). Any Termination Amount which is not paid on such day shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11:00 hours (London time) (or, if no such rate is available, at such reasonable rate as the Sponsored Member or, as applicable, the relevant Agent Member may select) plus 1 per cent. per annum, for each day for which any such sum remains unpaid; and
- (x) for the purposes of any calculation required to be made under this SC Regulation, the Sponsored Member or, as applicable, the relevant Agent Member may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

The Sponsored Member's and each of its Agent Member's rights under this SC Regulation 27 shall be in addition to, and not in limitation or exclusion of, any other rights which the Sponsored Member or, as applicable, each of its Agent Members may have (whether by agreement, operation of law or otherwise, including its rights under SC Regulation 10(i)).

- (e) If a Sponsored Member is a Defaulter and either:
 - (i) no default management process has been commenced by the Clearing House in respect of such Sponsored Member within 3 business days following a Default Notice being issued in respect of that Sponsored Member; or
 - (ii) such default management process has been commenced within such period but that Sponsored Member determines (acting reasonably) that the relevant default management process is unlikely to be completed,

then, provided that an event or circumstance as described in paragraph (a) above (ignoring, for this purpose, the words "other than a defaulter" in that paragraph) or (b) above has also occurred, the relevant Sponsored Member shall be entitled to exercise the rights provided under paragraph (c) above, notwithstanding that it is a Defaulter.

- (f) Interpretation in Relation to FDICIA. The Clearing House, each Sponsored Member and each Agent Member intend that certain provisions of the SC Regulations and the SC Procedures (including this SC Regulation 27) be interpreted in relation to certain terms that are defined in FDICIA, as follows:
- (i) The Clearing House is a "clearing organization".
 - (ii) An obligation of a Sponsored Member or an Agent Member to make a payment to the Clearing House, or of the Clearing House to make a payment to a Sponsored Member or an Agent Member, subject to a netting contract, is a "covered clearing obligation" and a "covered contractual payment obligation".
 - (iii) An entitlement of a Sponsored Member or an Agent Member to receive a payment from the Clearing House, or of the Clearing House to receive a payment from a Sponsored Member or an Agent Member, subject to a netting contract, is a "covered contractual payment entitlement".
 - (iv) The Clearing House is a "member", each Sponsored Member is a "member" and each Agent Member is a "member".
 - (v) The amount by which the covered contractual payment entitlements of a Sponsored Member, an Agent Member or the Clearing House exceed the covered contractual payment obligations of such Sponsored Member, such Agent Member or the Clearing House after netting under a netting contract is its "net entitlement".
 - (vi) The amount by which the covered contractual payment obligations of a Sponsored Member, an Agent Member or the Clearing House exceed the covered contractual payment entitlements of such Sponsored Member, such Agent Member or the Clearing House after netting under a netting contract is its "net obligation".
 - (vii) The SC Regulations and the SC Procedures, including this SC Regulation 27 constitute a "netting contract".
 - (viii) The provisions of the SC Rulebook (including the Default Rules) and the SC Procedures providing for the use and liquidation of Collateral each constitute a "security agreement of arrangement or other credit enhancement related to one or more netting contracts between any 2 members of a clearing organization".
 - (ix) For purposes of this SC Regulation 27, the term "payment" means "a payment of United States dollars, another currency, or a composite currency, and a noncash delivery, including a payment or delivery to liquidate an unmaturing obligation".

REGULATION 28 DISTRIBUTION OF ASSETS

- (a) Where (after any netting and set-off provided for in SC Regulation 27, SC Regulation 10(i), or otherwise) the Clearing House has insufficient assets available to it to pay all claims of the Clearing Members (determined under SC Regulation 27, Regulation 45 of the General Rulebook and Regulation 37 of the FCM Regulations) in full (including, for the avoidance of doubt, any claims in respect of outstanding Contributions under Rule 16(a)(i) of the Default Rules), such claims shall be met first in an amount equal to the sum of the outstanding Contributions of each Clearing Member or, in the case of a Sponsored Member, each of its Agent Members and, thereafter, *pro rata* to each Clearing Member's (including each Sponsored Member's and each Agent Member's) remaining claim, taking into account any amounts already received.

- (b) To the extent the Clearing House does not have sufficient assets available to it to pay each Clearing Member (including each Agent Member) the amount equal to the sum of its outstanding Contributions, the Clearing House shall distribute the assets available to it to Clearing Members (including Agent Members) in respect of their claims relating to outstanding Contributions in priority to other Clearing Members (including Sponsored Member and Agent Member) claims, in each case in an amount equal to the proportion that the outstanding Contributions of the relevant Clearing Member (including an Agent Member) bear to the aggregate of all outstanding Contributions of all Clearing Members (including Agent Members).

REGULATION 29 SOLVENCY THREATENING TREASURY DEFAULT LOSS

(a) In this SC Regulation:

"Calculation Period" means, in respect of a type of Business, a period of the number of days specified in the "Combined Loss Value" calculation in relation to the Fund Amount of that type of Business and ending on the business day preceding the date on which the Clearing House determines that a Solvency Threatening Treasury Default Loss has occurred (and the terms "Business", "Combined Loss Value" and "Fund Amount" have the meanings set out in the Default Fund Rules);

"Clearing Member" shall mean a Clearing Member as defined in these SC Regulations;

"Margin Weight" means:

(i) the aggregate of the total margin requirement of an Agent Member's Sponsored Members (in respect of all such Sponsored Members' SM/AM Accounts) for each type of Business undertaken by the Agent Member's Sponsored Members, averaged over the relevant Calculation Period preceding a determination of a Solvency Threatening Treasury Default Loss under SC Regulation 29(b) below;

divided by

(ii) the total average margin requirement of all Clearing Members of the Clearing House during the same period; and

"Treasury Default" means, in connection with the Clearing House's treasury management activities, the default of: (A) an issuer of a debt instrument underlying a treasury management contract; and/or (B) a counterparty to a treasury management contract (including a deposit-taking institution), as determined by the Clearing House in its sole discretion.

- (b) In the event of a Treasury Default, the Clearing House may determine in its sole discretion that a loss has been caused by or arises out of a Treasury Default. If the Clearing House so determines, it must determine the quantum of that loss by ascertaining the gross amount of the loss and reducing it by EUR 15 million. The result is referred to as a **"Solvency Threatening Treasury Default Loss"**.
- (c) The Clearing House will, in respect of each Clearing Member, determine an amount of the Solvency Threatening Treasury Default Loss to be allocated to that Clearing Member, based on that Clearing Member's Margin Weight (an **"Allocated Loss"**). The day on which the Clearing House determines that a Solvency Threatening Treasury Default Loss has taken place shall be the determination day for the purposes of establishing the Calculation Period.
- (d) The maximum Allocated Loss that each Clearing Member can be allocated is equal to: (i) the total Clearing House treasury investment portfolio immediately prior to the Solvency Threatening Treasury Default Loss, reduced by EUR 15 million; multiplied by; (ii) that Clearing Member's Margin Weight. For the purpose of the calculation of Margin Weight, the margin requirements for any Clearing Member

who has become a Defaulter or, in the case of Agent Members, any of such Agent Member's Sponsored Members who has become a Defaulter, at any point prior to the date of allocation, shall be disregarded.

- (e) Each Clearing Member shall pay to the Clearing House within an hour of demand a cash amount equal to its Allocated Loss. The Clearing House shall be entitled to debit such cash amount from the PPS account associated with that Clearing Member's Proprietary Account (or in the case of an Agent Member, such Agent Member's PPS account).
- (f) Any determination made by the Clearing House, and any action taken by the Clearing House, pursuant to this SC Regulation is binding on a Clearing Member and may in no circumstances be challenged or called into question.
- (g) If, after exercising its rights under this SC Regulation, the Clearing House makes a recovery in respect of the Treasury Default, the Clearing House will (after deducting its own expenses) distribute the net proceeds of such recovery pro rata to the amount of the Allocated Loss paid by each Clearing Member in respect of that Treasury Default by crediting the relevant Clearing Member's Proprietary Account or, in the case of an Agent Member, such Agent Member's PPS Account. Nothing in this SC Regulation 29(g) obliges the Clearing House to pursue any litigation or take other action in order to recover the amounts contemplated hereby.

CHAPTER IX – MISCELLANEOUS**REGULATION 30 SC PROCEDURES**

The SC Procedures shall take effect and shall be binding on Sponsored Members and Agent Members as if they formed part of these SC Regulations save that, in the event of any conflict between the provisions of these SC Regulations and the SC Procedures, the provisions of these SC Regulations shall prevail.

REGULATION 31 INTERPRETATION OF THESE SC REGULATIONS

- (a) In the event of inconsistency between the provisions of these SC Regulations or between these SC Regulations and the Rules or regulations or other contractual provisions of any trading platform or other undertaking, the provisions of these SC Regulations shall prevail.
- (b) The headings to these SC Regulations are for convenience only and shall not affect their interpretation.

REGULATION 32 WAIVER

No failure by the Clearing House to exercise, nor any delay on its part in exercising, any of its rights (in whole or in part) under these SC Regulations shall operate as a waiver of the Clearing House's rights or remedies upon that or any subsequent occasion, nor shall any single or partial exercise of any right or remedy prevent any further exercise thereof or any other right or remedy.

REGULATION 33 VALIDITY OF SC REGULATIONS AND ACTION

If at any time any provision of these SC Regulations becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of these SC Regulations nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.

REGULATION 34 GOVERNING LAW AND JURISDICTION

- (a) These SC Regulations and the SC Procedures, an OTC Contract, and all non-contractual or other obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) The Clearing House and every Sponsored Member and Agent Member hereby irrevocably agree for the benefit of the Clearing House that the courts of England shall have exclusive jurisdiction to hear and determine any claim or matter arising from or in relation to any Contract or in relation to these SC Regulations which does not fall to be referred to arbitration, or to be dealt with under the Trading System Rules (as defined in SC Regulation 37(a)) pursuant to the provisions of SC Regulation 38 and each Sponsored Member and Agent Member irrevocably submits to such jurisdiction and to waive any objection which it might otherwise have to such courts being a convenient and appropriate forum, save that this submission to the exclusive jurisdiction of the English courts shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the taking of action in any other jurisdiction, whether concurrently or not.
- (c) Each Sponsored Member and Agent Member irrevocably waives, with respect to itself and its revenues and assets, all immunity on the grounds of sovereignty or other similar grounds from suit, jurisdiction of any court, relief by way of injunction, order for specific performance or for recovery of property, attachment of its assets (whether before or after judgement) and execution or enforcement of any judgement to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees that it will not claim any such immunity in any proceedings.

REGULATION 35 EXCLUSION OF LIABILITY

- (a) Without prejudice to the provisions of SC Regulation 2 and paragraph (e) below, neither the Clearing House, nor any other member of the LCH Group shall have any liability whatsoever to any Sponsored Member or Agent Member or to any other person in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred by a Sponsored Member or Agent Member or any other person, as the case may be, as a result of: (i) the failure of any systems, communication facilities or technology supplied, operated or used by the Clearing House; or (ii) any event which is outside the control of the Clearing House; any act or omission of the Clearing House.
- (b) Neither the Clearing House nor any other member of the LCH Group shall have any liability to a Sponsored Member or Agent Member or any other person in respect of any dispute arising from or in relation to any OTC Transaction, including, but not limited to, any dispute as to the validity or otherwise of such OTC Transaction, the terms of such OTC Transaction, or whether any alleged agreement or arrangement constitutes an OTC Transaction.
- (c) Without prejudice to the provisions of SC Regulation 2 and paragraph (e) below, neither the Clearing House nor any other member of the LCH Group shall have any liability whatsoever to any Sponsored Member or Agent Member, or to any other person in contract, tort (including without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred as a result of: any suspension of an OTC Clearing Service (or any part thereof), whether for a temporary period or otherwise, a step taken by the Clearing House under SC Regulation 12(h), SC Regulation 19, SC Regulation 20, or any failure or malfunction of any systems, communication lines or facilities, software or technology supplied, operated or used by the Clearing House; the occurrence of any event which is outside the control of the Clearing House; or any exercise by the Clearing House of its discretion under the SC Regulations, or any decision by the Clearing House not to exercise any such discretion.
- (d) Without prejudice to paragraph (c) above and paragraph (e) below, unless otherwise expressly provided in the SC Regulations or in any other agreement to which the Clearing House is party, neither the Clearing House nor any other member of the LCH Group shall have any liability under any circumstances (including, without limitation, as a result of any negligence by the Clearing House, or any other member of the LCH Group, or their respective officers, employees, agents or representatives), to any Sponsored Member or Agent Member, for any indirect or consequential loss or damage, or loss of anticipated profit (whether direct or indirect) or loss of bargain, suffered or incurred by any such Sponsored Member or Agent Member, and shall not in any circumstances be liable for any loss, cost, damage or expense suffered or incurred by any person as a result of any negligence on the part of the Clearing House, or any other member of the LCH Group, or their respective officers, employees, agents or representatives.
- (e) Nothing in this SC Regulation 35 shall be construed as an attempt by the Clearing House to exclude any liability for any fraud, fraudulent misrepresentation or wilful

default on the part of the Clearing House. The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House and for any fraud or wilful default on the part of the Clearing House.

- (f) For the purposes of the Contracts (Rights of Third Parties) Act 1999, save as is expressly set out herein, these SC Regulations, Default Rules and SC Procedures do not create any rights in any person(s) who is/are not Sponsored Members or Agent Members.
- (g) Without prejudice to SC Regulation 2 and paragraph (e) above, neither the Clearing House, nor any other member of the LCH Group, shall have any liability whatsoever to any Sponsored Member or Agent Member or to any other person in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred by a Sponsored Member or Agent Member or any other person as the case may be, as a result of any service failure, whether complete or partial, of any payment or securities services provider, including (without limitation) any Securities System Operator (as defined in the Clearing House Settlement Finality Regulations), custodian, settlement agent, securities depository, securities settlement system, settlement facility or central bank.

CHAPTER X – INTENTIONALLY LEFT BLANK

REGULATION 36 INTENTIONALLY LEFT BLANK

CHAPTER XI – SC REPOCLEAR REGULATIONS

REGULATION 37 REPOCLEAR TRANSACTIONS ENTERED INTO THROUGH A TRADING SYSTEM

- (a) This SC Regulation 37 applies to Repo Trades, Bond Trades and Term £GC Trades made by Sponsored Members and sent to the Clearing House via a Trading System which such Sponsored Members are authorised by the Clearing House to use under the SC Procedures. In the event of any inconsistency between the SC Regulations (including any applicable terms of any other agreement entered into between the Sponsored Member or Agent Member and the Clearing House), and the Rules, practices, procedures and arrangements of the Trading System ("**Trading System Rules**"), the SC Regulations shall prevail.
- (b) If a "**Trading System Participant**" (defined for these purposes as a Sponsored Member who is a direct or indirect participant in a Trading System) has given notice to the Clearing House, in accordance with the SC Procedures, that it intends to carry out Repo Trades and/or Bond Trades and/or Term £GC Trades through a Trading System specified in its notice and has not withdrawn such notice in accordance with the SC Procedures, the Clearing House will enter into RepoClear Contracts or RepoClear Term £GC Contracts, as the case may be, with the Trading System Participant pursuant to such dealings in accordance with and subject to the following provisions of this SC Regulation. The terms of a registered RepoClear Contract or RepoClear Term £GC Contract shall be as notified to the Clearing House by the Trading System and otherwise subject to the SC Regulations (and the Clearing House and the Sponsored Member party to the registered RepoClear Contract or RepoClear Term £GC Contract, as the case may be, shall be obliged to perform their obligations thereunder in accordance with such terms).
- (c) The Clearing House shall, in relation to a Trading System Participant enter into a RepoClear Contract in respect of any Repo Trade or any Bond Trade or to enter into a RepoClear Term £GC Contract in respect of any Term £GC Trade, in accordance with paragraph (d) below, as applicable, pursuant to the Trading System Participant's dealings via any Trading System referred to in paragraph (b) above, provided that the following requirements ("**the RepoClear Trade Registration Eligibility Criteria**") shall have been complied with:

- (v) such dealings satisfy the terms and conditions stated in the SC Regulations and the SC Procedures with respect to such dealings (together the "**RepoClear Eligibility Criteria for RepoClear Contracts and RepoClear Term £GC Contracts**") and the offers made in this SC Regulation 37, including the terms of any Contract which would arise under paragraph (d) below and all necessary details as required by the Clearing House, shall have been provided to the Clearing House;
 - (vi) the relevant Agent Member has provided its consent to the registration of the RepoClear Contract in accordance with the relevant provisions of the SC Procedures and within the time period permitted for such consent to be provided;
 - (vii) the dealings are recognised by the relevant Trading System as satisfying the RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear Term £GC Contract and as dealings which the parties thereto have identified are to be registered by the Clearing House as RepoClear Contracts or RepoClear Term £GC Contracts, as applicable;

In respect of a dispute arising out of, or in respect of, a registered RepoClear Contract or RepoClear Term £GC Contract, other than a dispute in respect of a matter referred to above as a dispute to be settled as provided for in the Trading System Rules, such dispute shall be settled as provided in the SC Regulations.
