LCH.CLEARNET LIMITED SELF-CERTIFICATION OF AMENDMENTS TO LCH.CLEARNET LIMITED'S RULES AND REGULATIONS

LCH.Clearnet Limited (“LCH.Clearnet”), a derivatives clearing organization registered with the Commodity Futures Trading Commission (the “CFTC”), is submitting for self-certification, pursuant to CFTC Regulation §40.6, amendments to LCH.Clearnet’s Rules and Regulations to reflect changes to the LCH.Clearnet ForexClear service, SwapClear membership criteria and in order to ensure compliance with CFTC regulation coming into effect on May 7, 2012.

Part I: Explanation and Analysis

1.1 Introduction

The following changes to the ForexClear service will take effect on May 7, 2012:

- Changes to the Default Rules (reflecting changes in the ForexClear Default Management Process, the incorporation of the ForexClear Default Management Process Agreement (“DMPA”) into the Default Rules, and various administrative changes)
- Changes to the Default Fund Rules; and
- Changes to the ForexClear Membership criteria;

LCH.Clearnet is also planning to make changes that will apply to all Clearing Members of LCH.Clearnet with effect from May 7, 2012. In addition, further changes will be made to the SwapClear membership criteria.

Rationale for the Rule Amendments

1.1.1 Changes to the ForexClear DMP

On May 7, 2012, regulations prescribed by the CFTC, which require central counterparties to provide fair and open access to a much broader range of market participants, will come into force. ForexClear will make a number of adjustments to its rules as a result of these new regulations.

ForexClear will not be making any changes to the ForexClear Fund Amount of its already segregated default fund.

The key changes being introduced to the ForexClear rules mirror those submitted for the SwapClear service on April 16, 2012 and include:

- a provision for “ForexClear Unfunded Contributions”;
- a loss distribution process;
- a 30 day cooling off period following the end of a default;
- the removal of non-competitive allocation (“NCA”);
- the creation of “Auction Incentive Pools” (“AIP”); and
- loss attribution in accordance with AIPs, including use of the ForexClear Unfunded Contributions.

Changes to the ForexClear default management process are also required to ensure that LCH.Clearnet has the necessary tools to deal with the risk and losses it faces following a default. As a result of these changes, consequential amendments to the General Regulations of LCH.Clearnet are also necessary.

1.1.2 Changes to the ForexClear Membership Criteria: Participant Eligibility, Operational requirements

LCH.Clearnet is removing the current minimum average long term credit rating requirement of 'A' which currently applies to ForexClear Clearing Members ("FXCCMs"). All new FXCCMs will however continue to be subject to the existing LCH.Clearnet assessment upon application for membership, which considers the financial and operational capabilities of each new FXCCM.

All FXCCMs will continue to be required to demonstrate operational capability during a default scenario. However, all FXCCMs will be entitled to outsource default management responsibilities to a third party on a case by case basis, and on the proviso that certain outsourcing conditions are met and subject always to the discretion of LCH.Clearnet.

EXPLANATION OF RULE CHANGES

To reflect the changes outlined above, the following Rules and Regulations will be amended. Additionally, there will be some general renumbering and updates to the Rules and Regulations. The rule amendments will become effective May 7, 2012.

Changes in relation to the ForexClear amendments are blacklined in the attached rule extracts. Please note that changes submitted for self-certification on April 16, 2012 in respect of the SwapClear service are shown as already incorporated, to provide a comparison.

Amendments to the Default Fund Rules (at Exhibit A-1)

The following changes will specifically apply to the ForexClear service:

Rule 16 will be largely unchanged in respect of ForexClear. The end of the Rule will make a provision for a "true up" process to be carried out as the funds are being used in relation to a default.

Rule 17 will make provision for ForexClear Unfunded Contributions (these are calculated in accordance with Rule F8 of the ForexClear Default Fund Supplement).

Rules 23(a), 26, 31, 33, 36 and 37 are tidying changes and clarifications, as well as cross-references to amended provisions in the ForexClear Default Fund Supplement.

The following changes will be made to the ForexClear Default Fund Supplement:

Rule F2 will be amended such that during the thirty (30) days following a default, the calculation of the ForexClear Fund Amount will be suspended. Rule F2 will also be amended to clarify the calculation of the ForexClear Fund Amount (the Fund Amount shall not be less than US\$70 million), based on a "Combined Loss Value" calculated in respect of the previous 30 days (for SwapClear the period is 60 days).

Rule F7 will be amended to remove provision for replenishment, which is replaced with the calculation mechanism at Rule F2.

Rule F8 provides for the Clearing House to require non-defaulting FXCCMs to pay one or more ForexClear Unfunded Contributions if the ForexClear Fund Amount is reduced by 25% or more, or the loss exceeds the amount available under Rules 16(1) to (7). In respect of a single default, the sum of each FXCCM's ForexClear Unfunded Contributions may not exceed that FXCCM's ForexClear Contribution as calculated in accordance with the Default Fund Rules immediately prior to that default. Rule F8 also provides that the Clearing House may only call for ForexClear Unfunded Contributions in respect of no more than three defaults in a six month period. These provisions mirror the changes made for the SwapClear service.

Rule F9 provides for a "Loss Distribution Process" to provide additional resources to the Clearing House in the event that ForexClear default losses exceed the resources available under Default Fund Rules 16(1) to (7). The provisions will replicate those in SwapClear (except that the "Loss Distribution Cap Amount" is US\$100 million rather than £100 million).

A new Rule F10 provides that if one or more defaults will cause the Clearing House to exhaust all available resources such that the close-out process in Rule F11 is likely to be invoked, then the Clearing House will first call upon FXCCMs to make voluntary payments. The changes to Rule F10 mirror the provisions for SwapClear.

Rule F11 will be amended to reflect the insertion of new Rule F10.

Rule F12 will insert a ballot mechanism if certain amendments are proposed to the Default Fund Rules that may affect FXCCMs.

Addition of the ForexClear DMP Annex to the Default Rules (at Exhibit A-2)

The procedure pursuant to which LCH.Clearnet manages the default of a ForexClear Clearing Member was previously dealt with under a bilateral agreement between each ForexClear Clearing Member and LCH.Clearnet known as the ForexClear DMPA. The ForexClear DMPA will be amended and also brought into the Default Rules as a ForexClear DMP Annex.

The following changes will be introduced for the revised default management process:

Removal of Non-competitive allocation ("NCA"):

LCH.Clearnet will remove the NCA mechanism, which was intended to act as an incentive for ForexClear Clearing Members to participate in the auction process. NCA enabled LCH.Clearnet to allocate a portfolio of trades across Non-defaulting ForexClear Clearing Members if an auction process had failed.

Auction Incentive Pools ("AIPs") (ForexClear DMP Annex Rule 2.4) and their Allocation (ForexClear DMP Annex Rule 2.4.2(c)):

For the purposes of Loss Attribution (see section below), the ForexClear Contributions which are already funded (defined in the ForexClear DMP Annex as the "Original Contributions") and the ForexClear Unfunded Contributions which are callable (but have not yet been called)

by the Clearing House pursuant to Rule F8 (defined in the ForexClear DMP Annex as the "Potential Unfunded Contributions") are allocated to AIPs. Each Auction Portfolio will have a separate AIP associated with it.¹ The resources allocated to each AIP will also take into account any margin still available to the Clearing House which is referable to the ForexClear Contracts of the defaulter (or unused margin from other services), the defaulter's ForexClear Contribution and a pro rata share of the LCH Contribution (the "Non-Mutualised Layers"). LCH.Clearnet will allocate resources to the AIPs based on an apportionment of risk.

Incentivising auction participation by way of capital at risk (ForexClear DMP Annex Rule 2.5):

In place of the NCA process, LCH.Clearnet has introduced a Loss Attribution process to incentivize participation in the Auctions of a Defaulting ForexClear Clearing Member's positions and to penalize those Non-defaulting ForexClear Clearing Members who fail to bid or submit unrealistically low bids. This is achieved by treating the ForexClear Contributions of Non-defaulters as "capital at risk" and sequencing the order and degree to which LCH.Clearnet attributes those ForexClear Contributions to Auction Losses.

Loss Attribution only takes place once the Auctions of all Auction Portfolios of the Defaulting ForexClear Clearing Member have been completed. Initially, LCH.Clearnet will determine whether the total amount of the losses arising in the Auctions are such that the Non-defaulters' Contributions must be utilized. If this is the case, LCH.Clearnet will then determine which specific Auctions caused Auction Losses sufficient to require recourse to the Non-defaulters' Contributions².

The Non-defaulters' Contributions will be allocated in respect of those Auction Losses by looking first to: (i) the Original Contributions in the AIP related to the loss-making Auction Portfolio; (ii) the Original Contributions in any other AIP relating to an Auction Portfolio denominated in the same currency pair as the loss-making Auction Portfolio (where portfolio splitting occurs); (iii) in the portion of Original Contributions allocated to AIPs related to other currency pairs and that have not been fully utilized; and (iv) all Original Contributions not covered under (i) to (iii). The sequencing of utilization of the Original Contributions made by individual ForexClear Clearing Members in (i) to (iii) is based on the bidding behavior of the relevant ForexClear Clearing Member in the relevant Auction.

If there are Auction Losses remaining after the Original Contributions have been exhausted, the Clearing House will repeat the loss allocation process described in (i) to (iv) in the paragraph immediately above using the ForexClear Unfunded Contributions.³

¹ For future flexibility, the ForexClear DMP makes provision for portfolio splitting although it is not intended that these provisions will be used at this stage. Where portfolio splitting has occurred, the AIP relating to the underlying portfolio will be similarly divided

² For these purposes, LCH.Clearnet will attribute the losses in an Auction first to the Non-Mutualised Layers of the AIP related to the relevant Auction Portfolio in order to (i) identify any surplus resources in such Non-Mutualised Layers and (ii) allocate such surplus to the AIPs relating to Auction Portfolios the Auctions of which gave rise to losses requiring the utilisation of resources beyond the Non-Mutualised Layers (i.e the Non-defaulters' Contributions).

³ If this stage in the Loss Attribution process is reached, it can be assumed that LCH.Clearnet has called for the ForexClear Unfunded Contributions (meaning that, technically, they have become "ForexClear Contributions" and are no longer "Potential Unfunded Contributions"). However, those ForexClear Contributions remain distinct from those ForexClear Contributions which are Original Contributions (and which were already funded at the time when the AIPs were constituted), form a layer in the AIPs below the layer containing the Original Contributions and are utilized in respect of Auction Losses only once all of the Original Contributions have been exhausted.

Amendments to Sections 1 (at Exhibit A-3) and Section 2K (at Exhibit A-4) of the LCH.Clearnet Procedures (applicable to ForexClear Clearing Members):

Revised Membership Criteria:

LCH.Clearnet has made the following changes to its ForexClear Clearing Membership criteria in its Membership Procedures (Section 1):

- Removed the requirement for ForexClear Clearing Members to have a minimum external credit rating (Section 1.2.4).
- Clarified the concept that ForexClear Clearing Members may outsource certain default management activities (Section 1.2.4).

Net capital, Credit and Reporting Requirements:

Section 1.14, which detailed LCH.Clearnet's use of internal credit ratings, will be deleted.

Section 1.2.4 will be amended to abolish guarantees for FXCCMs.

Default Management and Outsourcing:

New provisions in Section 2K.10 supplement the auction process set out in the ForexClear DMP Annex and the default management process for FXCCMs.

Section 2K.10.6 describes LCH.Clearnet's approach to outsourcing default management activities and details how a FXCCM can apply to appoint an LCH Approved Outsourcing Agent and the extent of that LCH Approved Outsourcing Agent's responsibilities.

Certain ancillary provisions in 2K.10.7 relating to the ForexClear DMG are also contained in this section including the requirement for members of the ForexClear DMG to comply with anew Appendix 2K.A 'Confidentiality, non-disclosure and participation in the ForexClear Default Management Group'.

Margin Multipliers

Miscellaneous changes have also been made to Sections 2K.5.6.1 and 2K.5.6.3 to clarify and simplify the language.

Amendments to the General Regulations (at Exhibit A-5)

Regulation 39B has been modified such that FXCCMs benefit from its terms.

Changes to the SwapClear Service

Amendments to Sections 1 and (at Exhibit A-3) Section 2C (at Exhibit A-6) of the LCH.Clearnet Procedures (applicable to non-FCM SwapClear Clearing Members):

Revised Membership Criteria:

LCH.Clearnet has made the following changes to its non-FCM SwapClear Clearing Membership criteria in section 1.9.3 and 1.2.3 of its Membership Procedures (Section 1):

- Reduced the minimum net capital requirement from US\$5,000,000,000 to US\$50,000,000.
- Guarantees will be abolished for SwapClear Clearing Members.

Amendments to the General Regulations (at Exhibit A-5) and FCM Regulations (at Exhibit A-7)

- Reduced the minimum net capital requirement from US\$1,000,000,000 to US\$50,000,000.
- Guarantees will be abolished for SwapClear Clearing Members.

Amendments to Section 2C (at Exhibit A-6)

Appendix 2E has been included in the FCM Procedures as a result of the Default Management Process Agreement being incorporated within the LCH.Clearnet rulebook rather than remaining as a private agreement.

Changes to the General Membership Criteria

Amendments to Section 1 of the Clearing House Procedures (at Exhibit A-5) and the FCM Procedures (at Exhibit A-8)

Section 1 of the Clearing House Procedures will be amended to reflect the discretion of LCH.Clearnet to refuse membership applications where it considers it appropriate to do so in accordance with internal risk management policies and procedures. This change is also reflected at Section 1 of the FCM Procedures.

Amendments to Sections 1

A new paragraph will be added Section 1.2.1 providing that applicants for clearing membership must meet LCH.Clearnet's internal risk management policies. An equivalent amendment will be made to the FCM Procedures.

Section 1.9.6, which contains new provisions that deal with the revised net capital provisions that have been introduced, has been modified to apply to all Clearing Members. These new provisions provide a tool for LCH.Clearnet to ensure that a Clearing Member is sufficiently capitalized. Where LCH.Clearnet does not believe that a Clearing Member is sufficiently capitalized, Section 1.9.6 contains certain new provisions that LCH.Clearnet can implement.

Other Rule amendments as a result of CFTC regulations coming into effect on May 7, 2012

CFTC Regulation §39.12(a)(5) states:

"(i) A derivatives clearing organization shall require all clearing members, including non futures commission merchants, to provide to the derivatives clearing organization periodic financial reports that contain any financial information that the derivatives clearing organization determines is necessary to assess whether participation requirements are being met on an ongoing basis.
(A) A derivatives clearing organization shall require clearing members that are futures commission merchants to provide the financial reports that are specified in § 1.10 of this chapter to the derivatives clearing organization.
(B) A derivatives clearing organization shall require clearing members that are not futures commission merchants to make the periodic financial reports provided pursuant to paragraph (a)(5)(i) of this section available to the Commission upon the Commission's request or, in lieu of imposing this requirement, a derivatives clearing organization may provide such financial reports directly to the Commission upon the Commission's request.
(ii) A derivatives clearing organization shall adopt rules that require clearing members to provide to the derivatives clearing organization, in a timely manner, information that concerns any financial or business developments that may materially affect the clearing members' ability to continue to comply with participation requirements."

Section 1.11 of the Procedures has been amended to comply with §39.12(a)(5) in order to provide clarifications that all Clearing Members are required to supply to LCH.Clearnet in a timely manner, information that concerns any financial or business developments that may materially affect the clearing member's ability to comply with LCH.Clearnet's participation requirements.

(C) Require its clearing members to make information and documents regarding their risk management policies, procedures, and practices available to the Commission upon the Commission's request."

LCH.Clearnet is introducing a new requirement for all Clearing Members to maintain written risk management policies and procedures that outline the risk areas that a Clearing Member poses to LCH.Clearnet, and on request of LCH.Clearnet to provide such information and documents to LCH.Clearnet regarding their risk management policies, procedures and practices, including, but not limited to, information and documents relating to the liquidity of their financial resources and their settlement procedures. In addition, LCH.Clearnet may also require its Clearing Members to make such information available to the Commission upon the Commission's request.

Reduction of Losses on Default

16. Subject to any contrary provision of the Rulebook, where a defaulter fails to pay any sum payable to the Clearing House, the Clearing House shall reduce or bear its loss in the manner provided by this Rule:-

- (1) first, to the extent the Clearing House determines appropriate, in applying any cover for margin and any other sum owed to the defaulter other than any Contribution (together, "**Margin Cover**"), provided that Margin Cover related to the General Business is to be applied first to any loss attributable to the General Business until such loss is absorbed, Margin Cover related to the ForexClear Business is to be applied first to any loss attributable to the ForexClear Business until such loss is absorbed, and Margin Cover related to the SwapClear Business is to be applied first to any loss attributable to the SwapClear Business until such loss is absorbed;
- (2) second, by recourse to (i) the defaulter's relevant Contribution (i.e. ForexClear Contribution in respect of ForexClear Business, SwapClear Contribution in respect of SwapClear Business and General Contribution in respect of General Business), followed by (ii) any other Contribution made by the defaulter to the extent not utilised under (i) above. The Clearing House will exercise its rights of recourse under this Rule 16(2) by set-off against the Clearing House's obligation to repay the relevant Contributions to the defaulter;
- (3) third, by payment from the Clearing House's own account of an amount up to a maximum of £20,000,000 (or such greater amount (if any) as may be determined from time to time by the Board of the Clearing House) (the "**Capped Amount**"). For the avoidance of doubt, amounts will only be paid under this stage (3) if and to the extent that to do so would not result in the Clearing House being unable to meet all its other liabilities (taking into account for these

purposes the obligation of the Clearing House to return initial margin provided in the form of cash and to repay the Contributions of all Clearing Members).

Where there are amounts due from the defaulter at this stage in respect of more than one of General Business, ForexClear Business and SwapClear Business, the Capped Amount shall be applied to those amounts pro rata;

- (4) fourth, to the extent that any insurance or analogous arrangement is not available to the Clearing House, by recourse to the indemnities given under Rule 28 by Clearing Members other than the defaulter (which shall be satisfied by set-off against the Clearing House's obligation to repay the relevant Contributions of such Clearing Members);
- (5) fifth, by recourse to any insurance cover or analogous arrangement;
- (6) sixth, by recourse to the indemnities given under Rule 28 by Clearing Members other than the defaulter (which shall be satisfied by set-off against the Clearing House's obligation to repay the relevant Contributions of such Clearing Members);
- (7) seventh, by recourse to any other indemnities, guarantees, undertakings or monies provided by Clearing Members; and
- (8) eighth, and in respect of General Excess Loss only, as a loss borne by the Clearing House for its own account. For the avoidance of doubt, amounts will only be paid under this stage (8) if and to the extent that to do so would not result in the Clearing House being unable to meet all its other liabilities (taking into account for these purposes the obligation of the Clearing House to return initial margin provided in the form of cash and to repay the Contributions of all Clearing Members)..

This Rule has effect without prejudice to any rights of the Clearing House or any other person against the defaulter. For the avoidance of doubt, (i) the

effect of Rule F~~8~~11 is that only stages (1) to (7) under this Rule 16 will apply in respect of any ForexClear Excess Loss, and any outstanding contracts retained by the Clearing House will be closed out in accordance with the procedure set out in Rule F~~8~~11 without any recourse to the capital of the Clearing House under Rule 16(8); and (ii) the effect of Rule S11 is that only stages (1) to (7) under this Rule 16 will apply in respect of any SwapClear Excess Loss, and any outstanding contracts retained by the Clearing House will be closed out in accordance with the procedure set out in Rule S11 without any recourse to the capital of the Clearing House under Rule 16(8).

Where a defaulter is engaged in more than one of General Business,¹ [ForexClear Business](#) and SwapClear Business (each a "**Relevant Business**" in respect of the defaulter), the completion of the default management processes in respect of each such Relevant Business may occur at different times. The Clearing House may be required to make a determination in respect of one Relevant Business (including certification of a Default Loss under Rule 23(b), certification of a net sum payable under Rule 26(a) or the value of a General Excess Loss, [ForexClear Excess Loss](#) and/or SwapClear Excess Loss) in order to manage the default at a time when (a) the determination is contingent on an outcome of the default management process in respect of some other Relevant Business, and (b) that outcome has not yet been reached. In the interests of efficient resolution, the Clearing House may at such point make assumptions about that outcome, and proceed with the relevant process on that basis. Where any such assumptions have been made, the Clearing House shall, on the completion of the default management processes in respect of all Relevant Businesses, make such credits to the default funds relating to the Relevant Businesses and such distributions to former Clearing Members as may be necessary to put the default funds and those firms which had contributed to such default funds at the time of the relevant default in the position that they would have been if the correct outcomes had been used and the relevant assumptions had not been made.

Contributions to Fund

17. Each Clearing Member shall deposit and maintain with the Clearing House one or more sums of cash (each a "**Contribution**") in an amount calculated

by the Clearing House in accordance with these Rules. A Clearing Member's "**General Contribution**" shall be equal to the sum of its EquityClear Clearing Member Contribution (if any), as defined in Rule 19A, and its Exchange Contribution (if any), as defined in Rule 19, and its RepoClear Clearing Member Contribution (if any), as defined in Rule 19C, denominated in sterling as cover, in accordance with Rules 15 to 37 (inclusive). An FXCCM's "**ForexClear Contribution**" shall be the amount specified in the ForexClear Default Fund Supplement, in accordance with Rules 15 to 37 (inclusive) and shall include any ForexClear Unfunded Contributions deposited and made by the FXCCM with the Clearing House. An SCM's "**SwapClear Contribution**" shall be the amount specified in the SwapClear Default Fund Supplement, in accordance with Rules 15 to 37 (inclusive) and shall include any SwapClear Unfunded Contributions deposited and made by the SCM with the Clearing House.

18. Subject to Rule 18A, the amount of each General Clearing Member's General Contribution shall be determined by the Clearing House as soon as practicable after each Quarter Day on the basis of information available as at close of business on such Quarter Day and notified to such General Clearing Member as soon as practicable after such determination in accordance with the Procedures.
- 18A Until the EquityClear Transition Date, and subject to Rule 32A, the Clearing House may require an EquityClear Clearing Member to deposit and maintain with the Clearing House an additional sum of cash (a "**Supplementary EquityClear Contribution**") denominated in sterling as cover, to form part of that Clearing Member's General Contribution. The Clearing House may exercise its rights under this Rule in respect of any date before the EquityClear Transition Date on which, in the reasonable opinion of the Clearing House, 10% of the Clearing Member's requirement for initial margin (as calculated under the Procedures section of the Rulebook or other arrangements applicable) in respect of all EquityClear Contracts significantly exceeds the Clearing Member's EquityClear Contribution actually held by the Clearing House on that date. A Supplementary EquityClear Contribution required to be deposited under this Rule shall be payable in such amount and at such time as the Clearing House shall appoint.

19. Subject to Rules 20, 21, 33 and 34, an Exchange Clearing Member's Contribution (its "**Exchange Contribution**") to the Exchange Fund Amount shall be determined with reference to business conducted by it on the Specified Exchanges and under the LCH Enclear OTC Regulations, as at close of business on each Quarter Day, as follows:-
- (a) the Clearing Member's "**Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect: (1) of all Contracts (other than EquityClear, SwapClear, ForexClear and RepoClear Contracts) and (2) all LCH Enclear OTC Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;
 - (b) the Clearing Member's "**Volume Weight**" shall be calculated by dividing the average daily number of Cleared Exchange Contracts and LCH Enclear OTC Contracts registered for the first time with the Clearing House in the name of the Clearing Member during the Reference Period by the total of such average numbers for all Clearing Members other than defaulters;
 - (c) the Clearing Member's "**Weight Factor**" shall be calculated by adding one-half of its Margin Weight as defined in (a) above to one-half of its Volume Weight as defined in (b) above;
 - (d) the Clearing Member's "**Preliminary Exchange Contribution**" shall be calculated by multiplying the Exchange Fund Amount by its Weight Factor;
 - (e) if the Clearing Member's Preliminary Exchange Contribution is below the Minimum Exchange Contribution for the time being, the Clearing Member's Exchange Contribution shall be the Minimum Exchange Contribution;
 - (f) for each Minimum Exchange Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum Exchange

Contribution and (ii) the Clearing Member's Preliminary Exchange Contribution, and the "**Exchange Surplus**" shall be calculated by adding together all such differences;

- (g) for each Clearing Member other than a Minimum Contribution Member, the Clearing Member's "**Exchange Discount**" shall be such Clearing Member's *pro rata* share of the Exchange Surplus calculated as the proportion of such Clearing Member's Preliminary Exchange Contribution relative to the aggregate Preliminary Exchange Contributions of all Clearing Members other than Minimum Exchange Contribution Members;
 - (h) for each Clearing Member other than a Minimum Exchange Contribution Member, the Clearing Member's Exchange Contribution shall be the Preliminary Exchange Contribution less the Clearing Member's Exchange Discount; provided that if the outcome of such calculation would result in an Exchange Contribution less than the Minimum Exchange Contribution, such Clearing Member shall pay the Minimum Exchange Contribution notwithstanding that the arithmetical sum of Exchange Contributions paid by all Clearing Members may thereby exceed the Exchange Fund Amount.
- 19A Subject to Rules 18A, 20, 21, 32A, 33 and 34, each EquityClear Clearing Member's Contribution attributable to EquityClear business conducted by it shall be determined as at close of business on each Quarter Day before the EquityClear Transition Date and shall be the higher of the Minimum EquityClear Contribution and 10% of the Clearing Member's average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all EquityClear Contracts.
- 19B Subject to Rules 20, 21, 33 and 34, each EquityClear Clearing Member's Contribution attributable to EquityClear business conducted by it shall be determined as at close of business on the EquityClear Transition Date and each Quarter Day thereafter as follows:-

- (a) the Clearing Member's "**EquityClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all EquityClear Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;
- (b) the Clearing Member's "**Preliminary EquityClear Contribution**" shall be calculated by multiplying the EquityClear Fund Amount by the Clearing Member's EquityClear Margin Weight;
- (c) if the Clearing Member's Preliminary EquityClear Contribution is below the Minimum EquityClear Contribution for the time being, the Clearing Member's EquityClear Contribution shall be the Minimum EquityClear Contribution;
- (d) for each Minimum EquityClear Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum EquityClear Contribution and (ii) the Clearing Member's Preliminary EquityClear Contribution, and the "**EquityClear Surplus**" shall be calculated by adding together all such differences;
- (e) for each Clearing Member other than a Minimum EquityClear Contribution Member, the Clearing Member's "**EquityClear Discount**" shall be such Clearing Member's *pro rata* share of the EquityClear Surplus calculated as the proportion of such Clearing Member's Preliminary EquityClear Contribution relative to the aggregate Preliminary EquityClear Contributions of all Clearing Members other than Minimum EquityClear Contribution Members;
- (f) for each Clearing Member other than a Minimum EquityClear Contribution Member, the Clearing Member's EquityClear Contribution shall be the Preliminary EquityClear Contribution less the Clearing Member's EquityClear Discount; provided that if the outcome of such calculation would result in a EquityClear Contribution less than the Minimum EquityClear Contribution, such

Clearing Member shall pay the Minimum EquityClear Contribution notwithstanding that the arithmetical sum of EquityClear Contributions paid by all Clearing Members may thereby exceed the EquityClear Fund Amount.

19C Subject to Rules 20, 21, 33 and 34, each RepoClear Clearing Member's Contribution attributable to RepoClear business conducted by it shall be determined as at close of business on each Quarter Day as follows:-

- (a) the Clearing Member's "**RepoClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all RepoClear Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;
- (b) the Clearing Member's "**Preliminary RepoClear Contribution**" shall be calculated by multiplying the RepoClear Fund Amount by the Clearing Member's RepoClear Margin Weight;
- (c) if the Clearing Member's Preliminary RepoClear Contribution is below the Minimum RepoClear Contribution for the time being, the Clearing Member's RepoClear Contribution shall be the Minimum RepoClear Contribution;
- (d) for each Minimum RepoClear Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum RepoClear Contribution and (ii) the Clearing Member's Preliminary RepoClear Contribution, and the "**RepoClear Surplus**" shall be calculated by adding together all such differences;
- (e) for each Clearing Member other than a Minimum RepoClear Contribution Member, the Clearing Member's "**RepoClear Discount**" shall be such Clearing Member's *pro rata* share of the RepoClear Surplus calculated as the proportion of such Clearing Member's Preliminary RepoClear Contribution relative to the

- aggregate Preliminary RepoClear Contributions of all Clearing Members other than Minimum RepoClear Contribution Members;
- (f) for each Clearing Member other than a Minimum RepoClear Contribution Member, the Clearing Member's RepoClear Contribution shall be the Preliminary RepoClear Contribution less the Clearing Member's RepoClear Discount; provided that if the outcome of such calculation would result in a RepoClear Contribution less than the Minimum RepoClear Contribution, such Clearing Member shall pay the Minimum RepoClear Contribution notwithstanding that the arithmetical sum of RepoClear Contributions paid by all Clearing Members may thereby exceed the RepoClear Fund Amount.
20. For the purposes of the calculations under Rules 18A, 19, 19A, 19B and 19C:-
- (a) "**Reference Period**" means the period starting on the day immediately after the Quarter Day immediately before the Quarter Day as at which the determination is made and ending on the Quarter Day as at which the determination is made (including both the day at the start of the period and the day at the end of the period);
- (b) no account shall be taken, in calculating Margin Weight or EquityClear Margin Weight or RepoClear Margin Weight, of any margin required in relation to an Excluded Transaction, nor in calculating Volume Weight of any Contract which is registered in the course of an Excluded Transaction;
- (c) references to "**Clearing Members**" do not include references to defaulters (apart from any defaulter in respect of which the Clearing House permits the application of Rules 19, 19A, 19B and 19C and this Rule) or persons which were formerly Clearing Members but are not Clearing Members on the date at which the determination is made;

- (d) Contributions shall be rounded upwards, if not already such a multiple, to the next integral multiple of one thousand pounds; and
- (e) no account shall be taken, in calculating initial margin under Rules 18A, or 19A, 19B and 19C Margin Weight under Rule 19, EquityClear Margin Weight under Rule 19B or RepoClear Margin Weight under Rule 19C, of any offsets in the initial margin required for Cleared Exchange Contracts from a Clearing Member, which may otherwise be permissible under the Procedures or other arrangements applicable.

Provided that the Clearing Member is not a defaulter, the amount of its Contribution shall be paid in accordance with and subject to Rule 22. The provisions of Rule 19, 19A, 19B and 19C and this Rule do not apply to a Clearing Member which is a defaulter, unless the Clearing House so permits in any particular case.

21. Without prejudice to any other requirements which the Clearing House may impose, the amount of the General Contribution of a New Member shall be the sum of (a) where the New Member has applied to become an EquityClear Clearing Member, the Minimum EquityClear Contribution, (b) where the New Member has applied to become an Exchange Clearing Member, the Minimum Exchange Contribution, (c) where the New Member has applied to become a RepoClear Clearing Member, the Minimum RepoClear Contribution, and (d) any supplementary sum determined by the Clearing House in its discretion and notified to the New Member. The Clearing House shall determine the amount of such supplementary sum by reference to the actual or expected level of clearing activity of the New Member.

Payment of Contributions

22. Upon determination of the amount of a General Contribution as at any Quarter Day:
 - (a) if the amount of the General Contribution of a General Clearing Member immediately before close of business on that Quarter Day

exceeds the amount of the General Clearing Member's General Contribution as determined under these Rules as at close of business on that Quarter Day, the excess shall be paid by the Clearing House to such General Clearing Member in accordance with the Procedures;

- (b) if the amount of the General Contribution of a Clearing Member immediately before close of business on that Quarter Day is the same as the amount of the General Clearing Member's General Contribution as so determined, no sum shall then be payable by or to such General Clearing Member in respect of its General Contribution; and
- (c) if the amount of the General Contribution of a General Clearing Member immediately before close of business on that Quarter Day is less than the amount of the General Clearing Member's General Contribution as so determined, the shortfall shall be paid by such General Clearing Member to the Clearing House in accordance with the Procedures.

The provisions of this Rule do not apply to a General Clearing Member which is a defaulter, unless the Clearing House so permits in any particular case.

Terms on which Contribution is held

23. (a) Subject to Rules 23(b) and 23(c), the outstanding balance of a Clearing Member's Contribution (or, as appropriate, part thereof) shall be repayable to the Clearing Member on the earliest to occur of the following events:
- (i) if the Clearing Member is not a defaulter, the effective date of termination of Clearing Member's status (including a Termination Date under General Regulation 39A or under FCM Regulation 26A);

- (ii) if the Clearing Member has become a defaulter, the date or event appointed by the Clearing House for repayment of sums due to the Clearing Member under Rule 9;
 - (iii) the amount of the Contribution being reduced by virtue of the recalculation of its amount in accordance with Rule 19 [or Rule F2 of the ForexClear Default Fund Supplement in respect of a ForexClear Contribution](#) or Rule S2 of the SwapClear Default Fund Supplement in respect of a SwapClear Contribution (in which case the Contribution shall be repayable only to the extent of such reduction);
 - (iv) the Clearing House making an Insufficient Resources Determination pursuant to [Rule F11 or](#) Rule S11; and
 - (v) the expiry of a period of 50 years from the date on which the Contribution was paid to the Clearing House.
- (b) If a Clearing Member becomes a defaulter, the Clearing House shall as soon as practicable after any Margin Cover has been applied pursuant to Rule 16, certify one or more net sums then payable by the defaulter to the Clearing House in respect of General Business ("General Business Default Loss"), ForexClear Business ("ForexClear Business Default Loss") and/or SwapClear Business ("SwapClear Business Default Loss") (as applicable) (each a "Default Loss"), disregarding for this purpose any of the defaulting Clearing Member's Contributions. If the Clearing House certifies any Default Loss, all of the defaulting Clearing Member's Contributions shall immediately become due and repayable, but only in an amount not exceeding the total Default Loss. In this regard:
- (i) where there is a General Business Default Loss only and the defaulter's General Contribution exceeds the General Business Default Loss, [the defaulter's ForexClear](#)

- Contribution and the defaulter's SwapClear Contribution shall not become due and repayable; **and**
- (ii) where there is a ForexClear Business Default Loss only and the defaulter's ForexClear Contribution exceeds the ForexClear Business Default Loss, the defaulter's General **Business Default Loss**Contribution and SwapClear Contribution shall not mature; become due and repayable; and
- (iii) where there is a SwapClear Business Default Loss only and the defaulter's SwapClear Contribution exceeds the SwapClear Business Default Loss, the defaulter's General Contribution and ForexClear Contribution shall not become due and repayable.
- (c) If an amount becomes payable by the Clearing Member under Rule 28, the Clearing Member's relevant Contribution shall immediately become due and repayable, but only to the extent of such amount.
24. On any day interest shall accrue on the amount of each General Contribution then held by the Clearing House, to the extent that it has not been applied under Rule 26 or Rule 28, at such rate and in such manner as provided by the Procedures, provided that the rate of interest shall not be less than LIBOR plus one per cent. Interest shall be payable in arrear and shall be paid on the date or dates specified by the Procedures. In these Default Fund Rules any interest which has accrued under this Rule shall not be regarded as part of the Contribution.
25. A Clearing Member's entitlement to repayment of any of its Contributions or any part of them shall not be capable of assignment by the Clearing Member, nor shall Contributions be capable of being charged or subject to any other form of security whether purporting to rank in priority over, *pari passu* with or subsequent to the rights of the Clearing House. Any purported charge or assignment by a Clearing Member (whether by way of security or otherwise) of its Contributions shall be void. A Clearing Member shall not otherwise encumber (or seek to encumber) its Contributions.

Application of defaulter's Contribution, and Certification of Aggregate Excess Losses

26. Without prejudice to any other right of set-off or application of funds to which the Clearing House may be entitled, in the event of a Default and the certification by the Clearing House of a Default Loss under Rule 23(b) in respect thereof the Clearing House shall without notice set off in or towards satisfaction of any sums payable to the Clearing House from the defaulter any amount of any Contribution of the defaulter which has become due and repayable in accordance with Rule 23(b). If the Clearing House is to have recourse, in accordance with Rule 16, to the indemnities, guarantees, undertakings or monies provided by Clearing Members other than the defaulter, as soon as practicable the Clearing House shall certify (by a "**Rule 26 Certificate**"):-
- (a) the amount of the defaulter's Contribution applied under this Rule and the net sum (if any), or each net sum (if more than one), then immediately payable by the defaulter to the Clearing House in respect of (i) General Business ~~and~~, (ii) [ForexClear Business](#) and (iii) SwapClear Business, taking into account for this purpose the defaulter's Contribution but excluding for this purpose any sum due to the Clearing House in respect of any Excluded Transaction; and
 - (b) the extent to which any sums so payable by the defaulter to the Clearing House but unpaid may be claimed by the Clearing House under a policy of insurance or analogous instrument relating to Default Losses.

The Clearing House may issue more than one Rule 26 Certificate in relation to losses arising upon any Default.

Where a Rule 26 Certificate is to be issued in respect of the ~~default of an FXCCM, Default of an FXCCM, the Clearing House may assume that no further recoveries will be made in respect of obligations of the Defaulting FXCCM beyond the value of its ForexClear Contribution.~~

Where a Rule 26 Certificate is to be issued in respect of the Default of an SCM, the Clearing House may assume that no further recoveries will be made in respect of obligations of the ~~defaulting FXCCM arising out of that member's indemnity given in Rule 28(b) Defaulting SCM~~ beyond the value of ~~the ForexClear Contribution held by the Clearing House in respect of that indemnity~~. Where a Rule 26 Certificate is to be issued in respect of the Default of an SCM, the Clearing House may assume that no further recoveries will be made in respect of obligations of the ~~Defaulting SCM beyond the value of~~ its SwapClear Contribution.

27. The Clearing House may in the exercise of the right conferred by Rule 26 set off the amount due (in accordance with Rule 23(b)) to a defaulter in respect of the defaulter's Contribution or any part thereof against sums owing on any account whether or not it is a client account, and the Clearing House shall have unfettered discretion in this regard. A defaulter's Contribution shall not be treated as standing to the credit of any client account of the defaulter except to the extent that any Default Loss certified under Rule 23(b) arises in relation to a client account and the Clearing House so requires.

Application of Fund and Indemnity

28. By virtue of the Clearing Membership Agreement and this Rule, and subject to Rule 29:
 - (a) each Clearing Member engaged in General Business indemnifies the Clearing House in respect of General Excess Loss upon the Default of another Clearing Member in an aggregate amount not exceeding the amount due from it as its General Contribution at the date of the issue of the Rule 26 Certificate which relates to such Aggregate Excess Loss; **and**
 - (b) each Clearing Member engaged in ForexClear Business indemnifies the Clearing House in respect of the aggregate of the ForexClear Excess Loss upon the Default of another Clearing Member
Losses calculated in respect of the Defaults of FXCCMs

occurring in a ForexClear Default Period in an aggregate amount not exceeding the amount due from it as its ForexClear Contribution as calculated under the ForexClear Default Fund Supplement ~~at the date of the issue of the Rule 26 Certificate which relates to such Aggregate Excess Loss on the ForexClear Determination Date immediately prior to the commencement of the relevant ForexClear Default Period together with any ForexClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such FXCCM during such ForexClear Default Period;~~ and

- (c) each SCM indemnifies the Clearing House in respect of the aggregate of the SwapClear Excess Losses calculated in respect of the Defaults of SCMs occurring in a SwapClear Default Period in an aggregate amount not exceeding the amount due from it as its SwapClear Contribution as calculated under the SwapClear Default Fund Supplement on the SwapClear Determination Date immediately prior to the commencement of the relevant SwapClear Default Period together with any SwapClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such SCM during such SwapClear Default Period.

The amount due by a Clearing Member in respect of each General ~~Excess Loss or ForexClear~~ Excess Loss shall be the Clearing Member's *pro rata* share of such loss arising upon the relevant Default calculated as the proportion of such Member's relevant Contribution relative to the aggregate relevant Contributions of all Clearing Members other than the relevant defaulter at the time of the relevant Default. The amount due by a Clearing Member in respect of each ForexClear Excess Loss shall be determined in accordance with the provisions of the ForexClear DMP Annex. The amount due by a Clearing Member in respect of each SwapClear Excess Loss shall be determined in accordance with the provisions of the SwapClear DMP Annex. The amount so due shall become immediately payable automatically (without any obligation on the part of the Clearing House to make demand on the Clearing Member) upon the issue by the Clearing House of the applicable Rule 26 Certificate. Without prejudice to any other

right of set-off or application of funds to which the Clearing House may be entitled, the Clearing House shall forthwith without notice set off any amount due in accordance with Rule 23(c) to a Clearing Member in respect of the relevant Contribution of such Clearing Member in or towards satisfaction of the amount payable by such Clearing Member under this Rule 28.

29. This Rule applies to a defaulter (the "*First defaulter*") where the Contribution of the First defaulter has not been repaid to the First defaulter or applied by the Clearing House under Rule 26, and Aggregate Excess Losses arise upon the Defaults of other Clearing Members. Where this Rule applies, Rule 28 shall have effect with the following modifications:-
 - (a) the balances (if any) of the First defaulter's relevant Contributions may be applied under Rule 28 in respect of such relevant Aggregate Excess Losses up to and including the date three months after the date of issue of the Default Notice in respect of the First defaulter's Default; and
 - (b) after the date three months after the date of issue of such Default Notice, the balances (if any) of the First defaulter's relevant Contributions may not be applied under Rule 28 in respect of such relevant Aggregate Excess Losses, but they may be retained on account of losses arising upon the First defaulter's own Default, and for the purposes of Rule 28 they shall be disregarded.
30. The Clearing House shall give notice to each Clearing Member as soon as practicable after an amount has become due in accordance with Rule 28 and of the manner in which it has been satisfied.
31. If, in relation to a Default, the Clearing House has been unable to certify in any Rule 26 Certificates issued on or before the Quarter Day ~~or~~ ~~ForexClear Determination Date as appropriate~~ immediately after the Default all sums which may be or become due to the Clearing House from the Defaulter (because such sums will not or may not become liquidated or for any other reason payable until a later date), the Clearing House shall maintain a Contribution from each Clearing Member (other than the Defaulter) as cover for the performance by such Clearing Member of its

obligation to indemnify the Clearing House in relation to any General Excess ~~Losses or Forex~~~~Clear Excess Losses~~Loss not yet certified. In fulfilment of this requirement the Clearing House may take any step which appears to the Clearing House to be appropriate, and the steps so taken may include any (including a combination) of the following:-

- (a) postponement of the date for adjustment of Clearing Members' Contributions under Rule 22;
- (b) reduction of the amounts payable to some or all Clearing Members under Rule 22(a);; and
- (c) estimation of the amount of Aggregate Excess Losses which may become certified after the relevant Quarter Day as appropriate, and application of Rule 28 as if such estimated amount were already realised as a General Excess ~~Losses or Forex~~~~Clear Excess Losses~~Loss.

The Clearing House shall notify Clearing Members of any steps taken under this Rule.

Reinstatement of the Fund

32. Where, after a Default, the Clearing House has applied part or all of a General Contribution under Rule 26 or Rule 28, the General Fund Amount shall be reduced forthwith by the aggregate amount of the Contributions or parts of Contributions so applied, and the EquityClear Fund Amount and the Exchange Fund Amount and the RepoClear Fund Amount shall be reduced *pro rata*. Unless and until the Clearing House has repaid a defaulter's Contribution, the General Fund Amount shall be treated as having been reduced by the amount of the defaulter's Contribution (if any) regardless of whether the Clearing House has applied part or all of that Contribution under Rule 26. Following a reduction of the General Fund Amount in accordance with this Rule, the Clearing House may by a single increase or by a series of increases raise the General Fund Amount to such level not exceeding £515,000,000 and after such interval or intervals as it considers appropriate, provided that:

- (a) upon each such increase the EquityClear Fund Amount and the Exchange Fund Amount and the RepoClear Fund Amount shall increase *pro rata*; and
- (b) no such increase shall bind any Clearing Member which does not agree to it.

Where by virtue of this Rule the General Fund Amount is less than £515,000,000, the size of the Minimum EquityClear Contribution and the Minimum Exchange Contribution and the Minimum RepoClear Contribution shall also be adjusted in proportion to the size of the General Fund Amount as adjusted for the time being.

- 32A If on any Quarter Day before the EquityClear Transition Date the General Fund Amount is by virtue of Rule 32 less than it was before the Default, the formula in Rule 19A shall be modified so that the alternative basis of calculation is reduced from 10% of the Clearing Member's average daily requirement for initial margin (as provided by Rule 19A) to 10% of such average daily requirement multiplied by the Relevant Proportion. On any date in respect of which the Clearing House exercises its rights under Rule 18A and as at which the General Fund Amount is by virtue of Rule 32 less than it was before the Default the sum with which the Clearing Member's EquityClear Contribution is to be compared shall be reduced from 10% of the Clearing Member's requirement for initial margin (as provided by Rule 18A) to 10% of such requirement multiplied by the Relevant Proportion. For the purposes of this Rule, the "**Relevant Proportion**" means, in relation to a date, the proportion which the General Fund Amount at such date bears to the amount before the Default.

Effect of cessation of Clearing Member status

33. Subject to Rule 34, if a Quarter Day, a ForexClear Determination Date or a SwapClear Determination Date, as appropriate, occurs after the giving of notice: (i) by or in respect of any Retiring Member; (ii) by a Clearing Member to the Clearing House for the purposes of resigning from a particular Service; or (iii) by the Clearing House to a Clearing Member for the purposes of requiring such Clearing Member to resign from a particular Service (the "**Relevant**

Service") (a Clearing Member for the purposes of (ii) and (iii) of this paragraph, a "**Resigning Member**"), and before the termination of such Retiring Member's Clearing Member status or the Resigning Member's resignation from the Relevant Service (as the case may be):-

- (a) if the Retiring Member or Resigning Member is not a defaulter, the amount of such Retiring Member's Contribution or such Resigning Member's Contribution in respect of the Relevant Service shall be determined by the Clearing House on the basis set out in Rules 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and the SwapClear Default Fund Supplement (as applicable) without regard to the impending termination of such Retiring Member's Clearing Member status or Resigning Member's resignation (as the case may be), and the provisions of Rule 2222, Rule F5 of the ForexClear Default Fund Supplement and Rule S5 of the SwapClear Default Fund Supplement (as applicable) shall apply in respect of such Contribution accordingly;
- (b) if the Retiring Member or Resigning Member is a defaulter, the balance of that Retiring Member's Contribution or the Resigning Member's Contribution in respect of the Relevant Service (as the case may be) after any part of it has been applied under Rule 26 or Rule 28 shall not be subject to adjustment under Rules 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and the SwapClear Default Fund Supplement (as applicable), and the provisions of Rule 2222, Rule F5 of the ForexClear Default Fund Supplement and Rule S5 of the SwapClear Default Fund Supplement (as applicable) shall not apply to such Retiring Member or Resigning Member in respect of the Relevant Service.

Notwithstanding the foregoing, in such circumstances the amounts of the respective Contributions of all Clearing Members other than any Retiring Member or any Resigning Member in respect of the Relevant Service shall be determined by the Clearing House on the basis set out in Rules 18A, 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and the SwapClear Default Fund Supplement (as applicable), but disregarding for all purposes any Clearing Member which is a Retiring Member or, in relation to a Relevant Service, any Resigning Member in respect of that Relevant Service, in

particular disregarding such Clearing Member's daily requirement for margin and such Clearing Member's daily number of Contracts and treating any such Retiring Member as no longer being a Clearing Member, but without prejudice to any reduction of the General Fund Amount under Rule 32.

34. This Rule applies at any Quarter Day, ForexClear Determination Date or SwapClear Determination Date, as appropriate, after a Retiring Member has given notice of termination of its Clearing Member status, where another Clearing Member (the "**Continuing Member**") has arranged to undertake clearing on behalf of the Retiring Member. If, in the opinion of the Clearing House, the Contribution of the Continuing Member determined under Rules 18A, 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and/or the SwapClear Default Fund Supplement does not fairly reflect the Continuing Member's share of clearing activity, the Clearing House may determine the Contribution of the Continuing Member as if the EquityClear Margin Weight, Margin Weight, Volume Weight, RepoClear Margin Weight, SwapClear Margin Weight and ForexClear Margin Weight of the Retiring Member were part of the EquityClear Margin Weight, Margin Weight, Volume Weight, RepoClear Margin Weight, SwapClear Margin Weight and ForexClear Margin Weight respectively of the Continuing Member. If the Clearing House determines the amount of a Continuing Member's Contribution under this Rule, the Clearing House shall give notice to the Continuing Member, and the provisions of Rule 33 shall not apply.
35. A Retiring Member and a Resigning Member in respect of a Relevant Service shall, until the completion of the process set out in Rule 8 in relation to any Default, continue to be liable under its Rule 28 indemnity in respect of Aggregate Excess Losses arising upon such Default, notwithstanding that the Clearing Member status of the Retiring Member has terminated or that the Resigning Member has resigned in respect of the Relevant Service before that time. While a Retiring Member or Resigning Member continues to be so liable, it shall provide such cover as the Clearing House shall require in respect of its liability in relation to any Aggregate Excess Losses not yet certified, subject to such cover not exceeding the Retiring Member's Contribution at the time of the termination of its clearing membership. or the Resigning Member's Contribution to the Relevant Service at the time of its resignation. In fulfilment of this requirement the Clearing House may take any step which appears to

the Clearing House to be appropriate, including postponement of the date for repayment of part or all of the Retiring Member's Contribution or Resigning Member's Contribution in respect of the Relevant Service (as the case may be). The Clearing House shall notify the Retiring Member or Resigning Member of any steps taken under this Rule.

Recoveries from defaulters

36. If all or part of the Contributions of any Clearing Member shall have been applied in accordance with Rule 28, the Clearing House shall account to each such Clearing Member (whether or not he remains at the relevant time a Clearing Member of the Clearing House) in respect of any Net Recovery, *pro rata* to the respective amounts applied in accordance with Rule 28 in relation to the relevant Default and in an amount not exceeding, in relation to each such Clearing Member, the amount of its Contributions so applied.~~Any such recovery shall be allocated as between General Business and ForexClear Business in accordance with the ratio of General Excess Loss to ForexClear Excess Loss, and shall be returned to Clearing Members in proportion to their contributions.~~

Contracts on terms prescribed by new Exchanges

37. Notwithstanding anything in the Procedures, and subject as follows, any Contract on terms prescribed by any Exchange other than a Specified Exchange shall be an Excluded Transaction. The Clearing House may direct that any such Contract as is referred to in this Rule shall not be an Excluded Transaction, provided that no such direction shall bind any Clearing Member which does not agree to it.

On each Loss Distribution Day, the Clearing House shall apply the payment or receipt of any Payment Currency Adjustment to Cash Payment as an offset against any payments denominated in the same Cash Payment Currency as the relevant Payment Currency Adjustment to Cash Payment due from or receivable by the relevant FXCCM.

(c) Application of Cash Gainer Payment Currency Adjustment to Cash Payment

The Clearing House shall apply all payments it receives in respect of Cash Gainer Payment Currency Adjustment to Cash Payments solely for the purposes of meeting any loss incurred by the Clearing House following, and in relation to, each Default, as contemplated in accordance with Rule 16(1) to (7).

(d) Adjustment to Loss Distribution Cap Amount

If, during a Loss Distribution Period, the Clearing House considers that the Cash Gainer Payment Currency Adjustment to Cash Payments applied to a particular Margin Account of an FXCCM are, or are about to be equal to or greater than the Loss Distribution Cap Amount, the Clearing House may propose an adjustment to such Loss Distribution Cap Amount. If agreed by all Non-Defaulting FXCCMs, the Loss Distribution Cap Amount as adjusted pursuant to this paragraph (d) shall be applicable for the remainder of the relevant Loss Distribution Period.

(e) No Rebate

The payment to the Clearing House by any FXCCM of any Cash Gainer Payment Currency Adjustment to Cash Payment shall be final and shall not give rise to any obligation of the Clearing House to repay any such amount or to pay any interest thereon.

(f) Application of any Recoveries

If the ForexClear Loss Distribution Process has been invoked by the Clearing House in accordance with this Rule F9, the Clearing House shall reimburse the FXCCMs (irrespective of whether they remain FXCCMs at the time of the recovery) and the Clearing House on a *pro rata* basis by reference to the resources which have been applied pursuant to Rule 16(1) to (7) and including the net amount of any one or more FXCCM Adjustment Amounts paid by the relevant FXCCMs:

- (i) any amounts received from the Defaulting FXCCM as a result of the Clearing House being a creditor of the Defaulting FXCCM in respect of the ForexClear Business of such Defaulting FXCCM in the context of the occurrence of any of the events under Rule 5(i) to (p) in respect of the Defaulting FXCCM or otherwise, other than in respect of sums due to the Clearing House for its own account; or
- (ii) any other amounts howsoever obtained or recovered in the course of the Clearing House's operation of the ForexClear Default

Management Process or which are otherwise referable to the Defaulting FXCCM.

in each case net of any related expenses incurred by the Clearing House or other sums owing to the Clearing House by the Defaulting FXCCM in connection with the ForexClear Service. For the avoidance of doubt, nothing in this paragraph (f) shall oblige the Clearing House to pursue any litigation or other action in order to recover the amounts contemplated above and if another default fund of the Clearing House has also been applied as a result of the FXCCM's Default, any amounts recovered shall be applied *pari passu* as between the relevant default funds.

F10 Where, after the Default of one or more FXCCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(1) to (7) and the availability of the ForexClear Loss Distribution Process in accordance with the terms of Rule F9, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those ForexClear Contracts to which it is party with Non-Defaulting FXCCMs, the Clearing House will by notice in writing (a "ForexClear Voluntary Payment Notice"): (i) inform all Non-Defaulting FXCCMs that it has insufficient resources and that it is likely to invoke Rule F11; and (ii) invite each Non-Defaulting FXCCM to make a payment of funds (a "ForexClear Voluntary Payment"), in accordance with Rule 16(7), to make up for the relevant shortfall.

ForexClear Voluntary Payments will be made on the following terms:

- (a) no FXCCM shall be obliged to make a ForexClear Voluntary Payment;
- (b) any ForexClear Voluntary Payment will be made by an FXCCM by the close of business on the business day after receipt of the relevant ForexClear Voluntary Payment Notice;
- (c) no ForexClear Voluntary Payment may be withdrawn once made; and

- (d) the Clearing House shall full discretion whether or not to accept a particular ForexClear Voluntary Payment.

Any failure by the Clearing House to deliver a ForexClear Voluntary Payment Notice pursuant to this Rule F10 will not invalidate any action taken by the Clearing House pursuant to Rule F11 nor give rise to any liability whatsoever on the part of the Clearing House.

Any ForexClear Voluntary Payments remaining unused at the time of the expiry of the relevant ForexClear Default Period will be accounted for ratably by the Clearing House as if they were amounts paid in respect of the ForexClear Contributions of those FXCCMs from whom ForexClear Voluntary Payments were accepted.

F11 Where, following the process for inviting ForexClear Voluntary Payments in accordance with Rule F10, the Clearing House makes a determination (an "Insufficient Resources Determination") that it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those ForexClear Contracts to which it is party with Non-Defaulting FXCCMs, the following provisions shall have effect:

- (a) All outstanding ForexClear Contracts shall be closed out immediately as of the clearing day following the date the Insufficient Resources Determination was made and any further obligations to make any payments under or in respect of such ForexClear Contracts shall cease. The closing prices used shall be mid prices ~~derived from the most recent pricing data provided by FXCCMs and~~ calculated by the Clearing House in accordance with the methodology used by it to carry out end of day margin runs in respect of the outstanding ForexClear Contracts. Where such data is not available to the Clearing House, the closing price shall be the last price used by the Clearing House to calculate the variation margin requirement for the position to be closed out.
- (b) On the basis of the close out values established for each outstanding ForexClear Contract, an account shall be taken (as at the time of close out) of what is due in respect of each FXCCM,

from that FXCCM to the Clearing House and from the Clearing House to that FXCCM (for the avoidance of doubt, including all as well as all other amounts owing under or in respect of ForexClear Contracts and returns of variation margin associated therewith any other amounts that may be due in respect of the ForexClear Service (including for these purposes, a proportionate share of any amounts owed generally to or from the Clearing House), and the sums due from the FXCCM shall be set off against the sums due from the Clearing House and only the balance of the account shall be payable. For the avoidance of doubt, amounts in respect of ForexClear Contracts shall include, but not be limited to, returns of variation margin associated therewith and the repayment of any Net Cash Gainer Payment Currency Adjustment to Cash Payments made in the ForexClear Default Period to which the Insufficient Resources Determination relates (and in respect of which F9(e) shall be specifically disapplied), but shall exclude the repayment of any cash initial margin or any outstanding ForexClear Contributions.

To the extent that the aggregate of all of the amounts owed to the Clearing House by FXCCMs plus all of those other resources applicable to the ForexClear Clearing Service under Rule 16(1) to (7) that have not been applied towards a ForexClear Excess Loss is less than the aggregate of the amounts owed to FXCCMs by the Clearing House, each amount owed to FXCCMs by the Clearing House shall be reduced pro rata the shortfall.

- (c) The Clearing House shall determine any amounts due to each FXCCM in respect of the repayment of any cash initial margin and outstanding ForexClear Contributions to be repaid. The claim of each such FXCCM in respect to the foregoing shall be reduced in proportion to an amount by which (i) the value of the assets available to the Clearing House to meet the return obligations referred to in (b) bears to (ii) the value of what would be due from the Clearing House to each Clearing Member in aggregate in respect of the return of initial margin received from each such Clearing Member in the form of cash and outstanding Contributions.

(e) ~~d)~~ For each FXCCM, the amount due to it or due from it as determined pursuant to (b) shall be aggregated with its claim determined pursuant to (c) above and only the net sum shall be payable. Where the result of such ~~closing out calculations~~ is that an FXCCM owes an amount to the Clearing House, that FXCCM shall pay that amount to the Clearing House immediately.~~(d)~~ Where the result of such ~~closing out calculations~~ is that an FXCCM is owed an amount by the Clearing House, the Clearing House shall pay that FXCCM's claim shall be determined in accordance with ~~the amount to the FXCCM immediately, subject to (f) below.~~

- (e) The ~~Clearing House shall aggregate into a single sum the amounts due to it under (c) above together with all of those resources applicable to the ForexClear Business under Rule 16(1) to (7) that have not been applied towards a ForexClear Excess Loss, and promptly pay that sum (less any attributable administration costs) to those FXCCMs with claims on the Clearing House under (d) above in proportion to the value of their claims. To the extent that such aggregated amount is insufficient to meet the claims of such FXCCMs in full, the balance of those claims shall be extinguished and the relevant FXCCMs shall have no further recourse to the Clearing House in respect thereof.~~payment of such amount to an FXCCM, pursuant to (d) above subject to any re-calculations performed pursuant to (f) below, shall constitute the full and final payment in respect of the ForexClear Service and such FXCCM shall not be permitted to make any further claims to the Clearing House in respect of amounts relating to the ForexClear Service nor shall it be permitted to notify the Clearing House of a Termination Date pursuant to Regulation 39A for a failure to pay any amounts in relation to the ForexClear Service.
- (f) The Clearing House may make the payments due under (ed) above in one or more instalments to the FXCCMs in proportion to the value of their claims on the Clearing House under (db) above if some but

not all of the amounts due under (ed) or Rule 16(1) to 16(7) above have not yet been received. The Clearing House shall take reasonable steps to recover such amounts and may deduct therefrom reasonable administration costs for such recovery. To the extent that the Clearing House determines that any such amounts will not in fact be recoverable, it shall re-determine the amounts due to FXCCMs in accordance with this Rule F11.

- (g) This Rule F11 shall not be applied in the event that a Termination Date has been specified in relation to the Clearing House in accordance with Regulation 39A.
- (h) Nothing in the foregoing shall override the obligation of the Clearing House to return initial margin provided by way of security to a FXCCM pursuant to its Regulations and Procedures.

F12 Ballot Arrangements

- (a) Notwithstanding anything to the contrary in clauses 9.4 and 9.5 of the Clearing Membership Agreement, no proposal for any of the amendments set out in paragraphs (i), (ii) and (iii) below (each a "ForexClear Amendment") shall be capable of coming into effect unless first approved in a ballot of FXCCMs:

 - (iii) any amendment which, in the opinion of the Board of Directors of the Clearing House would represent a significant change in the commitments of the FXCCMs but not in the commitments of any other Clearing Members.

- (b) For the purposes of a ballot conducted under clauses 9.4 and 9.5 of the Clearing Membership Agreement other than a ballot in relation to an amendment which, in the opinion of the Board of Directors of the Clearing House falls within paragraph (c) of clause 9.5 of the Clearing Membership Agreement but not within paragraph (a)(iii) of this Rule F12, references to “Clearing Members” shall not include FXCCMs who are not engaged in any business with the Clearing

House other than ForexClear Business and ForexClear Contributions shall not count as “Contributions”.

SwapClear Default Fund Supplement

- S1 On each business day, the Clearing House will determine a "**Combined Loss Value**" in respect of each of the 60 preceding business days. The Combined Loss Value in respect of a particular day will be the sum of the largest and the second largest stress-testing loss incurred on that day in relation to SwapClear Business (for a given scenario).
- S2 Each SCM's SwapClear Contribution (other than a SwapClear Unfunded Contribution) shall be determined by the Clearing House in accordance with the following provisions:
- (a) determinations will be made by the Clearing House on the date that an SCM joins the SwapClear Service, and at close of business on the first business day of each subsequent month, and otherwise in accordance with paragraph (k) below (each a "**SwapClear Determination Date**") provided, however, that, following a Default, any such determinations and any such SwapClear Determination Date which might otherwise have occurred under this Rule S2 shall be suspended for the duration of the period (the "**SwapClear Default Period**") commencing on the date of such Default and terminating on the last to occur of the following dates:
- (i) the date which is the close of business on the day falling 30 calendar days after the SwapClear Default Management Process Completion Date in relation to such Default (or, if such day is not a business day, the next succeeding business day); and
- (ii) where, prior to the end of the period referred to in (i) above (or such period as has already been extended pursuant to this sub-paragraph (ii)) one or more subsequent Defaults (each a "**Relevant Default**") occur, the date which is the close of business on the day falling 30 calendar days after the SwapClear Default Management Process

Completion Date in relation to a Relevant Default which falls latest in time (or, if such day is not a business day, the next succeeding business day);

- (b) the "**SwapClear Segregated Fund Amount**" shall be denominated in pounds sterling, and, for a given SwapClear Determination Date, shall be the largest of the 60 Combined Loss Values determined under Rule S1 plus 10%. The SwapClear Segregated Fund Amount for a given SwapClear Determination Date shall not be less than the amount calculated by multiplying the number of SCMs on the relevant date by the Minimum SwapClear Contribution (the "**SwapClear Fund Floor**") and shall not be more than 5 billion pounds (the "**SwapClear Fund Cap**");
- (c) the SCM's "**SwapClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the SCM during the 20 business day period preceding the relevant SwapClear Determination Date in respect of all SwapClear Contracts to which such SCM is a party by the total of such average daily requirements applied to all Non-Defaulting SCMs;
- (d) the SCM's "**Preliminary SwapClear Contribution**" shall be calculated by multiplying the SwapClear Segregated Fund Amount by the SCM's SwapClear Margin Weight;
- (e) if the Clearing Member's Preliminary SwapClear Contribution is below the Minimum SwapClear Contribution for the time being, the Clearing Member's SwapClear Contribution shall be the Minimum SwapClear Contribution;
- (f) the "**SwapClear Actual Total**" shall be calculated by adding together (i) the amount which is the product of the Minimum SwapClear Contribution and the number of Minimum SwapClear Contribution Members; and (ii) the aggregate Preliminary

SwapClear Contributions of those SCMs which are not Minimum SwapClear Contribution Members;

- (g) where the SwapClear Actual Total is greater than the SwapClear Fund Cap, the "**SwapClear Excess**" shall be the arithmetical difference between the SwapClear Actual Total and the SwapClear Fund Cap;
- (h) where the SwapClear Actual Total is less than the SwapClear Fund Floor, the "**SwapClear Shortfall**" shall be the arithmetical difference between the SwapClear Fund Floor and the SwapClear Actual Total;
- (i) for each SCM other than a Minimum SwapClear Contribution Member: (i) the SCM's "**SwapClear Discount**" (if any) shall be such SCM's *pro rata* share of the SwapClear Excess calculated as the proportion of such SCM's Preliminary SwapClear Contribution relative to the aggregate Preliminary SwapClear Contributions of all SCMs other than Minimum SwapClear Contribution Members; and (ii) the SCM's "**SwapClear Increase**" (if any) shall be such SCM's *pro rata* share of the SwapClear Shortfall calculated as the proportion of such SCM's Preliminary SwapClear Contribution relative to the aggregate Preliminary SwapClear Contributions of all SCMs other than Minimum SwapClear Contribution Members;
- (j) for each SCM other than a Minimum SwapClear Contribution Member, the SCM's SwapClear Contribution shall be the Preliminary SwapClear Contribution (i) less any SwapClear Discount applicable to the SCM or (ii) plus any SwapClear Increase applicable to the SCM; provided that if the application of any SwapClear Discount would result in a SwapClear Contribution less than the Minimum SwapClear Contribution, such SCM shall pay the Minimum SwapClear Contribution notwithstanding that the arithmetical sum of SwapClear Contributions paid by all SCMs may thereby exceed the SwapClear Fund Cap; and

(k) the Clearing House may recalculate the SwapClear Segregated Fund Amount and the SwapClear Contributions due from each SCM on any business day if the largest of the 60 Combined Loss Values determined under Rule S1 on that day differs by more than 25% from the Combined Loss Value on which the previous SwapClear Contribution determination was based and, on such business day, the Clearing House shall be entitled to require those SCMs whose portfolios have caused the increase in the Combined Loss Value to pay an additional amount in respect of their SwapClear Contributions.

S3 For the purposes of the calculations under Rule S2

- (a) references to "SwapClear Clearing Members" or "SCMs" do not include references to Defaulting SCMs (apart from any Defaulting SCM in respect of which the Clearing House permits the application of Rule S2) or persons which were formerly SCMs but are not SCMs at the SwapClear Determination Date at which the relevant determination is made;
- (b) Contributions shall be rounded upwards, if not already such a multiple, to the next integral multiple of one thousand pounds; and
- (c) no account shall be taken, in calculating initial margin or SwapClear Margin Weight under Rule S2 of any offsets in the initial margin required for SwapClear Contracts from an SCM, which may otherwise be permissible under the Procedures or other arrangements applicable.

Provided that the SCM is not a defaulter, the amount of its SwapClear Contribution shall be calculated in accordance with and subject to Rule S2. The provisions of Rule S2 and this Rule do not apply to a Defaulting SCM, unless the Clearing House so permits in any particular case.

S4 Without prejudice to any other requirements which the Clearing House may impose, the amount of the SwapClear Contribution of a New Member shall

be the sum of (a) the Minimum SwapClear Contribution and (b) any supplementary sum determined by the Clearing House in its discretion and notified to the New Member. The Clearing House shall determine the amount of such supplementary sum by reference to the actual or expected level of clearing activity of the New Member.

S5 Upon determination of the amount of a SwapClear Contribution in accordance with Rule S2:

- (a) if the amount of the SwapClear Contribution of an SCM immediately before close of business on the relevant SwapClear Determination Date exceeds the amount of the SCM's SwapClear Contribution as determined under Rule S2 as at close of business on that day, the excess shall be paid by the Clearing House to such SCM in accordance with the Procedures;
- (b) if the amount of the SwapClear Contribution of an SCM immediately before close of business on the relevant SwapClear Determination Date is the same as the amount of the SCM's SwapClear Contribution as so determined, no sum shall then be payable by or to such SCM in respect of its Contribution; and
- (c) if the amount of the SwapClear Contribution of an SCM immediately before close of business on the relevant SwapClear Determination Date is less than the amount of the SCM's SwapClear Contribution as so determined, the shortfall shall be paid by such SCM to the Clearing House in accordance with the Procedures.

The provisions of this Rule do not apply to a Defaulting SCM, unless the Clearing House so permits in any particular case.

S6 On any day interest shall accrue on the amount of each SwapClear Contribution then held by the Clearing House, to the extent that it has not been applied under Rule 26 or Rule 28, at such rate and in such manner as provided by the Procedures, provided that the rate of interest for any particular day shall not be less than the SONIA rate published on that day (or, in relation to any day for which a SONIA rate is not available, the

SONIA rate most recently published before such day). Interest shall be payable in arrear and shall be paid on the date or dates specified by the Procedures. In these Default Fund Rules any interest which has accrued under this Rule shall not be regarded as part of the SwapClear Contribution.

- S7 Where, after a Default, the Clearing House has applied part or all of a SwapClear Contribution under Rule 26 or Rule 28, the SwapClear Segregated Fund Amount shall be reduced forthwith by the aggregate amount of the SwapClear Contributions or parts of SwapClear Contributions so applied and the amount of the SwapClear Contribution that each SCM must maintain with the Clearing House shall be reduced by the amount of its SwapClear Contribution which has been applied pursuant to Rule 28, in each case until the next SwapClear Determination Date. Unless and until the Clearing House has repaid a defaulter's SwapClear Contribution (or remaining part thereof, as applicable), the SwapClear Segregated Fund Amount shall be treated as having been reduced by the amount of the defaulter's SwapClear Contribution (if any), regardless of whether the Clearing House has applied part or all of that SwapClear Contribution under Rule 26.
- S8 Where, after a Default, the Clearing House determines that (i) by reason of a reduction in accordance with Rule S7, the value of the SwapClear Segregated Fund Amount has been reduced by at least 25%; or (ii) by the time of the SwapClear Default Management Process Completion Date in relation to the relevant Default the value of the SwapClear Segregated Fund Amount will be reduced by at least 25%, the Clearing House may, by notice in writing (the "**SwapClear Unfunded Contribution Notice**"), require each Non-Defaulting SCM to deposit and maintain an amount (each a "**SwapClear Unfunded Contribution**") in accordance with the following provisions:
- (a) SwapClear Unfunded Contributions will only be payable in circumstances where the relevant SwapClear Unfunded Contribution Notice is delivered by the Clearing House to SCMs prior to the SwapClear Default Management Process Completion Date in relation to the relevant Default;

- (b) the value of the SwapClear Unfunded Contribution payable by each individual SCM shall be the product of (i) the percentage by which the value of the SwapClear Segregated Fund Amount has been reduced and (ii) the value of the SwapClear Contribution of such SCM as at the last SwapClear Determination Date prior to the date when the relevant Default occurred;
- (c) the Clearing House may, by the delivery of one or more further SwapClear Unfunded Contribution Notices, require each Non-Defaulting SCM to pay one or more further SwapClear Unfunded Contributions in respect of the same Default, provided that the total value of the SwapClear Unfunded Contributions payable by an individual SCM in respect of a particular Default (determined in accordance with paragraph (b) above) may not exceed the value of the SwapClear Contribution of such SCM as at the last SwapClear Determination Date prior to the date when the relevant Default occurred; and
- (d) following a Default in respect of which SwapClear Unfunded Contributions were paid (the "**First Default**"), the Clearing House may require the payment of further SwapClear Unfunded Contributions in respect of subsequent Defaults, (which, for the avoidance of doubt, can never be a First Default), provided that SwapClear Unfunded Contributions will not be payable in respect of any more than three Defaults in any six month period (commencing on the date of delivery of the first SwapClear Unfunded Contribution Notice in respect of the First Default).

SCMs will be required to deposit the full amount of their SwapClear Unfunded Contributions (without exercising any rights of set-off or counterclaim) with the Clearing House on the business day following receipt of a SwapClear Unfunded Contribution Notice.

For the avoidance of doubt, references to "SCMs" for the purposes of this Rule S8 include any SCM (other than a Defaulting SCM) who is: (i) a Retiring Member but whose status as a Clearing Member has not yet been

terminated; and (ii) a Resigning Member whose resignation from the SwapClear Service is not yet effective.

"**Underlying Cash Payment**" means, in respect of a Cash Gainer Base Currency Adjustment to Cash Payment or a Cash Loser Base Currency Adjustment to Cash Payment, the Cash Payment in respect of which such Cash Gainer Base Currency Adjustment to Cash Payment or Cash Loser Base Currency Adjustment to Cash Payment is calculated.

(b) **Adjustment of Underlying Cash Payments**

(i) **Cash Gainer**

On each Loss Distribution Day for each Margin Account of each Non-Defaulting SCM which is deemed to be a Cash Gainer, the relevant SCM shall be required to pay the Clearing House an amount equal to each positive amount determined as follows or, as applicable, the Clearing House shall be required to pay the relevant SCM the absolute value of each negative amount determined as follows (in each case, such amount the "**Cash Gainer Payment Currency Adjustment to Cash Payment**"):

The Cash Gainer Payment Currency Adjustment to Cash Payment is the value of the amount determined in accordance with the formula below (the "**Cash Gainer Base Currency Adjustment to Cash Payment**") converted at the Rate of Exchange into the Cash Payment Currency in which the relevant Underlying Cash Payment is denominated

where:

Cash Gainer Base Currency Adjustment to Cash Payment (t) = $\text{PHG}(t) - (\text{CHG}(t) * \text{Max}(0, 1 - \text{DH}(t)) - \text{CAG}(t-1))$

"**PHG**" means the Pre Haircut Base Currency Gains Losses and Realised Cash Flows by Cash Payment;

"**CHG**" means the Cumulative Pre Haircut Base Currency Gains Losses and Realised Cash Flows by Cash Payment;

"**DH**" means the Distribution Haircut; and

"**CAG**" means the Cumulative Actual Base Currency Gains, Losses and Realised Cash Flows by Cash Payment and where "CAG" as at the Last Call prior to Default shall be zero.

(ii) **Cash Loser**

On each Loss Distribution Day for each Margin Account of each Non-Defaulting SCM which is deemed to be a Cash Loser, the Clearing House shall be required to pay the absolute value of each amount (the "**Cash Loser Payment Currency Adjustment to Cash Payment**") determined as follows:

The Cash Loser Payment Currency Adjustment to Cash Payment is the value of the amount determined in accordance with the formula below (the "**Cash Loser Base Currency Adjustment to Cash Payment**") converted at the Rate of Exchange into the Cash Payment Currency in which the relevant Underlying Cash Payment is denominated

Where

Cash Loser Base Currency Adjustment to Cash Payment(t) = PHG(t) – (CHG(t) – CAG(t-1))

"**PHG**" Pre Haircut Base Currency Gains Losses and Realised Cash Flows by Cash Payment;

"**CHG**" means the Cumulative Pre Haircut Base Currency Gains Losses and Realised Cash Flows by Cash Payment; and

"**CAG**" means the Cumulative Actual Base Currency Gains, Losses and Realised Cash Flows by Cash Payment and where "CAG" as at the Last Call prior to Default shall be zero.

(iii) **Application of Payment Currency Adjustment to Cash Payment**

On each Loss Distribution Day, the Clearing House shall apply the payment or receipt of any Payment Currency

Adjustment to Cash Payment as an offset against any payments denominated in the same Cash Payment Currency as the relevant Payment Currency Adjustment to Cash Payment due from or receivable by the relevant SCM.

(iv) **Adjustment for exchange of Notional Amounts on maturity**

Where an exchange of Notional Amounts is applicable to any SwapClear Contract on any business day during a Loss Distribution Period, the Clearing House may, following consultation with its risk committee or the SwapClear DMG, as appropriate, make such adjustments as are necessary to the calculation of a Payment Currency Adjustment to Cash Payment to reflect the payment flows arising from such exchange of Notional Amounts, keeping in mind the principle that the calculation of a Payment Currency Adjustment to Cash Payment is designed to capture all profits and/or losses on positions during the relevant Loss Distribution Period.

(c) **Application of Cash Gainer Payment Currency Adjustment to Cash Payment**

The Clearing House shall apply all payments it receives in respect of Cash Gainer Payment Currency Adjustment to Cash Payments solely for the purposes of meeting any loss incurred by the Clearing House following, and in relation to, each Default, as contemplated in accordance with Rule 16(1) to (7).

(d) **Adjustment to Loss Distribution Cap Amount**

If, during a Loss Distribution Period, the Clearing House considers that the Cash Gainer Payment Currency Adjustment to Cash Payments applied to a particular Margin Account of an SCM are, or are about to be equal to or greater than the Loss Distribution Cap Amount, the Clearing House may propose an adjustment to such

Loss Distribution Cap Amount. If agreed by all Non-Defaulting SCMs, the Loss Distribution Cap Amount as adjusted pursuant to this paragraph (d) shall be applicable for the remainder of the relevant Loss Distribution Period.

(e) **No Rebate**

The payment to the Clearing House by any SCM of any Cash Gainer Payment Currency Adjustment to Cash Payment shall be final and shall not give rise to any obligation of the Clearing House to repay any such amount or to pay any interest thereon.

(f) **Application of any Recoveries**

If the SwapClear Loss Distribution Process has been invoked by the Clearing House in accordance with this Rule S9, the Clearing House shall reimburse the SCMs (irrespective of whether they remain SCMs at the time of the recovery) and the Clearing House on a *pro rata* basis by reference to the resources which have been applied pursuant to Rule 16(1) to (7) and including the net amount of any one or more paid by the relevant SCMs:

- (i) any amounts received from the Defaulting SCM as a result of the Clearing House being a creditor of the Defaulting SCM in respect of the SwapClear Business of such Defaulting SCM in the context of the occurrence of any of the events under Rule 5(i) to (p) in respect of the Defaulting SCM or otherwise, other than in respect of sums due to the Clearing House for its own account; or
- (ii) any other amounts howsoever obtained or recovered in the course of the Clearing House's operation of the SwapClear Default Management Process or which are otherwise referable to the Defaulting SCM,

in each case net of any related expenses incurred by the Clearing House or other sums owing to the Clearing House by the Defaulting

SCM in connection with the SwapClear clearing service. For the avoidance of doubt, nothing in this paragraph (f) shall oblige the Clearing House to pursue any litigation or other action in order to recover the amounts contemplated above and if another default fund of the Clearing House has also been applied as a result of the SCM's Default, any amounts recovered shall be applied *pari passu* as between the relevant default funds.

- S10 Where, after the Default of one or more SCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(1) to (7) and the availability of the SwapClear Loss Distribution Process in accordance with the terms of Rule S9, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those SwapClear Contracts to which it is party with Non-Defaulting SCMs, the Clearing House will by notice in writing (a "**SwapClear Voluntary Payment Notice**"):
- (i) inform all Non-Defaulting SCMs that it has insufficient resources and that it is likely to invoke Rule S11; and
 - (ii) invite each Non-Defaulting SCM to make a payment of funds (a "**SwapClear Voluntary Payment**"), in accordance with Rule 16(7), to make up for the relevant shortfall.

SwapClear Voluntary Payments will be made on the following terms:

- (c) ~~(a)~~ no SCM shall be obliged to make a SwapClear Voluntary Payment;
- (d) ~~(b)~~ any SwapClear Voluntary Payment will be made by an SCM by the close of business on the business day after receipt of the relevant SwapClear Voluntary Payment Notice;
- (e) ~~(c)~~ no SwapClear Voluntary Payment may be withdrawn once made; and
- (f) ~~(d)~~ the Clearing House shall full discretion whether or not to accept a particular SwapClear Voluntary Payment.

Any failure by the Clearing House to deliver a SwapClear Voluntary Payment Notice pursuant to this Rule S10 will not invalidate any action

taken by the Clearing House pursuant to Rule S11 nor give rise to any liability whatsoever on the part of the Clearing House.

Any SwapClear Voluntary Payments remaining unused at the time of the expiry of the relevant SwapClear Default Period will be accounted for ratably by the Clearing House as if they were amounts paid in respect of the SwapClear Contributions of those SCMs from whom SwapClear Voluntary Payments were accepted.

S11 Where, following the process for inviting SwapClear Voluntary Payments in accordance with Rule S10, the Clearing House makes a determination (an "**Insufficient Resources Determination**") that it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those SwapClear Contracts to which it is party with Non-Defaulting SCMs, the following provisions shall have effect:

- (a) All outstanding SwapClear Contracts shall be closed out as of the clearing day following the date the Insufficient Resources Determination was made and any further obligations to make any payments under or in respect of such SwapClear Contracts shall cease. The closing prices used shall be mid prices calculated by the Clearing House in accordance with the methodology used by it to carry out end of day margin runs in respect of the outstanding SwapClear Contracts. Where such data is not available to the Clearing House, the closing price shall be the last price used by the Clearing House to calculate the variation margin requirement for the position to be closed out.
- (b) On the basis of the close out values established for each outstanding SwapClear Contract, an account shall be taken (as at the time of close out) of what is due in respect of each SCM, from that SCM to the Clearing House and from the Clearing House to that SCM, as well as all other amounts owing under or in respect of SwapClear Contracts and any other amounts that may be due in respect of the SwapClear Service (including for these purposes, a proportionate share of any amounts owed generally to or from the Clearing House), and the sums due from the SCM shall be set off

against the sums due from the Clearing House and only the balance of the account shall be payable. For the avoidance of doubt, amounts in respect of SwapClear Contracts shall include, but not be limited to, returns of variation margin associated therewith and the repayment of any Net Cash Gainer Payment Currency Adjustment to Cash Payments made in the SwapClear Default Period to which the Insufficient Resources Determination relates (and in respect of which S9(e) shall be specifically disapplied), but shall exclude the repayment of any cash initial margin or any outstanding SwapClear Contributions.

To the extent that the aggregate of all of the amounts owed to the Clearing House by SCMs plus all of those other resources applicable to the SwapClear Clearing Service under Rule 16(1) to (7) that have not been applied towards a SwapClear Excess Loss is less than the aggregate of the amounts owed to SCMs by the Clearing House, each amount owed to SCMs by the Clearing House shall be reduced pro rata the shortfall.

- (c) The Clearing House shall determine any amounts due to each SCM in respect of the repayment of any cash initial margin and outstanding SwapClear Contributions to be repaid. The claim of each such SCM in respect to the foregoing shall be reduced in proportion to an amount by which (i) the value of the assets available to the Clearing House to meet the return obligations referred to in (ii) bears to (ii) the value of what would be due from the Clearing House to each Clearing Member in aggregate in respect of the return of initial margin received from each such Clearing Member in the form of cash and outstanding Contributions.
- (d) For each SCM, the amount due to it or due from it as determined pursuant to (b) shall be aggregated with its claim determined pursuant to (c) above and only the net sum shall be payable. Where the result of such calculations is that an SCM owes an amount to the Clearing House, that SCM shall pay that amount to the Clearing House immediately. Where the result of such calculations is that an

SCM is owed an amount by the Clearing House, the Clearing House shall pay that amount to the SCM immediately, subject to (f) below.

- (e) The payment of such amount to an SCM, pursuant to (d) above subject to any re-calculations performed pursuant to (f) below, shall constitute the full and final payment in respect of the SwapClear Service and such SCM shall not be permitted to make any further claims to the Clearing House in respect of amounts relating to the SwapClear Service nor shall it be permitted to notify the Clearing House of a Termination Date pursuant to Regulation 39A for a failure to pay any amounts in relation to the SwapClear Service.
- (f) The Clearing House may make the payments due under (d) above in one or more instalments to the SCMs in proportion to the value of their claims on the Clearing House under (b) above if some but not all of the amounts due under (d) or Rule 16(1) to 16(7) above have not yet been received. The Clearing House shall take reasonable steps to recover such amounts and may deduct therefrom reasonable administration costs for such recovery. To the extent that the Clearing House determines that any such amounts will not in fact be recoverable, it shall re-determine the amounts due to SCMs in accordance with this Rule S11.
- (g) This Rule S11 shall not be applied in the event that a Termination Date has been specified in relation to the Clearing House in accordance with Regulation 39A.
- (h) Nothing in the foregoing shall override the obligation of the Clearing House to return initial margin provided by way of security to a SCM pursuant to its Regulations and Procedures.

S12 Ballot Arrangements

- (a) Notwithstanding anything to the contrary in clauses 9.4 and 9.5 of the Clearing Membership Agreement, no proposal for any of the amendments set out in paragraphs (i), (ii) and (iii) below (each a

"SwapClear Amendment") shall be capable of coming into effect unless first approved in a ballot of SCMs:

- (i) any amendment to the value of the SwapClear Fund Floor and/or the value of the SwapClear Fund Cap, in each case as provided for in paragraph (b) of Rule S2 or as subsequently approved in a ballot under this Rule S12;
 - (ii) any amendment providing for a change in the nature of the liabilities for which an SCM's indemnity is given by virtue of paragraph (c) of Rule 28; and
 - (iii) any amendment which, in the opinion of the Board of Directors of the Clearing House would represent a significant change in the commitments of the SCMs but not in the commitments of any other Clearing Members,
- (b) For the purposes of a ballot conducted pursuant to this Rule S12, the provisions of clauses 9.4, 9.6 and 9.7 of the Clearing Membership Agreement shall apply with the following amendments:
- (i) the words "major amendment to the Default Fund Rules" in the first line of clause 9.4 of the Clearing Membership Agreement shall be replaced with the words "SwapClear Amendment";
 - (ii) all references to "Clearing Members" shall be replaced with references to "SCMs";
 - (iii) in paragraph (c) of clause 9.4 of the Clearing Membership Agreement, the reference to "Contributions" shall be replaced with a reference to "SwapClear Contributions" and the reference to "Quarter Day" shall be replaced with a reference to "SwapClear Determination Date";

- (iv) references to "Fund Amount" in clauses 9.6 and 9.7 of the Clearing Membership Agreement shall be replaced with references to "SwapClear Fund Amount";
 - (v) the reference to "clause 9.4" in clause 9.6 of the Clearing Membership Agreement shall be replaced with a reference to "Rule S12 of the SwapClear Default Fund Supplement to the Default Fund Rules"; and
 - (vi) the references to "Contribution" in clauses 9.6 and 9.7 of the Clearing Membership Agreement shall be replaced with references to "SwapClear Contribution".
- (c) For the purposes of a ballot conducted under clauses 9.4 and 9.5 of the Clearing Membership Agreement other than a ballot in relation to an amendment which, in the opinion of the Board of Directors of the Clearing House falls within paragraph (c) of clause 9.5 of the Clearing Membership Agreement but not within paragraph (a)(iii) of this Rule S12, references to "Clearing Members" shall not include SCMs who are not engaged in any business with the Clearing House other than SwapClear Business and SwapClear Contributions shall not count as "Contributions".

4. A Clearing Member (i) in respect of whom the Clearing House has issued a Default Notice under Rule 3; or (ii) in respect of whom an Automatic Early Termination Event has occurred is in these Rules called a "defaulter".
5. Without prejudice to the generality of Rule 3, the Clearing House may take any or all of the events under paragraphs 5(a) to (q) below to show that a Clearing Member is or is likely to become unable to meet its obligations in respect of one or more Contracts.  - (a) the Clearing Member fails duly to perform or is in breach of the Regulations, the FCM Regulations, the Procedures, or any of the terms of any agreement, understanding or arrangement with the Clearing House or the right of the Clearing Member to receive a transfer or termination, close-out and re-establishment of contracts pursuant to a Link has been suspended under Participating Exchange Rules, or a Clearing Member is a Defaulter (as defined in a Member Link Agreement to which the Clearing Member is a party);

Where an open contract is transferred or closed-out, terminated, and re-established under paragraph (g), without requiring the consent of the relevant Exchange, to transfer (whether by way of transfer or by way of termination, close-out and re-establishment of positions) to the Clearing Member to whom the open contract is transferred (or with whom the replacement open contract is re-established) such cover held as security for the defaulter's obligations to the Clearing House on that account as the Clearing House may deem appropriate;

- (l) to make or procure the making of one or more contracts, including (without limitation) original contracts for the purpose of hedging market risk to which

- (o) to take any step which in the circumstances is open to the Clearing House under any applicable Exchange Rules including, without limitation, to transfer (whether by way of transfer or by way of termination, close-out and re-establishment) an open contract of the defaulter to a Participating Exchange to be registered at the Participating Exchange in accordance with its rules;
- (p) without prejudice to any other right of the Clearing House under the Regulations, to take such action as the Clearing House may deem necessary for its protection in the name and at the expense of the defaulter with regard to any open contract standing in its name;
- (q) in respect of Contracts standing in the defaulter's name, to charge to its account the amount (or, if the amount is not finally known, the estimated amount) of any expenses incurred by the Clearing House with regard to or in consequence of the circumstances mentioned in Rule 3 or the steps which are or may be taken under this Rule, the Regulations or the FCM Regulations (as the case may be) and any expenses incurred with regard thereto under Rule 11 and the amount of any losses, costs or expenses incurred or suffered by the Clearing House referred to in paragraph (g) of Regulation 42 and any other amounts referred to in such paragraph;
- (r) any other step calculated by the Clearing House to complete the process set out in Rule 8; and

PROVIDED further that in the case of ForexClear Contracts, the steps which shall be taken by the Clearing House shall be set out in the ForexClear ~~Default Management Process Agreement in force between it and each ForexClear Clearing Member, as amended from time to time~~[DMP Annex to these Default Rules](#).

7. (a) Where the Clearing House declares the defaulter's rights and liabilities under an open contract subject to tender discharged under Rule 6(k):
 - (i) those rights and liabilities and the rights and liabilities of the Clearing House under the open contract shall be discharged, and,

- (ii) there shall arise between the defaulter and the Clearing House in respect of the open contract an obligation to account, as directed by the Clearing House, for a settlement amount determined by the relevant Board under this Rule.
 - (b) The settlement amount referred to in paragraph (a) shall be an amount which, at the request of the Clearing House, the relevant Board determines to represent adequate compensation (in the circumstances known to the Board) for the discharge of the mutual rights and liabilities of the defaulter and the Clearing House under the open contract. The Board's determination shall be conclusive. The Clearing House shall direct how the settlement amount is to be accounted for between the defaulter and itself.
 - (c) Neither the Clearing House nor any relevant Board or Exchange shall have any liability whatsoever for anything done or omitted in the determination of a settlement amount under this Rule.
8. Upon the discharge of the defaulter's rights and liabilities under or in respect of all Contracts to which it is party the following process shall, subject to any contrary provision in Rule 16, be completed by the Clearing House:
- (a) there shall be brought into account all sums payable: (i) by or to a defaulter in respect of Contracts (other than FCM SwapClear Contracts); any other sum due under the Regulations; any sum due in respect of any breach of the Regulations; (except, if the Clearing House so determines at its discretion, any sum payable under a Contract as the price for the commodity the subject of such Contract delivered or to be delivered to the Clearing House by or on behalf of the defaulter); and/or any amount due from the defaulter to the Clearing House in respect of any Treasury Contract; or (ii) by or to a defaulter in respect of FCM SwapClear Contracts; any other sum due under the FCM Regulations; and/or any sum due in respect of any breach of the FCM Regulations;
 - (b) the sums so payable shall be aggregated or set off so as to produce a net sum or as many net sums as required by Rule 10; and
 - (c) such net sum, or each such net sum:
 - (i) if payable by the defaulter to the Clearing House, shall be set off against any cover standing to the credit of the defaulter's account so as to produce a further net sum, or shall be aggregated with any debit balance of the defaulter's account, or
 - (ii) if payable by the Clearing House to the defaulter, shall be aggregated with any cover standing to the credit of the defaulter's account, or shall be set off against any debit balance of the defaulter's account so as to produce a further net sum.
 - (d) Where an amount is payable by the Clearing House to the defaulter in respect of a balance on its Proprietary Account or accounts, and there are amounts due to the Clearing House in respect of any client account or any FCM Omnibus OTC Client Account with LCH (as the case may be) operated by it, the balance on the Proprietary Account or accounts may be applied to meet the shortfall on the client account or accounts or on the FCM Omnibus OTC Client Account(s) with LCH (as the case may be) in any way which the Clearing House may determine.

For the purposes of paragraph (a) of this Rule the Clearing House may assess the sum payable by or to the defaulter in respect of any breach of the Regulations or the FCM Regulations (as the case may be) in such reasonable manner as it thinks fit.

9. The sum, or each sum, finally payable by the defaulter to the Clearing House or by the Clearing House to the defaulter, or the fact that no sum is finally payable by either such party to the other, as the case may be upon completion of the process set out in Rule 8, shall be forthwith certified by the Clearing House. The certificate of the Clearing House under this Rule shall be conclusive as to the discharge of the defaulter's rights and liabilities in respect of the Contracts to which it relates. The Clearing House shall, as soon as practicable after issuing a Default Notice in respect of a Clearing Member, appoint a day on which any net sums certified under this Rule to be due to the defaulter are to be paid by the Clearing House. The day so appointed may fall before or after the effective date of termination of the defaulter's Clearing Membership Agreement but shall not fall on a day before the process specified in Rule 8 can be completed.
10. (a) Where the defaulter has more than one account with the Clearing House, the defaulter's accounts shall be combined for the purpose of Rules 8 and 9 as follows: an account which is an FCM Omnibus OTC Client Account with LCH of the defaulter may only be combined with other FCM Omnibus OTC Client Accounts with LCH of the defaulter; an account which is a Proprietary Account of the defaulter may be combined with any other Proprietary Accounts of the defaulter and (if the Clearing House so elects) Treasury Accounts of the defaulter (subject to Rule 8(d) and 10(d) of the Default Rules); and an account which is a Treasury Account of the defaulter may only be combined with other Treasury Accounts and (if the Clearing House so elects) Proprietary Accounts of the defaulter. Notwithstanding the foregoing, in no circumstances may an account which is an Individual Segregated Account of the defaulter or an Omnibus Net Segregated Account of the defaulter be combined with any other account of the defaulter.
(b) For the purposes of this Rule 10, each Individual Segregated Account of the defaulter and each Omnibus Net Segregated Account of the defaulter shall constitute a separate "kind of account". Where the defaulter has more than one kind of account with the Clearing House, the process set out in Rule 8 shall be separately completed in respect of each kind of account. In the case of each kind of account of the defaulter which is not an Omnibus Net Segregated Account, the sum finally payable in respect of that kind of account following completion of the process set out in Rule 8 shall be separately certified under Rule 9. In the case of each kind of account of the defaulter which is an Omnibus Net Segregated Account, the sum finally payable in respect of that kind of account following completion of the process set out in Rule 8 will be allocated by the Clearing House (pro rata as it sees fit in its sole discretion) between the Omnibus Net Segregated Clearing Clients sharing in that Omnibus Net Segregated Account. Each sum so allocated to an Omnibus Net Segregated Clearing Client shall be separately certified under Rule 9.
(c) In Rule 8(c) the "defaulter's account" means:
 - (i) with regard to a net sum produced by reference to Contracts registered in an Individual Segregated Account of the defaulter, that Individual Segregated Account;

- (ii) with regard to a net sum produced by reference to Contracts registered in an Omnibus Net Segregated Account of the defaulter, that Omnibus Net Segregated Account;
 - (iii) with regard to a net sum produced by reference to FCM SwapClear Contracts registered in one or more FCM Omnibus OTC Client Accounts with LCH of the defaulter, that FCM Omnibus OTC Client Account with LCH, or (if there is more than one) all those FCM Omnibus OTC Client Accounts with LCH combined;
 - (iv) with regard to a net sum produced by reference to Contracts registered in one or more Proprietary Accounts of the defaulter, that Proprietary Account or those Proprietary Accounts combined and (if the Clearing House has elected in accordance with Rule 10(a)) any Treasury Accounts of the defaulter; and
 - (v) with regard to a net sum produced by reference to one or more Treasury Accounts of the defaulter, that Treasury Account or those Treasury Accounts combined, and (if the Clearing House has elected in accordance with Rule 10(a)) Proprietary Accounts.
- (d) Notwithstanding any provision of the Rulebook to the contrary, any loss which relates to a Treasury Account may not be treated as a Default Loss (as defined in Rule 23(b)), whether or not cover has been applied in respect of such loss. Nothing in this Rule 10(d) requires the Clearing House to apply cover in respect of any such loss instead of any other amount referred to in Rule 8(a), except that the Clearing House may not apply cover in respect of any such loss to the extent that doing so would give rise to an Excess Loss (as defined in Rule 15).
11. Without further authorisation, permission or cooperation from the defaulter, the Clearing House may appoint any person to take or assist it in taking any step under these Rules or to complete or assist it in completing the process set out in Rule 8.
 12. The Clearing House may co-operate, by the sharing of information and otherwise, with any Regulatory Body or relevant Exchange, any relevant office-holder acting in relation to the defaulter or its estate and any other authority or body having responsibility for, or any Clearing Member having an interest in, any matter arising out of or connected with the circumstances mentioned in Rule 3.
 13. In addition to such copy report as it supplies under section 162(3) of the Companies Act 1989, the Clearing House shall report to the defaulter, or any relevant office-holder acting in relation to the defaulter or its estate, on steps taken in relation to the defaulter under Rule 6.

SWAPCLEAR DMP ANNEX

1. Scope and Interpretation

- 1.1 The Clearing House has established a SwapClear DMP which will apply to SwapClear Contracts following the issue of a Default Notice relating to a SwapClear Clearing Member and in respect of which, for the avoidance of doubt, the Clearing House will have no recourse to the process of invoicing-back. The fundamental principles of the SwapClear DMP are elaborated to the fullest extent possible in this Annex. Where exhaustive detail cannot be laid out in the provisions of this Annex, the SwapClear DMP will be undertaken on the basis of the principles contained herein.
- 1.2 The Clearing House has an obligation to ensure the on-going integrity of the SwapClear service and SwapClear Contracts in the interests of the Non-Defaulting SCMs. When a SwapClear Clearing Member defaults, Non-Defaulting SCMs are required to supply impartial expertise through the SwapClear DMG and to bid for the Auction Portfolios of a Defaulting SCM, as laid out in this Annex. In addition, most SCMs or their parent companies or subsidiaries or fellow subsidiaries, have direct interests in that integrity, notably as contributors to the various default funds of the Clearing House. Each SCM shall take all steps and execute all documents necessary or required by the Clearing House to comply with its obligations as a SCM arising out of this SwapClear DMP Annex.
- 1.3 The initial margining of SwapClear Contracts will be such so as to ensure that the acceptance of bids for the Auction Portfolios of a Defaulting SCM will recognise risk premiums, and that equivalent premiums will be paid by the Clearing House in closing-out large positions in other Contracts traded on exchange or ATS-organised markets.

- 1.5 Terms used in this Annex which are not defined herein shall have the meanings given to them in the Regulations and in the FCM Regulations.

2. **SwapClear Clearing House Business and FCM House Business**

The SwapClear Default Management Process in respect of SwapClear Clearing House Business and FCM House Business shall involve the stages described in this Rule 2.

2.1 Portfolio Splitting

The Clearing House, in consultation with and the assistance of the SwapClear DMG, shall determine the composition of each Auction Portfolio and shall have the discretion to divide a Portfolio into two or more individual Auction Portfolios with the aim of facilitating the efficiency of, and reducing the risk associated with, the auction process provided for in Rule 2.3 of this Annex. The overriding principle is that the Clearing House will structure Auction Portfolios with the intention of ensuring a SwapClear DMP which best protects the resources of the Clearing House, subject to compliance with applicable provisions of the CEA and regulations of the CFTC regarding segregation of client assets. Therefore, nothing in this Rule 2.1 shall be deemed to imply: (a) that the Clearing House is under any obligation to split a particular Portfolio of a Defaulting SCM (regardless of the number of SwapClear Contracts that such Portfolio contains); or (b) any particular requirements as to the composition of an individual Auction Portfolio, except that, subject to overriding risk

procedures it is broadly anticipated that the parameters of any Auction Portfolio shall not be materially different to those set out in the Clearing House's fire drill.

2.2 Risk Neutralisation

The Clearing House will, in consultation with and with the assistance of the SwapClear DMG, reduce the market risk associated with a Defaulting SCM's obligations to the Clearing House so far as is reasonably practicable by hedging the Clearing House's exposure in open SwapClear Contracts to which the Defaulting SCM is party. All such hedging shall be undertaken by the Clearing House with SCMs, on the basis of separate agreements between the Clearing House and each such SCM. The aim of Risk Neutralisation is to reduce market exposure to within defined tolerance limits expressed as deltas or other measures of market risk and as established from time to time by the Clearing House in consultation with the SwapClear DMG or as may reasonably be determined by the Clearing House in consultation with the SwapClear DMG once a Default has been declared under the Default Rules. For the avoidance of doubt, Risk Neutralisation may happen prior to, concurrently with and/or subsequently to the splitting of a Portfolio pursuant to Rule 2.1 above.

2.3 Auction

- 2.3.1 Following the completion of Risk Neutralisation, the Clearing House shall auction each Auction Portfolio to Non-Defaulting SCMs. The Clearing House, in consultation with the SwapClear DMG, shall prescribe such procedures (in addition to those set out herein) for the conduct of the auction process as it considers reasonably appropriate from time to time.
- 2.3.2 The Clearing House shall notify each SCM of all details that may be reasonably required in relation to an Auction Portfolio prior to the relevant Auction.
- 2.3.3 The auction process may take place over a number of days and Auctions of different Auction Portfolios may take place at different times.
- 2.3.4 SCMs will submit bids to the Clearing House representatives on the SwapClear DMG, who will ensure that the identities of the bidders are not revealed to the SCM representatives on the SwapClear DMG. For the avoidance of doubt, an SCM shall be entitled to submit a bid on behalf of one or more affiliated SCMs. The SwapClear DMG will oversee the bidding process in a manner which it considers best protects the resources of the Clearing House and ensures an orderly process.
- 2.3.5 The Clearing House in consultation with the SwapClear DMG will have full discretion in deciding whether or not to accept a particular bid in an Auction and, in so deciding, will take into account the relevant factors that determine risk premiums, as well as the range of bids received relative to initial margin held and, subject to their availability, the Clearing House resources as set out in Rule 16 of the Clearing House's Default Fund Rules. In the event that more than one SCM submits a bid of the same value (each an "**Equal Bid**"), the Clearing House will, subject to its discretion to reject all such Equal Bids, select the bid which was received first in time.
- 2.3.6 In the case of an Auction in which no bid is accepted or received (as the case may be), one or more further Auctions will be held in relation to the relevant Auction Portfolio. As soon as practicable following an Auction:

- (a) in the event that a bid was accepted, the Clearing House will notify those Currency Participants in the relevant Auction Currency together with any other SCMs who participated in the Auction that a bid was accepted and shall notify the SCM who submitted the accepted bid that its bid was accepted;
 - (b) in the event that no bid was accepted, the Clearing House will notify all SCMs of the details of any further Auction.
- 2.3.7 The SCM agrees to use all reasonable efforts to make a bid in an Auction for an Auction Portfolio in respect of which such SCM is a Currency Participant.

2.4 Auction Incentive Pools

- 2.4.1 Before commencing the auction process, the Clearing House will calculate an auction incentive pool (each an “AIP”) for each individual Auction Portfolio for the purposes of providing an initial allocation of the resources potentially available to it to satisfy any loss incurred in the Auction of each such Auction Portfolio. Notwithstanding such initial allocation, any resources utilised by the Clearing House will be allocated in accordance with Rule 2.5 below.
- 2.4.2 For each AIP, the resources shall be allocated as follows:
 - (a) the resources of the Defaulting SCM (in the form of: (i) that part of the Margin Cover for the SwapClear Contracts of the Defaulting SCM pursuant to Rule 16(1) of the Default Fund Rules and (ii) the SwapClear Contribution made by the Defaulting SCM to the SwapClear Default Fund) available pursuant to Rule 16(2) of the Default Fund Rules at the time of the auction process will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; the portion of the Capped Amount applied to the SwapClear Business of the Defaulting SCM pursuant to Rule 16(3) of the Default Fund Rules will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; and
 - (b) the Non-defaulters’ Contribution of each SCM and the total value of the SwapClear Unfunded Contributions which would be callable but have not been called by the Clearing House from the relevant SCM in respect of the relevant Default in accordance with Rule S8 of the Default Fund Rules (the “**Potential Unfunded Contributions**”) will, subject to Rule 2.4.3 below, be allocated between the AIPs relating to the Auction Portfolios in which the relevant SCM is a Currency Participant based on the proportion that: (a) the risk of the SwapClear Contracts of such SCM denominated in the relevant currency bears to (b) the aggregate of the amounts calculated in (a) in respect of each currency in which the relevant SCM is a Currency Participant.
- 2.4.3 Where a Portfolio for a particular Swapclear currency has been split into two or more Auction Portfolios, the Non-defaulters’ Contributions and Potential Unfunded Contributions allocated to the AIP related to the relevant Portfolio will be further divided for the purposes of allocation into AIPs relating to the relevant Auction Portfolios based on the proportion that (a) the risk of the

SwapClear Contracts in each such Auction Portfolio bears to (b) the aggregate of the amounts calculated in (a) for each of the Auction Portfolios in the relevant currency.

2.5 Loss Attribution

- 2.5.1 Following the completion of all Auctions of all Auction Portfolios of the Defaulting SCM, the Clearing House will determine whether losses incurred by it as a result of such Auctions are such that the Non-defaulters' Contributions must be utilised. Where applicable, such losses will be allocated to Non-defaulters' Contributions in accordance with the loss attribution process described in Rules 2.5.2 to 2.5.8 of this Annex.
- 2.5.2 For each Auction Portfolio, losses to the Clearing House will be met using the resources as set out in Rule 16. In applying those resources, the Clearing House will allocate the losses in respect of each Auction Portfolio (the "**Auction Losses**") by reference to the resources allocated to the AIPs related to such Auction Portfolios in accordance with Rule 2.4 of this Annex. Where there are no Auction Losses in respect of an Auction Portfolio or the Auction Losses in respect of an Auction Portfolio do not require the full amount of the resources referred to in sub-paragraphs (a) and (b) of Rule 2.4.2 of this Annex allocated to the AIP related to the relevant Auction Portfolio (the "**Initial Resources**") to be fully utilised, the relevant surplus Initial Resources will be allocated pro rata between those AIPs relating to Auction Portfolios in respect of which there are Auction Losses requiring the utilisation of resources beyond the Initial Resources available in the relevant AIP in accordance with Rule 16(1), 16(2) and 16(3) until such time as all Initial Resources have been fully utilised.
- 2.5.3 In the case of each Auction for which there are Auction Losses in respect of which the Non-defaulters' Contributions must be utilised, those Non-defaulter's Contributions, not including, for these purposes, any part of such Non-defaulters' Contributions that reflect any SwapClear Unfunded Contribution deposited with the Clearing House pursuant to the Default in respect of which the relevant Auction was held (the "**Original Contributions**") and which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Original Contributions**") will be used first in the following order:
 - (i) The Auction Losses will be attributed to the Relevant Original Contributions of those SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Original Contribution of an individual SCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Original Contribution of such SCM bears to (b) the total value of the Relevant Original Contributions of all SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction;
 - (ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Original Contributions of the Short Bidders. For the purposes of this sub-paragraph (ii) and sub-paragraph (ii) of Rule 2.5.6 of this Annex the term "Short Bidder" means any SCM who is a Currency Participant

in the Auction Currency and who submitted an unsuccessful bid in the relevant Auction save for any SCM who submitted a higher bid in an Auction than the bid accepted by the Clearing House in accordance with Rule 2.3.4 of this Annex (each such SCM, a "Higher Bidder" and each such bid, a "Higher Bid").

Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid (denominated in units of the relevant Auction Currency) bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid (denominated in units of the relevant Auction Currency);

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Original Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Original Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "Remaining Original Short Bidder") by (a) calculating the amount which is the bid of the relevant Remaining Original Short Bidder divided by the sum of the bids of all Remaining Original Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Original Contributions of all Short Bidders being fully attributed; and

- (iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Original Contribution of the SCM who submitted the winning bid, together with, where applicable, the Relevant Original Contribution of any SCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Original Contribution of an individual SCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Original Contribution of such SCM bears to (b) the total value of the Relevant Original Contributions of (i) the SCM who submitted the winning bid; (ii) any SCMs who submitted an Equal Bid to such winning bid; and (iii) any SCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency in which the Relevant Original Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Original Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

- 2.5.4 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.3 above, those Auction Losses will

be attributed to the Original Contributions of those SCMs who are Currency Participants in any other Auction Currency in relation to which Auction Losses have arisen to the extent that Non-defaulters' Contributions must be utilised (each a "**Losing Currency**") and whose Original Contributions have not yet been fully utilised (each a "**Losing Currency Original SCM**"). Such remaining Auction Losses will be attributed to any remaining Original Contribution of each such SCM pursuant to this Rule 2.5.4 based upon the proportion that: (a) the risk of all of the SwapClear Contracts of such SCM denominated in each of the Losing Currencies bears to (b) the aggregate of the amounts calculated in (a) for all Losing Currency Original SCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.4 until the first to occur of (a) the Auction Losses being fully met; and (b) the Original Contributions of all Losing Currency Original SCMs being fully attributed.

- 2.5.5 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.4 above, those remaining Auction Losses will be allocated to the Original Contributions of each SCM who is not a Currency Participant in any of the Losing Currencies based upon the proportion that (a) the value of each such Original Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such SCMs.
- 2.5.6 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.5 above, the SwapClear Unfunded Contributions which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Unfunded Contributions**") will be used first in the following order:
- (i) The Auction Losses will be attributed to the Relevant Unfunded Contributions of those SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Unfunded Contributions of an individual SCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such SCM bears to (b) the total value of the Relevant Unfunded Contributions of all SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction;
 - (ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Unfunded Contributions of the Short Bidders in the relevant Auction. Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid (denominated in units of the relevant Auction Currency) bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid (denominated in units of the relevant Auction Currency);
Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Unfunded Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Unfunded Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "**Remaining Unfunded Short Bidder**") by (a) calculating

the amount which is the bid of the relevant Remaining Unfunded Short Bidder divided by the sum of the bids of all Remaining Unfunded Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Unfunded Contributions of all Short Bidders being fully attributed; and

- (iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Unfunded Contribution of the SCM who submitted the winning bid, together with, where applicable, the Relevant Unfunded Contribution of any SCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Unfunded Contribution of an individual SCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such SCM bears to (b) the total value of the Relevant Unfunded Contributions of (i) the SCM who submitted the winning bid; (ii) any SCMs who submitted an Equal Bid to such winning bid; and (iii) any SCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency in which the Relevant Unfunded Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Unfunded Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

- 2.5.7 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.6 above, those Auction Losses will be attributed to the SwapClear Unfunded Contributions of those SCMs who are Currency Participants in any other Losing Currency and whose SwapClear Unfunded Contributions have not yet been fully utilised (each a "**Losing Currency Unfunded SCM**"). Such remaining Auction Losses will be attributed to any remaining SwapClear Unfunded Contributions of each such SCM pursuant to this Rule 2.5.7 based upon the proportion that: (a) the risk of all of the SwapClear Contracts of such SCM denominated in each of the Losing Currencies bears to (b) the aggregate of the amounts calculated in (a) for all Losing Currency Unfunded SCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.7 until the first to occur of (a) the Auction Losses being fully met; and (b) the SwapClear Unfunded Contributions of all Losing Currency Unfunded SCMs being fully attributed.
- 2.5.8 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.7 above, those remaining Auction Losses will be allocated to the SwapClear Unfunded Contributions of each SCM who is not a Currency Participant in any of the Losing Currencies based upon the proportion that (a) the value of each such SwapClear Unfunded Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such SCMs.

2.6 For the purposes of Rules 2.4 and 2.5 above, all references to the risk associated with an Auction Portfolio or with all of the SwapClear Contracts of a Non-Defaulting SCM denominated in a particular currency shall be references to such risk as determined by the Clearing House in its sole discretion on the basis of Worst Case Loss.

3. Default Management in respect of SwapClear Clearing Client Business and FCM Client Business

3.1 The SwapClear DMP in respect of any contract which is a SwapClear Contract in respect of SwapClear Clearing Client Business shall involve the stages described in Regulation 52B.

3.2 The SwapClear DMP in respect of any contract which is an FCM SwapClear Contract in respect of FCM Client Business shall be conducted in accordance with FCM Regulation 9(g).

4. Transfer of Cash Flows and Registration of Positions

4.1 Following the disposal of an Auction Portfolio by way of Auction (and notwithstanding that other Auction Portfolios of the Defaulting SCM may not yet have been auctioned) the Clearing House, will, with the co-operation of the SCMs, transfer to the SCM whose bid won that Auction Portfolio the rights and obligations, from the Defaulting SCM, arising out of the positions which that SCM has successfully bid for under the SwapClear Default Management Process. Such transfer may take place by way of registration of new positions with the Clearing House in the name of the relevant SCM, or novation of rights and obligations to the relevant SCM. All such registrations shall be made in a way that recognises the variation margin paid or received in relation to the SwapClear Contracts of the Defaulting SCM representing such new positions.

4.2 In order to effect the transfer of positions, the Clearing House shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances. SCMs will be required to exercise best endeavours to comply with such requirements as may be established by the Clearing House, after consultation with the SwapClear DMG, to effect the transfer of positions, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by the Clearing House for initial margin and variation margin in respect of positions which are to be registered in their names. The Clearing House agrees that in such procedures it shall make provision for set-off by the Clearing House of amounts owed by the Clearing House to the SCM as a result of the operation of the SwapClear DMP against sums owed by the SCM to the Clearing House in respect thereof.

4.3 Where, as a result of an Auction, the Clearing House is required to make a payment to a SCM in respect of a winning bid, the Clearing House shall not be permitted to register any position, whether as a new position or as a novation of existing rights and obligations, to any such SCM if the Clearing House does not simultaneously credit that SCM with the requisite amount. If any position is so registered without such payment, such registration shall be deemed void *ab initio* and unenforceable against the relevant SCM. For the avoidance of doubt, the Clearing House will utilise the resources available to it pursuant to Rule 16 of the Default Fund Rules for the purposes of making such a payment notwithstanding that other Auction Portfolios of the Defaulting SCM may not yet have been auctioned and that the loss attribution process provided for by Rule 2.5 of this Annex has not yet occurred.

5. Information Regarding the SwapClear DMP

Whenever the SwapClear DMP is implemented by the Clearing House in respect of a Defaulting SCM, the Clearing House will, with the assistance of the SwapClear DMG, provide such ongoing information to SCMs as the Clearing House deems reasonably appropriate in respect of the progress of the SwapClear DMP.

Nothing in this Rule 5 shall require the Clearing House to disclose information in respect of the SwapClear DMP which, in the reasonable opinion of the Clearing House, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in the Clearing House's reasonable opinion, inappropriate for disclosure to SCMs.

6. Bankruptcy Code and Related Issues

Notwithstanding any other provision of this Annex in the event of a Default by an FCM Clearing Member, the completion of any and all actions, including but not limited to any transfers or transactions, permitted or required to be taken by the Clearing House hereunder shall be subject in all respects to the provisions of the Bankruptcy Code, Part 190 of the regulations of the CFTC, the Dodd-Frank Wall Street Reform and Consumer Protection Act 2010, and the receipt of any approvals required under the Bankruptcy Code or such regulations.

7. CEA Issues

Notwithstanding any other provision of this Annex in the event of a Default by an FCM Clearing Member, the operation of this Annex shall in all respects be subject to applicable provisions of the CEA and CFTC regulations regarding the handling, custody, liquidation, transfer and disposition of client positions and assets, including but not limited to those provisions requiring segregation of client assets and prohibiting application of the assets of non-defaulting clients to amounts owed by defaulting clients.

8. Miscellaneous

- 8.1 Subject to Rules 2.4 and 2.5 of this Annex, the resources available to the Clearing House and their order of use are defined in Rule 16 of the Default Fund Rules as modified and/or supplemented by the SwapClear Default Fund Supplement.
- 8.2 The Clearing House may from time to time supplement the details of any of the stages set out in Rule 2 of this Annex or any other aspects of the SwapClear DMP, in consultation with the SwapClear DMG, either by way of further Guidance or immediately on notice to SCMs on a case-by-case basis where the Clearing House deems it appropriate to do so in the circumstances of the Default, provided that the Clearing House may not take any such action that effects a material change to the terms of this Annex without the written consent of 50% of all SwapClear Clearing Members unless such change is invoked unilaterally against all SCMs and is necessary to manage the Clearing House's risk or otherwise to meet the Clearing House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization. The Clearing House agrees that, in the ordinary course, it shall discuss any such Guidance with the SwapClear DMG prior to bringing the Guidance into effect except that it shall not be required to do so where (i) the Guidance is not material to the rights and obligations of the SCMs or (ii) the Clearing House deems it inappropriate to do so in the circumstances of the Default and it is not possible to convene the SwapClear DMG in timely fashion.

8.3 The timetable for implementation of the stages of the SwapClear Default Management Process following issue of a Default Notice by the Clearing House shall be either (1) as prescribed by the Clearing House from time to time in consultation with the SwapClear DMG and set out in Guidance; or (2) imposed by the Clearing House without prior notice to the SCMs on a case-by-case basis where the Clearing House, in consultation with the SwapClear DMG, deems it appropriate to do so in the circumstances of the Default.

9. **Role and Constitution of SwapClear DMG**

- 9.1 The SwapClear DMG shall meet at regular intervals in order to:
- 9.1.1 keep under review the SwapClear DMP, together with any Guidance issued in respect thereof;
 - 9.1.2 keep under review the terms of reference of the SwapClear DMG to ensure they remain appropriate;
 - 9.1.3 consider appropriate supplements or amendments to the SwapClear DMP and/or Guidance in order to improve the procedures in place; and
 - 9.1.4 consider any other business relevant to the SwapClear DMP which any member of the SwapClear DMG from time to time sees fit to raise at such meetings.
- 9.2 The members of the SwapClear DMG shall also meet within one hour, or as soon as reasonably practical, following notification by the Clearing House that a Default Notice has been served upon an SCM, and at sufficiently frequent intervals thereafter for so long as may be necessary to assist the Clearing House in the implementation of the SwapClear DMP as contemplated under this Agreement. Such implementation shall include, without limitation, the provision of general default management advice with regard to: (1) the ongoing obligations of the Clearing House to its non-defaulting members; (2) the neutralisation and closing-out of the individual obligations of the Defaulting SCM; and (3) the splitting of Portfolios and the disposal of Auction Portfolios in accordance with the SwapClear DMP. Where it is not possible or practicable for the SCM to provide its nominated representative within an appropriate timeframe, it shall provide an alternate of suitable experience and expertise to participate on the SwapClear DMG.
- 9.3 The SwapClear DMG shall be made up of the following individuals who, unless stated otherwise, shall be appointed by the Clearing House which shall ensure that the composition is such as to provide effective review of the SwapClear DMP and suitable expertise and representation of market-making capacity in the event of a Default:
- 9.3.1 in the event of the issuance of a Default Notice, the chief executive or deputy chief executive of the Clearing House, who shall act as chairman;
 - 9.3.2 representatives of at least five SCMs, being senior executives with appropriate skills and expertise;
 - 9.3.3 at least one director (staff member of director grade) of the Clearing House's Risk Management department; and
 - 9.3.4 such other individuals as the SwapClear DMG considers appropriate from time to time in relation to individual meetings.

- 9.4 For the purpose of SwapClear DMG meetings convened to deal with a specific Defaulting SCM, the Clearing House may, after consultation with the SwapClear DMG, invite the Defaulting SCM to nominate one or more representatives to join the SwapClear DMG to assist it in carrying out its functions in the SwapClear DMP for that Defaulting SCM, and also request representatives from any other SCMs. In the event of receiving such request, the SCM shall be obliged to provide its nominated representative, or an alternate with appropriate skills, experience and expertise, as if the SCM were a member of the SwapClear DMG.
- 9.5 In establishing the SwapClear DMG, the Clearing House agrees that in the normal course of events (not including the Clearing House's declaration of a Default and the invocation of the processes as outlined in Rules 2, 3 and 4 of this Annex) it will, as far as practicable, and in accordance with the terms of reference of the SwapClear DMG, rotate the membership of the SwapClear DMG on a regular basis and amongst all SCMs. The SCM agrees that, when requested to do so by the Clearing House, it will make available a representative to participate in the SwapClear DMG. The Clearing House shall agree with the SCM the identity of such representative and shall be able to request a substitute where it believes the SCM's nominated representative does not have the requisite skills or expertise.
- 9.6 Each SCM who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representative agrees:
- 9.6.1 to ensure that such representative will be fully available, at any time and for such periods of time as the Clearing House may require during the course of a Default, to perform his function as a member of the SwapClear DMG including attending meetings, considering and advising the Clearing House upon aspects of the SwapClear DMP. The SCM shall ensure that a representative's other work commitments do not affect his availability for this purpose;
 - 9.6.2 to take all steps to respect the confidential capacity in which such a representative receives information through the SwapClear DMG and to establish adequate procedures to prevent the disclosure or use for any commercial purpose outside the scope of the SwapClear DMP of any such confidential information by the SCM or its representative. Such procedures shall normally include, without limitation, the establishment of Chinese walls within the SCM; and
 - 9.6.3 to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with the requirements contained in the Procedures or the FCM Procedures (as the case may be).
- 9.7 Each SCM shall accept that:
- 9.7.1 representatives of SCMs serving on the SwapClear DMG are doing so in order to assist the Clearing House in ensuring the on-going integrity of the SwapClear service in the interests of Non-Defaulting SCMs; and
 - 9.7.2 representatives of SCMs serving on the SwapClear DMG and their employers shall have no liability for any disinterested advice or actions, mandated or otherwise, that are undertaken as part of the SwapClear Default Management Process, provided, however, that nothing in this Rule 8.7.2 shall exclude the liability of such representatives and employers for any personal injury or death caused by their negligence or for any fraud or wilful default on the part of such representatives and employers.

- 9.8 The Clearing House agrees that, in exercising its rights and obligations in consulting with the SwapClear DMG pursuant to this Agreement, it will use all reasonable commercial endeavours to agree a common position with the SwapClear DMG, provided that nothing in this Rule shall prevent the Clearing House acting in a way which it reasonably determines necessary to manage its risk or otherwise meet its continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.

FOREXCLEAR DMP ANNEX

2. FOREXCLEAR DEFAULT MANAGEMENT PROCESS

The ForexClear Default Management Process in respect of ForexClear Clearing House Business shall involve the stages described in this Rule 2.

2.1 Portfolio Splitting

The Clearing House, in consultation with and the assistance of the ForexClear DMG, shall determine the composition of each Auction Portfolio and shall have the discretion to divide a Portfolio into two or more individual Auction Portfolios with the aim of facilitating the efficiency of, and reducing the risk associated with, the auction process provided for in Rule 2.3 of this Annex. The overriding principle is that the Clearing House will structure Auction Portfolios with the intention of ensuring a ForexClear DMP which best protects the resources of the Clearing House. Therefore, nothing in this Rule 2.1 shall be deemed to imply: (a) that the Clearing House is under any obligation to split a particular Portfolio of a Defaulting FXCCM (regardless of the number of ForexClear Contracts that such Portfolio contains); or (b) any particular requirements as to the composition of an individual Auction Portfolio, except that, subject to overriding risk procedures it is broadly anticipated that the parameters of any Auction Portfolio shall not be materially different to those set out in the Clearing House's fire drill.

2.2 Risk Neutralisation

The Clearing House will, in consultation with and with the assistance of the ForexClear DMG, reduce the market risk associated with a Defaulting FXCCM's

obligations to the Clearing House so far as is reasonably practicable by hedging the Clearing House's exposure in open ForexClear Contracts to which the Defaulting FXCCM is party. Hedging may be undertaken in a number of sessions, but should be undertaken as quickly as is compatible with efficient execution. All such hedging shall be undertaken by the Clearing House with FXCCMs, on the basis of separate agreements between the Clearing House and each such FXCCM. The aim of Risk Neutralisation is to reduce market exposure to within defined tolerance limits expressed as deltas or other measures of market risk and as established from time to time by the Clearing House in consultation with the ForexClear DMG or as may reasonably be determined by the Clearing House in consultation with the ForexClear DMG once a Default has been declared under the Default Rules. For the avoidance of doubt, Risk Neutralisation may happen prior to, concurrently with and/or subsequently to the splitting of a Portfolio pursuant to Rule 2.1 above.

2.3 Auction

- 2.3.1 Following the completion of Risk Neutralisation, the Clearing House shall calculate the AIP for each Auction Portfolio under Rule 2.4 and then shall auction each Auction Portfolio to Non-Defaulting FXCCMs. The Clearing House, in consultation with the ForexClear DMG, shall prescribe such procedures (in addition to those set out herein) for the conduct of the auction process as it considers reasonably appropriate from time to time.
- 2.3.2 The Clearing House shall notify each FXCCM of all details that may be reasonably required in relation to an Auction Portfolio prior to the relevant Auction.
- 2.3.3 The auction process may take place over a number of days and Auctions of different Auction Portfolios may take place at different times.
- 2.3.4 FXCCMs will submit bids to the Clearing House representatives on the ForexClear DMG, who will ensure that the identities of the bidders are not revealed to the FXCCM representatives on the ForexClear DMG. For the avoidance of doubt, an FXCCM shall be entitled to submit a bid on behalf of one or more affiliated FXCCMs. The ForexClear DMG will oversee the bidding process in a manner which it considers best protects the resources of the Clearing House and ensures an orderly process.
- 2.3.5 The Clearing House in consultation with the ForexClear DMG will have full discretion in deciding whether or not to accept a particular bid in an Auction and, in so deciding, will take into account the relevant factors that determine risk premiums, as well as the range of bids received relative to initial margin held and, subject to their availability, the Clearing House resources as set out in Rule 16 of the Clearing House's Default Fund Rules. In the event that more than one FXCCM submits a bid of the same value (each an "**Equal Bid**"), the Clearing House will, subject to its discretion to reject all such Equal Bids, select the bid which was received first in time.
- 2.3.6 In the case of an Auction in which no bid is accepted or received (as the case may be), one or more further Auctions will be held in relation to the relevant Auction Portfolio. As soon as practicable following an Auction:
- (a) in the event that a bid was accepted, the Clearing House will notify those Currency Pair Participants in the relevant Auction Currency Pair together with any other FXCCMs who participated in the Auction that

a bid was accepted and shall notify the FXCCM who submitted the accepted bid that its bid was accepted;

- (b) in the event that no bid was accepted, the Clearing House will notify all FXCCMs of the details of any further Auction.

2.3.7 The FXCCM agrees to use all reasonable efforts to make a bid in an Auction for an Auction Portfolio in respect of which such FXCCM is a Currency Pair Participant.

2.4 Auction Incentive Pools

2.4.1 Before commencing the auction process, the Clearing House will calculate an auction incentive pool (each an "AIP") for each individual Auction Portfolio for the purposes of providing an initial allocation of the resources potentially available to it to satisfy any loss incurred in the Auction of each such Auction Portfolio. Notwithstanding such initial allocation, any resources utilised by the Clearing House will be allocated in accordance with Rule 2.5 below.

2.4.2 For each AIP, the resources shall be allocated as follows:

(a) the resources of the Defaulting FXCCM (in the form of: (i) that part of the Margin Cover for the ForexClear Contracts of the Defaulting FXCCM pursuant to Rule 16(1) of the Default Fund Rules and (ii) the ForexClear Contribution made by the Defaulting FXCCM to the ForexClear Default Fund) available pursuant to Rule 16(2) of the Default Fund Rules at the time of the auction process will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios;

(b) the portion of the Capped Amount applied to the ForexClear Business of the Defaulting FXCCM pursuant to Rule 16(3) of the Default Fund Rules will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; and

(c) the Non-defaulters' Contribution of each FXCCM and the total value of the ForexClear Unfunded Contributions which would be callable but have not been called by the Clearing House from the relevant FXCCM in respect of the relevant Default in accordance with Rule F8 of the Default Fund Rules (the "**Potential Unfunded Contributions**") will, subject to Rule 2.4.3 below, be allocated between the AIPs relating to the Auction Portfolios in which the relevant FXCCM is a Currency Pair Participant based on the proportion that: (a) the risk of the ForexClear Contracts of such FXCCM denominated in the Currency Pair bears to (b) the aggregate of the amounts calculated in (a) in respect of each Currency Pair in which the relevant FXCCM is a Currency Pair Participant.

2.4.3 Where a Portfolio for a particular Currency Pair has been split into two or more Auction Portfolios, the Non-defaulters' Contributions and Potential Unfunded Contributions allocated to the AIP related to the relevant Portfolio will be further divided for the purposes of allocation into AIPs relating to the relevant Auction Portfolios based on the proportion that (a) the risk of the

ForexClear Contracts in each such Auction Portfolio bears to (b) the aggregate of the amounts calculated in (a) for each of the Auction Portfolios in the relevant Currency Pair.

2.5 Loss Attribution

- 2.5.1 Following the completion of all Auctions of all Auction Portfolios of the Defaulting FXCCM, the Clearing House will determine whether losses incurred by it as a result of such Auctions are such that the Non-defaulters' Contributions must be utilised. Where applicable, such losses will be allocated to Non-defaulters' Contributions in accordance with the loss attribution process described in Rules 2.5.2 to 2.5.8 below.
- 2.5.2 For each Auction Portfolio, losses to the Clearing House will be met using the resources as set out in Rule 16 of the Default Fund Rules. In applying those resources, the Clearing House will allocate the losses in respect of each Auction Portfolio (the "**Auction Losses**") by reference to the resources allocated to the AIPs related to such Auction Portfolios in accordance with Rule 2.4. Where there are no Auction Losses in respect of an Auction Portfolio or the Auction Losses in respect of an Auction Portfolio do not require the full amount of the resources referred to in sub-paragraphs (a) and (b) of Rule 2.4.2 allocated to the AIP related to the relevant Auction Portfolio (the "**Initial Resources**") to be fully utilised, the relevant surplus Initial Resources will be allocated *pro rata* between those AIPs relating to Auction Portfolios in respect of which there are Auction Losses requiring the utilisation of resources beyond the Initial Resources available in the relevant AIP in accordance with Rule 16(1), 16(2) and 16(3) of the Default Fund Rules until such time as all Initial Resources have been fully utilised.
- 2.5.3 In the case of each Auction for which there are Auction Losses in respect of which the Non-defaulters' Contributions must be utilised, those Non-defaulter's Contributions, not including, for these purposes, any part of such Non-defaulters' Contributions that reflect any ForexClear Unfunded Contribution deposited with the Clearing House pursuant to the Default in respect of which the relevant Auction was held (the "**Original Contributions**") and which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Original Contributions**") will be used first in the following order:
- (i) The Auction Losses will be attributed to the Relevant Original Contributions of those FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Original Contribution of an individual FXCCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Original Contribution of such FXCCM bears to (b) the total value of the Relevant Original Contributions of all FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction;
- (ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Original Contributions of the Short Bidders. For the purposes of this

sub-paragraph (ii) and sub-paragraph (ii) of Rule 2.5.6, the term "Short Bidder" means any FXCCM who is a Currency Pair Participant in the Auction Currency Pair and who submitted an unsuccessful bid in the relevant Auction save for any FXCCM who submitted a higher bid in an Auction than the bid accepted by the Clearing House in accordance with Rule 2.3.4 (each such FXCCM, a "Higher Bidder" and each such bid, a "Higher Bid").

Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid in USD bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid in USD;

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Original Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Original Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "Remaining Original Short Bidder") by (a) calculating the amount which is the bid of the relevant Remaining Original Short Bidder divided by the sum of the bids of all Remaining Original Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Original Contributions of all Short Bidders being fully attributed; and

(iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Original Contribution of the FXCCM who submitted the winning bid, together with, where applicable, the Relevant Original Contribution of any FXCCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Original Contribution of an individual FXCCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Original Contribution of such FXCCM bears to (b) the total value of the Relevant Original Contributions of (i) the FXCCM who submitted the winning bid; (ii) any FXCCMs who submitted an Equal Bid to such winning bid; and (iii) any FXCCMs who were Higher Bidders in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency Pair in which the Relevant Original Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Original Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

2.5.4 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.3 above, those Auction Losses will

be attributed to the Original Contributions of those FXCCMs who are Currency Pair Participants in any other Auction Currency Pair in relation to which Auction Losses have arisen to the extent that Non-defaulters' Contributions must be utilised (each a "**Losing Currency Pair**") and whose Original Contributions have not yet been fully utilised (each a "**Losing Currency Pair Original FXCCM**"). Such remaining Auction Losses will be attributed to any remaining Original Contribution of each such FXCCM pursuant to this Rule 2.5.4 based upon the proportion that: (a) the risk of all of the ForexClear Contracts of such FXCCM denominated in any of the Losing Currency Pairs bears to (b) the aggregate risk of the amounts calculated in (a) for all Losing Currency Pair Original FXCCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.4 until the first to occur of (a) the Auction Losses being fully met; and (b) the Original Contributions of all Losing Currency Pair Original FXCCMs being fully attributed.

2.5.5 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.4 above, those remaining Auction Losses will be allocated to the Original Contributions of each FXCCM who is not a Currency Pair Participant in any of the Losing Currency Pairs based upon the proportion that (a) the value of each such Original Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such FXCCMs.

2.5.6 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.5 above, the ForexClear Unfunded Contributions which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Unfunded Contributions**") will be used first in the following order:

(i) The Auction Losses will be attributed to the Relevant Unfunded Contributions of those FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Unfunded Contributions of an individual FXCCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such FXCCM bears to (b) the total value of the Relevant Unfunded Contributions of all FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction;

(ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Unfunded Contributions of the Short Bidders in the relevant Auction. Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid in USD bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid in USD;

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Unfunded Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Unfunded Contribution exceeds the value of the Auction

Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "Remaining Unfunded Short Bidder") by (a) calculating the amount which is the bid of the relevant Remaining Unfunded Short Bidder divided by the sum of the bids of all Remaining Unfunded Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Unfunded Contributions of all Short Bidders being fully attributed; and

(iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Unfunded Contribution of the FXCCM who submitted the winning bid, together with, where applicable, the Relevant Unfunded Contribution of any FXCCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Unfunded Contribution of an individual FXCCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such FXCCM bears to (b) the total value of the Relevant Unfunded Contributions of (i) the FXCCM who submitted the winning bid; (ii) any FXCCMs who submitted an Equal Bid to such winning bid; and (iii) any FXCCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency Pair in which the Relevant Unfunded Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Unfunded Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

2.5.7 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.6 above, those Auction Losses will be attributed to the ForexClear Unfunded Contributions of those FXCCMs who are Currency Pair Participants in any other Losing Currency Pair and whose ForexClear Unfunded Contributions have not yet been fully utilised (each a "Losing Currency Pair Unfunded FXCCM"). Such remaining Auction Losses will be attributed to any remaining ForexClear Unfunded Contributions of each such FXCCM pursuant to this Rule 2.5.7 based upon the proportion that: (a) the risk of all of the ForexClear Contracts of such FXCCM denominated in any of the Losing Currency Pairs bears to (b) the aggregate risk of the amounts calculated in (a) for all Losing Currency Pair Unfunded FXCCMs. The Clearing House will repeat the loss attribution process described in this Rule 3.5.7 until the first to occur of (a) the Auction Losses being fully met; and (b) the ForexClear Unfunded Contributions of all Losing Currency Pair Unfunded FXCCMs being fully attributed.

2.5.8 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.7 above, those remaining Auction Losses will be allocated to the ForexClear Unfunded Contributions of each FXCCM who is not a Currency Pair Participant in any of the Losing Currency Pairs based upon the proportion that (a) the value of each such ForexClear

Unfunded Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such FXCCMs.

- 2.6 For the purposes of Rules 2.4 and 2.5 above, all references to the risk associated with a ForexClear Contract shall be references to such risk as determined by the Clearing House in its sole discretion for the purpose of calculating initial margin in accordance with the Procedures.

3. TRANSFER OF CASH FLOWS / REGISTRATION OF POSITIONS

- 3.1 Following the disposal of an Auction Portfolio by way of Auction (and notwithstanding that other Auction Portfolios of the Defaulting FXCCM may not yet have been auctioned) the Clearing House, will, with the co-operation of the FXCCMs, transfer to the FXCCM whose bid won that Auction Portfolio the rights and obligations, from the Defaulting FXCCM, arising out of the positions which that FXCCM has successfully bid for under the ForexClear Default Management Process. Such transfer may take place by way of registration of new positions with the Clearing House in the name of the relevant FXCCM, or novation of rights and obligations to the relevant FXCCM. All such registrations shall be made in a way that recognises the variation margin paid or received in relation to the ForexClear Contracts of the Defaulting FXCCM representing such new positions.
- 3.2 In order to effect the transfer of positions, the Clearing House shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances. FXCCMs will be required to exercise best endeavours to comply with such requirements as may be established by the Clearing House, after consultation with the ForexClear DMG, to effect the transfer of positions, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by the Clearing House for initial margin and variation margin in respect of positions which are to be registered in their names. The Clearing House agrees that in such procedures it shall make provision for set-off by the Clearing House of amounts owed by the Clearing House to the FXCCM as a result of the operation of the ForexClear DMP against sums owed by the FXCCM to the Clearing House in respect thereof.
- 3.3 Where, as a result of an Auction, the Clearing House is required to make a payment to an FXCCM in respect of a winning bid, the Clearing House shall not be permitted to register any position, whether as a new position or as a novation of existing rights and obligations, to any such FXCCM if the Clearing House does not simultaneously credit that FXCCM with the requisite amount. If any position is so registered without such payment, such registration shall be deemed void *ab initio* and unenforceable against the relevant FXCCM. For the avoidance of doubt, the Clearing House will utilise the resources available to it pursuant to Rule 16 of the Default Fund Rules for the purposes of making such a payment notwithstanding that other Auction Portfolios of the Defaulting FXCCM may not yet have been auctioned and that the loss attribution process provided for by Rule 2.5 has not yet occurred.

4. INFORMATION REGARDING DEFAULT MANAGEMENT PROCESS

- 4.1 Whenever the ForexClear DMP is implemented by the Clearing House in respect of a Defaulting FXCCM, the Clearing House will, with the assistance of the ForexClear DMG, provide such ongoing information to FXCCMs as the Clearing House deems reasonably appropriate in respect of the progress of the ForexClear DMP.

4.2 Nothing in this Rule 4 shall require the Clearing House to disclose information in respect of the ForexClear DMP which, in the reasonable opinion of the Clearing House, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in the Clearing House's reasonable opinion, inappropriate for disclosure to FXCCMs.

5. MISCELLANEOUS

5.1 Subject to Rules 2.4 and 2.5 of this Annex, the resources available to the Clearing House and their order of use are defined in Rule 16 of the Default Fund Rules as modified and/or supplemented by the ForexClear Default Fund Supplement.

5.2 The Clearing House may from time to time supplement the details of any of the stages set out in Rule 2 of this Annex or any other aspects of the ForexClear DMP, in consultation with the ForexClear DMG, either by way of further Guidance or immediately on notice to FXCCMs on a case-by-case basis where the Clearing House deems it appropriate to do so in the circumstances of the Default, provided that the Clearing House may not take any such action that effects a material change to the terms of this Annex without the written consent of 50% of all ForexClear Clearing Members unless such change is invoked unilaterally against all FXCCMs and is necessary to manage the Clearing House's risk or otherwise to meet the Clearing House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization. The Clearing House agrees that, in the ordinary course, it shall discuss any such Guidance with the ForexClear DMG prior to bringing the Guidance into effect except that it shall not be required to do so where (i) the Guidance is not material to the rights and obligations of the FXCCMs or (ii) the Clearing House deems it inappropriate to do so in the circumstances of the Default and it is not possible to convene the ForexClear DMG in timely fashion.

5.3 The timetable for implementation of the stages of the ForexClear Default Management Process following issue of a Default Notice by the Clearing House shall be either (1) as prescribed by the Clearing House from time to time in consultation with the ForexClear DMG and set out in Guidance; or (2) imposed by the Clearing House without prior notice to the FXCCMs on a case-by-case basis where the Clearing House, in consultation with the ForexClear DMG, deems it appropriate to do so in the circumstances of the Default.

6. ROLE AND CONSTITUTION OF FOREXCLEAR DMG

6.1 The ForexClear DMG shall meet at regular intervals in order to:

- 6.1.1 keep under review the ForexClear DMP, together with any Guidance issued in respect thereof;
- 6.1.2 keep under review the terms of reference of the ForexClear DMG to ensure they remain appropriate;
- 6.1.3 consider appropriate supplements or amendments to the ForexClear DMP and/or Guidance in order to improve the procedures in place; and
- 6.1.4 consider any other business relevant to the ForexClear DMP which any member of the ForexClear DMG from time to time sees fit to raise at such meetings.

- 6.2 The members of the ForexClear DMG shall also meet within one hour, or as soon as reasonably practical, following notification by the Clearing House that a Default Notice has been served upon an FXCCM, and at sufficiently frequent intervals thereafter for so long as may be necessary to assist the Clearing House in the implementation of the ForexClear DMP as contemplated under this Agreement. Such implementation shall include, without limitation, the provision of general default management advice with regard to: (1) the ongoing obligations of the Clearing House to its non-defaulting members; (2) the neutralisation and closing-out of the individual obligations of the Defaulting FXCCM; and (3) the splitting of Portfolios and the disposal of Auction Portfolios in accordance with the ForexClear DMP. Where it is not possible or practicable for the FXCCM to provide its nominated representative within an appropriate timeframe, it shall provide an alternate of suitable experience and expertise to participate on the ForexClear DMG.
- 6.3 The ForexClear DMG shall be made up of the following individuals who, unless stated otherwise, shall be appointed by the Clearing House which shall ensure that the composition is such as to provide effective review of the ForexClear DMP and suitable expertise and representation of market-making capacity in the event of a Default:
- 6.3.1 in the event of the issuance of a Default Notice, the chief executive or deputy chief executive of the Clearing House, who shall act as chairman;
- 6.3.2 at least six representatives of at least four FXCCMs, being senior executives with appropriate skills and expertise;
- 6.3.3 at least one director (staff member of director grade) of the Clearing House's Risk Management department; and
- 6.3.4 such other individuals as the ForexClear DMG considers appropriate from time to time in relation to individual meetings.
- 6.4 For the purpose of ForexClear DMG meetings convened to deal with a specific Defaulting FXCCM, the Clearing House may, after consultation with the ForexClear DMG, invite the Defaulting FXCCM to nominate one or more representatives to join the ForexClear DMG to assist it in carrying out its functions in the ForexClear Default Management Process for that Defaulting FXCCM, and also request representatives from any other FXCCMs. In the event of receiving such request, the FXCCM shall be obliged to provide its nominated representative, or an alternate with appropriate skills, experience and expertise, as if the FXCCM were a member of the ForexClear DMG.
- 6.5 In establishing the ForexClear DMG, the Clearing House agrees that in the normal course of events (not including the Clearing House's declaration of a Default and the invocation of the processes as outlined in Rules 2, 3 and 4 of this Annex) it will, as far as practicable, and in accordance with the terms of reference of the ForexClear DMG, rotate the membership of the ForexClear DMG on a regular basis and amongst all FXCCMs. The FXCCM agrees that, when requested to do so by the Clearing House, it will make available a representative to participate in the ForexClear DMG. The Clearing House shall agree with the FXCCM the identity of such representative and shall be able to request a substitute where it believes the FXCCM's nominated representative does not have the requisite skills or expertise.

6.6 Each FXCCM who makes available a representative to serve on the ForexClear DMG agrees, and shall procure that, to the extent applicable, its representative agrees:

6.6.1 to ensure that such representative will be fully available, at any time and for such periods of time as the Clearing House may require during the course of a Default, to perform his function as a member of the ForexClear DMG including attending meetings, considering and advising the Clearing House upon aspects of the ForexClear DMP. The FXCCM shall ensure that a representative's other work commitments do not affect his availability for this purpose;

6.6.2 to take all steps to respect the confidential capacity in which such a representative receives information through the ForexClear DMG and to establish adequate procedures to prevent the disclosure or use for any commercial purpose outside the scope of the ForexClear DMP of any such confidential information by the FXCCM or its representative. Such procedures shall normally include, without limitation, the establishment of Chinese walls within the FXCCM; and

6.6.3 to be bound by and to ensure that it and any of its executives or directors serving on the ForexClear DMG complies with the requirements contained in the Procedures.

6.7 Each FXCCM shall accept that:

6.7.1 representatives of FXCCMs serving on the ForexClear DMG are doing so in order to assist the Clearing House in ensuring the on-going integrity of the ForexClear Service in the interests of Non-Defaulting FXCCMs; and

6.7.2 representatives of FXCCMs serving on the ForexClear DMG and their employers shall have no liability for any disinterested advice or actions, mandated or otherwise, that are undertaken as part of the ForexClear Default Management Process, provided, however, that nothing in this Rule 6.7.2 shall exclude the liability of such representatives and employers for any personal injury or death caused by their negligence or for any fraud or wilful default on the part of such representatives and employers.

6.8 The Clearing House agrees that, in exercising its rights and obligations in consulting with the ForexClear DMG pursuant to this Agreement, it will use all reasonable commercial endeavours to agree a common position with the ForexClear DMG, provided that nothing in this Rule shall prevent the Clearing House acting in a way which it reasonably determines necessary to manage its risk or otherwise meet its continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.

NCMs (NON-CLEARING MEMBERS)****1.1 APPLICATION PROCEDURE**

An application for Clearing Member status of the Clearing House, or for Dealer status (whether as a ForexClear Dealer, RepoClear Dealer or SwapClear Dealer, each a “Dealer”) or for other Non-Clearing Member status (EquityClear or Turquoise Derivatives), must be made on the appropriate form which can be obtained from the Clearing House’s Membership Department. Additional information (including legal documents) must be supplied where necessary and submitted to the Clearing House with the completed form.

An application for the status of special clearing member (“Special Clearing Member”) must be initiated by a written request to the Clearing House. The nature of the application procedure and the documents and information required from the applicant will be determined by the Clearing House by reference to the nature of the application and will be notified by the Clearing House to the applicant upon receipt of such written request.

Applicants approved by the Clearing House for Clearing Member or Dealer status, (“Approved Applicants”) must, within three months of notification of their approval, fulfil all conditions attached to their approval. If an Approved Applicant does not fulfil all such conditions within these three months, the Clearing House may, at its sole discretion, consider the grant of approval to have lapsed and may notify the prospective Clearing Member or Dealer accordingly that they will be required to provide further information, following which the application will be submitted for re-approval..

Clearing Members have the right to apply for approval to clear one or more of the markets cleared by the Clearing House, subject to meeting the requirements of the Clearing House in respect of each such market. Please note that Clearing Member status does not provide membership of the company LCH.Clearnet Limited or any right to a shareholding therein, nor does it provide the right to any shareholding in LCH.Clearnet Group Limited or any entitlement or right to participate in any way in LCH.Clearnet SA or the clearing services it offers. LCH.Clearnet SA has its own arrangements and admission criteria for Clearing Member status – see the LCH.Clearnet SA sections of the LCH.Clearnet website for further details.

Applicants approved as Dealers for ForexClear, RepoClear and/or SwapClear will be admitted to the Register of ForexClear Dealers, Register of RepoClear Dealers, and/or the Register of SwapClear Dealers (“the OTC Registers”), as appropriate. Successful admission to one OTC Register does not confer automatic admission to any other OTC Register.

1.1.1 Clearing Member Status

The terms and conditions binding on each Clearing Member are set out in the Clearing Membership Agreement as amended. Two copies of this document will be provided to the applicant who must sign both (but not date them) and return them to the Clearing House’s Membership Department along with the application documentation.

The applicant must pay the stipulated application fee to the Clearing House. This fee must accompany the application for Clearing Member status and is non refundable.

If and when Clearing Member status is granted, new Clearing Members will receive a duly executed (and dated) copy of the Clearing Membership Agreement together with the notification of acceptance and details of any condition(s) attached to Clearing Member status. If granted, Clearing Member status is subject to a Contribution to the Default Fund of the Clearing House (DF), as determined by the Clearing House under the Default Fund Rules.

1.1.2 Dealer Status

The terms and conditions of admission to each of the OTC Registers are set out in the ForexClear Dealer Clearing Agreement, the RepoClear Dealer Clearing Agreement and the SwapClear Dealer Clearing Agreement ("the OTC Agreements") as amended. Admission to each OTC Register requires that three copies of the corresponding OTC Agreement must be signed by the applicant and their proposed Clearing Member.

The copies of the relevant OTC Agreement should be returned, undated, to the Clearing House's Membership Department along with the application documentation.

If and when admission to an OTC Register is granted, new Dealers will receive a duly executed and dated copy of the relevant OTC Agreement, together with the notification of acceptance and details of any condition(s) attached to their admission. The Clearing House will send, under separate cover, a copy of the duly executed and dated OTC Agreement to the elected Clearing Member.

1.1.3 Conditions of Application

An applicant for Clearing Member or Dealer status must accept that the Clearing House:

- (a) is entitled to make enquiries of any nature about the applicant and any person connected or associated with the applicant;
- (b) is entitled to ask the applicant to supply additional information and take whatever steps are necessary to verify information;
- (c) is entitled to provide and/or disclose information to an exchange, governmental department, regulatory organisation, other authority, or to the Clearing House's insurers in connection with any form of insurance, or to any person pursuant to the provisions of the Financial Services and Markets Act 2000 as amended and any rules made thereunder, or in accordance with any other statutory requirement, and in accordance with the terms of the Clearing Membership Agreement, the ForexClear Dealer Clearing Agreement, the RepoClear Dealer Clearing Agreement, or the SwapClear Dealer Clearing Agreement as applicable;
- (d) may disclose to any other party the name, address, registered number and details of any exchange or clearing memberships held or applied for; and
- (e) will endeavour to process, consider and decide upon an application in a timely fashion, but owes no duty or obligation to the applicant to do so,

An applicant must satisfy the criteria set out below in order to be considered for Clearing Member status. These requirements are without prejudice to the provisions of the Clearing Membership Agreement which must be executed by the applicant, and must equally be met by Clearing Members.

The Clearing House may, in its sole discretion, refuse an application for membership where it considers it appropriate to do so in accordance with its internal risk management policies and procedures as amended from time to time.

The applicant must either be, or have applied to become, a RepoClear Clearing Member (categories F & G), a SwapClear Clearing Member (category H), an EquityClear Clearing Member (categories I & J), a Clearing Member of the relevant exchange(s) (categories B – D), an LCH EnClear OTC Clearing Member (category B), a Special Clearing Member (category K) or a ForexClear Clearing Member (category M). A Clearing Member of one or more markets who wishes to clear the contracts of another market cleared by the Clearing House, must apply to the Clearing House for such extension and have the Clearing House's express written approval before commencing to submit trades in such other market for registration. The prescribed form of document for the relevant new market is available from the Clearing House Membership Department. Clearing Members should be aware that they also need the appropriate additional exchange clearing membership before they can extend their range of activities in this way. The Clearing Member must, within three months of notification of their approval to extend their activities, fulfil all conditions attached to their approval. If the Clearing Member does not, within these three months, fulfil all such conditions, the Clearing House may, at its sole discretion, consider the grant of approval to have lapsed and may notify the Clearing Member accordingly that they will be required to provide further information, following which the extension will be submitted for re-approval..

The applicant must satisfy the minimum Net Capital requirements, as set out in section 1.9.3 ("Net Capital Requirements") or such greater amounts as may be required by the Clearing House.

The applicant must open a Protected Payments System (PPS) bank account at one or more of the bank branches participating in the PPS system:-

Applicants ~~for clearing membership status and clearing members and Clearing Members~~ must at all times respond promptly to enquiries or requests for information made by the Clearing House. Such enquiries may require ~~clearing members~~ Clearing Members to demonstrate compliance with the applicable membership criteria and/or applicable law or regulation.

Each ~~clearing member~~ Clearing Member shall at all times continue to comply with the qualifications and requirements set forth in these Procedures and shall promptly notify the Clearing House if it has breached or reasonably expects to breach any such qualifications or requirements.

Each Clearing Member shall maintain current written risk management policies and procedures which address the risks that the relevant Clearing Member may pose to the Clearing House, including any policies and procedures that the Clearing House may reasonably request be incorporated therein. Upon the request of the Clearing House, a Clearing Member shall promptly provide the Clearing House with a copy of its current policies and procedures for review by the Clearing House.

In addition to the minimum Net Capital Requirements set out in section 1.9.3, applicants must satisfy the following criteria:

- (a) have an average long-term rating, or equivalent, of at least BBB (or equivalent) from Fitch Ratings, Moody's Investors Service or Standard & Poor's. If requested by an applicant, and where special circumstances exist, the Clearing House may take into consideration the rating of an agency other than those agencies described above in addition to the long-term ratings obtained from at least two of the agencies mentioned above. The initial margin multiplier shall be as follows:

- 110% for a Clearing Member downgraded to BBB-
- 200% for a Clearing Member downgraded to BB+

In the event that a Clearing Member is downgraded below BB+ in that scale, the Clearing Member will be required to leave the RepoClear service and its authorisation to participate in that service will be withdrawn. In the event that this process is invoked, details of the process will be provided by the Risk Management Department of the Clearing House.

Rating Downgrades

~~The Clearing House will, in the event of a ForexClear Clearing Member or its guarantor being downgraded to an average rating of below A in the relevant credit rating scale utilised by the Clearing House, apply a multiplier to that Clearing Member's initial margin requirement as calculated by the Clearing House. The initial margin multiplier shall be as follows:~~

- ~~• 110% for a Clearing Member downgraded to A- ;~~
- ~~• 200% for a Clearing Member downgraded to BBB+ ; and~~
- ~~• 250% for a Clearing Member downgraded to BBB.~~

~~In the event that a Clearing Member is downgraded below BBB in that scale, the margin multiplier of 250% will continue to be applied, and the Clearing Member will be required to leave the service through the ForexClear Resignation Process and its authorisation to participate in that service will be withdrawn. In the event that this process is invoked, details of the process will be provided by Risk Management Department of the Clearing House.~~

1.2.5 1.2.6 Supplementary Criteria Applicable to Special Clearing Member Applicants

The Clearing House may agree with an applicant for Special Clearing Member status, in addition to or in place of requirements set out in these Procedures, such further terms as it deems appropriate in the circumstances of the applicant and its business and these shall be reflected in the Clearing Membership Agreement.

1.3 DEALER STATUS CRITERIA

An applicant must satisfy the criteria set out below in order to be considered for admission to the OTC Registers. These requirements are without prejudice to the provisions of the ForexClear Dealer Clearing Agreement, the RepoClear Dealer Clearing Agreement and/or the SwapClear Dealer Clearing Agreement, and must equally be met by Dealers.

The applicant and any controller of the applicant, and those of its staff who exercise an executive or managerial role, must have a high standard of integrity and a level of knowledge, acceptable to the Clearing House, of the nature, risks and obligations of trading foreign exchange transactions, over-the-counter repos and swaps cleared by the Clearing House.

The applicant must be a member of an Approved Trade Matching System (as approved by the Clearing House from time to time).

- (a) For RepoClear, see Section 2B of the Procedures (RepoClear).
- (b) For SwapClear, see Section 2C of the Procedures (SwapClear).
- (c) For ForexClear, see Section 2K of the Procedures (ForexClear).

If the applicant is a bank it must, at all times, be appropriately authorised by the banking supervisors of its home country and additionally meet any notification or authorisation requirements set by banking supervisors in the United Kingdom.

The applicant must maintain a back office:

- (a) remote from both the exchange floor and/or trading desks;
- (b) with adequate systems (including but not limited to computer and communications systems) and records;
- (c) with an adequate number of administrative staff fully conversant with procedures for the management of business transacted in the markets and contracts cleared by the Clearing House in which the applicant participates; and
- (d) with such technology and connectivity as may be stipulated by the Clearing House.

The applicant must have executed and must maintain a ForexClear Dealer Clearing Agreement, a RepoClear Dealer Clearing Agreement and/or a SwapClear Dealer Clearing Agreement in the current standard form.

The applicant may specify any number of branches, with agreement from its corresponding Clearing Member, from which it proposes to submit eligible ForexClear, RepoClear and/or SwapClear Transactions. It is a requirement that only branches of the same legal entity as the Dealer may be specified. A company which is a different legal entity and which wishes to submit eligible ForexClear, RepoClear and/or SwapClear Transactions for clearing must apply separately for admission to the relevant OTC Register. ForexClear Dealers, RepoClear Dealers and SwapClear Dealers are entitled to remain on the relevant OTC Register for so long as a valid agreement remains in effect. In the event that the relevant agreement for any

ForexClear Dealer, RepoClear Dealer or SwapClear Dealer is terminated, then that Dealer will be removed from the relevant OTC Register.

The applicant must at all times respond promptly to enquiries or requests for information made by the Clearing House.

1.3.2 ForexClear Dealer Status

The applicant must have a clearing arrangement for ForexClear transactions in place with an existing ForexClear Clearing Member within their corporate group.

1.3.3 RepoClear Dealer Status

The applicant must:

- (a) have minimum Net Capital (as defined in paragraph 1.10) of €100mn; and
- (b) be authorised and supervised as either a credit institution or an investment firm by the competent authorities of a member state of the European Union; or
- (c) be authorised and supervised as the equivalent of a credit institution or an investment firm by the competent authorities of a country outside the European Union and be subject to prudential rules considered to be as stringent as those applicable to credit institutions and investment firms.

1.3.4 SwapClear Dealer Status

The applicant must have a clearing arrangement for SwapClear transactions in place with an existing SwapClear Clearing Member within their corporate group.

1.4 EQUITYCLEAR NON-CLEARING MEMBER STATUS

A person who does not have Clearing Member status of the Clearing House may nevertheless participate indirectly in the EquityClear Service as an EquityClear Non-Clearing Member (“NCM”), subject to compliance with all the Clearing House requirements in this regard.

In order to participate in the manner described that person (“the Applicant NCM”) must enter into the “EquityClear NCM-GCM Agreement” with a Clearing Member which is authorised by the Clearing House to clear the relevant market. This agreement must be in the form prescribed by the Clearing House. It must then be submitted to the Clearing House, together with the relevant EquityClear Static Data Form duly completed in the form prescribed by the Clearing House for that ATP. If the Clearing House agrees to admit the Applicant NCM to become an EquityClear NCM, as the case may be, it will indicate its consent by signing the agreement and adding the Applicant NCM to the section relating to that ATP in the Register of EquityClear NCMs.

An NCM is entitled to remain on the Register of NCMs for so long as a valid EquityClear NCM-GCM Agreement remains in effect. In the event that the relevant Agreement for any NCM is terminated, then that NCM will be removed from the Register of NCMs.

The rights and obligations of an NCM are set out in the EquityClear NCM-GCM Agreement.

The Clearing House may suspend the EquityClear Open Offer in respect of any ATP, and may, at the request of its GCM, suspend an NCM. Clearing Members and NCMs are referred to Section 2D of the Procedures (EquityClear) in this regard.

It should be noted that NCMs do not have Clearing Member status.

1.5 TURQUOISE DERIVATIVES NON-CLEARING MEMBER STATUS

A person who does not have Clearing Member status may nevertheless participate indirectly in the Clearing House Turquoise Derivatives Service as a Turquoise Derivatives Non-Clearing Member (“NCM”), subject to compliance with all the Clearing House requirements.

In order to participate in the manner described, that person (“the Applicant NCM”) must enter into a Turquoise Derivatives NCM-GCM Agreement with a Clearing Member which is authorised by the Clearing House to clear eligible trades as a “GCM”. If the Clearing House agrees to admit the Applicant NCM, it will indicate its consent by signing the agreement and adding the Applicant NCM to the Register of NCMs.

An NCM is entitled to remain on the Register of NCMs for so long as a valid Turquoise Derivatives NCM-GCM Agreement remains in effect. In the event that the Agreement for any NCM is terminated, then that NCM will be removed from the Register of NCMs.

The rights and obligations of an NCM are set out in the Turquoise Derivatives NCM-GCM Agreement.

It should be noted that NCMs do not have Clearing Member status.

1.6 PARTICIPATION IN CROSS-MARGINING AGREEMENTS

Participation is limited to current Clearing Members who meet eligibility criteria specified in Cross-Margining Agreements. Clearing Members should contact the Clearing House’s Membership Department to clarify the specific criteria.

1.7 EXTENSION OF CLEARING ACTIVITIES

1.7.1 Extension to Exchange clearing

A Clearing Member must hold the appropriate category of Clearing Member status for the exchange(s) it wishes to clear.

A Clearing Member is approved to clear only the exchange(s) stipulated in its application. Subject to the Clearing Houses consent, this approval may be extended to include clearing on another exchange(s). Such approval must be given in writing by the Clearing House in the form prescribed from time to time. In determining such extension the Clearing House will have regard to, inter alia:

- (a) The Clearing Member having the appropriate category of exchange Clearing Member status applicable to the extension of its activities;
- (b) The Clearing Member demonstrably having sufficient staff resources and expertise in the new market that it wishes to clear; and
- (c) The Clearing Member having sufficient Net Capital to meet the additional requirement as set out in section 1.9.3.

1.7.2 Extension to LCH EnClear OTC Services/EquityClear/ RepoClear/ SwapClear/ ForexClear Clearing

In addition to the requirements noted above, a Clearing Member wishing to commence clearing on each of the LCH EnClear OTC services (Freight , OTC Emissions and/or Precious Metals divisions), the EquityClear markets and/or clearing or dealing on ForexClear, RepoClear and/or SwapClear, must complete additional documentation and be approved by the Clearing House. Clearing Members who wish to either clear directly or to submit for clearing EquityClear ATP Matches, RepoClear Transactions and/or Bond/Repo Trades, ForexClear Transactions and/or SwapClear Transactions originating from an NCM or Dealer for clearing, should contact the Clearing House's Membership Department.

Dealers or NCMs who wish to clear their own transactions must apply for Clearing Member status. Potential applicants should contact the Clearing House's Membership Department.

1.7.3 Extension for SwapClear Clearing Members to clear for clients

Subject to obtaining approval from the Clearing House's Membership Department a SwapClear Clearing Member ("SCM") may offer certain SwapClear clearing services to its clients (SwapClear Clearing Clients). SCMs should contact the Clearing House's Membership Department for further details of the SwapClear Client Clearing service.

1.7.4 Special Clearing Members

A Special Clearing Member is only approved to clear the types of contract on the Clearing House service(s) and/or on the market(s) stipulated in its Clearing Membership Agreement, subject to the terms of that Agreement.

1.8 TERMINATION OF CLEARING MEMBER STATUS

- 1.8.1 In the event that a Clearing Member wishes to terminate its Clearing Member status, it may do so by giving notice of not less than three months ahead of its termination date. By the close of business on the termination date, the Clearing Member shall ensure that all Registered Contracts in its name have been closed-out or transferred so as to ensure that there are no open Registered Contracts to which they are party to at the termination date. A resigning Clearing Member should note that any and all exchange NCMs or Dealers will be required to find alternative clearing arrangements by this date or will be unable to trade on the relevant exchange or cleared market. Clearing Members will need to give the Clearing House notice of termination in respect of all such NCM/Dealer agreements in accordance with the terms of those agreements and the relevant section of the Rulebook. For further information on the resignation process, Clearing Members should contact the Membership Department.
- 1.8.2 If a Clearing Member has not been active on any exchange or market for a continuous period of three months, they will be asked to confirm that they intend to utilise their Clearing Member status and failing a satisfactory response, they will be asked to resign their Clearing Member status.

1.9.4 Cross-Market Net Capital Requirement for categories B-D, I-J and L

Subject to the absolute minimum requirement of £5mn sterling, Clearing Members who clear more than one exchange (categories B – D) or have LCH EnClear OTC Services Clearing Member status and/or EquityClear Clearing Member Status (categories I – J), are required to meet a minimum Net Capital Requirement which is the sum of their specific requirements. For example, a Clearing Member acting as a General Clearing Member on NYSE Liffe (Category C - £2mn sterling) and as an EquityClear Individual Clearing Member (category I - £5mn sterling) has a minimum requirement of £7mn sterling. A Clearing Member acting as a General Clearing Member on NYSE Liffe only (Category C - £2mn sterling) has a minimum requirement of £5mn sterling.

Clearing Members for ForexClear, RepoClear and/or SwapClear (including those who clear on other exchanges or markets through the Clearing House) are required to meet the applicable Category F, G, H or M minimum Net Capital Requirement only.

1.9.5 Capital Requirements for Category K

The minimum capital requirements for a Special Clearing Member will be established at the discretion of the Clearing House with reference to (i) the requirements set out in section 1.9.3 which would be applicable to a Clearing Member carrying on comparable business in the same service(s) and/or market(s) of the Clearing House as that which is to be carried on by the Special Clearing Member pursuant to its Clearing Membership Agreement and (ii) any other factors which the Clearing House deems to be relevant in establishing such requirements for a Special Clearing Member.

1.9.6 Additional Net Capital Requirements

Additional resources will be required when, in the Clearing House's assessment, ~~an SCM~~a Clearing Member's Net Capital is not commensurate with its level of business.

The Clearing House shall, on a daily basis, compare the market risk associated with each ~~SCM SwapClear Contracts~~Clearing Member's level of business with their level of net capital as reported to the Clearing House in order to ascertain whether, in the Clearing House's opinion, such ~~SCM~~Clearing Member is sufficiently capitalised to support the level of risk associated with the ~~SwapClear~~ Contracts to which they are

counterparty. In determining whether ~~an SCM a Clearing Member~~ is sufficiently capitalised, the Clearing House may also consider:

- (a) the ~~SCM internal credit score as determined pursuant to 1.14 below;~~
- (b) ~~the SCM Clearing Member's aggregate exposure to other clearing providers and other entities; and~~
- (b) ~~(e)~~ the total amount of cover deposited with, transferred to or otherwise delivered to the Clearing House by the ~~SCM Clearing Member~~.

In the event that the Clearing House considers that the ~~SCM Clearing Member~~ is not sufficiently capitalised to support the level of risk associated with its open ~~SwapClear Contracts, the Clearing House may perform one or more of the following:~~

- (a) ~~require that the relevant SCM furnish the Clearing House with Contracts, action may be taken, which could include, but is not limited to, a request for additional cover; or~~
- (b) ~~prevent or limit the extent to which an SCM may register additional SwapClear Contracts; or~~
- (c) ~~require that the SCM provide the Clearing House with additional information relating to its exposure to other clearing providers or other entities.~~

1.10 CALCULATION OF NET CAPITAL

Net Capital ("Net Capital") is broadly defined as:

Permanent Capital plus Additional Capital less Intangible Fixed Assets (including goodwill, development costs, etc ("Intangible Fixed Assets")).

Clearing Members must comply with the Net Capital minimum requirements at all times (see section 1.9.3).

The Clearing House may vary the definitions below to include forms of capital or to exclude assets, other than those stated. An applicant wishing to determine the acceptability of specific forms of capital or the treatment of particular categories of assets should contact the Clearing House's Membership Department.

1.10.1 Definition of Permanent Capital ("Permanent Capital")

The definition of Permanent Capital includes:

- issued and fully-paid ordinary share capital;
- issued and fully-paid preference share capital; and
- share premium account and reserves not available for distribution.

Accumulated profit and loss and reserves available for distribution will not be taken into account when calculating permanent capital. A deficit in reserves will, however, be deducted from permanent capital.

1.10.2 Definition of Additional Capital ("Additional Capital")

The definition of Additional Capital includes:

- other equity reserves (distributable or otherwise);
- profit and loss reserve;
- redeemable shares; and
- subordinated loans.

Where loans, subordinated or otherwise, are allowed in a Clearing Member's Net Capital calculation, the Clearing House may require Clearing Members to provide the Clearing House with details of the terms and conditions of the loan(s) (see section 1.10.3). The Clearing House may, at its discretion, recognise other long-term loans in the calculation of additional capital.

1.10.3 Acceptability of Subordinated Loans

The Clearing House will, in the Net Capital Requirement, allow subordinated loans from a parent company/ies as an acceptable form of capital. Where a Clearing Member is reliant upon subordinated loans to meet its minimum requirement, the Clearing House will require assurances that the loan(s) will not be repaid without the prior consent of the Clearing House.

Clearing Members who wish to re-structure their Net Capital in a way that subordinated loans become key to their meeting the minimum Net Capital Requirement, should contact the Clearing House's Membership Department. Clearing Members will be required to enter into an agreement with the Clearing House in the standard form prescribed by the Clearing House for these purposes.

1.10.4 Recognition of Irrevocable Letters of Credit

In cases where the Net Capital Requirement is significantly greater than a Clearing Member's regulatory capital requirement, the Clearing House may, at its discretion, but in any case up to a maximum of 50% of the minimum capital requirement, recognise funds committed to the Clearing House under an Irrevocable Letter of Credit from a third party bank in determining whether the minimum requirement is met.

Clearing Members falling into this category and interested in meeting the requirements in this way will be required to enter into a standard form agreement with the Clearing House. That agreement is available from the Clearing House's Membership Department.

1.11 REPORTING

Clearing Members must provide the ~~financial information detailed below in order to demonstrate that they continue to comply with the Clearing House's Net Capital Requirements at all times.~~

1.11.1 All Members

- (a) All Clearing Members must, within six months from the date on which their annual accounts are made up, provide the Clearing House with an

English-language copy of their profit and loss account and balance sheet, together with a statement that their auditors have reviewed and approved them, drawn up either in accordance with Companies Act requirements or otherwise in accordance with the requirements of the Clearing House. In addition, the Clearing House may at its discretion require the provision of financial accounts for the ultimate or immediate parent of the Clearing Member.

- (b) All Clearing Members must provide the Clearing House in a prompt and timely manner with:
- (i) any information concerning any financial or business development that the Clearing Member reasonably considers may materially affect the Clearing Member's ability to comply with the applicable membership criteria or applicable laws or regulations;
 - (ii) information and documents regarding the Clearing Member's risk management policies and practices as requested by the Clearing House. Such information shall include, without limitation, information and documents relating to the liquidity of that Clearing Member's financial resources and settlement procedures;
 - (iii) any other financial information that the Clearing House determines is necessary to assess whether membership criteria are being met on an ongoing basis; and
 - (iv) notice if the Clearing Member becomes the subject of a bankruptcy petition, receivership proceeding, or the equivalent, or any other event to which it is required to notify the Clearing House under the Clearing Membership Agreement or the Rulebook.

In addition, and upon request from the Clearing House, each Clearing Member shall promptly provide the information detailed in (ii) above directly to the any of the Clearing House's regulators (including the CFTC and the Financial Services Authority).

1.11.2 Regulated Clearing Members

Regulated Clearing Members must provide the Clearing House with copies of all **financial** returns made to their regulator. The Clearing House will, in respect of firms regulated by the Financial Services Authority ("FSA"), take returns direct from the FSA. This arrangement is for administrative convenience and the Clearing House reserves the right to require that financial returns are submitted direct by the Clearing Member to the Clearing House. Clearing Members regulated by the CFTC must provide the Clearing House with copies of all reports that are required to be filed with the CFTC pursuant to parts 17 and 20 of the CFTC Regulations.

1.11.3 Non-Regulated Clearing Members

Non-regulated Clearing Members must provide the Clearing House with a quarterly balance sheet and profit and loss statement within 30 days of their quarter-end date. This must be signed by two directors, a director and the company secretary, or two Authorised Signatories. Where the Clearing Member is a partnership the balance sheet and profit and loss statement must be signed by two partners of the firm. Please provide evidence of signing authority together with specimen signatures.

1.11.4 Category K

Must provide the Clearing House with such financial information as is stipulated in their Clearing Membership Agreement.

1.11.5 Reduction in Net Capital

All Clearing Members must immediately notify the Clearing House of any significant reduction (usually 10% or more), from the figures shown in their last financial returns, in:

- (a) shareholders' funds;
- (b) Net Capital.

1.12 ADDITIONAL REQUIREMENTS

1.12.1 Notification of Changes of Ownership

Clearing Members (other than Special Clearing Members, who shall be subject to such specific terms as set out in their Clearing Membership Agreement) are required, under the terms of their Clearing Membership Agreement, to notify or pre-notify the Clearing House of changes in controlling holdings (defined as the exercise or control of 20% or more of the voting power of the firm). The Clearing House recognises that, in the case of Clearing Members which are part of large financial groups, changes in controllers may occur with relative frequency, may only be known after the event and are unlikely to be significant to the Clearing House. However in cases of changes in ownership, and particularly where those potentially acquiring a dominant stake in a Clearing Member are not known to the Clearing House, Clearing Members are required to pre-notify the Clearing House of their plans. The proposed change of ownership may be subject to an approval process involving the Risk Committee and Board of the Clearing House (LCH.Clearnet Limited).

1.13 OTHER CONDITIONS

The Clearing House may, at any time, impose additional conditions relative to continued Clearing Member status, and at any time vary or withdraw any such conditions. These conditions may include, but are not limited to, a requirement to deposit additional security in cash or collateral as determined by the Clearing House.

1.14 Credit Ratings

~~1.14.1 The Clearing House shall, on a daily basis, monitor each SCM's internal member credit score based upon both quantitative and qualitative data and pre-determined tolerance levels.~~

~~In the event that the Clearing House considers that the SCM's internal credit member score is insufficient to support the level of risk associated with it, the Clearing House may perform one or more of the following:~~

- ~~(a) require that the relevant SCM furnish the Clearing House with additional cover; or~~
- ~~(b) prevent or limit the extent to which an SCM may register additional SwapClear Contracts.~~

USERS OF FOREXCLEAR

The ForexClear Service is an interface that processes and stores all ForexClear Transactions. Those authorised by the Clearing House to submit trades (as defined below) for clearing in the ForexClear Service fall into two categories – ForexClear Clearing Members (“**FXCCMs**”) and ForexClear Dealers (“**FXDs**”). FXCCMs are clearing members who have applied and have been accepted by the Clearing House to clear in the ForexClear Service. FXDs are not FXCCMs, but have met the criteria for registration as a ForexClear Dealer and have entered into a ForexClear Dealer Clearing Agreement with an FXCCM and the Clearing House. FXCCMs and FXDs are collectively known as ForexClear Participants (“**FXPs**”). For membership procedures, please see Section 1 of the Procedures.

For identification purposes each FXCCM is assigned a unique three-character mnemonic.

2K.1.1

Termination of FXCCM Status

Clearing Members should contact the Clearing House Membership Department (+44 (0)207 426 7891/7627/7063; membership@lchclearnet.com) for details of how to resign from the ForexClear Service.

- (b) The FXCCM’s single financial account is used to record cash balances, liabilities, and securities/documentary credits.
- (c) The FXCCM’s house position-keeping account, as described in Regulation 5 and Regulation 103(f), is for house business.
- (d) Sub-accounts within the FXCCM’s house position-keeping account may be set up (e.g. for branches or FXDs). Each such sub-account will carry the unique Bank Identifier Code (“**BIC**”) of the relevant branch/ FXD (please see Section 2.3.2 below).
- (e) Sub-accounts within the FXCCM’s house position-keeping account will be associated with the single financial account of the FXCCM and information contained across the house position-keeping sub-accounts is consolidated into the single financial account of each FXCCM.

2K.2.3.2 FXDs and Branches

- (a) Where an FXCCM enters into a ForexClear Dealer Clearing Agreement with an FXD, submission of a static data form to LCH will allow it to be provided with one or more sub-accounts for that FXD (for

position-keeping purposes) within that FXCCM's house position-keeping account. The ForexClear Dealer Clearing Agreement enables an FXD to nominate the "Designated Offices" (i.e. BICs) through which it may submit ForexClear Transactions.

- (b) Submission of a static data form to LCH's membership department by an FXCCM will also allow an FXCCM to be provided with one or more sub-accounts for any branch of that FXCCM (for position-keeping purposes) within that FXCCM's house position-keeping account.
- (c) Because the single financial account reflects the consolidated balances and liabilities of the FXCCM, the balances and liabilities associated with ForexClear Transactions submitted by FXDs (if applicable) and/or per branch (if applicable) will be provided as an estimate.

2K.2.3.3 Novation and Registration

- (a) An NDF is a ForexClear Transaction (i.e. eligible for registration as a ForexClear Contract) if it satisfies the ForexClear Eligibility Criteria (set out at Part B of the Schedule to the ForexClear Regulations) at the Registration Time.
- (b) The ForexClear Service will register ForexClear Transactions submitted during the Opening Hours, provided that all FXCCMs have sufficient cover for their Liabilities (as defined in Section 6.2) at the time of the relevant Margin Run.
- (c) If any FXCCM does not have sufficient cover for its Liabilities at the time of the relevant Margin Run, then the registration of ForexClear Transactions will be suspended until sufficient cover is provided or until the FXCCM's portfolio risk is reduced by the FXCCM submitting for registration risk reducing ForexClear Transactions.
- (d) Once the ForexClear Transaction has passed the Validation Checks (as defined in Section 3.3.1) and the required cover has been provided by the relevant FXCCMs, the Clearing House will send, via the ForexClear Matcher, a message confirming the registration of the ForexClear Transaction as a ForexClear Contract and including a timestamp of the relevant registration time. For the purpose of the ForexClear Regulations, the time of dispatch of such message shall be the "**Registration Time**" of that ForexClear Contract.
- (e) The definitive report of the registered ForexClear Contract will be shown on the "All Open Contracts" report issued by ForexClear Reporting (as defined in Section 7).
- (f) If an FXCCM is declared a defaulter, the Clearing House will not register any ForexClear Transactions to which the defaulter was a party. ForexClear Transactions between non-defaulting FXCCMs will continue to be registered (assuming sufficient cover for their Liabilities has been provided).

2K.3 TRADE MANAGEMENT

2K.3.1 Trade Capture

After the execution of an NDF (a “**trade**”), each FXP who is a party to the trade will submit individual instructions to the ForexClear Matcher for matching and clearing of the trade. FXPs are not required to submit a confirmation of any trade submitted to the Clearing House for registration. Submission of the matched trade terms through the ForexClear Matcher will ensure that the agreed terms of the trade are recorded.

Once the ForexClear Matcher receives the trade instructions from the FXPs who are parties to the trade, the ForexClear Matcher matches both instructions. The ForexClear Matcher validates the trade using the ForexClear Eligibility Criteria and will, if appropriate, submit a single message containing the names of the FXPs who are parties to the trade and the terms of the trade to the Clearing House for registration and clearing, such matched trade being known as a “**ForexClear Transaction**”. Once the Clearing House receives the ForexClear Transaction message, it will send a message of acknowledgement back via the ForexClear Matcher to each FXP that the trade has been matched and accepted for clearing. Instructions which show that one or both sides of the trade do not meet the ForexClear Eligibility Criteria (as per Section 3.3) are rejected. Rejections are reported back to the counterparties through the ForexClear Matcher.

The Clearing House will provide ForexClear Transaction/ForexClear Contract (as applicable) updates as and when these change e.g. for acceptance, rejection and novation.

2K.3.2 The ForexClear Matcher

FXCCMs must not submit instructions to the Clearing House for trades which will not meet the ForexClear Eligibility Criteria. The Clearing House will register a ForexClear Transaction on the basis of the data provided to it by the ForexClear Matcher and has no obligation to verify that the details received from the ForexClear Matcher in respect of a ForexClear Transaction properly reflect the trade entered into by the relevant FXCCMs.

The Clearing House is not able to, and will not, verify the authorisation of the source of any details of any ForexClear Transaction reported to it for registration by the ForexClear Matcher. The Clearing House shall have no liability in the event that any FXCCM suffers any loss through the unauthorised input of details into a system of a ForexClear Matcher.

Notwithstanding the designation by the Clearing House of a system as a ForexClear Matcher, the Clearing House makes no warranty (and will accept no liability) as to the effectiveness, efficiency, performance or any other aspect of the services provided by any ForexClear Matcher or the timeliness or otherwise of the delivery of any ForexClear Transaction details by that ForexClear Matcher to the Clearing House. Such matters form part of the relationship between the FXCCM and the ForexClear Matcher and the terms of such relationship may entitle the ForexClear Matcher to suspend the ability of an FXCCM to make submissions from time to time.

The Clearing House accepts no liability for any error within or corruption of any data sent by the ForexClear Matcher to the Clearing House or to an FXCCM or any delay in or failure of the transmission of such data to the Clearing House. In the event that the Clearing House registers any ForexClear Contract(s) on the basis of incorrect or corrupted data sent to it by a ForexClear Matcher, the FXCCM(s) concerned shall be bound by the terms of such ForexClear Contract(s), unless the ForexClear Contract is subsequently cancelled in accordance with Regulation 104 or 106.

2K.3.3 Trade Validation and Registration

2K.3.3.1 Process Flow Description

- (a) The Clearing House performs a validation check on each trade submitted by FXP to ensure that each such trade meets the ForexClear Eligibility Criteria and the Counterparty Validation Check (as defined below) required for ForexClear Transactions (together the “**Validation Checks**”).
- (b) The fields checked are as follows:
 - (i) **Counterparties:** (a) are both parties submitting trade particulars FXP and (b) has each FXCCM in whose name the ForexClear Contract is to be registered not been declared a defaulter by the Clearing House? (together, the “**Counterparty Validation Check**”);
 - (ii) **Trade type:** is the instrument type an NDF?
 - (iii) **Economic Terms:** does the trade include all the Economic Terms (as defined in the Schedule to the ForexClear Regulations)?
 - (iv) **Currency Pairs:** are the Reference Currency and the Settlement Currency a Currency Pair (as defined in the Schedule to the ForexClear Regulations)?
 - (v) **Settlement Currency:** is the Settlement Currency USD?
 - (vi) **Trade tenor eligibility:** does the scheduled Settlement Date fall on a date: (a) not earlier than three business days immediately following the date on which the trade is submitted to the Clearing House for registration (the “**Submission Date**”) and (b) not later than the date falling two calendar years plus two business days immediately following the Submission Date? If the ForexClear Transaction arrives after the ForexClear date roll (22.00 local London time), the Submission Date is defined as the next good business day.
 - (vii) **Valuation Date and Settlement Date:** do the Valuation Date and Settlement Date for the ForexClear Transaction fall on a valid Business Day for the Currency Pair to which the ForexClear Transaction relates? Does the Settlement Date fall a specified number of Business Days after the Valuation Date (the “**Number of Business Days**”)? The table below shows

the relevant Business Days for determining the Valuation Date and the Settlement Date¹ and the Number of Business Days:

Currency Pair	Business Days for Valuation Date	Relevant City/Cities for Business Day for Valuation Date	Business Days for Settlement Date	Relevant City for Business Day for Settlement Date	Number of Business Days
USD-BRL	BRL & USD	Any of Rio de Janeiro, Brasilia or São Paulo and New York City	USD	New York City	2
USD-RUB	USD & RUB	New York and Moscow	USD	New York City	1
USD-INR	INR	Mumbai	USD	New York City	2
USD-CLP	USD & CLP	New York and Santiago	USD	New York City	2 ²
USD-CNY	CNY	Beijing	USD	New York City	2
USD-KRW	KRW	Seoul	USD	New York City	2

- (c) Trades that pass the Validation Checks are accepted and two trade records are created for the ForexClear Transaction: one for the ForexClear Contract between the Clearing House and the first FXCCM to the ForexClear Transaction and the other for the ForexClear Contract between the Clearing House and the second FXCCM to the ForexClear Transaction.
- (d) Provided each FXCCM has sufficient cover, the Clearing House will send a message via the ForexClear Matcher confirming the registration or, where the trade fails a Validation Check, the trade will be rejected and a status message will be sent to the ForexClear Matcher giving a reason for rejection.
- (e) As provided in Section 2.3.3, in respect of messages confirming registration, the time of dispatch of such message shall be the Registration Time of that ForexClear Contract.
- (f) The internal sub-account (i.e. FXCCM, branch, or FXD) into which each trade record is booked is derived from the BIC code within the message from the ForexClear Matcher. The BIC links to the FXCCM reference data.
- (g) Both new trade records arising out of the ForexClear Transaction have the same unique ForexClear ID (the “**ForexClear ID**”). Any further events or actions are applied on the basis of this ForexClear ID, to ensure consistency.

¹ As amended from time to time as per the relevant EMTA Template.

² Banco Central de Chile tends to publish the "CLP DÓLAR OBS" or "CLP10" Settlement Rate at the end of the day (Santiago time) on the relevant Valuation Date but reserves the right to publish such rate by no later than 10:30 a.m. (Santiago time) on the following Business Day. With respect to any ForexClear Contract in relation to which CLP-USD is the relevant Currency Pair, in the event that such rate is published on the Business Day following the Valuation Date, the Settlement Date of such ForexClear Contract will fall on the Business Day following the date on which such rate is published, however, the Settlement Rate is still established as at the Valuation Date. In summary, the Settlement Date is a date falling two Business Days following the Valuation Date but the related Settlement Rate may be published one Business Day prior to the Settlement Date.

2K.3.4 Manual Trade Rejection, Novation and Cancellation (Exceptional Event)

- (a) From time to time, as an exceptional event, it may be necessary for the Clearing House to: (i) reject a trade submitted for registration; (ii) register a ForexClear Transaction; or (iii) accept or reject a cancellation request for a ForexClear Contract or a ForexClear Transaction, in each case manually prior to a Margin Run, (e.g. in the case of a default event, when a ForexClear Transaction needs to be registered immediately to expedite the hedging and auction process or to reject a ForexClear Transaction received from a defaulted FXCCM).
- (b) The Clearing House acknowledges the action and sends a status message to the ForexClear Matcher of either "REJECTED" in respect of trades being manually rejected; "NOVATED" in respect of trades being manually registered; and "CANCELLED" in respect of a ForexClear Contract or a ForexClear Transaction being manually cancelled, as appropriate.

2K.3.5 Trade Cancellation

- 2K.3.5.1
 - (a) The Clearing House accepts cancellation messages from FXPs against both non-novated trades (ForexClear Transactions) and novated trades (ForexClear Contracts).
 - (b) With respect to any ForexClear Contract, cancellation messages may be submitted via the ForexClear Matcher until such ForexClear Contract is "fixed" – i.e. when its Settlement Rate has been determined on the relevant Valuation Date.
 - (c) A successful cancellation message results in a "CANCELLED" status message if the ForexClear Transaction or the ForexClear Contract (as the case may be) is cancelled before or after a Margin Run (as defined in Section 6). The status messages are sent from the Clearing House to the FXCCM via the ForexClear Matcher.
 - (d) There is no ForexClear Contract or ForexClear Transaction amendment functionality.

2K.3.5.2 Process Flow Description

- (a) The Clearing House accepts trade cancellation instructions from the ForexClear Matcher for ForexClear Transactions or ForexClear Contracts (as the case may be) that have previously been submitted to the ForexClear Service. Cancellation instructions must include the ForexClear ID.
- (b) The Clearing House acknowledges receipt of the instruction from the ForexClear Matcher to cancel a ForexClear Transaction/ForexClear Contract (as the case may be) and sends a "PENDING CANCELLATION" message to the ForexClear Matcher for the relevant FXP.
- (c) The Clearing House checks that the cancellation instruction contains a valid ForexClear ID which relates to: (a) a ForexClear Transaction or ForexClear Contract (as the case may be) that has not been previously

- cancelled; and (b) in the case of a ForexClear Contract only, a ForexClear Contract with respect to which the relevant Valuation Date has not yet occurred.
- (d) Where a trade has already been rejected (as a result of having failed a Validation Check), the ForexClear Service sends a “CANCEL REJECTED” message to the ForexClear Matcher for the relevant FXPs.
 - (e) If the ForexClear Transaction is “PARKED” but has not been included in a Margin Run, it is cancelled and a “CANCELLED” message is sent to the ForexClear Matcher to confirm to the relevant FXP that the ForexClear Transaction has been cancelled. The ForexClear Transaction is excluded from the next and future Margin Runs. In accordance with Regulation 106(h), the date and time of the cancellation shall be as reported by the Clearing House via the ForexClear Matcher.
 - (f) If a Margin Run is currently in progress, the request to cancel is routed to a temporary queue for later manual action. Once the Margin Run has finished, the Clearing House will re-submit or reject the request to cancel.
 - (g) If the ForexClear Contract is “NOVATED”, the Clearing House amends the status of the relevant ForexClear Contract to “PARKED PENDING CANCELLATION” and sends this information in a message to the ForexClear Matcher for the relevant FXP. The effect of the “PARKED PENDING CANCELLATION” ForexClear Contract is included in the next Margin Run.
 - (h) The ForexClear Contract under sub-paragraph 7 is cancelled if all FXCCMs across the ForexClear Service have pledged sufficient collateral with the Clearing House to cover the margin requirement of the ForexClear Service without that particular ForexClear Contract. If an FXCCM has insufficient collateral pledged, the Clearing House makes a cash margin call via PPS. When confirmation of receipt of the margin call is received, the ForexClear Contract is cancelled. The ForexClear Contract is excluded from future Margin Runs and a “CANCELLED” message is sent to the ForexClear Matcher for the benefit of the relevant FXP to the now excluded ForexClear Contract. In accordance with Regulation 106(h), the time of dispatch of such message shall be the cancellation date and time in respect of that ForexClear Contract. If an FXCCM is declared a defaulter, the Clearing House will not process any cancellation of a ForexClear Contract to which the defaulter is a party, nor the corresponding ForexClear Contract that arose from the same underlying ForexClear Transaction. All ForexClear Contracts between non-defaulting FXCCMs for cancellation (assuming sufficient cover for their Liabilities has been provided) will be cancelled.

2K.3.6 Backloading of Trades

As from 2 January 2012, the Clearing House will provide the facility for FXCCMs to backload ForexClear Transactions through the ForexClear Matcher. Backloading refers to submission for clearing of trades which were executed before the Submission Date.

For backloaded trades, as for non-backloaded trades, it is a pre-condition of registration that sufficient cover is provided. The Clearing House will perform the Validation Checks on backloaded trades and follow the processes as set out in Section 2K.3.3.1 above.

2K.3.7 Valuation Date Event Management

The Clearing House is the Calculation Agent and will store and apply the Settlement Rate Option and the Valuation Date for each ForexClear Contract.

On the Valuation Date with respect to each ForexClear Contract, the Settlement Rate will be retrieved from the Settlement Rate Option per Currency Pair in accordance with the relevant EMTA Templates (as referenced in the Schedule to the ForexClear Regulations). The Market Data provider for Settlement Rates is Reuters.

ForexClear applies the relevant Settlement Rate to ForexClear Contracts using the following criteria:

- (a) Settlement Rate Option source code (as below);
- (b) Valuation Date.

The table below gives the source codes of the Settlement Rate Options to be used as per the relevant EMTA Template:

Currency Pair	Settlement Rate Option (or as per the relevant EMTA Template as amended from time to time)
USD-BRL	BRL PTAX (BRL09)
USD-RUB	RUB CME-EMTA (RUB03)
USD-INR	INR RBIB (INR01)
USD-CNY	CNY SAEC (CNY01)
USD-CLP	CLP DÓLAR OBS (CLP10)
USD-KRW	KRW KFTC18 (KRW02)

The Clearing House applies the Settlement Rate to all relevant ForexClear Contracts at a predefined time (see Section 4.3 below) following its publication.

The Clearing House calculates the Settlement Currency Amount in the Settlement Currency per ForexClear Contract. FXCCMs can retrieve the Settlement Rate and Settlement Currency Amount in the Settlement Currency via ForexClear Reporting (as defined in Section 7) on the ForexClear Service Portal and on MemWeb, which are internet services onto which information is loaded and can be accessed by FXCCMs.

2K.3.7.1 **2K.3.7.2** Process Flow Description

- (a) After the Registration Time for a ForexClear Contract, the ForexClear Service links a Settlement Rate Option to it in accordance with the relevant EMTA Template for the Currency Pair.
- (b) On the Valuation Date, the Clearing House uses the Settlement Rate for the Currency Pair for the ForexClear Contract when it is published by Reuters, and calculates the Settlement Currency Amount for each ForexClear Contract in the Settlement Currency by applying the relevant Settlement Rate Option as published.
- (c) If the Settlement Rate Option set out in the relevant EMTA Template is unavailable at the relevant time, Disruption Fallback alternatives for the determination of the Settlement Rate will apply as set out in the relevant EMTA Template.

2K.3.8 Settlement

With respect to each ForexClear Contract, the Settlement Currency Amount is calculated by the application of the Settlement Rate to the Notional Amount in accordance with the ForexClear Contract Terms.

From (and including) the Registration Time to (and including) the Business Day immediately preceding the Settlement Date, changes in the daily value of open ForexClear Contracts will have resulted in variation margin (“**VM**”) credits and debits between the parties (as set out at Section 5.2). With respect to each ForexClear Contract, on the Business Day immediately preceding the Settlement Date, the Clearing House nets the Settlement Currency Amount against the aggregate net VM which has been paid/received through the term of the ForexClear Contract, the result of which is a Net Settlement Amount (“**NSA**”), which will be reflected in the FXCCMs’ cash accounts with the Clearing House on the Settlement Date. As such, with respect to each ForexClear Contract, the payment in full of all the VM required during the term of such ForexClear Contract shall satisfy the relevant party’s obligation to pay the Settlement Currency Amount on the Settlement Date of such ForexClear Contract. This paragraph applies even if the Settlement Date has been adjusted in accordance with the ForexClear Contract Terms.

2K.3.9 Portfolio Management

The Clearing House allows portfolios of ForexClear Contracts to be transferred between FXCCMs e.g. in the event of merger, or where agreed between the relevant FXP.

The portfolio transfer capability allows the transfer of:

- (a) A single ForexClear Contract.
- (b) Part of an FXCCM’s portfolio (which includes the ability to transfer ForexClear Contracts to various other FXCCMs, e.g. Bank A to Bank B for USD/RUB, Bank A to Bank C for USD/KRW and Bank A to Bank D for USD/BRL).

- (c) Portfolio transfer (i.e. the transfer of all or just one of the portfolios belonging to an FXCCM).
- (d) Multiple portfolio transfers (i.e. the transfer of several portfolios of an FXCCM).

The Clearing House will carry out the portfolio transfer. For transfers under 2, 3 and 4, this can be on a ForexClear Contract by ForexClear Contract or on a Currency Pair basis.

Transfers will only be effected upon completion of a successful Margin Run.

2K.3.9.1 **2K.3.9.2** Legal Documentation

The Transfer of ForexClear Contracts will be documented in accordance with the standard legal documentation for the transfer of ForexClear Contracts provided by the Clearing House to FXP. Any such transfer must be authorised by all relevant parties and executed by individuals with appropriate signing authority.

2K.3.10 **Reference Data**

2K.3.10.1 Holiday Event Calendar

For the ForexClear Service the Clearing House uses the SwapsMonitor Financial Calendar (as published by Swaps Monitor Publications, INC.) the (“**SwapsMonitor Financial Calendar**”) in order to determine holidays. This requires all ForexClear Participants to be licensees of the SwapsMonitor Financial Calendar. The calendars, as applicable to the ForexClear Service, will be available online for inspection and for file download from Clearing Member Reporting. SwapsMonitor is used on a daily basis across all calendars.

2K.3.10.2 Date Adjustment

When a new holiday is declared in a particular jurisdiction, an update to the holiday calendar affecting ForexClear Contracts for which the Valuation Date is due on the new holiday is required. The Valuation Date and the Settlement Date will be adjusted in accordance with the provisions of the EMTA Template for the relevant Currency Pair.

The Clearing House may accede to a request from FXCCMs to suspend processing of adjustments to the relevant affected Valuation Dates and Settlement Dates so as to allow FXCCMs to cancel and rebook any ForexClear Contracts following any such adjustment. In such case, the Clearing House will inform FXCCMs as to the timing and duration of any such suspension. Market Data.

2K.4.4 Market Data Provision to FXCCMs

All Market Data used in a Margin Run is made available to FXCCMs via ForexClear Reporting (as defined in Section 7).

2K.4.5 Curve Building in ForexClear

2K.4.5.1 FX Curve (Zero Coupon/Market Rate Curve)

The Clearing House builds for each Currency Pair an FX curve (zero coupon/market rate curve) using the FX Spot Rates, FX Swap Points and the USD LIBOR Curve based on interpolation techniques agreed through the

ForexClear Risk & Trading Working Group (a group comprising the Clearing House and FXCCM's risk and trading representatives) ("RTWG"). The USD LIBOR Curve is used for discounting; the FX curve is used for capitalisation of forward cash flows.

2K.4.5.2 Interest Rate Curve

The Clearing House applies the linear interpolation method to build the Interest Rate Curve. Linear interpolation is applied on zero coupon curves.

2K.4.5.3 Curve Use

End of day is defined as 22.00 local London time ("EOD"). The following EOD data is used in the calculation of risk analytics for an EOD Margin Run (as defined in Section 6.1.2):

- (a) FX Spot Rates; and
- (b) FX Swap Points.

2K.4.6 Country Credit Spreads

The Clearing House takes country credit spreads (in relation to Brazil, Russia, India, China, Chile and South Korea) from Bloomberg for use in risk multiplier calculations.

2K.5 VALUATION AND MARGIN

2K.5.1 Product Valuation

2K.5.1.1 Price Submission

FXCCMs shall provide pricing data to the Clearing House in accordance with the ForexClear Market Data Interface (a document issued by LCH and as amended from time to time) as amended from time to time.

This data is used to calculate the NPV (as defined in Section 5.1.2 below) of ForexClear Contracts.

2K.5.1.2 Net Present Value ("NPV")

From (and including) the Registration Time to the EOD Margin Run on the business day preceding the Valuation Date, each ForexClear Contract is valued in USD using the current market rates and discounted from the future Settlement Date to its present value (being valued using the data submitted by FXCCMs, in accordance with Sections 4.2 and 5.1.1).

At EOD on the Valuation Date, the Settlement Rate is used to value the ForexClear Contract.

If Valuation Postponement applies, the ForexClear Contract is valued using the current forward price (based on the data submitted by FXCCMs, in accordance with Sections 4.2 and 5.1.1) to (and including) the date on which the Settlement Rate is determined in accordance with the ForexClear Contract Terms.

2K.5.2 Variation Margin ("VM")

VM for each ForexClear Contract is calculated at EOD as the change from the preceding business day in its NPV. With respect to each FXCCM, the net sum of the VM for all open ForexClear Contracts is credited to or debited from such FXCCM once a day, following the EOD Margin Run.

Cover for VM (adjusted by PAI, as set out below) will be paid each business day by or to each FXCCM in respect of all of its open ForexClear Contracts. The VM will be calculated in, and must be paid in, USD.

With respect to each ForexClear Contract, VM is calculated every business day from (and including) the Registration Time to (and including) the EOD on the business day immediately preceding the Settlement Date.

2K.5.3 Reporting Breakdown

ForexClear margin reports show the portfolio of open ForexClear Contracts of each FXCCM and of each FXD by Currency Pairs and in the Settlement Currency (i.e. USD).

2K.5.4 Price Alignment Interest (“PAI”)

The effect of daily cash VM movements results in the need for PAI. Without this adjustment, the pricing of ForexClear Contracts would differ from identical uncleared trades, as cash earned from favourable daily price moves would be priced into the product.

2K.5.4.1 PAI Calculation Methodology

PAI is calculated at EOD on each business day from (and including) the first business day after the Trade Date to (and including) the business day immediately preceding the Settlement Date.

In this Section 5.4, “**T**” means any given business day; “**T-1**” means the business day immediately preceding T; “**T+1**” means the business day immediately following T; and “**MTM**” means the total value (expressed in USD) of an FXCCM’s portfolio open of ForexClear Contracts after valuation in accordance with Section 5.2 at close of business on any business day. The Clearing House calculates PAI in USD once a day at EOD.

(a) Principles:

- (i) MTM is calculated at EOD on T-1.
- (ii) Change in MTM (net VM in respect of an FXCCM’s portfolio of open ForexClear Contracts) is paid/ received on the morning of T.
- (iii) PAI Rate for T to be applied is known at EOD T.
- (iv) PAI is calculated on the night of T, for MTM of T-1 for ForexClear Contracts up to the business day before their Settlement Date.
- (v) PAI is paid / received on morning of T+1 via PPS.

- (b) Components:
 - (i) PAI Rate (annualised interest applied to an FXCCM's MTM).
 - (ii) MTM;
 - (iii) Accrual Factor (factor used to convert the PAI Rate from an annual rate to a daily rate, on a basis of a year of 360 days).
- (c) So:
 - (i) $\text{PAI}_T = \text{PAI}_T \text{ Rate} \times \text{MTM}_{T-1} \times \text{Accrual Factor}$.

The Clearing House uses the PAI Rate from the relevant EOD overnight index swap curves, which is sourced from the Clearing House.

2K.5.4.2 VM/PAI Adjustment

With respect to each FXCCM, the Clearing House makes the following adjustment to the EOD VM:

- (a) if, with respect to its portfolio of open ForexClear Contracts, such FXCCM has (to but excluding the relevant EOD) paid an amount in VM greater than the amount of VM it has received, such FXCCM will receive PAI; and
- (b) if, with respect to its portfolio of open ForexClear Contracts, such FXCCM has (to but excluding the relevant EOD) received an amount in VM greater than the amount of VM it has paid, such FXCCM will pay PAI.

2K.5.5 Initial Margin (“IM”)

The Clearing House will require FXCCMs to post IM.

2K.5.5.1 Calculation of Initial Margin

IM will be calculated within the day and at EOD on each business day as part of each Margin Run. With respect to each FXCCM, it is calculated for the portfolio of open ForexClear Contracts and ForexClear Transactions using a value at risk (VaR) based methodology based on filtered historical simulations (“**Historical Simulation**”). All open ForexClear Contracts and ForexClear Transactions in each Currency Pair are re-valued under a series of cross portfolio yield curve scenarios to estimate the potential portfolio profit and loss and therefore the IM requirement.

These scenarios will be continually monitored and reviewed periodically or on an ad hoc basis according to market conditions. ForexClear Clearing Members will usually be notified by the Clearing House of alterations to margin parameters no later than the day before calls are made based on the new parameters. Further details of this method are available upon request from the ForexClear Risk team.

Historical Simulation uses the historical (5 year) data submitted by FXCCMs pursuant to Section 5.1.1, which is adapted to current market prices.

2K.5.6 Initial Margin Risk Multipliers

Credit risk, liquidity risk and sovereign risk are measured and applied to FXCCMs as part of the IM calculation.

2K.5.6.1 Credit Risk Multiplier (“CRiM”)

(a) ~~The CRiM reflects additional credit risk from lower quality FXCCMs. The CRiM is calculated for every Margin Run and is applied to the~~

The CRiM applied will consider the FXCCM's credit worthiness, initial IM value for each FXCCM.

(b) ~~ForexClear calculates the CRiM buffer margin using multipliers. The following table illustrates how these multipliers may be applied:~~

LCH Credit Rating	CRiM multiplier
1	1.00
2	1.00
3	1.00
4	1.50
5	2.00

(c) ~~CRiM buffer margin = (CRiM multiplier * IM) – IM margin level and/or stress testing exposures in accordance with LCH.Clearnet Credit Risk Policy.~~

2K.5.6.2 Liquidity Risk multiplier (“IMM”).

(a) Where an FXCCM has an exposure above set thresholds in a particular Currency Pair or tenor of ForexClear Contracts, the IMM is applied and additional IM is charged. The IMM is calculated in accordance with parameters set by the ForexClear Default Management Group (the “FXDMG”) according to tenor and notional concentration. The thresholds are reviewed quarterly and use prevailing perceptions of market conditions as seen by the FXDMG.

(b) IMM increases IM called due to concentrated Currency Pair exposure by tenor of ForexClear Contracts. Additional IM is called to mitigate the risk of a position not being closed out in five days and/or the extra hedging costs that may be incurred.

(c) The Clearing House calculates and applies IMM as part of each Margin Run, based on the IM for each Currency Pair in the FXCCM's house position-keeping account.

2K.5.6.3 Sovereign Risk multiplier (“SRM”).

~~The SRM captures potential losses due to sovereign related events and risks that may severely impact a country's exchange rate levels, and consists of the following two components:~~

- ~~• Sovereign default risk; and~~

- ~~Currency regime change risk.~~

~~Sovereign Default Risk~~

- (a) ~~A default-related~~An SRM is applied when there is a perceived risk of sovereign default ~~attached to or a change in a country's currency regime which would impact~~ ForexClear Contracts transacted in certain Reference Currencies. The ~~default-related~~ SRM takes into account:
- (i) ~~i. the credit rating probability of a country or sovereign entity associated with a Reference Currency default or a regime change event occurring; and~~
 - (ii) ~~ii. the devaluation~~ii. the depreciation or appreciation risk of the Reference Currencies.
- (b) The ~~SRM sovereign~~ default-related SRM probability is calculated by assessing the three month probability of default for the different sovereign countries, based on the country's 5-year credit default swap (CDS) spread. The ~~spreads are updated once a week~~probability of a regime change event is estimated based on historical events and publicly available data for the different sovereign countries. The probabilities are reviewed and updated weekly.
- (c) The Clearing House calculates and applies the SRM as part of each Margin Run, for each Currency Pair in the FXCCM's house position-keeping account.

~~Currency Regime Risk~~

- (d) ~~A regime change related SRM is applied when there is a perceived risk of a change in a country's currency regime which would impact ForexClear Contracts transacted in certain Reference Currencies. The regime change related SRM takes into account:~~
- (i) ~~the estimated probability of a regime change event; and~~
 - (ii) ~~the potential appreciation/depreciation risk of the Reference Currencies.~~
- (e) ~~The regime change related SRM takes into consideration the nature of a country's existing currency regime and the probability of a regime change event based on historical events and publicly available data for the different sovereign countries. The probabilities are reviewed once a week.~~
- (f) ~~The Clearing House calculates and applies the SRM as part of each Margin Run, for each Currency Pair in the FXCCM's house position-keeping account.~~

2K.5.6.4

~~2K.5.7 Additional Margin~~

The Clearing House may require an FXCCM to pay additional amounts (in addition to initial margin and variation margin) as security for the performance by an FXCCM of its obligations to the Clearing House in respect of ForexClear

Contracts to which such FXCCM is a party in accordance with Regulation 12. This may be required from time to time where, in the opinion of the Clearing House, the risk inherent in ForexClear Contracts to which such FXCCM is a party not adequately covered by IM or VM. This may cover instances where stress testing losses under various scenarios provided in the ForexClear Default Fund Rules have increased.

2K.5.7

2K.5.8 Initial Margin Management Events Service (“IMMES”)

IMMES aims to find risk and IM reducing ForexClear Contracts amongst participating FXCCMs. IMMES can be run on all Currency Pairs that are cleared through the ForexClear Service, although the primary focus will be on those Currency Pairs that contribute to the largest IM requirement.

FXCCMs who wish to obtain further information about, or to participate in, IMMES should contact ForexClear Business Operations on 0207 426 7527. To be eligible to participate in IMMES, an FXCCM must enter into an IMMES agreement with the Clearing House (the “**IMMES Agreement**”).

2K.5.7.1

2K.5.8.1 Step-By-Step Details

- (a) The Clearing House usually conducts the IMMES at least monthly.
- (b) A reminder that there is an IMMES run taking place is sent out the week before to each FXCCM which is a party to an IMMES Agreement with LCH and each FXCCM is asked to confirm their participation.
- (c) On the day of the scheduled IMMES run, the Clearing House analyses all participating FXCCMs’ profiles to find ForexClear Contracts with equivalent and opposite delta values by tenor and Currency Pair to compile a list of offsetting suggested trades that are mutually beneficial in terms of IM reduction (the “**IMMES Trades**”).
- (d) The Clearing House then analyses the relevant FXCCM ForexClear Contract portfolios with the IMMES Trades and determines the change in NPV, IM, delta and zero yield sensitivity from the IMMES Trades.
- (e) The FXCCMs on either side of the trades are advised of the economic details of the IMMES Trades.
- (f) If the two FXCCMs agree to undertake the IMMES Trades, the Clearing House will then put them in touch with each other. The FXCCMs will enter into the bilateral IMMES Trades and submit them to the Clearing House through the ForexClear Matcher for registration.

2K.6

GENERAL MARGINING PROCESS

A “**Margin Run**” is the process by which the Clearing House calculates an FXCCM’s IM requirement (if any) and, during an EOD Margin Run, its VM requirement and PAI adjustment (if required) (together its “**Margin Requirements**”); and (a) applies that FXCCM’s cover to satisfy the Margin Requirements for that FXCCM in respect of the ForexClear Contracts within that FXCCM’s portfolio; and/or (b) calls for additional cover (if required) to cover the relevant Margin Requirement.

2K.6.1 Types of Margin Runs

There are three types of Margin Run:

2K.6.1.1 ITD/Ad Hoc - Day Margin Run

- (a) ITD/Ad-hoc London daytime Margin Runs are initiated as and when dictated by the schedule published by the Clearing House and notified to FXCCMs from time to time (the “**Schedule**”) or as necessary, and are performed in the time period during which a PPS call can be made (the “**ITD/Ad-hoc Day Margin Run**”). PPS times are published on the Clearing House’s website at: http://www.lchclearnet.com/risk_management/ltd/pps/.
- (b) ITD/Ad-hoc Margin Runs are calls in respect of IM only. VM and PAI are not included in ITD/Ad-hoc Margin Runs.

2K.6.1.2 EOD Margin Run

- (a) The EOD Margin Run is the final ITD/Ad-hoc Day Margin Run that completes by 22:00 local London time on that business day (the “**EOD Margin Run**”).
- (b) EOD Margin Runs are calls in respect of IM as well as VM and PAI.

2K.6.1.3 ITD / Ad Hoc - Night Margin Run

- (a) ITD/Ad-hoc London overnight Margin Runs are initiated as and when dictated by the Schedule or as necessary, and are performed in the time period during which a PPS call cannot be made (the “**ITD/Ad-hoc Night Margin Run**”).
- (b) ITD/Ad-hoc Night Margin Runs are calls in respect of IM only. VM and PAI are not included in ITD/Ad-hoc Night Margin Runs.

2K.6.2 Margin Run Process

- (a) Margin Runs cover all registered ForexClear Contracts with the status “NOVATED”, ForexClear Transactions with the status “PARKED” and ForexClear Contracts in respect of which the Clearing House has received a request for cancellation with the status “PARKED PENDING CANCELLATION”.
- (b) Margin runs will be carried out for each ForexClear Contract and ForexClear Transaction (as the case maybe) until (and including) the later of:
 - (i) EOD Margin Run on the Settlement Date; or
 - (ii) EOD Margin Run after the Settlement Rate is published.
- (c) During every Margin Run the Clearing House calculates the IM required and (where applicable) the VM and PAI required to cover each FXCCM’s open ForexClear Contracts and ForexClear Transactions (each a “**Liability**” and together the “**Liabilities**”).

- (d) Each FXCCM's Liability is offset against that FXCCM's non-cash collateral account (being a sub-account of the FXCCM's financial account) (for IM only) or funds in that FXCCM's cash account (being a sub-account of the FXCCM's financial account) (for VM/PAI/IM). IM will always be a Liability (payable to the Clearing House) and VM and PAI may be a cash posting or a Liability (payable by, or to, the Clearing House, respectively).
- (e) FXCCMs are informed via email of their Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)) and are directed to the ForexClear Service portal (being a secure website made available to FXCCMs) (the "**ForexClear Service Portal**") which provides reports (at the times specified in Section 7.1) informing FXCCMs of their (i) total Liabilities under the ForexClear Service; (ii) current total cover posted with the Clearing House for ForexClear; and (iii) Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)).
- (f) If following a Margin Run an FXCCM is required to provide additional collateral, this is also indicated in the email and via the ForexClear Service Portal. Registration of ForexClear Transactions and cancellations of ForexClear Contracts will cease until all FXCCMs have provided sufficient cover.
- (g) Once it is confirmed that all FXCCMs have sufficient cover, the Clearing House:
 - (i) registers each ForexClear Transaction as two ForexClear Contracts and changes the status for each ForexClear Transaction from "PARKED" to "NOVATED" and informs the ForexClear Matcher; and
 - (ii) in respect of relevant ForexClear Contracts being cancelled, cancels the relevant ForexClear Contracts and changes the ForexClear Contract status of each relevant ForexClear Contract from "PARKED" to "CANCELLED".
- (h) The Clearing House acknowledges the ForexClear Contract status and sends a message to the ForexClear Matcher that the ForexClear Transaction/ForexClear Contract (as the case may be) is either "NOVATED" or "CANCELLED" as appropriate.

2K.7 FOREXCLEAR REPORTING

The Clearing House produces a suite of treasury reports for members across each of the Clearing House services. Some of these reports are cross-service reports and others are specific to the ForexClear Service, thus an FXCCM will receive reports in respect of ForexClear and may also receive cross-service reports where it is a member of another service. Follow this link to the information available from the LCH.Clearnet website: [Banking Reports.³](#)

³ http://www.lchclearnet.com/Images/banking_report_tcm6-48011.pdf

In respect of the ForexClear Service, on each business day the Clearing House will provide two sets of reports to FXCCMs: (1) Banking Reports; and (2) reports direct from the ForexClear Service (together “**ForexClear Reporting**”). These Procedures reference the ForexClear Service specific reports. Each day’s report will remain available for download by FXCCMs from the ForexClear Service Portal for five days.

2K.7.1**Margin Liability Reports**

Reports detailing Liabilities are provided to FXCCMs following every scheduled Margin Run in accordance with Section 6.2 and where additional collateral cover has been called by the Clearing House. Additionally, a report, including sensitivities, is provided at ForexClear Contracts level at 22.00 local London time. If the EOD Margin Run has not completed by 22:00 local London time on a particular business day, the report generated at EOD will reflect that not all the Liabilities of all FXCCMs as covered by collateral by 22:00 local London time.

2K.7.2**Market Data Reports**

Reports detailing Market Data are provided to FXCCMs following every scheduled Margin Run. They include reports of Market Data and Settlement Rate used in the valuation of ForexClear Contracts and reports of Market Data shifts for each historic scenario used in IM calculations.

2K.7.3**Trade Reports**

Reports are provided that enable FXCCMs to monitor their firms’ trading events and positions in respect of ForexClear. Reports on open ForexClear Contracts and on cancelled ForexClear Transactions and ForexClear Contracts are generated at EOD and reports on transferred ForexClear Contracts are made on an ad hoc basis.

2K.7.4**Trade Fixing and Settlement Reports**

Reports are published on each business day detailing the ForexClear Contracts to which the Settlement Rate has been applied on that business day (the “NDF Fixings” report), ForexClear Contracts that have been settled during that current business day (the “Settlements Today” report) and ForexClear Contracts that will settle the next business day (the “NDF’s Fixed with Settlement Tomorrow” report).

2K.7.5**Fees Reports**

Reports on trading volumes on a daily and monthly basis are provided to FXCCMs. Monthly reports are provided on the last business day of each month. They include the full trading volumes on which the monthly transaction fees will be charged to those FXCCMs choosing to have tariffs levied per transaction.

2K.8 TREASURY OPERATIONS & COLLATERAL MANAGEMENT**2K.8.1 Cover Distribution**

The Clearing House nets each FXCCM's Liabilities (i.e. margins and multipliers) and then the total of cash collateral and non-cash collateral are applied to offset those net Liabilities. This process is known as cover distribution ("Cover Distribution"). FXCCMs can choose whether cash or non-cash collateral should be applied first. At the end of this process, if an FXCCM has a shortfall, a PPS (as defined in Section 8.2 below) call for additional collateral is made. Conversely, any excess cash remaining after the final overnight Margin Run can, if requested before 09:30 local London time, be repaid to the FXCCM.

2K.8.1.1 Cover Distribution Notification

- (a) FXCCMs are informed via email of their: Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)) and are directed to the ForexClear Service Portal which provides reports (at the times specified in Section 7.1) informing FXCCMs of their (i) total Liabilities under the ForexClear Service; (ii) current total cover posted with the Clearing House for ForexClear; and (iii) Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)).
- (b) The reports accessed via the ForexClear Service Portal will enable FXCCMs to log in and examine the underlying data.

2K.8.2 Protected Payment System

The Clearing House operates the Protected Payments System ("PPS") for transferring funds to and from its FXCCMs to cover their Margin Requirements. This is similar to a direct debit arrangement where the PPS bank confirms that any Clearing House-specified call is met.

FXCCMs are obliged to hold an account with a London PPS bank in USD, as well as a USD account with a PPS bank in the USA.

Follow the link below for a list of PPS banks operating in the UK and US:

⁵ http://www.lchclearnet.com/risk_management/ltd/pps/

⁶ http://www.lchclearnet.com/Images/Section4_tcm6-43748.pdf

Interest is paid to FXCCMs on cash collateral held by the Clearing House. The London Deposit Rate ("LDR") is applied. This rate is set daily at 10.00 local London time.

A utilisation fee, known as an accommodation charge, is charged on securities lodged at the Clearing House to cover liabilities. For an overview of interest and accommodation charges, please contact the Clearing House's Treasury Operations or follow the link below:

2K.9 PAYMENT OF STAMP TAX

Each FXCCM shall pay any Stamp Tax or duty levied or imposed upon it or in respect of its execution or performance of the Clearing Membership Agreement, the Regulations and the Procedures (including any registration of a ForexClear Contract) by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located ("**Stamp Tax Jurisdiction**") or by any other jurisdiction and shall indemnify the Clearing House against any Stamp Tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the Clearing Membership Agreement, the Regulations and the Procedures (including any registration of a ForexClear Contract) by any such Stamp Tax Jurisdiction or by any other jurisdiction.

2K.10 DEFAULT MANAGEMENT

2K.10.1 Portfolio Splitting:

As part of the ForexClear Default Management Process, the Clearing House may divide an Auction Portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing House will, in consultation with the ForexClear Default Management Group, seek to create:

- (a) one or more individual Auction Portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Auction Portfolios from those which are more risk neutral; and
- (b) one or more individual Auction Portfolios which are more risk neutral.

2K.10.2 Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- (a) cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognised Clearing House or a Derivatives Clearing Organization;
- (b) cause the Clearing House or its membership any reputational harm;

⁷ http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

- (c) cause legal action or proceedings to be taken against the Clearing House; or
- (d) endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.

Where the Clearing House receives more than one bid from the same ForexClear Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by a ForexClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.

2K.10.3 Affiliate Bidding

ForexClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated ForexClear Clearing Member. Where a ForexClear Clearing Member makes a bid and that ForexClear Clearing Member has an affiliated ForexClear Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding ForexClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated ForexClear Clearing Member.

A ForexClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated ForexClear Clearing Member. Where it wishes to do so, the ForexClear Clearing Member should contact the Clearing House's Membership Department (membership@lchclearnet.com; +44 (0)207 426 7949).

2K.10.4 Default Fund: ForexClear Contributions

ForexClear Contributions (as defined in the Default Fund Rules) will be called via PPS on the fourth working day of each month or more frequently pursuant to a determination of the ForexClear Contribution under F2(a) of the Default Fund Rules (each a "ForexClear Reset Day"). ForexClear Contribution requirements will be notified to ForexClear Clearing Members at least two working days prior to each ForexClear Reset Day on Member Intranet Report 000032.

Excess ForexClear Contribution amounts due to ForexClear Clearing Members following the adjustment to the ForexClear Contribution will be repaid to ForexClear Clearing Members' PPS accounts on the ForexClear Reset Day immediately following the adjustment to the ForexClear Contribution.

Interest on ForexClear Contributions will be paid to ForexClear Clearing Members' PPS accounts on the first working day after the ForexClear Reset Day following the end of the relevant "interest accrual period". Interest is calculated in respect of each "interest accrual period", which commences on (and includes) a ForexClear Reset Day and ends on (and includes) the calendar day immediately before the next ForexClear Reset Day.

2K.10.5 Quantifying ForexClear Contributions

For the purposes of calculating the ForexClear Margin Weight under Rule F2(d) of the ForexClear Default Fund Supplement, the average daily requirement for initial margin applied to an FXCCM shall be determined by reference to the ForexClear Contracts comprising the ForexClear House Business of that FXCCM only.

2K.10.6 Outsourcing

Pursuant to Section 1 (Membership) of the Procedures, an FXCCM may appoint a third party to fulfil one or both of the the Clearing House's Membership requirements to: (i) participate in a ForexClear "fire drill" run by the Clearing House; and (ii) participate in the ForexClear Default Management Process operated by the Clearing House. Where an FXCCM chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.

The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:

- A ForexClear Clearing Member
- any other entity that the Clearing House deems appropriate in its sole discretion.

Where an FXCCM wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:

- (a) details of the third party entity that the FXCCM wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of the applicant's regulatory status;
- (b) evidence of the existence of a legally binding agreement between the FXCCM Clearing Member and the third party; and
- (c) such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.

Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.

Where an FXCCM successfully appoints an LCH Approved Outsourcing Agent, that FXCCM may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default

FXCCMs should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire-drill than FXCCM (i.e. required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require

an FXCCM, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire-drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.

The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant FXCCM shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).

Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.

The appointment of an LCH Approved Outsourcing Agent does not absolve an FXCCM of its obligations under the ForexClear DMP (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in the ForexClear DMP on behalf of an FXCCM, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that FXCCM.

2K.10.7 ForexClear DMG

The necessary involvement of FXCCMs and the ForexClear DMG in the ForexClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure that such potential conflicts are demonstrably contained, Appendix 2K.A establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on FXCCMs (and their executives or directors who participate from time to time in the ForexClear DMG) and on the Clearing House.

Each FXCCM who makes available a representative to serve on the ForexClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the ForexClear DMG complies with Appendix 2K.A covering confidentiality, non-disclosure and other terms.

- (b) The headings to these Regulations are for convenience only and shall not affect their interpretation.

Regulation 36 Waiver

No failure by the Clearing House to exercise, nor any delay on its part in exercising, any of its rights (in whole or in part) under these Regulations shall operate as a waiver of the Clearing House's rights or remedies upon that or any subsequent occasion, nor shall any single or partial exercise of any right or remedy prevent any further exercise thereof or any other right or remedy.

Regulation 37 Validity of Regulations and Action

- (a) If at any time any provision of these Regulations becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of these Regulations nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.
- (b) Action taken by the Clearing House pursuant to Exchange Rules may not be questioned on the ground that the Exchange Rules are to any extent invalid or ultra vires or that a determination or request made by the Exchange, or any agreement made by the Exchange, is ultra vires, incompatible with Exchange Rules or otherwise questionable.

The obtaining of an arbitration award shall be a condition precedent to the right of the Clearing House or the Member to bring or maintain any action, suit or other legal procedures against the other, except only the Clearing House's right to maintain proceedings to obtain security for a claim. This paragraph is subject to Regulation 23(k) and shall not apply to any action, suit or other legal procedure concerning a dispute there referred to.

- (d) Each Member irrevocably waives, with respect to itself and its revenues and assets, all immunity on the grounds of sovereignty or other similar grounds from suit, jurisdiction of any court, relief by way of injunction, order for specific performance or for recovery of property, attachment of its assets (whether before or after judgement) and execution or enforcement of any judgement to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees that it will not claim any such immunity in any proceedings.

- (d) Without prejudice to Regulation 39(c) and 39(e), unless otherwise expressly provided in the Regulations or in any other agreement to which the Clearing House is party, neither

the Clearing House nor any other member of the LCH.Clearnet Group shall have any liability under any circumstances (including, without limitation, as a result of any negligence by the Clearing House, or any other member of the LCH.Clearnet Group Limited, or their respective officers, employees, agents or representatives), be liable to any Member, or a SwapClear Dealer, a RepoClear Dealer, an EquityClear NCM, or a ForexClear Dealer for any indirect or consequential loss or damage, or loss of anticipated profit (whether direct or indirect) or loss of bargain, suffered or incurred by any such Member, SwapClear Dealer, RepoClear Dealer, an EquityClear NCM, or a ForexClear Dealer, and shall not in any circumstances be liable for any loss, cost, damage or expense suffered or incurred by any person as a result of any negligence on the part of the Clearing House, or any other member of the LCH.Clearnet Group Limited, or their respective officers, employees, agents or representatives.

- (e) Nothing in this Regulation 39 shall be construed as an attempt by the Clearing House to exclude any liability for any fraud, fraudulent misrepresentation or wilful default on the part of the Clearing House. The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House and for any fraud or wilful default on the part of the Clearing House and for any actions that it may take on the basis of advice given to it by the SwapClear DMG, and for the accuracy of the information that it distributes to the SwapClear Clearing Members in connection with the SwapClear DMP pursuant to the SwapClear DMP Annex, and for any actions that it may take on the basis of advice given to it by the ForexClear DMG, and for the accuracy of the information that it distributes to the ForexClear Clearing Members in connection with the ForexClear DMP pursuant to the ForexClear DMP Annex.
- (f) Without prejudice to the provisions of Regulations 1 and 22 and 39(e) neither the Clearing House, nor any other member of the LCH.Clearnet Group shall have any liability whatsoever to any Member or to any other person (including, without limitation, any client of a Member or a member of a Participating Exchange or any client of such member) in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred by a Member or any other person, as the case may be, as a result of the failure of any systems, communication facilities or technology supplied, operated or used by TGHL or as a result of any negligence, wrongdoing, or other act, error, failure or omission on the part of TGHL, in supplying any services to the Clearing House with regard to the Clearing House Turquoise Derivatives Services or as a result of or in connection with any inconsistency or conflict between any provision contained in the Turquoise Derivatives Rules on the one hand and any provision of these Regulations, Default Rules and Procedures and any other Clearing House documentation on the other hand.
- (g) Without prejudice to the provisions of Regulations 22 and 39(e) neither the Clearing House, nor any other member of the LCH.Clearnet Group shall have any liability whatsoever to any Member or to any other person (including, without limitation, any client of a Member or a member of a Participating Exchange or any client of such member) in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred by a Member or any other person, as the case may be, as a result of the failure of any systems, communication facilities or technology supplied, operated or used by LIFFE, or as a result of any negligence, wrongdoing, or other act, error, failure or omission on the part of LIFFE in relation to the physical settlement of any Contracts or any failure in its administration of deliveries under any Contracts or as a result of or in connection with any inconsistency or conflict between any provision relating to such settlement contained in the LIFFE Rules on the one hand and any provision of these

Regulations, Default Rules and Procedures and any other Clearing House documentation on the other hand.

- (h) For the purposes of the Contracts (Rights of Third Parties) Act 1999, save as is expressly set out herein, these Regulations, Default Rules and Procedures do not create any rights in any persons who is/are not a Member/s.

Regulation 39A Netting

- (a) If at any time the Clearing House fails to make a payment to a Member, other than a defaulter, under a Contract for a period of 30 days from the date when the obligation to pay fell due then that Member may exercise its rights under paragraph (c) below.
- (b) If at any time the Clearing House commences a voluntary case or other procedure seeking or proposing liquidation, administration, receivership, voluntary arrangement or a scheme of arrangement, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law, or if any of the foregoing cases or procedures is commenced in relation to the Clearing House by any other person which results in liquidation or winding up of the Clearing House, or if the Clearing House takes corporate action to authorise any of the foregoing, in any such case other than for the purposes of corporate restructuring (including any consolidation, amalgamation or merger), then a Member, other than a defaulter, may exercise the right given to it under paragraph (c) below.
- (c) A Member entitled to exercise rights under this paragraph may, at any time whilst any of the circumstances referred to in paragraph Regulation 39A or (b) giving rise to such rights continue, by notice in writing to the Clearing House, specify a Termination Date for the termination and liquidation of all Contracts to which it is a party in accordance with paragraph (d) below.
- (d) Upon the occurrence of a Termination Date:
 - (i) neither the Clearing House nor the Member shall be obliged to make any further payments or deliveries under any Contract between them which would, but for this Regulation 39A, have fallen due for performance on or after the Termination Date, and any obligations to make further payments or deliveries which would otherwise have fallen due shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Termination Amount;
 - (ii) the Member shall (on, or as soon as reasonably practicable after, the Termination Date) determine (discounting if appropriate) in respect of each Contract its total loss or, as the case may be, gain, in each case expressed in the lawful currency of the United Kingdom (the "Base Currency"), (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this agreement, of each payment or delivery which would otherwise have been required to be made under such Contract (assuming satisfaction of each applicable condition precedent and having due regard to, if appropriate, such market quotations published on, or official settlement prices set by, a relevant exchange or clearing organisation, as may be available on, or immediately preceding, the date of calculation); and
 - (iii) the Member shall treat each loss to it, determined as above, as a positive amount and each gain by it, so determined, as a negative amount and, subject to paragraph (iv), shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "Termination Amount").
 - (iv) Where a Member has a house and one or more client accounts:

- (1) the Member shall determine two net amounts under paragraph (d)(iii); one net amount in respect of gains and losses arising on Contracts registered in the Member's client account (or client accounts as combined) and a second net amount in respect of gains and losses arising on all other Contracts; and
 - (2) the two net amounts determined under paragraph (iv)(1) shall constitute Termination Amounts.
- (v) If a Termination Amount determined pursuant to paragraph (d) or (iv) above is a positive amount, the Clearing House shall pay it to the Member and if any such Termination Amount is a negative amount, the Member shall pay it to the Clearing House, in either case in accordance with paragraph (vi). The Member shall notify the Clearing House of each such Termination Amount, and by which party it is payable, immediately after the calculation thereof.
- (vi) A Termination Amount shall, subject to Regulation 39B, be paid in the Base Currency by the close of business on the business day following notification pursuant to paragraph (v) above (converted as required by applicable law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Clearing House). Any Termination Amount which is not paid on such day shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11:00 hours (London time) (or, if no such rate is available, at such reasonable rate as the Member may select) plus 1% per annum, for each day for which any such sum remains unpaid.
- (vii) For the purposes of any calculation required to be made under this Regulation, the Member may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

The Member's rights under this Regulation 39A shall be in addition to, and not in limitation or exclusion of, any other rights which the Member may have (whether by agreement, operation of law or otherwise, including its rights under Regulation 5(i)).

Regulation 39B Distribution of Assets

- (a) Where (after the netting and set-off provided for in Regulation 39A and Regulation 5(i)) the Clearing House has insufficient assets available to it to pay all Termination Amounts in full (determined in accordance with FCM Regulation 26A and General Regulation 39A), the claims of the Clearing Members (which shall include FCM Clearing Members for the purposes of this Regulation 39B) of each Service shall be met first to those Clearing Members who are SCMs and/or FXCCMs in an amount equal to the outstanding SwapClear Contributions of such SCMs and/or ForexClear Contributions of such FXCCMs (as applicable) and, thereafter, pro rata to each Clearing Member's respective claim (and in respect of SCMs who have received an amount relating to their outstanding SwapClear Contributions, their respective claims shall be reduced by such amounts so received; and in respect of FXCCMs who have received an amount relating to their outstanding ForexClear Contributions, their respective claims shall be reduced by such amounts so received). To the extent the Clearing House does not have sufficient assets available to it to pay each SCM and/or FXCCM the amount equal to the sum of its outstanding SwapClear Contribution and/or its outstanding ForexClear Contribution (as applicable), the Clearing House shall distribute the assets available to it to each SCM and/or FXCCM (as applicable) in an amount equal to the proportion that the outstanding SwapClear Contribution of the relevant SCM and/or the outstanding ForexClear Contribution of the relevant FXCCM bears to the aggregate of: (a) the sum of the outstanding SwapClear Contributions of all SCMs; and (b) the sum of the outstanding ForexClear Contributions of all FXCCMs.
- (b) For the purposes of this Regulation 39B the term "SCMs" shall include "FCM Clearing Members"

LINK REGULATIONS

Regulation 40 Application of Link Regulations

- (a) These Link Regulations, which form a part of the General Regulations, apply in conjunction with all other provisions of the Regulations to Contracts which are on the terms of those Linked Exchange Contracts specified for the purpose of these Link Regulations in the Procedures and which are registered by the Clearing House in the name of a Member pursuant to Regulation 9. The references in these Link Regulations to "Contracts on the terms of a Linked Exchange Contract" shall be construed as referring to Contracts on the terms of a Linked Exchange Contract specified for the purpose of these Link Regulations in the Procedures. The references in these Link Regulations to "contracts on the terms of a Participating Exchange Contract" shall be construed as referring to contracts on the terms of a Participating Exchange Contract specified for the purposes of these Link Regulations in the Procedures.
- (b) In the event of any conflict between these Link Regulations and the Default Rules, the Default Rules shall prevail.

Regulation 41 Transfer of Contracts on the terms of a Linked Exchange Contract

- (a) Each Contract on the terms of a Linked Exchange Contract registered by the Clearing House in the name of a Member pursuant to Regulation 9 which forms part of a Member's Day Position Balances and all other Contracts on the terms of a Linked Exchange Contract which do not form part of such Day Position Balances shall, subject to Regulations 42(a), 42(b) and 44, be transferred in accordance with paragraph (c) below.
- (b) The Clearing House shall, in accordance with the Procedures, calculate each Member's Day Position Balances with respect to Contracts on the terms of a Linked Exchange Contract which are registered on a business day in each such Member's name and recorded in certain accounts referred to in the Procedures. Subject to Regulations 42(a), 42(b) and 44, the Clearing House shall transmit details of such Day Position Balances and all other Contracts on the terms of a Linked Exchange Contract registered on such business day in each such Member's name which do not form part of a Member's Day Position Balances to the relevant Participating Exchange in accordance with procedures from time to time agreed with, and by such time or times and on such day as agreed with, such Participating Exchange.
- (c) Upon the dispatch by the relevant Participating Exchange of a confirmation in such form as may be agreed from time to time with the Clearing House following receipt by such Participating Exchange of the details of Contracts transmitted pursuant to paragraph (b) above, all such Contracts comprised in each Member's Day Position Balances and all other Contracts referred to in paragraph (b) shall be transferred under this paragraph (c) and the terms of a Member Link Agreement to which each Member party to such Contracts is a party. The transfer of such Contracts shall, subject to Regulation 42(d), have effect so that:
 - (i) the Clearing House and each Member party to each such Contract shall be released from their obligations to each other under each such Contract ("a discharged Contract") (except from their obligations under these Regulations including, without limitation, obligations with respect to any fees payable under the Regulations or to pay any daily settlement amounts in respect of one or more discharged Contracts or to provide cover for margin) and, without prejudice to the foregoing or to the claims of either the Clearing House or a Member arising out of or in relation to a discharged Contract;
 - (ii) the respective rights of the Clearing House and a Member against each other under a discharged Contract shall be cancelled and the discharged Contract shall be replaced simultaneously by a contract on the terms of the relevant Participating Exchange Contract between the persons specified in the relevant Member Link Agreement to which the Member party to a discharged Contract is a party and under which such discharged Contract was transferred.
- (d) Contracts other than option Contracts comprised in a Member's Day Position Balances shall be transferred at the settlement price for the delivery month of such Contracts established by the relevant Exchange. Such Contracts (other than option Contracts) shall be transferred at the official quotation for such delivery month if no such Settlement Price has been established. Contracts in the terms of a Linked Exchange Contract which do not form part of a Member's Day Position Balances shall, subject to paragraph (e) below, be transferred at the price at which they were entered into and, unless paragraph (e) applies, no daily settlement amounts shall be payable in respect of such Contracts under the Regulations. Option Contracts comprised in a Member's Day Position Balance shall be transferred with effect that no premium shall be payable under contracts on the terms of the relevant Participating Exchange Contract which arise pursuant to Regulation 41(c)(ii),

but without prejudice to the obligation of the buyer to pay the premium due under each discharged Contract.

- (e) If Regulation 44(a) applies, all Contracts (other than option Contracts) which are subsequently transferred pursuant to paragraph (c) above after the business day on which they were registered by the Clearing House shall, subject to paragraph (f) below, be transferred at the settlement price referred to in paragraph (d) above, or if no such settlement price has been established, at the official quotation referred to in paragraph (d) above, for the business day immediately preceding the business day on which such transfer is made. Option Contracts which are subsequently transferred pursuant to paragraph (c) above after the business day on which they were registered by the Clearing House shall, subject to paragraph (f) below, be transferred with effect that no premium shall be payable under contracts on the terms of the relevant Participating Exchange Contract which arise pursuant to Regulation 41(c)(ii), but without prejudice to the obligation of the buyer to pay the premium due under each discharged Contract.
- (f) If Contracts to be transferred pursuant to Regulation 41(c) have been entered into pursuant to the trade correction procedures, such Contracts may be transferred at a different price to the price specified in paragraph (e) above.

Regulation 41A Transfer to the Clearing House of Participating Exchange Contracts

- (a) Each contract on the terms of a Participating Exchange Contract registered by a Participating Exchange in the name of a member of a Participating Exchange forming part of the member of the Participating Exchange's Day Position Balances shall, subject to Regulations 42 and 44, be transferred at the time or times and in the manner referred to in either or both of the Participating Exchange Rules of the relevant Participating Exchange and the applicable Member Link Agreement to which such member of the Participating Exchange is party and in accordance with any other procedures from time to time agreed between the Clearing House and the Participating Exchange and any Exchange party to the relevant Link. Notwithstanding the preceding sentence, such contracts on the terms of a Participating Exchange Contract may be transferred after such time or times if the Clearing House, the Participating Exchange, and any Exchange party to the relevant Link so agrees.
- (b) Upon the transfer of a contract referred to in paragraph (a) which is on the terms of a Participating Exchange Contract pursuant to a Member Link Agreement, the parties to such contract shall be released from their obligations to each other under such contract (except from those obligations which the Member Link Agreement and the relevant Participating Exchange Rules expressly state shall survive) (a "discharged contract") and, without prejudice to the provisions of the Participating Exchange Rules, their respective rights against each other shall be cancelled and the discharged contract shall be replaced simultaneously by a contract on the terms of the relevant exchange contract between the Clearing House and the Member party to such Member Link Agreement for the same number of lots and the same delivery month or expiry month and exercise price (as applicable) as the discharged contract. Such contract shall, upon its arising, be subject to the relevant Exchange Rules and the Regulations and shall not be subject to any Participating Exchange Rules and shall, upon registration pursuant to Regulation 9(f), become an open contract.

Regulation 42 Default Affecting Transfer

- (a)
 - (i) If, prior to the transfer of Contracts on the terms of one or more Linked Exchange Contracts pursuant to Regulation 41(c), a Member becomes a defaulter or any other default-related or other event specified in a relevant Member Link Agreement to which the Member is party occurs with respect to the Member ("the defaulting Member"), Contracts on the terms of one or more relevant Linked Exchange Contracts registered in the defaulting Member's name with the Clearing House shall not be transferred pursuant to Regulation 41(c) if the terms of the relevant Member Link Agreement so provides.
 - (ii) Following the occurrence of any event referred to in sub-paragraph (a)(i) above in respect of a Member, and if Contracts in the terms of the relevant Linked Exchange Contracts to which the defaulting Member is party cannot be transferred pursuant to Regulation 41(c), the Clearing House shall, without prejudice to the Default Rules or to paragraph (f) above, for the purposes of facilitating the transfer of Contracts under one or more Links pursuant to Regulation 41(c), either enter into Contracts ("Default Management Contracts") as a principal with one or more Members (each "a Nominated Member") who agrees to enter into such contracts which shall, in accordance with paragraph (c) of this Regulation 42, be in the terms of such Contracts on the terms of one or more relevant Linked Exchange Contracts which are or become registered in the defaulting Member's name with the Clearing House or, if the terms of the relevant Link Agreement so requires, implement the provisions of Regulation 42(g).
- (b)
 - (i) If, prior to the transfer of Contracts on the terms of one or more Linked Exchange Contracts pursuant to Regulation 41(c), the Clearing House becomes aware that a member of a Participating Exchange who is party to such Member Link Agreement with a Member ("affected Member") has become a Defaulter (as defined in such Member Link Agreement) or any other default-related or other event specified in such Member Link Agreement occurs with respect to the member of the Participating Exchange, Contracts on the terms of one or more relevant Linked Exchange Contracts registered in the name of an affected Member shall not be transferred under such Member Link Agreement or under any other relevant Member Link Agreement if the terms of any such agreement do not so permit and, pursuant to the terms of the relevant Link Agreement either the provisions of sub-paragraph (ii)**Error! Reference source not found.** or Regulation 42(g) shall apply.
 - (iii) If, pursuant to sub-paragraph (i) above, this sub-paragraph (ii) applies, the Clearing House shall, for the purposes of facilitating the transfer of Contracts under a Link pursuant to Regulation 41(c), enter into Default Management Contracts with one or more Nominated Members who agree to enter into such Contracts, which shall in accordance with paragraph (c) of this Regulation 42 be on the terms of Contracts on the terms of one or more relevant Linked Exchange Contracts which are or become registered in the affected Member's name.
- (c) Default Management Contracts entered into by the Clearing House pursuant to paragraph (a) or (b)(ii) above with one or more Nominated Members shall (in aggregate) be for the same number of lots as the number of lots of Contracts on the terms of one or more relevant Linked Exchange Contracts which remain open contracts after the Clearing House has taken steps (if any) pursuant to the Default Rules (or the relevant Exchange has taken steps (if any) under Exchange Rules) to achieve a discharge of the defaulter's rights and liabilities under or in respect of such Contracts or, as the case may be, pursuant to paragraph (f) below to achieve a discharge of the affected Member's Contracts and shall be assigned to such accounts of a Nominated Member as agreed between the Clearing House and the Nominated Member and, as applicable, shall be included in the Nominated Member's Day Position Balances or aggregated with the Contracts registered

in the Nominated Member's accounts which do not form part of his Day Position Balances. Details of such Default Management Contracts shall be transmitted to the relevant Participating Exchange pursuant to Regulation 41(b).

- (d) Default Management Contracts entered into by the Clearing House pursuant to Regulation 42(a) or 42(b)(ii) with a Nominated Member shall be transferred pursuant to Regulation 41(c) and thereby discharged in accordance with the terms of any written agreement entered into between the Clearing House and the Nominated Member for the purposes of this Regulation 42 and upon such transfer, the Clearing House and the Nominated Member shall become party to new Contracts which shall be subject to the Regulations and in the same terms and for the same number of lots as the Default Management Contracts, as more particularly described in such agreement, save that the Clearing House, if a party to a Default Management Contract as a seller, shall be a buyer under a Contract to which the Clearing House becomes a party under this paragraph (d) and vice versa. Such new Contracts shall not be transferred pursuant to Regulation 41, but shall be performed in accordance with the Regulations and the terms of any written agreement to which the Clearing House and the Nominated Member is a party for the purposes of this Regulation 42.
- (e) Contracts on the terms of a Linked Exchange Contract to which a defaulter or an affected Member is a party and which cannot be transferred pursuant to Regulation 41(c) ("affected Contracts") shall remain subject to and shall be discharged in accordance with the Regulations.
- (f) Without prejudice to the Default Rules, the Clearing House shall have the right to take such action and by such means as the Clearing House in its absolute discretion determines to close-out, cash-settle by invoicing back, transfer to another member pursuant to Regulation 11, or otherwise achieve a discharge of the affected Member's affected Contracts whether or not the affected Member is a defaulter.
- (g) If the terms of the applicable Link Agreement so require the Clearing House shall, following the occurrence of an event referred to in Regulation 42(a) in respect of a Member or in Regulation 42(b) in respect of a member of the relevant Participating Exchange, become party to one or more contracts (each a "Default Contract") with the Participating Exchange party to such Link Agreement which shall be on the same terms and for the same number of lots as the number of lots of the affected contracts which remain open contracts after the Clearing House has taken steps pursuant to the Default Rules or pursuant to paragraph (f) above with respect to such affected Contracts, except that each Default Contract shall be subject to the relevant Participating Exchange Rules and not subject to these Regulations or to the relevant Exchange Rules. The Clearing House shall have the right to take such action and by such means as the Clearing House in its absolute discretion determines to close-out, transfer or otherwise achieve the discharge of each Default Contract pursuant to the relevant Participating Exchange Rules or the terms of any agreement concluded between the Clearing House and such Participating Exchange and to close-out, transfer or otherwise achieve a discharge of the affected Contracts pursuant to the Default Rules or Regulation 42(f).
- (h)
 - (i) If the terms of the relevant Link Agreement so require, following the occurrence of an event referred to in Regulation 42(a) in relation to a Member or in Regulation 42(b) in relation to a member of a Participating Exchange, contracts on the terms of one or more relevant Participating Exchange Contracts registered with the relevant Participating Exchange in the name of such member of the Participating Exchange or a member of the Participating Exchange party to a Member Link Agreement with the Member and which form part of such member of the Participating Exchange's day Position Balances shall not be transferred pursuant to Regulation 41A (b) and the Participating Exchange (as a

Member of the Clearing House) shall become party to one or more open contracts (each a "Default Contract") with the Clearing House.

- (ii) Each such Default contract shall be on the same terms and for the same number of lots as such contracts on the terms of each such Participating Exchange Contract, except that each Default Contract shall be subject to the Regulations and the relevant Exchange Rules and not subject to the relevant Participating Exchange Rules. The Participating Exchange shall have the right to take such action and by such means as the Participating Exchange in its absolute discretion determines to close-out, transfer or otherwise achieve the discharge of each Default Contract pursuant to the Regulations or the terms of any agreement concluded between the Clearing House and the relevant Participating Exchange, provided that, without prejudice to the Default Rules, the Clearing House shall also have the right to take such action and by such means as the Clearing House in its absolute discretion determines to close-out, transfer to another Member pursuant to Regulation 11, or (if they cannot be so transferred) otherwise achieve a discharge of each such Default Contract, and may take such action whether or not the Participating Exchange is a defaulter.

Regulation 43 Margin

Without prejudice to the provisions of Regulation 9(b) or Regulation 12, the Procedures or any agreement entered into between the Clearing House and a Member with respect to cover for margin provided or to be provided by such Member to the Clearing House, the Clearing House shall be entitled to require a Member to furnish cover to the Clearing House in an amount determined by the Clearing House as a condition of the Clearing House agreeing to register original contracts on the terms of a Linked Exchange Contract in the name of the Member and to keep the Clearing House furnished with sufficient cover at all times, in an amount or amounts determined by the Clearing House, as security for the performance by such Member of his obligations to the Clearing House in respect of such original contracts to be registered or Contracts registered with the Clearing House. - (b) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a SwapClear Clearing Member shall be bound by a SwapClear Contract registered in its name pursuant to the presentation of particulars of a SwapClear Transaction by it (including presentation by any SCM Branch of that SwapClear Clearing Member) or by a SwapClear Dealer with whom it is party to a SwapClear Dealer Clearing Agreement and regardless of whether the SwapClear Clearing Member or SwapClear Dealer (as the case may be) entered into the SwapClear Transaction through a Designated Office or an office which is not a Designated Office, provided that the particulars of such SwapClear Transaction were submitted to the Clearing House through a Designated Office.
- (c) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a SwapClear Transaction, particulars of which are submitted for registration as a SwapClear Contract, must meet the eligibility criteria prescribed in these Regulations and the Procedures at the time the particulars of the SwapClear Transaction are presented to the Clearing House and must continue to meet such criteria at the Registration Time in order to be registered as a SwapClear Contract.

For the purposes of this Regulation:
- (i) "First SwapClear Clearing Member" is a SwapClear Clearing Member who was, before registration of the SwapClear Contract, party to the corresponding SwapClear Transaction as the party paying Rate X, or who has a subsisting SwapClear Dealer Clearing Agreement with the SwapClear Dealer who was party to the corresponding SwapClear Transaction as the party paying Rate X; and
 - (ii) "Second SwapClear Clearing Member" is a SwapClear Clearing Member who was, before registration of the SwapClear Contract, party to the corresponding SwapClear Transaction as the party paying Rate Y, or who has a subsisting SwapClear Dealer Clearing Agreement with the SwapClear Dealer who was party to the corresponding SwapClear Transaction as the party paying Rate Y.

- (c) If a SwapClear Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any SwapClear Contract arising under this Regulation, Regulation 3(b) or Regulation 11.

In the case of a SwapClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 48 shall take effect.

1. Interpretation

- 1.1. "ISDA 2000 Definitions" means the 2000 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. - 3.2.2. For the purposes of this provision events associated with EMU include those set out in the "EMU Continuity Provision" published by ISDA.
- 3.2.3. In addition, in relation to an occurrence of an event associated with EMU, the Clearing House may from time to time, by notice delivered to the SwapClear Clearing Members and SwapClear Dealers, give directions as to changes, if any, to these SwapClear Contract Terms and to its Procedures. The Clearing House shall make any payments due to a SwapClear Clearing Member net of any deduction or withholding for or on account of any tax it is required to make from such payments.

Each SwapClear Contract shall be governed by and construed in accordance with the laws of England and Wales and the parties irrevocably agree for the benefit of the Clearing House that the courts of England and Wales shall have exclusive jurisdiction to hear and determine any action or dispute which may arise here from. The SwapClear Clearing

Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

3.1.2 Business Day Conventions

The Business Day Convention specified in the Economic Terms must be one of the following:

Following (see Article 4.12 (i) of the ISDA 2000 Definitions and Article 4.12 (i) of the ISDA 2006 Definitions for definition)

Modified Following (see Article 4.12 (ii) of the ISDA 2000 Definitions and Article 4.12(ii) of the ISDA 2006 Definitions for definition)

Preceding (see Article 4.12 (iii) of the ISDA 2000 Definitions and Article 4.12 (iii) of the ISDA 2006 Definitions for definition)

For vanilla interest rate swaps with constant notional principal SwapClear does not support trades where a different business day convention is used for:

fixed period end dates and the termination date

float period end dates and the termination date

3.1.3 Minimum and Maximum Residual Term of the Trade (Termination date – Today)

Trades in respect of vanilla interest rate swaps with constant notional principal and variable notional swaps are subject to a minimum and maximum Residual Term on the day they are received by SwapClear.

Minimum Residual Term of trade:

Termination date - Today >= 1 + currency settlement lag

where currency settlement lag is:

1 day for EUR, USD, GBP and CAD denominated trades

2 days for JPY, CHF, AUD, DKK, HKD, NZD, SEK, NOK, PLN, ZAR, SAD, HUF & CZK denominated trades

Maximum Residual Term of trade:

Termination date - Today <= 3,670 days for DKK, HKD, NZD, NOK, PLN, ZAR, SAD, HUF & CZK (10 years)

Termination date - Today <= 10,970 days for AUD, CAD, CHF, JPY & SEK (30 years)

Termination date – Today <= 18,275 days for GBP, EUR & USD (50 years)

Maximum Residual Term to Maturity for Forward Rate Agreements

The maximum residual term to maturity for forward rate agreements is as follows:

Currency	Maximum Residual Term to Maturity
EUR, JPY, USD	1105 days (3 years)
AUD, CAD, CHF, DKK, NOK, NZD, PLN, SEK, ZAR, CZK, HUF	740 days (2 years)

3.1.4 Designated Maturity

The Designated Maturity must be no less than one month and no more than twelve months. The Clearing House will, excepting stub periods, only accept a Designated Maturity that is a whole calendar month.

3.1.5 Calculation Periods

(See Article 4.13 of the ISDA 2000 Definitions and Article 4.13 of the ISDA 2006 Definitions for definition.)

For vanilla interest rate swaps with constant notional principal and variable notional swaps the Clearing House will only accept non-standard Calculation Periods ("stub periods") at either the start or end of the contract. Transactions with stub periods at both the start and end of the transaction will not be eligible as SwapClear Transactions.

For variable notional swaps the stub rate should be detailed either as a percentage (i.e. 5.5%), an interpolation (i.e. 1 month/3months) or as a designated maturity (i.e. 1 month). Stub Rates within the Final Stub are calculated via interpolation or as a designated maturity.

For interpolated coupons, payment dates must fall between the rolled dates, according to the Modified Following business day convention, of the specified designated maturities. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

The minimum stub period of a variable notional swap accepted by SwapClear is 1 + Currency Settlement Lag. The minimum stub rate tenor must be >= 1 week for IRS and basis swap and >=1 month for zero coupon swaps.

SwapClear also calculates floating periods subject to 'IMM settlement dates as per ISDA definitions.

For Forward Rate Agreements non standard designated maturities are accepted subject to the following criteria:

Interpolated period:

The maturity date must fall between the rolled dates, according to the business day convention, of the specified designated tenors. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

SwapClear will interpolate based upon the closest indices for interpolation

Non interpolated period:

SwapClear will only support the closest index tenor to the calculated period.

Regulation 53 Application of RepoClear Regulations

- (a) These RepoClear Regulations, which form part of the Regulations, together with the Regulations referred to in paragraph (b) apply to RepoClear Contracts, RepoClear GC Contracts, RepoClear Clearing Members and, insofar as relevant, to RepoClear Dealers.

- (c) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a RepoClear Transaction or RepoClear GC Transaction must, in order that it be registered as a RepoClear Contract or RepoClear GC Contract, as the case may be, meet the RepoClear Eligibility Criteria and other requirements as prescribed in the Regulations and the Procedures, at the time when the details (as prescribed from time to time by the Clearing House) of the RepoClear Transaction or RepoClear GC Transaction are presented to the Clearing House and at all times thereafter up to and including Registration Time.

- (f) If at any time after registration of a RepoClear Contract or RepoClear GC Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration did not, at the Registration Time, meet the criteria for registration as a RepoClear Contract or RepoClear GC Contract, the Clearing House shall, as soon as practicable thereafter, set aside each such RepoClear Contract or RepoClear GC Contract. Upon a RepoClear Contract or RepoClear GC Contract, as the case may be, being set aside under this paragraph, the details of the transaction in question shall be deemed never to have been submitted to the Clearing House and such transaction shall remain in effect between the persons party thereto in accordance with any terms agreed between them. Any payment made under, or in respect of, a RepoClear Contract or RepoClear GC Contract set aside under this paragraph shall be repayable to the person who made the payment, and any securities delivered under such Contract shall be re-delivered to the person who made the delivery of such securities. Without prejudice to Regulation 39 and its obligations under this Regulation 54(f), the Clearing House shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a RepoClear Contract or RepoClear GC Contract, in respect of a

transaction which did not meet the criteria at the Registration Time to enable it to be registered as a RepoClear Contract or RepoClear GC Contract, as the case may be.

Regulation 55 Registration of RepoClear Contracts and RepoClear GC Contracts following Submission of Details of a RepoClear Transaction or RepoClear GC Transaction

- (a) Without prejudice to the Clearing House's rights to effect further novation under Regulation 3(b), details of a RepoClear Transaction or RepoClear GC Transaction presented for registration through an Approved Trade Matching System to, and accepted by, the Clearing House, shall be registered by the Clearing House as two RepoClear Contracts or as two RepoClear GC Contracts, as the case may be, one between the Selling RepoClear Clearing Member and the Clearing House as buyer, as principals to such contract, and the other between the Clearing House as seller and the Buying RepoClear Clearing Member, as principals to such contract. For the purposes of this Regulation:
- (i) "Selling RepoClear Clearing Member" is a RepoClear Clearing Member who was, before registration of the RepoClear Contract or RepoClear GC Contract, party to the corresponding RepoClear Transaction or RepoClear GC Transaction as the seller, or who has a subsisting RepoClear Dealer Clearing Agreement with a RepoClear Dealer who was party to the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be, as the seller; and
 - (ii) "Buying RepoClear Clearing Member" is a RepoClear Clearing Member who was, before registration of the RepoClear Contract or RepoClear GC Contract, party to the corresponding RepoClear Transaction or RepoClear GC Transaction as the buyer, or who has a subsisting RepoClear Dealer Clearing Agreement with a RepoClear Dealer who was party to the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be, as the buyer.
- (b) With effect from registration of a RepoClear Transaction or RepoClear GC Transaction as two RepoClear Contracts or as two RepoClear GC Contracts, as the case may be under paragraph (a) of this Regulation:
- (i) the parties to the corresponding RepoClear Transaction or RepoClear GC Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;

 - (iii) each RepoClear GC Contract registered under paragraph (a) of this Regulation shall be governed by the RepoClear SGC Contract Terms or RepoClear €GC Contract Terms;
 - (iv) in respect of the Economic Terms, the Selling RepoClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the RepoClear Contract or RepoClear GC Contract to which it is a party as the selling party had and owed in respect of its counterparty under the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be; and
 - (v) in respect of the Economic Terms, the Buying RepoClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the RepoClear Contract or RepoClear GC Contract to which it is party as the buying party had and owed in respect of its counterparty under the corresponding RepoClear Transaction or RepoClear GC Transaction, as the case may be.

In subparagraphs (iv) and (v) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding RepoClear Transaction or RepoClear GC Transaction (it being assumed, for this purpose, that such RepoClear Transaction or RepoClear GC Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them and subject to any changes thereto as a result of the operation of the Standard Terms.

- (c) If a RepoClear Transaction or RepoClear GC Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration, that revocation, avoidance or invalidity shall not affect any RepoClear Contract or RepoClear GC Contract arising under this Regulation, Regulation 3(b) or Regulation 11.
- (d) The Clearing House may, with the agreement of RepoClear Clearing Members party to corresponding RepoClear Contracts or RepoClear GC Contracts, set aside or take such other steps with respect to such Contracts on such terms as may be agreed if either or both RepoClear Clearing Members consider that they have entered into a Contract in error or have agreed to certain terms of the Contract in error.
- (e) In the case of a RepoClear Contract or RepoClear GC Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 55 shall take effect.

Regulation 56 RepoClear transactions entered into by RepoClear Clearing Members through an Automated Trading System

- (a) This Regulation 56 applies to Repo Trades, Bond Trades and GC Trades made by RepoClear Clearing Members (otherwise than pursuant to Regulation 56A) through an Automated Trading System which such RepoClear Clearing Member is authorised by the Clearing House to use under the Procedures ("an ATS") either as direct participants in the ATS or indirectly through a participant in the ATS. In the event of any inconsistency between the Regulations (including the terms of any other agreement entered into between the RepoClear Clearing Member and the Clearing House), and the rules, practices, procedures and arrangements of the ATS ("ATS Rules") the Regulations shall prevail.
- (b) If an "ATS participant" (defined for these purposes as a RepoClear Clearing Member, who is a direct or indirect participant in an ATS) has given notice to the Clearing House, in accordance with the Procedures, that it intends to carry out Repo Trades and/or Bond Trades and/or GC Trades through an ATS specified in its notice and has not withdrawn such notice in accordance with the Procedures, the Clearing House will enter into RepoClear Contracts or RepoClear GC Contracts, as the case may be, with the ATS participant pursuant to such dealings in accordance with and subject to the following provisions of this Regulation. The terms of a registered RepoClear Contract or RepoClear GC Contract shall be as notified to the Clearing House by the ATS and otherwise subject to the Regulations (and the Clearing House and the ATS participant party to the registered RepoClear Contract or RepoClear GC Contract, as the case may be, shall be obliged to perform their obligations thereunder in accordance with such terms).
- (c) The Clearing House makes an open offer to the ATS participant that it shall enter into a RepoClear Contract in respect of any Repo Trade or any Bond Trade or to enter into a RepoClear GC Contract in respect of any GC Trade, in accordance with paragraph (d) or paragraph (e) of this Regulation, as applicable, pursuant to the ATS participant's dealings through any ATS referred to in paragraph (b), provided that the following requirements ("the RepoClear Open Offer Eligibility Criteria") shall have been complied with:
- (i) not more than ten minutes have lapsed since the Clearing Membership Agreement to which the ATS participant is party was terminated in accordance with its terms and/or the Clearing House removed its authorisation of that ATS participant to participate in the RepoClear Service;
 - (ii) not more than ten minutes have lapsed since a Default Notice was signed in respect of the ATS participant under rule 3 of the Default Rules (without prejudice to the Clearing House's rights to register new Contracts (including RepoClear Contracts and RepoClear GC Contracts, whether closing out contracts or otherwise) in the ATS participant's name under the Default Rules in connection with the Clearing House's default proceedings);
 - (iii) such dealings satisfy the terms and conditions stated in the Regulations and the Procedures with respect to such dealings (together the "RepoClear Eligibility Criteria for RepoClear Contracts and RepoClear GC Contracts") and the offers made in this Regulation 56, including the terms of any Contract which would arise under paragraph (d) or (e) and all necessary details as required by the Clearing House, shall have been provided to the Clearing House;
 - (iv) the dealings are recognised by the relevant ATS as satisfying the RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear GC Contract and as dealings which the parties thereto have identified are to be registered by the

- Clearing House as RepoClear Contracts or RepoClear GC Contracts, as applicable;
- (v) the ATS participant has executed such agreements or documents as may be required by the Clearing House from time to time in connection herewith; and
- (vi) all or any conditions imposed by the Clearing House have been satisfied.
- (d) If particulars with respect to (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade which satisfy the relevant RepoClear Open Offer Eligibility Criteria have been input into the relevant ATS by or on behalf of an ATS participant as seller and have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade or GC Trade, on such terms input into such ATS by another ATS participant as buyer, and the relevant RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the buyer under one RepoClear Contract or RepoClear GC Contract (as the case may be) to the selling ATS participant, and the seller under the second RepoClear Contract or relevant RepoClear GC Contract, as the case may be to the buying ATS participant.
- (e) If particulars with respect to (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade, which satisfy the relevant RepoClear Open Offer Eligibility Criteria have been input into the relevant ATS by or on behalf of an ATS participant as buyer and have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade or GC Trade, on such terms input into such ATS by another ATS participant as seller and the RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or two RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the seller under one RepoClear Contract or RepoClear GC Contract, as the case may be, to the buying ATS participant, and the buyer under the second RepoClear Contract or RepoClear GC Contract (as the case may be) to the selling ATS participant.
- (f) RepoClear Contracts or RepoClear GC Contracts entered into by the Clearing House under paragraph (d) or (e), as applicable, with RepoClear Clearing Members, shall be registered in the name of each RepoClear Clearing Member following receipt of the details required by the Clearing House of such Contracts from the operator of the relevant ATS.
- (g) If the details required by the Clearing House of RepoClear Contracts or RepoClear GC Contracts arising under paragraph (d) or (e) are not provided to the Clearing House by the operator of the relevant ATS in accordance with the terms of an agreement entered into between the Clearing House and the ATS operator by the time required by the Clearing

House from time to time, neither the Clearing House nor the RepoClear Clearing Member party thereto shall be obliged to perform their respective obligations under the RepoClear Contracts or RepoClear GC Contracts, as the case may be arising under paragraph (d) or (e), as applicable. If the Clearing House receives such details after such time from such operator or in accordance with any directions issued by the Clearing House to the affected RepoClear Clearing Member, or any other RepoClear Participant, such RepoClear Contracts or RepoClear GC Contracts shall be performed in accordance with any directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected RepoClear Contract or RepoClear GC Contract. Any directions given by the Clearing House under this paragraph (g) shall be binding on all affected RepoClear Participants.

- (h) The Clearing House undertakes to keep open the offer made by it in this Regulation 56 until such ATS participant is no longer eligible to have RepoClear Contracts or RepoClear GC Contracts registered in its name or has withdrawn from trading through each ATS notified to the Clearing House under paragraph (b). Any such intended withdrawal from trading through an ATS must be notified to the Clearing House in accordance with the Procedures.
- (i) Without prejudice to Regulation 39, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall not be liable to any RepoClear Clearing Member or anyone else for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any RepoClear Contract or RepoClear GC Contract arising under paragraph (d) or (e) if the Clearing House does not receive the relevant details referred to in paragraph (g) by the time referred to in such paragraph (g) in respect of such RepoClear Contract or RepoClear GC Contract.
- (j) Notwithstanding the provisions of paragraph (c), if the Clearing House receives details of a trade from an ATS specified by an ATS participant by notice given under paragraph (b) and which notice has not been withdrawn and the details of the trade purportedly meet the relevant RepoClear Open Offer Eligibility Criteria in paragraph (c), the ATS participant shall be bound by any RepoClear Contract or RepoClear GC Contract registered in his name in respect of such trade and the terms of such registered RepoClear Contract or RepoClear GC Contract, as the case may be, shall be as set out in paragraph (b).
- (k) Without prejudice to paragraph (j), the Clearing House may with the agreement of RepoClear Clearing Members party to corresponding RepoClear Contracts or RepoClear GC Contracts, set aside or take such other steps with respect to such contracts on such terms as may be agreed if either or both RepoClear Clearing Members consider that they have entered into a contract in error or have agreed to certain terms of the contract in error.
- (l) In the event of a dispute arising out of, or in respect of, the existence of a trade, or whether it was identified to the ATS by the ATS participants (as defined above) as a trade to be registered by the Clearing House as a RepoClear Contract or RepoClear GC Contract, such dispute shall be settled as provided for in the ATS Rules, without recourse to the Clearing House. In respect of a dispute arising out of, or in respect of, a registered RepoClear Contract or RepoClear GC Contract, other than a dispute in respect of a matter referred to above as a dispute to be settled as provided for in the ATS Rules, such dispute shall be settled as provided in the Regulations.

Regulation 56A RepoClear transactions entered into by RepoClear Dealers through an Automated Trading System

- (a) This Regulation 56A applies to Repo Trades, Bond Trades and GC Trades made by a RepoClear Dealer (who is not a RepoClear Clearing Member) through an ATS which is an authorised ATS. In the event of any inconsistency between the Regulations, (including the RepoClear Dealer Clearing Agreement and the terms of any other agreement entered into between the RepoClear Dealer, the RepoClear Clearing Member and the Clearing House, or any of them) and relevant ATS Rules, the Regulations shall prevail.
- (b) If an “ATS participant” (defined for these purposes as a RepoClear Dealer who is a direct or indirect participant in an ATS), has given notice to the Clearing House in accordance with the Procedures, that it intends to carry out Repo Trades and/or Bond Trades and/or GC Trades through an ATS and has not withdrawn such notice in accordance with the Procedures, the Clearing House will enter into RepoClear Contracts or RepoClear GC Contracts, as the case may be, with the RepoClear Clearing Member of the ATS participant pursuant to such dealings in accordance with and subject to the following provisions of this Regulation. The terms of a registered RepoClear Contract or RepoClear GC Contract shall be as notified to the Clearing House by the ATS and otherwise subject to the Regulations (and the Clearing House and the RepoClear Clearing Member party to the registered RepoClear Contract or RepoClear GC Contract, as the case may be, shall be obliged to perform their obligations thereunder in accordance with such terms).
- (c) The Clearing House makes an open offer to the RepoClear Clearing Member of the ATS participant to enter into a RepoClear Contract in respect of any Repo Trade or any Bond Trade or to enter into a RepoClear GC Contract in respect of any GC Trade in accordance with paragraph (d) or paragraph (e) of this Regulation, as applicable, pursuant to the ATS participant’s dealings through any ATS referred to in paragraph (b), provided that the following requirements (“the RepoClear Open Offer Eligibility Criteria”) shall have been complied with:
- (i) the Clearing Membership Agreement to which the RepoClear Clearing Member is party has not been terminated in accordance with its terms;
 - (ii) the ATS participant has not been removed or suspended from the Register of RepoClear Dealers;
 - (iii) a Default Notice has not been issued in respect of the RepoClear Clearing Member under rule 3 of the Default Rules (without prejudice to the Clearing House’s rights to register new contracts (including RepoClear Contracts and RepoClear GC Contracts, whether closing out contracts or otherwise) in the RepoClear Clearing Member’s name under the Default Rules in connection with the Clearing House’s default proceedings);
 - (iv) such dealings satisfy the terms and conditions stated in the Regulations and the Procedures with respect to such dealings (the “RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear GC Contracts”) and the offers made in this Regulation 56A, including the terms of any contract which would arise under paragraph (d) or (e) and all necessary details as required by the Clearing House shall have been provided to the Clearing House;
 - (v) the dealings are recognised by the relevant authorised ATS as satisfying the RepoClear Eligibility Criteria for a RepoClear Contract or RepoClear GC Contract and as dealings which the parties thereto have identified are to be registered by

the Clearing House as RepoClear Contracts or RepoClear GC Contracts, as applicable;

- (vi) the RepoClear Clearing Member or the ATS participant as agent for the RepoClear Clearing Member has executed such agreements or documents as may be required by the Clearing House from time to time in connection herewith or the RepoClear Dealer Clearing Agreement; and
- (vii) all or any conditions imposed by the Clearing House have been satisfied.

(d) If particulars with respect to (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade which satisfy the RepoClear Open Offer Eligibility Criteria have been input in to the relevant authorised ATS by or on behalf of an ATS participant as seller and have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade, or GC Trade on such terms input into such ATS by another ATS participant as buyer, and the RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or two RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the buyer under one RepoClear Contract or RepoClear GC Contract, as the case may be, to the RepoClear Clearing Member of the selling ATS participant, and the seller under the second RepoClear Contract or RepoClear GC Contract, as the case may be, to the RepoClear Clearing Member of the buying ATS participant.

(e) If particulars in respect of (i) a Repo Trade; (ii) a Bond Trade or (iii) a GC Trade, which satisfy the RepoClear Open Offer Eligibility Criteria have been input into the relevant ATS by or on behalf of an ATS participant as buyer and have been matched by, or in accordance with the ATS Rules with particulars in respect of a Repo Trade, Bond Trade or GC Trade (as the case may be), on such terms input into such ATS by another ATS participant as seller and the RepoClear Open Offer Eligibility Criteria have been satisfied, two RepoClear Contracts or two RepoClear GC Contracts, as the case may be, shall arise immediately on the matching of such details as follows (provided that, if the selling ATS participant has not identified all relevant details required by the Clearing House in respect of the securities to be delivered by him under a transaction other than for a RepoClear GC Trade, the RepoClear Open Offer Eligibility Criteria will only be satisfied on his identifying all such relevant details in accordance with the ATS Rules and the two RepoClear Contracts shall arise immediately on such details being identified provided always that the other RepoClear Open Offer Eligibility Criteria are also satisfied at the time of such details being so provided). The Clearing House shall be the seller under one RepoClear Contract or RepoClear GC Contract (as the case may be) to the RepoClear Clearing Member of the buying ATS participant, and the buyer under the second RepoClear Contract or RepoClear GC Contract (as the case may be) to the RepoClear Clearing Member of the selling ATS participant.

(f) RepoClear Contracts or RepoClear GC Contracts entered into by the Clearing House under paragraph (d) or (e), as applicable, with RepoClear Clearing Members, shall be registered in the name of each RepoClear Clearing Member following receipt of the details required by the Clearing House of such contracts from the operator of the relevant ATS.

- (g) If the details required by the Clearing House of RepoClear Contracts or RepoClear GC Contracts arising under paragraph (d) or (e) are not provided to the Clearing House by the operator of the relevant ATS in accordance with the terms of an agreement entered into between the Clearing House and the ATS operator by the time required by the Clearing House from time to time, neither the Clearing House nor the RepoClear Clearing Member party thereto shall be obliged to perform their respective obligations under the RepoClear Contracts or RepoClear GC Contracts arising under paragraph (d) or (e), as applicable. If the Clearing House receives such details after such time from such operator or in accordance with any directions issued by the Clearing House to the affected RepoClear Clearing Member, or any other RepoClear participant, such RepoClear Contracts or RepoClear GC Contracts shall be performed in accordance with any directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected RepoClear Contract or RepoClear GC Contract. Any directions given by the Clearing House under this paragraph (g) shall be binding on all affected RepoClear Participants.
- (h) The Clearing House undertakes to keep open the offer made by it in this Regulation 56A in respect of Repo Trades, Bond Trades or GC Trades meeting the RepoClear Open Offer Eligibility Criteria until each authorised ATS referred to in paragraph (b) has removed from the ATS participant the ability to submit Repo Trades or Bond Trades or GC Trades for registration with the Clearing House.
- (i) Without prejudice to Regulation 39A, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall not be liable to any RepoClear Clearing Member or anyone else for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any RepoClear Contract or any RepoClear GC Contract arising under paragraph (d) or (e) if the Clearing House does not receive the relevant details referred to in paragraph (g) by the time referred to in such paragraph (g) in respect of such RepoClear Contract or RepoClear GC Contract.
- (j) Notwithstanding the provisions of paragraph (c), if the Clearing House receives details of a trade from an ATS specified by an ATS participant by notice given under paragraph (b) and which notice has not been withdrawn and the details of the trade purportedly meet the relevant RepoClear Open Offer Eligibility Criteria in paragraph (c), the RepoClear Clearing Member of the relevant ATS participant shall be bound by any RepoClear Contract or RepoClear GC Contract registered in his name in respect of such trade and the terms of such registered RepoClear Contract or RepoClear GC Contract shall be as set out in paragraph (b).
- (k) Without prejudice to paragraph (i), the Clearing House may with the agreement of RepoClear Clearing Members party to corresponding RepoClear Contracts or RepoClear GC Contracts, set aside or take such other steps with respect to such contracts on such terms as may be agreed if either or both RepoClear Clearing Members consider that they have entered into a contract in error or that certain terms of the contract have been agreed by their respective ATS participants in error.
- (l) In the event of a dispute arising out of, or in respect of, the existence of a trade, or whether it was identified to the ATS by the ATS participants (as defined above) as a trade to be registered by the Clearing House as a RepoClear Contract or RepoClear GC Contract, such dispute shall be settled as provided for in the ATS Rules, without recourse to the Clearing House. In respect of a dispute arising out of, or in respect of, a registered RepoClear Contract or RepoClear GC Contract, other than a dispute in respect of a matter referred to above as a dispute to be settled as provided for in the ATS Rules, such disputes shall be settled as provided in the Regulations.

- (a) Application for admission to the Register of RepoClear Dealers shall be made in accordance with these Regulations and the Procedures. An applicant for admission to the Register of RepoClear Dealers must satisfy the criteria prescribed by the Clearing House from time to time in order to be admitted to the Register of RepoClear Dealers. A RepoClear Dealer shall be subject to, and governed by, these Regulations, the Procedures and the RepoClear Dealer Clearing Agreement to which it is for the time being party.

- (e) The Clearing House may, for the purposes of Regulation 57(A), prescribe different criteria to be satisfied by RepoClear Dealers in respect of Repo Trades, Bond Trades, RepoClear Transactions, RepoClear GC Transactions or GC Trades.

- (a) A Member may not become party to RepoClear Contracts or RepoClear GC Contracts unless it has been authorised by the Clearing House as a RepoClear Clearing Member and is eligible to be party to such RepoClear Contracts or RepoClear GC Contracts and such authorisation has not been withdrawn or suspended by the Clearing House.
- (b) Application for authorisation as a RepoClear Clearing Member shall be made in accordance with these Regulations and the Procedures. In order to be authorised as a RepoClear Clearing Member, a Member must meet the criteria applicable to the RepoClear Contracts or RepoClear GC Contracts to which it wishes to become a party. A Clearing Member may be authorised as eligible to become party to certain RepoClear Contracts or RepoClear GC Contracts and not others.
- (c) The withdrawal or suspension of a Member's authorisation referred to in paragraph (a) shall not, of itself, affect its membership of the Clearing House, or its entitlement (if any) to become party to RepoClear Contracts or RepoClear GC Contracts which are not caught by the withdrawal or suspension of such authorisation.
- (d) Where a Default Notice is served in accordance with these Regulations, or the Clearing Membership Agreement of a RepoClear Clearing Member is terminated, the service of such notice or the termination of such Clearing Membership Agreement, as the case may be, shall automatically withdraw the authorisation of that Member to be a RepoClear Clearing Member.
- (e) Without prejudice to paragraph (d) of this Regulation, the Clearing House shall suspend the authorisation referred to in paragraph (a) of any Member who is no longer otherwise eligible to have RepoClear Contracts and/or RepoClear GC Contracts registered in its name for such period as the Clearing House may determine.
- (f) If a Member's authorisation to act as RepoClear Member is withdrawn, or is withdrawn with respect to some but not all RepoClear Contracts and RepoClear GC Contracts, those RepoClear Contracts or RepoClear GC Contracts which the Member is no longer eligible to clear with the Clearing House shall be closed-out in accordance with directions given by the Clearing House.

Regulation 58 Daily Margining of RepoClear Contracts and RepoClear GC Contracts

- (a) This Regulation 58 shall be without prejudice to the Clearing House's rights to require cover to be provided to it under Regulation 12.
- (b) The Net Present Value of each RepoClear Contract and each RepoClear GC Contract shall be calculated by the Clearing House in such manner and at such times as may be provided in the Procedures. Except as prescribed in the Procedures, the Net Present Value calculated by the Clearing House may in no circumstances be challenged.
- (c) Subject to paragraph (d), the Clearing House shall require payment, in accordance with the Procedures, at least daily, of cash cover for variation margin from a RepoClear Clearing Member, or will be required to pay cash cover for variation margin to such RepoClear Clearing Member, representing the change in the Net Present Value of all RepoClear Contracts and RepoClear GC Contracts registered in the RepoClear Clearing Member's name for a particular currency from the preceding RepoClear Opening Day (as defined in the Procedures), in an amount calculated in accordance with the Procedures. Payment of cash cover shall be made in accordance with and by the time or times stated in the Procedures.
- (d) Interest shall be paid by the Clearing House on cash cover paid to the Clearing House by such RepoClear Member and shall be calculated on the basis set out in the Procedures. A RepoClear Clearing Member shall pay interest to the Clearing House on cash cover paid by the Clearing House to the RepoClear Clearing Member as calculated by the Clearing House on the basis set out in the Procedures.

Regulation 59 Delivery (or Other) Failures

- (a) Without prejudice to the Default Rules, if a RepoClear Clearing Member as seller fails to deliver securities to the Clearing House under a RepoClear Contract or RepoClear GC Contract by the due time therefore, the Clearing House shall issue directions, in accordance with the Procedures, to the seller and to a RepoClear Clearing Member as buyer under a corresponding RepoClear Contract or RepoClear GC Contract regarding the performance of such contracts and such directions shall be binding on such members.
- (b) The Clearing House shall be entitled to call for cover for margin in such amounts and in such form as it may require in accordance with the Procedures from the selling RepoClear Clearing Member who has failed to deliver securities under a RepoClear Contract or RepoClear GC Contract by the due time therefore and from the buying RepoClear Clearing Member under the corresponding RepoClear Contract or RepoClear GC Contract.
- (c) Without prejudice to the Default Rules, if a selling RepoClear Clearing Member acts in such a manner (which could, without limit, include persistent failure to deliver securities to the Clearing House under RepoClear Contracts or RepoClear GC Contract (other than in circumstances where Regulations 26 and/or 27 apply)), and the Clearing House in its reasonable opinion determines that the reputation of the RepoClear Service is being, or has been, undermined, the Clearing House shall be entitled to terminate, on written notice, either summarily or at the expiry of the period specified in the notice, the RepoClear Member's ability to have RepoClear Contracts and/or RepoClear GC Contracts registered in his name and to require him to liquidate or transfer under Regulation 11 open contracts, being RepoClear Contracts and/or RepoClear GC Contracts registered in his name.

Regulation 60 Withdrawal of RepoClear Service by the Clearing House

- (a) If at any time the Clearing House decides to withdraw the RepoClear service, it shall give not less than six months' notice to all RepoClear Participants of the date on which the service will be withdrawn ("the RepoClear Withdrawal Date"). The accidental omission by the Clearing House to give notice under this Regulation to, or the non-receipt of notice under this Regulation by, one or more RepoClear Participants shall not invalidate the RepoClear Withdrawal Date.
- (b) Without prejudice to its rights under the Default Rules, any notice given under paragraph (a) shall specify the nature of the service which the Clearing House will provide until the RepoClear Withdrawal Date.
- (c) If, at the RepoClear Withdrawal Date, a RepoClear Clearing Member has open Contracts, being RepoClear Contracts and/or RepoClear GC Contracts, registered in its name, the Clearing House shall, at its sole discretion, be entitled to liquidate any such RepoClear Contracts and/or RepoClear GC Contracts and effect cash settlement in respect of them with the RepoClear Clearing Member.

 - (i) the Clearing House shall be the seller under one EquityClear (Equities) Contract to the buying EquityClear Clearing Member; and
 - (ii) the Clearing House shall be the buyer under one EquityClear (Equities) Contract to the selling EquityClear Clearing Member.
- (g) In respect of an EquityClear Mixed Member Match which is at EquityClear (Equities) ATP Match, where Trading Platform Particulars submitted by, or on behalf of, an EquityClear Clearing Member to the relevant ATP have been matched, in accordance with the ATP Market Rules, with Trading Platform Particulars submitted by, or on behalf of, a member of a relevant Co-operating Clearing House, the Clearing House shall, on receipt of details of such EquityClear (Equities) ATP Match through the ATP (or by such other means) and subject to the EquityClear (Equities) Open Offer Eligibility Criteria having been met with respect to such EquityClear Clearing Member and the relevant Co-operating Clearing House being party to a valid and subsisting agreement with the Clearing House for the co-clearing of EquityClear Mixed Member Matches, register Contracts in the name of the EquityClear Clearing Member and in the name of the relevant Co-operating Clearing House as follows:
 - (i) where the EquityClear Clearing Member is identified in the EquityClear (Equities) ATP Match as the buyer, (A) the Clearing House shall be the seller under an EquityClear (Equities) Contract with the EquityClear Clearing Member as buyer;

- (h) EquityClear (Equities) Contracts entered into by the Clearing House under paragraphs (e) to (g), as applicable, with EquityClear Clearing Members, shall be registered in the name of each EquityClear Clearing Member following receipt by the Clearing House of the details required by the Clearing House of such Contracts, such details to be made available to the Clearing House by the operator of the relevant ATP or the relevant approved agent, as applicable (in accordance with the arrangements made between the Clearing House and such ATP or approved agent from time to time).
- (i) If the details of EquityClear (Equities) Contracts arising under paragraphs (e) to (g) required by the Clearing House are not made available to the Clearing House by the operator of the relevant ATP or the relevant approved agent, as applicable, as required by the Clearing House in accordance with the Clearing House's requirements, by the time prescribed by the Clearing House from time to time, or the Clearing House is not able to access such details the Clearing House may decree that neither the Clearing House nor the EquityClear Clearing Member party thereto shall be obliged to perform their respective obligations under the EquityClear (Equities) Contracts arising under paragraphs (e) to (g), as applicable. If the Clearing House so decrees, the Clearing House shall issue directions to the affected EquityClear Clearing Members and such EquityClear (Equities) Contracts shall be performed in accordance with any such directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected EquityClear (Equities) Contract. Any directions given by the Clearing House under this paragraph (i) shall be binding on all affected EquityClear Clearing Members.
- (j) Subject to its rights to suspend the EquityClear (Equities) Open Offer and/or the EquityClear service generally or in respect of one or more ATPs and/or one or more EquityClear NCMs, or to withdraw the EquityClear service in whole or in part, as set out in an Approved EquityClear Clearing Agreement, these Regulations or the Procedures, the Clearing House undertakes to keep open the offer made by it in this Regulation 62A until such EquityClear Clearing Member is no longer eligible to have EquityClear (Equities) Contracts registered in its name or has withdrawn from trading through each ATP notified to the Clearing House under paragraph (b). Any such intended withdrawal from trading through an ATP must be notified to the Clearing House in accordance with the Procedures.
- (k) Without prejudice to Regulation 39A, the Clearing House shall not be liable to any EquityClear Clearing Member (or anyone else, including but not limited to any EquityClear NCM), for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any EquityClear (Equities) Contract arising under paragraphs (e) to (g) if the Clearing House does not receive the relevant details referred to in paragraph (i) by the time referred to in such paragraph (i) in respect of such EquityClear (Equities) Contract and has not pursuant to paragraph (i) performed its obligations under any such contract.
- (l) Notwithstanding the provisions of paragraph (c), if the Clearing House or its approved agent receives details of an EquityClear (Equities) ATP Match in respect of an EquityClear Clearing Member from an ATP specified by the EquityClear Clearing Member by notice

given under paragraph (b) and which has not been withdrawn in respect of that ATP, and the details of the EquityClear (Equities) ATP Match purportedly meet the relevant EquityClear (Equities) Open Offer Eligibility Criteria in paragraph (c) the EquityClear Clearing Member shall be bound by any EquityClear (Equities) Contract registered in his name in respect of such EquityClear (Equities) ATP Match and the terms of such registered EquityClear (Equities) Contract shall be as set out in paragraph (b).

(n) In the event of a dispute:

- (i) arising out of, or in respect of, the existence of an EquityClear (Equities) ATP Match or, where applicable, whether it was identified to the ATP by the relevant EquityClear Participants as an EquityClear (Equities) ATP Match to be registered by the Clearing House as an EquityClear (Equities) Contract such dispute shall be settled as provided for in the ATP Market Rules without recourse to the Clearing House;

Where the relevant ATP Market Rules do not include relevant arbitration provisions, or the application of such arbitration provisions to EquityClear (Equities) Contracts is disapplied in these Regulations or the Procedures, a dispute arising out of, or in respect of, such registered

EquityClear (Equities) Contracts, or in relation to these Regulations relating to the clearing of such EquityClear (Equities) Contracts, shall be settled in accordance with the Regulations and the Procedures, as applicable.

(o) Without prejudice to the generality of Regulation 39 or any other provision of the Regulations or Procedures concerning liability of the Clearing House or a Member, any liability of the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) to a Member or to any other person (including, without limitation, any client of a Member) which might otherwise arise in connection with the EquityClear service shall, if and to the extent such liability arises out of any act or omission of any third party upon whom the Clearing House is reliant in any material respect in its provision of the EquityClear service (including, without limitation, an Approved EquityClear Trading Platform, Approved EquityClear Settlement Provider, a Co-operating Clearing House or any provider of transaction routing functionality), be limited to such amounts as the Clearing House is entitled to recover and is successful in recovering from that third party in respect of that party's acts and/or omissions.

 - (viii) in the case of an EquityClear Novation Transaction which is an EquityClear Mixed Member Match:
 - (1) the eligibility criteria (howsoever defined) of the relevant Co-operating Clearing House in respect of such EquityClear Novation Transaction have been satisfied and the relevant Co-operating Clearing House has not declined to register, rejected, cancelled, avoided or terminated such EquityClear Novation Transaction or any contract between the Co-operating Clearing House and its member arising out of it; and

- (e) For the avoidance of doubt, any transaction of which details have been presented by or on behalf of EquityClear Clearing Members (including on their behalf by an EquityClear NCM or any person acting on behalf of an EquityClear NCM) for registration as an EquityClear (Equities) Contract and/or EquityClear (ccCFD) Contract, as the case may be which is not so registered will remain in effect between the original parties to that transaction or be terminated, as the case may be, according to any terms agreed between the parties thereto (directly or by virtue of the application of the relevant ATP Market Rules), and the Clearing House shall have no obligations or liability in relation thereto.
- (f) If at any time after registration of an EquityClear (Equities) Contract and EquityClear (ccCFD) Contract, as the case may be the Clearing House determines that the EquityClear Novation Transaction did not, at the Registration Time, meet the eligibility criteria for registration as an EquityClear (Equities) Contract or an EquityClear (ccCFD) Contract, as the case may be, the Clearing House shall, as soon as practicable thereafter, set aside such EquityClear (Equities) Contract or EquityClear (ccCFD) Contract. Upon an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract being set aside under this Regulation 62B, the particulars of the transaction in question shall be deemed never to have been submitted to the Clearing House and such transaction shall remain in effect between the original parties to that transaction or be terminated, as the case may be, in accordance with any terms agreed between the parties thereto (directly or by virtue of the application of the relevant ATP Market Rules). Any payment made under, or in respect of, an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract set aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to Regulation 39 and its obligations under this Regulation 62B, the Clearing House (and each other of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as an EquityClear (Equities) Contract or EquityClear (ccCFD) Contract .
- (g) Without prejudice to the Clearing House's rights to effect further novation under Regulation 3(b), particulars of an EquityClear Novation Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House in accordance with the Procedures as two EquityClear (Equities) Contracts or two EquityClear (ccCFD) Contracts, as the case may be, in each case, one between the First EquityClear Clearing Member being the seller and the Clearing House as the buyer as principals to such contract, and the other between the Clearing House as the seller and the Second EquityClear Clearing Member being the buyer as principals to such contract. For the purposes of this Regulation 62B(g):
 - (i) "First EquityClear Clearing Member" is an EquityClear Clearing Member who was, before registration of the EquityClear (Equities) Contract or EquityClear (ccCFD) Contract, as applicable, identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the seller;
 - (ii) "Second EquityClear Clearing Member" is an EquityClear Clearing Member who was, before registration of the EquityClear (Equities) Contract or EquityClear (ccCFD) Contract, as applicable, identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the buyer.

In the case of an EquityClear Novation Transaction which is an EquityClear Mixed Member Match.

The Clearing House shall, on receipt of details of such EquityClear Novation Transaction and subject to Regulation 62B(c) having been met with respect to such EquityClear Novation Transaction and the relevant Co-operating Clearing House being party to a valid and subsisting agreement with the Clearing House for the co-clearing of EquityClear Mixed Member Matches, register Contracts in the name of the EquityClear Clearing Member and in the name of the relevant Co-operating Clearing House as follows:

- (1) where the EquityClear Clearing Member is identified in the EquityClear Novation Transaction as the buyer, (A) the Clearing House shall be the seller under an EquityClear (Equities) Contract with the EquityClear Clearing Member as buyer; and (B) the Clearing House shall be the buyer under a Contract with the Co-operating Clearing House as seller; and
- (2) where the EquityClear Clearing Member is identified in the EquityClear Novation Transaction as the seller, (A) the Clearing House shall be the buyer under an EquityClear (Equities) Contract with the EquityClear Clearing Member as seller; and (B) the Clearing House shall be the seller under a Contract with the Co-operating Clearing House as buyer.

- (h) With effect from registration of an EquityClear Novation Transaction as two EquityClear (Equities) Contracts or EquityClear (ccCFD) Contracts, as the case may be under paragraph (g) of this Regulation:
- (i) the parties to the corresponding EquityClear Novation Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each EquityClear (Equities) Contract or EquityClear (ccCFD) Contract registered under paragraph (g) of this Regulation 62B shall be governed by the relevant EquityClear (Equities) Contract Terms or EquityClear (ccCFD) Contract Terms as applicable to that Contract and the General Regulations and Procedures.
 - (iii) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the First EquityClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the respective EquityClear (Equities) Contract or EquityClear (ccCFD) Contract Terms to which it is a party as the party which is identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the seller; and
 - (iv) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the Second EquityClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the respective EquityClear (Equities) Contract or EquityClear (ccCFD) Contract, as applicable to which it is a party as the party which is identified in the particulars of the corresponding EquityClear Novation Transaction as, or as acting as clearing member for, the buyer.

In subparagraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding EquityClear Novation

Transaction (it being assumed, for this purpose, that such EquityClear Novation Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the EquityClear (Equities) Contract Terms or EquityClear (ccCFD) Contract Terms, as applicable.

If an EquityClear Novation Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any EquityClear (Equities) Contract arising under this Regulation or Regulation 3(b).

In the case of an EquityClear (Equities) Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 62B shall take effect.

- (h) If the details of EquityClear (ccCFD) Contracts arising under paragraphs (e) or (f) required by the Clearing House are not made available to the Clearing House by the operator of the relevant ATP or the relevant approved agent, as applicable, as required by the Clearing House in accordance with the Clearing House's requirements, by the time prescribed by the Clearing House from time to time, or the Clearing House is not able to access such details the Clearing House may decree that neither the Clearing House nor the EquityClear Clearing Member party thereto shall be obliged to perform their respective obligations under the EquityClear (ccCFD) Contracts arising under paragraphs (e) or (f), as applicable. Without prejudice to Regulation 39 and its obligations under this Regulation 89(l), the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a contract as a HKMEx Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as a HKMEx Contract.

Regulation 90 HKMEx Contracts

- (a) A HKMEx Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two HKMEx Contracts, one between the First HKMEx Service Clearing Member as the seller and the Clearing House as the buyer as principals to such contract, and the other between the Clearing House as the seller and the Second HKMEx Service Clearing Member as the buyer (as the case may be) as principals to such contract. For the purposes of this Regulation:
 - (i) "First HKMEx Service Clearing Member" is a HKMEx Service Clearing Member who was, before registration of the HKMEx Contract, party to the corresponding HKMEx Transaction as the seller;
 - (ii) "Second HKMEx Service Clearing Member" is a HKMEx Service Clearing Member who was, before registration of the HKMEx Contract, party to the corresponding HKMEx Transaction as the buyer.
- (b) With effect from registration of a HKMEx Transaction as two HKMEx Contracts under paragraph (a) of this Regulation:
 - (i) the parties to the corresponding HKMEx Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each HKMEx Contract registered under paragraph (a) of this Regulation shall be governed by the relevant HKMEx Contract Terms applicable to that HKMEx Contract;
 - (iii) subject always to sub-paragraph (ii) above, the First HKMEx Service Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the HKMEx Contract to which it is a party as the seller had and owed in respect of its counterparty under the corresponding HKMEx Transaction; and
 - (iv) subject always to sub-paragraph (ii) above, the Second HKMEx Service Clearing Member shall have the same rights against, and owe the same obligations to the Clearing House under the HKMEx Contract to which it is party as the buyer had and owed in respect of its counterparty under the corresponding HKMEx Transaction.

In sub-paragraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the corresponding HKMEx Transaction (it being assumed, for this purpose, that such HKMEx Transaction was a legal, valid, binding and enforceable obligation of the parties thereto), notwithstanding the change in the person entitled to them or obliged to perform them.

- (c) If a HKMEx Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any HKMEx Contract unless otherwise determined by the Clearing House.
- (d) In the case of a HKMEx Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 90 shall take effect.

Regulation 91 Daily Settlement or Marking to Market

- (a) Where the Procedures so provide, the Clearing House may effect the daily settlement to market or daily marking to market of those open HKMEx Contracts in accordance with the Procedures. Daily settlement to market shall not apply to such open HKMEx Contracts which are for the account of a HKMEx Service Clearing Member's client accounts.
- (b) The Clearing House shall, in accordance with the Procedures, in respect of each open HKMEx Contract in a HKMEx Service Clearing Member's name which is subject to daily settlement to market or daily marking to market, effect and register a settlement contract, being a contract on the same terms (except as to price or premium) including the strike price where applicable as the open HKMEx Contract, save that where a HKMEx Service Clearing Member is the seller under the terms of the open HKMEx Contract that HKMEx Service Clearing Member shall be the buyer under the terms of the settlement contract and vice-versa, such settlement contract to be effected in accordance with the Procedures at the relevant HKMEx Reference Price for that day. The Clearing House shall thereupon settle each open HKMEx Contract against the respective settlement contract in accordance with the Procedures.
- (c) The Clearing House shall, upon completion of the procedure set out in paragraph (b) above, calculate the daily settlement amounts in accordance with the Procedures and shall thereafter make up the HKMEx Service Clearing Member's account and upon the Clearing House so doing, that HKMEx Service Clearing Member and the Clearing House shall (unless otherwise agreed) settle any daily settlement amounts arising as follows:
 - (i) any profit arising to a HKMEx Service Clearing Member shall be credited to the applicable account and, subject to the Clearing House's right to retain such profit pursuant to these Regulations, such profit shall be paid to that HKMEx Service Clearing Member on that HKMEx Service Clearing Member's request; and
 - (ii) any loss arising to a HKMEx Service Clearing Member shall be debited to the applicable account of that HKMEx Service Clearing Member and (subject to these Regulations) that HKMEx Service Clearing Member shall pay the amount of such loss to the Clearing House forthwith on demand.
- (d) The Clearing House shall, upon completion of the calculation of daily settlement amounts pursuant to paragraph (c) above in the manner prescribed by the Procedures:
 - (i) in respect of those open HKMEx Contracts in a HKMEx Service Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily settlement to market, register at the relevant HKMEx Reference Price referred to in the Procedures, HKMEx Contracts in that HKMEx Service Clearing Member's name as open HKMEx Contracts on the same terms (except as to price or premium) including the strike price where applicable, as the settled open HKMEx Contracts, save that no HKMEx Contract for the purchase and no contract for the sale of the same commodity, for the same delivery month, or expiry month and price, shall be registered in that HKMEx Service Clearing Member's name;
 - (ii) in respect of those open HKMEx Contracts in a HKMEx Service Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily marking to market as prescribed by the Procedures, register at the relevant HKMEx Reference Price referred to in the Procedures, HKMEx Contracts in the HKMEx Service Clearing Member's name as open

HKMEx Contracts on the same terms (except as to price or premium) including the strike price, where applicable, as the settled open HKMEx Contracts.

- (e) A HKMEx Service Clearing Member may, in respect of all open HKMEx Contracts in his name which are subject to daily marking to market, request the Clearing House within the time and in the manner prescribed by the Procedures, to settle such HKMEx Contracts being the same number of contracts for the purchase and sale of the same commodity for the same delivery month or, where applicable, for the same expiry month and strike price. Such a request, once made, shall be irrevocable unless the Clearing House otherwise consents. Where such a request is made, the Clearing House shall as soon as practicable after the close of trading on that market day (but not necessarily on that day, and provided documentation has been supplied by the Member in accordance with the Procedures) make up the HKMEx Service Clearing Member's account.
- (f) In respect of those open HKMEx Contracts of which settlement might have been requested by a HKMEx Service Clearing Member under paragraph (e) above, the Clearing House may, if no request for settlement has been received by the cessation of trading for the delivery month applicable to those HKMEx Contracts, at any time thereafter proceed as if settlement had been requested and make up and render the HKMEx Service Clearing Member's accounts accordingly.

- (b) A Nodal Transaction submitted for registration must meet the eligibility criteria prescribed in the Procedures at the time the particulars of such Nodal Transaction are presented to the Clearing House and must continue to meet such criteria at the time prescribed in the Procedures ("**Registration Time**") in order to be registered as Nodal Contracts. - (e) The Clearing House may decline to register a Nodal Transaction in the name of a Nodal Service Clearing Member where it considers such action advisable for its own protection or the protection of the relevant market. The Clearing House may, without assigning any reason, make the registration of any Nodal Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the furnishing of cover for margin by both Nodal Service Clearing Members in whose name any such Nodal Transaction is to be registered.
- (f) Without prejudice to the Clearing House's rights under paragraph (h) of this Regulation, a Nodal Service Clearing Member shall be bound by a Nodal Contract registered in its name pursuant to the presentation of particulars of a Nodal Transaction.
- (g) The Clearing House shall be deemed to register a Nodal Contract in relation to a Nodal Transaction in the name of a Nodal Service Clearing Member at the Registration Time for that type of Nodal Contract in accordance with Regulation 94.
- (h) For the avoidance of doubt, any transaction of which details have been submitted for registration as Nodal Contracts which is not so registered shall remain in effect or be terminated, as the case may be, according to any terms agreed between the parties thereto (directly or by virtue of their common participation in the Nodal Trading Facility through or on which the transaction was executed or by which it was registered), but subject in all cases to Nodal's Rules, and the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no obligations or liability in relation thereto.
- (i) If at any time after registration of a Nodal Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration was not a Nodal Transaction or did not, at the Registration Time, meet the eligibility criteria for registration as a Nodal Contract, the Clearing House shall, as soon as practicable thereafter, set aside each such Nodal Contract. Upon the purported Nodal Contract being set aside under this Regulation 92(l), the particulars of the transaction in question shall be deemed never to have been registered. Any payment made under, or in respect of, a Nodal Contract set

aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to Regulation 39 and its obligations under this Regulation 92(l), the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a contract as a Nodal Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as a Nodal Contract.

Regulation 94 Nodal Contracts

- (a) A Nodal Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two Nodal Contracts, one between the First Nodal Service Clearing Member as the seller and the Clearing House as the buyer as principals to such contract, and the other between the Clearing House as the seller and the Second Nodal Service Clearing Member as the buyer (as the case may be) as principals to such contract. For the purposes of this Regulation:
 - (i) "First Nodal Service Clearing Member" is a Nodal Service Clearing Member who was, before registration of the Nodal Contract, party to the corresponding Nodal Transaction as the seller;
 - (ii) "Second Nodal Service Clearing Member" is a Nodal Service Clearing Member (who may also be the same as the First Nodal Service Clearing Member) who was, before registration of the Nodal Contract, party to the corresponding Nodal Transaction as the buyer.
- (b) With effect from registration of a Nodal Transaction as two Nodal Contracts under paragraph (a) of this Regulation:
 - (i) the parties to the corresponding Nodal Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each Nodal Contract registered under paragraph (a) of this Regulation shall be governed by the relevant Nodal Contract;

Terms applicable to that Nodal Contract:

 - (iii) subject always to sub-paragraph (ii) above, the First Nodal Service Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the Nodal Contract to which it is a party as the seller had and owed in respect of its counterparty under the corresponding Nodal Transaction; and
 - (iv) subject always to sub-paragraph (ii) above, the Second Nodal Service Clearing Member shall have the same rights against, and owe the same obligations to the Clearing House under the Nodal Contract to which it is party as the buyer had and owed in respect of its counterparty under the corresponding Nodal Transaction.

In sub-paragraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the corresponding Nodal Transaction (it being assumed, for this purpose, that such Nodal Transaction was a legal, valid, binding and enforceable obligation of the parties thereto), notwithstanding the change in the person entitled to them or obliged to perform them.
- (c) If a Nodal Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any Nodal Contract unless otherwise determined by the Clearing House.

- (d) In the case of a Nodal Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 94 shall take effect.

Regulation 95 Daily Settlement or Marking to Market

- (a) Where the Procedures so provide, the Clearing House may effect the daily settlement to market or daily marking to market of those open Nodal Contracts in accordance with the Procedures. Daily settlement to market shall not apply to such open Nodal Contracts which are for the account of a Nodal Service Clearing Member's client accounts.
- (b) The Clearing House shall, in accordance with the Procedures, in respect of each open Nodal Contract in a Nodal Service Clearing Member's name which is subject to daily settlement to market or daily marking to market, effect and register a settlement contract, being a contract on the same terms (except as to price or premium) including the strike price where applicable as the open Nodal Contract, save that where a Nodal Service Clearing Member is the seller under the terms of the open Nodal Contract that Nodal Service Clearing Member shall be the buyer under the terms of the settlement contract and vice-versa, such settlement contract to be effected in accordance with the Procedures at the relevant Nodal Reference Price for that day. The Clearing House shall thereupon settle each open Nodal Contract against the respective settlement contract in accordance with the Procedures.
- (c) The Clearing House shall, upon completion of the procedure set out in paragraph (b) above, calculate the daily settlement amounts in accordance with the Procedures and shall thereafter make up the Nodal Service Clearing Member's account and upon the Clearing House so doing, that Nodal Service Clearing Member and the Clearing House shall (unless otherwise agreed) settle any daily settlement amounts arising as follows:
 - (i) any profit arising to a Nodal Service Clearing Member shall be credited to the applicable account and, subject to the Clearing House's right to retain such profit pursuant to these Regulations, such profit shall be paid to that Nodal Service Clearing Member on that Nodal Service Clearing Member's request; and
 - (ii) any loss arising to a Nodal Service Clearing Member shall be debited to the applicable account of that Nodal Service Clearing Member and (subject to these Regulations) that Nodal Service Clearing Member shall pay the amount of such loss to the Clearing House forthwith on demand.
- (d) The Clearing House shall, upon completion of the calculation of daily settlement amounts pursuant to paragraph (c) above in the manner prescribed by the Procedures:
 - (i) in respect of those open Nodal Contracts in a Nodal Service Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily settlement to market, register at the relevant Nodal Reference Price referred to in the Procedures, Nodal Contracts in that Nodal Service Clearing Member's name as open Nodal Contracts on the same terms (except as to price or premium) including the strike price where applicable, as the settled open Nodal Contracts, save that no Nodal Contract for the purchase and no contract for the sale of the same commodity, for the same delivery month, or expiry month and price, shall be registered in that Nodal Service Clearing Member's name;
 - (ii) in respect of those open Nodal Contracts in a Nodal Service Clearing Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily marking to market as prescribed by the Procedures, register at the relevant Nodal Reference Price referred to in the Procedures, Nodal Contracts in the Nodal Service Clearing Member's name as open Nodal

Contracts on the same terms (except as to price or premium) including the strike price, where applicable, as the settled open Nodal Contracts.

- (e) A Nodal Service Clearing Member may, in respect of all open Nodal Contracts in his name which are subject to daily marking to market, request the Clearing House within the time and in the manner prescribed by the Procedures, to settle such Nodal Contracts being the same number of contracts for the purchase and sale of the same commodity for the same delivery month or, where applicable, for the same expiry month and strike price. Such a request, once made, shall be irrevocable unless the Clearing House otherwise consents. Where such a request is made, the Clearing House shall as soon as practicable after the close of trading on that market day (but not necessarily on that day, and provided documentation has been supplied by the Member in accordance with the Procedures) make up the Nodal Service Clearing Member's account.
- (f) In respect of those open Nodal Contracts of which settlement might have been requested by a Nodal Service Clearing Member under paragraph (e) above, the Clearing House may, if no request for settlement has been received by the cessation of trading for the delivery month applicable to those Nodal Contracts, at any time thereafter proceed as if settlement had been requested and make up and render the Nodal Service Clearing Member's accounts accordingly.

- (f) Subject to Regulation 104(h), if at any time falling after the registration of any ForexClear Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration did not, at the Registration Time, meet the ForexClear Eligibility Criteria in existence at the Registration Time (an "**Ineligible Transaction**"), the Clearing House shall, as soon as practicable thereafter, set aside both ForexClear Contracts arising from such Ineligible Transaction in accordance with Regulation 104(g) below.
- (g) Upon a ForexClear Contract (an "**Ineligible ForexClear Contract**") being set aside under Regulation 104(f), the Clearing House will notify the FXCCM party to such Ineligible ForexClear Contract via the ForexClear Matcher that such Ineligible ForexClear Contract has been set aside. The following shall take effect immediately upon the delivery of such notice: (i) such Ineligible ForexClear Contract shall be deemed to be terminated at the time of the notification and shall thereafter have no force or effect; (ii) all variation margin (if any) paid by the Clearing House or by an FXCCM in respect of such Ineligible ForexClear Contract shall be retained by the receiving party upon termination; (iii) where there is a difference between the value of the Ineligible ForexClear Contract as at the last margin run and the value (as determined by the Clearing House) of that Ineligible ForexClear Contract at the time of the next official settlement rate for that currency pair, then a payment shall be made between the FXCCMs to the original Ineligible Transaction equal to such difference; and (iv) these payments shall be deemed to satisfy in full the relevant party's obligations under the Ineligible ForexClear Contract and shall be retained by the receiving party upon termination as a termination payment.

- (h) The Clearing House may not determine a transaction to be an Ineligible Transaction if after the Valuation Date (as defined in Part A of the Schedule to the ForexClear Regulations) in respect of the ForexClear Contracts arising from the registration of such a transaction has occurred.
- (i) Where an original party to an Ineligible Transaction is an FXD upon the setting aside of the Ineligible ForexClear Contract under Regulation 104(f), any Parallel Contract (as defined in the FDC Agreement) corresponding to the Ineligible Transaction and arising by operation of the FDC Agreement shall be terminated at the same value as the Ineligible ForexClear Contract to which it corresponds at the time of the notification under Regulation 104(g) and shall thereafter have no force or effect.
- (j) The Clearing House shall provide no less than 10 business days' prior notice (including by email) to ForexClear Clearing Members of an amendment to the ForexClear Eligibility Criteria.

Regulation 105 ForexClear Contracts

- (a) A ForexClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House as two ForexClear Contracts, one between the First ForexClear Clearing Member as the Reference Currency Buyer and the Clearing House as the Reference Currency Seller, as principals to such contract, and the other between the Clearing House as the Reference Currency Buyer and the Second ForexClear Clearing Member as the Reference Currency Seller, as principals to such contract. For the purposes of this Regulation:
 - (i) "First ForexClear Clearing Member" is a ForexClear Clearing Member who was, before registration of the ForexClear Contract, party to the corresponding ForexClear Transaction as the Reference Currency Buyer, or who has a subsisting FDC Agreement with the ForexClear Dealer who was party to the corresponding ForexClear Transaction as the Reference Currency Buyer; and
 - (ii) "Second ForexClear Clearing Member" is a ForexClear Clearing Member who was, before registration of the ForexClear Contract, party to the corresponding ForexClear Transaction as the Reference Currency Seller, or who has a subsisting FDC Agreement with the ForexClear Dealer who was party to the corresponding ForexClear Transaction as the Reference Currency Seller.
- (b) With effect from registration of a ForexClear Transaction as two ForexClear Contracts under paragraph (a) of this Regulation:
 - (i) the parties to the corresponding ForexClear Transaction shall be released and discharged from all rights and obligations thereunder which fall due for performance on or after the Registration Time;
 - (ii) each ForexClear Contract registered under paragraph (a) of this Regulation shall be governed by the ForexClear Contract Terms as applicable to that Contract;
 - (iii) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the First ForexClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the ForexClear Contract to which it is a party as the Reference Currency Buyer had and owed in respect of its counterparty under the corresponding ForexClear Transaction; and
 - (iv) subject always to sub-paragraph (ii) above, in respect of the Economic Terms, the Second ForexClear Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the ForexClear Contract to which it is party as the Reference Currency Seller had and owed in respect of its counterparty under the corresponding ForexClear Transaction.
- (c) In subparagraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding ForexClear Transaction (it being assumed, for this purpose, that such ForexClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.

- (d) If a ForexClear Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any ForexClear Contract arising under this Regulation, Regulation 3(b) or Regulation 11.
- (e) In the case of a ForexClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 105 shall take effect.

- (f) The Clearing House shall have no obligation to inform, notify or seek the consent of any ForexClear Clearing Member prior to cancelling a ForexClear Contract in accordance with this Regulation 106.
- (g) The cancellation of a ForexClear Contract to which a ForexClear Clearing Member is a party (in this Regulation, the “First ForexClear Contract”) is contingent upon *inter alia* the cancellation of the corresponding ForexClear Contract that arose from the same underlying ForexClear Transaction (in this Regulation, the “Second ForexClear Contract”), and vice versa.
- (h) The date and time of the cancellation of a ForexClear Contract shall be as reported by the Clearing House in accordance with the Procedures and shall be binding on ForexClear Clearing Members.
- (i) The Clearing House may decline to cancel a ForexClear Contract if:
 - (i) in the opinion of the Clearing House acting in its sole discretion, the cancellation of that ForexClear Contract is not consistent with the Regulations and Procedures of the Clearing House and any policies of the clearing house concerning risk management;
 - (ii) if there is insufficient margin standing to the credit of a ForexClear Clearing Member’s account to accommodate the cancellation of the First ForexClear Contract and/or the Second ForexClear Contract.
- (j) With effect from the time of the cancellation of a ForexClear Contract in accordance with this Regulation 106, neither the ForexClear Clearing Member nor the Clearing House shall have any obligations under the terms of that ForexClear Contract and liability in respect thereof.
- (k) Upon the cancellation of a ForexClear Contract in accordance with this Regulation 106, the corresponding Parallel Contract (as defined in the FDC Agreement) arising by operation of the FDC Agreement shall also terminate.

Regulation 107 ForexClear Dealers

- (a) Application for admission to the Register of ForexClear Dealers shall be made in accordance with these Regulations and the Procedures. An applicant for admission to the Register of ForexClear Dealers must satisfy the criteria prescribed by the Clearing House from time to time in order to be admitted to the Register of ForexClear Dealers. A ForexClear Dealer shall be subject to, and governed by, these Regulations, the Procedures and, if applicable, the FDC Agreement to which it is for the time being party.
- (b) A person admitted to the Register of ForexClear Dealers shall ensure that it will, at all times, satisfy the criteria prescribed by the Clearing House, from time to time, for admission to the Register.
- (c) The Clearing House may suspend or remove a ForexClear Dealer from the Register of ForexClear Dealers in accordance with these Regulations, the Procedures and, if applicable, the FDC Agreement to which it is for the time being party. - (d) A ForexClear Dealer may request, by giving three months' written notice to the Clearing House, that its name be removed from the Register of ForexClear Dealers. At the end of such notice period, the Clearing House shall remove the ForexClear Dealer from the Register of ForexClear Dealers.
- (e) A ForexClear Dealer's suspension or removal from the Register of ForexClear Dealers, under paragraph (c), shall not, where it is a Member, affect its membership of the Clearing House, nor, subject to any contrary determination by the Clearing House under Regulation 4(b), shall it affect the categories of Contract which such a person is eligible to have registered in its name.
- (f) Upon the Clearing House serving a default notice in accordance with these Regulations to a ForexClear Clearing Member who is also a ForexClear Dealer, such ForexClear Clearing Member shall automatically be removed from the Register of ForexClear Dealers.
- (g) Without prejudice to paragraph (f) of this Regulation, the Clearing House shall suspend from the Register of ForexClear Dealers, for such period as the Clearing House may determine, any Member (i) whose Clearing Membership Agreement has been terminated; or (ii) who is no longer eligible to have ForexClear Contracts registered in its name, and who is not, from the date of such termination under (i) or such ineligibility under (ii), party to a FDC Agreement with another ForexClear Clearing Member, for such period as the Clearing House may determine.

Regulation 108 Variation Margin

- (a) The Clearing House shall, at least daily and in accordance with and at the times stated in the Procedures, pay to, or require payment from, a ForexClear Clearing Member cash cover for variation margin. The amount paid represents the change from the preceding business day in the net present value of all ForexClear Contracts registered in that ForexClear Clearing Member's name.
- (b) The net present value of each ForexClear Contract shall be calculated by the Clearing House in such manner and at such times as may be provided in the Procedures. Except as prescribed in the Procedures, the net present value calculated by the Clearing House may in no circumstances be challenged.
- (c) The Clearing House pays to (or receives from) each ForexClear Clearing Member interest on cash cover received (or paid) by the Clearing House, calculated in accordance with the Procedures.
- (d) This Regulation is without prejudice to the Clearing House's right to require cover to be provided to it under Regulation 12.

Regulation 109 Withdrawal of the ForexClear Service by the Clearing House

The accidental omission by the Clearing House to give notice under this Regulation to, or the non-receipt of notice under this Regulation by, one or more ForexClear Participants shall not invalidate the ForexClear Withdrawal Date. If the Clearing House becomes aware that it has omitted to give notice under this Regulation to any ForexClear Participant prior to the ForexClear Withdrawal Date it will immediately notify the affected ForexClear Participant(s) of the ForexClear Withdrawal Date in accordance with the notice provisions in the Clearing Membership Agreement or the ForexClear Dealer Clearing FDC Agreement (as applicable) to which a ForexClear Participant is party.
- (b) Without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules, register a ForexClear Contract, other than a closing-out contract, after notice to withdraw the service has been given under Regulation 109(a).
- (c) If, five Business Days before the ForexClear Withdrawal Date, a ForexClear Clearing Member has not closed out all open ForexClear Contracts registered in its name, the Clearing House shall, with five Business Days' notice to the ForexClear Clearing Member be entitled to:
 - (i) liquidate any or all of such ForexClear Contracts and require such contracts to be cash settled at a price determined by the Clearing House; and
 - (ii) postpone the ForexClear Withdrawal Date until such time as the Clearing House determines.
- (d) Business Days for the purpose of this Regulation 109 means a day (other than a Saturday or Sunday) on which banks are open for general business in London.

SCHEDULE TO THE FOREXCLEAR REGULATIONS

Part A ForexClear Contract Terms

The terms of a registered ForexClear Contract shall include these ForexClear Contract Terms which shall comprise:

- (1) Interpretation;
- (2) Economic Terms; and
- (3) Standard Terms, being both the:
 - A. Specific Standard Terms; and
 - B. General Standard Terms

In the event of any inconsistency between the Economic Terms and the Standard Terms, the Standard Terms will prevail.

Subject to the Regulations and the Procedures, the Clearing House will use the ForexClear Contract Terms applicable to a ForexClear Contract to calculate the amounts due under the ForexClear Contract to, or from, the Clearing House in accordance with the Procedures.

1. Interpretation (“Interpretation”)

- 1.1. “**ISDA Definitions**” means the 1998 FX and Currency Options Definitions (including Annex A thereto) as published by the International Swaps and Derivatives Association, Inc. (“ISDA”), the Emerging Markets Trade Association (“EMTA”) and The Foreign Exchange Committee (“FXC”) and the same are incorporated by reference herein.
- 1.2. Words and expressions used in these ForexClear Contract Terms which are not defined in the Regulations and the Procedures but which are defined in the ISDA Definitions shall bear the same meaning herein as in the ISDA Definitions, unless expressly provided otherwise.
- 1.3. In the event of an inconsistency, the Regulations and Procedures will prevail over the ISDA Definitions.
- 1.4. References in the ISDA Definitions to an “FX Transaction” shall be deemed to be references to a “ForexClear Transaction” for the purposes of ForexClear.
- 1.5. Except where expressly stated otherwise, all reference to “Sections” means Sections in the ISDA Definitions.
- 1.6. In relation to any amendment to the ISDA Definitions published from time to time by ISDA, EMTA and FXC, the Clearing House may from time to time, by notice delivered to the ForexClear Clearing Members, give directions as to whether such amendment shall apply to ForexClear Contracts with immediate effect or with such deferred effect as the Clearing House shall determine (provided that in any event any such amendment shall only apply in relation to ForexClear Contracts that have a Trade Date that falls on or after the effective date of such amendment).
- 1.7. Any such notice may provide that despite the application of any such amendment to the ISDA Definitions to ForexClear Contracts going forward, these ForexClear Contracts shall continue, for the purpose of margining, valuation, set-off or otherwise, to be regarded as fully

fungible with ForexClear Contracts registered in a ForexClear Clearing Member's name prior to the time such amendment comes into effect.

- 1.8. The accidental omission to give notice under this provision to, or the non-receipt of notice under 1.6 or 1.7 above by, any ForexClear Clearing Member shall not invalidate the amendment with which the notice is concerned.

2. Economic Terms

- 2.1. The Economic Terms of a ForexClear Contract shall be derived from the information presented to the Clearing House by the parties to the corresponding ForexClear Transaction.
- 2.2. The particulars of a ForexClear Transaction presented to the Clearing House must include matched information in respect of the following Economic Terms which are not predetermined in the EMTA Templates:
 - (1) Trade Date (Section 1.25)
 - (2) Forward Rate (Section 2.1(a))
 - (3) Reference Currency Notional Amount (Section 1.21) or Notional Amount (Section 1.17(b)) in USD

- 2.3. However, as set out more particularly in Regulation 105, where the ForexClear Transaction specifies a ForexClear Clearing Member as the Reference Currency Seller, with the other ForexClear Member as the Reference Currency Buyer, the Clearing House, in respect of each ForexClear Contract to which it is party pursuant to the corresponding ForexClear Transaction, shall be (i) the Reference Currency Buyer; and (ii) the Reference Currency Seller under such ForexClear Contract, respectively.

3. Specific Standard Terms ("Specific Standard Terms")

The following terms are designated as Specific Standard Terms of a registered ForexClear Contract:

- 3.1. The EMTA template for Non-Deliverable FX Transactions appropriate to the particular Currency Pair (in effect and as posted on the website of EMTA (www.emta.org or any successor website on the relevant Trade Date) (each an "EMTA Template")), governs the terms of a ForexClear Contract relating to such Currency Pair, other than the Economic Terms set out in Part 2 above and the Specific Standard Terms and the General Standard Terms set out in this Part 3. For the avoidance of doubt, each EMTA Template shall be deemed to exclude the EMTA Template Terms for Non-Deliverable Cross-Currency FX Transactions published by EMTA on 31 May 2011.
- 3.2. In the format "Reference Currency – Settlement Currency", the Currency Pairs are

- (1) BRL-USD
- (2) CLP-USD

4. General Standard Terms (“General Standard Terms”)

The following terms are designated as General Standard Terms of a registered ForexClear Contract:

4.1. Business Days

For the purposes of determining the Settlement Date only, in addition to the Business Days for the Principal Financial Centers for the Currency Pair specified in the relevant Economic Terms, the Business Days specified in the SwapsMonitor Financial Calendar as published by Swaps Monitor Publications, Inc. (as further detailed in the Procedures) from time to time, will apply to a ForexClear Contract.

4.2. Withholding Tax Provisions

4.2.1. All payments due under a ForexClear Contract shall be made by the ForexClear Clearing Member free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the ForexClear Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

4.2.2. All payments due under a ForexClear Contract shall be made by the Clearing House free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the Clearing House, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the ForexClear Clearing Member receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

4.3. Payment of Stamp Tax

Each ForexClear Clearing Member will pay any Stamp Tax or duty levied or imposed upon it in respect of any ForexClear Contract to which it is a party by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located ("Stamp Tax Jurisdiction") or by any other jurisdiction, and will indemnify the Clearing House against any Stamp Tax or duty levied or imposed upon the Clearing House by any such Stamp Tax Jurisdiction or by any other jurisdiction in respect of any ForexClear Contract registered by the Clearing House and to which that ForexClear Clearing Member is a party.

4.4. Payments under a ForexClear Contract

Payments under, and in respect of, a ForexClear Contract shall be calculated by the Clearing House and shall be made by, or to, the ForexClear Clearing Member in accordance with the provisions of the Procedures.

4.5. Regulations

A ForexClear Contract shall be subject to the Regulations and the Procedures, which shall form a part of its terms. In the event of any inconsistency between these ForexClear Contract Terms and the Regulations and the Procedures, the Regulations and the Procedures will prevail.

4.6. Governing Law

Each ForexClear Contract, and any non-contractual obligations arising out of or in connection with it, shall be governed by and construed in accordance with the laws of England and Wales and the parties irrevocably agree for the benefit of the Clearing House that the courts of England and Wales shall have exclusive jurisdiction to hear and determine any action or dispute which may arise here from. The ForexClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

4.7. Third Party Rights

A person who is not a party to this ForexClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this ForexClear Contract pursuant to the Contracts (Rights of Third Parties) Act 1999 are expressly excluded.

2C. SWAPCLEAR**2C.1 THE CLEARING PROCESS**

The SwapClear Service is an interface that processes and stores all SwapClear Transactions received from an Approved Trade Source System.

Those authorised by the Clearing House to submit trades for clearing in the SwapClear Service fall into two categories – SwapClear Clearing Members (SCMs) and SwapClear Dealers (SDs). SCMs are clearing members who have applied and have been accepted by the Clearing House to clear in the SwapClear Service. SDs are not clearing members but have met the criteria for registration as a SwapClear Dealer and have entered into a SwapClear Dealer Clearing Agreement with an SCM and the Clearing House. Subject to obtaining approval from the Clearing House's Membership Department an SCM may offer certain SwapClear clearing services to its clients (SwapClear Clearing Clients). SwapClear Clearing Services are provided to SwapClear Clearing Clients through an Individual Segregated or Omnibus Net Segregated account. SCMs should contact the Clearing House's Membership Department for further details of the SwapClear Client Clearing Service and the Clearing House's approval process (+44 (0)207 426 7891/7627/7063; membership@lchclearnet.com).

In practice there are four day-to-day users of the SwapClear Service - SCM's, SDs, SwapClear Clearing Clients and SCM Branches. An SCM Branch must always be the same legal entity as the SCM and, subject to authorisation by the Clearing House, it may submit SwapClear Transactions to the Clearing House, for registration as SwapClear Contracts in the name of the SCM, using its own BIC code.

SCMs, SDs and SCM Branches are collectively known as "SwapClear Participants".

For the purposes of these Procedures and the Regulations, an SCM Branch is a part of and is the same legal person as the SCM. Where a SwapClear Transaction is presented for registration by an SCM Branch it is deemed to have been presented by the SCM of which it is part for registration in the name of that SCM.

2C.1.1.1 SwapClear Service Functions

The following functions are performed within the SwapClear Service:

processing and settlement of coupon payments;

processing and settlement of consideration (fee) payments;

calculation of initial and variation margin requirements;

calculation of Price Alignment Interest;

adjustment of cash payments to conform with Opening Days and the SwapClear Calendars;

allocation and designation of trades to a position-keeping account; and

reporting of registered trades.

SwapClear Transactions submitted via an Approved Trade Source System (i.e. new trades submitted for intra-day registration or existing trades submitted for overnight registration – see sections 2C.3.2 and 2C.3.3.1) will, subject to meeting all requirements prescribed by the Clearing House, be processed and stored within the SwapClear Clearing System. Information regarding SwapClear Contracts and margin reporting will be disseminated via the Clearing House's Clearing Member Reporting (see section 2C.1.3).

2C.1.2 Clearing House System Requirements

A SwapClear Participant must, in order to submit SwapClear Transactions to the Clearing House, be a user of an Approved Trade Source System.

2C.1.3 SwapClear Clearing Member Reporting

There are two methods of notification to SCMs of SwapClear Contract registrations:

Report 001

Via the Approved Trade Source System.

An end-user report generation and analytical capability is provided by the Clearing House to SCMs. All SwapClear reports will be disseminated via the Clearing House's secure password access Clearing Member-only website. These reports are the definitive record as to registration by the Clearing House.

The Clearing House is not liable for any corruption or alteration of messages or loss of data which may take place within any Approved Trade Source System.

SCMs will be able to customize and produce reports either to print locally or to download in machine-readable data-file format. Queries about the Clearing Member-only web site should be directed to the Clearing House Service Desk on +44 (0)20 7426 7200.

2C.2 OPERATING TIMES AND CALENDARS

2C.2.1 Opening Days

The Clearing House will publish a circular detailing the days on which SwapClear will be open.

2C.2.2 Opening Hours

The SwapClear Clearing System will be operational during the following hours:

07:30 to 22:00 hours London time

2C.2.3 SwapClear Clearing System Calendars

The SwapClear Clearing System uses the *SwapsMonitor Financial Calendar* for its processing. This will require all SwapClear Participants to be licensees of

the *SwapsMonitor Financial Calendar*. The calendars, as applicable to the SwapClear Clearing System, will be available online for inspection and for file download from Clearing Member Reporting (see section 2C.1.3).

2C.3 **REGISTRATION**

2C.3.1 **Submission for Registration**

The Clearing House receives a new eligible SwapClear Transaction using agreed format messages via the Approved Trade Source System. Where SwapClear Participants wishing to submit a SwapClear Transaction to the Clearing House for registration via MarkitWire both SwapClear Participants must first request that the trade be cleared using either the appropriate GUI or API functions. The Approved Trade Source System will then send these trades to the Clearing House when they have been bi-laterally agreed.

2C.3.2 **SwapClear Approved Trade Source Systems**

The only current Approved Trade Source System designated by the Clearing House for SwapClear is MarkitWire.

SwapClear Transactions submitted through an Approved Trade Source System must be in an acceptable message format, as prescribed by the Clearing House.

Notwithstanding the designation by the Clearing House of any system as an Approved Trade Source System, the Clearing House makes no warranty (and will accept no liability) as to the effectiveness, efficiency, performance or any other aspect of the services provided by any Approved Trade Source System or the timeliness or otherwise of the delivery of any SwapClear Transaction details by that Approved Trade Source System to the Clearing House. Such matters form part of the relationship between the SwapClear Participant and that Approved Trade Source System. The ability of SwapClear Participants to submit SwapClear Transactions through a given Approved Trade Source System may be suspended from time to time.

SwapClear Participants should ensure that only trades which meet the criteria to be SwapClear Transactions are submitted to the Clearing House from any Approved Trade Source System. The Clearing House will process any SwapClear Transaction reported to it by an Approved Trade Source System on an "as is" basis, and subject to the General Regulations and these Procedures, will register any such SwapClear Transaction on the basis of the data provided to it by the Approved Trade source System. The Clearing House has no obligation to verify that the details received properly reflect the trade entered into by the relevant SwapClear Participants.

The Clearing House accepts no liability for any error within or corruption of any data sent by an Approved Trade Source System to the Clearing House or to a SwapClear Participant or any delay in or failure of the transmission of such data to the Clearing House. In the event that the Clearing House registers any SwapClear Contract/s on the basis of incorrect or corrupted data sent to it by an Approved Trade Source System, the SCM/s concerned shall be bound by the terms of such SwapClear Contract/s. The Clearing House may agree to use its reasonable endeavours to assist the relevant SCMs in re-registering the trade on the correct basis but it shall be under no obligation so to do and the Clearing

House shall not be liable to the SCMs or anyone else with regard to the registration of such SwapClear Contract/s.

SwapClear Participants shall ensure that all transaction details entered into an Approved Trade Source System for reporting to the Clearing House are input by appropriately authorised personnel. SwapClear Participants must ensure that the security and access procedures of the relevant Approved Trade Source System are complied with at all times. The Clearing House is not able to, and will not, verify the authorisation of the source of any details of any transaction reported to it for registration by any Approved Trade Source System. The Clearing House shall have no liability in the event that any SwapClear Participant suffers any loss through the unauthorised input of details into a system of an Approved Trade Source System.

2C.3.3 Registration of New Trades

New trades are registered on an intra-day basis. The SwapClear Clearing System will respond, after processing, with a message either confirming the registration or giving a reason for rejection (see section 2C.3.6). The registration notification or rejection message will be sent via the originating Approved Trade Source System. The definitive report of the registered SwapClear Contract will be shown on Reporting (see section 2C.1.3) on the SCM's reporting account in the SwapClear Clearing System.

The Clearing House may require a SCM in whose name an open contract is to be registered to provide it with cover for initial and variation margin prior to registration. In these circumstances variation margin can be covered intra-day in non-cash collateral.

SwapClear Transactions that are submitted for registration near to the closing time of the service are registered the following morning, subject to the normal requirements for margin.

Where a SwapClear Clearing Member executes an FCM SwapClear Transaction on an FCM Approved Trade Source System and such FCM Approved Trade Source System submits the details of the FCM SwapClear Transaction to the Clearing House for registration on behalf of that SwapClear Clearing Member, the SwapClear Clearing Member shall be bound in the same manner and to the same extent as if it had presented the SwapClear Transaction for registration directly to the Clearing House in accordance with General Regulation 47(b).

2C.3.4 Backloading of Existing Trades

The Clearing House provides the facility for SwapClear Participants to load eligible existing SwapClear Transactions, through an Approved Trade Source System. This requires bilateral agreement between the relevant SwapClear Participants, of the full particulars required by the Clearing House for each such SwapClear Transaction, with both parties re-confirming the trades via an Approved Trade Source System.

The Clearing House will, in the case of SwapClear Transactions that have a Trade Date of greater than ten calendar days prior to the date of submission, hold the SwapClear Transaction overnight for registration the following day. For Backloaded trades the Clearing House will notify Clearing Members of their submission and status via Clearing Member Reporting (see section 2C.1.3). It

is a pre-condition of registration that sufficient cover for initial and variation margin is provided.

2C.3.5 Notification

The Clearing House will notify SwapClear Participants of the registration or rejection of SwapClear Transactions, or contracts purported as such, via the SwapClear Clearing Member Reporting System (see section 2C.1.3) and the originating Source System messaging service for onward transmission to the submitting SwapClear participant.

2C.3.6 Rejected Trades

Trades submitted for registration that do not meet the product or other eligibility criteria prescribed from time to time by the Clearing House or which contain invalid or incomplete message data will be rejected. If, at any time, the Clearing House does not register a trade presented for registration it will notify the contracting parties of the reasons for rejection.

2C.4 POSITION ACCOUNTS

2C.4.1 SCM Accounts

For identification purposes each SCM is assigned a unique three-character mnemonic. An SCM's position and financial information are further identified by a single character code: C for segregated client business; and H for house business. The H account is obligatory, the C account is optional.

2C.4.2 Position-Keeping Accounts

2C.4.2.1 Clearing Member Accounts

These are identical to Clearing Member accounts as described in Regulation 5. The account types are: H for house business; and C for segregated client business. An SCM's SwapClear positions are also recorded within the SwapClear Clearing System in SwapClear Accounts.

2C.4.2.2 SwapClear Accounts

The SwapClear Clearing System will provide position-keeping accounts for SCMs. A SwapClear Account will be assigned a code identical to the Bank Identifier Code (BIC) of the SCM. Each SwapClear Account must map to a Member Account.

All registered SwapClear Contracts will be identifiable to SCMs via SwapClear Reporting (see section 2C.1.3). Each SwapClear Contract will also be assigned a unique trade identifier. The Clearing Member Reporting functionality also allows SCMs to identify all SwapClear Contracts, registered in their name, and, if submitted by an SD, the submitting SD.

2C.5 FINANCIAL ACCOUNTS

Clearing Member accounts have financial accounts associated with them.

These are, inter alia, used to record cash balances, and securities/ documentary credits. Information contained within position-keeping accounts is consolidated into financial accounts, as follows:

2C.5.1 Relationship with Position-Keeping Accounts

Trading Account	Financial Account
H	House
C	Client

2C.5.2 Other Financial Accounts

At the Clearing House's discretion, further financial accounts, used only to record financial balances, may be opened as follows:

	Code
Buffer accounts (House), used for holding additional cash in relation to House business	B
Buffer account (Client), used for holding additional cash in relation to Client business	E
SwapClear Additional Collateral Account	A

2C.5.3 Default Fund (DF) Account

Each SCM's Default Fund Contribution is held on a separate financial account. The DF account code is "F".

2C.5.4 SwapClear Additional Collateral Account

Upon request from an SCM the Clearing House will setup a new sub-account called the Additional Collateral Account.

Such requests should be submitted to the Clearing House's Treasury Operations team (lchoperations-treasury@lchclearnet.com; 020 7426 7505)

SCMs are able to lodge excess collateral on behalf of their clients (the amount is at the SCM's discretion), into the Additional Collateral Account.

In order to lodge collateral into the Additional Collateral Account, an SCM must adhere to the following procedure:

- (a) An SCM can lodge non-cash collateral or request that the Clearing House call cash directly from the SCM into the Additional Collateral Account. If an SCM intends to lodge non-cash collateral they must submit an Additional Collateral Account Lodgement Form to the Clearing House. (Appendix 2C.E);
- (b) An SCM can transfer non-cash or cash collateral from its Client Account to the Additional Collateral Account (see section 2C.9)

When an SCM lodges non-cash collateral at the Clearing House, the Clearing House will issue the SCM with a collateral lodgement number that must be provided to the Clearing House whenever that SCM wishes to transfer that non-cash collateral.

The SCM is responsible for maintaining a record of the collateral held against each SwapClear Clearing Client (see Additional Collateral Account Spreadsheet, Appendix 2C.H).

The Additional Collateral Account Spreadsheet submitted by an SCM to the Clearing House is the primary record of the contents of the Additional Collateral Account and an SCM must provide an updated version to the Clearing House whenever transfers are made from/to the Additional Collateral Account.

In the event of an SCM default, the Additional Collateral Account Spreadsheet provided by the defaulted SCM will be used to identify the SwapClear Clearing Clients' collateral lodged in the Additional Collateral Account.

2C.6 VARIATION MARGIN

All SwapClear Transactions will, on submission to the Clearing House, be marked-to-market, in accordance with Regulation 15 (b), using the Clearing House's zero coupon yield curves. The Clearing House will use these curves to calculate the Net Present Value of the SwapClear Transaction. This value must, subject to Intra-day Registration (see section 2C.3.3), be paid by the SCM in cash in the currency of the SwapClear Transaction. Where a SwapClear Transaction is registered intra-day, and variation margin is covered with non-cash collateral, the Clearing House will, the following business day, require payment of the full cash amount.

All SwapClear Contracts will be marked-to-market daily, in accordance with Regulation 15 (b), using the Clearing House's zero coupon yield curves. The daily change in the Net Present Value will be credited to or debited from SCM's financial accounts.

For the avoidance of doubt, this procedure shall not apply to contracts which are credited to a SwapClear Clearing Member's Client account or to such other contracts as the Clearing House may determine.

2C.6.1 Zero Coupon Yield Curve Construction

The Clearing House will determine, at its sole discretion, appropriate instruments, points and market prices for the construction of zero coupon curves and portfolio valuation. Details of the construction method and Instruments used are available on request from the Clearing House Risk Management Department on +44 (0)20 7426 7549, but may be subject to change without prior notification.

2C.6.2 Official Quotations

Zero Coupon Yield curves will use prices and rates taken at:

2C.6.3 Net Present Value

The Clearing House will calculate the net present value (NPV) of each eligible SwapClear Contract using the Clearing House's zero coupon yield curves.

It is a condition of registration that sufficient cover, as determined by the Clearing House, is held with the Clearing House to cover both the NPV and Initial Margin of each SwapClear Transaction.

2C.6.4 Price Alignment Interest

The payment of variation margin, or change in NPV, on a daily basis without adjustment would distort the pricing for SwapClear Transactions cleared through the Clearing House. In order to minimise the impact of variation margin, the Clearing House will for each SCM either charge interest on cumulative variation margin received, or pay interest on cumulative variation margin paid (see section 3.5.2).

2C.7 COUPON PAYMENTS

2C.7.1 Calendars and Coupons

Payment dates for coupon payments will be set based on the SwapsMonitor Financial Calendar (see section 2C.2.3). Changes to the calendar that affect SwapClear Contracts will be published and made available to SCMs by the Clearing House in a Clearing Member Report. The central control and publication of these calendars will assist the reconciliation of coupon payments between SCMs and the Clearing House. Coupon payments will be adjusted, in the event of a holiday amendment, in accordance with the Contract Terms.

2C.7.2 Calculation of Fixed Amount

The Clearing House will calculate the Fixed Amount payable by a party on a Payment Date as either:

- (a) a. if an amount is specified for the SwapClear Contract as the Fixed Amount payable by that party for that Payment Date or for the related Calculation Period, such amount; or
- (b) b. if an amount is not specified for the SwapClear Contract as the Fixed Amount payable by that party for that Payment Date or for the related Calculation Period, an amount calculated on a formula basis for that Payment date or for the related Calculation Period as follows:

$$\text{Fixed Amount} = \frac{\text{Calculation Amount}}{\text{Rate}} \times \text{Count Fraction}$$

2C.7.3 Calculation of Floating Amount

The Clearing House will calculate the Floating Amount payable by a party on a Payment Date as an amount calculated on a formula basis for that Payment Date or for the related Calculation Period as follows:

$$\text{Floating Amount} = \frac{\text{Calculation Floating Rate}}{\text{Day Count Fraction}}$$

Amount	Rate	Count Fraction
(+/- Spread)		

2C.7.4 OIS coupon calculation

2C.7.6 Calculation of FRA Discounting (Article 8.4 of the 2006 ISDA Definitions)

Where FRA Discounting is specified for CAD, CHF, CZK, DKK, EUR, HUF, JPY, NOK, PLN, SEK, USD, ZAR the FRA Amount will be calculated in accordance with the following formula:

$$\text{FRA Amount} = \frac{\text{Calculation Amount} \times \left[\begin{array}{c} (\text{Floating Rate} + \\ \text{Spread}) \\ - \text{Fixed Rate} \end{array} \right] \times \left[\begin{array}{c} \text{Floating} \\ \text{Rate Day} \\ \text{Count} \\ \text{Fraction} \end{array} \right]}{1 + \left[\begin{array}{c} \text{Discount} \\ \text{Rate Day} \\ \text{Count} \\ \text{Fraction} \end{array} \right]}$$

Where FRA Discounting is specified for AUD Forward Rate Transactions and NZD Forward Rate Transactions then FRA Yield Discounting will be applied and the FRA Amount calculated in accordance with the following formula:

$$\text{FRA Amount} = \text{Calculation Amount} \times 365 \times \left\{ \frac{1}{365 + [R_1 \times ND]} - \frac{1}{365 + [R_2 \times ND]} \right\}$$

Where:

R_1 is the sum of the Floating Rate and the Spread on the payment date, expressed as a decimal

R_2 is the Fixed Rate, expressed as a decimal

ND is the actual number of days in the calculation period

2C.7.7 Business Day and Business Day Convention

In determining whether a day is a Business Day the Clearing House will only apply the Financial Centres specified in the matched SwapClear Transaction message. The Clearing House will in the event of non-business days apply the Business Day Conventions as specified in the matched SwapClear Transaction message.

2C.7.8 Payment of Coupons

After adjusting coupons, in accordance with the appropriate Business Day and Business Day Conventions, the Clearing House will credit or debit Clearing Members' Accounts with the appropriate Fixed or Floating Amount with a value date matching the Coupon Payment Date. In the event of SwapClear being closed on a Coupon Payment Date it will pay the Fixed and Floating Amounts on the next business day following the Coupon Payment Date.

2C.7.9 Calculation Periods

In respect of any Calculation Period that is not a whole calendar month (a stub period), the Reset Rate for the Reset Date in respect of that Calculation Period shall be determined by the Clearing House with reference to the rate(s) specified in the matched format message.

2C.7.10 Day Count Fractions: ISDA 2000

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

Where the SwapClear Contract is submitted under the ISDA 2000 Definitions, the Clearing House will calculate Day Count Fractions in accordance with the following principles:

- (a) if "Actual/365" or "Actual/Actual" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (b) if "Actual/365 (Fixed)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (c) if "Actual/360" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;
- (d) if "30/360", "360/360", "Bond Basis", "30E/360" or "Eurobond Basis" is specified the actual number of days in the Calculation Period in respect of which payment is being made will be determined in accordance with

the following formula:

$$((Y_2 - Y_1) * 360) + ((M_2 - M_1) * 30) + (D_2 - D_1)$$

where D_1 , M_1 and Y_1 are the day, month and year respectively on which the period begins and D_2 , M_2 and Y_2 are the day, month and year respectively on which the period ends (coupon payment date).

In accordance with this formula the following will be applied:

- i) if "30/360", "360/360" or "Bond Basis" is specified the Clearing House will
 - if D_1 is 31 amend it to 30,
 - if D_2 is 31 amend it to 30 only if D_1 is 30 or 31; or
 - ii) if "30E/360" or "Eurobond Basis" is specified the Clearing House will
 - if D_1 is 31 then amend it to 30
 - if D_2 is 31 then amend it to 30.
- (e) For Actual/Actual (ISMA): "The [Fixed/Floating] Amount will be calculated in accordance with Rule 251 of the statutes, by-laws, rules and recommendations of the International Securities Market Association, as published in April 1999, as applied to straight and convertible bonds issued after December 31, 1998, as though the [Fixed/Floating] Amount were the interest coupon on such a bond."

2C.7.11 Day Count Fractions: ISDA 2006

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

Where the SwapClear contract is submitted under the ISDA 2006 Definitions, the Clearing House will calculate Day Count Fractions in accordance with the following principles:

- (a) if "Actual/Actual", Actual/Actual (ISDA)", "Act/Act", or "Act/Act-(ISDA)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (b) if "Actual/365 (Fixed)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (c) if "Actual/360" is specified, the actual number of days in the Calculation

Period in respect of which payment is being made divided by 360;

- (d) “30/360”, “360/360” or “Bond Basis” is specified the number of days in the Calculation Period or Compounding Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

“Y2” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation or Compounding Period falls;

“M1” is the calendar month, expressed as a number, in which the first day of the Calculation Period or Compounding Period falls;

“M2” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation or Compounding Period falls;

“D1” is the first calendar day, expressed as a number, of the Calculation period or Compounding Period, unless such number would be 31, in which case D1 will be 30 and

“D2” is the Calendar day, expressed as a number, immediately following the last day included in the Calculation Period or Compounding Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30; and

- (e) if “30/E60” or “Eurobond basis” is specified, the number of days in the Calculation or Compounding Period in respect of which payment is being made divided by 360, calculate on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where: “Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

“Y2” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation or Compounding Period falls;

“M1” is the calendar month, expressed as a number, in which the first

day of the Calculation Period or Compounding Period falls;

“M2” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation or Compounding Period falls;

“D1” is the first calendar day, expressed as a number, of the Calculation period or Compounding Period, unless such number would be 31, in which case D1 will be 30 and

“D2” is the calendar day, expressed as a number, immediately following the last day included in the Calculation or Compounding Period, unless such number would be 31, in which case D2 will be 30.

- (f) if 30E/360(ISDA) is specified, the number of days in the Calculation or Compounding period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where: “Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

“Y2” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation or Compounding Period falls;

“M1” is the calendar month, expressed as a number, in which the first day of the Calculation Period or Compounding Period falls;

“M2” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation or Compounding Period falls;

“D1” is the first calendar day, expressed as a number, of the Calculation period or Compounding Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D1 will be 30; and

“D2” is the calendar day, expressed as a number, immediately following the last day included in the Calculation or Compounding Period, unless (i) that day is the last day of February but NOT the termination date or (ii) such number would be 31, in which case D2 will be 30.

- (g) If "Actual/Actual" (ICMA)" or "Act/Act" (ICMA) is specified , a fraction equal to "number of days accrued/number of days in year", as such terms are used in Rule 251 of the statuses, by-laws, rules and recommendations of the International Capital Market Association (the "ICMA Rule Book"), calculated in accordance with Rule 251 of the ICMA Rule Book as applied to non US Dollar denominated straight and convertible bonds issued after December 21, 1998, as though the interest coupon on a bond were being calculated for a coupon period

corresponding to the Calculation Period or Compounding Period in respect of which payment is being made.

2C.7.12 Reset Rates

Reset Rates will be published by the Clearing House via the Rate Reset reports.

The Clearing House will apply the following principles in calculating Reset Rates:

- (a) “GBP-LIBOR-BBA” means that the rate for a Reset Date will be the rate for deposits in Sterling for a period of the Designated Maturity which appears on the Reuters Screen LIBOR01 Page as of 11:00 hours, London time, on that Reset Date.
- (b) “USD--LIBOR-BBA” the rate for US Dollar deposits for a period of the Designated Maturity which appears on Reuters Screen LIBOR01 as of 11:00 hours London time, on the day that is two London Banking Days preceding that Reset Date.

In the event of no rate being available the Clearing House will, at its sole discretion, determine an applicable rate.

2C.7.12.1 Applying Reset Rate

The Clearing House will identify the reset dates of floating legs that require the application of a Reset Rate. The Reset Rate will be applied to the appropriate floating legs and the coupon payments calculated.

The coupon payments will be adjusted to fall on actual business days according to the Calendar(s) and Business Day Convention specified.

2C.7.12.2 Negative Interest Rate Method

SCMs should note the provisions of section 3.3 of Part A of the Schedule to the SwapClear Regulations regarding the applicability of the Negative Interest Rate Method to a SwapClear Contract. SwapClear Participants may, in the circumstances, wish to ensure that any trade submitted for registration follows that Negative interest Rate Method.

2C.8 **INITIAL MARGIN**

The Clearing House will require SCMs to post initial margin. This amount will be determined by the prevailing market conditions and the expected time to close out the portfolio. The Portfolio Approach to Interest Rate Scenarios (PAIRS) will be used to calculate initial margin requirements for SwapClear Contracts.

Separate initial margin calculations are performed for an SCM's house “H” and client “C” accounts.

2C.8.1 Margin Parameters

The Clearing House Risk Management Department uses appropriate yield curve scenarios, both in terms of shape and magnitude of movement, to capture potential losses based on an observed history - the primary component of the initial margin calculation. These scenarios will be continually monitored and reviewed periodically or on an ad hoc basis according to market conditions. However, in accordance with the Regulations, the Clearing House retains the right at its discretion to vary the rates for the whole market or for a specific SCM's House and/or Client accounts.

Clearing Members will usually be notified by the Clearing House of alterations to margin parameters no later than the day before calls are made based on the new yield curve scenarios.

2C.8.2 Counterparty Risk Multiplier

~~The Clearing House will, in the event of an SCM being downgraded to "BBB" (see section 1.3), apply a multiplier to that SCM's initial margin requirement as calculated by PAIRS. The initial margin multiplier for SCMs rated "A -", will be 1.1. For a rating of "BBB +" it will be 2.0 and for a rating of "BBB" it will be 2.5. In the event that that SCM is downgraded below BBB, the margin multiplier of 2.5 will continue to be applied, and the SCM will be required to leave the service through the SwapClear Resignation Process. (In the unlikely event that this Process is invoked, details of the process will be provided by Risk Management).~~

Where a risk multiplier is applied to an SCM that has SwapClear Clearing Clients, that multiplier will be applied only to SwapClear Clearing Clients that have no Backup SwapClear Clearing Member.

The Clearing House reserves the right to require additional amounts of cover from a specific SCM or from all SCMs in accordance with Regulation 12.

2C.8.3 Liquidity Multiplier

Risk Management apply a liquidity multiplier based on WCL exceeding certain thresholds on the SCM's whole portfolio and individual currencies. The threshold amounts and multipliers are reviewed on an ongoing basis. SwapClear Clearing Client accounts are treated as independent accounts for purposes of liquidity and will be called only in the event that the individual account exceeds the relevant threshold.

2C.8.4 Intra-day Margin Calls

In accordance with the Clearing House's General Regulations, the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it is considered necessary. Intra-day margin calls can be called at any time throughout the business day (08:30 to 21:00 hours London time). Intra-day margin calls will usually be made via the Protected Payments System (PPS) (see Section 2C.9).

In certain circumstances the Clearing House may wish to make a call for additional funds after the closure of London PPS facilities at 16:00 hours London time. In this event the Clearing House will require payment of additional funds through PPS facilities in the USA (see section 3.2.2). **Members must ensure, in these circumstances, that they are in a position to fund such calls through their nominated US PPS account within one hour of the call.**

2C.8.5 Calculation of Initial Margin

2C.8.5.1 Portfolio Approach to Interest Rate Scenarios (PAIRS)

The PAIRS calculation is a VAR based approach based on filtered historical simulations. All positions in each currency are re-valued under a series of cross

portfolio yield curve scenarios to estimate the highest forecast loss and therefore the initial margin requirement. Further details of this method are available upon request and are detailed in the PAIRS TIP document. The PAIRS document and further information relating to Initial Margin calculations can be obtained from the Rates team on +44 (020) 7426 6325 or +44 (020) 7426 7428

2C.9 **INTRA-DAY MARGIN CALL: COLLATERAL MANAGEMENT**

2C.9.1 **General – Intra-day Margining**

Following an intra-day margin call and unless notified otherwise by an SCM at the time of an intra-day margin call the Clearing House will deduct cash, in the appropriate currency, directly from the relevant SCM's PPS account to cover that intra-day margin call.

Standard Clearing House rules for acceptable cash used for intra-day cover will apply.

It is the responsibility of the SCM to ensure that they have sufficient cash funds in place with their PPS Bank(s) in order to avoid any intra-day liquidity issues.

If the Clearing House is unable to contact the SCM in order to arrange an alternative payment method for the intra-day margin call the Clearing House will automatically issue a PPS call to debit the SCM's PPS account in the appropriate currency.

Please note: An SCM must notify the Clearing House of its preferred method of collateralisation at the time of the Clearing House's margin call. Once an SCM has chosen an intra-day collateralisation method and has notified the Clearing House of its chosen method, such choice is definitive and the Clearing House will not reverse any decision.

2C.9.2 **Alternative Intra-Day Cash Collateralisation Methods**

An SCM may choose to cover its intra-day, margin calls by transferring cash from its House account or Additional Collateral Account to its Client Account.

2C.9.2.1 Method 1: Transferring Cash Collateral from the House Account

An SCM may choose to transfer excess cash collateral from its House account to cover an intra-day margin call for its Client account.

In the event that an SCM notifies the Clearing House that it wishes to meet its intra-day margin call, or part of its intra-day margin call, by transferring excess cash collateral from its House account it must follow the procedure below.

A transfer of excess cash collateral from its House account to its Client account must be completed within 1 hour of the SCM's request to the Clearing House that it intends to transfer House cash excess to its Client account by completing the Intra-Day House Cash Excess Transfer Form (Appendix 2C.D)

In the event that an SCM does not fulfil the requirement to provide the Clearing House with an executed Intra-Day House Cash Excess Transfer Form within 1 hour of notifying the Clearing House of its intention to transfer excess cash

collateral, the Clearing House may at its discretion issue a PPS call to cover the requirements in cash, in the appropriate currency, or impose penalty charges.

2C.9.2.2 Method 2: Transferring Cash Collateral Excess Deposited in the Additional Collateral Account

An SCM may choose to utilise any cash collateral held in its Additional Collateral account in respect of a SwapClear Clearing Client to cover an intra-day margin call for its Client account. An SCM may only transfer collateral from its Additional Collateral account for the purposes of meeting an intra-day margin call on its Client account.

In the event that an SCM notifies the Clearing House that it wishes to meet its intra-day margin call, or part of its intra-day margin call, by transferring cash collateral from its Additional Collateral account it must follow the procedure below.

A transfer of cash collateral from the Additional Collateral account to the Client account must be completed within 1 hour of the SCM's request to the Clearing House that it intends to transfer Additional Collateral cash excess to its Client account by completing the Additional Collateral Cash Excess Transfer Form (Appendix 2C.G)

In the event that an SCM does not meet its requirement to provide the Clearing House with an executed Additional Collateral Cash Excess Transfer Form within 1 hour of notifying the Clearing House of its intention to transfer cash collateral, the Clearing House may at its discretion issue a PPS call to cover the requirement in cash, in the appropriate currency, or impose penalty charges.

An SCM may also transfer cash collateral from its Client account to its Additional Collateral account by completing an Additional Collateral Account Cash Transfer Form (Appendix 2C.G).

An SCM must submit an Additional Collateral Account Spreadsheet to the Clearing House whenever transfers are made from/to the Additional Collateral account.

2C.9.3 Alternative Intra-Day Non-Cash Collateralisation Methods

An SCM may choose not to cover its intra-day margin calls with cash collateral. In such a case, an SCM may choose from one or more of the following three methods:

1. Deposit intra-day non-cash collateral into the Client account;
2. Transfer House non-cash excess from the House account to the Client account;
3. Transfer Client non-cash excess deposited in the Additional Collateral account to the Client account

2C.9.3.1 Method 1 – Deposit Intraday Non-Cash Collateral

An SCM may choose to lodge non-cash collateral to cover any intra-day margin call for their Client account.

In the event that an SCM notifies the Clearing House that it wishes to meet its intra-day margin call, or part of its intra-day margin call, by depositing non-cash collateral it must follow the procedure below:

Within 30 minutes of the SCM's notification of its intention to deposit non-cash collateral it must:

- (a) complete the Intra-Day Collateral Lodgement Form and provide a copy to the Clearing House (Appendix 2C.B);
- (b) input instructions for matching with the relevant Custodian account.

Any lodgement of non-cash collateral must be settled in the Clearing House's account at the relevant Custodian within 1 hour of the SCM's notification to the Clearing House of its intention to lodge non-cash collateral.

The Clearing House will charge accommodation fees as notified to SCMs for any non-cash collateral lodged as intra-day cover (see section 3 of the Clearing House Procedures). This charge will be invoiced to SCMs separately from the standard monthly interest and accommodation charge statement.

In the event that non-cash collateral is not settled in the Clearing House's account within 1 hour of the SCM notifying the Clearing House of its intention to lodge non-cash collateral, the Clearing House may at its discretion issue a PPS call to cover the intra-day requirement in cash, in the appropriate currency, or impose penalty charges.

When an SCM lodges non-cash collateral, the Clearing House will issue the SCM with a collateral lodgement reference number.

2C.9.3.2 Method 2 – Transfer Non-Cash House Excess

An SCM may choose to utilise any excess non-cash collateral held in its House account to cover an intra-day margin call on its Client account.

In the event that an SCM notifies the Clearing House that it wishes to meet its intra-day margin call, or part of its intra-day margin call, by transferring excess non-cash collateral from its House account it must follow the procedure below:

A transfer of excess non-cash collateral from the House account to the Client account must be completed within 1 hour of the SCM's request to the Clearing House that it intends to transfer House excess to its Client account by completing the House Excess Transfer Form (Appendix 2C.C).

The House Excess Transfer Form submitted by the SCM to the Clearing House must contain the collateral lodgement reference number as provided by the Clearing House to the SCM at the time the non-cash collateral was lodged.

In the event that an SCM transfers non-cash collateral to its Client account, the Clearing House will apply accommodation charges for any non-cash collateral

lodged as intra-day cover. This charge will be invoiced to members separately from the standard monthly interest and accommodation charge statement.

In the event that an SCM does not fulfil its requirement to provide the Clearing House with an executed House Excess Transfer Form within 1 hour of notifying the Clearing House of its intention to transfer non-cash collateral, the Clearing House may at its discretion issue a PPS call to cover the requirement in cash, in the appropriate currency, or impose penalty charges.

Transfers from the Client Account to the House account are not permitted under any circumstances.

2C.9.4 Method 3 – Transfer Non-Cash Collateral deposited in the Additional Collateral Account

An SCM may choose to transfer non-cash collateral held in its Additional Collateral account in respect of a SwapClear Clearing Client to cover any intra-day margin call on its Client account.

In the event that an SCM notifies the Clearing House that it wishes to meet its intra-day margin call, or part of its intra-day margin call, by transferring non-cash margin held in its Additional Collateral account it must follow the procedure below:

Within 30 minutes of the SCM's notification of its intention to transfer non-cash collateral from the Additional Collateral Account:

- (a) submit an Additional Collateral Account Non-Cash Transfer Form (Appendix 2C.F);
- (b) provide the Clearing House with a revised Additional Collateral Account Spreadsheet (Appendix 2C.H) that takes into account the transfer from the Additional Collateral account to the Client account.

The Clearing House will apply accommodation charges for any Non-cash collateral lodged as intra-day cover (see section 3 of the Clearing House Procedures). This charge will be invoiced to members separately from the monthly interest and accommodation charge statement.

If an SCM does not fulfil its requirement to provide the Clearing House with an executed Additional Collateral Account Non-Cash Transfer Form within 1 hour of the SCM's notification to the Clearing House that it wishes to transfer non-cash collateral from the Additional Collateral account, the Clearing House may at its discretion issue a PPS call to cover the margin requirement in cash, in the appropriate currency, or impose penalty charges.

An SCM may also transfer non-cash collateral from its Client account to its Additional Collateral account by completing an Additional Collateral Account Transfer Form.

All Additional Collateral Account Non-Cash Transfer Forms submitted by the SCM to the Clearing House must contain the collateral lodgement reference number as provided by the Clearing House to the SCM at the time the non-cash

collateral was initially lodged.

An SCM must submit an Additional Collateral Account Spreadsheet to the Clearing House whenever transfers are made from/to the Additional Collateral account.

2C.10 DECLEARING

Trades are usually decleared from SwapClear upon receipt by the Clearing House of appropriate instructions from MarkitWire; such instructions will have been originated in MarkitWire by both SCMs and/or both SCMs and a SwapClear Clearing Client consenting to the trade or portfolio of trades being decleared. If at any time an Early Termination Date in respect of all Transactions under the Clearing ISDA Master Agreement occurs in respect of which the SwapClear Clearing Client is the Defaulting Party or sole Affected Party, the Clearing House will declear all of the Associated LCH Transactions relating to the client upon receipt of instructions from the SCM and the following:

- (a) a copy of the notice designating the Early Termination Date or, if the Early Termination Date occurs automatically, evidence of the relevant Event of Default or Termination Event;
- (b) a copy of a notice served by the SCM on the SwapClear Clearing Client alerting that SwapClear Clearing Client of its intention to declear the relevant trade;
- (c) an indemnity from the SCM in a form suitable to the Clearing House.

The Clearing House will usually declear the relevant trade within 24 hours of receipt of the above, unless a SwapClear Clearing Client contests the declearing of the trades.

In the event that all of the Associated LCH Transactions relating to a SwapClear Clearing Client are decleared in accordance with this section 2C.10, the relevant SCM that has decleared the trades or trades shall be entitled to any collateral lodged in the Additional Collateral Account with the Clearing House and held in respect of the relevant SwapClear Clearing Client.

2C.11 POSITION TRANSFERS

The SwapClear Clearing System provides functionality for transfer of positions between SCMs. An SCM who wishes to effect a position transfer to another SCM should contact the Clearing House Risk Management Department.

SwapClear Dealers who wish to change their SCM will be required to execute a new SwapClear Dealer Clearing Agreement with their intended new SCM. The Clearing House will, if all parties are in agreement, effect a transfer of positions from one SCM to the other.

Transfers will only be effected once adequate cover has been provided by both parties to the transfer with the exception of a transfer to a Backup SwapClear Clearing Member following a default of their existing SwapClear Clearing

Member.

2C.11.1 Legal Documentation

The Clearing House will provide standard legal documentation for the transfer of positions. The transfer must be authorised by both parties and by individuals with appropriate signing authority.

2C.11.2 Position Transfer Notice Period

The Clearing House will usually require five business days notice ahead of an intended transfer.

2C.12 TERMINATION BY AUTOMATED SERVICE

Termination by automated service is no longer available. SwapClear Contracts may be cleared from SwapClear in line with section 2C.10. In the event that an SCM wishes to remove a SwapClear Contract submitted through the SWIFT trade source it should complete a Cleared Trade Removal Agreement as set out in Appendix 2M and a corresponding Cleared Trade Removal Agreement should also be submitted to the Clearing House by the Counterparty SCM (as defined in the Agreement).

2C.13 AMENDMENT OF TRADE REFERENCES

Sometimes SwapClear Participants wish to change their own trade references numbers/codes by which they identify trades registered in the SwapClear Service. Subject to that SwapClear Participant meeting all the Clearing House's requirements and these Procedures, the Clearing House will, as part of its service to SwapClear Participants, amend its records in order to reflect this change. Such change has no effect whatsoever on the terms of any registered SwapClear contract or any other obligations of the SCMs party to those contracts.

2C.14 TRADE REFERENCE AMENDMENT REQUEST FORM

The Clearing House requires a completed Trade Amendment Request Form (in the form prescribed by the Clearing House) to be submitted by any SwapClear Participant wishing to amend a trade reference. The form must be signed by two persons from within the SwapClear Participant with appropriate signing authority and must set out the required full details of each registered trade in respect of which the SwapClear Participant wishes to CHANGE ITS TRADE REFERENCE. Evidence of such signing authority may be required by the Clearing House. All parts of the form must be properly and fully completed, including the requested date for trade reference amendment, and, in respect of each trade identified therein, details of the current trade reference and the new trade reference and the Clearing House trade reference number.

The requested date for trade reference amendment must be no earlier than two business days ("the Trade Reference Amendment Notice Period") after the date upon which the form is received by the Clearing House. While the Clearing House will do what it reasonably can to meet the requested date for the amendment it cannot promise to do so. The date for the amendment in the

Clearing House's records and SwapClear Clearing System is a matter entirely within the discretion of the Clearing House and SCMs will be advised in due course of the date set by the Clearing House.

2C.14.1 Multi-trade Amendments

If a SwapClear Participant requests amendment to several trades it must (in addition to the hard copy Trade Reference Amendment Request Form) provide to the Clearing House an electronic text file containing all the relevant details required by the Trade Reference Amendment Request Form. Detail of the required formats of the file can be obtained from SwapClear Operations (Tel: +44 (0) 20 7426 7697). If the file is not submitted in the correct format and containing all the required details, the request for deletion will be rejected by the Clearing House and the SwapClear Participant advised accordingly.

The Security Trustee Deed of Assignment is currently only available to UK incorporated SwapClear Clearing Members and UK branches of overseas incorporated SwapClear Clearing Members.

2C.14.2 Processing

The Clearing House will usually agree to process any request for amendment of trade reference properly submitted; however the Clearing House will reject any such request if:

- = ~~(a)~~it is not made in accordance with these Procedures
- = ~~(b)~~any trade reference notified to the Clearing House in the Trade Reference Amendment Request Form does not match the SwapClear Participant trade reference which the Clearing House has recorded
- = ~~(c)~~any the Clearing House trade reference number notified in the Trade
- = ~~(d)~~Reference Amendment Request Form does not refer to a trade registered in the SwapClear Clearing System
- = ~~(e)~~any trade referred to in the Trade Reference Amendment Request Form is not already registered in the SwapClear Clearing system or is not recorded by the Clearing House against the BIC code of the SwapClear Participant requesting the amendment
- = ~~(f)~~it would not be practical in all the circumstances or would put the Clearing House to unacceptable cost if the Clearing House were to make the requested amendments or the Clearing House forms the view that to do so would adversely affect its risk.

Following notification of agreement to make the requested amendments, the Clearing House will use its reasonable endeavours to process the amendments on the anticipated date of amendments; if, for whatever reason the Clearing House is unable to do so, it will notify the SwapClear Participant and process the amendment as soon as reasonably practicable thereafter.

After close of business of the day of processing, the Clearing House will produce a report setting out details of the time and date that it has amended its records in

accordance with the request, details of the old and new SwapClear Participant trade references and the status of the amendment in respect of each trade set out in the Trade Reference Amendment Request – namely “amended” or “rejected”. All records of the Clearing House and data held in the SwapClear Clearing System will then be updated overnight following the close of business on that day.

2C.14.3 Legal Documentation

The Clearing House will provide the requesting SwapClear Participant with legal documentation in Clearing House standard form for that SwapClear Participant to sign. No trade reference will be amended unless such documentation is completed and signed. The documentation must be signed by a person within the SCM with appropriate signing authority. Evidence of such authority may be required by the Clearing House. No amendment to such documentation will be accepted by the Clearing House.

2C.14.4 Notification

Subject to the requesting SwapClear Participant meeting all the Clearing House's requirements (including completion and submission of all documentation and such other additional requirements as the Clearing House may be set by the Clearing House in its discretion), the Clearing House will notify the SwapClear Participant of its agreement to the amendment of its records of the SwapClear Participant's trade reference in respect of the trades identified in the Trade Reference Amendment Request Form, and advise of the anticipated date of amendment (“the anticipated date of amendment”).

SWAPCLEAR CLIENT CLEARING

SwapClear Client Clearing allows a SwapClear Clearing Member to provide certain clearing services to SwapClear Clearing Clients.

2C.15.1 Deed of Assignment

Unless otherwise specified by the Clearing House, SwapClear Clearing Members and SwapClear Clearing Clients must enter into a Deed of Assignment with the Clearing House before such SwapClear Clearing Members provide clearing services to SwapClear Clearing Clients. The deed of assignment must be executed substantially in the form set out in Appendix 2I.

A slightly amended Deed of Assignment is required for SwapClear Clearing Members incorporated in Ireland and is available from the Clearing House's Membership Department (membershipteam@lchclearnet.com).

As an alternative to entering an individual Deed of Assignment with each SCM and their individual SwapClear Clearing Client, the Clearing House also operates a Security Trustee Model whereby the Clearing House holds those assets assigned under the Deed of Assignment on trust for SwapClear Clearing Clients. The Security Trustee Model Deed of Assignment is shown at Appendix J. Further details are available from the Clearing House's Membership Department (membershipteam@lchclearnet.com).

2C.15.2 Give-Up Agreement

Unless otherwise specified by the Clearing House, a SwapClear Clearing Member that wishes to give up to another SwapClear Clearing Member a transaction entered into with a client with a view to such transaction being submitted to the Clearing House for clearing through the SwapClear Client Clearing Service must enter into a Give-up Agreement with such SwapClear Clearing Member. The Give-up Agreement must be executed substantially in the form set out in Appendix 2K and must incorporate the SwapClear Client Clearing Give Up Standard Terms Version 1.0 dated 8 November 2010.

2C.15.3 Prescribed Language

Pursuant to the Clearing House's General Regulations, each SwapClear Clearing Member is required to ensure that it includes certain language in its agreement with its SwapClear Clearing Client (the "Clearing House Prescribed Language"). The Clearing House Prescribed Language is shown at Appendix 2L.

2C.15.4 Other Legal Documentation

- 2C.15.4.1 From time to time, the Clearing House may make available on its website template documents that a SwapClear Clearing Member and a SwapClear Clearing Client may find useful when agreeing the terms between them for the provision of clearing services by such SwapClear Clearing Member to a SwapClear Clearing Client. SwapClear Participants should note that the Clearing House makes no representations in respect of any documentation, including without limitation, those provided by the Clearing House or otherwise.

SwapClear Clearing Clients should, of course, make their own independent decisions in relation to the SwapClear Client Clearing Service based upon their own judgment and upon such advice from such advisers as those clients deem necessary.

SwapClear Clearing Clients' attention is drawn to the SwapClear Clearing End-User Notice which is published on the Clearing House's website (http://www.lchclearnet.com/swaps/swapclear_for_clients/default.asp)

- 2C.15.4.2 The following template documentation is currently made available on the Clearing House's website:

- (a) ~~(A)~~ SwapClear Client Clearing Agreement Version 2.0 dated 8 November 2010, incorporating the SwapClear Client Clearing Standard Terms Version 1.0 dated 8 November 2010. An additional long-form version of this document is also available.
- (b) ~~(B)~~ SwapClear Client Clearing Give Up Standard Terms Version 1.0 dated 8 November 2010.

2C.15.5 Withholding Taxes

Please note that where SCMs are not beneficially entitled to securities that they lodge with the Clearing House as non-cash collateral, the Clearing House may require certain tax documents from the relevant beneficial owner

of such securities (see section 4 of the LCH procedures).

2C.16 EARLY TERMINATION EVENTS

SwapClear Participants using MarkitWire may, if they so wish, use the Early Termination Provision FpML block to include details of any terms relating to optional early termination agreed between the parties to that SwapClear Transaction.

The Clearing House has agreed, in order to assist SwapClear Participants, that SwapClear Participants may use these fields for their own administrative convenience as a record of a term of the underlying SwapClear Transaction between them, but any data populating these fields will not under any circumstances constitute any part of or any term of the SwapClear Contracts which arise between the Clearing House and the SCMs in whose name such trades are registered. SCMs have no right to elect early termination of any SwapClear Contract. The full terms of any such SwapClear Contract are as set out in Part A of the Schedule to the SwapClear Regulations.

The Clearing House does not store or record any data populating these fields or blocks or any other fields or blocks in the trade confirmation message which are ignored by the SwapClear System (see information documents provided by SwapClear entitled

“The FpML Validation Rules for SwapClear”

2C.17 TERMINATION OF SWAPCLEAR CLEARING MEMBER AND SWAPCLEAR DEALER STATUS

2C.17.1 Termination of SwapClear Clearing Member status

Clearing Members should contact the Clearing House Membership Department (+44 (0)207 426 7891/7627/7063; membership@lchclearnet.com) for details of how to resign from the SwapClear service.

2C.17.2 Termination of SwapClear Dealer status

The SwapClear Dealer Agreement sets out how that relationship may be terminated.

In particular, a SwapClear Dealer may terminate the agreement by giving no less than twenty one (21) days' written notice in the same terms to the SCM and to the Clearing House. Before the expiry of such twenty one (21) days (the “Termination Date”), the Clearing House will notify all SwapClear Clearing Members and SwapClear Dealers that the relevant SD is no longer able, from such Termination Date to submit SwapClear Transactions for registration. It may only resume registration of SwapClear Transactions if it enters into another SwapClear Dealer Clearing Agreement and resumes its place in the Register of SwapClear Dealers. The Clearing House may give such notification by letter, email, fax, internet or telephone.

An SCM may terminate the agreement, inter alia, at any time by giving written notice to the SD and to the Clearing House in accordance with the provisions of the agreement. Following receipt of that notice, the Clearing House will confirm

receipt to the SCM and SD and such termination will become effective 3 hours after the Clearing House's confirmation has been sent out. Confirmation may be given by the Clearing House by letter, email, fax, internet or telephone. Where notice is given to the Clearing House on a day which is not a business day for the SwapClear Service, it will become effective three (3) hours after the commencement of the SwapClear Service on the next following business day.

Following the receipt of a notice to terminate given by the SCM, the Clearing House will notify all SwapClear Clearing Members and SwapClear Dealers that the relevant SD is no longer able to submit SwapClear Transactions for registration until that SD enters into another SwapClear Dealer Clearing Agreement and resumes its place in the Register of SwapClear Dealers.

2C.18 PAYMENT OF STAMP TAX

Each SwapClear Clearing Member shall pay any Stamp Tax or duty levied or imposed upon it or in respect of its execution or performance of the Clearing Membership Agreement, the Regulations and the Procedures (including any registration of a SwapClear Contract) by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located ("Stamp Tax Jurisdiction") or by any other jurisdiction and shall indemnify the Clearing House against any Stamp Tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the Clearing Membership Agreement, the Regulations and the Procedures (including any registration of a SwapClear Contract) by any such Stamp Tax Jurisdiction or by any other jurisdiction.

2C.19 SECTION 168, FINANCE ACT 1994

Under section 696 Corporation Tax Act 2009 ("**CTA 2009**"), net payments in relation to certain derivative contracts (as defined in Section 576 CTA 2009) by any company (company "A") to a non-UK resident are denied UK tax relief unless one or more of the following conditions in section 697 CTA 2009 are met:

Company A is a bank, building society, financial trader or recognised clearing house acting as principal who has entered into the qualifying contract for the purposes of a UK trade.

The non-UK resident holds the qualifying contract (as principal) for the purposes of its UK trade.

A double tax treaty, that makes provision for interest, is in force between the UK and the country of residence of the non-UK resident (or, if different, the country of residence of the beneficial counterparty to the contract).

The Clearing House is considered a "recognised clearing house" as defined in section 285 of FSMA 2000.

Any contract which would otherwise fall within section 696 CTA 2009 must not be submitted to the Clearing House by SwapClear Participants for clearing nor should any SwapClear Clearing Member knowingly permit any such contract to be submitted by a SwapClear Participant. Should this occur the SwapClear Clearing Member in whose name the contract is to be or has been registered must promptly notify the Clearing House and, in any event, within 30 days of that

Clearing Member becoming aware of the situation. Having investigated the circumstances, the Clearing House has an obligation to notify the HM Revenue & Customs of the event and the Clearing House may, in its absolute discretion suspend any SwapClear Dealer submitting such a contract for registration for the Register of SwapClear Dealers. The Clearing House may also, in its absolute discretion take such action in respect of the SwapClear Clearing Member as it deems fit in accordance with the Regulations. The SwapClear Clearing Member shall indemnify the Clearing House against any Corporation Tax or any other tax levied or imposed upon the Clearing House in respect of any such contract, and any other costs and expenses incurred by the Clearing House in connection therewith.

If in doubt, Clearing Members should consult their professional advisers as to the potential application of sections 696 and 697 CTA 2009 to their transaction.

2C.20 DEFAULT MANAGEMENT

2C.20.1 Portfolio Splitting:

As part of the SwapClear DMP, the Clearing House may divide an Auction portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing house will, in consultation with the SwapClear DMP, seek to create:

- a. one or more individual Sub-portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Sub portfolios from those which are more risk neutral; and
- b. one or more individual Sub portfolios which are more risk neutral.

2C.20.2 Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- a. cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognised Clearing House or a Derivatives Clearing Organization;
- b. cause the Clearing House or its membership any reputational harm;
- c. cause legal action or proceedings to be taken against the Clearing House; or
- d. endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.

Where the Clearing House receives more than one bid from the same SwapClear Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by a SwapClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the

Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.

2C.20.3 Affiliate Bidding

SwapClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where a SwapClear Clearing Member makes a bid and that SwapClear Clearing Member has an affiliated SwapClear Clearing Member or FCM Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding SwapClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated SwapClear Clearing Member or affiliated FCM Clearing Member..

A SwapClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where it wishes to do so, the SwapClear Clearing Member should contact the Clearing House's Membership Department (membership@lchclearnet.com; +44 (0)207 426 7949).

2C.20.4 Backup SwapClear Clearing Members

SwapClear Clearing Members may nominate a Backup SwapClear Clearing Member in respect of a SwapClear Clearing Client.

Where a SwapClear Clearing Member nominates a Backup SwapClear Clearing Member, the Clearing House is entitled, in accordance with the Default Management Process and following the default of the relevant SwapClear Clearing Member, to immediately and without notice to any person, send details of the Relevant Contracts and Account Balances to that pre-nominated Backup SwapClear Clearing Member; the Clearing House shall not require consent from any person in advance of sending these details.

Note: Nomination of a Backup Clearing Member does not mean that SwapClear Contracts will always be transferred to that Backup Clearing Member. Porting of SwapClear Contracts, following a SwapClear Clearing Member's default is always subject to the Clearing House's receipt of consent from the relevant Backup SwapClear Clearing Member.

A SwapClear Clearing Member that wishes to nominate a Backup SwapClear Clearing Member on behalf of a SwapClear Clearing Client should contact the Clearing House's Membership Department (membership@lchclearnet.com; +44 (0)207 426 7949).

2C.20.5 Default Fund: SwapClear Contributions

SwapClear Contributions (as defined in the Default Fund Rules) will be called via PPS on the fourth working day of each month or more frequently pursuant to a determination of the SwapClear Contribution under S2(k) of the Default Fund Rules (each a "**SwapClear Reset Day**"). SwapClear Contribution requirements will be notified to SwapClear Clearing Members at least two working days prior to each SwapClear Reset Day on Member Intranet Report 000032.

Excess SwapClear Contribution amounts due to SwapClear Clearing Members following the adjustment to the SwapClear Contribution will be repaid to SwapClear Clearing Members' PPS accounts on the SwapClear Reset Day immediately following the adjustment to the SwapClear Contribution.

Interest on SwapClear Contributions will be paid to SwapClear Clearing Members' PPS accounts on the first working day after the SwapClear Reset Day following the end of the relevant "interest accrual period". Interest is calculated in respect of each "interest accrual period", which commences on (and includes) a SwapClear Reset Day and ends on (and includes) the calendar day immediately before the next SwapClear Reset Day.

2C.20.6 Quantifying SwapClear Contributions

For the purposes of calculating the SwapClear Margin Weight under Rule S2(c) of the SwapClear Default Fund Supplement, the average daily requirement for initial margin applied to an SCM shall be determined by reference to the SwapClear Contracts comprising the SwapClear House Business of that SCM only. Nothing in the foregoing sentence shall prevent the Clearing House from introducing changes to the methodology used for calculating the SwapClear Margin Weight and, in particular, with effect from 28 September 2012, the average daily requirement for initial margin applied to an SCM for the purposes of such calculation shall be determined by reference to the SwapClear Contracts comprising both the SwapClear House Business and the SwapClear Clearing Client Business of that SCM.

2C.20.7 Outsourcing

Pursuant to Section 1 (Membership) of the Procedures, an SCM may appoint a third party to fulfil one or both of the the Clearing House's Membership requirements to: (i) participate in a SwapClear "fire drill" run by the Clearing House; and (ii) participate in the Default Management Process operated by the Clearing House. Where an SCM chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.

The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:

- A SwapClear Clearing Member
- An FCM Clearing Member
- An FCM Client or SwapClear Clearing Client
- any other entity that the Clearing House deems appropriate in its sole discretion.

Where an SCM wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:

- (a) details of the third party entity that the SCM wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of

- the applicant's regulatory status;
- (b) evidence of the existence of a legally binding agreement between the SCM Clearing Member and the third party; and
 - (c) such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.

Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.

Where an SCM successfully appoints an LCH Approved Outsourcing Agent, that SCMr may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default

SCMs should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire-drill than SCM (i.e. required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require an SCM, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire-drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.

The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant SCM shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).

Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.

The appointment of an LCH Approved Outsourcing Agent does not absolve an SCM of its obligations under the Default Management Process (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in the Default Management Process on behalf of an SCM, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that SCM.

2C.20.8 SwapClear DMG

The necessary involvement of SCMs and the SwapClear DMG in the SwapClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure that such potential conflicts are demonstrably contained, Appendix 2C.N establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on SCMs (and their executives or directors who participate from time to time in the

SwapClear DMG) and on the Clearing House.

Each SCM who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with Appendix 2C.N covering confidentiality, non-disclosure and other terms.

8.3 ~~(kk)~~**Waiver of Defences:** Neither the obligations of the Assignor under this Deed nor the Assignment will be affected by an act, omission, matter or thing which, but for this Clause 8, would reduce, release or prejudice any of its obligations under any Transaction Document or the Assignment (without limitation and whether or not known to it or the Assignee) including:

Each such submission is made for the benefit of the other party and shall not affect the right of any party to take proceedings in any other court of competent jurisdiction nor shall the taking of proceedings in any court of competent jurisdiction preclude any party from taking proceedings in any other court of competent jurisdiction (whether concurrently or not) unless precluded by law.

9.1.1. the Assignor may retain for its own account; and

9.1.2. the Security Trustee shall therefore promptly pay or transfer to the Assignor,

any amounts or other assets received by such party from the Clearing House in respect of the Assigned Assets. 9.2. Consolidation: Section 93 of the LPA shall not apply to the Assignment.

10. Miscellaneous Provisions

10.2. Remedies and Waivers: No failure to exercise, nor any delay in exercising, on the part of the Security Trustee any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

10.3. Amendments and Waivers: Any term of this Deed may be amended or waived only with the consent of the Security Trustee and the Assignor.

- 10.4. Assignment: Subject to the extent permitted by applicable law, neither this Deed nor any interest or obligation in or under it may be assigned or otherwise transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party.
- 10.5. Disclosure to Clients: The Clearing House agrees that the Assignor may provide a copy of this Deed to any Client or prospective Client.
- 10.6. Partial Invalidity: If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

- 10.8. Counterparts: This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.
- 10.9. Governing Law: This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.
- 10.10. Jurisdiction: In relation to any proceedings, each party to this Deed irrevocably submits to the exclusive jurisdiction of the courts of England and waives any objection to proceedings in such courts on the grounds of venue or on the grounds that the proceedings have been brought in an inconvenient forum. Each such submission is made for the benefit of the other party and shall not affect the right of any party to take proceedings in any other court of competent jurisdiction nor shall the taking of proceedings in any court of competent jurisdiction preclude any party from taking proceedings in any other court of competent jurisdiction (whether concurrently or not) unless precluded by law.
- 10.11. [Agent for Service of Process: The Assignor hereby irrevocably appoints [Name of Agent] of [Address in England] to receive service of process on its behalf as its authorised agent for service of process in England. If for any reason such agent ceases to be such agent for service of process, the Assignor shall forthwith appoint a new agent for service of process in England and deliver to the Security Trustee a copy of the new agent's acceptance of appointment within 30 days. Nothing in this

Deed shall affect the right to serve process in any other matter permitted by law.]

1. Trust

The Security Trustee declares that it shall hold the benefit of this Deed and the Assignment on trust for the Secured Parties on the terms contained in this Deed. All moneys from time to time received or recovered by the Security Trustee in connection with the realisation or enforcement of all or any part of the Assignment shall be held by the Security Trustee on trust to apply them as soon as reasonably practicable, to the extent permitted by applicable law and subject to the provisions of this Deed in the following order of priority:

- 1.1. in discharging any sums owing to the Security Trustee (in its capacity as trustee) pursuant to this Deed;
 - 1.1.1.
- 1.2. in payment to each Client of all sums due and payable by the Assignor to such Client in respect of Liabilities, provided that where the moneys available to the Security Trustee for distribution among all Clients under this paragraph 1.2 are less than the aggregate of all Liabilities then due and payable by the Assignor to all Clients, each Client shall be paid a pro rata proportion of such moneys available to the Security Trustee determined as being equal to (a) the Relevant SwapClear Clearing Client Entitlement or, as the case may be, the Relevant Account Balance relating to such Client divided by (b) the aggregate of all Relevant SwapClear Clearing Client Entitlement or, as the case may be, Relevant Account Balances relating to all Clients, but subject always to a maximum amount payable to any Client equal to the Relevant SwapClear Clearing Client Entitlement or, as the case may be, the Relevant Account Balance; and
- 1.3. the balance, if any, in payment to the Assignor.

2. No Independent Power

The Secured Parties other than the Security Trustee shall not have any independent power to enforce, or have recourse to, any of the Assigned Assets or to exercise any rights or powers arising under this Deed.

3. Security Trustee's Actions

- 3.1. The Security Trustee shall have only those duties, obligations and responsibilities

expressly specified in this Deed (and no others shall be implied). Subject to the other provisions of this Deed, the Security Trustee may take such action in the exercise of any of its powers and duties under this Deed which in its absolute discretion it considers to be for the protection and benefit of all the Secured Parties.

- 3.2. The duties, obligations and responsibilities of the Security Trustee specified in this Deed shall be subject to the duties, obligations and responsibilities, imposed from time to time by or pursuant to any law or instrument made thereunder, to which the Security Trustee is subject when it acts in its capacity as clearing house ("RCH Duty").
- 3.3. The Security Trustee may exercise any right, power or discretion in the discharge of any RCH Duty, whether under its default rules or otherwise, independently of its obligations as Security Trustee under this Deed ("RCH Power"). The exercise of any RCH Power shall take precedence over any duty, obligation or responsibility of the Security Trustee specified in this Deed. The Security Trustee shall not be liable to any person as a result of its proper exercise of (or proper omission to exercise) any RCH Power, including where the exercise of such power has the effect of varying the amount to which any beneficiary would otherwise be entitled under this Deed.
- 3.4. The Assignor shall, notwithstanding any release or discharge of all or any part of the Assignment, indemnify the Security Trustee against all charges and expenses, and any action, proceeding, claims, losses, liabilities and costs ("Loss") properly incurred by it, or which it may sustain as a consequence of any breach by the Assignor of the provisions of this Deed, or in the proper exercise or purported exercise of any of the rights and powers conferred on the Security Trustee by, or in respect of any matter or thing properly done or omitted in any respect in connection with, this Deed or otherwise relating to the Assigned Assets, but only to the extent that such Loss has not been incurred by any fraud, wilful default or gross negligence of the Security Trustee or, in the case of the exercise of an RCH Power, any act or omission in respect of which it would not be subject to the exemption from liability in section 291 of the Financial Services and Markets Act 2000 or any other statutory exclusion of liability enacted from time to time.

4. Security Trustee's Discretions

- 4.1. The Security Trustee may assume (unless it has actual knowledge to the contrary or has received express notice to the contrary from any other Secured Party) that:
 - (a) the Assignor is not in breach of its obligations under Clause 2 of this Deed; and
 - (b) any right, power, authority or discretion vested in any person has not been

exercised.

- 4.2. The Security Trustee may engage, pay for and rely in good faith on the advice or services of any lawyers, accountants, or other experts (whether obtained by the Security Trustee or by any other Secured Party) in connection with the performance of its obligations under this Deed.
- 4.3. The Security Trustee may rely upon any communication or document reasonably believed by it to be genuine and, as to any matters of fact which might reasonably be expected to be within the knowledge of a Secured Party or the Assignor, upon a certificate signed by or on behalf of that person.

5. Security Trustee's Rights and Obligations

- 5.1. At any time after the occurrence of an Enforcement Event, the Security Trustee shall have the rights set out in Schedule 2 to this Deed.
- 5.2. The Security Trustee shall promptly inform the other Secured Parties of (a) the contents of any notice or document received by it in its capacity as Security Trustee from the Assignor; and (b) the occurrence of any breach of any term of this Deed of which the Security Trustee has received notice from any other Secured Party.

6. Excluded Obligations

The Security Trustee shall not:

- 6.1. be bound to enquire as to the occurrence or otherwise of any breach by the Assignor of any of its obligations under this Deed;
- 6.2. be bound to account to any other Secured Party for any sum or the profit element of any sum received by it for its own account;
- 6.3. be bound to disclose to any other person (including any Secured Party):
 - 6.3.1. any confidential information, or
 - 6.3.2. any other information if disclosure would constitute a breach of any law or be a breach of fiduciary duty;
- 6.4. be under any obligation, the discharge of which would constitute a breach of any RCH Duty;
- 6.5. be under any obligation other than those which are specifically provided for in this

Deed; or

- 6.6. have or be deemed to have any duty, obligation or responsibility to, or relationship of trust or agency with, the Assignor.

7. Exclusion of Liability

Unless caused directly by its own fraud, wilful default or gross negligence, the Security Trustee shall not accept responsibility or be liable for:

- 7.1. the proper exercise of (or proper omission to exercise) any RCH Power;
- 7.2. the adequacy, accuracy and/or completeness of any information supplied by the Security Trustee or any other person in connection with this Deed, or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with this Deed;
- 7.3. the legality, validity, effectiveness, adequacy or enforceability of this Deed or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with this Deed;
- 7.4. any losses to any person or any liability arising as a result of taking or refraining from taking any action in relation to this Deed or otherwise;
- 7.5. the exercise of, or the failure to exercise, any judgment, discretion or power given to it by or in connection with this Deed or any other agreement, arrangement or document entered into, made or executed in anticipation of, pursuant to or in connection with this Deed; or
- 7.6. any shortfall which arises on the enforcement of the Assignment.

8. No Proceedings

No Secured Party or party to this Deed (other than the Security Trustee) may take any proceedings against any officer, employee or agent of the Security Trustee in respect of any claim it might have against the Security Trustee or in respect of any act or omission of any kind by that officer, employee or agent in relation to this Deed and any officer, employee or agent of the Security Trustee may rely on this Clause.

9. No responsibility to perfect Assignment

The Security Trustee shall have no obligation to, and shall not be liable for any failure to:

- 9.1. require the deposit with it of any deed or document certifying, representing or constituting the title of the Assignor to any of the Assigned Assets;

- 9.2. obtain any licence, consent or other authority for the execution, delivery, legality, validity, enforceability or admissibility in evidence of any of this Deed or the Assignment;
- 9.3. register, file or record or otherwise protect the Assignment (or the priority of the Assignment) under any applicable laws in any jurisdiction or to give notice to any person of the execution of this Deed or of the Assignment;
- 9.4. take, or to require the Assignor to take, any steps to perfect its title to any of the Assigned Assets or to render the Assignment effective or to secure the creation of any ancillary security under the laws of any jurisdiction; or
- 9.5. require any further assurances in relation to this Deed.

10. Insurance by Security Trustee

The Security Trustee shall be under no obligation to insure any of the Assigned Assets or to require any other person to maintain any insurance. The Security Trustee shall not be responsible for any loss which may be suffered by any person solely as a result of the lack of or inadequacy of any such insurance.

11. Acceptance of Title

The Security Trustee shall be entitled to accept without enquiry, and shall not be obliged to investigate, such right and title as the Assignor may have to any of the Assigned Assets and shall not be liable for or bound to require the Assignor to remedy any defect in its right or title.

12. Refrain from Illegality

The Security Trustee may refrain from doing anything which in its reasonable opinion will or may be contrary to any relevant law, directive or regulation of any jurisdiction which would or might otherwise render it liable to any person, and may do anything which is, in its reasonable opinion, necessary to comply with any law, directive or regulation.

13. Business with the Assignor

The Security Trustee may

provide clearing services to the Assignor both for itself and on account of any other person and do all things incidental to the provision of clearing services as they

involve the Assignor in whatever capacity; and
deal with, accept deposits from, lend money to, and generally engage in any kind of treasury or other business with the Assignor.

14. Authorisation of Release

Upon a disposal of any of the Assigned Assets pursuant to the enforcement of the Assignment by the Security Trustee, the Security Trustee is authorised to execute, without the need for any further authority from the Secured Parties, any release of the Assignment or other claim over that part of the Assigned Assets.

15. Winding up of Trust

After the Security Trustee, with the approval of the Secured Parties, has determined that all of the Liabilities and all other obligations secured by this Deed have been fully and finally discharged, and all relevant certifications and other documents have been transferred to the Assignor, the trusts set out in this Deed shall be wound up.

16. Perpetuity Period

The perpetuity period under the rule against perpetuities, if applicable to this Deed, shall be the period of eighty years from the date of this Deed.

17. Powers Supplemental

The rights, powers and discretions conferred upon the Security Trustee by this Deed shall be supplemental to the Trustee Acts 1925 and 2000 and in addition to any which may be vested in the Security Trustee by general law or otherwise.

18. Disapplication

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Security Trustee in relation to the trusts constituted by this Deed. Where there are any inconsistencies between the Trustee Acts 1925 and 2000 and the provisions of this Deed, the provisions of this Deed shall, to the extent allowed by law, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Deed shall constitute a restriction or exclusion for the purposes of that Act.

19. Resignation of Security Trustee

19.1. Where:

- 19.1.1. the Security Trustee so agrees with the other Secured Parties or
- 19.1.2. without prejudice to the generality of Clause 12 of this Schedule One, the Security Trustee is required to resign as a result of a change in its exempt status, its regulatory status or it otherwise becoming unable to exercise its duties and functions as Security Trustee because of a change in any law, regulation, rule or other regulatory measure

the Security Trustee may resign by giving such notice to the Assignor as is reasonable in the circumstances giving rise to the resignation.

19.2. Where the Security Trustee gives notice of its resignation, it may together with the other Secured Parties, appoint a successor Security Trustee, unless any change in its exempt status, its regulatory status, law, regulation rule, or other regulatory measure prevents the Security Trustee from taking any step to appoint a successor Security Trustee, in which case the Secured Parties may themselves appoint such successor Security Trustee, subject to any regulatory requirement to do so in consultation or after consultation with any relevant regulatory, governmental or similar authority.

19.3. The retiring Security Trustee shall, at its own cost, make available to the successor Security Trustee such documents and records and provide such assistance as the successor Security Trustee may reasonably request and any regulation rule, or other regulatory measure permits for the purposes of performing its functions as Security Trustee under this Deed.

19.4. The Security Trustee's resignation notice shall only take effect upon the appointment of a successor. Upon the appointment of a successor, the retiring

Security Trustee shall be discharged from any further obligation in respect of this Deed but shall remain entitled to the benefit of this Schedule. Its successor and each of the other parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original party.

20. Power of Attorney

The Assignor by way of security irrevocably appoints the Security Trustee as its attorney (with full power of substitution), on its behalf and in its name or otherwise, in such manner as the attorney thinks fit, but in any case in good faith and in a commercially reasonable manner, to exercise (following the occurrence of an enforcement event only) any of the rights conferred on the Security Trustee in relation to the Assigned Assets or under the LPA or the Insolvency Act. The Assignor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of this power of attorney.

Schedule 2
Rights of the Security Trustee

Following the occurrence of an Enforcement Event, the Security Trustee shall have the right, either in its own name or in the name of the Assignor or otherwise and in such manner and upon such terms and conditions as the Security Trustee thinks fit, but in any case, in good faith and a commercially reasonable manner, and either alone or jointly with any other person:

1. Take possession: to take possession of, get in and collect the Assigned Assets and to require payment to it of revenues deriving therefrom;
2. Deal with Assigned Assets: to sell, transfer, assign, exchange or otherwise dispose of or realise the Assigned Assets to any person either by public offer or auction, tender or private contract and for a consideration of any kind (which may be payable or delivered in one amount or by instalments spread over a period or deferred);
3. Borrow money: to borrow or raise money either unsecured or on the security of the Assigned Assets (either in priority to the Assignment or otherwise);
4. Rights of ownership: to manage and use the Assigned Assets and to exercise and do (or permit the Assignor or any nominee of it to exercise and do) all such rights and things as the Security Trustee would be capable of exercising or doing if it were the absolute beneficial owner of the Assigned Assets;
5. Claims: to settle, adjust, refer to arbitration, compromise and arrange any claims, accounts, disputes, questions and demands with or by any person relating to the Assigned Assets;
6. Legal actions: to bring, prosecute, enforce, defend and abandon actions, suits and proceedings in relation to the Assigned Assets;
7. Redemption of Security: to redeem any Security (whether or not having priority to the Assignment) over the Assigned Assets and to settle the accounts of any person with an interest in the Assigned Assets; and
8. Other powers: to do anything else it may think fit for the realisation of the Assigned Assets or incidental to the exercise of any of the rights conferred on the Assignee under or by virtue of any Transaction Document, the LPA or the Insolvency Act.

The Parties agree as follows:

Definitions

Words and phrases not otherwise defined in this Agreement shall have the same meaning as in the General Regulations, Default Rules and Procedures of the Clearing House ('the "Clearing House Rulebook")

1. Contracts for removal from service

SCM requests that the SwapClear Contract(s), particulars of which are set out in Schedule A hereto, registered by the Clearing House on the date(s) set out in that Schedule, and to which SCM and the Clearing House are party (the "Registered SwapClear Contract(s)"), be removed from service by mutual consent in accordance with the provisions of this Agreement and the Clearing House Rulebook.

2. Contingent event

The removal of service of the Registered SwapClear Contract(s) requested herein is contingent, inter alia, upon the simultaneous removal (such time being the time set by the Clearing House in its absolute discretion) of each of the SwapClear Contract(s) which relate to the same SwapClear Transaction which was submitted to the Clearing House for clearing as two SwapClear Contracts ('the "Offsetting Contract(s)" to which the Clearing House is party together with the corresponding SwapClear Clearing Members (the "Counterparty SCMs").

3. Administrative and other arrangements

3.1 In order to facilitate the requested removal of service of the Registered SwapClear Contract(s) and the Offsetting Contract(s) the Clearing House may:

3.1.1 Make whatever changes, adjustments and alterations to information and records relating to the SCM and the Counterparty SCM(s) held by the Clearing House on its internal systems (other than data constituting the economic terms of any such Registered SwapClear Contract or Offsetting Contract) and to the Clearing House's normal processes and procedures as the Clearing House in its sole discretion considers necessary; and

3.1.2 Take whatever other steps and actions as the Clearing House in its sole discretion determines as necessary and appropriate.

4. Margin

4.1 In accordance with the Clearing House Rulebook, the Clearing House may, for so long as the Clearing House deems appropriate, retain all margin or cover for margin or other sums that the Clearing House may hold in connection with the Registered SwapClear Contract(s) or Offsetting Contract(s), and any cash or collateral provided

to the Clearing House by or on behalf of SCM in respect of that SCM's margin obligations to the Clearing House in connection with the Registered SwapClear Contract(s) shall be available to the Clearing House to meet any obligations or liabilities whatsoever which are or which may become due to the Clearing House, notwithstanding any administrative change(s) that may have been made or administrative action that may have been taken by the Clearing House.

4.2 SCM agrees to advise its relevant PPS Bank of any additional margin requirements, in line with the Clearing House Rulebook, which may arise as a result of the requested termination and deletion and shall ensure that the Clearing House is sufficiently funded in order to meet any additional margin requirements.

5. Costs and expenses

Unless agreed otherwise by the Clearing House, the SCM shall be responsible for and agrees to pay all costs and expenses associated with the requested removal from service

6. Provision of particulars

If so requested by the Clearing House, SCM shall promptly provide to the Clearing House such reasonable particulars in respect of any or all of the registered SwapClear Contracts as the Clearing House may request, in such electronic form as the Clearing House may require.

7. Time and date of termination

7.1 Unless specified otherwise by the Clearing House, the date of termination of each registered SwapClear Contract shall be the date set out at the head of this Agreement as the "Requested Removal Date" ("Removal Date"), unless the Parties otherwise agree, provided always that the Clearing House may amend the Removal Date by notice to the SCM.

7.2 SCM acknowledges and accepts that the time of removal on the Removal Date of the registered SwapClear Contract(s) shall not in any circumstances be the time at which the Clearing House effects any administrative change(s) or administrative action(s) but shall instead be the time which the Clearing House notifies SCM as being the time when removal has taken place.

7.3 The termination of any registered SwapClear Contract shall have no effect upon accrued rights and obligations of the SCM in respect of that registered SwapClear Contract, which rights and obligations shall survive termination.

7.4 the Clearing House may, by notice to the SCM given at any time up to the Removal Date, revoke its agreement to the removal of service of any registered SwapClear Contract in the event that:

7.4.1 the Counterparty SCM has not consented or has withdrawn its consent to the re of the Offesetting Contract: or

7.4.2 The Clearing House takes the view that to terminate that registered SwapClear Contract(s) would adversely and materially adversely affect its risk or the risk of the market as a whole.

7.5 SCM or any Counterparty SCM may, at any time up to the start of the day which is one clear London Business Day prior to the Removal Date, by notice in writing to the Clearing House and the Counterparty SCM, withdraw its agreement for the trade removal of any of the Registered SwapClear Contracts or Offsetting Contract (as the case may be) and the Clearing House shall use its reasonable endeavours to ensure that the Registered SwapClear Contract(s) and/or the Offsetting Contract is not removed from service.

8. **Moneys due to the Clearing House**

SCM acknowledges and agrees that the Clearing House may in its sole discretion debit the relevant PPS account in respect of any moneys due from SCM to the Clearing House in connection with the requested removal.

9. **Agreement to prevail**

Additionally, an FCM Member's status in the Clearing House shall be governed by any FCM Clearing Membership Agreement to which it is for the time being party. FCM Clearing Member status does not provide or entitle an FCM Clearing Member to any other clearing member status with the Clearing House, or to any shareholding membership of LCH.Clearnet Limited or any shareholding or other membership of any other member of the LCH.Clearnet Group or any entitlement to membership of or participation in LCH.Clearnet SA, each of which has separate and distinct membership requirements.
- (b) Notwithstanding any other provision of these FCM Regulations, with respect to FCM SwapClear Transactions involving an FCM Client or an Affiliate cleared by an FCM Clearing Member as FCM SwapClear Contracts, such FCM Clearing Member shall act solely as agent of its FCM Clients and Affiliates in connection with the clearing of such FCM SwapClear Contracts, provided that each FCM Clearing Member shall remain fully liable for all obligations to the Clearing House arising in connection with such FCM SwapClear Contracts.
- (c) Qualification of FCM Clearing Members. An FCM Clearing Member must obtain approval from the Clearing House in order to provide FCM SwapClear Clearing Services. In order to obtain such approval, and in order to maintain such approval once such approval has been obtained, an FCM Clearing Member must:
- (i) be registered with the CFTC as an FCM;
 - (ii) be incorporated or otherwise organized under the laws of a State within the United States;
 - (iii) maintain adjusted net capital, as defined in CFTC Regulation 1.17, of at least \$[RESERVED] ([RESERVED]50,000,000 (fifty million United States dollars); provided, that (A) the Clearing House shall be permitted (in its sole and reasonable discretion), including as described in the FCM Procedures, to scale an FCM Clearing Member's required level of net capital in accordance with the level of risk introduced to the Clearing House by such FCM Clearing Member and (B) the Clearing House shall be permitted (in its sole and reasonable discretion) to scale an FCM Clearing Member's level of risk introduced to the Clearing House by such FCM Clearing Member in accordance with its level of net capital (and regardless of whether such FCM Clearing Member has adjusted net capital exceeding \$[RESERVED]50,000,000);
 - (iv) have and maintain systems and personnel that are, in the judgment of the Clearing House, adequate to enable such FCM Clearing Member or applicant to satisfy its operational responsibilities, in accordance with the FCM Regulations and FCM Procedures and, without limitation, have the connectivity and capability to process FCM SwapClear Transactions through an FCM Approved Trade Source System;

- (v) be in compliance with all applicable provisions of the FCM Rulebook and the FCM Default Fund Agreement, including but not limited to the requirement to contribute to the Clearing House Default Fund in accordance with the FCM Rulebook;

Submission of a bid outside the timeframe specified by the Clearing House or submitting a bid that is unreasonable will constitute a failure of the “fire drill” and the applicant’s FCM Clearing Member application will not be approved;
 - (vii) be able to participate or demonstrate that it has: (A) an affiliated SwapClear Clearing Member that can successfully participate; or (B) an LCH Approved Outsourcing Party that can successfully participate in the Default Management Process operated by the Clearing House;
 - (viii) have, within its corporate group, at least one banking institution, credit institution, securities firm, investment banking firm or similar entity licensed by the competent authorities of the United States or a member state of the European Union, or the equivalent of a banking institution, credit institution, securities firm, investment banking firm or similar entity licensed by the competent authorities of a country outside the United States and the European Union and which is subject to prudential rules considered by the Clearing House to be at least as stringent as those applicable to banking institutions, credit institutions, securities firms, investment banking firms or similar entities, as applicable, within the United States or the European Union; and
 - (ix) in the event of a default be able to receive from the Clearing House and process FCM SwapClear Contracts and SCM SwapClear Contracts, and any associated hedge trades, in FPML format;~~provided that, in the event that an FCM Clearing Member is not in satisfaction of the requirements set forth above in clause (iii), the Clearing House may, at its discretion, deem the net capital requirement set out in clause (iii) above to be met by the provision to the Clearing House of an unconditional guarantee covering all of such applicant's (or current FCM Clearing Member's) obligations to the Clearing House (in a form acceptable to the Clearing House) from the applicant's (or current FCM Clearing Member's) parent company or from another member in the applicant's (or current FCM Clearing Member's) corporate group (not including a subsidiary of the applicant or current FCM Clearing Member) provided that the guarantor itself meets those criteria or is a guarantor for another FCM Clearing Member or SwapClear Clearing Member in its corporate group (and met the criteria mentioned above at the time of provision of that guarantee).~~

- (e) Notwithstanding anything else contained in this FCM Regulation 3 or in the FCM Procedures, an applicant to become an FCM Clearing Member shall provide any additional documentation or information that is reasonably requested by the Clearing House in order to verify or substantiate the ability of such FCM Clearing Member applicant to satisfy its obligations under the FCM Rulebook or to satisfy its obligations as an FCM Clearing Member.

Regulation 4

 - (i) it has entered into an agreement with that FCM Client, or an Addendum to an existing Agreement with such FCM Client, which, in either case, binds the FCM Client to the applicable provisions of the FCM Rulebook by direct reference to the FCM Rulebook or otherwise, and any such other provisions as shall be agreed from time to time between the Clearing House and FCM Clearing Members, or as may be prescribed by the Clearing House; and

- (c) If and to the extent permitted in the FCM Procedures, FCM Clearing Members shall be permitted to enter into and clear FCM SwapClear Contracts for their own account or accounts of their Affiliates, in each case through their Proprietary Accounts. An FCM Clearing Member wishing to provide FCM SwapClear Clearing Services to Affiliates shall enter into an agreement with each such Affiliate, or an Addendum to an existing agreement which, in either case, binds the Affiliate to the applicable provisions of the FCM Rulebook by direct reference to the FCM Rulebook or otherwise, and any such other provisions as shall be agreed from time to time between the FCM Clearing Member and the Affiliate, or as may be prescribed by the Clearing House. An FCM Clearing Member providing FCM SwapClear Clearing Services to its Affiliates shall notify the Clearing House of any Affiliates for which it provides such FCM SwapClear Clearing Services.
- (d) Each FCM Clearing Member shall maintain appropriate books and records identifying all pertinent information regarding its FCM Clients and any Affiliates for which it provides FCM SwapClear Clearing Services and regarding trades made on its own behalf through its Proprietary Account, the FCM SwapClear Contracts cleared for such FCM Clients, Affiliates, or on its own behalf, and the cover held in respect of such cleared FCM SwapClear Contracts, subject to the provisions of the following paragraph (e).
- (e) Each FCM Clearing Member shall establish and maintain an FCM OTC Client Segregated Depository Account on behalf of its FCM Clients, in accordance with applicable provisions of the CEA and regulations of the CFTC, including but not limited to Part 1 and Part 190 of such regulations, and as further set forth in FCM Regulation 29. The FCM OTC Client Segregated Depository Account shall be maintained with a depository in accordance with the CEA and CFTC Regulations and the FCM Clearing Member may commingle assets of all of its FCM Clients in such FCM OTC Client Segregated Depository Account in a single omnibus account established and maintained in accordance with CFTC Regulations. - (f) The Clearing House shall establish and maintain an LCH OTC Client Segregated Depository Account on behalf of the FCM Clients, in accordance with applicable

The LCH OTC Client Segregated Depository Account shall be maintained by the Clearing House separately from any and all assets of the FCM Clearing Members, or any other assets that the Clearing House is holding for clients (other than FCM Clients) and shall contain no assets other than cover deposited by FCM Clearing Members in connection with the clearing of FCM SwapClear Contracts on behalf of their FCM Clients. The LCH OTC Client Segregated Depository Account maintained by the Clearing House shall be designated as part of the Cleared OTC Derivatives Account Class for the purposes of Part 190 of the CFTC's regulations.

- (g) The Required Margin relating to FCM SwapClear Contracts cleared by an FCM Clearing Member on behalf of its FCM Clients, its Affiliates, or on its own behalf, will be calculated by the Clearing House, and discharged by the FCM Clearing Member in respect of all such FCM SwapClear Contracts, by:
- (i) if and to the extent that there is Excess Margin available, deduction by the Clearing House of amounts from such Excess Margin, provided that, in accordance with these FCM Regulations, including without limitation FCM Regulation 29, in no event shall Excess Margin attributable to FCM Clients be available to satisfy Required Margin requirements relating to Proprietary Accounts;
 - (ii) otherwise, delivery by the FCM Clearing Member to the Clearing House of cover with a value which is at least sufficient to discharge the relevant requirement.

FCM Clients and FCM SwapClear Contract positions established for FCM Clients shall be subject to gross margin requirements on all such positions, and FCM Clearing Members shall require its FCM Clients to satisfy such gross margin requirements. FCM SwapClear Contract positions established in an FCM Clearing Member's Proprietary Account on its own behalf and for its Affiliates shall be subject to net margin requirements, such that an FCM Clearing Member shall be required to deposit a net margin amount with the Clearing House in connection with all of the FCM SwapClear Contract positions of itself and its Affiliates. An FCM Clearing Member may impose margin requirements on its Affiliates for which it provides FCM SwapClear Clearing Services on a net basis, netting the positions and related margin requirements with respect to a single Affiliate or across multiple Affiliates, or an FCM Clearing Member may impose such margin requirements on a gross basis.

- (h) An FCM Clearing Member shall provide the Clearing House with all information required under the FCM Procedures regarding the FCM SwapClear Contracts and Account Assets held by such FCM Clearing Member for each of its FCM Clients at such times and in such form as required under the FCM Procedures. In addition, an FCM Clearing Member, as soon as reasonably practicable following a request from the Clearing House, provide the Clearing House with any other information which the Clearing House may reasonably require in relation to the FCM Clients or Affiliates of the FCM Clearing Member, or the clearing of FCM SwapClear Contracts

by such FCM Clearing Member on behalf of its FCM Clients, its Affiliates, or on its own behalf.

- (i) No FCM Clearing Member may withdraw any amount from its FCM Omnibus OTC Client Account with LCH or its Proprietary Account if such withdrawal would cause the account balance to be less than the Required Margin then attributable to such FCM Omnibus OTC Client Account with LCH or Proprietary Account, as applicable, determined by the Clearing House in accordance with the provisions of the FCM Rulebook.

Regulation 5 Registration of FCM SwapClear Contracts; Novation and Post-Novation Compression

- (a) In order for an FCM to submit an FCM SwapClear Transaction for registration as an FCM SwapClear Contract, the FCM must be currently approved as an FCM Clearing Member pursuant to these FCM Regulations. The Executing Parties to such FCM SwapClear Transaction shall be responsible for any give-up or other agreement mutually agreed to among the parties with respect to such transactions, as applicable. An FCM Clearing Member must submit the particulars of an FCM SwapClear Transaction for registration as FCM SwapClear Contracts in accordance with these FCM Regulations. Each FCM SwapClear Transaction involving an FCM Client shall be presented to the Clearing House for registration on behalf of such FCM Client by its FCM Clearing Member. It is a condition for registration as an FCM SwapClear Contract that both sides of the underlying FCM SwapClear Transaction be presented for clearing (as one FCM SwapClear Contract and one SCM SwapClear Contract, or as two FCM SwapClear Contracts, as the case may be).
- (b) Where an Executing Party enters into an FCM SwapClear Transaction on an FCM Approved Trade Source and such FCM SwapClear Transaction is to be cleared through an FCM Clearing Member, the Clearing House shall notify the FCM Clearing Member of such FCM SwapClear Transaction and request acceptance for registration in accordance with the FCM Procedures. Upon receipt of acceptance for registration by the Clearing House from the FCM Clearing Member, (i) the FCM Clearing Member shall be deemed to have presented the FCM SwapClear Transaction to the Clearing House (and such presentation may not be withdrawn by the FCM Clearing Member unless otherwise provided in the FCM Rulebook) and the Clearing House shall register the FCM SwapClear Transaction subject to, and in accordance, with these FCM Regulations and the FCM Procedures and (ii) such FCM Clearing Member shall be obligated to pay, upon request of the Clearing House, all cover required by the Clearing House in connection with the registration of the FCM SwapClear Transaction.
- (c) Without prejudice to the Clearing House's rights under paragraph (f) of this FCM Regulation 5, an FCM Clearing Member shall be bound by an FCM SwapClear Contract registered in its name on behalf of an FCM Client or an Affiliate pursuant to the presentation of particulars of an FCM SwapClear Transaction by it, and by the other FCM Clearing Member or SwapClear Clearing Member, as applicable.
- (d) Without prejudice to the Clearing House's rights under paragraph (f) of this FCM Regulation 5, an FCM SwapClear Transaction, particulars of which are submitted for registration as FCM SwapClear Contracts, must meet the eligibility criteria prescribed in these FCM Regulations and the FCM Procedures at the time the particulars of the FCM SwapClear Transaction are presented to the Clearing House and must continue to meet such criteria at the Registration Time in order to be registered as FCM SwapClear Contracts, at which time the FCM SwapClear Contracts shall replace and supersede such corresponding FCM SwapClear Transaction.
- (e) The Clearing House shall be deemed to register an FCM SwapClear Contract, in accordance with this FCM Regulation 5 in the name of an FCM Clearing Member on behalf of an FCM Client or an Affiliate (or, if applicable, on the FCM Clearing Member's own behalf), at the time prescribed in the FCM Procedures ("Registration Time"). At the Registration Time, the FCM Clearing Member, and the FCM Client or Affiliate if applicable, will be deemed to be bound by the relevant FCM SwapClear

Contract on the terms entered into between the FCM Clearing Member and the Clearing House automatically and without any further action by such FCM Clearing Member or FCM Client or Affiliate, which such terms shall, without limitation, incorporate all applicable terms of these FCM Regulations and Schedule A hereto.

- (f) If at any time after registration of FCM SwapClear Contracts, the Clearing House determines that the corresponding FCM SwapClear Transaction of which details were submitted for registration did not, at the Registration Time, meet the eligibility criteria for registration as FCM SwapClear Contracts pursuant to the FCM Rulebook, the Clearing House shall, as soon as practicable thereafter, set aside such FCM SwapClear Contracts. Upon the FCM SwapClear Contracts being set aside under this FCM Regulation 5, the particulars of the corresponding FCM SwapClear Transaction in question shall be deemed never to have been submitted to the Clearing House. Any payment made under, or in respect of, an FCM SwapClear Contract set aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to FCM Regulation 26 and its obligations under this FCM Regulation 5, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an FCM SwapClear Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as an FCM SwapClear Contract.
- (g) Where the FCM Procedures so provide, the Clearing House may require the FCM Clearing Members in whose names one or more FCM SwapClear Transactions are to be registered to furnish it with cover as a condition of registration of such FCM SwapClear Transaction(s), and such cover shall be furnished to the Clearing House in accordance with FCM Regulation 10 and such other applicable provisions in the FCM Rulebook.
- (h) The Clearing House may decline to register an FCM SwapClear Transaction in the name of an FCM Clearing Member where it considers such action advisable for its own protection or the protection of the relevant market, provided that the Clearing House shall (subject to the provisions of the FCM Rulebook) register any FCM SwapClear Contract which reduces the risk exposure of the Clearing House and the applicable FCM Clearing Member, as determined in the discretion of the Clearing House. The Clearing House may, without assigning any reason, make the registration of any FCM SwapClear Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the furnishing of additional cover by any FCM Clearing Member in whose name any such FCM SwapClear Transaction is to be registered.
- (i) An FCM SwapClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House in one of the following ways:
 - (i) in the case where one Executing Party clears its side of such FCM SwapClear Transaction, either through a SwapClear Clearing Member or directly with the Clearing House in its capacity as a SwapClear Clearing Member, and the other Executing Party clears its side of such FCM SwapClear Transaction as or through an FCM Clearing Member, as one SCM SwapClear Contract pursuant to the UK General Regulations applicable to SwapClear Clearing Members and one FCM SwapClear Contract pursuant to these FCM Regulations, where the FCM SwapClear Contract shall be registered between the FCM Clearing Member, as the

party paying Rate X, and the Clearing House as the party paying Rate Y, and the SCM SwapClear Contract shall be registered between the Clearing House, as the party paying Rate X, and the SwapClear Clearing Member, as the party paying Rate Y; or

- (ii) in the case where each Executing Party will clear its respective side of such FCM SwapClear Transaction either through an FCM Clearing Member or directly itself as an FCM Clearing Member, as two FCM SwapClear Contracts pursuant to these FCM Regulations where each relevant FCM SwapClear Contract is registered between the relevant FCM Clearing Member and the Clearing House, with one such FCM Clearing Member as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the other FCM Clearing Member as the party paying Rate Y and the Clearing House as the party paying Rate X.

In each of the foregoing cases, to the extent the FCM SwapClear Contract has been entered into by an FCM Clearing Member on behalf of an FCM Client or Affiliate, each FCM Clearing Member will be the agent of its FCM Client or Affiliate, but will nevertheless remain fully liable to the Clearing House for any and all amounts due to the Clearing House in connection with any FCM SwapClear Contract cleared on behalf of its FCM Client or Affiliate.

- (j) With effect from the registration of an FCM SwapClear Transaction in accordance with FCM Regulation 5(i) above:
 - (i) such FCM SwapClear Transaction shall be extinguished and replaced by the corresponding FCM SwapClear Contracts (or if applicable, the corresponding FCM SwapClear Contract and SCM SwapClear Contract), and the parties to such FCM SwapClear Transaction shall be released and discharged from all rights and obligations under such FCM SwapClear Transaction which fall due for performance on or after the Registration Time;
 - (ii) each FCM SwapClear Contract registered under FCM Regulation 5(i) above shall be governed by the FCM SwapClear Contract Terms as applicable to that FCM SwapClear Contract;
 - (iii) subject to sub-paragraph (2) above, in respect of the Economic Terms, the FCM Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the FCM SwapClear Contract as the party paying Rate X had and owed in respect of its counterparty under the corresponding FCM SwapClear Transaction; and
 - (iv) subject to sub-paragraph (2) above, in respect of the Economic Terms, the FCM Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the FCM SwapClear Contract to which it is party as the party paying Rate Y had and owed in respect of its counterparty under the corresponding FCM SwapClear Transaction.

In subparagraphs (3) and (4) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding FCM SwapClear Transaction (it being assumed, for this purpose, that such FCM

SwapClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.

- (k) If an FCM SwapClear Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any FCM SwapClear Contract arising under this FCM Regulation 5 or any other applicable provision of the FCM Rulebook.
- (l) In the case of an FCM SwapClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this FCM Regulation 5 shall take effect.
- (m) An FCM Clearing Member may provide FCM SwapClear Clearing Services in connection with FCM SwapClear Contracts or FCM SwapClear Transactions to any of its Affiliates. Such FCM SwapClear Clearing Services shall be provided in the same manner as set forth under these FCM Regulations with respect to FCM Clients, as applicable, except that all transactions for Affiliates shall be cleared through the Proprietary Account of the applicable FCM Clearing Member.
- (n) Notwithstanding any other provision of these FCM Regulations, if one or more FCM SwapClear Contracts registered by an FCM Clearing Member in accordance with these FCM Regulations and the FCM Procedures has substantially the same Economic Terms as one or more other FCM SwapClear Contracts previously registered for the account of such FCM Clearing Member, and all such FCM SwapClear Contracts are either (i) registered on the FCM Clearing Member's own behalf, (ii) registered on behalf of the same FCM Client or (iii) registered on behalf of the same Affiliate, the FCM Clearing Member may request that the Clearing House compress and combine all such FCM SwapClear Contracts by terminating the relevant existing FCM SwapClear Contracts and compressing them into one FCM SwapClear Contract reflecting the aggregate economic terms, or the net economic terms, as the case may be, of the original FCM SwapClear Contracts. For purposes of this FCM Regulation 5(n), two or more FCM SwapClear Contracts may be deemed by the Clearing House to have "substantially the same Economic Terms" if they are based on the same underlying currencies and the Clearing House considers them, in its sole discretion, to have substantially the same fundamental economic attributes which influence the amount, value date and direction of all coupon cash flows. Two or more FCM SwapClear Contracts that are compressed under the terms of this FCM Regulation 5(n) shall be aggregated if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the same direction on each such FCM SwapClear Contract (i.e., obligations to make payment aggregated and rights to receive payment aggregated), such that the FCM SwapClear Contract that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the total notional amount of the compressed FCM SwapClear Contracts. Two or more FCM SwapClear Contracts that are compressed under the terms of this Regulation 5(n) shall be netted if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the opposite direction on two or more of each such FCM SwapClear Contracts (i.e., obligations to make payment netted against rights to receive payment), such that the FCM SwapClear Contract (if any) that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the

net notional amount of the compressed FCM SwapClear Contracts, and provided that in the event that the net notional amount is equal to zero such compression shall result in no replacement FCM SwapClear Contracts. The Clearing House shall determine (in its sole discretion) whether FCM SwapClear Contracts that are the subject of a request for compression from the FCM Clearing Member may be compressed and, if such FCM SwapClear Contracts are compressed, the Clearing House shall determine the resulting notional amount of the FCM SwapClear Contract(s) (if any) that replaces the compressed FCM SwapClear Contracts, and such determination shall be binding on the FCM Clearing Member, absent manifest error. It is a condition for compression of FCM SwapClear Contracts that the amount of cover that the Clearing House requires in respect of the original FCM SwapClear Contracts is equal to that which is required by the Clearing House in respect of the replacement FCM SwapClear Contract(s).

Regulation 6 Treatment of Accounts at LCH

- (a) Accounts shall be opened between each FCM Clearing Member and the Clearing House in accordance with the FCM Procedures. An FCM Clearing Member shall be responsible to LCH for all obligations owed to the Clearing House in respect of every account opened in respect of such FCM Clearing Member.
- (b) This paragraph applies to an FCM Clearing Member's Proprietary Accounts. In the event that more than one Proprietary Account is opened in respect of an FCM Clearing Member, the Clearing House shall have the right to combine or consolidate the balances on any or all of the FCM Clearing Member's Proprietary Accounts, treat all such accounts as a single account and set off any amount or amounts standing from time to time to the credit of any one or more of such accounts in or towards payment or satisfaction of all or any of the FCM Clearing Member's liabilities to the Clearing House on any one or more of such accounts, or in or towards payment or satisfaction of any other obligations of the FCM Clearing Member to the Clearing House, including but not limited to, obligations arising in connection with FCM Client Business.
- (c) This paragraph applies to an FCM Clearing Member's FCM Omnibus OTC Client Accounts with LCH. Unless the FCM Rulebook provides otherwise, in the event that more than one FCM Omnibus OTC Client Account with LCH is opened in respect of an FCM Clearing Member, the Clearing House shall have the right to combine or consolidate the balances on any or all of such FCM Omnibus OTC Client Accounts (within the same account class for purposes of Part 190 of the CFTC Regulations) with LCH of an FCM Clearing Member, treat all such accounts as a single account and set off any amount or amounts standing to the credit of any one or more of such FCM Omnibus OTC Client Accounts with LCH of an FCM Clearing Member in or towards payment or satisfaction of all or any of the FCM Clearing Member's liabilities to the Clearing House on any one or more of such FCM Omnibus OTC Client Accounts with LCH.
- (d) Amounts standing to the credit of an FCM Clearing Member's account relating to Contributions made under the Default Fund Rules may be applied as provided for in the Default Fund Rules.
- (e) Any rights of set-off, combination of accounts or appropriation which the Clearing House may have under these FCM Regulations or otherwise shall apply whether or not accounts are denominated in the same currency.
- (f) Interest calculated on a basis determined from time to time by the Clearing House in accordance with the FCM Procedures may at the Clearing House's discretion (but subject to the provisions of the Default Fund Rules) be paid on amounts standing to the credit of any of the FCM Clearing Member's accounts.
- (g) Debit balances due to the Clearing House on any account opened in respect of an FCM Clearing Member are payable by such FCM Clearing Member on demand and interest may at the Clearing House's discretion be charged on debit balances remaining unpaid (whether or not demand for payment is made) on a basis and at a rate determined from time to time by the Clearing House in accordance with the FCM Procedures.
- (h) Subject to the provisions of the Default Fund Rules, the Clearing House may at its absolute discretion alter the basis of calculating interest rates and such alteration

shall be effective in respect of all current and future business on the date notified to FCM Clearing Members in accordance with the FCM Procedures.

- (i) If an FCM Clearing Member specifies a Termination Date under FCM Regulation 26A, the FCM Clearing Member shall be entitled to set off any or all amounts (whether present or future, liquidated or unliquidated, actual or contingent) due as between the Clearing House and the FCM Clearing Member, provided that in accordance with these FCM Regulations, including without limitation FCM Regulation 29, an FCM Clearing Member's obligations to the Clearing House (other than solely in respect of the obligations of its FCM Clients) may never be set off with amounts in FCM OTC Client Segregated Depository Accounts.

Regulation 7 Designation

An FCM Clearing Member shall designate the account of the FCM Clearing Member in which a prospective FCM SwapClear Contract shall be registered in the manner and form and by the time prescribed by the FCM Procedures. If the FCM Clearing Member fails to so designate an account, the Clearing House may, at its discretion and in accordance with the FCM Procedures, determine in which account of the FCM Clearing Member the FCM SwapClear Contract shall be entered.

Regulation 8 Trading Information

The Clearing House shall make available to an FCM Clearing Member in the manner and by the time prescribed by the FCM Procedures, such details of original contracts presented for registration in the name of that FCM Clearing Member, Open Contracts registered in that FCM Clearing Member's name, and cover furnished by that FCM Clearing Member as may be prescribed in the FCM Procedures.

Regulation 9 Transfer

- (a) Other than in the event that an FCM Clearing Member is a defaulter, Open Contracts in such FCM Clearing Member's name shall not be allocated or transferred except as provided in this FCM Regulation 9.
- (b) Upon the instruction or at the request of an FCM Client, via a Receiving FCM Clearing Member (as set out in the FCM Procedures), to transfer that FCM Client's entire portfolio (and not less than an entire portfolio) of FCM SwapClear Contracts from a Carrying FCM Clearing Member, the Clearing House shall transfer: (x) all FCM SwapClear Contracts entered into by the Carrying FCM Clearing Member on behalf of such FCM Client, as identified to the Clearing House by the Carrying FCM Clearing Member, the Clearing House being entitled to rely conclusively on the instructions of the Carrying FCM Clearing Member with respect to the FCM SwapClear Contracts to be transferred (such transfer to occur by novation of such FCM SwapClear Contracts rather than by closeout and rebooking of new FCM SwapClear Contracts); and (y) upon request, if any, of the Receiving FCM Clearing Member on behalf of the relevant FCM Client, all Account Assets deposited with or transferred to the Clearing House by a Carrying FCM Clearing Member and held by the Clearing House in respect of the FCM SwapClear Contracts that are being transferred to a Receiving FCM Clearing Member designated by the FCM Client as set out in the FCM Procedures (the Clearing House being entitled to rely conclusively on the instructions of the Carrying FCM Clearing Member with respect to such Account Assets), provided that:
 - (i) such FCM Client has not become insolvent (such FCM Client to be presumed to be solvent by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House);
 - (ii) neither the Carrying FCM Clearing Member nor the Receiving FCM Clearing Member is a defaulter;
 - (iii) the Receiving FCM Clearing Member has consented to such transfer;
 - (iv) the Clearing House considers that it has received sufficient cover from the Receiving FCM Clearing Member in order to enable the transfer; and
 - (v) the FCM Client has satisfied (such satisfaction to be presumed by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House) all outstanding obligations that are due and payable to the Carrying FCM Clearing Member and its Affiliates, including any increased margin due and payable that may result from the proposed transfer, unless the Carrying FCM Clearing Member otherwise consents.

For purposes of (v) above, with respect to obligations owed to Affiliates of the Carrying FCM Clearing Member by an FCM Client, "obligations" shall consist only of those obligations that arise as a result of cross-margining, cross-netting or other similar arrangements with respect to the FCM SwapClear Contracts being transferred or the FCM Client's related collateral.

- (c) Upon the instruction or at the request of an FCM Client via a Receiving FCM Clearing Member (as set out in the FCM Procedures) to transfer a portion of that FCM Client's portfolio of FCM SwapClear Contracts from a Carrying FCM Clearing Member, (the "Porting FCM SwapClear Contracts"), the Clearing House shall transfer (such transfer to occur by novation of such Porting FCM SwapClear Contracts rather than by closeout and rebooking of new FCM SwapClear Contracts) the Porting FCM SwapClear Contracts entered into by the Carrying FCM Clearing Member on behalf of such FCM Client to a Receiving FCM Clearing Member, designated by the FCM Client as set out in the FCM Procedures, provided that:
- (i) such FCM Client has not become insolvent (such FCM Client to be presumed to be solvent by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House);
 - (ii) neither the Carrying FCM Clearing Member nor the Receiving FCM Clearing Member is a defaulter;
 - (iii) the Receiving FCM Clearing Member has consented to such transfer;
 - (iv) the Receiving FCM Clearing Member has provided sufficient cover to the Clearing House in respect of its current FCM SwapClear Contracts and the Porting FCM SwapClear Contracts in order to enable the transfer;
 - (v) the FCM Client has satisfied (such satisfaction to be presumed by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House) all outstanding obligations that are due and payable to the Carrying FCM Clearing Member and its Affiliates, including any increased margin due and payable that may result from the proposed transfer, unless the Carrying FCM Clearing Member otherwise consents; and
 - (vi) in the event that the transfer will lead to an increased cover requirement from the Carrying FCM Clearing Member to the Clearing House, the Carrying FCM Clearing Member provides sufficient cover to the Clearing House in respect of such increased cover requirement.

For purposes of (v) above, with respect to obligations owed to Affiliates of the Carrying FCM Clearing Member by an FCM Client, "obligations" shall consist only of those obligations that arise as a result of cross-margining, cross-netting or other similar arrangements with respect to the FCM SwapClear Contracts being transferred or the FCM Client's related collateral.

- (d) Upon request from the Clearing House, and in order to facilitate a transfer pursuant to FCM Regulation 9(b), the Carrying FCM Clearing Member shall notify the Clearing House of the Account Assets which are attributable to the transferring FCM Client and, along with the Receiving FCM Clearing Member, shall take such actions and provide such information in connection with the transfer as may be required under the FCM Procedures. In the event that the Carrying FCM Clearing Member fails to notify the Clearing House of the Account Assets that are attributable to the relevant FCM Client, the Clearing House shall transfer such collateral as it deems appropriate and as set out in the FCM Procedures.

- (e) (i) By notifying the Clearing House of a request to accept a transfer of FCM SwapClear Contracts of an FCM Client, and the related Account Assets if applicable, pursuant to FCM Regulation 9(b) or 9(c), the Receiving FCM Clearing Member shall be deemed to have represented to the Clearing House that all of the conditions set forth herein and in the FCM Procedures to the transfer of the account of the FCM Client have been satisfied. Upon receipt of such transfer instructions, and provided that it does not determine, in its sole discretion, that the transfer cannot be effected under these FCM Regulations or the FCM Procedures, the Clearing House shall transfer the FCM SwapClear Contract(s) into the name of the Receiving FCM Clearing Member as agent for the relevant FCM Client.
- (ii) In the case where a transfer pursuant to FCM Regulation 9(b) will include the transfer of the related Account Assets in addition to the transfer of FCM SwapClear Contracts:
- (A) Upon completion of the transfer, the Account Assets deposited with or transferred to the Clearing House by the Carrying FCM Clearing Member and held by the Clearing House in respect of the FCM SwapClear Contracts that are being transferred shall, without limitation, be deemed to have been delivered by the Receiving FCM Clearing Member to the Clearing House and subject to the security interest granted by the Receiving FCM Clearing Member pursuant to FCM Regulation 10(n). Furthermore, and for the avoidance of doubt, the Carrying FCM Clearing Member shall have no right or entitlement to assert any claim over, or right with respect to, the Account Assets transferred.
- (B) The transfer of the FCM SwapClear Contracts and related Account Assets shall be deemed to occur simultaneously, and the transfer of the FCM SwapClear Contracts shall be conditioned on the transfer of the related Account Assets, and vice versa.
- (C) If the transfer of all such FCM SwapClear Contracts and related Account Assets is not completed for any reason, then any actual transfer of Account Assets or FCM SwapClear Contracts that has occurred, as the case may be, shall be deemed not to have occurred, and any actual transfer of Account Assets or FCM SwapClear Contracts that has occurred shall be immediately unwound.
- (f) Rights under an Open Contract shall not be capable of assignment by an FCM Clearing Member. Any such purported assignment by an FCM Clearing Member, or any purported transfer that is not in compliance with this FCM Regulation 9, shall be void.
- (g) If an FCM Clearing Member is a defaulter, the Clearing House shall take such actions, subject to and in accordance with the Default Rules (including the SwapClear DMP Annex), and as may be required by the CEA, CFTC Regulations and applicable bankruptcy laws regarding the liquidation or transfer of FCM SwapClear Contracts carried by such FCM Clearing Member on behalf of its FCM Clients. If possible under such applicable laws and regulations and the Default Rules, the Clearing House shall undertake to dispose of open FCM SwapClear

Contracts held by FCM Clients of the defaulter in accordance with the instructions of such FCM Clients, either by liquidating such FCM SwapClear Contracts or by transferring such FCM SwapClear Contracts to the FCM Clearing Member designated by such FCM Clients, provided that the Clearing House shall at all times act in accordance with the Default Rules, the requirements of the CEA, CFTC Regulations and applicable bankruptcy laws regarding the liquidation or transfer of FCM SwapClear Contracts and, provided further, that the Clearing House shall have no responsibility or liability whatsoever for any action taken or not taken with respect to the accounts and FCM SwapClear Contracts of FCM Clients of the defaulter in accordance with such laws or regulations or the directions of any Regulatory Body or bankruptcy trustee. In the event that the Clearing House does not receive instructions from FCM Clients in a timely manner, or the Clearing House for any reason deems it necessary or appropriate for its protection, or the protection of market participants, the Clearing House may take any action with respect to the Open Contracts of FCM Clients of the defaulter that it determines to be appropriate in its sole discretion which may include as part of the SwapClear DMP including an FCM SwapClear Contract in respect of FCM Client Business in an Auction Portfolio if determined to be appropriate by the Clearing House, provided that the relevant Auction Portfolio does not include any type of positions of the defaulting FCM Clearing Member other than FCM SwapClear Contracts in respect of FCM Client Business. Risk Neutralisation in relation to such FCM SwapClear Contracts and the auction process in relation to an Auction Portfolio of such FCM SwapClear Contracts shall be conducted in accordance with the provisions of the SwapClear DMP Annex.

- (h) If and to the extent permitted under the FCM Procedures, an FCM Clearing Member may transfer Open Contracts between its Proprietary Account and accounts of its FCM Clients, and vice versa, upon a client default or otherwise as permitted under and subject to applicable provisions of the CEA and CFTC Regulations regarding segregation of assets, and in accordance with the FCM Procedures.
- (i) Notwithstanding anything to the contrary in these FCM Regulations, in making any transfer of an FCM Client account (and the related FCM SwapClear Contracts and Account Assets) pursuant to this FCM Regulation 9, the Clearing House shall be authorized and entitled to rely conclusively on the instructions of and information provided by the relevant FCM Clearing Member(s), which shall be solely responsible for all such instructions and information, including ensuring that the transfer is properly authorized, and that the appropriate account, FCM SwapClear Contracts and Account Assets have been identified, and the Clearing House shall have no responsibility or liability therefor.

Regulation 10 Margin and Cover for Margin; Other Obligations

- (a) The Clearing House may in accordance with the FCM Procedures require an FCM Clearing Member to furnish it with cover, and to keep the Clearing House furnished with sufficient cover at all times, in an amount determined by the Clearing House in accordance with these FCM Regulations and the FCM Procedures, as security for the performance by such FCM Clearing Member of its obligations to the Clearing House in respect of all FCM SwapClear Contracts from time to time to be registered in its name as Open Contracts pursuant to these FCM Regulations. The obligation upon an FCM Clearing Member to furnish cover to the Clearing House pursuant to this paragraph shall be in addition to any other obligation of the FCM Clearing Member to furnish cover to the Clearing House pursuant to these FCM Regulations.
- (b) If insufficient monies are standing to the credit of an FCM Clearing Member's account, or if any security deposited by an FCM Clearing Member as cover is determined by the Clearing House in accordance with the FCM Procedures to be insufficient, such cover as the Clearing House requires an FCM Clearing Member to furnish to it pursuant to paragraph (a) above, FCM Regulation 5 or any other FCM Regulation shall be furnished by the FCM Clearing Member in such form and manner and by such time or times as may be prescribed by the FCM Procedures.
- (c)

An FCM Clearing Member may not furnish or deposit securities or other assets to or with the Clearing House as cover otherwise than in conformity to this paragraph. It shall be accepted by every person dealing on the terms of these FCM Regulations that an FCM Clearing Member has such person's unconditional consent to furnish or deposit to or with the Clearing House as cover for the purposes of these FCM Regulations any securities or other assets of such person in the FCM Clearing Member's possession.
 - (ii) Each FCM Clearing Member represents and warrants to the Clearing House as at each date on which such FCM Clearing Member furnishes or deposits securities or other assets to or with the Clearing House as cover pursuant to these FCM Regulations (A) that such FCM Clearing Member is the sole legal and beneficial owner of those securities or other assets or, as the case may be, those securities or other assets are so furnished or deposited with the legal and beneficial owner's unconditional consent and with the authority granted to the FCM Clearing Member to repledge such property to the Clearing House, and (B) that the provision to the Clearing House of such securities or other assets pursuant to these FCM Regulations will not constitute or result in a breach of any trust, agreement or undertaking whatsoever.
 - (iii) The Clearing House may, in its absolute discretion and at any time, require an FCM Clearing Member to furnish or deposit other securities or assets to or with the Clearing House in substitution of any securities or assets deposited with the Clearing House pursuant to this FCM Regulation 10.

- (d) Notwithstanding paragraph (c) above, the Clearing House shall be entitled at its absolute discretion, without assigning any reason and without prior notice to an FCM Clearing Member, to modify the amount of Initial Margin applicable to an FCM SwapClear Contract or to call for larger or additional amounts of cover for Initial Margin to be furnished to it by an FCM Clearing Member, either before registration of a contract or at any time after registration. Any cover called by the Clearing House pursuant to this paragraph shall be furnished by the FCM Clearing Member on demand and in such form as the Clearing House may require.
- (e) The Clearing House shall be entitled at any time to demand immediate provision of cover from an FCM Clearing Member in an amount deemed necessary by the Clearing House without reference to Official Quotations or Reference Prices in respect of any Open Contract in the FCM Clearing Member's name, if, in the opinion of the Clearing House, the furnishing of such cover by the FCM Clearing Member is necessary in the circumstances then prevailing which may be affecting or may in the Clearing House's opinion be likely to affect market conditions or the FCM Clearing Member's performance of its obligations under the terms of such contracts or under the terms of any original or confirmed contract to which the member is party. In this paragraph, "immediate provision" means payment to the Clearing House within one hour of demand.
- (f) The Clearing House shall be entitled to make an accommodation charge at a rate determined by the Clearing House and specified in the FCM Procedures, in respect of any security furnished to it as cover in a form prescribed by the FCM Procedures. Any alteration in the basis of calculating the rates of accommodation charge shall become effective in respect of all current and future business by the time specified in the FCM Procedures.
- (g) Without prejudice to the requirements of paragraph (c) above or any other applicable requirements contained in the FCM Rulebook, the Clearing House may at its absolute discretion accept cover in an agreed amount and in a form other than those specified in the FCM Procedures, subject always to the Clearing House's prior assessment as to the appropriateness of such form of cover in accordance with its standard risk management procedures and with any special arrangements which the Clearing House may prescribe in each case (including as to valuation and haircut). The Clearing House may at its discretion make an accommodation charge at a special rate.
- (h) Without prejudice to the requirements of paragraph (c) above or any other applicable requirements contained in the FCM Rulebook, and subject to the settlement of any other obligations of an FCM Clearing Member to the Clearing House: (i) an FCM Clearing Member may request the return of any Excess Margin at any time; and (ii) upon the close-out or termination of an FCM SwapClear Contract in accordance with the FCM Rulebook, the Clearing House shall return all Initial Margin attributable to such FCM SwapClear Contract to the respective FCM Clearing Member, provided that no portion of such Initial Margin is required as cover or otherwise required by the FCM Rulebook for any other positions established by the FCM Clearing Member with respect to its Proprietary Account (with respect to Initial Margin to be released in connection with positions for the Proprietary Account) or any of its FCM Segregated Accounts (with respect to Initial Margin to be released in connection with positions for the FCM Segregated Accounts).
- (i) If, in the opinion of the Clearing House, any security which has been furnished to it by an FCM Clearing Member as cover pursuant to these FCM Regulations is no longer either of sufficient value or otherwise acceptable to the Clearing House, the

Clearing House shall be entitled to demand further provision of cover from such FCM Clearing Member. Such cover shall be furnished by such FCM Clearing Member on demand in a form prescribed by the FCM Procedures, provided that at any time the Clearing House shall be entitled to require the FCM Clearing Member to furnish it with cover in a specified form and to demand that the FCM Clearing Member replace the whole or part of any security furnished by an FCM Clearing Member pursuant to these FCM Regulations by cover in the form of cash.

- (j) If, in respect of Open Contracts in an FCM Clearing Member's name, Official Quotations indicate that Excess Margin is maintained with the Clearing House by such FCM Clearing Member in respect of such contracts, the Clearing House may, or at the FCM Clearing Member's request in accordance with FCM Regulation 10(h) shall, release the Excess Margin.
- (k) If the Clearing House takes any step or steps under the Default Rules in relation to an FCM Clearing Member, any sum (including without limitation the price due to be paid by the Clearing House in respect of the delivery of any property or currency by or on behalf of the FCM Clearing Member) standing to the credit of any of the FCM Clearing Member's accounts shall be treated as cover, provided that under no circumstances will any assets in the FCM Omnibus OTC Client Accounts with LCH be applied to the satisfaction of proprietary obligations of the FCM Clearing Member or any other obligations not related to such FCM Clearing Member's FCM Client Business.
- (l) Each FCM Clearing Member and, to the extent applicable, such FCM Clearing Member's guarantor in accordance with FCM Regulation 3(c), shall be obligated to perform all of their respective obligations (including without limitation to pay all amounts due) as required pursuant to the FCM Regulations, the Default Rules, the Default Fund Rules and the FCM Default Management Process Agreement, as applicable. Each FCM Clearing Member and, to the extent applicable, such FCM Clearing Member's guarantor in accordance FCM Regulation 3(c), shall be entitled to the return of any amounts due to them (after all obligations to the Clearing House have been satisfied) pursuant to the FCM Regulations, the Default Rules, the Default Fund Rules and the FCM Default Management Process Agreement, as applicable.
- (m) Unless the Clearing House otherwise agrees in writing, cover provided to the Clearing House by way of cash shall not be capable of assignment by any person. Any purported assignment by an FCM Clearing Member (whether by way of security or otherwise) of cash cover provided to the Clearing House shall be void. An FCM Clearing Member shall not otherwise encumber (or seek to encumber) any cash cover provided to the Clearing House.
- (n) Each FCM Clearing Member hereby grants the Clearing House a first security interest in and a first priority and unencumbered first lien upon any and all cover, cash, securities, receivables, rights and intangibles and any other collateral or assets deposited with or transferred to the Clearing House, or otherwise held by the Clearing House (including without limitation all property deposited in the Default Fund, a Proprietary Account or in an FCM Omnibus OTC Client Account with LCH, or any amounts owing to an FCM Clearing Member in the Default Fund or a Proprietary Account), including all substitutions for and proceeds of, any such property, in connection with any FCM SwapClear Contracts cleared for such FCM Clearing Member, its Affiliates, or its FCM Clients, as security for unconditional payment and satisfaction of the obligations and liabilities of the FCM Clearing Member to the Clearing House. The FCM Clearing Member agrees to take any and

all actions, including but not limited to the execution of any and all documents, requested by the Clearing House in order to perfect, maintain or enforce the security interest granted to the Clearing House hereunder. The Clearing House may exercise any and all rights available to it with respect to the security interest granted hereunder, in accordance with the FCM Regulations and applicable laws. Notwithstanding the foregoing, in no event shall the Clearing House's security interest in an FCM Clearing Member's FCM Omnibus OTC Client Accounts with LCH be exercised to satisfy any obligations or liabilities of such FCM Clearing Member other than in connection with obligations or liabilities relating to such FCM Clearing Member's FCM Omnibus OTC Client Accounts with LCH.

- (o) Each FCM Clearing Member shall ensure that where it has entered into an FCM SwapClear Transaction which results in an FCM SwapClear Contract that is of a non-hedging nature, it shall collect additional cover from the relevant FCM Client in respect of such non-hedging FCM SwapClear Contract in an amount which shall be no less than the minimum percentage as required by the Clearing House and as notified to the relevant FCM Clearing Member from time to time.
- (p) Each FCM Clearing Member shall ensure that no FCM Client withdraws cover from the FCM OTC Client Segregated Depository Account unless the net liquidating value (as that term is used in the CFTC Regulations) plus the cover remaining in that FCM OTC Client Segregated Account after such withdrawal is sufficient to meet the level of Required Margin, as calculated by the Clearing House in respect of all FCM SwapClear Contracts entered into on behalf of that FCM Client.

Regulation 11 Official Quotations and Reference Price

- (a) The Clearing House may determine Official Quotations and Reference Prices for the purposes of these FCM Regulations and the FCM Procedures in such manner and at such times as may be prescribed in the FCM Procedures. - (a) These FCM Regulations, the FCM Procedures and each FCM SwapClear Contract shall be governed by and construed in accordance with the laws of the State of New York, without regard to any conflicts of laws principles, and the laws of the United States of America, including the CEA and applicable bankruptcy and insolvency laws.
- (b) The Other Specific Regulations shall be governed by and construed in accordance with the laws of England and Wales.
- (c) The Clearing House and every FCM Clearing Member hereby irrevocably agree for the benefit of the Clearing House that (i) the courts of the State of New York, Borough of Manhattan in the United States of America, (ii) the United States District Court for the Southern District of New York, or (iii) the courts of England and Wales shall have exclusive jurisdiction to hear and determine any claim or matter arising from or in relation to any FCM SwapClear Contract, these FCM Regulations, the FCM Procedures or to the Other Specific Regulations (in the case of the Other Specific Regulations, only with respect to a claim or matter arising from or in relation to an FCM SwapClear Contract, FCM SwapClear Clearing Services or these FCM Regulations), and each FCM Clearing Member irrevocably submits to such jurisdiction and waives any objection which it might otherwise have to such courts being a convenient and appropriate forum, save that this submission to the exclusive jurisdiction of the courts of the State of New York, Borough of Manhattan in the United States of America, the United States District Court for the Southern District of New York or the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the taking of action in any other jurisdiction, whether concurrently or not.
- (d) The Clearing House and each FCM Clearing Member hereby irrevocably waives any right to a trial by jury in any litigation directly or indirectly arising out of or relating to any FCM SwapClear Contract, the FCM Procedures, the Other Specific Regulations or to these FCM Regulations.
- (e) Each FCM Clearing Member irrevocably waives, with respect to itself and its revenues and assets, all immunity on the grounds of sovereignty or other similar grounds from suit, jurisdiction of any court, relief by way of injunction, order for specific performance or for recovery of property, attachment of its assets (whether before or after judgement) and execution or enforcement of any judgement to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees that it will not claim any such immunity in any proceedings.

Regulation 26 Exclusion of Liability

- (a) Neither the Clearing House nor any other member of the LCH.Clearnet Group shall have any liability to an FCM Clearing Member or any other person in respect of any dispute arising from or in relation to any FCM SwapClear Contract, including but not limited to, any dispute as to the validity or otherwise of such FCM SwapClear Contract, the terms of such FCM SwapClear Contract or whether any alleged agreement or arrangement constitutes an FCM SwapClear Contract.
- (b) Without prejudice to the provisions of FCM Regulation 1 and FCM Regulation 26(d), neither the Clearing House nor any other member of the LCH.Clearnet Group shall have any liability whatsoever to any FCM Clearing Member, or to any other person in contract, tort (including without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred as a result of: any suspension of clearing services, whether for a temporary period or otherwise, a step taken by the Clearing House under FCM Regulations 13, 14 or 5(g) or any failure or malfunction of any systems, communication lines or facilities, software or technology supplied, operated or used by the Clearing House or the relevant approved agent; the occurrence of any event which is outside the control of the Clearing House; or any exercise by the Clearing House of its discretion under the FCM Regulations, or any decision by the Clearing House not to exercise any such discretion.
- (c) Without prejudice to FCM Regulation 26(b) and FCM Regulation 26(d), unless otherwise expressly provided in the FCM Regulations or in any other agreement to which the Clearing House is party, neither the Clearing House nor any other member of the LCH.Clearnet Group shall have any liability under any circumstances (including, without limitation, as a result of any negligence by the Clearing House, or any other member of the LCH.Clearnet Group Limited, or their respective officers, employees, agents or representatives) to any FCM Clearing Member or any other Executing Party for any indirect or consequential loss or damage, or loss of anticipated profit (whether direct or indirect) or loss of bargain, suffered or incurred by any such FCM Clearing Member or other Executing Party and shall not in any circumstances be liable for any loss, cost, damage or expense suffered or incurred by any person as a result of any negligence on the part of the Clearing House, or any other member of the LCH.Clearnet Group Limited, or their respective officers, employees, agents or representatives.
- (d) Nothing in this FCM Regulation 26 shall be construed as an attempt by the Clearing House to exclude any liability for any fraud, fraudulent misrepresentation or wilful default on the part of the Clearing House. The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House and for any fraud or wilful default on the part of the Clearing House.
- (e) Without prejudice to the provisions of FCM Regulation 1 and FCM Regulation 26(d) neither the Clearing House, nor any other member of the LCH.Clearnet Group shall have any liability whatsoever to any FCM Clearing Member or to any other person (including, without limitation, any FCM Client) in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damage, loss, cost or expense of whatsoever nature suffered or incurred by an FCM Clearing Member or any other person, as the case may be, as a result of the failure of any systems, communication facilities or technology.

Regulation 26A Netting

- (a) If at any time the Clearing House fails to make a payment to an FCM Clearing Member, other than a defaulter, under an FCM SwapClear Contract for a period of 30 days from the date when the obligation to pay fell due, then that FCM Clearing Member may exercise its rights under paragraph (c) below.
- (b) If at any time the Clearing House commences a voluntary case or other procedure seeking or proposing liquidation, administration, receivership, voluntary arrangement or a scheme of arrangement, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law, or if any of the foregoing cases or procedures is commenced in relation to the Clearing House by any other person which results in liquidation or winding up of the Clearing House, or if the Clearing House takes corporate action to authorize any of the foregoing, in any such case other than for the purposes of corporate restructuring (including any consolidation, amalgamation or merger), then an FCM Clearing Member, other than a defaulter, may exercise the right given to it under paragraph (c) below.
- (c) An FCM Clearing Member entitled to exercise rights under this paragraph may, at any time while any of the circumstances referred to in paragraph (a) or (b) above giving rise to such rights continue, by notice in writing to the Clearing House, specify a Termination Date for the termination and liquidation of all FCM SwapClear Contracts to which it is a party in accordance with paragraph (d) below.
- (d) Upon the occurrence of a Termination Date:
 - (i) neither the Clearing House nor the FCM Clearing Member shall be obliged to make any further payments under any FCM SwapClear Contract between them which would, but for this FCM Regulation 26A, have fallen due for performance on or after the Termination Date, and any obligations to make further payments which would otherwise have fallen due shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Termination Amount;
 - (ii) the FCM Clearing Member shall (on, or as soon as reasonably practicable after, the Termination Date) determine (discounting if appropriate) in respect of each FCM SwapClear Contract its total loss or, as the case may be, gain, in each case expressed in the lawful currency of the United States or the currency of the relevant FCM SwapClear Contract where agreed by the Clearing House and the FCM Clearing Member (the "Base Currency"), (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this agreement, of each payment which would otherwise have been required to be made under such FCM SwapClear Contract; and
 - (iii) the FCM Clearing Member shall treat each loss to it, determined as above, as a positive amount and each gain by it, so determined, as a negative amount and, subject to paragraph (iv) below, shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "Termination Amount").

- (iv) Where an FCM Clearing Member has a Proprietary Account and one or more FCM OTC Client Segregated Depository Accounts:
 - (1) the FCM Clearing Member shall determine two net amounts under paragraph (d)(iii); one net amount in respect of gains and losses arising on FCM SwapClear Contracts registered in the FCM Clearing Member's FCM OTC Client Segregated Depository Account (or in its multiple FCM OTC Client Segregated Depository Accounts as combined, if applicable) and a second net amount in respect of gains and losses arising on all other FCM SwapClear Contracts; and
 - (2) the two net amounts determined under paragraph (iv)(1) shall constitute Termination Amounts.
- (v) If a Termination Amount determined pursuant to paragraph (d)(iv) above is a positive amount, the Clearing House shall pay it to the FCM Clearing Member and if any such Termination Amount is a negative amount, the FCM Clearing Member shall pay it to the Clearing House, in either case in accordance with paragraph (vi). The FCM Clearing Member shall notify the Clearing House of each such Termination Amount, and by which party it is payable, immediately after the calculation thereof.
- (vi) A Termination Amount shall be paid in the Base Currency by the close of business on the Business Day following notification pursuant to paragraph (v) above (converted as required by applicable law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Clearing House). Any Termination Amount which is not paid on such day shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11:00 hours (London time) (or, if no such rate is available, at such reasonable rate as the FCM Clearing Member may select) plus 1% per annum, for each day for which any such sum remains unpaid.
- (vii) For the purposes of any calculation required to be made under this FCM Regulation 26A, the FCM Clearing Member may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

The FCM Clearing Member's rights under this FCM Regulation 26A shall be in addition to, and not in limitation or exclusion of, any other rights which the FCM Clearing Member may have (whether by agreement, operation of law or otherwise, including its rights under FCM Regulation 6(i)).

Regulation 26B Distribution of Assets

- (a) Where (after the netting and set-off provided for in FCM Regulation 26A and FCM Regulation 6(i)) the Clearing House has insufficient assets available to it to pay all Termination Amounts (determined in accordance with FCM Regulation 26A and General Regulation 39A) in full, the claims of the Clearing Members shall be met first to those Clearing Members who are FCM Clearing Members and SwapClear Clearing Members in an amount equal to the outstanding SwapClear Contributions of such FCM Clearing Members and SwapClear Clearing Members and, thereafter, pro rata to each Clearing Member's respective claim (and in respect of FCM Clearing Members and SwapClear Clearing Members who have received an amount relating to their outstanding SwapClear Contributions, their respective claims shall be reduced by such amounts so received). To the extent the Clearing House does not have sufficient assets available to it to pay each FCM Clearing Member and SwapClear Clearing Member the amount equal to its outstanding SwapClear Contribution, the Clearing House shall distribute the assets available to it to each such FCM Clearing Member and SwapClear Clearing Member in an amount equal to the proportion that the outstanding SwapClear Contribution of the relevant FCM Clearing Member or SwapClear Clearing Member bears to the sum of the outstanding SwapClear Contributions of all FCM Clearing Members and SwapClear Clearing Members.
- (b) Notwithstanding anything to the contrary in this FCM Rulebook, this FCM Regulation 26B shall be governed by and construed in accordance with the governing law provided for in paragraph (a) of General Regulation 38.

For the purposes of this FCM Regulation 26B, the term "Clearing Member" shall include FCM Clearing Members and all other Clearing Members (as defined in General Regulations) of the Clearing House.

Regulation 27

The reset rate for, and the net present value of, an FCM SwapClear Contract

The Clearing House may determine the reset rate for, and the net present value of, an FCM SwapClear Contract for the purposes of these FCM Regulations and the FCM Procedures in such manner and at such times as may be prescribed in the FCM Procedures. Except as prescribed in the FCM Procedures, neither the reset rate nor the net present value determined by the Clearing House may in any circumstances be challenged.

Regulation 28

Withdrawal of the SwapClear Service by the Clearing House

- (a) If at any time the Clearing House decides to withdraw the FCM SwapClear Service it shall give not less than six months' notice in accordance with the FCM Procedures to all FCM Clearing Members of the date on which the service will be withdrawn ("the SwapClear Withdrawal Date"). The accidental omission by the Clearing House to give notice under this FCM Regulation 28 to, or the non-receipt of notice under this FCM Regulation 28 by, one or more FCM Clearing Members shall not invalidate the SwapClear Withdrawal Date.
- (b) Without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules or pursuant to the entering of offsetting/compressing trades in accordance with FCM Regulation 5(n), register an FCM SwapClear Contract (other than a Closing-out Contract) after notice to withdraw the service has been given under FCM Regulation 28(a).
- (c) If, at the SwapClear Withdrawal Date, an FCM Clearing Member or SwapClear Clearing Member has not closed out all open FCM SwapClear Contracts registered in its name, the Clearing House may, in its sole discretion:
 - (i) liquidate any or all of such FCM SwapClear Contracts and require such FCM SwapClear Contracts to be cash settled at a price determined by the Clearing House; or
 - (ii) postpone the SwapClear Withdrawal Date until such time as the Clearing House determines.

Regulation 29

Rules Relating to FCM OTC Client Segregated Accounts

- (a) **Notice of Deficiency in FCM OTC Client Segregated Depository Accounts.** Whenever an FCM Clearing Member knows or should know that the aggregate amount of funds on deposit in its FCM Segregated Accounts is less than the total amount of such funds required by the CEA, CFTC Regulations and the FCM Rulebook to be on deposit, the FCM Clearing Member must report such deficiency immediately by telephone notice, confirmed immediately in writing by facsimile notice, to the Clearing House and the principal office of the CFTC in Washington, DC, to the attention of the Director and the Chief Accountant of the Division of Clearing and Intermediary Oversight, and, if the FCM Clearing Member is a securities broker or dealer, to the Securities and Exchange Commission, in accordance with 17 C.F.R. § 240.17a-11.
- (b) **Segregation of Funds.**
- (i) All FCM Client funds shall be separately accounted for and segregated as belonging to FCM Clients and shall be part of a separate account class, treated as a Cleared OTC Derivatives Account Class, as defined in and for purposes of Part 190 of the CFTC's regulations. Such funds, when deposited with the Clearing House, any bank, trust company or another FCM shall be deposited under an account name which clearly identifies them as such and shows that they are segregated as required by the FCM Rulebook. Each FCM Clearing Member shall obtain and retain in its files for the period provided in CFTC Regulation 1.31 a written acknowledgment from such bank, trust company or FCM, that it was informed that the funds deposited in the FCM Segregated Accounts maintained by such bank, trust company or FCM for the FCM Clearing Member are those of FCM Clients and are being held in accordance with the provisions of the CEA, CFTC Regulations and the FCM Rulebook. For the avoidance of doubt, all FCM Segregated Accounts maintained by an FCM Clearing Member shall be treated as segregated accounts and shall be subject to the requirements of the CEA and CFTC Regulations applicable to segregated accounts and to this Regulation 29, regardless of the location of any such account. Without limitation of the foregoing, under no circumstances shall any portion of FCM Client funds held in FCM Segregated Accounts be obligated to the Clearing House, an FCM Clearing Member, any depository, or any other person except to purchase, margin, guarantee, secure, transfer, adjust or settle trades, contracts or transactions of FCM Clients. No person, including the Clearing House or any depository, that has received FCM Client funds for deposit in an FCM Segregated Account, as provided in this rule, may hold, dispose of, or use any such funds as belonging to any person other than the FCM Clients of the FCM Clearing Member which deposited such funds.
- (ii) All FCM Client funds received by the Clearing House from an FCM Clearing Member to purchase, margin, guarantee, secure or settle FCM SwapClear Contracts of the FCM Clearing Member's FCM Clients and all money accruing to such FCM Clients as the result of trades, contracts or transactions so carried shall be separately accounted for and segregated as belonging to such FCM Clients, and the Clearing House shall not hold, use or dispose of such FCM Client funds except as belonging to such FCM Clients. Such FCM Client funds, when deposited in a bank or trust company, shall be deposited under an account name which clearly shows that they are the FCM Client funds of FCM Clearing Members, and are

segregated as required by the CEA, CFTC Regulations and the FCM Rulebook. The Clearing House shall obtain and retain in its files for the period provided by CFTC Regulation 1.31, an acknowledgment from such bank or trust company that it was informed that the funds deposited in any LCH OTC Client Segregated Depository Accounts and any PPS Account(s) maintained by LCH are those of FCM Clients of FCM Clearing Members and are being held in accordance with the provisions of the CEA, CFTC Regulations and the FCM Rulebook.

- (iii) Each FCM Clearing Member shall treat and deal with FCM Client funds as belonging to such FCM Clients. All FCM Client funds shall be separately accounted for, and shall not be commingled with the money, securities or property of an FCM Clearing Member or of any other person, or be used to secure or guarantee the trades, contracts or transactions, or to secure or extend the credit, of any person other than the one for whom the same are held; provided, however, that FCM Client funds of an FCM Clearing Member may for convenience be commingled and deposited in the same account or accounts with any bank or trust company, with another person registered as an FCM Clearing Member, or with the Clearing House, and that such share thereof as in the normal course of business is necessary to purchase, margin, guarantee, secure, transfer, adjust, or settle the FCM SwapClear Contracts of such FCM Clients or resulting market positions, with the Clearing House or with any other person registered as an FCM Clearing Member, may be withdrawn and applied to such purposes, including the payment of commissions, brokerage, interest, taxes and other fees and charges, lawfully accruing in connection with such FCM SwapClear Contracts; provided, further, that FCM Client funds may be invested in accordance with FCM Regulation 29(g).
 - (iv) In no event may FCM Client funds be held or commingled and deposited with (A) FCM Client funds in the same account or accounts required to be separately accounted for and segregated pursuant to Section 4d of the CEA and the regulations thereunder, or (ii) money, securities or property representing the foreign futures or foreign options secured amount held in accordance with CFTC Regulation 30.7.
- (c) **Care of Money and Securities Accruing to FCM Clients.** All money received directly or indirectly by, and all money and securities accruing to, an FCM Clearing Member from the Clearing House or from any FCM Clearing Member or from any other person incident to or resulting from any cleared FCM SwapClear Contracts made by or through such FCM Clearing Member on behalf of any FCM Client shall be considered as accruing to such FCM Client within the meaning of the FCM Rulebook. Such money and securities shall be treated and dealt with as belonging to such FCM Client in accordance with the provisions of the CEA, CFTC Regulations and the FCM Rulebook. Money and securities accruing in connection with FCM Clients' Open Contracts need not be separately credited to individual accounts but may be treated and dealt with as belonging undivided to FCM Clients having open cleared FCM SwapClear Contracts which if closed would result in a credit to such FCM Clients.
- (d) **Use of FCM Client Funds Restricted.** No FCM Clearing Member shall use, or permit the use of, FCM Client funds to purchase, margin, or settle the trades, contracts or transactions of, or to secure or extend the credit of, any person other than its FCM Clients. FCM Client funds shall not be used to carry trades or positions of the same FCM Client other than in connection with FCM SwapClear Contracts or other OTC

derivatives cleared through the facilities of a derivatives clearing organization that has established rules or bylaws which require cleared OTC derivatives (as that term is defined in CFTC Regulation 190.01(oo)), along with the money, securities and/or other property margining, guaranteeing or securing such derivatives, to be held in a separate account.

- (e) Interest of FCM Clearing Members in FCM Client Funds; Additions and Withdrawals. FCM Regulation 29(b), which prohibits the commingling of FCM Client funds with the funds of an FCM Clearing Member, shall not be construed to prevent an FCM Clearing Member from having a residual financial interest in FCM Client funds, segregated as required by the CEA, CFTC Regulations and the FCM Rulebook and set apart for the benefit of FCM Clients; nor shall such provisions be construed to prevent an FCM Clearing Member from adding to the segregated FCM Client funds such amount or amounts of money, from its own funds or unencumbered securities from its own inventory, of the type permitted under FCM Regulation 29(g), as it may deem necessary to ensure that its FCM Segregated Accounts hold at all times, at a minimum, an aggregate amount equal to the amount required by the CEA, CFTC Regulations and the FCM Rulebook. The books and records of an FCM Clearing Member shall at all times accurately reflect its interest in the segregated FCM Client funds. An FCM Clearing Member may draw upon such FCM Client funds to its own order, to the extent of its actual interest therein, including the withdrawal of securities held in FCM Segregated Accounts held by the Clearing House, a bank, trust company or other FCM Clearing Member, provided that any such withdrawals do not result in any such account holding less in segregated FCM Client assets than such account is required to contain at such time. Such withdrawal shall not result in FCM Client funds being used to purchase, margin or carry the trades, contracts or transactions, or extend the credit of any other FCM Client or other person.
- (f) Funds Held in FCM Segregated Accounts; Exclusions Therefrom. Money held in FCM Segregated Accounts by an FCM Clearing Member shall not include (i) money invested in obligations or stocks of any clearing organization or in memberships in or obligations of any contract market or (ii) money held by any clearing organization which it may use for any purpose other than to purchase, margin, guarantee, secure, transfer, adjust, or settle the FCM SwapClear Contracts of the FCM Clients of such FCM Clearing Member.
- (g) Investments of FCM Client Funds. An FCM Clearing Member or the Clearing House may invest FCM Client funds subject to the terms and conditions set forth in CFTC Regulation 1.25, which regulation shall apply to such funds in accordance with the provisions of the CEA and CFTC Regulations thereunder related to transactions in the Cleared OTC Derivatives Account Class.
- (h) Deposit of Instruments Purchased with FCM Client Funds.
 - (i) Each FCM Clearing Member who invests FCM Client funds in instruments permitted under FCM Regulation 29(g) shall separately account for such instruments and segregate such instruments as belonging to such FCM Clients. Such instruments, when deposited with the Clearing House, a bank, trust company or another FCM Clearing Member, shall be deposited under an account name which clearly shows that they belong to FCM Clients and are segregated as required by the CEA, CFTC Regulations and the FCM Rulebook. Each FCM Clearing Member, upon opening an FCM Segregated Account, shall obtain and retain in its files an acknowledgment from such bank, trust company or other FCM Clearing

Member that it was informed that the instruments belong to FCM Clients and are being held in accordance with the CEA and CFTC Regulations. Such acknowledgment shall be retained in accordance with CFTC Regulation 1.31. Such bank, trust company or other FCM Clearing Member shall allow inspection of the records of such assets at any reasonable time by representatives of the Clearing House.

- (ii) When it invests money belonging or accruing to FCM Clients of its FCM Clearing Members in instruments permitted under FCM Regulation 29(g), the Clearing House shall separately account for such instruments and segregate such instruments as belonging to such FCM Clients (provided that any such instruments may be held in commingled accounts, on behalf of all FCM Clients of all FCM Clearing Members, at one or more depositories). Such instruments, when deposited with a bank or trust company, shall be deposited under an account name which will clearly show that they belong to FCM Clients and are segregated as required by the CEA, CFTC Regulations and the FCM Rulebook. Upon opening any such account, the Clearing House shall obtain and retain in its files a written acknowledgment from such bank or trust company that it was informed that the instruments belong to FCM Clients of FCM Clearing Members and are being held in accordance with the provisions of the CEA and CFTC Regulations. Such acknowledgment shall be retained in accordance with CFTC Regulation 1.31. Such bank or trust company shall allow inspection of such instruments at any reasonable time by representatives of the Clearing House.

(i) Record of Investments.

- (i) Each FCM Clearing Member that invests FCM Client funds shall keep a record showing the following:
 - (A) The date on which such investments were made;
 - (B) The name of the person through whom such investments were made;
 - (C) The amount of money or current market value of securities so invested;
 - (D) A description of the instruments in which such investments were made, including the CUSIP or ISIN numbers;
 - (E) The identity of the depositories or other places where such instruments are held;
 - (F) The date on which such investments were liquidated or otherwise disposed of and the amount of money or current market value of securities received of such disposition, if any;
 - (G) The name of the person to or through whom such investments were disposed of; and
 - (H) Daily valuation for each instrument and readily available documentation supporting the daily valuation for each instrument. Such supporting documentation must be sufficient

- to enable auditors to verify the valuations and the accuracy of any information from external sources used in those valuations.
- (ii) When the Clearing House receives documents from its FCM Clearing Members representing or evidencing investment of FCM Client funds, the Clearing House shall keep a record showing separately for each clearing member the following:
- (A) The date on which such documents were received from the clearing member;
- (B) A description of such documents, including the CUSIP or ISIN numbers; and
- (C) The date on which such documents were returned to the clearing member or the details of disposition by other means.
- (iii) Such records shall be retained in accordance with CFTC Regulation 1.31. No such investments shall be made except in instruments permitted under FCM Regulation 29(g).
- (j) Valuation of Instruments Purchased with FCM Client Funds. FCM Clearing Members who invest FCM Client funds in instruments permitted under FCM Regulation 29(g) shall include such instruments in their FCM Segregated Account records and reports at values which at no time exceed their then current market value, determined as of the close of the market on the date for which such computation is made.
- (k) Increment or Interest Resulting from Investment of FCM Client Funds. The investment of FCM Client funds in instruments permitted under FCM Regulation 29(g) shall not prevent the FCM Clearing Member or the Clearing House so investing such funds from receiving and retaining as its own any increment or interest resulting therefrom.
- (l) FCM Segregated Accounts; Daily Computation and Record.
- (i) Each FCM Clearing Member must compute as of the close of the previous Business Day:
- (A) the aggregate amount of FCM Client funds on deposit in its FCM Segregated Accounts on behalf of FCM Clients;
- (B) the amount of such FCM Client funds required by the CEA, CFTC Regulations and the FCM Rulebook to be on deposit in its FCM Segregated Accounts on behalf of such FCM Clients; and
- (C) the amount of the FCM Clearing Member's residual interest in such FCM Client funds .
- (ii) In computing the aggregate amount of funds required to be in its FCM Segregated Accounts, an FCM Clearing Member may offset any net deficit in a particular FCM Client's account against the then current market value of readily marketable securities, less applicable percentage deductions

(i.e., “securities haircuts”) as set forth in Rule 15c3–1(c)(2)(vi) of the Securities and Exchange Commission (17 CFR § 241.15c3–1(c)(2)(vi)), held for the same customer’s account. The FCM Clearing Member must maintain a security interest in the securities, including a written authorization to liquidate the securities at the FCM Clearing Member’s discretion, and must segregate the securities in a safekeeping account with the Clearing House, a bank, trust company or another FCM Clearing Member. For purposes of this section, a security will be considered readily marketable if it is traded on a “ready market” as defined in Rule 15c3–1(c)(11)(i) of the Securities and Exchange Commission (17 CFR § 240.15c3–1(c)(11)(i)).

- (iii) The daily computations required by this FCM Regulation 29 must be completed by the FCM Clearing Member prior to noon on the next Business Day and must be kept, together with all supporting data, in accordance with the requirements of CFTC Regulation 1.31.
- (m) Classification of Positions. Each FCM Clearing Member shall maintain, as provided in CFTC Regulation 1.31, a record of all securities and property received from FCM Clients in lieu of money to margin, purchase, guarantee or settle the cleared FCM SwapClear Contracts of such FCM Clients. Such record shall show separately for each FCM Client: a description of the securities or property received; the name and address of such FCM Client; the dates when the securities or property were received; the identity of the depositories or other places where such securities or property are segregated; the dates of deposits and withdrawals from such depositories; and the dates of return of such securities or property to such FCM Client, or other disposition thereof, together with the facts and circumstances of such other disposition.
- (n) Change in Law or Regulations. The Clearing House shall enforce the rules set forth in this FCM Regulation 29 (and set forth in these FCM Regulations generally) at all times in accordance with and subject to the CEA and CFTC Regulations. In the event that a change in law or in CFTC Regulations occurs but has not yet been reflected appropriately in the FCM Rulebook, the CFTC Regulations and applicable law will prevail, the provisions of this FCM Rulebook shall be deemed to be modified accordingly and the Clearing House will enforce these FCM Regulations in accordance with CFTC Regulations and applicable law.
- (o) Notwithstanding any other provision of these FCM Regulations, any assets held in or credited to an FCM Omnibus OTC Client Account with LCH, an LCH OTC Client Segregated Depository Account or a PPS Account held by LCH shall be treated as segregated assets, to the same extent and with the same force and effect as required with respect to margin held in connection with transactions in futures contracts under the CEA and CFTC Regulations and will, without limitation, be held in trust in accordance with the CEA and CFTC Regulations.

Regulation 30

Acknowledgements and Agreements of FCM Clients and Affiliates

Each FCM Client and Affiliate, by participating in FCM SwapClear Transactions and entering FCM SwapClear Contracts through its respective FCM Clearing Member(s), shall be deemed to understand, acknowledge and agree that:

- (a) the services provided by the Clearing House with regard to the FCM SwapClear Clearing Services will be subject to and governed by the FCM Rulebook between the Clearing House and the FCM Clearing Member;
- (b) the FCM Regulations shall govern the registration of FCM SwapClear Contracts and all transactions between an FCM Client or Affiliate and its FCM Clearing Member resulting in the registration of FCM SwapClear Contracts, and at the time of registration of an FCM SwapClear Contract the FCM Client or Affiliate on whose behalf it was registered will be deemed to be bound by the relevant FCM SwapClear Contract on the terms entered into between the FCM Clearing Member and the Clearing House (including, without limitation, all applicable terms of the FCM Regulations and Schedule A thereto) automatically and without any further action by such FCM Client or Affiliate or by its FCM Clearing Member, and such FCM Client or Affiliate agrees to be bound by the applicable provisions of the FCM Regulations and by the terms of the applicable FCM SwapClear Contracts in all respects;
- (c) the provisions of FCM Regulation 26 (Exclusion of Liability) shall apply to each FCM Client and Affiliate *mutatis mutandis* as though entered into by each FCM Client and Affiliate directly with the Clearing House;
- (d) the Clearing House shall be under no obligation to deal directly with any FCM Client or Affiliate, and the Clearing House may deal exclusively with the FCM Clearing Members;
- (e) the Clearing House shall be under no obligation to deal directly with any FCM Client or Affiliate, and the Clearing House may deal exclusively with the FCM Clearing Members;
- (f) the Clearing House will not hold any assets transferred to it on behalf of any individual FCM Client or an Affiliate
- (g) where an FCM Clearing Member provides an FCM Client's or Affiliate's securities or other assets to the Clearing House as collateral, such securities and other assets shall be held by the Clearing House in accordance with the FCM Rulebook and applicable law, and FCM Clients and Affiliates shall not be entitled to assert any equitable or other claim to any such securities or assets in circumstances where the assertion of such a claim would delay or inhibit (x) the disposal by the Clearing House of such securities or assets and/or (y) the application of the proceeds of sale of such securities or assets, in each case in accordance with the provisions of the FCM Rulebook and applicable law; and

Part A

FCM SwapClear Contract Terms

The terms of a registered FCM SwapClear Contract shall include these FCM SwapClear Contract Terms which shall comprise:

- (1) Interpretation; and
- (2) Economic Terms; and
- (3) Standard Terms.

In the event of any inconsistency between the Economic Terms and the Standard Terms, the Standard Terms will prevail.

Subject to the FCM Regulations and the FCM Procedures, the Clearing House will use the FCM SwapClear Contract Terms applicable to an FCM SwapClear Contract to calculate the amounts due under the FCM SwapClear Contract to, or from, the Clearing House in accordance with the FCM Procedures.

1. Interpretation

- 1.1. “ISDA 2000 Definitions” means the 2000 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. (“ISDA”), and the same are incorporated by reference herein and “ISDA 2006 Definitions” means the 2006 ISDA Definitions as published by ISDA, and the same are incorporated by reference herein.
- 1.2. Words and expressions used in these FCM SwapClear Contract Terms which are not defined in the FCM Regulations and the FCM Procedures but which are defined in the “ISDA 2000 Definitions” or the “ISDA 2006 Definitions” shall have the same meaning herein as in the ISDA 2000 Definitions or the ISDA 2006 Definitions as the case may be, unless expressly provided otherwise. For the avoidance of doubt where the FCM SwapClear Contract identifies the ISDA 2000 Definitions as being applicable to that FCM SwapClear Contract then those definitions will apply and where the FCM SwapClear Contract identifies the ISDA 2006 Definitions as being applicable to that FCM SwapClear Contract then those definitions will apply
- 1.3. In the event of an inconsistency between the FCM Regulations and the FCM Procedures and either the ISDA 2000 Definitions or the ISDA 2006 Definitions, the FCM Regulations and FCM Procedures will prevail.
- 1.4. References in the ISDA 2000 Definitions and the ISDA 2006 Definitions to a “Swap Transaction” shall be deemed to be references to an “FCM SwapClear Transaction” for the purposes of SwapClear.
- 1.5. Except where expressly stated otherwise, all reference to “Articles” means Articles in the ISDA 2000 Definitions or the ISDA 2006 Definitions as the case may be as published by ISDA:
 - (a) in relation to any amendments to either the ISDA 2000 Definitions and the ISDA 2006 Definitions, the Clearing House may from time to time, by notice delivered to the FCM Clearing Members and the SwapClear Clearing

Members, give directions as to whether such amendment shall apply to FCM SwapClear Contracts with immediate effect or with such deferred effect as the Clearing House shall determine;

- (b) any such notice may provide that the amendment to the ISDA 2000 Definitions and the ISDA 2006 Definitions may take effect so as to apply to FCM SwapClear Contracts registered in an FCM Clearing Member's name at the time such amendment comes into effect if the Clearing House so determines;
- (c) the accidental omission to give notice under this provision to, or the non-receipt of notice under this provision by, an FCM Clearing Member or a SwapClear Clearing Member shall not invalidate the amendment with which the notice is concerned.

3.3. Withholding Tax Provisions

All payments due under an FCM SwapClear Contract shall be made by the FCM Clearing Member free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the FCM Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

3.8. Third Party Rights

A person who is not a party to this FCM SwapClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this FCM SwapClear Contract are expressly excluded.

2 days for JPY, CHF, AUD, DKK, HKD, NZD, SEK, NOK, PLN, ZAR, SAD, HUF & CZK denominated trades

- (d) Designated Maturity

The Designated Maturity must be no less than one month and no more than twelve months. The Clearing House will, excepting stub periods, only accept a Designated Maturity that is a whole calendar month.

- (e) Calculation Periods

(See Article 4.13 of the ISDA 2000 Definitions and Article 4.13 of the ISDA 2006 Definitions for definition.)

For vanilla interest rate swaps with constant notional principal and variable notional swaps the Clearing House will only accept non-standard Calculation Periods ("stub periods") at either the start or end of the contract. Transactions with stub periods at both the start and end of the transaction will not be eligible as FCM SwapClear Transactions.

For variable notional swaps the stub rate should be detailed either as a percentage (i.e. 5.5%), an interpolation (i.e. 1 month/3months) or as a designated maturity (i.e. 1 month). Stub Rates within the Final Stub are calculated via interpolation or as a designated maturity.

For interpolated coupons, payment dates must fall between the rolled dates, according to the Modified Following business day convention, of the specified

designated maturities. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

The minimum stub period of a variable notional swap accepted by SwapClear is 1 + Currency Settlement Lag. The minimum stub rate tenor must be \geq 1 week for IRS and basis swap and \geq 1 month for zero coupon swaps.

SwapClear also calculates floating periods subject to 'IMM settlement dates as per ISDA definitions.

FCM PROCEDURES

Except where the context otherwise requires, defined terms used herein have the meaning ascribed to them in the FCM Regulations or in other portions of the FCM Rulebook.

1. FCM CLEARING MEMBER STATUS

1.1 FCM Clearing Member Application Procedure

- (a) Application Procedure: An application for FCM Clearing Member status of the Clearing House must be made on the appropriate form which can be obtained from the Clearing House's Membership Department. Additional information (including legal documents) must be supplied where required and submitted to the Clearing House with the completed form.

Applicants approved by the Clearing House for FCM Clearing Member status ("Approved Applicants") must, within three months of notification of their approval as an applicant, fulfil all conditions attached to their approval. If an Approved Applicant does not fulfil all such conditions within these three months, the Clearing House may, at its sole discretion, require that an Approved Applicant re-apply for FCM Clearing Member status.

Approved Applicants will become FCM Clearing Members with the right to clear FCM SwapClear Contracts. Please note that FCM Clearing Member status does not provide membership of the company LCH.Clearnet Limited or any right to a shareholding therein, nor does it provide the right to any shareholding in LCH.Clearnet Group Limited or any entitlement or right to participate in any way in LCH.Clearnet SA or the clearing services it offers. LCH.Clearnet SA has its own arrangements and admission criteria for Clearing Member status – see the LCH.Clearnet SA sections of the LCH.Clearnet website for further details.

- (b) FCM Clearing Member Status: The terms and conditions binding on each FCM Clearing Member are set out in the FCM Rulebook (which includes these FCM Procedures), the FCM Clearing Membership Agreement, the FCM Default Management Process Agreement and the FCM Default Fund Agreement, each as amended from time to time. Two copies of the FCM Clearing Membership Agreement and the FCM Default Fund Agreement will be provided to the applicant who must sign both copies of each (but not date them) and return them to the Clearing House's Membership Department along with the application documentation.

The applicant must pay the stipulated application fee to the Clearing House. This fee must accompany the application for FCM Clearing Member status and is non-refundable.

If and when FCM Clearing Member status is granted, new FCM Clearing Members will receive a duly executed (and dated) copy of the FCM Clearing Membership Agreement and the FCM Default Fund Agreement together with the notification of acceptance and details of any condition(s) attached to FCM Clearing Member status. If granted, FCM Clearing Member status is subject to a Contribution to the Default Fund of the Clearing House (DF), as determined by the Clearing House under the Default Fund Rules.

- (c) Conditions of Application: An applicant for FCM Clearing Member status must accept that the Clearing House:
- (i) is entitled to make enquiries of any nature about the applicant and any person connected or associated with the applicant;
 - (ii) is entitled to ask the applicant to supply additional information and take whatever steps are necessary to verify information;
 - (iii) is entitled to provide and/or disclose information to an exchange, governmental department, regulatory organization, other authority, or to the Clearing House's insurers in connection with any form of insurance, or to any person pursuant to the provisions of the CEA, any rules made thereunder, or in accordance with any other statutory requirement, and in accordance with the terms of the FCM Clearing Membership Agreement;
 - (iv) may disclose to any other party the name, address, registered number and details of any exchange or clearing memberships held or applied for; and
 - (v) will endeavour to process, consider and decide upon an application in a timely fashion, but owes no duty or obligation to the applicant to do so.

General

An applicant must, in accordance with the FCM Regulations satisfy the criteria set out in the FCM Regulations and these FCM Procedures in order to be considered for FCM Clearing Member status. These requirements are without prejudice to the provisions of the FCM Clearing Membership Agreement and the FCM Default Fund Agreement which must be executed by the applicant, and must equally be met by FCM Clearing Members.

The Clearing House may, in its sole discretion, refuse an application for membership where it considers it appropriate to do so in accordance with its internal risk management policies and procedures as amended from time to time.

The applicant and those of its staff who exercise an executive or managerial role, must have a high standard of integrity and a level of knowledge, as determined by and acceptable to the Clearing House, of the nature, risks and obligations of trading in the market they wish to clear.

The applicant must satisfy the minimum Net Capital requirements, as set out in the FCM Regulations or such greater amounts as may be required by the Clearing House.

The applicant must open Protected Payments System (PPS) bank account(s) at one or more of the bank branches participating in the PPS system:

in London in each currency including in US dollars and GBP;

in the USA in US dollars,

and must execute all necessary PPS mandates for House and Client accounts.

The applicant must maintain a back office:

remote from the trading desk;

with adequate systems (including but not limited to computer and communications systems) and records;

with an adequate number of administrative staff fully conversant with procedures for the management of business transacted in the contracts cleared by the Clearing House in which the applicant participates; and

with such technology and connectivity as may be stipulated by the Clearing House.

Applicants for FCM Clearing Member status and FCM Clearing Members must at all times respond promptly to enquiries or requests for information made by the Clearing House. Such enquiries may require FCM Clearing Members to demonstrate compliance with the applicable FCM clearing membership criteria and/or applicable laws and regulations.

- (d) Termination of FCM Clearing Member Status: In the event that an FCM Clearing Member wishes to terminate its FCM Clearing Member status, it may do so by giving notice of not less than three months ahead of its proposed termination date. By the close of business on the termination date, the FCM Clearing Member shall ensure that all registered FCM SwapClear Contracts in its name have been closed-out or transferred so as to ensure that there are no Open Contracts to which it is party to at the termination date. A resigning FCM Clearing Member should note that any and all Executing Parties for which it clears FCM SwapClear Transactions will be required to find alternative clearing arrangements by this date or will be unable to enter into FCM SwapClear Transactions unless such Executing Party already has other clearing arrangements in place. For further information on the resignation process, FCM Clearing Members should contact the Clearing House's Membership Department.

If an FCM Clearing Member has not been active in a market for a continuous period of three months, it will be asked to confirm that they intend to utilize their FCM Clearing Member status and, failing a satisfactory response, they may be required to resign their FCM Clearing Member status.

(e) Guarantees:

FCM Clearing Members are required to notify promptly or pre-notify the Clearing House of any changes which may result in non-compliance with the FCM Clearing Member status criteria as stated in the FCM Regulations and these FCM Procedures.

1.2 Net Capital

Net Capital Requirements

FCM Clearing Members are required to maintain a minimum level of net capital as set out in the FCM Regulations.

Additional Net Capital Requirements

Additional resources will be required when, in the Clearing House's assessment, an FCM Clearing Member's Net Capital is not commensurate with its level of business.

The Clearing House shall, on a daily basis, compare the market risk associated with each FCM Clearing Member's FCM SwapClear Contracts with their level of net capital as reported to the Clearing House in order to ascertain whether, in the Clearing House's opinion, such FCM Clearing Member is sufficiently capitalised to support the level of risk associated with the FCM SwapClear Contracts to which they are counterparty. In determining whether an FCM Clearing Member is sufficiently capitalised, the Clearing House may also consider:

- ~~1. the FCM Clearing Member's internal credit score as determined pursuant to 1.7 below;~~
1. ~~2.~~ the ratio of FCM SwapClear Contracts entered into on behalf of an FCM Client compared to those entered for its own account or that of an Affiliate;
2. ~~3.~~ the FCM Clearing Member's aggregate exposure to other clearing providers and other entities; and
3. ~~4.~~ the total amount of cover deposited with, transferred to or otherwise delivered to the Clearing House by the FCM Clearing Member.

In the event that the Clearing House considers that the FCM Clearing Member is not sufficiently capitalised to support the level of risk associated with its open FCM SwapClear Contracts, the Clearing House may perform one or more of the following:

1. require that the relevant FCM Clearing Member furnish the Clearing House with additional cover; or
2. prevent or limit the extent to which an FCM Clearing Member may register additional FCM SwapClear Contracts; or
3. require that the FCM Clearing member provide the Clearing House with additional information relating to its exposure to other clearing providers or other entities.

1.3 Calculation Of Net Capital

Net capital is calculated in line with CFTC Regulation 1.17.

1.4 Reporting

FCM Clearing Members must provide the information detailed below.

Provision of Information

- (a) All FCM Clearing Members must, within six months from the date on which their annual accounts are made up, provide the Clearing House with an English-language copy of their profit and loss account and balance sheet, together with a statement that their auditors have reviewed and approved

them, drawn up in accordance with CFTC Regulation 1.16 requirements or otherwise in accordance with the requirements of the Clearing House. In addition, the Clearing House may at its discretion require the provision of financial accounts for the ultimate or immediate parent of the FCM Clearing Member.

- (b) All FCM Clearing Members must provide the Clearing House in a prompt and timely manner with:
- (i) copies of all financial returns/reports made to their regulators, and upon request from the Clearing House, any other notifications made to the CFTC as required under the CFTC's Regulations (including CFTC Regulation 1.12);
 - (ii) those financial reports detailed in CFTC Regulation 1.10;
 - (iii) any information concerning any financial or business development that the FCM Clearing Member reasonably considers may materially affect the clearing member's ability to comply with the FCM membership criteria or applicable laws or regulations;
 - (iv) copies of all reports that are required to be filed with the CFTC pursuant to parts 17 and 20 of the CFTC Regulations;
 - (v) information and documents regarding the FCM Clearing Member's risk management policies and practices as requested by the Clearing House. Such information shall include, without limitation, information and documents relating to the liquidity of that FCM Clearing Member's financial resources and settlement procedures;
 - (vi) any other financial information that the Clearing House determines is necessary to assess whether membership criteria are being met on an ongoing basis; and
 - (vii) notice if the FCM Clearing Member becomes the subject of a bankruptcy petition, receivership proceeding, or the equivalent, or any other event to which it is required to notify the Clearing House under the FCM Clearing Membership Agreement or the FCM Rulebook.

In addition, and upon request from the Clearing House or the CFTC, each FCM Clearing Member shall promptly provide the information detailed in (v) above directly to the CFTC.

Reduction in Net Capital

All FCM Clearing Members must immediately notify the Clearing House of any significant reduction (usually 10% or more), from the figures shown in their last financial returns, in:

- (c) shareholders' funds;
- (d) Net Capital.

1.5 Additional Requirements

Notification of Changes of Ownership

FCM Clearing Members are required to notify or pre-notify the Clearing House of changes in controlling holdings (defined as the exercise or control of 20% or more of the voting power of the firm). In cases of changes in ownership, and particularly where those potentially acquiring a dominant stake in an FCM Clearing Member are not known to the Clearing House, FCM Clearing Members are required to pre-notify the Clearing House of their plans. The proposed change of ownership may be subject to an approval process involving the Risk Committee and Board of the Clearing House (LCH.Clearnet Limited).

Each FCM Clearing Member shall maintain current written risk management policies and procedures which address the risks that the relevant FCM Clearing Member may pose to the Clearing House, including any policies and procedures that the Clearing House may reasonably request be incorporated therein. Upon the request of the Clearing House, an FCM Clearing Member shall promptly provide the Clearing House with a copy of its current policies and procedures for review by the Clearing House.

Pursuant to and in accordance with FCM Regulation 10(o), where an FCM Client enters into an FCM SwapClear Transaction that is non-hedging in nature, the relevant FCM Clearing Member shall collect from that FCM Client additional collateral at a level of 10% above the amount that the Clearing House would normally require for the associated FCM SwapClear Contract.

1.6 Other Conditions

The Clearing House may, at any time, impose additional conditions relating to continued FCM Clearing Member status, and at any time vary or withdraw any such conditions. These conditions may include, but are not limited to, a requirement to deposit additional security in cash or other collateral as determined by the Clearing House.

1.7 Credit Ratings

~~The Clearing House shall, on a daily basis, monitor each FCM Clearing Member's internal member credit score based upon both quantitative and qualitative data and pre-determined tolerance levels.~~

~~In the event that the Clearing House considers that the FCM Clearing Member's internal credit member score is insufficient to support the level of risk associated with it, the Clearing House may perform one or more of the following:~~

- ~~(a) require that the relevant FCM Clearing Member furnish the Clearing House with additional cover; or~~
- ~~(b) prevent or limit the extent to which an FCM Clearing Member may register additional FCM SwapClear Contracts.~~

FCM SWAPCLEAR

2. SWAPCLEAR

2.1 The Clearing Process

The FCM SwapClear Service is an interface that processes and stores all FCM SwapClear Transactions received from an FCM Approved Trade Source System.

Only FCM Clearing Members are authorised by the Clearing House to submit trades for clearing in the FCM SwapClear Service.

FCM SwapClear Service Functions

The following functions are performed within the FCM SwapClear Service:

- (a) processing and settlement of coupon payments;
- (b) processing and settlement of consideration (fee) payments;
- (c) calculation of initial and variation margin requirements;
- (d) calculation of Price Alignment Interest;
- (e) adjustment of cash payments to conform with Opening Days and the SwapClear Calendars;
- (f) allocation and designation of trades to a position-keeping account; and
- (g) reporting of registered trades.

FCM SwapClear Transactions submitted via an FCM Approved Trade Source System (i.e. new trades submitted for intra-day registration or existing trades submitted for overnight registration – see sections 2.3.2 and 2.3.3) will, subject to meeting all requirements prescribed by the Clearing House, be processed and stored within the FCM SwapClear clearing system. Information regarding FCM SwapClear Contracts and margin reporting will be disseminated via the Clearing House's FCM Clearing Member Reporting (see section 0).

Clearing House System Requirements

An FCM Clearing Member must, in order to submit FCM SwapClear Transactions to the Clearing House, be a user of an FCM Approved Trade Source System.

SwapClear FCM Clearing Member Reporting

There are two methods of notification to FCM Clearing Members of FCM SwapClear Contract registrations:

Report 001

Via the FCM Approved Trade Source System.

An end-user report generation and analytical capability is provided by the Clearing House to FCM Clearing Members. All FCM SwapClear reports will be disseminated via the Clearing House's secure password access FCM Clearing Member-only

website. These reports are the definitive record as to registration by the Clearing House.

The Clearing House is not liable for any corruption or alteration of messages or loss of data which may take place within any FCM Approved Trade Source System.

FCM Clearing Members will be able to customize and produce reports either to print locally or to download in machine-readable data-file format. Queries about the FCM Clearing Member-only website should be directed to the Clearing House Service Desk on +44 (0)20 7426 7200.

2.2 Operating Times And Calendars

Opening Days

The Clearing House will publish a circular detailing the days on which the FCM SwapClear clearing system will be open.

Opening Hours

The FCM SwapClear clearing system will be operational during the following hours:

07:30 to 24:00 hours London time (a "Business Day")

FCM SwapClear Clearing System Calendars

The FCM SwapClear clearing system uses the SwapsMonitor Financial Calendar for its processing. This will require all FCM Clearing Members to be licensees of the SwapsMonitor Financial Calendar. The calendars, as applicable to the FCM SwapClear clearing system, will be available online for inspection and for file download from FCM Clearing Member Reporting (see section 0).

2.3 Registration

Submission for Registration

The Clearing House receives details of a new eligible FCM SwapClear Transaction using agreed format messages via an FCM Approved Trade Source System. The FCM Approved Trade Source System will send these trades to the Clearing House once they have been bi-laterally agreed by two Executing Parties and will confirm which FCM Clearing Member(s) has been elected to register the FCM SwapClear Transaction.

Clearing House Notification

Following receipt of information from the FCM Approved Trade Source System, the Clearing House will notify the relevant FCM Clearing Member(s), via member reports, the SwapClear API or otherwise, that an Executing Party has elected it to register the FCM SwapClear Transaction with the Clearing House (the "FCM Notification").

Following receipt of the FCM Notification, an FCM Clearing Member may choose to accept or refuse to register the FCM SwapClear Transaction on behalf of the Executing Party.

Where an FCM Clearing Member accepts registration of the FCM SwapClear Transaction and notifies the Clearing House of such acceptance, the FCM Clearing

Member shall, pursuant to FCM Regulation 5(b), (i) be deemed to have presented the FCM SwapClear Transaction for clearing and (ii) become obligated to pay all cover required by the Clearing House in connection with the registration of the FCM SwapClear Transaction upon request of the Clearing House.

It is a condition for registration of an FCM SwapClear Transaction that, where both Executing Parties intend to register the FCM SwapClear Transaction through an FCM Clearing Member, both FCM Clearing Members accept the FCM Notification (or where such Executing Parties nominate the same FCM Clearing Member, such FCM Clearing Member accepts both acceptances) and therefore submit the FCM SwapClear Transaction to the Clearing House. In accordance with Section 2.3.4 of these FCM Procedures, it is a condition for registration of an FCM SwapClear Contract that the applicable FCM Clearing Member provide sufficient cover to the Clearing House in respect of such FCM SwapClear Contract prior to registration.

SwapClear FCM Approved Trade Source Systems

Currently the FCM Approved Trade Source Systems designated by the Clearing House for SwapClear are [MarkitWire, Bloomberg and Tradeweb]. Where the Clearing House approves additional FCM Approved Trade Source Systems, it will notify FCM Clearing Members via member circular.

FCM SwapClear Transactions submitted through an FCM Approved Trade Source System must be in an acceptable message format, as prescribed by the Clearing House.

Notwithstanding the designation by the Clearing House of any system as an FCM Approved Trade Source System, the Clearing House makes no warranty (and will accept no liability) as to the effectiveness, efficiency, performance or any other aspect of the services provided by any FCM Approved Trade Source System or the timeliness or otherwise of the delivery of any FCM SwapClear Transaction details by that FCM Approved Trade Source System to the Clearing House. Such matters form part of the relationship between the FCM Clearing Members and that FCM Approved Trade Source System.

The Clearing House will process any FCM SwapClear Transaction reported to it by an FCM Approved Trade Source System on an "as is" basis, and subject to the FCM Regulations and these FCM Procedures, will register any such FCM SwapClear Transaction on the basis of the data provided to it by the FCM Approved Trade Source System and approved by the relevant FCM Clearing Member. The Clearing House has no obligation to verify that the details received, properly reflect the trade entered into by the relevant Executing Parties.

The Clearing House accepts no liability for any error within or corruption of any data sent by an FCM Approved Trade Source System to the Clearing House or to an FCM Clearing Member or any delay in or failure of the transmission of such data to the Clearing House. In the event that the Clearing House registers any FCM SwapClear Contract on the basis of incorrect or corrupted data sent to it by an FCM Approved Trade Source System and accepted by an FCM Clearing Member, the FCM Clearing Member concerned shall be bound by the terms of such FCM SwapClear Contract. The Clearing House shall use its reasonable endeavours to assist the relevant FCM Clearing Members in re-registering the trade on the correct basis but the Clearing House shall not be liable to the FCM Clearing Member or anyone else with regard to the registration (or lack of registration or re-registration) of any such FCM SwapClear Contract.

FCM Clearing Members shall ensure that transaction details accepted for registration are accepted by appropriately authorised personnel. Apart from the foregoing acceptance, the Clearing House is not able to, and will not, verify the authorisation of the source of any details of any transaction reported to it for registration by any FCM Approved Trade Source System. The Clearing House shall have no liability in the event that any FCM Clearing Member suffers any loss through the unauthorised acceptance of an FCM Notification.

Registration of New Trades

New trades are registered on an intra-day basis. Following acceptance by an FCM Clearing Member, the FCM SwapClear Clearing System will respond, after processing, with a message either confirming the registration or giving a reason for rejection (see section 2.3.7). The registration notification or rejection message will be sent via the originating FCM Approved Trade Source System, the SwapClear API or otherwise. The definitive report of a registered FCM SwapClear Contract will be shown on Reporting (see section 2.1.3) on the FCM Clearing Member reporting account in the FCM SwapClear clearing system.

The Clearing House will require an FCM Clearing Member in whose name an open contract is to be registered to provide it with cover for initial and variation margin prior to registration. In accordance with FCM Regulation 5(b), an FCM Clearing Member becomes obligated to pay such cover to the Clearing House upon the FCM Clearing Member's acceptance for registration of an FCM SwapClear Transaction and the FCM Clearing Member shall pay such cover prior to registration upon request of the Clearing House. Variation margin can be covered intra-day in non-cash collateral.

FCM SwapClear Transactions that are submitted for registration after 14:30 are registered the following morning subject to the normal requirements for margin (unless the FCM Clearing Member has provided excess cover).

Backloading of Existing Trades

The Clearing House provides the facility for FCM Clearing Members to load eligible existing FCM SwapClear Transactions, through an FCM Approved Trade Source System [(currently only MarkitWire)]. Where the Clearing House approves additional FCM Approved Trade Source Systems for this purposes, it will notify FCM Clearing Members via member circular. Backloading requires bilateral agreement between the relevant Executing Parties and acceptance by the FCM Clearing Member(s) and the SwapClear Clearing Member, if any, of the full particulars required by the Clearing House for each such FCM SwapClear Transactions. Following acceptance, the backloaded trade shall be deemed to have been presented by the FCM Clearing Member(s) and the SwapClear Clearing Member, if any, for registration by the Clearing House. In any backloading of transactions where one leg is to be registered as an SCM SwapClear Contract, the UK General Regulations will apply with respect to such registration of an SCM SwapClear Contract.

The Clearing House will, in the case of FCM SwapClear Transactions that have a Trade Date of greater than ten calendar days prior to the date of submission, hold the FCM SwapClear Transaction overnight for registration the following day. For backloaded trades the Clearing House will notify FCM Clearing Members of their submission and status via FCM Clearing Member Reporting (see section 2.1.3). It is a pre-condition of registration that sufficient cover for initial and variation margin is provided.

Notification

The Clearing House will notify FCM Clearing Members of the registration or rejection of FCM SwapClear Transactions, or contracts purported as such, via the SwapClear FCM Clearing Member Reporting System (see section 0) and the originating FCM Approved Trade Source System messaging service for onward transmission to the submitting FCM Clearing Member.

Rejected Trades

Trades submitted for registration that do not meet the product or other eligibility criteria prescribed from time to time by the Clearing House or which contain invalid or incomplete message data will be rejected. If, at any time, the Clearing House does not register a trade presented for registration it will notify the contracting parties of the reasons for rejection.

2.4 Position Accounts

FCM Accounts

For identification purposes each FCM Clearing Member is assigned a unique three-character mnemonic. An FCM Clearing Member's position and financial information are further identified by a single character code: C for client business; and H for house business.

Position-Keeping Accounts

FCM Clearing Member Accounts

The account types are: H for house business (Proprietary Account); and C for segregated client business (FCM Omnibus OTC Client Account with LCH). An FCM Clearing Member's FCM SwapClear Contract positions are also recorded within the FCM SwapClear clearing system in SwapClear Accounts.

All registered FCM SwapClear Contracts will be identifiable to FCM Clearing Members via FCM SwapClear Reporting (see section 2.1.3). Each FCM SwapClear Contract will also be assigned a unique trade identifier. The FCM Clearing Member Reporting functionality also allows FCM Clearing Members to identify all FCM SwapClear Contracts registered in their name.

2.5 Financial Accounts

FCM Clearing Member accounts have financial accounts associated with them. These are, *inter alia*, used to record cash balances and securities/ documentary credits. Information contained within position-keeping accounts is consolidated into financial accounts, as follows:

Relationship with Position-Keeping Accounts

Trading Account	Financial Account		
H	House	H	Proprietary Account
C	Client	C	LCH OTC Client Segregated Depository Account

Other Financial Accounts

At the Clearing House's discretion, further financial accounts, used only to record financial balances, may be opened as follows:

	Code
Buffer accounts (House), used for holding additional cash in relation to Proprietary business	B
Buffer account (Client), used for holding additional cash in relation to FCM Client Business	E

Default Fund (DF) Account

Each FCM's Default Fund Contribution is held in a separate financial account. The DF account code is "F".

2.6 FCM SwapClear Contract Valuation

Net Present Value

The Clearing House will calculate the Net Present Value (NPV) of each eligible FCM SwapClear Contract using the Clearing House's zero coupon yield curves.

It is a condition of registration that sufficient cover, as determined by the Clearing House, is held with the Clearing House to cover both the NPV and Initial Margin of each FCM SwapClear Transaction.

All FCM SwapClear Contracts credited to an FCM Clearing Member will, on submission to the Clearing House, be marked-to-market, in accordance with FCM Regulation 12(d). The Net Present Value so determined must, subject to Intra-day Registration (see section 2.3.4), be paid by the FCM Clearing Member in cash in the currency of the FCM SwapClear Contract. Where an FCM SwapClear Transaction is registered intra-day, and the NPV is covered with non-cash collateral, the Clearing House will, the following Business Day, require payment of the full cash amount.

Zero Coupon Yield Curve Construction

The Clearing House will determine, at its sole discretion, appropriate instruments, points and market prices for the construction of zero coupon curves and portfolio valuation. Details of the construction method and Instruments used are available on request from the Clearing House Risk Management Department at +44 (0)20 7426 7549, but may be subject to change without prior notification.

Official Quotations

Zero Coupon Yield curves will use prices and rates taken at:

Variation Margin

On the date of registration, the Net Present Value of an FCM SwapClear Contract will be credited to or debited from the applicable FCM Clearing Member's financial accounts in cash in denomination currency.

On all subsequent days, the change in the Net Present Value from one Business Day to the next will be credited to or debited from such FCM Clearing Member's financial accounts in cash in denomination currency.

Price Alignment Interest

In order to compensate for the payment of changes in NPV on a daily basis for FCM SwapClear Transactions cleared through the Clearing House, the Clearing House

will for each FCM Clearing Member either charge interest on cumulative variation margin received, or pay interest on cumulative variation margin paid (see section 3.5.2). Price Alignment Interest is debited, credited and netted in accordance with the Clearing House's normal practices.

2.7 Coupon Payments

Calendars and Coupons

Payment dates for coupon payments will be set based on the SwapsMonitor Financial Calendar (see section 2.2.3). Changes to the calendar that affect FCM SwapClear Contracts will be published and made available to FCM Clearing Members by the Clearing House in an FCM Clearing Member Report. The central control and publication of these calendars will assist the reconciliation of coupon payments between FCM Clearing Members and the Clearing House. Coupon payments will be adjusted, in the event of a holiday amendment, in accordance with the FCM SwapClear Contract Terms.

Calculation of Fixed Amount

The Clearing House will calculate the Fixed Amount payable by a party on a Payment Date as either:

- (a) if an amount is specified for the FCM SwapClear Contract as the Fixed Amount payable by that party for that Payment Date or for the related Calculation Period, such amount; or
- (b) if an amount is not specified for the FCM SwapClear Contract as the Fixed Amount payable by that party for that Payment Date or for the related Calculation Period, an amount calculated on a formula basis for that Payment date or for the related Calculation Period as follows:

$$\begin{array}{lcl} \text{Fixed Amount} & = & \text{Calculation} \times \text{Fixed} \times \text{Fixed Rate Day} \\ & & \text{Amount} \quad \text{Rate} \quad \text{Count Fraction} \end{array}$$

Calculation of Floating Amount

The Clearing House will calculate the Floating Amount payable by a party on a Payment Date as an amount calculated on a formula basis for that Payment Date or for the related Calculation Period as follows:

$$\begin{array}{lcl} \text{Floating Amount} & = & \text{Calculation} \times \text{Floating} \times \text{Floating Rate Day} \\ & & \text{Amount} \quad \text{Rate} \quad \text{Count Fraction} \\ & & \quad \quad \quad (+/- \text{ Spread}) \end{array}$$

Calculation of Compounded Amount

Depending on whether the FCM SwapClear Contract is submitted under ISDA 2000 or ISDA 2006 Definitions, the Clearing House will calculate the compounded floating amount payable by an FCM Clearing Member on a Payment Date as an amount calculated in accordance with Articles 6.1 to 6.3 inclusive of the relevant Definitions.

Business Day and Business Day Convention

In determining whether a day is a Business Day the Clearing House will only apply the Financial Centres specified in the matched FCM SwapClear Transaction message. The Clearing House will in the event of non-business days apply the Business Day Conventions as specified in the matched FCM SwapClear Transaction message.

Payment of Coupons

After adjusting coupons, in accordance with the appropriate Business Day and Business Day Conventions, the Clearing House will credit or debit FCM Clearing Members' Accounts with the appropriate Fixed or Floating Amount with a value date matching the Coupon Payment Date. In the event of SwapClear being closed on a Coupon Payment Date it will pay the Fixed and Floating Amounts on the next Business Day following the Coupon Payment Date.

Calculation Periods

In respect of any Calculation Period that is not a whole calendar month (a stub period), the Reset Rate for the Reset Date in respect of that Calculation Period shall be determined by the Clearing House with reference to the rate(s) specified in the matched format message.

Day Count Fractions: ISDA 2000

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

Where the FCM SwapClear Transaction is submitted under the ISDA 2000 Definitions, the Clearing House will calculate Day Count Fractions in accordance with the following principles:

- (c) if "Actual/365" or "Actual/Actual" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (d) if "Actual/365 (Fixed)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (e) if "Actual/360" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;
- (f) if "30/360", "360/360", "Bond Basis", "30E/360" or "Eurobond Basis" is specified the actual number of days in the Calculation Period in respect of which payment is being made will be determined in accordance with the following formula:

$$((Y_2 - Y_1) * 360) + ((M_2 - M_1) * 30) + (D_2 - D_1)$$

where D1, M1 and Y1 are the day, month and year respectively on which the period begins and D2, M2 and Y2 are the day, month and year respectively on which the period ends (coupon payment date).

In accordance with this formula the following will be applied:

- (i) if "30/360", "360/360" or "Bond Basis" is specified the Clearing House will
 - if D1 is 31 amend it to 30,
 - if D2 is 31 amend it to 30 only if D1 is 30 or 31; or
- (ii) if "30E/360" or "Eurobond Basis" is specified the Clearing House will
 - if D1 is 31 then amend it to 30
 - if D2 is 31 then amend it to 30.
- (g) For Actual/Actual (ISMA): "The [Fixed/Floating] Amount will be calculated in accordance with Rule 251 of the statutes, by-laws, rules and recommendations of the International Securities Market Association, as published in April 1999, as applied to straight and convertible bonds issued after December 31, 1998, as though the [Fixed/Floating] Amount were the interest coupon on such a bond".

Day Count Fractions: ISDA 2006

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

Where the FCM SwapClear Transaction is submitted under the ISDA 2006 Definitions, the Clearing House will calculate Day Count Fractions in accordance with the following principles:

- (h) if "Actual/Actual", Actual/Actual (ISDA)", "Act/Act", or "Act/Act-(ISDA)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (i) if "Actual/365 (Fixed)" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;
- (j) if "Actual/360" is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;
- (k) "30/360", "360/360" or "Bond Basis" is specified the number of days in the Calculation Period or Compounding Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

“D2” is the Calendar day, expressed as a number, immediately following the last day included in the Calculation Period or Compounding Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30; and

- (I) if “30/E60” or “Eurobond basis is specified, the number of days in the Calculation or Compounding Period in respect of which payment is being made divided by 360, calculate on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where: “Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

The coupon payments will be adjusted to fall on actual business days according to the Calendar(s) and Business Day Convention specified.

Negative Interest Rate Method

FCM Clearing Member should note the provisions of section 3.3 of Part A of the Schedule to the FCM Regulations regarding the applicability of the Negative Interest Rate Method, to an FCM SwapClear Contract. FCM Clearing Members may, in the circumstances, wish to ensure that any trade submitted for registration follows that Negative interest Rate Method.

2.8

Initial Margin

The Clearing House will require FCM Clearing Members to post initial margin. This amount will be determined by the prevailing market conditions and the expected time

to close out the portfolio. The Portfolio Approach to Interest Rate Scenarios (PAIRS) will be used to calculate initial margin requirements for FCM SwapClear Contracts.

Separate initial margin calculations are performed for an FCM Clearing Member's house "H" and client "C" accounts.

The Clearing House reserves the right to require additional amounts of cover from a specific FCM Clearing Member or from all FCM Clearing Members in accordance with FCM Regulation 10.

Liquidity Multiplier

Risk Management applies a liquidity multiplier based on Worst Case Loss (WCL) exceeding certain thresholds on the FCM Clearing Member's whole portfolio and individual currencies. The threshold amounts and multipliers are reviewed on an ongoing basis.

Intra-day Margin Calls

In accordance with the Clearing House's FCM Regulations, the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it is considered necessary. Intra-day margin calls can be called at any time throughout the business day (08:30 to 21:00 hours London time). Intra-day margin calls will usually be made via the Protected Payments System (PPS) (see Section 2.9).

In certain circumstances the Clearing House may wish to make a call for additional funds after the closure of London PPS facilities at 16:00 hours London time. In this event the Clearing House will require payment of additional funds through PPS facilities in the USA (see section 3.2.2). Members must ensure, in these circumstances, that they are in a position to fund such calls through their nominated US PPS account within one hour of the call.

Calculation of Initial Margin

(a) Portfolio Approach to Interest Rate Scenarios (PAIRS)

The PAIRS calculation is a VAR based approach based on filtered historical simulations. All positions in each currency are re-valued under a series of cross portfolio yield curve scenarios to estimate the highest forecast loss and therefore the initial margin requirement. Further details of this method are available upon request and are detailed in the PAIRS TIP document. The PAIRS document and further information relating to Initial Margin calculations can be obtained from the Rates team at +44 (020) 7426 6325 or +44 (020) 7426 7428.

2.9 Intra-Day Margin Call: Collateral Management

General – Intra-day Margining

Following an intra-day margin call and unless notified otherwise by an FCM Clearing Member at the time of an intra-day margin call the Clearing House will deduct cash, in the appropriate currency, directly from the relevant FCM Clearing Member's PPS account to cover that intra-day margin call.

Cash payments in respect of intra-day cover are accepted only in USD by the Clearing House.

It is the responsibility of the FCM to ensure that they have sufficient cash funds in place with their PPS Bank(s) in order to avoid any intra-day liquidity issues.

2.10 **Declearing and Compression**

Pursuant to FCM Regulation 5(n), an FCM Clearing Member may compress existing FCM SwapClear Contracts in accordance with that FCM Regulation. There are two options available to an FCM Clearing Member that wishes to compress existing FCM SwapClear Contracts:

- (a) An FCM Clearing Member can request that all FCM SwapClear Contracts entered into (i) on behalf of a designated FCM Client, (ii) on behalf of a designated Affiliate or (iii) on such FCM Clearing Member's own behalf be considered for compression by the Clearing House. Such a request shall be reconsidered by the Clearing House automatically each day (and the results notified to the FCM Clearing Member by 19:00 New York City time on each applicable day) until the FCM Clearing Member notifies the Clearing House to discontinue such compression of FCM SwapClear Contracts. FCM Clearing Members should contact the Clearing House's Membership Department to request such a compression of FCM SwapClear Contracts.
- (b) An FCM Clearing Member may notify the Clearing House directly through the SwapClear API, specifying which FCM SwapClear Contracts should be compressed. The FCM Clearing Member will be notified by 19:00 New York City time on the applicable day whether compression has occurred and the Clearing House will not automatically reconsider such compression request on subsequent days regardless of whether compression has occurred.

In order to declear an FCM SwapClear Contract, an FCM Clearing Member must register with an FCM Approved Trade Source System an offsetting FCM SwapClear Contract and shall then follow the process for compression as set out above.

The Clearing House shall process the compression of all FCM SwapClear Contracts as notified to it prior to 18:00 New York City time shortly after 18:00 New York City time and shall notify the applicable FCM Clearing Member by 19:00 New York City time of the result of such compression procedure. A notification received after 18:00 shall be treated as if such notification was submitted on the following day prior to 18:00 New York City time, and as such shall be considered shortly after 18:00 New York City time on such following day and the results notified to the applicable FCM Clearing Member by 19:00 on such following day.

Following the compression process described above and as further set out in FCM Regulation 5(n), the applicable FCM Clearing Member shall promptly notify the Clearing House if it believes that any errors have occurred in the compression process or if its books and records do not reconcile with those of the Clearing House in respect of the compressed FCM SwapClear Contracts as notified to the FCM Clearing Member by the Clearing House.

2.11 **Affiliate Clearing**

Under FCM Regulation 4(c), FCM Clearing Members are permitted to clear for Affiliates through their Proprietary accounts.

2.12 Transfer of FCM Clients

In certain circumstance the Clearing House will transfer FCM SwapClear Contracts from one Carrying FCM Clearing Member to a Receiving FCM Clearing Member on behalf of an FCM Client and pursuant to FCM Regulation 9(b) or 9(c).

Partial Transfers

Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of a portion of such FCM Client's portfolio of FCM Swapclear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Partial Transfer Form (see Appendix 2B), signed on behalf of the relevant FCM Client. Such form shall list all of the FCM SwapClear Contracts that are to be transferred pursuant to this procedure. Following receipt of an FCM Client Partial Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM SwapClear Contracts. All partial transfers shall take place in accordance with the timing and notice requirements set out in Procedure 2.12.4.

In the event that any of the conditions set forth in FCM Regulation 9(c) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM SwapClear Contracts.

Full Transfers

Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of such FCM Client's entire portfolio of FCM SwapClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Full Transfer Form (see Appendix 2C), signed on behalf of the relevant FCM Client. Such form shall confirm that all FCM SwapClear Contracts attributable to the applicable FCM Client shall be transferred pursuant to this procedure. Where a Receiving FCM Clearing Member submits an FCM Client Full Transfer Form, it must confirm whether or not the FCM Client also wishes to transfer the cover held by the Clearing House in respect of the transferring FCM SwapClear Contracts. Following receipt of an FCM Client Full Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM SwapClear Contracts. All full transfers shall take place in accordance with the timing and notice requirements set out in Procedure 2.12.4.

In the event that any of the conditions set forth in FCM Regulation 9(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM SwapClear Contracts or the transfer of Account Assets (when applicable).

Following receipt of a Full Transfer Form, the Carrying FCM Clearing Member shall not be permitted to register additional FCM SwapClear Contracts on behalf of the FCM Client whose FCM SwapClear Contracts are subject to transfer, until such transfer (and the transfer of the related Account Assets, if applicable) is actually effected or is rejected.

Collateral Transfers

Where a Receiving FCM Clearing Member notifies the Clearing House that an FCM Client wishes to transfer cover from a Carrying FCM Clearing Member to a Receiving FCM Clearing Member, the Clearing House shall notify the Carrying FCM Clearing Member of such transfer in accordance with the timetable below.

Following such notification and upon request from the Clearing House, the Carrying FCM Clearing Member shall confirm to the Clearing House (using the Carrying Member Response form at Appendix 2D) which cover is attributable to the transferring FCM Client and the associated FCM SwapClear Contracts. In the event that the Carrying FCM Clearing Member fails to do so in accordance with the timetable below, the Clearing House shall transfer sufficient cash or non-cash cover from the FCM Clearing Member's FCM Omnibus OTC Client Account with LCH (such cover as selected in the Clearing House's sole discretion) to enable the transfer. Following the Clearing House's determination of the cover that is to be transferred, it shall notify the Carrying FCM Clearing Member and the Receiving FCM Clearing Member of the cover that will be transferred in accordance with the timetable below.

In the event that any of the conditions set forth in FCM Regulation 9(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the related cover. In such circumstances, the Clearing House will notify the Receiving FCM Clearing Member that the associated cover will not be transferred and, in order to proceed with the transfer of the associated FCM SwapClear Contracts, the Receiving FCM Clearing Member will have to provide the Clearing House with sufficient cover in respect of the transferring FCM SwapClear Contracts.

In the event that the Clearing House transfers cover pursuant to these FCM Procedures and the FCM Regulations, it will also transfer the aggregate Variation Margin and next day settlement coupons and fees associated with the transferring FCM SwapClear Contracts.

2.13 Proprietary Account Position Transfers

The FCM SwapClear clearing system provides functionality for the transfer of positions from an FCM Clearing Member's Proprietary Account, either in respect of FCM SwapClear Contracts held on an FCM Clearing Member's own behalf or in respect of FCM SwapClear Contracts held on behalf of an Affiliate. In either case, any such transfer may only occur if the Receiving FCM Clearing Member is an Affiliate of the Carrying FCM Clearing Member. An FCM Clearing Member who wishes to effect a position transfer to another FCM Clearing Member should contact the Clearing House Risk Management Department.

Transfers will only be effected once adequate cover has been provided by both parties to the transfer. Transfers of Affiliate positions shall not be permitted to another FCM Clearing Member's Proprietary Account unless such Affiliate is an Affiliate of the FCM Clearing Member receiving the transferred position.

Legal Documentation

The Clearing House will provide standard legal documentation for the transfer of positions. The transfer must be authorised by both parties and by individuals with appropriate signing authority.

Position Transfer Notice Period

The Clearing House will usually require five Business Days notice ahead of an intended transfer.

2.14

Amendment of Trade References

Sometimes FCM Clearing Members wish to change their own trade reference numbers/codes by which they identify trades registered in the FCM SwapClear Service. Subject to any such FCM Clearing Member meeting all the Clearing House's requirements including under these FCM Procedures, the Clearing House will, as part of its service to FCM Clearing Members, amend its records in order to reflect any such change. Such change has no effect whatsoever on the terms of any registered FCM SwapClear Contract or any other obligations of the FCM Clearing Member party to such contract.

Trade Reference Amendment Request Form

The Clearing House requires a completed Trade Amendment Request Form (in the form prescribed by the Clearing House) to be submitted by any FCM Clearing Member wishing to amend a trade reference. The form must be signed by two persons from within the FCM Clearing Member with appropriate signing authority and must set out the required full details of each registered trade in respect of which the FCM Clearing Member wishes to change its trade reference. Evidence of such signing authority may be required by the Clearing House. All parts of the form must be properly and fully completed, including the requested date for trade reference amendment, and, in respect of each trade identified therein, details of the current trade reference and the new trade reference and the Clearing House trade reference number.

The requested date for trade reference amendment must be no earlier than two Business Days ("the Trade Reference Amendment Notice Period") after the date upon which the form is received by the Clearing House. While the Clearing House will do what it reasonably can to meet the requested date for the amendment it is under no obligation to do so. The date for the amendment in the Clearing House's records and FCM SwapClear clearing system is a matter entirely within the discretion of the Clearing House and the FCM Clearing Member will be advised in due course of the date set by the Clearing House.

Multi-trade Amendments

If an FCM Clearing Member requests amendment to several trades it must (in addition to providing the hard copy Trade Reference Amendment Request Form) provide to the Clearing House an electronic text file containing all the relevant details required by the Trade Reference Amendment Request Form. Detail of the required formats of the file can be obtained from SwapClear Operations (Tel: +44 (0) 20 7426 7697). If the file is not submitted in the correct format and containing all the required details, the request for deletion will be rejected by the Clearing House and the FCM Clearing Member will be advised accordingly.

Processing

The Clearing House will usually agree to process any request for amendment of trade reference properly submitted; however the Clearing House will reject any such request if:

- it is not made in accordance with these FCM Procedures;
- any trade reference notified to the Clearing House in the Trade Reference Amendment Request Form does not match the FCM Clearing Member's trade reference which the Clearing House has recorded;
- the Clearing House trade reference number notified in the Trade Reference Amendment Request Form does not refer to a trade registered in the FCM SwapClear clearing system;
- any trade referred to in the Trade Reference Amendment Request Form is not already registered in the FCM SwapClear clearing system or is not recorded by the Clearing House against the BIC code of the FCM Clearing Member requesting the amendment; or
- it would not be practical in all the circumstances or would subject the Clearing House to unacceptable cost if the Clearing House were to make the requested amendments or the Clearing House forms the view that to do so would adversely affect its risk.

Following notification of agreement to make the requested amendments, the Clearing House will use its reasonable endeavours to process the amendments on the anticipated date of amendments; if, for whatever reason the Clearing House is unable to do so, it will notify the FCM Clearing Member and process the amendment as soon as reasonably practicable thereafter.

After close of business of the day of processing, the Clearing House will produce a report setting out details of the time and date that it has amended its records in accordance with the request, details of the old and new FCM Clearing Member trade references and the status of the amendment in respect of each trade set out in the Trade Reference Amendment Request – namely “amended” or “rejected”. All records of the Clearing House and data held in the FCM SwapClear clearing system will then be updated overnight following the close of business on that day.

Legal Documentation

The Clearing House will provide the requesting FCM Clearing Member with legal documentation in Clearing House standard form for that FCM Clearing Member to sign. No trade reference will be amended unless such documentation is completed and signed. The documentation must be signed by a person within the FCM Clearing Member with appropriate signing authority. Evidence of such authority may be required by the Clearing House. No amendment to such documentation will be accepted by the Clearing House.

Notification

Subject to the requesting FCM Clearing Member meeting all the Clearing House's requirements (including completion and submission of all documentation and such other additional requirements as the Clearing House may be set by the Clearing

House in its discretion), the Clearing House will notify the FCM Clearing Member of its agreement to the amendment of its records of the FCM Clearing Member trade reference in respect of the trades identified in the Trade Reference Amendment Request Form, and advise of the anticipated date of amendment ("the anticipated date of amendment").

2.15 **Default Management**

~~In performing its rights and obligations under the Default Management Process Agreement, the Clearing House undertakes that, in any allocation of Allocation Units amongst Currency Participants that are part of the same Group pursuant to clause 4.1.5 and 4.1.3 of the Default Management Process Agreement, the Clearing House shall, if such Group consists of one or more FCM Clearing Members and one or more SwapClear Clearing Members and one or more of such SwapClear Clearing Members is/are a US FDIC-insured bank, the Clearing House will make such allocations in accordance with the instructions of the Bank(s) provided that such instructions are received in a timely manner. In the event that the Bank(s) does not provide the Clearing House with instructions in a timely manner, the Clearing House will make the allocations pro-rata between the members of the Group in accordance with the market risk associated with those members' open positions at the time of the clearing member default. A member of the Group shall be responsible solely for the allocations made to it and shall not be responsible or liable for allocations made to any other member of the Group pursuant hereto.~~

Portfolio Splitting:

As part of the ~~Default Management Process~~SwapClear DMP, the Clearing House may divide an Auction portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing house will, in consultation with the ~~Default Management Group~~SwapClear DMG, seek to create:

- (a) one or more individual Sub-portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Sub portfolios from those which are more risk neutral; and
- (b) one or more individual Sub portfolios which are more risk neutral.

Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- (c) cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognised Clearing House or a Derivatives Clearing Organisation;
- (d) cause the Clearing House or its membership any reputational harm;
- (e) cause legal action or proceedings to be taken against the Clearing House;
- (f) endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.

Where the Clearing House receives more than one bid from the same SwapClear Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by a SwapClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.

Affiliate Bidding

SwapClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where a SwapClear Clearing Member makes a bid and that SwapClear Clearing Member has an affiliated SwapClear Clearing Member or FCM Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding SwapClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated SwapClear Clearing Member or affiliated FCM Clearing Member.

A SwapClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where it wishes to do so, the SwapClear Clearing Member should contact the Clearing House's Membership Department [insert details].

Outsourcing

Pursuant to FCM Regulation 3(c)(vi) and 3(c)(vii), an FCM Clearing Member may appoint a third party to fulfil one or both of the the Clearing House's Membership requirements to: (i) participate in a SwapClear "fire drill" run by the Clearing House; and (ii) participate in the ~~Default Management Process~~SwapClear DMP operated by the Clearing House. Where an FCM Clearing Member chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.

The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:

- A SwapClear Clearing Member
- An FCM Clearing Member
- An FCM Client
- any other entity that the Clearing House deems appropriate in its sole discretion.

Where an FCM Clearing Member wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:

1. details of the third party entity that the FCM Clearing Member wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of the applicant's regulatory status;

2. evidence of the existence of a legally binding agreement between the FCM Clearing Member and the third party; and
3. such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.

Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.

Where an FCM Clearing Member successfully appoints an LCH Approved outsourcing Agent, that FCM Clearing Member may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default

FCM Clearing Members should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire-drill than FCM Clearing Members (i.e. required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require an FCM Clearing Member, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire-drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.

The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant FCM Clearing Member shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).

Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.

The appointment of an LCH Approved Outsourcing Agent does not absolve an FCM Clearing Member of its obligations under the ~~Default Management Process~~[SwapClear DMP](#) (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in the ~~Default Management Process~~[SwapClear DMP](#) on behalf of an FCM Clearing Member, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that FCM Clearing Member.

SwapClear DMG

The necessary involvement of FCM Clearing Members and the SwapClear DMG in the SwapClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure that such potential conflicts are demonstrably contained, ~~Schedule 1~~[Appendix 2E](#) establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on FCM Clearing Members (and their executives or directors who participate from time to time in the SwapClear DMG) and on the Clearing House.

Each FCM Clearing Member who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with Schedule [] covering confidentiality, non-disclosure and other terms.

2.16 **Payment of Stamp Tax**

Each FCM Clearing Member shall pay any stamp tax or duty levied or imposed upon it or in respect of its execution or performance of the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM SwapClear Contract) by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction and shall indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the FCM Clearing Membership Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM SwapClear Contract) by any such jurisdiction.

2.17 **Section 168, Finance Act 1994**

[Under section 696 Corporation Tax Act 2009 ("CTA 2009"), net payments in relation to certain derivative contracts (as defined in Section 576 CTA 2009) by any company (company "A") to a non-UK resident are denied UK tax relief unless one or more of the following conditions in section 697 CTA 2009 are met:

Company A is a bank, building society, financial trader or recognised clearing house acting as principal who has entered into the qualifying contract for the purposes of a UK trade.

The non-UK resident holds the qualifying contract (as principal) for the purposes of its UK trade.

A double tax treaty, that makes provision for interest, is in force between the UK and the country of residence of the non-UK resident (or, if different, the country of residence of the beneficial counterparty to the contract).

The Clearing House is considered a "recognised clearing house" as defined in section 285 of FSMA 2000.

Any contract must not be submitted to the Clearing House by FCM Clearing Members for clearing where one or more of the conditions in section 697 CTA 2009 are not satisfied, thereby bringing the contract within section 696 CTA 2009, nor should any FCM Clearing Member knowingly permit any such contract to be submitted by a SwapClear Participant. Should this occur the SwapClear FCM Clearing Member in whose name the contract is to be or has been registered must promptly notify the Clearing House and, in any event, within 30 days of that FCM Clearing Member becoming aware of the situation. Having investigated the circumstances, the Clearing House has an obligation to notify the HM Revenue & Customs of the event and the Clearing House may, in its absolute discretion suspend any Executing [Dealer][Party] submitting such a contract for registration from the Register of Executing [Dealers][Parties]. The Clearing House may also, in its absolute discretion take such action in respect of the SwapClear FCM Clearing Member as it deems fit in accordance with the Regulations. The SwapClear FCM

Clearing Member shall indemnify the Clearing House against any Corporation Tax or any other tax levied or imposed upon the Clearing House in respect of any such contract, and any other costs and expenses incurred by the Clearing House in connection therewith.

If in doubt, FCM Clearing Members should consult their professional advisers as to the potential application of sections 696 and 697 CTA 2009 to their transaction.]

- 2.2 The FCM Clearing Member further agrees that it will not use any Confidential Material for any purpose other than the Permitted Purpose. In this regard the FCM Clearing Member expressly acknowledges and agrees that the Confidential Material may contain commercially sensitive information which if used inappropriately or otherwise than in accordance with this [Agreement Appendix](#) might result in the gaining of an unfair commercial advantage by the FCM Clearing Member over other members of the Clearing House SwapClear Service.

 - 3.1.1 Confidential Material;
 - 3.1.2 the fact that it has received any Confidential Material;
 - 3.1.3 the existence of any discussions or negotiations between the parties in this matter;
 - 3.1.4 details of the Permitted Purpose and any of the proposals, terms, conditions, facts or other matters relating to any of the forgoing. Subject only to the FCM Clearing Member being relieved of such an obligation because of the circumstances covered in paragraphs 2.1.1 and 2.1.2.

6. **No Representations or Warranties; No Conflict of Interest**

- 6.1 Subject to ~~references made in~~ paragraph 7, the Confidential Material is disclosed by the Clearing House without any representation or warranty whatsoever as to its accuracy or completeness or otherwise.
- 6.2 The Clearing House acknowledges and agrees that, subject to compliance with the terms of this ~~Annex Appendix~~ by the FCM Clearing Member and any of its employees or representatives to whom Confidential Material is provided in accordance with this ~~Annex Appendix~~, the FCM Clearing Member's participation in the ~~Default Management Process SwapClear DMP~~ shall not prevent the FCM Clearing Member from carrying out any transaction, or otherwise providing investment services in respect of, investments that the FCM Clearing Member may subsequently learn are the subject of Confidential Material and, furthermore, the Clearing House agrees that it shall not be able to assert that the FCM Clearing Member has a conflict of interest in doing so nor shall the Clearing House have a claim or action in respect of the foregoing against the FCM Clearing Member or any of its directors, employees or other representatives.

done so, provided that the DMG Member is permitted to retain a copy thereof to comply with applicable legal or regulatory requirements.

11. **Warranty and Representation**

These accounts are used to record cash movements between the Clearing House and the FCM Clearing Member. Refer to section 2.5 for a full description of financial accounts.

Transactions posted to the Cover account include but are not limited to:

PPS payments and receipts;

Interest and accommodation charges;

Currency purchases and sales;

Clearing House fees, charges and rebates;

SwapClear coupon payments;

SwapClear coupon adjustments;

Net Present Value (NPV);

Price alignment interest;

Consideration.

Tender Account Postings

Transactions posted to the Tender account include but are not limited to:

PPS payments and receipts;

Coupon Payments relating to member collateral.

Financial Transaction Reporting

Details of postings to these accounts are available to FCM Clearing Members with direct access to the LCH.Clearnet Limited Member Intranet Site. FCM Clearing Members with direct access to the LCH.Clearnet Limited's Member Intranet Site for SwapClear (see section 2.1.3) should use the "Yesterday's Cover Account Postings" report.

3.2 **Protected Payments System (PPS)**

The Clearing House operates a direct debit system, known as the Protected Payments System (PPS), for the transfer of funds to and from FCM Clearing Members. It is operated in both London ("London PPS") and in the United States (where it is known as "US PPS").

London PPS

(a) Introduction

An FCM Clearing Member must open and maintain PPS accounts in GBP and USD and such other currencies in which it incurs settlements on its Client or House accounts.

In addition, FCM Clearing Members must open PPS accounts in London in USD and in all other currencies in which it incurs settlements (see Appendix 3A for a list of the relevant participating PPS banks in London)

Any bank charges connected with the holding of any PPS bank account or related to any activity on that account must be paid by the account holding FCM Clearing Member.

The GBP non-segregated PPS account will, inter alia, be used to process DF contributions.

Where applicable, all PPS accounts that hold FCM Clients' funds and collateral must be segregated in line with the FCM Regulations and CFTC Regulation 1.49.

(b) PPS Mandate

Each FCM Clearing Member is required to complete a standard form London PPS Mandate(s) (see Appendix 3B) for each bank branch at which they wish to operate an account before clearing can commence.

(c) Morning PPS Calls

FCM Clearing Members' liabilities are calculated overnight. Should the amount not be covered by acceptable forms of cover held by the Clearing House (see section 3.3) the difference is called through London PPS with separate calls made for each currency. It is the responsibility of each FCM Clearing Member to ensure that its London PPS bank(s) meets all payment instructions received from the Clearing House. Confirmation of payments, as notified, must be received by the Clearing House from the relevant PPS bank(s) by 09:00 hours or earlier on the day on which the PPS Call is made.

(d) Other PPS Functions

In addition to the morning calls, London PPS is used to:

- (i) remit surplus cash balances to the FCM Clearing Member's PPS bank(s) upon instruction to LCH.Clearnet Limited Treasury Operations between 07:00 and 9:30 hours or by prior arrangement with LCH.Clearnet Limited Treasury Operations;

- (ii) call intra-day cover payments, where the Clearing House must receive confirmation of payment from the PPS bank(s) within one hour of receipt by the relevant bank of the PPS Call. Such PPS calls will usually be made up until 16:00 hours.
- (e) Value Date

FCM Clearing Members should note that the PPS (both in London and in the USA) is a system for facilitating payment to the Clearing House of monies due from FCM Clearing Members to the Clearing House and vice versa. The giving of a commitment by a participating Bank through PPS to make any payment, and the receipt of that commitment by the Clearing House is not to be regarded as satisfaction of any payment due to the Clearing House. Each FCM Clearing Member remains fully responsible for the payment to the Clearing House of all moneys due to the Clearing House as required, inter alia, by the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, clearing extension documentation, these FCM Procedures, the Default Rules and the FCM Regulations. Payment is only completed when the funds have been credited for value to the relevant Clearing House bank account, and any time permitted by the relevant payment settlement system for the recall of any such payment has expired.

- (f) Foreign Bank Holidays

The Clearing House has made arrangements with its London PPS bankers to operate the PPS on all UK banking days including foreign bank holidays.

Confirmation that PPS payments will be made must still be received within the deadlines set out in section 3.2.1.5 and 3.2.1.6. However, the value date for any PPS transactions made on a day which is a bank or public holiday in the country of that currency will be for the next business day on which both the foreign currency centre and the Clearing House are open for business.

Example: 20 August is a public holiday in the USA but not in the UK. 21 August is a normal banking day in the USA.

On the 20 August the Clearing House will issue its normal USD instructions to PPS banks, and receive confirmation in response to the PPS Call, for value 21 August.

UK Bank Holidays

The Clearing House does not give value to any payment on a UK bank holiday, if the Clearing House is closed for business on that bank holiday. PPS Calls will be made on the next following business day.

However, the Clearing House may sometimes be open for business on a UK bank holiday – in such circumstances PPS Calls will be made as normal that day. Value will be given the same day providing that US banks are open for business that day too.

- (g) Secured Debit Cash Balances

FCM Clearing Members may, at the discretion of the Clearing House, secure debit cash balances up to defined limits with collateral or cash in another

currency. Once the cash balance exceeds any such limit, the London PPS automatically issues an instruction demanding payment of the full amount in that currency.

For current debit cash limits, refer to LCH.Clearnet Limited circulars or contact LCH.Clearnet Limited Treasury Operations.

LCH.Clearnet Limited reserves the right to alter the levels set and/or to demand immediate payment of the total sum due or any part thereof.

US PPS

Each FCM Clearing Member is required to maintain a US dollar PPS account for its House and Client account with at least one of the US PPS Banks – a list of the participating branches appears at Appendix 3C.

Where applicable, all PPS accounts must be segregated in line with the FCM Regulations, CFTC Regulations 1.20 and 1.49 and Part 22 of the CFTC Regulations.

This requirement is supplemental to and additional to the requirement that each FCM Clearing Member must hold relevant PPS accounts in London, which must also segregate FCM Clients' funds and collateral as required by the FCM Regulations and CFTC Regulation 1.49.

(h) **US PPS Mandates**

An FCM Clearing Member is required to complete a standard form US PPS mandate (see Appendix 3D). The original of the US PPS mandate must be signed by a person with the appropriate authority within the FCM Clearing Member institution and then forwarded to the relevant bank. A copy must also be forwarded at the same time to the Clearing House.

(i) **Intra-Day Margin Call**

The intra-day margin call by the Clearing House is for intra-day cover payments.

Normally the Clearing House will call intra-day margin through London PPS accounts. However where the Clearing House wishes to make such an intra-day call after London PPS closes (16:00 London time), such a call will be made upon the FCM Clearing Member's nominated US PPS account.

The Clearing House has the ability to call US dollars in respect of an intra-day margin call up until 16:00 hours New York Time (21:00 hours London Time).

Funds will be called through US PPS until 16:00 hours NY Time (21:00 hours London Time)

(j) **Confirmations**

The Clearing House must receive confirmation of payment from the FCM Clearing Member's nominated US PPS bank within one hour of receipt of the US PPS Call by the relevant US bank branch.

(k) **Use of London PPS and US PPS**

These FCM Procedures indicate which part of the PPS system will be used in the normal course of events for making PPS Calls. Generally London PPS will be used for Morning PPS Calls (including contributions to the Default Fund), remitting surplus cash balances to an FCM Clearing Member, and for making intra-day margin calls up to 16:00 hours London time. However FCM Clearing Members should be aware that the Clearing House reserves the right to direct a Morning PPS Call or intra-day margin calls before 16:00 hours London time to an FCM Clearing Member's US PPS account in exceptional circumstances ("Exceptional PPS Call"). The Clearing House will use all reasonable commercial endeavours to notify the FCM Clearing Member in advance of issuing any such Exceptional PPS Call.

3.3 **Acceptable Forms Of Cover**

The Clearing House accepts certain types of securities and cash in the Clearing House's prescribed form against liabilities

The Clearing House may vary, at its discretion, the standard requirements and valuation procedures set out in this section, either generally or in a particular case, without giving prior written notice to FCM Clearing Members. Further, the Clearing House may vary the types of cover acceptable to it, including but not limited to cash, performance bonds or securities.

To view our acceptable collateral list, go to: http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp.

Cash

In order not to fall within the scope of deposit-taking regulations applying to banks and similar institutions, the Clearing House can accept cash from FCM Clearing Members only in relation to current or anticipated obligations.

FCM Clearing Members must give LCH.Clearnet Limited Treasury Operations no less than two (2) Business Days notice of their intention to request withdrawal of cash used as cover for margin and its replacement by the lodgement of collateral. In the event that an FCM Clearing Member seeks to withdraw such cash cover without giving such notice, the Clearing House will decline to release such cash cover until the end of the required notice period.

Securities

Please refer to the following pages on our website for both prevailing haircuts and notes on collateral acceptable for margin purposes

http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

Securities Value Notification

FCM Clearing Members may obtain details on the value of securities credited to their account on a daily basis. FCM Clearing Members with direct access to the LCH.Clearnet Limited Member Intranet site should use the "Collateral by Member" report.

3.4 Distribution Of Cover

Overview

As different types of cover attract different utilisation fees and different contracts are assessed for VAT in different ways (see section 3.5.4), the Clearing House identifies the cover applied to liabilities in order to allow utilisation fees and VAT to be calculated correctly.

This is done by establishing a specified order for both types of liabilities and types of cover and applying cover sequentially, such that cover type 1 is applied first to liability type 1, cover type 2 to liability type 1 if there is a deficiency when cover type 1 has been exhausted and so on.

The following procedures are not in any way intended to restrict, vary, or alter the Clearing House's rights to apply cover held (including any described in LCH.Clearnet Limited reports/records as "unutilised" or "excess") to meet the FCM Clearing Member's liabilities/obligations to LCH.Clearnet Limited.

Liability Order

Note: The following provision applies solely for the purpose of calculating fees. In case of default by an FCM Clearing Member, please see section 3.4.4 below.

Liabilities will be covered in the order:

- (a) Secured debit cash balances (see section 3.2.1.10);
- (b) Variation and initial margin including offset of contingent credits.

Cover Application

Note: The following provision applies solely for the purpose of calculating fees. In case of default by an FCM Clearing Member, please see section 3.4.7 below.

Cash will be applied before to each liability.

FCM Clearing Members may choose to have cash applied before securities:

Order of Priority on Default

Post-default the Clearing House is entitled to realise and/or apply cover in whatever order it deems appropriate.

3.5 Interest And Accommodation Charge Structure

This Section applies to accounts other than DF accounts.

London Deposit Rate (LDR)

The LDR is the rate at which the Clearing House will normally pay interest on credit cash balances (excluding DF Contributions).

(a) Calculation

LDR is calculated daily for each currency by 10:00 hours. It is derived from bid rates for overnight funds quoted by selected money brokers and/or major banks. For next day value currencies, LDR is calculated the day prior using the tom/next rate.

Rates are available on and on the Clearing House banking system (screen code CBRDS) or by telephone from LCH.Clearnet Limited Treasury Operations.

(b) Alteration

The Clearing House reserves the right to alter the basis of calculating LDR. Any alteration will be effective on the date notified.

Contingency Payment Arrangements

Clearing Members must ensure that they have contingency arrangements to ensure continuity of margin payment in the event of failure of their nominated PPS Bank.

Price Alignment Interest (PAI) Rate

To minimise the impact of daily cash variation margin payments on the pricing of interest rate swaps, the Clearing House will charge interest on cumulative variation margin received by the clearing member and pay interest on cumulative variation margin paid in by the clearing member respect of these instruments. This interest element is known as price alignment interest ("PAI").

The calculation of PAI shall use the interest rates specified as below. The amount of PAI for each currency shall be calculated as:

The amount of NPV in such currency from the previous day's COB multiplied by:

The relevant interest rate in effect for that day; divided by

360 or in the case of AUD, CAD, GBP, HKD, JPY, NZD, PLN, SGD and ZAR, 365

In the case of the currencies marked below with an asterisk, the Clearing House, as provided in Regulation 21(b), specifies that it will not change the PAI rate without the consent of all SwapClear Clearing Members holding open contracts in such currencies.

Note:

1. "Foreign Cash" means cash in a currency other than that of the liability.
2. "Forward Cash" means cash which has been credited to an account for later value, e.g. an amount called via PPS for next-day value.

Payment of Interest and Charges

Interest and accommodation charges (other than PAI) are calculated on a daily basis and the resultant monthly total is posted to FCM Clearing Members' cover accounts at the beginning of the following calendar month. A VAT invoice is issued monthly detailing the interest and accommodation charges applicable for the previous month. Separate invoices are issued for each currency.

VAT is charged, dependent on contract, on accommodation charges and collateral utilisation fees at current rates. On foreign currency amounts VAT is charged in sterling on the converted value of any relevant charges. The sterling cover account shows separate postings for sterling VAT amounts arising from foreign currency charges.

The net invoice value for each currency is posted to the relevant cover account for value on the second working day of the month succeeding the month in which the charges arose.

The invoice provides detail in respect of:

- (c) interest due;
- (d) accommodation charges;
- (e) collateral/performance bonds utilisation fees.

Accommodation charges and collateral utilisation fees are combined and reported as accommodation charges for each appropriate category on the monthly invoice.

3.6 Fees

Details of fees and refunds pending are collated during the month.

An invoice or credit note is produced detailing the fees to be posted to the house cover account.

The invoice/credit note displays the type of fee, contract, currency, fee rate, volume, fee amount, VAT amount, sub totals for each fee class and the overall total posted to the cover account.

Monthly postings are processed via the cover account at the beginning of the following month, on the third working day. Other postings, such as various Market

Maker Scheme rebates, are processed by the Clearing House following receipt of data from the relevant exchange.

3.7 **Default Fund: SwapClear Contributions**

SwapClear Contributions (as defined in the Default Fund Rules) will be called via PPS on the fourth working day of each month or more frequently pursuant to a determination of the SwapClear Contribution under S2(k) of the Default Fund Rules (each a “SwapClear Reset Day”). SwapClear Contribution requirements will be notified to SwapClear Clearing Members at least two working days prior to each SwapClear Reset Day on Member Intranet Report 000032.

Excess SwapClear Contribution amounts due to SwapClear Clearing Members following the adjustment to the SwapClear Contribution will be repaid to SwapClear Clearing Members’ PPS accounts on the SwapClear Reset Day immediately following the adjustment to the SwapClear Contribution.

Interest on SwapClear Contributions will be paid to SwapClear Clearing Members’ PPS accounts on the first working day after the SwapClear Reset Day following the end of the relevant “interest accrual period”. Interest is calculated in respect of each “interest accrual period”, which commences on (and includes) a SwapClear Reset Day and ends on (and includes) the calendar day immediately before the next SwapClear Reset Day.

3.8 **Quantifying SwapClear Contributions**

For the purposes of calculating the SwapClear Margin Weight under Rule S2(c) of the SwapClear Default Fund Supplement, the average daily requirement for initial margin applied to an FCM Clearing Member shall be determined by reference to the FCM SwapClear Contracts comprising the SwapClear House Business of that FCM Clearing Member only. Nothing in the foregoing sentence shall prevent the Clearing House from introducing changes to the methodology used for calculating the SwapClear Margin Weight and, in particular, with effect from 28 September 2012, the average daily requirement for initial margin applied to an FCM Clearing Member for the purposes of such calculation shall be determined by reference to the FCM SwapClear Contracts comprising both the SwapClear House Business and the SwapClear Clearing Client Business of that FCM Clearing Member.

COLLATERAL

4. COLLATERAL

4.1 General Information

Non-Cash Collateral

FCM Clearing Members wishing may lodge securities with the Clearing House. Securities lodged will be subject to a security interest and held in an account with the Clearing House by the FCM Clearing Member (LCH OTC Client Segregated Depository Account).

Collateral pledged in respect of an FCM Clearing Member will not be applied by the Clearing House to its liabilities on a house account (see FCM Regulation [6(d)]).

FCM Clearing Members are warned that the taking of collateral is a complex legal matter. These FCM Procedures, and any communication with the Clearing House, whether of an oral or written nature, are not to be taken as containing legal advice. An FCM Clearing Member who contemplates taking an interest in securities belonging to a client should seek independent professional advice on the matter.

GENERAL INFORMATION

LCH.Clearnet Security Arrangements

FCM Clearing Members wishing to lodge securities with the Clearing House may do so under the security arrangements set out in the FCM Clearing Membership Agreement and the FCM Regulations.

Collateral pledged in respect of an FCM Clearing Member's Client account will not be applied by the Clearing House to its liabilities on a House account (see FCM Regulation 29(b)).

Unless stated otherwise in the FCM Rulebook, collateral pledged in respect of an FCM Clearing Member's House account may be applied by the FCM Clearing House towards the payment of any sum whatsoever due by the FCM Clearing Member to the Clearing House, save that no collateral charged in respect of an FCM Clearing Member's Client accounts shall be applied on or towards payment or satisfaction of any of the FCM Clearing Member's liabilities to the Clearing House on any of the FCM Clearing Member's House accounts.

As set out in FCM Regulation 10(c), where an FCM Clearing Member wishes to pass an FCM Client's collateral to the Clearing House, the FCM Clearing Member must, inter alia, ensure that at all times it remains expressly agreed with the FCM Client that the FCM Clearing Member may pledge the collateral to the Clearing House, on the Clearing House's terms and free of the FCM Client's interest to secure the FCM Clearing Member's obligations to the Clearing House. The Clearing House gives no undertaking that, on the default of an FCM Clearing Member, it will not utilise FCM Clients' collateral which has been passed to it by an FCM Clearing Member, before utilising any other form of cover the Clearing House may hold.

General Information

The Clearing House is, at its sole discretion, entitled to determine what will be acceptable to it as collateral and to determine when a security will cease to be acceptable as collateral.

If any instrument or security, lodged in accordance with any of the following procedures, is in any way found to be unacceptable, it will immediately be given a zero value in the FCM Clearing Member's cover account with the Clearing House. Replacement cover may be required immediately from the FCM Clearing Member.

The Clearing House accepts faxed copies of Collateral Lodgement Forms and Collateral Release Forms. These will be valid for a period of fourteen days, by which time original copies must have been received. If original copies are not received by the Clearing House within fourteen days cover value will not be given on the FCM Clearing Member's account and the collateral may be returned.

The Clearing House will only accept delivery of securities in accordance with these FCM Procedures, and will not sell, purchase or encash securities for FCM Clearing Members, except in so far as it is acting under its Default Rules and related FCM Regulations and the UK General Regulations.

Subject to the FCM Regulations in the event that the Clearing House at any time determines that it is holding excess collateral (as defined below) from an FCM Clearing Member, the Clearing House may notify that FCM Clearing Member of the intention to levy a charge in respect of excess collateral with effect from such date as is notified to the FCM Clearing Member. In the event that the FCM Clearing Member does not remove excess collateral before the date so notified, the Clearing House may, in its discretion, charge the FCM Clearing Member at the rate of 1 basis point until excess collateral is removed by the FCM Clearing Member through use of a Collateral Release Form. Payment of this charge shall be collected on a monthly basis through that FCM Clearing Member's appropriate PPS account.

For the purposes of this section, "excess collateral" means that collateral identified by the Clearing House as being collateral over and above that which is required by the Clearing House in order to cover the obligations to the Clearing House of that FCM Clearing Member. The Clearing House shall have absolute discretion to decide whether and to what extent it is holding excess collateral at any time.

Communications

The Clearing House is entitled to act upon documentation instructions or communications appearing to have been issued by, or have come from, an FCM Clearing Member. These will be accepted by the Clearing House as genuine, even if, for example, they are later found:

- (a) to be inaccurate, whether in whole or in part; or
- (b) not to have been given by the FCM Clearing Member or an FCM Client or with the authority of the FCM Clearing Member or FCM Client.

Lodgement of Collateral as Replacement for Cash Cover for Margin

FCM Clearing Members should note that they must give Treasury Operations no less than two (2) Business Days notice of their intention to lodge collateral with a value of £50 million sterling or more, and which is reasonably likely to have the effect that cash to a similar value is repayable by the Clearing House to that FCM Clearing

Member as a result of such lodgement. In the event that an FCM Clearing Member seeks to withdraw such cash cover without giving such notice, the Clearing House will decline to release such cash cover until the end of the required notice period.

Force Majeure

The Clearing House will not be liable for any failure, hindrance or delay in the performance (in whole or in part) of any of its obligations to FCM Clearing Members with regard to instruments or securities accepted as collateral where such failure, hindrance or delay arises from causes beyond the control of the Clearing House, such as but not limited to the failure whether partial or total, interruption or suspension of any depository or custodian or other service ("depository") that the Clearing House is using, the termination or suspension of the Clearing House's membership or use of the depository or any variation of the depository's operational timetable, whether or not occasioned by action of the depository operator or other party, or any embargo, unavailability or restriction of bank transfer systems or wires, malfunction or overload of the depository or other emergency. This provision is without prejudice to the force majeure provisions of FCM Clearing Members' agreements with the Clearing House.

Regulatory and Supervisory Information

In every case, the Clearing House will be entitled to supply a securities depository with all the information it requires for any purposes relating to an FCM Clearing Member, or to securities received by the Clearing House from an FCM Clearing Member which are or may at any time have been held by the depository. Securities will be lodged and held within such depository or other systems as the Clearing House may select or allow, subject to the conditions of such systems and to any applicable law and subordinate rules relating thereto as well as to the terms of the FCM Rulebook and these FCM Procedures.

Interest Payments

The Clearing House will remit interest amounts, taking into account any withheld tax, to FCM Clearing Members' PPS banks on the appropriate value date. These are processed using "Tender" sub-accounts designated "I" for house or "L" for segregated client.

Withholding Taxes

US income tax laws impose a withholding tax on payments of US source interest, including original issue discount, to a foreign person unless an exemption or reduced rate applies. Interest is US source income, if the debtor is a US corporation. Interest on debt obligations issued after July 18 1984 is generally exempt from US withholding tax. In addition, a foreign person who is a resident of a country with which the US has an income tax treaty may be entitled to a reduced withholding tax rate or an exemption from the US withholding tax.

In order to reduce or eliminate US withholding tax, the correct tax documentation must have been provided in respect of each owner. To this end, FCM Clearing Members will be expected to provide one of the forms (noted below) to the Clearing House. A current form will be required for each FCM Clearing Member.

The relevant forms will normally be one of:

- (a) 'W-9 (Request for Taxpayer Identification Number and Certification)'. Applies to a US corporation including a foreign branch of a US corporation ; or
- (b) 'W-8BEN (Certificate of Foreign Status)'.

Applies to non-resident alien individuals, foreign corporations, partnerships and estates.

FCM Clearing Members may obtain originals of forms W-8BEN and W-9 from Treasury Operations.

Note: The Clearing House's arrangements with the Custodians only allow for securities holdings of US corporations or foreign (i.e. non-US) entities or individuals. FCM Clearing Members who wish to discuss the possibility of lodging securities belonging to owners excluded from this arrangement should contact Treasury Operations.

Unless the Clearing House has already received the appropriate tax form, lodgements into A/c numbers 735136, 735138, 206203 and 090401 must be accompanied by form W-9.

Unless the Clearing House has already received the appropriate tax form, lodgements into A/c numbers 735137, 735139, 207887 and 090372 must be accompanied by form W-8.

The Clearing House's acceptance of US securities does not indicate any responsibility for the adequacy or otherwise of tax documentation. Any queries in relation to these tax forms should be referred to your company accountant or professional advisers.

Completed tax forms should be returned to Treasury Operations for onward transmission to the Custodians.

Custodians offer a recovery service for overseas taxes on Government Bonds. The Clearing House will assist in the recovery process and remit to Clearing Members any recovery in withholding tax credited to the Clearing House's account by the Custodian.

In certain cases the Custodian/the Clearing House will withhold tax on a coupon if the correct documentation is not lodged with either the custodian/the Clearing House at the time when a coupon is due.

Italian Securities

The accounts are operated by the Clearing House in accordance with the Custodians Procedures to Obtain Exemption from Italian Withholding Tax on Italian Domestic Debt Securities".

Beneficial owners are entitled to exemption at source from Italian Withholding Tax on Italian securities if they are:

- (c) a supranational organisation recognised by Italian Law.

Beneficial owners are required to supply duly completed and executed official forms as proof of eligibility to exemption, and where applicable supply additional documentation, before a delivery can be made.

Official forms are available on request from Treasury Operations Department.

Original forms are to be received by the Clearing House before Italian securities can be accepted within our accounts.

The effective date depends on the type and terms of the security:

- Coupon Debt securities (BTPs, CCTs and CTOs)

The new regime applies to the interest on these securities that starts to run on or after 1 January 1997, regardless of the issue date.

- Zero coupon debt securities with a maturity of less than one year (BOTs)

The regime applies to all securities issued on or after 1 January 1997.

BUSINESS Continuity

5. BUSINESS RECOVERY

5.1 Recovery Situations

The FCM Procedures set out in this section are intended to provide FCM Clearing Members with a guide to the changes in working practices which would follow the invocation of the Clearing House's Business Continuity Plans.

Due to the uncertain nature of the events which would lead to the need for Business Recovery the Clearing House reserves the right to depart from these FCM Procedures to meet the characteristics of specific business recovery situations.

These FCM Procedures provide for the evacuation or decommissioning of Aldgate House. The procedures detail the alterations to the Clearing House's operations and also the action to be taken on invocation of the Business Continuity Plans.

5.2 Recovery Situations Affecting Members' Offices

During Office Hours

FCM Clearing Members that are unable to gain access to their principal office accommodation and as a result require the Clearing House assistance should contact the Help Desk on +44 (0)20 7426 7200.

Outside Office Hours

FCM Clearing Members should telephone the Clearing House on +44 (0)20 7426 7545, leaving the following information:

Name:

Company Name:

Contact Telephone Number:

Brief Details of the Nature of the Problem:

A member of the Clearing House operational staff will then make contact regarding any assistance that can be given.

5.3 Aldgate House Evacuation

Communicating with FCM Clearing Members

Should the Clearing House be forced to evacuate Aldgate House it will need to inform its FCM Clearing Members as soon as practicable. The following sections detail a number of different messages that the Clearing House may wish to communicate. However, in all cases the means by which information will be disseminated is the same. Information will be communicated to FCM Clearing Members by the following methods:

- (a) facsimile transmissions to FCM Clearing Members designated fax machines;
- (b) posting messages on www.lchclearnet.com;

- (c) posting messages on the following toll free number 0044 800 1 69 69 09.

Some of the above communications methods can only be used to disseminate very short messages. However the toll free number is capable of recording a message of up to ten minutes duration, and handling unlimited concurrent connections. It is therefore likely to be the main method used for providing FCM Clearing Members with progress reports following an initial broadcast message.

Evacuation of Aldgate House

If it is necessary for the Clearing House to evacuate Aldgate House, and if re-entry to the building is unlikely within thirty minutes, FCM Clearing Members will be informed by disseminating the following message using the methods described in section 5.3.1 above.

"The Clearing House has been forced to evacuate Aldgate House. Please refer to Clearing House Procedures - Business Continuity Arrangements for further information."

At this time all of the activities normally carried out at Aldgate House will have ceased, if only temporarily. FCM Clearing Members will be kept informed of developments as further details become available.

Please note that the reason for broadcasting the above message is to provide FCM Clearing Members with early notification of an evacuation of Aldgate House. At this stage no decision will have been taken to invoke Business Continuity Plans. See section 5.3.3 below for advice on how FCM Clearing Members will be notified of an invocation of the recovery plan.

Invoking of Business Continuity Plans

The Clearing House is contracted with a specialist provider for dedicated and syndicated work area recovery facilities. The agreement between the Clearing House and the provider stipulates that dedicated work area recovery positions will be available immediately. Syndicated recovery positions will be available within four hours of invocation.

Depending on the severity of an incident a full or partial invocation of the service may be required.

Limited Invocation

If the Clearing House's assessment of the incident suggests that reoccupation of Aldgate House will be possible within two hours, then it is likely that only the mission critical activities (MCA) will be recovered to the recovery site. All other activities will cease until Aldgate House becomes available.

The following message will be posted:

"The Clearing House has invoked business continuity plans for its MCA's. Please refer to the Clearing House's Procedures - Business Continuity Arrangements for further information."

Full Invocation

Once a decision has been taken to proceed with full invocation of business continuity plans FCM Clearing Members will be informed at the earliest opportunity. This will be achieved by disseminating the following message using the methods described in section 5.3.1 above.

"The Clearing House has invoked all business continuity plans. Please refer to the Clearing House's Procedures - Business Continuity Arrangements for further information."

It is anticipated that a period of approximately two hours will elapse between the invocation of full business continuity plans and relocation of recovery teams. During this time most of the activities normally carried out at Aldgate House will cease.

Please note that the Clearing House's primary data centre is not located at Aldgate House and so an evacuation of the site will not affect FCM Clearing Members' ability to access IT applications.

Cover Calling

In order to simplify the Treasury process, it is likely that a number of routine Treasury Procedures may be amended or suspended. These may include but are not limited to:

- (a) the acceptance/release of securities and guarantees;
- (b) the conversion of currencies;
- (c) the ability to cover liabilities in currencies other than their original currency.

Registration of Contracts

The Clearing House reserves the right, at its discretion, to amend the timing of registration as it deems necessary. In the event that registration is to be delayed the Clearing House will notify FCM Clearing Members as soon as practically possible.

New Address for Document Delivery

Following invocation of the business continuity plans the Clearing House will provide new address details for document delivery. Will arrange to have its mail forwarded to its office recovery site.

Permanent Change of Address

If an incident is so serious that the Clearing House is unable to reoccupy Aldgate House, FCM Clearing Members will be informed of the proposed new office location and contact numbers prior to occupation of the premises. This information will be communicated via the methods described in section 5.3.1.

FCM Clearing Members will be informed of the date when the new arrangements will take effect.

Return to Normal

When the Clearing House is able to resume a normal service a message will be disseminated using the methods described in section 5.3.1 above. Assuming that it has been possible to return to Aldgate House the following message will be broadcast.

"The Clearing House has returned to Aldgate House. Please revert to normal contact telephone numbers and procedures."

If normal working is being resumed at a site other than Aldgate House FCM Clearing Members will already have been informed of the new office location and contact numbers see section 5.3.10 above. The following message will be broadcast.

"The Clearing House is resuming normal service at <insert location name>. Please use the new contact numbers previously supplied."

5.4 Clearing House Data Centre

Failure of LCH's Data Centre

If the Clearing House's primary data centre fails during business hours, those Clearing House IT systems that are used by FCM Clearing Members will be temporarily unavailable while processing is transferred to the secondary data centre.

APPEAL PROCEDURES

6. APPEAL PROCEDURES

6.1 Introduction

These FCM Procedures describe how an FCM Clearing Member may appeal against a decision of the Clearing House (that is, LCH.Clearnet Limited).

It should be noted that no appeal may be lodged to the Clearing House in respect of any decision of any other member company of the LCH.Clearnet Group (including LCH.Clearnet SA).

6.2 Decisions In Respect Of Which An Appeal May Be Lodged

A Member may appeal against any of the following decisions made by the Clearing House:

- (a) a decision by the Clearing House to rescind that Member's eligibility to have contracts of a certain category registered in its name;
- (b) a decision by the Clearing House to terminate that Member's FCM Clearing Membership Agreement other than when such decision occurs in connection with the operation by the Clearing House of its Default Rules and Procedures.

An undertaking which is not an FCM Clearing Member may appeal to an Appeal Committee against the decision made by the Clearing House declining to grant FCM Clearing Member status to that person.

From time to time the Clearing House may amend the lists in this section 6.2 of decisions in respect of which appeals may be lodged.

6.3 Initiating An Appeal

An appeal to an Appeal Committee under this Section 6 shall be commenced by sending a copy of the APPEAL FORM in the form set out in Appendix 6A of these FCM Procedures to the Company Secretary of LCH.Clearnet Limited ("the Company Secretary") at the registered office of the Clearing House.

The APPEAL FORM must be fully completed in all material respects by the person lodging the appeal ("the appellant").

The appellant must enclose with its APPEAL FORM payment of £500 which payment shall be returned if the appeal is subsequently upheld by the Appeal Committee or by the Appeal Tribunal.

An appeal may only be commenced under these FCM Procedures within 28 days of the date upon which the decision to which it relates was notified to the appellant. The Chief Executive of the Clearing House has a discretion to waive this time limit if the appellant provides a satisfactory explanation for the delay and no prejudice would be caused to any person by proceeding with the appeal in the circumstances.

The Company Secretary shall acknowledge receipt of the APPEAL FORM no later than 7 days after receipt.

The Company Secretary may request further information or clarification relating to the subject matter or grounds of the appeal.

6.4 The First Tier Appeal

No later than 28 days from receipt of any APPEAL FORM the Company Secretary shall:

- (a) refer the appeal to an Appeal Committee comprising:
 - (i) the Chief Executive of LCH.Clearnet Limited or the Deputy Chief Executive; and
 - (ii) two directors of the Clearing House with relevant market experience, nominated by the Chairman of the Clearing House; and
- (b) notify the appellant in writing of the identity of the persons constituting the Appeal Committee; and
- (c) provide to the appellant copies of such documents and written representations as the Clearing House intends to place before the Appeal Committee for its consideration.

Following notification to the appellant in accordance with 6.4.1 above, the appellant shall then have a period of 14 days to submit to the Appeal Committee such written representations and other documentation for the consideration of the Appeal Committee. All representations and documentation shall be submitted in sufficient copies so that each member of the Appeal Committee shall have a copy each.

The Appeal Committee shall decide upon its own procedure for considering and determining the appeal which will normally be done without an oral hearing but on the basis of the written representations and documents submitted by the appellant and such other information and documentation as the Appeal Committee considers appropriate.

The Appeal Committee may request further or other documentation and information from the appellant.

No later than 21 days from the date upon which the appellant is notified of the composition of the Appeal Committee, or 21 days from the receipt by the Appeal Committee of any further or other documentation or pursuant to 6.4.4 above, whichever is the later, the Appeal Committee shall consider and determine the appeal before it.

An Appeal Committee constituted pursuant to this paragraph 6.4 shall promptly, and in any event, no later than 7 days after coming to its determination, give notice of its determination to an appellant in writing together with its reasons.

6.5 The Second Tier Appeal

If an appellant, having received notice of a determination of an appeal pursuant to paragraph 6.4.6 above, is not satisfied by such determination, it may appeal lodge a second tier appeal to an Appeal Tribunal.

A second tier appeal may be commenced under this paragraph 6.5 by the submission of a NOTICE OF FURTHER APPEAL in the form set out in Appendix 6B hereto to the Company Secretary at its registered office, setting out the reasons for the appeal. Such NOTICE OF FURTHER APPEAL must be received by the Company Secretary no later than 14 days from the date upon which the notice of determination of the Appeal Committee was given to the appellant.

An appeal under this paragraph 6.5 shall be heard by an Appeal Tribunal within 3 months of the Notice of Appeal being received by the Company Secretary, or such longer time as the Chairman of the Appeal Tribunal shall determine in order to provide a full and fair determination of the appeal.

An Appeal Tribunal constituted under this paragraph 6.5 shall consist of 2 persons ("Tribunal Members"), with relevant knowledge and experience in the industry of matters in issue in the appeal, and a legally qualified Chairman. The appellant and the Clearing House may each select a Tribunal Member from a list of no less than 4 persons appropriately qualified persons nominated by The Centre for Dispute Resolution (CEDR), London, and the Chairman shall be nominated by CEDR. In the event that either the Clearing House or an appellant fails to nominate such a Tribunal Member before a date 2 weeks prior to the date fixed by the Chairman for the hearing of the appeal, then the Chairman shall nominate such Tribunal Member from the list referred to above. No person who served on the Appeal Committee which considered the appellant's first tier appeal shall be eligible to serve upon an Appeal Tribunal constituted in respect of that appellant's second tier appeal.

The Chairman of an Appeal Tribunal shall fix a date for the hearing of the appeal and shall give no less than 28 days notice in writing to the appellant and the Company Secretary of the time and place in London where such appeal shall be heard.

The appellant shall provide the Appeal Tribunal, with a copy to the Company Secretary, no less than 14 days before the date fixed for the hearing of the appeal, with written submissions setting out such representations as it wishes to put forward in support of its appeal, together with copies of all documentation and other material upon which it wishes to rely.

The Clearing House will submit written submissions, documentation and information with regard to the matters and issues relevant to the decision which is the subject of the appeal and provide a copy thereof to the appellant.

An Appeal Tribunal may invite any person (including the Clearing House) to provide written information or written opinion with regard to any matter which forms the subject matter of an appeal.

An Appeal Tribunal shall determine its own procedure for the hearing of an appeal and shall not be bound by the rules of evidence. It may adjourn a hearing to another date or dates if it so wishes. If prior to or at such hearing an appellant notifies the Appeal Tribunal that it wishes to make oral submissions an opportunity shall be given to the appellant to do so. A representative of the appellant (and the appellant himself, if the appellant is an individual) and a representative of the Clearing House may attend the hearing and the Appeal Tribunal may in its discretion invite further or other persons to attend the hearing.

At the hearing an appellant may conduct its case itself through an employee, officer or other agent, or be represented by legal counsel PROVIDED that if in any particular case an Appeal Tribunal is satisfied that there is good and sufficient

reasons for doing so, it may refuse to permit a particular individual to represent an appellant at the hearing.

Neither the Clearing House nor an appellant shall have the right to call any witness or cross examine any person who shall have provided any information to an Appeal Tribunal, PROVIDED that an Appeal Tribunal may permit any such cross examination on such terms as it may determine, if it decides that it is appropriate in the particular circumstances of that appeal so to do.

An Appeal Tribunal may have regard to such further or other documents and information and matters as it considers fair and reasonable in the circumstances.

Where in this paragraph 6.5 any time is giving for the doing of anything, the Chairman of the Tribunal shall have a discretion to extend such time if he determines that it is fair and reasonable in the circumstances so to do.

In considering an appeal, an Appeal Tribunal shall act fairly and impartially and shall take into consideration, inter alia, the following:

- (a) the FCM Regulations, other specific Regulations, Default Rules and Procedures of the Clearing House; and
- (b) the Notice of Further Appeal; and
- (c) all documentation and information placed before it by an appellant or by the Clearing House; and
- (d) the role and concomitant obligations of the Clearing House ("LCH.Clearnet Limited") as a recognised clearing house under the Financial Services and Markets Act 2000.

An Appeal Tribunal may in its absolute discretion decline to entertain an appeal and shall dismiss such appeal where it considers the appeal to be frivolous or vexatious.

An appellant shall pay its own costs and expenses in relation to an appeal. The Clearing House shall meet its own costs, those of the Tribunal Members and those related to the hearing other than costs and expenses incurred by the appellant.

An Appeal Tribunal shall determine an appeal by majority vote although the voting of an Appeal Tribunal shall remain confidential and the result shall be presented as a unanimous view by that Appeal Tribunal. An Appeal Tribunal may:

- (a) dismiss the appeal; or
- (b) uphold the appeal.

An Appeal Tribunal shall deliver a written statement of its decision together its reasons to an appellant and the Clearing House within 28 days of the date of the hearing. Except in so far as an Appeal Tribunal may direct, information about proceedings before the Appeal Tribunal and the names of persons concerned in the proceedings shall not be made public.

In the event that an Appeal Tribunal determines to uphold the appeal then the Clearing House shall within 28 days of the receipt of the written decision, re-view and re-consider the decision upon which the appeal was based in the light of the

conclusions of the Appeal Tribunal. The Clearing House agrees to be guided in reviewing its decision by the conclusions of the Appeal Tribunal.

6.6 Requests For Review

A Member who is aggrieved by any action taken by the Clearing House or decision of the Clearing House (other than any decision set out in 6.2 above or any decision taken under Regulation 13 in or under or in connection with the Clearing House's powers under the Default Rules and Procedures) may, no later than 14 days after the date of the decision or action, request a review of such action or decision by the Chief Executive of the Clearing House.

A Request for Review under this 6.6 shall be made in writing, addressed to the Chief Executive of the Clearing House at the registered office and shall set out details of the relevant decision or action, the reasons why the Member is aggrieved and details of such reasonable remedial or other action or monetary payment as that Member requests to be carried out in the circumstances.

The Chief Executive shall consider the Member's Request for Review and such further or other documents and information as he considers reasonably relevant and shall notify the Member in writing of the outcome of his review within a period of 28 days from receipt by him of the Request for Review. Where it is not possible to complete such review within such period of 28 days, the Chief Executive shall notify the Member accordingly and nominate a further period for the review, such period not to be longer than 3 months from the date of such notification to the Member.

6.7 Market Disorders etc and Default

For the avoidance of doubt, the Clearing House shall be under no obligation to consider any Request for Review under 6.6 above or otherwise, or comply with the provisions of this Section 6, and no appeal or Request for Review may be lodged under this Section 11 or otherwise, in respect of any decision or action taken by the Clearing House under the provisions of Regulation 13 or in respect of any decision, action or other matter arising out of or connected to the operation of the Default Rules and Default Procedures and the Clearing House's powers thereunder.

 5. Upon receipt of a written complaint pursuant to these FCM Procedures, the Company Secretary shall acknowledge in writing to the address shown in the letter of complaint, receipt of the complaint. Such acknowledgment shall be made within 14 days of receipt of the letter of complaint. After receipt of a complaint in accordance with the procedure set out in this section, the Clearing House shall conduct an internal investigation and review of such complaint in accordance with the procedures set out in section 7.3 below.

7.3 Internal Investigation And Review By The Clearing House

No later than 14 days from receipt of a complaint of the type referred to in section 7.1.1 or 7.1.2 above, the Company Secretary shall refer the complaint, together with any supporting material provided by the Complainant, to an Investigation Committee.

An Investigation Committee shall consist of any 3 of the following persons:

The report shall contain reasons for the committee's decision.

The costs of the internal investigation and review shall be borne by LCH.

Where the Company Secretary receives a written complaint which is not a complaint regarding the conduct, behaviour or other actions of an FCM Clearing Member in respect of its clearing activities with the Clearing House or is not a complaint arising in connection with the performance of, or failure to perform, any of the Clearing House's regulatory functions but is nevertheless a complaint regarding an FCM Clearing Member or regarding the conduct, behaviour or actions of an officer or employee or other staff member of the Clearing House, then such complaint shall be referred to the Chief Executive of LCH.Clearnet Limited to be dealt with in accordance with the REQUESTS FOR REVIEW procedure set out in Section 6.6 (Appeals Procedures) of these FCM Procedures.

A request for referral to an Independent Investigator shall be made in writing to the Company Secretary and shall be made no later than 2 weeks following notification to the Complainant of the report of the Investigation Committee or 16 weeks from the submission of the original complaint to the Clearing House in accordance with section 7.2.

Within 14 days of receipt of a written request, in accordance with section 7.4.2 above, the Company Secretary shall refer the complaint to an Independent Investigator.

An Independent Investigator shall be nominated for this purpose by The Centre for Dispute Resolution (CEDR), London. Such investigator shall be a person:

- (b) with appropriate knowledge of how clearing is carried out by the Clearing House and of the Regulations (including the Procedures), and other relevant documentation, regulation and applicable law;
- (c) with appropriate experience of the market activities in respect of which the complaint is focused.

The Clearing House shall be responsible for the payment of the fees and expenses of the Independent Investigator although this shall not give rise to any employment or other relationship between the Independent Investigator and the Clearing House, and shall not give rise to any duty between the Independent Investigator and the Clearing House other than that the Independent Investigator shall act as an independent complaints investigator in accordance with the terms of these FCM Procedures.

In the event, that for reasons beyond the reasonable control of the Clearing House, referral to an Independent Investigator is not made within the 2 week day period referred to in 7.4.3 above, then the Company Secretary shall notify the complainant in writing of the reasons for the delay.

Where it is not reasonably possible so to do on account of the nature or complexity of the matter referred to him or other good reason, then he shall notify the Complainant and the Clearing House in writing of this fact and provide a further date for the completion of the investigation.

The Independent Investigator shall, at the end of his investigation produce a written report setting out his findings, conclusions, and reasons for his conclusions. Such report shall be provided both to the Complainant and to the Clearing House but it shall not be made public unless the complaint is upheld in whole or in part and the Complainant so requests. In the event of such request, the report shall be made public by being published on the LCH.Clearnet Limited public website. Where only part of the complaint is upheld, then only that part of the report relating to that part of the complaint shall be so published.

In his written report the Independent Investigator may:

Any alleged breach by an FCM Clearing Member of an obligation set out in the FCM Rulebook (the “**Alleged Breach**”) may be dealt with in accordance with the provisions of these Disciplinary Procedures.

These Disciplinary Procedures are without prejudice to:

- (a) any action and/or measures that may be taken by the Clearing House based on any other procedure set out in the FCM Rulebook including, without limitation, the right of the Clearing House to issue a Default Notice under the Default Rules;

- (a) **Opening of the Investigation Procedure**

When the Clearing House commences proceedings to investigate an Alleged Breach:

- (i) the Clearing House shall send a written notice to the FCM Clearing Member, setting out details of the Alleged Breach, including a summary of the facts relied on in sufficient detail for a reasonable person in the FCM Clearing Member’s position to properly understand and respond to the allegations made against it;
- (ii) the Clearing House shall identify a suitably senior representative of any entity of the LCH.Clearnet group organisation that shall lead the investigation procedure on behalf of the Clearing House and shall inform the FCM Clearing Member who this representative will be in the written notice which is sent in accordance with sub-paragraph (i) above;

 - (vi) the FCM Clearing Member shall exercise best endeavours to procure the attendance of any of its directors, officers, employees, agents and representatives, as may be reasonably requested, at a specified time on reasonable notice (at either the offices of the Clearing House or those of the FCM Clearing Member) in order to answer questions or provide explanations that may be relevant for the examination of the Alleged Breach.
- (b) Report

Following the conclusion of the investigation procedure, the Clearing House shall: (i) notify the FCM Clearing Member; and (ii) produce a written report (the "Report") in relation to the Alleged Breach and provide it to the FCM Clearing Member, within no more than 14 days as from the notification by the Clearing House of the conclusion of the investigation procedure.

The Report shall contain the findings of the investigation, reference the provision of the FCM Rulebook allegedly breached by the relevant FCM Clearing Member and indicate the Clearing House's intended course of action in relation to the Alleged Breach, being either:

- (i) to proceed with Disciplinary Proceedings, in accordance with these Disciplinary Procedures, if the Clearing House believes there to be *prima facie* evidence of the Alleged Breach having been committed;
 - (ii) to discontinue these Disciplinary Proceedings and refer the matter to the Chief Executive Officer of the Clearing House to take action in accordance with the provisions of the FCM Rulebook if the Clearing House believes there to be *prima facie* evidence of the Alleged Breach having been committed but the sanctions set out in Paragraph 8.4 of these Disciplinary Procedures are, in the Clearing House's reasonable opinion, inadequate; or
 - (iii) to take no further action.
- (c) **Disciplinary Committee Formation**
- Where the Clearing House determines that it wishes to proceed with Disciplinary Proceedings in accordance with Paragraph 8.2(b)(i) above, it will convene a "**Disciplinary Committee**" consisting of:
- (i) The Chairman of the Risk Committee of the Clearing House, or his representative;
 - (ii) The Chief Compliance Officer, or his representative;
 - (iii) The Chief Risk Officer, or his representative, and
 - (iv) Two members of the Executive Committee of LCH.Clearnet Group Limited.
- Details of the precise composition of the Disciplinary Committee shall be provided to the FCM Clearing Member as part of the Report, as appropriate.
- (d) **FCM Clearing Member Response**
- The FCM Clearing Member shall respond to the Disciplinary Committee, within 14 days of receiving a Report which indicates that the Clearing House intends to proceed with Disciplinary Proceedings, providing a statement of defence responding to the allegations.
- If no response has been received by the Disciplinary Committee within 14 days or such extended period as has been agreed between the FCM Clearing Member and the Disciplinary Committee, the Clearing House shall be relieved of its obligations to follow the remaining steps of the investigation procedure (as set out in Paragraph 8.2(e) below) and the Disciplinary Committee may instead make a determination in respect of the Alleged Breach and issue its Recommendation to the Clearing House as provided for in Paragraphs 8.2(g) and 8.2(h) below.
- (e) **Exploratory Meetings**

Once the FCM Clearing Member has responded to the Report, either the FCM Clearing Member or the Disciplinary Committee can, within 7 days, request a meeting with the other party to ask further questions and discuss the Alleged Breach (the "Meeting").

Unless otherwise agreed between the FCM Clearing Member and the Disciplinary Committee, the Meeting will be held at the Clearing House's offices in London, provided that, if appropriate, the Meeting may take place at the Clearing House's offices in New York, within 14 days from the request for a Meeting.

The Disciplinary Committee and the relevant FCM Clearing Member are each entitled to bring to the Meeting any person relevant to the Disciplinary Proceedings which includes but is not limited to the following:

- (i) relevant experts;
- (ii) legal advisors; and
- (iii) accounting advisors.

the Clearing House and/or the FCM Clearing Member shall only be entitled to object to the attendance by any of the above if there is a substantiated conflict of interest.

The Disciplinary Committee shall, in addition, invite the Clearing House representative that led the investigation procedure to attend the Meeting.

The Disciplinary Committee shall, subject to the provisions of these Disciplinary Proceedings, decide upon its own procedure for conducting the Meeting and considering and determining the matters to be discussed in the course of the Meeting, on the basis of the Report, the FCM Clearing Member's response to the Report, and such other information and documentation as the Disciplinary Committee considers appropriate. A secretary will be appointed to keep minutes of the Meeting.

The Disciplinary Committee may reasonably request further or other documentation and information from the FCM Clearing Member, save that the FCM Clearing Member shall not be compelled to disclose any information which it is prohibited from disclosing by virtue of Applicable Law or regulation, as a result of agreements signed with third parties or as a result of legal professional privilege (in which case the FCM Clearing Member shall provide the Clearing House with proof of such prohibition).

The matters discussed at the Meeting are confidential. The Disciplinary Committee and the FCM Clearing Member must ensure that any persons attending the Meeting are subject to a confidentiality agreement.

To ensure the efficiency of the Meeting, neither the Disciplinary Committee nor the FCM Clearing Member shall bring more than six representatives, unless otherwise agreed.

(f) Determination

Having considered the Report, the FCM Clearing Member's response to the Report, any other information and documentation provided to the Disciplinary Committee in accordance with Paragraph 8.2(e) above and conducted the Meeting, the Disciplinary Committee must determine whether, in its view, the Alleged Breach has been committed.

The Disciplinary Committee shall make its determination, in accordance with this Paragraph 8.2(f), by a majority of the attendees, provided that no determination shall be made without a quorum of three (3) Disciplinary Committee members being in attendance.

In the event of a tie, the Chairman shall have a casting vote.

For the avoidance of doubt, the Disciplinary Committee shall not be bound to comply with any rule of Applicable Law or court procedure in respect of the admissibility of evidence and may, in its discretion, accept, any finding of fact by:

- (i) a relevant Regulatory Body;
- (ii) a Governmental Authority; or
- (iii) the courts of England and Wales, the State of New York or the United States, in connection with a Dispute.

(g) Recommendation

Within 7 days of the later of:

- (i) the FCM Clearing Member's response to the Report; and
- (ii) the date of the Meeting, if applicable,

the Disciplinary Committee shall communicate its determination, made in accordance with Paragraph 8.2(f) above, to the Clearing House (the "Recommendation").

The Disciplinary Committee shall set out in its Recommendation the grounds on which the Disciplinary Committee has determined that the Alleged Breach has or has not been committed and its proposal as to the sanctions, if any, that should be imposed by the Clearing House upon the FCM Clearing Member pursuant to Paragraph 8.4 of these Disciplinary Procedures.

This Paragraph 8.2(g) is without prejudice to the rights of the Disciplinary Committee to recommend that these Disciplinary Proceedings be discontinued and refer the matter to the Chief Executive Officer of the Clearing House to take action in accordance with the provisions of the Rules if the Disciplinary Committee has determined that the Alleged Breach has been committed but the sanctions set out in Paragraph 8.4 of these Disciplinary Procedures are, in the Disciplinary Committee's reasonable opinion, inadequate.

(h) Decision Notice

Following receipt of a Recommendation, pursuant to Paragraph 8.2(g) above, the Clearing House must decide whether or not to sanction the FCM Clearing Member in accordance with Paragraph 8.4 of these Disciplinary Procedures or otherwise in accordance with the provisions of the Rules.

For the avoidance of doubt, the Clearing House shall not be bound by the terms of the Recommendation of the Disciplinary Committee.

A decision by the Clearing House in accordance with this Paragraph 8.2(h) will be made by the Chief Executive Officer of the Clearing House or another suitably senior executive of the Clearing House.

Within 14 days of receiving a Recommendation, the Clearing House must notify the FCM Clearing Member of its decision by registered mail to the address notified to the Clearing House in its admission application (the “**Decision Notice**”).

- (ii) determine that, in light of the relevant facts and circumstances, no sanction should be imposed upon the relevant FCM Clearing Member pursuant to Paragraph 8.4 below or otherwise in accordance with the provisions of the Rules;
- (iii) take alternative action in accordance with the provisions of the Rules (including, without limitation, suspension or termination of the FCM Clearing Member's membership of the Clearing House pursuant to the FCM Rulebook and/or the issuance of a Default Notice in respect of such FCM Clearing Member in respect of the FCM Clearing Member pursuant to the Default Rules), in which case the Clearing House shall be deemed to have instituted Disciplinary Proceedings in respect of the Alleged Breach; or
- (iv) amend the scope of matters being considered by the Disciplinary Committee by amending the Report to add, delete or alter any detail of the Alleged Breach or to add detail of an additional Alleged Breach. For the avoidance of doubt, where the Report is amended in this way, the provisions of this Paragraph 8.2 will apply (and, unless otherwise agreed between the FCM Clearing Member and the Disciplinary Committee, any timing specified in this Paragraph 8.2 will restart) in respect of the amended Report.
