 - (ii) the Resigning Member shall, in the case of cash Collateral transferred to the Resigning Member for the purpose of collateralising the Clearing House's obligations in respect of the relevant Service (other than any constituting Clearing House Returned Collateral or Clearing House Applied Collateral), transfer an amount of cash to the Clearing House equal to such cash.
- (c) A Resigning Member other than a Defaulter who is resigning from a particular Service shall be liable in respect of Aggregate Excess Losses relating to any Default which arises in the relevant Service prior to the relevant Resignation Effective Date. In such circumstances, and as further provided in the Default Rules, the Resigning Member may be required to maintain some or all of its Contribution in connection with that Service until after the completion of the default management process related

to the relevant Default, notwithstanding that the relevant Resignation Effective Date might occur prior to such time.

- (d) A Clearing Member must at all times be a Clearing Member in respect of at least one Service, and a Clearing Member may not utilise the resignation process set out in paragraphs (a) to (c) above so as to resign from all (or all remaining) Services in respect of which he is a Clearing Member. Where a Clearing Member wishes to stop being a Clearing Member in respect of all (or all remaining) Services, the retirement process set out in paragraphs (e) to (g) below should be used.
- (e) A Clearing Member may, in accordance with clause 8 of the Clearing Membership Agreement and as further described in the Procedures, retire from Clearing Member status altogether by giving no less than three months' written notice to the Clearing House. Retirement takes effect on the Retirement Effective Date, which is the later of:
 - (i) the retirement date specified in the notice of retirement; and
 - (ii) the date on which all Contracts registered in the Retiring Member's name have been closed out or transferred so as to ensure that there are no remaining open Contracts to which the Retiring Member is a party. A Clearing Member may also retire from Clearing Member status by exercising its rights under the Accelerated Termination Provision(s) applying to all Services in which it participates; in this case, the Retirement Effective Date is the date on which the Retiring Member's resignation from the last remaining Service becomes effective in accordance with the relevant Accelerated Termination Provision.
- (f) Upon the Clearing House being satisfied that the Retiring Member is not a Defaulter and that all obligations of the Retiring Member to which the relevant Collateral is capable of being applied in accordance with the Rulebook have been irrevocably paid or discharged in full and that no such obligations are capable of arising:
 - (i) the Clearing House shall: (A) in the case of cash Collateral transferred by the Retiring Member to the Clearing House for the purpose of collateralising the Retiring Member's obligations (other than any constituting Clearing Member Returned Collateral or Clearing Member Applied Collateral), transfer an amount of cash to the Retiring Member equal to such cash; and (B) in the case of non-cash Collateral transferred by the Retiring Member to the Clearing House for the purpose of collateralising the Retiring Member's obligations (other than any constituting Clearing Member Returned Collateral or Clearing Member Applied Collateral), transfer that same Collateral (or equivalent Collateral) to the Retiring Member; and
 - (ii) the Retiring Member shall, in the case of cash Collateral transferred to the Retiring Member for the purpose of collateralising the Clearing House's obligations (other than any constituting Clearing House Returned Collateral or Clearing House Applied Collateral), transfer an amount of cash to the Clearing House equal to such cash.
- (g) A Retiring Member other than a Defaulter shall be liable in respect of Aggregate Excess Losses relating to any Default which arises prior to the relevant Retirement Effective Date. In such circumstances, and as further provided in the Default Rules, the Retiring Member may be required to maintain some or all of its Contribution until after the completion of the default management process related to the relevant

Default, notwithstanding that the Retirement Effective Date might occur prior to such time.

- (h) Clearing Members should contact the Clearing House Membership Department (+44 (0)20 7426 7949; membership@lch.com) for further details on how to retire from Clearing Member status or how to resign from a particular Service.
- (i) The Clearing House may also, by giving no less than three months' written notice, require a Clearing Member to retire from Clearing Member status or to resign from one or more specific Services. Following the service of such a notice, the relevant Clearing Member will become a Retiring Member or a Resigning Member (as the case may be) and will be required to close out or transfer all Contracts registered in its name or all Contracts registered in its name in connection with the specified Service or Services, respectively, by the date specified in the relevant notice.
- (j) The arrangements for a Clearing Member who is a Defaulter to resign from a particular Service or retire from Clearing Member status and for the repayment of the Collateral and the Contributions provided by such Defaulter to the Clearing House are as set out in the Default Rules.

REGULATION 8 DEALER STATUS

- (a) Application for admission to one or more Dealer Registers shall be made in accordance with these Regulations and the Procedures. An applicant for admission to a Dealer Register must satisfy the criteria prescribed by the Clearing House from time to time in order to be admitted to the relevant Dealer Register(s). A Dealer shall be subject to, and governed by, these Regulations, the Procedures and the Dealer Clearing Agreement(s) to which it is for the time being party.
- (b) A person admitted to a Dealer Register shall at all times satisfy the criteria prescribed from time to time by the Clearing House for admission to that Dealer Register and any rules prescribed from time to time by the Clearing House for Dealers in the relevant Service.

- (d) A Dealer may request, by giving three months' written notice to the Clearing House, that its name be removed from one or more Dealer Registers. At the end of such notice period, the Clearing House shall remove the Dealer from the relevant Dealer Register(s).
- (e) A SwapClear Dealer's suspension or removal from a Dealer Register under Regulation 8(c) shall not, where it is a Member, affect its membership of the Clearing House, nor, subject to any contrary determination by the Clearing House under Regulation 4, shall it affect the categories of Contract which such a person is eligible to have registered in its name.
- (f) Where a Clearing Member is also a Dealer it shall, automatically on the Clearing House serving a default notice in accordance with these Regulations, be removed from each relevant Dealer Register.
- (g) Without prejudice to paragraph (f) of this Regulation, the Clearing House shall suspend from each Dealer Register any Member whose Clearing Membership Agreement has been terminated or who is no longer eligible to have Contracts in the relevant Service registered in its name, and who is not, from the date of such termination or such ineligibility, party to a Dealer Clearing Agreement with another Clearing Member in the relevant Service, for such period as the Clearing House may determine.

The accidental omission by the Clearing House to give notice under this Regulation to, or the non-receipt of notice under this Regulation by, one or more affected Participants shall not invalidate the Relevant Withdrawal Date. Where only a part of a Service is being withdrawn, notice need only be given to those Dealers and Clearing Members authorised or approved to participate in that part of the relevant Service. If the Clearing House becomes aware that it has omitted to give notice under this Regulation to any affected Participant prior to the Relevant Withdrawal Date it will immediately notify the affected Participant of the Relevant Withdrawal Date in accordance with the applicable notice provisions.
- (b) Without prejudice to its rights under the Default Rules, any notice given under paragraph (a) shall specify the nature of the service which the Clearing House will provide until the Relevant Withdrawal Date. Unless otherwise specified in the notice, and without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules, register a Contract in respect of the relevant Service, other than a closing-out contract, after notice to withdraw the service has been given under Regulation 9(a).
- (c) If at the Relevant Withdrawal Date (or, in respect of the ForexClear Service, the date falling five Business Days before the Relevant Withdrawal Date) a Clearing Member who is an affected Participant has not closed out all open Contracts in respect of the relevant Service registered in its name, the Clearing House shall (in the case of a Relevant Withdrawal Date in respect of the ForexClear Service, with five Business Days' notice to the affected ForexClear Clearing Member) at its sole discretion, be entitled to:

For the avoidance of doubt, a Member shall be responsible for all obligations owed to the Clearing House in respect of every account opened in respect of such Member.
- (b) This paragraph applies to a Member's Proprietary Accounts. In the event that more than one Proprietary Account is opened in respect of a Member, the Clearing House shall have the right to combine or consolidate the balances on any or all of the Member's Proprietary Accounts, and to set off any amount or amounts standing from time to time to the credit of any one or more of such accounts in or towards payment or satisfaction of all or any of the Member's liabilities to the Clearing House on any one or more of such accounts. - (c) This paragraph applies to a Member's Client Accounts. The Clearing House shall not combine or consolidate the balances on or positions recorded in a Member's Client Accounts or set off any amount or amounts standing to the credit of any such Client Account in or towards payment or satisfaction of the Member's liabilities to the Clearing House on any other such Client Account or on any Proprietary Account, except: (i) in the case of a Cross-ISA Client Excess Deduction; (ii) as provided under Rule 15(a)(ii) of the Default Rules; or (iii) in the case of an Insufficient Resources Determination, pursuant to any of the Insufficient Resources Determination Rules. - (d) Amounts standing to the credit of a Member's Proprietary Accounts may be applied by the Clearing House towards the payment of any sum whatsoever due by the

Member to the Clearing House whether or not arising under these Regulations, save that, subject to Rule 8(d) of the Default Rules and to the Insufficient Resources Determination Rules, no amounts standing to the credit of such accounts (other than House Excess and, to the extent not already included in the relevant Clearing Member Current Collateral Balance, Client Buffer) shall be applied in or towards payment or satisfaction of all or any of the Member's liabilities to the Clearing House on any one or more of the Member's Client Accounts. For the purposes of this Regulation 10(i), each Client Account of the Member shall constitute a separate "kind of account" but the Proprietary Accounts of the Member shall together constitute a single "kind of account".
- (j) Where a payment has been made to the Clearing House by a Member through the PPS, that payment will only be credited to the account of the Member with the Clearing House if it (i) is paid into an account of the Clearing House with an institution which is solvent, (ii) that institution has performed its concentration function (being the transfer of net funds from the institution to a central account in the name of the Clearing House) and (iii) the institution has made the relevant payments to other Members on the date when the payment was due to be received by the Clearing House.

The Clearing House shall be entitled to require the delivery of information from a Clearing Member about the criteria and arrangements it adopts for the provision of Client Clearing Services to Clearing Clients, both at the time of the process for the approval of the offering by the relevant Clearing Member of Client Clearing Services and as deemed necessary by the Clearing House on an ongoing basis.

Following such novation the original contract shall be extinguished. - (e) If an original exchange contract is not confirmed by or on behalf of a Member pursuant to paragraph (c) above, or is not allocated by or on behalf of such Member within the prescribed time pursuant to Regulation 14, the Clearing House may in accordance with the Procedures deem such contract as having been confirmed pursuant to paragraph (c) above.
- (f) Any changes to the prescribed methods, forms and times set out in the Procedures in respect of presentation of particulars of original exchange contracts and confirmation of such contracts shall be made by the Clearing House only after consultation with the relevant Exchange or Exchanges, save that the Clearing House may at its absolute discretion make such changes without such consultation where it deems it necessary in the circumstances then prevailing.
- (g) Confirmation of an original exchange contract by or on behalf of a Member pursuant to this Regulation 13 or Regulation 14 and the Procedures shall be effective immediately (unless otherwise specified in the Procedures) and shall constitute the consent of the Member to such contract being registered in his name in accordance with these Regulations.

Allocation of an original contract by or on behalf of a Member pursuant to the Procedures shall constitute confirmation of the original contract by such Member.
- (b) Unless it is intended that an original contract be allocated in accordance with the Procedures to another Member or to a member of an Exchange who is not a Member, any contract allocated to a Member or to a member of an Exchange who is not a Member shall be confirmed or, where the Procedures so prescribe, shall be deemed to have been confirmed to the Clearing House by or on behalf of such Member or, as the case may be, the Member who acts as the clearing member for such member of the Exchange, in such manner and form and by such time as may be prescribed by the Procedures. If such contract is allocated on by or on behalf of such Member to another Member or to a member of an Exchange who is not a Member, such act of allocation shall constitute confirmation of the contract by such Member.
- (c) Where an original contract is allocated to a Member or to a member of an Exchange who is not a Member pursuant to paragraph (a) or (b) above and the Clearing House does not receive confirmation of such contract from that Member or the Member acting as clearing member for such member, as the case may be, within the relevant time prescribed by the Procedures, the Clearing House shall, subject to Regulation 16, register such contract in the name of the Member who sought to allocate the contract.
- (d) Notwithstanding paragraph (c) above, a Member may from time to time agree in writing with the Clearing House that he shall accept for registration in his name any original contract allocated to him in accordance with paragraphs (a) or (b) above and such Member shall be deemed to have confirmed such contract in accordance with the Procedures.
- (e) No original contract on the terms of an exchange contract may be allocated under this Regulation 14 to any Member who is not authorised under Exchange Rules to have original contracts on the terms of that exchange contract registered in his name.
- (f) Notwithstanding the provisions of the Procedures, the Clearing House may, without assigning any reason, make any allocation of an original contract subject to any conditions stipulated by it.

REGULATION 15 DESIGNATION

A Member shall designate the account of the Member in which a Contract shall be registered in the manner and form and by the time prescribed by Exchange Rules or the Procedures. If the Member fails to so designate an account, the Clearing House may, at its discretion and in accordance with the Procedures (and where it is satisfied that it has appropriate information to make the relevant determination), determine in which account of the Member the Contract should be entered.

REGULATION 16 REGISTRATION

- (a) The Clearing House shall not register an original exchange contract in the name of a Member unless such contract has been confirmed or deemed confirmed pursuant to Regulation 12, 14 or 27 by or on behalf of a Member as a buyer and a Member as a seller who thereby have consented to such contract being registered in his name. For the avoidance of doubt, the same Member may act in a capacity of seller and buyer in respect of such registration of a contract. The Clearing House shall register a contract in the name of a Member which is a Co-operating Clearing House in accordance with the terms of any agreement made with the Co-operating Clearing House and none of the following paragraphs shall apply in respect of a Member which is a Co-operating Clearing House.
- (b) Where the Procedures so provide the Clearing House may require the Members in whose names one or more contracts are to be registered to transfer Collateral to the Clearing House in respect of their initial and variation margin obligations as a condition of registration of such contract or contracts, and such Collateral shall be transferred to the Clearing House in accordance with Regulation 20 and, if applicable, the SwapClear Regulations, the RepoClear Regulations, the EquityClear Regulations, the ForexClear Regulations, the LSE Derivatives Markets Regulations and the Listed Interest Rates Regulations.
- (c) The Clearing House may decline to register a contract in the name of a Member where it considers such action advisable for its own protection or the protection of the relevant market. The Clearing House may, without assigning any reason, make the registration of any contract subject to any conditions stipulated by the Clearing House including, without limitation, the transfer of sufficient Collateral by both Members in whose name any such contract is to be registered.
- (d) No original exchange contract for a commodity shall be registered in the name of a Member who is not entitled under Exchange Rules to have original exchange contracts for such commodity registered in his name.
- (e) The Clearing House shall be deemed to register in the name of a Member an original contract or RepoClear Transaction at the Registration Time in respect of the relevant type of Contract, provided that, in the case of a Contract registered by the Clearing House pursuant to Rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 16 shall take effect.
- (f) Without prejudice to the Clearing House's rights under paragraph (g) of this Regulation, a Clearing Member shall be bound by a Contract registered in its name pursuant to the presentation of particulars of an Exchange Transaction, an OTC Transaction, an EquityClear Novation Transaction, or a Listed Interest Rates Novation Transaction, as the case may be, by him or on his behalf, including: (i) in the case of a RepoClear Transaction or RepoClear GC Transaction, where such particulars are presented by a RepoClear Dealer with whom it is party to a RepoClear Dealer Clearing Agreement; (ii) in the case of a ForexClear Transaction, where such particulars are presented by a ForexClear Dealer with whom it is party to a FDC Agreement; (iii) in the case of an EquityClear Novation Transaction, where such

particulars are presented by an NCP; and (v) in the case of a Listed Interest Rates Novation Transaction, where such particulars are presented by an NCP.

- (g) For the avoidance of doubt, any transaction of which details have been presented by or on behalf of a Clearing Member for registration as a Contract which is not so registered shall remain in effect between the original parties to that transaction or be terminated, as the case may be, according to any terms agreed between the parties thereto (directly or by virtue of the application of the relevant ATP Market Rules or Rates Exchange Rules or of their common participation or membership of the relevant Trading System or Rates Exchange through or on which the transaction was executed or by which it was registered) but subject to the relevant Exchange Rules and the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents) shall have no obligations or liability in relation thereto.
- (h) Without prejudice to the Clearing House's rights under Regulation 16(i), an original exchange contract, OTC Transaction or Listed Interest Rates Novation Transaction presented for registration must, in order that it be registered as the relevant type of Contract, meet the eligibility criteria and other requirements as prescribed on the Clearing House's website for the relevant type of Contract, at the time when the details (as prescribed from time to time by the Clearing House) of the original exchange contract, OTC Transaction or Listed Interest Rates Novation Transaction are presented to the Clearing House and at all times thereafter up to and including the Registration Time. A Clearing Member may not revoke, cancel or transfer an Exchange Transaction, OTC Transaction or Listed Interest Rates Novation Transaction that has been submitted for registration unless permitted (as applicable) by the relevant Exchange Rules and by the relevant Regulations or the relevant Procedures or with the consent of the Clearing House. A Clearing Member shall not allow the submission for registration of a transaction which is not a relevant Exchange Transaction, OTC Transaction or Listed Interest Rates Novation Transaction.
- (i) If at any time after registration of a Contract the Clearing House determines that the corresponding transaction of which details were presented for registration did not, at the Registration Time, meet the eligibility criteria for registration as a Contract, the Clearing House shall, as soon as practicable thereafter, set aside each such Contract. Upon the purported Contract being set aside under this Regulation 16, the particulars of the transaction in question shall be deemed never to have been submitted to the Clearing House (and such transaction shall remain in effect between the original parties thereto or be terminated, as the case may be, in accordance with any terms agreed between them, whether directly or (where applicable) by virtue of the application of the relevant ATP Market Rules, Rates Exchange Rules or Trading System rules). Any payment made under, or in respect of, a Contract set aside under this paragraph shall be repayable to the person who made the payment and any securities delivered under such Contract shall be re-delivered to the person who made the delivery of such securities. Without prejudice to Regulation 52 and its obligations under this Regulation 16, the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of a contract as a Contract in respect of a transaction which did not meet

the eligibility criteria at the Registration Time to enable it to be registered as the relevant type of Contract.

- (iii) In the case of an EquityClear Novation Transaction which is an EquityClear Mixed Member Match, Regulation 69(c) applies.
- (k) With effect from registration of an Exchange Transaction, EquityClear Novation Transaction, OTC Transaction or Listed Interest Rates Novation Transaction as two Contracts under paragraph (i) of this Regulation 16:

In sub-paragraphs (iii) and (iv) above, a reference to the "same" rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the corresponding Exchange Transaction or the Economic Terms of the corresponding OTC Transaction, EquityClear Novation Transaction or, where applicable, Listed Interest Rates Novation Transaction (it being assumed, for this purpose, that such Exchange Transaction, EquityClear Novation Transaction, OTC Transaction or Listed Interest Rates Novation Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and, in the case of an EquityClear Novation Transaction, OTC Transaction or, where applicable, a Listed Interest Rates Novation Transaction, that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them and subject to any changes thereto as a result of the operation of the Standard Terms or of the EquityClear Contract Terms, as applicable.

- (l) If an Exchange Transaction, EquityClear Novation Transaction, OTC Transaction or Listed Interest Rates Novation Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any Contract unless otherwise determined by the Clearing House.
- (m) In the case of a Repo Transaction, the Clearing House may, with the agreement of RepoClear Clearing Members party to corresponding RepoClear Contracts (excluding ATS Contracts) or RepoClear GC Contracts (excluding ATS Contracts), set aside or take such other steps with respect to such Contracts on such terms as may be agreed if either or both RepoClear Clearing Members consider that they have entered into a Contract in error or have agreed to certain terms of the Contract in error.
- (n) In the case of ATS Contracts, the Clearing House and the RepoClear Clearing Member may agree to set aside or take such other steps with respect to such ATS Contracts on such terms as may be agreed if both the Clearing House and the RepoClear Clearing Member consider that they have entered into an ATS Contract in error or have agreed to certain terms of the ATS Contract in error.

 - (ii) Where an Unallocated FCM SwapClear Contract has been erroneously allocated to a Client Account the Clearing House will, in response to a written request from a SwapClear Clearing Member and subject to acceptance of the transfer by the relevant Pre-Allocation FCM Clearing Member, transfer an SwapClear Contract to the FCM SwapClear Suspension Sub-Account from which that FCM SwapClear Contract was allocated. Any transfer pursuant to this Regulation 18(d)(ii) must be requested within three Business Days of the original allocation to the relevant Client Account. - (c) If the details required by the Clearing House in respect of a Contract to which this Regulation 19 applies are not provided to the Clearing House by the operator of the relevant ATS, the operator of the relevant ATP or the relevant approved agent, as applicable, in accordance with the Clearing House's requirements, by the time prescribed by the Clearing House from time to time, or the Clearing House is not able to access such details, the Clearing House may decree that neither the Clearing House nor the Clearing Member party thereto shall be obliged to perform their respective obligations under the Contracts in question. If the Clearing House so decrees, such Contracts shall be performed in accordance with any directions given by the Clearing House which may, without limitation, impose a change to the terms of an affected Contract. Any directions given by the Clearing House under this paragraph (c) shall be binding on all affected Clearing Members or Dealers.
- (d) Without prejudice to Regulation 52, the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents) shall not be liable to any Clearing Member or anyone else for any loss, cost, damage or expense of whatsoever nature suffered or incurred by it or them in respect of any Contract to which this Regulation 19 applies if the Clearing House does not receive the relevant details referred to in paragraph (c) by the time referred to in such paragraph (c) in respect of such Contract.
- (e) If the Clearing House or, where relevant, its approved agent receives details:

- (g) Without prejudice to paragraph (e), in the case of ATS Contracts, the Clearing House and the RepoClear Clearing Member may agree to set aside or take such other steps with respect to such ATS Contracts on such terms as may be agreed if both the Clearing House and the RepoClear Clearing Member consider that they have entered into an ATS Contract in error or that certain terms of the ATS Contract have been agreed by the Clearing House and by the RepoClear Clearing Member (or by the RepoClear Member's ATS Participant, if applicable) in error.

CHAPTER V – COLLATERAL AND VALUATIONS

REGULATION 20 MARGIN AND COLLATERAL

- (a) The Clearing House may in accordance with these Regulations and/or the Procedures require a Member to transfer Collateral to the Clearing House, and to maintain a Clearing Member Current Collateral Balance, in an amount or of a value determined by the Clearing House, as security for the performance by such Member of its obligations to the Clearing House in respect of all contracts from time to time to be registered in his name as open contracts pursuant to these Regulations. The obligation upon a Member to transfer Collateral to the Clearing House, and maintain a Clearing Member Current Collateral Balance, pursuant to this paragraph shall be in addition to any other obligation of the Member to transfer Collateral to the Clearing House, maintain a Clearing Member Current Collateral Balance, or make any other payment to the Clearing House pursuant to these Regulations or any OTC Contract Terms.
- (b) The Clearing House may in accordance with these Regulations and/or the Procedures require a Member to transfer Collateral to the Clearing House in respect of initial or variation margin in circumstances prescribed by the Regulations and the Procedures in respect of any open contract registered in the Member's name, such Collateral to be transferred by the Member in such form and manner and by these Regulations and/or such time or times as may be prescribed by the Procedures.
- (c) If insufficient Collateral is standing to the credit of a Member's account, or if any assets or monies transferred by a Member to the Clearing House as Collateral are determined by the Clearing House in accordance with the Procedures to be insufficient, such Collateral as the Member is required to transfer to the Clearing House pursuant to paragraph (b) above or Regulation 16 or the SwapClear Regulations, the RepoClear Regulations, the EquityClear Regulations, the LSE Derivatives Markets Regulations, the ForexClear Regulations or the Listed Interest Rates Regulations, as applicable, shall be transferred to the Clearing House by the Member in such form and manner and by such time or times as may be prescribed by these Regulations and/or the Procedures.
- (d)
 - (i) The Clearing House shall be entitled to assume that all securities and other assets transferred by a Member to the Clearing House as Collateral pursuant to these Regulations and/or the Procedures or under the terms of any agreement made with the Member are the sole legal and beneficial property of the Member or are transferred for the purposes of these Regulations with the legal and beneficial owner's unconditional consent and free of such owner's interest. A Member may not transfer securities or other assets to the Clearing House as Collateral otherwise than in conformity to this paragraph. It shall be accepted by every person dealing on the terms of these Regulations that a Member has such person's unconditional consent to transfer to the Clearing House as Collateral for the purposes of these Regulations and/or the Procedures any securities or other assets of such person in the Member's possession, free of such person's interest.
 - (ii) Each Member represents and warrants to the Clearing House as at each date on which such Member transfers securities or other assets to the Clearing

House as Collateral pursuant to these Regulations (a) that such Member is the sole legal and beneficial owner of those securities or other assets or, as the case may be, those securities or other assets are so transferred with the legal and beneficial owner's unconditional consent and free of such owner's interest and (b) that the provision to the Clearing House of such securities or other assets pursuant to these Regulations will not constitute or result in a breach of any trust, agreement or undertaking whatsoever.

- (iii) The Clearing House may, in its absolute discretion and at any time require a Member to transfer other securities or assets to the Clearing House in substitution of any securities or assets transferred to the Clearing House pursuant to this Regulation 20.
- (e) The rate of initial margin in respect of each exchange contract and each Listed Interest Rates Contract (other than a Designated Listed Interest Rates Contract) shall be determined from time to time by the Clearing House after consultation with the relevant Exchange and such rate shall be published from time to time by the Clearing House. Subject to paragraph (g) below, any alteration of the rate so determined shall take effect on the expiry of such period of notice to Members as shall from time to time be agreed with the relevant Exchange. Any such notice shall be given to Members in accordance with the Procedures.
- (f) The rate of initial margin in respect of each category of OTC Contract shall be determined from time to time by the Clearing House, and such rate shall be published from time to time by the Clearing House. The rate of initial margin in respect of EquityClear Contracts and Designated Listed Interest Rates Contracts respectively shall be determined from time to time by the Clearing House and such rate shall be published from time to time by the Clearing House.
- (g) Notwithstanding paragraph (e) or paragraph (f) above, the Clearing House shall be entitled at its absolute discretion, without assigning any reason and without prior notice to a Member or, where applicable, to an Exchange, to modify the rate of initial margin applicable to an exchange contract, an OTC Contract, EquityClear Contracts, or Listed Interest Rates Contracts, or to demand larger or additional amounts of Collateral in respect of the initial margin obligations of a Member, either before registration of a contract or at any time after registration. Any Collateral demanded by the Clearing House pursuant to this paragraph shall be transferred by the Member to the Clearing House on demand and in such form as the Clearing House may require.
- (h) The Clearing House shall be entitled at any time to demand from a Member the immediate transfer of Collateral in respect of that Member's margin obligations in an amount deemed necessary by the Clearing House without reference to official quotations or Reference Prices in respect of any open contract in the Member's name, if, in the opinion of the Clearing House, the transfer to the Clearing House of such Collateral by the Member is necessary in the circumstances then prevailing which may be affecting or may in the Clearing House's opinion be likely to affect market conditions or the Member's performance of its obligations under the terms of such contracts or under the terms of any original or confirmed contract to which the Member is party.

- (i) The Clearing House shall be entitled to make an accommodation charge at a rate determined by the Clearing House and published on the Clearing House's website, in respect of any non-cash Collateral (other than Clearing Member Returned Collateral or Clearing Member Applied Collateral) transferred to the Clearing House. Any alteration in the basis of calculating the rates of accommodation charge shall become effective in respect of all current and future business by the time as published on the Clearing House's website.
- (j) Without prejudice to the requirements of paragraph (e) or (f) above, the Clearing House may at its absolute discretion accept Collateral to an agreed amount in a form other than those specified in the Procedures, subject always to the Clearing House's prior assessment as to the appropriateness of such form of Collateral in accordance with its standard risk management procedures and to any special arrangements which the Clearing House may prescribe in each case (including as to valuation and haircut). The Clearing House may at its discretion make an accommodation charge at a special rate.
- (k) If, in the opinion of the Clearing House, any asset which has been transferred to it by a Member as Collateral pursuant to these Regulations and/or the Procedures is no longer either of sufficient value or otherwise acceptable to the Clearing House, the Clearing House shall be entitled to demand further Collateral from such Member. Such Collateral shall be transferred by such Member to the Clearing House on demand in a form prescribed by the Procedures, **provided that** at any time the Clearing House shall be entitled to require the Member to transfer Collateral to the Clearing House in a specified form and to demand that the Member replace the whole or part of any asset transferred to the Clearing House by that Member pursuant to these Regulations with Collateral in the form of cash.
- (l) Any request by a Clearing Member (including, for the avoidance of doubt, a Resigning Member or a Retiring Member) for the release or return of excess Collateral shall be dealt with in accordance with the Procedures.
- (m) If the Clearing House takes any step or steps under the Default Rules in relation to a Member, any sum (including without limitation the price due to be paid by the Clearing House in respect of the delivery of any property or currency by or on behalf of the Member) standing to the credit of any of the Member's accounts shall be treated as Collateral.
- (n) No Member may assign, transfer, charge or encumber (in each case, whether by way of security or otherwise) its right to the return of any cash Collateral or Contributions it has transferred to the Clearing House, except: (i) as provided in any relevant Deed of Charge; (ii) as expressly contemplated by the Rulebook; and/or (iii) with the prior written approval of the Clearing House. Any such purported assignment, transfer, charge or encumbrance shall be void.

- (o) The Clearing House and each Member agree that the Clearing Membership Agreement to which they are a party is amended by the deletion of clause 2.16 of such agreement.
- (p) Where the Clearing House is party to a Link Agreement with a Co-operating Clearing House:
 - (i) the Clearing House may request collateral from that Co-operating Clearing House in whatever form may be stipulated in the terms of that Link Agreement; and
 - (ii) if collateral is transferred to the Clearing House by such Co-operating Clearing House pursuant to such Link Agreement, that collateral shall be deemed to be Collateral for the purposes of these Regulations and the Default Rules.
- (q) Any references in the Rulebook to (i) Collateral deposited or held by or with the Clearing House or a Clearing Member or in an account maintained by the Clearing House or a Clearing Member; (ii) balances of Collateral with the Clearing House or a Clearing Member or in an account maintained by the Clearing House or a Clearing Member; and (iii) Collateral credited to an account maintained by the Clearing House or a Clearing Member (and any phrases describing similar concepts), shall be construed as including all Collateral transferred to the Clearing House by the relevant Clearing Member or Custodial Segregated Client, or to the relevant Clearing Member by the Clearing House (as applicable) and any Applied Collateral Excess Proceeds credited to the relevant Clearing Member's account by the Clearing House, but as excluding any relevant Clearing Member Returned Collateral, Clearing Member Applied Collateral, Clearing House Returned Collateral and/or Clearing House Applied Collateral (as applicable).
- (r) Expressions in the Rulebook such as “furnish”, “provide”, “deposit” and “post” (and similar expressions) are used to describe the act of transferring Collateral to or, as the case may be, from, the Clearing House and, when used in conjunction with such expressions, expressions in the Rulebook such as “margin”, “cover for margin” and “collateral” (and similar expressions) are used to describe the collateral which is transferred to or, as the case may be, from, the Clearing House. Where the context so permits, references in the Rulebook to Collateral being held in an account means that the Collateral is recorded in the books and records of the Clearing House as being attributable to a particular Clearing Member or Clearing Client. References in the Rulebook to Collateral being "transferred", "provided" or "delivered" by:
 - (i) a Clearing Member to the Clearing House includes Collateral that the Clearing House has recorded in its books and records as attributable to that Clearing Member and an account of that Clearing Member with the Clearing House;
 - (ii) a Custodial Segregated Client to the Clearing House includes Collateral that the Clearing House has recorded in its books and records as attributable to that Custodial Segregated Client and the relevant Custodial Segregated Account which a Clearing Member has opened with the Clearing House in respect of such Custodial Segregated Client.

- (s) The Rulebook shall be construed such that:
- (i) save as stated in sub-paragraphs (ii) and (iii), all transfers of Collateral by a Clearing Member to the Clearing House or, as the case may be, by the Clearing House to a Clearing Member are effected on an outright title-transfer basis (with there being no intention to create any form of *in rem* security interest in such collateral, and despite any references to such collateral being held by the Clearing House or a Clearing Member or in an account maintained by the Clearing House or a Clearing Member or to such collateral being credited to an account maintained by the Clearing House or a Clearing Member (or to similar concepts));
 - (ii) wherever non-cash Collateral is transferred by a Clearing Member to the Clearing House, it is held by the Clearing House for the Clearing Member on and subject to the terms of the relevant Deed of Charge between the Clearing House and that Clearing Member;
 - (iii) wherever cash Collateral is transferred by a Clearing Member to the Clearing House, and the Clearing Member's interest in such cash Collateral (or any other cash) constitutes "Charged Property" as defined in the relevant Deed of Charge between such Clearing Member and the Clearing House, such cash ("**Charged Cash Collateral**") is held by the Clearing House for such Clearing Member on and subject to the terms of such Deed of Charge;
 - (iv) wherever the Clearing House is required to return cash Collateral or Applied Collateral Excess Proceeds to a Clearing Member or a Clearing Member is required to return cash Collateral to the Clearing House, that requirement is to pay an amount of cash equal to the amount expressed to be so required to be returned; and
 - (v) wherever the Clearing House is required to return non-cash Collateral to a Clearing Member, that requirement is to return (unless otherwise provided in the Procedures) the same non-cash Collateral (or equivalent non-cash Collateral) as was transferred to the Clearing House by that Clearing Member and to release the same from the security created by the relevant Deed of Charge.
- (t) In determining the amount of Collateral which the Clearing House requires to be transferred to or from the Clearing House pursuant to the Rulebook, the Clearing House shall take into account the amount of any Collateral which has previously been determined as being required to be transferred to or from the Clearing House but which, at the time of that determination, has not been so transferred.
- (u) Upon the Clearing House being satisfied (acting in good faith) that all obligations of a Clearing Member pursuant to the Rulebook have been irrevocably paid or discharged in full and that no such obligations are capable of arising:
- (i) the Clearing House shall (A) in the case of cash Collateral transferred by the Clearing Member to the Clearing House for the purpose of collateralising that Clearing Member's obligations (other than any constituting Clearing Member Returned Collateral or Clearing Member Applied Collateral), pay an amount

of cash to that Clearing Member equal to such cash; and (B) in the case of non-cash Collateral transferred by the Clearing Member to the Clearing House for the purpose of collateralising that Clearing Member's obligations (other than any constituting Clearing Member Returned Collateral or Clearing Member Applied Collateral), transfer that same Collateral (or equivalent Collateral) to that Clearing Member; and

- (ii) the Clearing Member shall, in the case of cash Collateral transferred to the Clearing Member for the purpose of collateralising the Clearing House's obligations (other than any constituting Clearing House Returned Collateral or Clearing House Applied Collateral), transfer an amount of cash to the Clearing House equal to such cash.
- (v) Wherever the Rulebook contemplates an obligation of a Clearing Member being discharged by the Clearing House using, or otherwise applying, cash Collateral transferred to the Clearing House for the purpose of collateralising that Clearing Member's obligations to the Clearing House (including any Applied Collateral Excess Proceeds), the manner in which such discharge shall occur is by the acceleration of the Clearing House's obligation to return that cash Collateral or Applied Collateral Excess Proceeds to that Clearing Member or a Custodial Segregated Client (but only in an amount which does not exceed the obligation of that Clearing Member which is to be so discharged) and the set-off of that transfer obligation against that Clearing Member's obligation which is to be so discharged.
- (w) Wherever the Rulebook contemplates an obligation of the Clearing House being discharged by a Clearing Member using, or otherwise applying, cash Collateral transferred to that Clearing Member for the purpose of collateralising the Clearing House's obligations to that Clearing Member, the manner in which such discharge shall occur is by the acceleration of that Clearing Member's obligation to return that cash Collateral to the Clearing House (but only in an amount which does not exceed the obligation of the Clearing House which is to be so discharged) and the set-off of that transfer obligation against the Clearing House's obligation which is to be so discharged.
- (x) Where a Clearing Member is a Futures Commission Merchant and it proposes to transfer to the Clearing House Collateral relating to Client Clearing Business in connection with the clearing of a futures or options contract that is traded on an exchange that is not a designated contract market, it shall request that the Clearing House approve such proposed transfer and following the Clearing House's written approval, the Clearing House shall hold such Collateral as a foreign futures or foreign options secured amount subject to the requirements of CFTC Rule 30.7. By making such request, a Clearing Member shall be deemed to represent and undertake to the Clearing House that it will not engage in House Clearing Business or transfer Collateral in relation to House Clearing Business and the Clearing Member acknowledges that any such approval from the Clearing House is issued in reliance upon such representation or undertaking being true and accurate at all times.

The Clearing House's written approval shall satisfy the Clearing Member's requirement to obtain an acknowledgement pursuant to Part 30 of CFTC Regulations.

- (b) If the official quotations and/or Reference Prices prescribed in the Procedures are unavailable, the Clearing House may determine, in its sole discretion, a substitute official quotation or Reference Price. In such circumstances, the substitute official quotation or Reference Price determined by the Clearing House is binding on a Clearing Member and may in no circumstances be called in question.
- (c) For the avoidance of doubt, the Clearing House is not responsible for and does not warrant the accuracy of any settlement price determined by a third party or any index which is the subject of an exchange contract or any Reference Price.

REGULATION 23 DAILY SETTLEMENT OR MARKING TO MARKET

- (a) Where Exchange Rules or the Procedures so prescribe in respect of exchange contracts, the Clearing House may effect the daily settlement to market or daily marking to market of all open contracts (in each case, as opposed to requiring the collateralisation of such open contracts) on the terms of such exchange contracts in accordance with the Procedures and Exchange Rules, save where the Procedures otherwise provide. Daily settlement to market shall not apply to open contracts which are for the account of a Member's Client Accounts.
- (b) The Clearing House shall, in accordance with the Procedures, in respect of each open contract in a Member's name which is subject to daily settlement to market or daily marking to market (as opposed to a collateralisation requirement), effect and register a settlement contract, being a contract on the same terms (except as to price or premium), including the strike price where applicable, as the open contract, save that where the Member is a buyer under the terms of the open contract the Member shall be a seller under the terms of the settlement contract and vice-versa, such settlement contract to be effected in accordance with the Procedures (or Exchange Rules if applicable) at the relevant official quotation or Reference Price for that day. The Clearing House shall thereupon settle each open contract against the respective settlement contract in accordance with the Procedures.
- (c) The Clearing House shall, upon completion of the process set out in paragraph (b) above, calculate the daily settlement amounts in accordance with the Procedures and shall thereafter debit or credit (as the case may be) the Member's account and upon the Clearing House so doing, the Member and the Clearing House shall (unless otherwise agreed) settle any daily settlement amounts arising as follows:
 - (i) any profit arising to a Member shall: (A) be credited to the applicable account; (B) to the extent that that account is a collateral account, become part of the Clearing Member Current Collateral Balance; and (C) subject to the Clearing House's right to retain such profit pursuant to these Regulations, be paid to the Member on the Member's request; and
 - (ii) any loss arising to a Member shall be debited from the applicable account of the Member to the extent that there is an available balance in such account and, in accordance with these Regulations, the Member shall pay the amount of any shortfall in respect of such loss to the Clearing House forthwith on demand.
- (d) The Clearing House shall, upon completion of the calculation of daily settlement amounts pursuant to paragraph (c) above, in the manner prescribed by the Procedures:
 - (i) in respect of those open contracts in a Member's name which have been settled pursuant to paragraph (b) above and which are subject to daily settlement to market, register at the official quotation or Reference Price referred to in paragraph (b) above, contracts in the Member's name as open contracts on the same terms (except as to price or premium), including the strike price where applicable, as the settled open contracts, save that no contract for the purchase and no contract for the sale of the same commodity,

for the same delivery month, or expiry month and strike price, where applicable, shall be registered in the Member's name;

Such a request, once made, shall be irrevocable unless the Clearing House otherwise consents. Where such a request is made, the Clearing House shall as soon as practicable after the close of trading on that market day (but not necessarily on that day, and provided documentation has been supplied by the Member in accordance with the Procedures) debit or credit (as the case may be) the Member's account.
- (f) In respect of those open contracts of which settlement might have been requested by a Member under paragraph (e) above, the Clearing House may, if no request for settlement has been received by the cessation of trading for the delivery month applicable to those contracts, at any time thereafter proceed as if settlement had been requested and debit or credit (as the case may be) the Member's accounts accordingly.

REGULATION 24 SETTLEMENT AND REVALUATION: CLEARING PROCESSING SYSTEM

- (a) Where Exchange Rules or the Procedures so prescribe in respect of exchange contracts, the Clearing House may effect the settlement or revaluation of open contracts on the terms of such exchange contracts in accordance with a clearing processing system adopted by the Exchange.
- (b) The settlement of open contracts under this Regulation may be effected daily or less frequently, as required by the clearing processing system. The clearing processing system may expressly or by implication require the contract value of open contracts to be altered daily or less frequently by reference to official quotations or otherwise and, if so, open contracts subject to the system shall be revalued accordingly. The Clearing House shall have no obligation to notify a Member of the revaluation of an open contract to which it is party, save as provided by the clearing processing system.

CHAPTER VIII – DEFAULT, DISORDER, IMPOSSIBILITY AND FORCE MAJEURE

- (a) Without prejudice to the Default Rules and the Procedures, if a RepoClear Clearing Member, an EquityClear Clearing Member, a Listed Interest Rates Clearing Member or a Clearing Member acting in respect of an LSE Derivatives Markets Cleared Exchange Contract as seller fails to deliver securities or other instruments to the Clearing House under a RepoClear Contract, RepoClear GC Contract, EquityClear Contract, Listed Interest Rates Contract or LSE Derivatives Markets Cleared Exchange Contract by the due time therefor, the Clearing House may issue directions, in accordance with the Procedures, to the seller and to a Clearing Member as buyer under a corresponding Contract regarding the performance of such Contracts and such directions shall be binding on such Clearing Members.
- (b) The Clearing House shall be entitled to demand Collateral in respect of a Member's margin obligations in such amounts and in such form as it may require in accordance with the Procedures:

 - (ii) the government of any nation, state or territory or any institution or agency thereof has proclaimed or given notice of its intention to exercise, vary or revoke controls which appear likely to affect the normal course of business, including, but not limited to, performance under a Contract; or

- (v) such open contracts which are Cleared Exchange Contracts or Listed Interest Rates Contracts (other than Designated Listed Interest Rates Contracts), for such delivery months, prompt dates or other delivery periods as the Board in consultation with the Clearing House or (where the Clearing House so determines without consultation with the Board) as the Clearing House shall specify (which may include open contracts under which tender or a notice or some other prescribed form of exercise has been given) shall, (unless the relevant Exchange Rules otherwise provide) upon the Board's (or the Clearing House's, as the case may be) formal announcement that such condition is satisfied, be invoiced back in accordance with Regulation 39 and the

Procedures at a price determined by the Board (or the Clearing House as the case may be). In the event that a price falls to be determined by the Clearing House it shall, adopt the settlement price which in the opinion of the Clearing House was last determined or announced by the Board pursuant to Exchange Rules.

Accounts shall be made up by the Clearing House in accordance with the Procedures for each Member who is a party to open contracts invoiced back pursuant to this paragraph. Settlement of such accounts shall be due immediately and settlement thereof shall be made forthwith in discharge of such contracts invoiced back notwithstanding any further change of circumstances.

Accounts shall be made up by the Clearing House in accordance with the Procedures.
- (d) If an Exchange determines in accordance with its Exchange Rules that an excessive position or unwarranted speculation or any other undesirable situation or practice is developing or has developed which is affecting or capable of affecting a market in a commodity, the Clearing House may take such action as is requested of it by such Exchange in respect of one or more open contracts for such commodity in a Member's name as may be provided by Exchange Rules, or as may be agreed between the Exchange and the Clearing House.

Any formal announcement made under this Regulation shall be made by notice posted up on the floor of the market or as prescribed by the Procedures.

REGULATION 38 FORCE MAJEURE

- (a) Neither the Clearing House (nor any other member of the LCH Group) nor a Member shall be liable for any failure, hindrance or delay in performance in whole or in part of its obligations under the terms of these Regulations or of any Contract if such failure, hindrance or delay arises out of events or circumstances beyond its control. CHAPTER XI – NETTING AND DISTRIBUTION

REGULATION 45 NETTING

- (a) If at any time the Clearing House fails to make a payment or a delivery of an asset to a Member, other than a Defaulter, under a Contract for a period of 30 days from the date when the obligation to pay or deliver fell due then that Member may exercise its rights under paragraph (c) below.
- (b) If at any time the Clearing House commences a voluntary case or other procedure seeking or proposing liquidation, administration, receivership, voluntary arrangement or a scheme of arrangement, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law, or if any of the foregoing cases or procedures is commenced in relation to the Clearing House by any other person which results in liquidation or winding up of the Clearing House, or if the Clearing House takes corporate action to authorise any of the foregoing, in any such case other than for the purposes of corporate restructuring (including any consolidation, amalgamation or merger), then a Member, other than a Defaulter, may exercise the right given to it under paragraph (c) below.
- (c) A Member entitled to exercise rights under this paragraph may, at any time whilst any of the circumstances referred to in paragraph (a) or (b) giving rise to such rights continue, by notice in writing to the Clearing House, specify a Termination Date for the termination and liquidation of all Contracts to which it is a party in accordance with paragraph (d) below.
- (d) Upon the occurrence of a Termination Date:
 - (i) neither the Clearing House nor the Member shall be obliged to make any further payments or deliveries under any Contract between them which would, but for this Regulation 45, have fallen due for performance on or after the Termination Date, and any obligations to make further such payments or deliveries which would otherwise have fallen due shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Termination Amount;
 - (ii) the Member shall (on, or as soon as reasonably practicable after, the Termination Date) determine (discounting if appropriate) in respect of each Contract its total loss or, as the case may be, gain, in each case expressed in the lawful currency of the United Kingdom (the "**Base Currency**"), (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this agreement, of each payment or delivery which would otherwise have been required to be made under such Contract (assuming satisfaction of each applicable condition precedent and having due regard to, if appropriate, such market quotations published on, or official settlement prices set by, a relevant exchange or clearing organisation, as may be available on, or immediately preceding, the date of calculation);

- (iii) any cash Collateral balance held by the Clearing House and/or the Member in respect of the other party's initial margin and/or variation margin obligations shall (to the extent not already due and payable) be accelerated so as to become immediately due and payable to the Member or Clearing House who provided such cash Collateral, and the Member shall (on, or as soon as reasonably practicable after, the Termination Date) determine the Base Currency Equivalent of such amount(s). For the purposes of this Regulation 45, the "**Base Currency Equivalent**" means, in respect of any amount denominated in the Base Currency, such Base Currency amount and, in respect of any amount denominated in a currency other than the Base Currency (the "**Other Currency**"), the amount in the Base Currency determined by the Member as being required to purchase such amount of such Other Currency as at the relevant Termination Date, with the Base Currency; and
- (iv) the Member shall treat each loss to it determined under paragraph (ii) above and the Base Currency Equivalent of any amount of cash Collateral due and payable to it as a positive amount and each gain by it determined under paragraph (ii) above and the Base Currency Equivalent of any amount of cash Collateral due and payable by it as a negative amount and, subject to paragraph (v), shall aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "**Termination Amount**").
- (v) Where a Member has a Proprietary Account and one or more Client Accounts:
 - (A) the Member shall determine one or more net amounts under paragraph (iv): a separate net amount in respect of gains and losses arising on Contracts registered in each of its Client Accounts and any corresponding cash Collateral balances held by that Member or the Clearing House; and a further separate net amount in respect of gains and losses arising on all Contracts registered in such Member's Proprietary Account (or Proprietary Accounts as combined) and any corresponding cash Collateral balances held by that Member or the Clearing House; and
 - (B) each of the net amounts determined under paragraph (A) shall constitute Termination Amounts.
- (vi) If a Termination Amount determined pursuant to paragraph (v) above is a positive amount, the Clearing House shall pay it to the Member and if any such Termination Amount is a negative amount, the Member shall pay it to the Clearing House, in either case in accordance with paragraph (vii). The Member shall notify the Clearing House of each such Termination Amount, and by which party it is payable, immediately after the calculation thereof.
- (vii) A Termination Amount shall, subject to Regulation 46, be paid in the Base Currency by the close of business on the business day following notification pursuant to paragraph (vi) above (converted as required by Applicable Law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Clearing House). Any

Termination Amount which is not paid on such day shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11:00 hours (London time) (or, if no such rate is available, at such reasonable rate as the Member may select) plus 1 per cent. per annum, for each day for which any such sum remains unpaid.

- (viii) For the purposes of any calculation required to be made under this Regulation, the Member may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.

The Member's rights under this Regulation 45 shall be in addition to, and not in limitation or exclusion of, any other rights which the Member may have (whether by agreement, operation of law or otherwise, including its rights under Regulation 10(i)).

- (e) If a Member is a Defaulter and either:

- (i) no default management process has been commenced by the Clearing House in respect of such Member within 3 business days following a Default Notice being issued in respect of that Member; or
- (ii) such default management process has been commenced within such period but that Member determines (acting reasonably) that the relevant default management process is unlikely to be completed,

then, provided that an event or circumstance as described in paragraph (a) (ignoring, for this purpose, the words "other than a Defaulter" in that paragraph) or (b) above has also occurred, the relevant Member shall be entitled to exercise the rights provided under paragraph (c) above, notwithstanding that it is a Defaulter.

- (f) Interpretation in Relation to FDICIA. The Clearing House and each Clearing Member intend that certain provisions of the General Regulations and the Procedures (including this Regulation 45) be interpreted in relation to certain terms that are defined in FDICIA, as follows:

- (i) The Clearing House is a "clearing organization".
- (ii) An obligation of a Clearing Member to make a payment to the Clearing House, or of the Clearing House to make a payment to a Clearing Member, subject to a netting contract, is a "covered clearing obligation" and a "covered contractual payment obligation".
- (iii) An entitlement of a Clearing Member to receive a payment from the Clearing House, or of the Clearing House to receive a payment from a Clearing Member, subject to a netting contract, is a "covered contractual payment entitlement".
- (iv) The Clearing House is a "member", and each Clearing Member is a "member".

- (v) The amount by which the covered contractual payment entitlements of a Clearing Member or the Clearing House exceed the covered contractual payment obligations of such Clearing Member or the Clearing House after netting under a netting contract is its “net entitlement”.
- (vi) The amount by which the covered contractual payment obligations of a Clearing Member or the Clearing House exceed the covered contractual payment entitlements of such Clearing Member or the Clearing House after netting under a netting contract is its “net obligation”.
- (vii) The General Regulations and the Procedures, including this Regulation 45 constitute a “netting contract”.
- (viii) The provisions of the Rulebook (including the Default Rules) and the Procedures providing for the use and liquidation of Collateral each constitute a “security agreement of arrangement or other credit enhancement related to one or more netting contracts between any 2 members of a clearing organization”.
- (ix) For purposes of this Regulation 45, the term “payment” means “a payment of United States dollars, another currency, or a composite currency, and a noncash delivery, including a payment or delivery to liquidate an unmatured obligation”.

REGULATION 46 DISTRIBUTION OF ASSETS

- (a) Where (after any netting and set-off provided for in Regulation 45 of these Regulations, Regulation 10(i) of these Regulations, Regulation 25 of the FCM Regulations, Regulation 7(i) of the FCM Regulations, or otherwise) the Clearing House has insufficient assets available to it to pay all claims of the Clearing Members (which shall include FCM Clearing Members for the purposes of this Regulation 46) in full (including, for the avoidance of doubt, any claims in respect of outstanding Contributions under Default Rule 16(a)(i)), such claims shall be met first in an amount equal to the sum of the outstanding Contributions of each such Clearing Member and, thereafter, *pro rata* to each Clearing Member's remaining claim, taking into account any amounts already received.
- (b) To the extent the Clearing House does not have sufficient assets available to it to pay each Clearing Member the amount equal to the sum of its outstanding Contributions, the Clearing House shall distribute the assets available to it to Clearing Members in respect of their claims relating to outstanding Contributions in priority to other Clearing Member claims, in each case in an amount equal to the proportion that the outstanding Contributions of the relevant Clearing Member bear to the aggregate of all outstanding Contributions of all Clearing Members.

REGULATION 46A SOLVENCY THREATENING TREASURY DEFAULT LOSS

(a) In this Regulation:

"Calculation Period" means, in respect of a type of Business, a period of the number of days specified in the "Combined Loss Value" calculation in relation to the Fund Amount of that type of Business and ending on the business day preceding the date on which the Clearing House determines that a Solvency Threatening Treasury Default Loss has occurred (and the terms "Business", "Combined Loss Value" and "Fund Amount" have the meanings set out in the Default Fund Rules);

"Margin Weight" means:

(i) the aggregate of a Clearing Member's total margin requirement (in respect of all of its Proprietary Accounts and all of its Client Accounts) for each type of Business undertaken by the Clearing Member averaged over the relevant Calculation Period preceding a determination of a Solvency Threatening Treasury Default Loss under Regulation 46A(b) below;

divided by

(ii) the total average margin requirement of all Clearing Members (including FCM Clearing Members) during the same period; and

"Treasury Default" means, in connection with the Clearing House's treasury management activities, the default of: (A) an issuer of a debt instrument underlying a treasury management contract; (B) a counterparty to a treasury management contract; and/or (C) a deposit-taking institution, as determined by the Clearing House in its sole discretion.

(b) In the event of a Treasury Default, the Clearing House may determine in its sole discretion that a loss has been caused by or arises out of a Treasury Default. If the Clearing House so determines, it must determine the quantum of that loss by ascertaining the gross amount of the loss and reducing it by EUR 15 million. The result is referred to as a **"Solvency Threatening Treasury Default Loss"**.

(b) The Clearing House will, in respect of each Clearing Member, determine an amount of the Solvency Threatening Treasury Default Loss to be allocated to that Clearing Member based on that Clearing Member's Margin Weight (an **"Allocated Loss"**). The day on which the Clearing House determines that a Solvency Threatening Treasury Default Loss has taken place shall be the determination day for the purposes of establishing the Calculation Period.

(c) The maximum Allocated Loss that each Clearing Member can be allocated is equal to: (i) the total Clearing House treasury investment portfolio immediately prior to the Solvency Threatening Treasury Default Loss, reduced by EUR 15 million; multiplied by (ii) that Clearing Member's Margin Weight. For the purpose of the calculation of Margin Weight, the margin requirements for any Clearing Member who has become a defaulter at any point prior to the date of allocation, shall be disregarded.

- (d) Each Clearing Member shall pay to the Clearing House within an hour of demand a cash amount equal to its Allocated Loss. The Clearing House shall be entitled to debit such cash amount from the PPS account associated with that Clearing Member's Proprietary Account.
- (e) Any determination made by the Clearing House, and any action taken by the Clearing House, pursuant to this Regulation is binding on a Clearing Member and may in no circumstances be challenged or called into question.
- (g) If, after exercising its rights under this Regulation, the Clearing House makes a recovery in respect of the Treasury Default, the Clearing House will (after deducting its own expenses) distribute the net proceeds of such recovery pro rata to the amount of the Allocated Loss paid by each Clearing Member and each FCM Clearing Member in respect of that Treasury Default by crediting the relevant Clearing Member's Proprietary Account. Nothing in this Regulation 46A(g) obliges the Clearing House to pursue any litigation or take other action in order to recover the amounts contemplated hereby.

CHAPTER XII – MISCELLANEOUS

REGULATION 47 PROCEDURES

The Procedures shall take effect and shall be binding on Members as if they formed part of these Regulations save that, in the event of any conflict between the provisions of these Regulations and the Procedures, the provisions of these Regulations shall prevail.

**REGULATION 48 INTERPRETATION OF THESE REGULATIONS;
APPLICABLE LAW**

- (c) Members shall at all times observe, interpret and give effect to the provisions of the Rulebook in a manner which promotes and maintains:

 - (ii) the good reputation and integrity of the Clearing House and the Members; and

- (e) Each Member warrants and undertakes that, in relation to its activities as a Member, (i) it shall not undertake any activities that would amount to, or facilitate or otherwise result in another person committing, tax evasion and (ii) it shall maintain reasonable procedures designed to prevent any employees, agents or other persons who perform services for it or on its behalf from undertaking any such activities. Each Member shall give written notice to the Clearing House forthwith of any apparent breach of this clause and shall forthwith on demand supply to the Clearing House any information requested by the Clearing House related to the Member's compliance with this clause.

REGULATION 49 WAIVER

No failure by the Clearing House to exercise, nor any delay on its part in exercising, any of its rights (in whole or in part) under these Regulations shall operate as a waiver of the Clearing House's rights or remedies upon that or any subsequent occasion, nor shall any single or partial exercise of any right or remedy prevent any further exercise thereof or any other right or remedy.

REGULATION 50 VALIDITY OF REGULATIONS AND ACTION

- (a) If at any time any provision of these Regulations becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of these Regulations nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.
- (b) Action taken by the Clearing House pursuant to Exchange Rules may not be questioned on the ground that the Exchange Rules are to any extent invalid or ultra vires or that a determination or request made by the Exchange, or any agreement made by the Exchange, is ultra vires, incompatible with Exchange Rules or otherwise questionable.

- (a) These Regulations and the Procedures, an OTC Contract, an LSE Derivatives Markets Cleared Exchange Contract, an EquityClear Contract and a Designated Listed Interest Rates Contract and all non-contractual or other obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) Any dispute arising from or in relation to any Contract or in relation to these Regulations shall, unless resolved between the Clearing House and a Member or otherwise provided for in the Regulations, be referred to arbitration under the Relevant Rules in accordance with Regulation 33. This paragraph is subject to Regulation 33(k) and shall not apply to any action, suit or other legal procedure concerning a dispute there referred to.
- (c) The Clearing House and every Member hereby irrevocably agree for the benefit of the Clearing House that the courts of England shall have exclusive jurisdiction to hear and determine any claim or matter arising from or in relation to any Contract or in relation to these Regulations which does not fall to be referred to arbitration under paragraph (b), or to be dealt with under the ATS Rules (as defined in Regulation 63(a)) pursuant to the provisions of Regulation 64 and each Member irrevocably submits to such jurisdiction and to waive any objection which it might otherwise have to such courts being a convenient and appropriate forum, save that this submission to the exclusive jurisdiction of the English courts shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the taking of action in any other jurisdiction, whether concurrently or not.
- (d) Each Member irrevocably waives, with respect to itself and its revenues and assets, all immunity on the grounds of sovereignty or other similar grounds from suit, jurisdiction of any court, relief by way of injunction, order for specific performance or for recovery of property, attachment of its assets (whether before or after judgement) and execution or enforcement of any judgement to which it or its revenues or assets might otherwise be entitled in any proceedings in the courts of any jurisdiction and irrevocably agrees that it will not claim any such immunity in any proceedings.

- (d) Without prejudice to Regulation 52(c) and Regulation 52(e), unless otherwise expressly provided in the Regulations or in any other agreement to which the Clearing House is party, neither the Clearing House nor any other member of the LCH Group shall have any liability under any circumstances (including, without limitation, as a result of any negligence by the Clearing House, or any other member of the LCH Group, or their respective officers, employees, agents or representatives), to any Member, or a SwapClear Dealer, a RepoClear Dealer, or a ForexClear Dealer for any indirect or consequential loss or damage, or loss of anticipated profit (whether direct or indirect) or loss of bargain, suffered or incurred by any such Member, SwapClear Dealer, RepoClear Dealer, or a ForexClear Dealer, and shall not in any circumstances be liable for any loss, cost, damage or expense suffered or incurred by any person as a result of any negligence on the part of the Clearing House, or any other member of the LCH Group, or their respective officers, employees, agents or representatives.
- (e) Nothing in this Regulation 52 shall be construed as an attempt by the Clearing House to exclude any liability for any fraud, fraudulent misrepresentation or wilful default on the part of the Clearing House. The Clearing House accepts liability for any personal injury or death caused by the negligence of the Clearing House, for any fraud or wilful default on the part of the Clearing House, for any gross negligence or wilful misconduct on the part of the Clearing House in connection with the operation of the Portfolio Margining Service, if any, offered to Clearing Members from time to time, and for any actions that it may take on the basis of advice given to it by the Rates Service DMG, and for the accuracy of the information that it distributes to the SwapClear Clearing Members and/or Listed Interest Rates Clearing Members in connection with the Rates Service DMP pursuant to the Rates Service DMP Annex in the Default Rules, and for any actions that it may take on the basis of advice given to it by the ForexClear DMG, and for the accuracy of the information that it distributes to the ForexClear Clearing Members in connection with the ForexClear DMP pursuant to the ForexClear DMP Annex in the Default Rules.

REGULATION 55 REGISTRATION OF SWAPCLEAR CONTRACTS

- (a) A SwapClear Transaction may be presented to the Clearing House for registration as two SwapClear Contracts or one SwapClear Contract, and one FCM SwapClear Contract (in accordance with the other provisions of the Rulebook).
- (b) Once a SwapClear Transaction has been presented to the Clearing House, the Clearing House shall (where applicable in accordance with paragraph (d) below and Section 1.3 (*Registration*) of Procedure 2C (*SwapClear Clearing Service*) request the consent of the relevant SwapClear Clearing Member with whom a SwapClear Contract shall be registered as a result thereof to such registration. Upon the SwapClear Clearing Member providing its consent, such SwapClear Transaction shall be deemed to have been submitted (as such term is defined in the Procedures) by such SwapClear Clearing Member to the Clearing House for registration. Any such consent shall be provided in accordance with the Procedures.
- (c) Each SwapClear Contract shall be registered by the Clearing House either as a SwapClear CTM Contract or a SwapClear STM Contract, and a SwapClear Transaction may be registered as two SwapClear CTM Contracts, a SwapClear CTM Contract and an FCM SwapClear Contract, two SwapClear STM Contracts, a SwapClear STM Contract and an FCM SwapClear Contract or one SwapClear CTM Contract and one SwapClear STM Contract (in accordance with the other provisions of the Rulebook). The registration of a SwapClear Contract as a SwapClear CTM Contract or a SwapClear STM Contract shall be determined by the Clearing House on the basis of an election made by the relevant SwapClear Clearing Member (or a Clearing Client or FCM Client on its behalf) either generally, with reference to a particular account or on a case-by-case basis in accordance with the Procedures. In the absence of any such election, the Clearing House shall register the SwapClear Contract as a SwapClear CTM Contract.
- (d) A SwapClear Clearing Member which has been nominated to clear the SwapClear Contract arising from the registration of a SwapClear Transaction on behalf of a third party Executing Party other than a SwapClear Dealer will (only where such SwapClear Transaction is not a Trading Venue Transaction) be notified by the Clearing House of the relevant SwapClear Transaction and shall choose whether to grant or refuse consent to the registration of such SwapClear Transaction and the SwapClear Contract resulting from such SwapClear Transaction. Where:
 - (i) a SwapClear Clearing Member is an Executing Party to a SwapClear Transaction and shall clear a SwapClear Contract resulting from such SwapClear Transaction;
 - (ii) a SwapClear Dealer approved to clear SwapClear Transactions through a SwapClear Clearing Member is an Executing Party to a SwapClear Transaction and such SwapClear Clearing Member is to clear a SwapClear Contract resulting from such SwapClear Transaction; or
 - (iii) a SwapClear Transaction is an Eligible Trading Venue Transaction in respect of a SwapClear Clearing Member, and a third party Executing Party (other than a SwapClear Dealer) to such SwapClear Transaction has nominated

such SwapClear Clearing Member to clear a SwapClear Contract resulting from such SwapClear Transaction,

the consent of that SwapClear Clearing Member to the registration of the relevant SwapClear Contract will occur automatically and without the need for any further action by such SwapClear Clearing Member.

- (e) The Clearing House shall register or reject the registration of a SwapClear Contract in respect of a SwapClear Transaction presented for registration subject to, and in accordance with these Regulations, the Procedures and all Applicable Law, where the following are conditions for registration of such SwapClear Contract :
- (i) both sides of the relevant SwapClear Transaction have been properly presented and submitted for clearing by (or on behalf of the) the Executing Parties;
 - (ii) the relevant SwapClear Transaction meets the eligibility criteria as prescribed on the Clearing House's website at the time the particulars of the SwapClear Transaction are presented to the Clearing House and continues to meet such criteria at the Registration Time;
 - (iii) such SwapClear Contract is consented to by the relevant SwapClear Clearing Member (to the extent such consent is required) in accordance with paragraph (d) above and Section 1.3.2 of Procedure 2C;
 - (iv) the applicable SwapClear Clearing Member has transferred, upon request of the Clearing House and in accordance with Regulation 20 and such other applicable provisions of the Rulebook, all required Collateral in respect of such SwapClear Contract prior to registration (taking into account any available SwapClear Tolerance); provided that such Collateral need not be transferred prior to registration as a condition to the registration of such SwapClear Contract where such SwapClear Contract results from a SwapClear Transaction that is a Sub-Block Trading Venue Transaction; and
 - (v) all the conditions applicable (under the terms of the Rulebook or the FCM Rulebook, as the case may be) for the registration of the other SwapClear Contract or the FCM SwapClear Contract (as the case may be) deriving from the relevant SwapClear Transaction have been satisfied.
- (f) From the time of registration by the Clearing House of two SwapClear Contracts or one SwapClear Contract and one FCM SwapClear Contract (as the case may be) (the "**Registration Time**") in respect of a SwapClear Transaction in accordance with the Procedures:
- (i) in respect of an Executing Party to the SwapClear Transaction which is:
 - (A) not a SwapClear Clearing Member, FCM Clearing Member or SwapClear Dealer, the rights and obligations of such Executing Party, in respect of the SwapClear Transaction, shall be governed by the applicable Execution Terms (if any); and

- (B) a SwapClear Clearing Member, FCM Clearing Member or SwapClear Dealer, such Executing Party shall be released and discharged from all rights and obligations (in respect of its role as Executing Party), in respect of the SwapClear Transaction, which fall due for performance on or after the Registration Time;
 - (ii) the relevant SwapClear Clearing Member(s) will be deemed to be and will be bound by the SwapClear Contract(s) with the Clearing House automatically and without any further action on its part, on terms that, without limitation, incorporate all applicable terms of the Rulebook (including the SwapClear Contract Terms applicable to the relevant SwapClear Contract); and
 - (iii) if the SwapClear Contract applicable to a SwapClear Clearing Member is designated as a SwapClear STM Contract pursuant to Regulation 55(b), the SwapClear Contract Terms applicable to that SwapClear STM Contract will automatically, and without any further action by either party, include the SwapClear STM Terms.
- (g) The Economic Terms shall be such that: (A) a SwapClear Clearing Member paying (or clearing on behalf of a person paying) Rate X and receiving (or clearing on behalf of a person receiving) Rate Y under a SwapClear Transaction shall have such rights against, and owe such obligations to, the Clearing House under the corresponding SwapClear Contract registered by it in respect of such SwapClear Transaction as further provided for in the final paragraph of this sub-paragraph (g) and (B) a SwapClear Clearing Member paying (or clearing on behalf of a person paying) Rate Y and receiving (or clearing on behalf of a person receiving) Rate X under a SwapClear Transaction shall have such rights against, and owe such obligations to, the Clearing House under the corresponding SwapClear Contract registered by it in respect of such SwapClear Transaction as further provided for in the final paragraph of this sub-paragraph (g).

In this sub-paragraph (g), a reference to the "**rights**" and "**obligations**" is a reference to rights and obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations set out in the Economic Terms of the corresponding SwapClear Transaction (it being assumed, for this purpose, that such SwapClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms. In this sub-paragraph (g), a reference to "**paying**" means either paying under a SwapClear Transaction that is an existing swap transaction or "agreeing to pay" under a SwapClear Transaction that is contingent on clearing.

- (h) If at any time after registration of a SwapClear Contract, the Clearing House determines that the corresponding SwapClear Transaction of which details were presented for registration did not, at the Registration Time, meet the SwapClear Eligibility Criteria in existence at the Registration Time (an "**Ineligible SwapClear Transaction**"), the Clearing House shall, immediately set aside both SwapClear Contracts (or, in the case of a SwapClear Transaction that resulted in a SwapClear Contract and an FCM SwapClear Contract, such SwapClear Contract) arising from

such Ineligible SwapClear Transaction. Upon a SwapClear Contract (an "**Ineligible SwapClear Contract**") being set aside under this paragraph (h): (1) the Clearing House will notify the SwapClear Clearing Member party to such Ineligible SwapClear Contract via the Approved Trade Source System through which details of the relevant Ineligible SwapClear Transaction were originally presented to the Clearing House that such Ineligible SwapClear Contract has been set aside; and (2) such Ineligible SwapClear Contract shall immediately be deemed to be terminated and shall thereafter have no force or effect. Where an Ineligible SwapClear Contract is set aside pursuant to this paragraph (h), all payments (including, without limitation, variation margin) (if any) paid by the Clearing House or by a SwapClear Clearing Member in respect of such ineligible SwapClear Contract up to and including the time when such Ineligible SwapClear Contract was set aside shall be retained by the receiving party upon termination as a termination payment. Any other payment obligations in respect of an Ineligible SwapClear Contract and/or the relevant Ineligible SwapClear Transaction shall be as agreed between the Executing Parties to such Ineligible SwapClear Transaction and shall not be paid by or to the Clearing House.

- (i) Notwithstanding anything to the contrary in this Rulebook, the Clearing House may decline to register a SwapClear Transaction as a SwapClear Contract or a SwapClear Contract and a FCM SwapClear Contract (as the case may be) where it considers such action advisable for its own protection or the protection of the relevant market; **provided that** the Clearing House may (subject to the provisions of the Rulebook) register any SwapClear Contract which reduces the risk exposure of the Clearing House and the applicable SwapClear Clearing Member, as determined in the discretion of the Clearing House. The Clearing House may, subject to sub-paragraph (e) above and without assigning any reason, make the registration of any SwapClear Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the transfer to the Clearing House of additional Collateral by any SwapClear Clearing Member in whose name any such SwapClear Transaction is to be registered.
- (j) Any SwapClear Transaction of which details have been presented for registration and which are not so registered will be governed by the applicable Execution Terms among the relevant parties, and the Clearing House shall have no obligations or liability in relation thereto.
- (k) If a SwapClear Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration such revocation, avoidance or invalidity shall not affect any SwapClear Contract arising under this Regulation 55, Regulation 12(b) or Regulation 18.
- (l) Where a transfer of an open contract (the **Original Contract**) which is a SwapClear Contract takes place pursuant to Regulation 12(b), if so instructed by the SwapClear Clearing Member into whose name the contract was transferred the Clearing House may, in its sole and absolute discretion, and subject to any conditions stipulated by it, register the new open contract as a SwapClear STM Contract notwithstanding that the Original Contract was registered as a SwapClear CTM Contract. If the Clearing House makes such a designation, the new open contract shall automatically, and without any further action from either party, be a SwapClear STM Contract that is subject to the SwapClear STM Terms. For the avoidance of doubt, the transfer of an

Original Contract (including a transfer that is made pursuant to the Default Rules) shall be effected by that Original Contract being closed-out and a new SwapClear Contract being established, and the applicable provisions of this Regulation 55 shall apply to the registration of such new SwapClear Contract.

- (m) In the case of a SwapClear Contract registered by the Clearing House pursuant to Rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 55 shall take effect.

REGULATION 56 COMPRESSION

- (a) Notwithstanding any other provision of these Regulations if:
- (i) one or more SwapClear Contracts registered by a SwapClear Clearing Member in accordance with the Rulebook has substantially the same Economic Terms as one or more other SwapClear Contracts registered for the account of such SwapClear Clearing Member, and
 - (ii) all such SwapClear Contracts are registered (a) on the SwapClear Clearing Member's own behalf to its Proprietary Account, (b) on behalf of the same SwapClear Clearing Client and to the same Client Account (which is not an Indirect Gross Account), or (c) on behalf of the same SwapClear Clearing Client and to the same Indirect Gross Sub-Account,

then, to the extent permitted in the Procedures and this Regulation 56, the SwapClear Clearing Member may request that the Clearing House compress and combine all such SwapClear Contracts by terminating the relevant existing SwapClear Contracts and in some instances, compressing them into one or more SwapClear Contracts having a net future cash flow equal to the net future cash flow of such original SwapClear Contracts (including, for the purposes of determining the net future cash flow of a SwapClear STM Contract, the payment obligations of the SwapClear Clearing Member and the Clearing House under the SwapClear STM Terms applicable to such SwapClear STM Contract). For the avoidance of doubt, in no circumstances can a SwapClear Contract registered in the Proprietary Account of a SwapClear Clearing Member be compressed pursuant to this Regulation 56 with a SwapClear Contract registered in the Client Account of that SwapClear Clearing Member.

- (b) For purposes of paragraph (a) above, two or more SwapClear Contracts may be deemed by the Clearing House to have "substantially the same Economic Terms" if they are based on the same underlying currencies and the Clearing House considers them, in its sole discretion, to have substantially the same fundamental economic attributes which influence the amount, value date and direction of all coupon cash flows. For the avoidance of doubt, the Clearing House may determine that two or more SwapClear Contracts have "substantially the same Economic Terms" even if (i) they have differing fixed rates or (ii) they include at least one each of a SwapClear CTM Contract and a SwapClear STM Contract. Two or more SwapClear Contracts that are compressed under the terms of this paragraph and paragraph (a) above shall be aggregated if the position of the SwapClear Clearing Member is in the same direction on each such SwapClear Contract (i.e., obligations to make payment aggregated and rights to receive payment aggregated), such that the SwapClear Contract that replaces the compressed SwapClear Contracts shall have a notional amount equal to the total notional amount of the compressed SwapClear Contracts. Two or more SwapClear Contracts that are compressed under the terms of this paragraph and paragraph (a) above shall be netted if the position of the SwapClear Clearing Member is in the opposite direction on two or more of each such SwapClear Contracts (i.e., obligations to make payment netted against rights to receive payment). In most such cases the SwapClear Contract (if any) that replaces the compressed SwapClear Contracts shall have a notional amount equal to the net notional amount of the compressed SwapClear Contracts, however, in some cases the replacement

SwapClear Contracts will have an aggregate notional amount that is greater than the net notional amount of the compressed SwapClear Contracts **provided that** in no event will the aggregate notional amounts of the replacement SwapClear Contracts be greater than the aggregate notional amounts of the compressed SwapClear Contracts, and **provided further** that in the event that the net notional amount and net future cash flows are equal to zero such compression shall result in no replacement SwapClear Contracts. The Clearing House shall determine (in its sole discretion) whether SwapClear Contracts that are the subject of a request for compression from the SwapClear Clearing Member may be compressed and, if such SwapClear Contracts are compressed, the Clearing House shall determine the resulting terms of the SwapClear Contract(s) (if any) that replaces the compressed SwapClear Contracts, and such determination shall be binding on the SwapClear Clearing Member, absent manifest error. It is a condition for compression of SwapClear Contracts that the amount of Collateral that the Clearing House requires in respect of the original SwapClear Contracts is equal to that which is required by the Clearing House in respect of the replacement SwapClear Contract(s).

Following the compression of SwapClear Contracts pursuant to Regulation 56(a), and in the event that the Clearing House considers in its sole discretion that the post-compression SwapClear Contracts have a “small notional amount,” then Clearing House may, upon written request by the relevant SwapClear Clearing Member, effect the termination of the SwapClear Contract(s) with a small notional amount. By making a request to terminate SwapClear Contracts in accordance with this Regulation 56(b), the relevant SwapClear Clearing Member shall be deemed to represent and warrant that: (i) such termination, if effected, will be in accordance with Applicable Law; and (ii) it consents to the termination of the relevant SwapClear Contracts.

- (c) If:
- (i) the SwapClear Contracts that are the subject of a SwapClear Clearing Member’s compression request pursuant to (a) above comprise only SwapClear CTM Contracts, then the one or more SwapClear Contracts that come into existence immediately following, and as a result of, the compression shall all be SwapClear CTM Contracts;
 - (ii) the SwapClear Contracts that are the subject of a SwapClear Clearing Member’s compression request pursuant to (a) above comprise only SwapClear STM Contracts, then the one or more SwapClear Contracts that come into existence immediately following, and as a result of, the compression shall all be SwapClear STM Contracts; and
 - (iii) the SwapClear Contracts that are the subject of a SwapClear Clearing Member’s compression request pursuant to (a) above comprise both SwapClear CTM Contracts and SwapClear STM Contracts, then:
 - (A) the SwapClear Clearing Member’s compression request pursuant to (a) above shall be deemed to be a STM Conversion Request in respect of those SwapClear Contracts that are SwapClear CTM Contracts, and accordingly Regulation 57A(m)-(p) (inclusive) shall apply; and

- (B) it shall be a condition precedent to the occurrence of the compression requested under this Regulation 56 that the SwapClear CTM Contracts that are the subject of the SwapClear Clearing Member's compression request have been converted into SwapClear STM Contracts in accordance with Regulation 57A
- (d) In addition, the Clearing House may, from time to time in its absolute discretion, make available in accordance with this Regulation 56 and/or the Procedures, Multilateral Compression on the basis of a Multilateral Compression Cycle which is either:
- (i) an ACSP Compression Cycle, available to SwapClear Clearing Members and/or applicable FCM Clearing Members; or
 - (ii) a Member Compression Cycle, where so requested by two Compression Clearing Members and agreed to by the Clearing House,
- (each such SwapClear Clearing Member, a “**Compression Clearing Member**”).
- (e) In participating in any Multilateral Compression Cycle, a Compression Clearing Member:
- (i) must be party to relevant Compression Documentation with the Clearing House and/or any nominated ACSP at such time as is contemplated in the Compression Documentation and from such time up to and including the Compression Time for that Multilateral Compression Cycle and at all relevant times must be accepted by the Clearing House and/or any nominated ACSP as an entity eligible to participate in such Multilateral Compression Cycle;
 - (ii) in relation to an ACSP Compression Cycle, shall nominate those SwapClear Contracts (which may be SwapClear CTM Contracts, SwapClear STM Contracts or a combination of the same) that it wishes to make available for Multilateral Compression in accordance with the relevant Compression Documentation;
 - (iii) in relation to a Member Compression Cycle, the relevant Compression Clearing Members shall provide to the Clearing House a Compression Proposal, determined in accordance with the Procedures;
 - (iv) agrees and acknowledges that;
 - (A) if the Terminating SwapClear Contracts that form part of the Compression Proposal comprise both SwapClear CTM Contracts and SwapClear STM Contracts, then:
 - (1) the SwapClear Clearing Member's identification of the SwapClear Contracts that it wishes to make available for Multilateral Compression pursuant to (ii) and/or (iii) above shall be deemed to be a STM Conversion Request in respect of those SwapClear Contracts so identified that are SwapClear CTM Contracts, and accordingly Regulation 57A (m)-(p) (inclusive) shall apply; and

- (2) it shall be a condition precedent to the occurrence of the Multilateral Compression requested under this Regulation 56 that the SwapClear CTM Contracts that are the subject of the proposed compression have been converted into SwapClear STM Contracts in accordance with Regulation 57A.
 - (B) if the Terminating SwapClear Contracts that form part of the Compression Proposal comprise only SwapClear CTM Contracts, the Post-Multilateral Compression Contracts shall also all be SwapClear CTM Contracts; and
 - (C) if the Terminating SwapClear Contracts that form part of the Compression Proposal comprise only SwapClear STM Contracts, the Post-Multilateral Compression Contracts shall also all be SwapClear STM Contracts.
- (v) warrants and represents to the Clearing House that the terms of its participation in the proposed Multilateral Compression Cycle are in compliance with Applicable Law;
 - (vi) agrees and acknowledges that the Multilateral Compression Cycle will operate, and Multilateral Compression shall take place, in accordance with this Regulation 56 and/or the Procedures, the relevant Compression Proposal as accepted by such Compression Clearing Member, relevant Compression Documentation (if any) and such other processes and procedures as may be notified by the Clearing House from time to time; and
 - (vii) warrants and represents that, in the event that it provides or receives instructions to or from the Clearing House or to the ACSP with respect to a SwapClear Clearing Client and in connection with a Multilateral Compression Cycle, that it is authorised to provide or receive such instructions with respect to such SwapClear Clearing Client.
- (f) Where the Clearing House intends to run an ACSP Compression Cycle, it shall nominate an ACSP to facilitate such ACSP Compression Cycle and produce the Compression Proposal. Such ACSP shall notify Compression Clearing Members meeting the criteria at (e)(i) above of the timing and procedure for such ACSP Compression Cycle and invite such Compression Clearing Members to confirm their interest, either on their own account or with respect to a SwapClear Clearing Client (where applicable). The Compression Documentation for such Multilateral Compression Cycle shall include any documentation relevant to that ACSP. Additional information on the administrative procedures for any Multilateral Compression Cycle may be included in the Compression Documentation or other procedures published by the Clearing House or a nominated ACSP from time to time or in connection with a particular Multilateral Compression Cycle.
 - (g) In any Multilateral Compression Cycle, Multilateral Compression shall only take place in accordance with the terms of a Compression Proposal which has been established and accepted by all participating Compression Clearing Members in accordance with this Regulation 56, FCM Regulation 46 and/or the Procedures, as applicable. Notwithstanding the other provisions of this Regulation 56, the Clearing

House shall determine (in its sole discretion) whether SwapClear Contracts proposed for inclusion in a Compression Proposal may be so included.

- (h) A Compression Proposal shall:
 - (i) in relation to an ACSP Compression Cycle, be generated by the nominated ACSP in accordance with the relevant Compression Documentation and details submitted to the ACSP by participating Compression Clearing Members and be communicated by the ACSP to each participating Compression Clearing Member in the manner contemplated in the relevant Compression Documentation for acceptance;
 - (ii) in relation to a Member Compression Cycle, be constituted by the details submitted to the Clearing House by the requesting Compression Clearing Members (subject to the Clearing House's determination that such proposed details are eligible for Multilateral Compression), and shall form the basis for the subsequent acceptance by each requesting Compression Clearing Member; and
 - (iii) in all cases include only those SwapClear Contracts that are eligible for Multilateral Compression in the relevant Multilateral Compression Cycle.
- (i) Where it wishes to participate in a Multilateral Compression Cycle, each participating Compression Clearing Member shall confirm its acceptance of a Compression Proposal in the manner and by the time specified by the Clearing House or otherwise contemplated in the relevant Compression Documentation. In relation to an ACSP Compression Cycle, each participating Compression Clearing Member agrees and acknowledges that the ACSP's confirmation to the Clearing House that such Compression Clearing Member has confirmed its acceptance of the Compression Proposal, either on its own account or with respect to a SwapClear Clearing Client (including, where relevant, with respect to an Indirect Gross Sub-Account), to the ACSP shall constitute a binding acceptance by such Compression Clearing Member to the Clearing House for the purposes of this Regulation 56. Upon a Compression Clearing Member's acceptance of a Compression Proposal in accordance with this paragraph, either on its own account or with respect to a SwapClear Clearing Client (including, where relevant, with respect to an Indirect Gross Sub-Account), such Compression Clearing Member shall be irrevocably bound to the terms of that Compression Proposal and the Multilateral Compression contemplated thereunder.
- (j) The Clearing House may require margin, subsequent to a Compression Clearing Member's acceptance of a Compression Proposal but prior to the Compression Time, in connection with the Multilateral Compression Cycle and the Compression Clearing Member's positions thereunder.
- (k) Each Compression Clearing Member that confirms its acceptance of a Compression Proposal in accordance with relevant Compression Documentation and/or the Procedures agrees and acknowledges for the benefit of the Clearing House that, by its acceptance, such Compression Clearing Member:

- (i) shall be bound by and act in accordance with the terms of this Regulation 56, the Compression Documentation and any notifications made by the Clearing House or any nominated ACSP pursuant thereto;
 - (ii) shall meet any margin calls from the Clearing House made prior to the Compression Time, and shall pay to the Clearing House any amounts that have become due and payable to the Clearing House under the SwapClear STM Terms at or prior to the Compression Time, in connection with the Multilateral Compression Cycle. Any such margin will be called, and any such amounts shall be paid, in accordance with the Procedures; and
 - (iii) is bound by the terms of the Compression Proposal and the terminations and, where applicable, registrations of SwapClear Contracts comprised therein.
- (l) Following acceptance of the Compression Proposal by all participating Compression Clearing Members, the Clearing House shall effect Multilateral Compression at such time as it may determine. For the avoidance of doubt, the irrevocable acceptance of a Compression Proposal by participating Compression Clearing Members shall not bind or require the Clearing House to proceed with a Multilateral Compression Cycle. At any time prior to the Compression Time, the Clearing House may, in its sole and absolute discretion, decide not to proceed with a Multilateral Compression Cycle.
- (m) Without prejudice to the rights of the Clearing House set out in paragraph (l) above, a Compression Proposal shall be rejected by the Clearing House if:
- (i) a Compression Clearing Member that has accepted a Compression Proposal is not eligible to participate in the relevant Multilateral Compression Cycle;
 - (ii) any of the SwapClear Contracts included as a Post-Multilateral Compression Contract or a Terminating SwapClear Contract are not eligible for such Multilateral Compression Cycle;
 - (iii) in relation to a Member Compression Cycle, the proposals submitted by the relevant Compression Clearing Members do not match; or
 - (iv) any Compression Clearing Member due to participate in a Multilateral Compression Cycle rejects the Compression Proposal or does not provide the margin, or make any other payments, as required by the Clearing House (a “**Rejecting Compression Clearing Member**”).
- (n) When the Clearing House effects a Multilateral Compression, it shall terminate all Terminating SwapClear Contracts and, where the Multilateral Compression includes the registration of Post-Multilateral Compression Contracts, simultaneously with and contingent upon the termination of such Terminating SwapClear Contracts, shall register the Post-Multilateral Compression Contracts in the name of the relevant Compression Clearing Members (either in their respective Proprietary Account or Client Account, as applicable). The Clearing House shall notify the participating Compression Clearing Members once the Multilateral Compression has been effected. Compression Clearing Members are responsible for providing notifications to SwapClear Clearing Clients.

- (o) Unless otherwise stated in the relevant Compression Documentation, the Clearing House shall have no involvement in and accepts no responsibility or liability in relation to any Multilateral Compression-related balancing, termination or ancillary payments or fees that participating Compression Clearing Members (or SwapClear Clearing Clients) may agree between themselves in accordance with relevant Compression Documentation or otherwise. In the event the Clearing House agrees to participate in the processing of ancillary payments or fees pursuant to the relevant Compression Documentation, the Clearing House accepts no liability to any Compression Clearing Member, SwapClear Clearing Client or third party in connection with or related to the processing of such ancillary payments or fees.
- (p) Without prejudice to any other provisions of these Regulations, in particular Regulation 45, or any Compression Documentation, neither the Clearing House, nor any other member of LCH Group shall have any liability whatsoever to any Compression Clearing Member or to any other person (including any SwapClear Clearing Client and any Indirect Clearing Client) in contract, tort (including, without limitation, negligence), trust, as a fiduciary or under any other cause of action in respect of any damages, losses, costs or expenses of whatsoever nature suffered or incurred by a Compression Clearing Member or any other person (including any SwapClear Clearing Client and any Indirect Clearing Client), as the case may be:
 - (i) as a result of any action the Clearing House takes under this Regulation 56, whether in accordance with a Compression Proposal, in reliance on information provided by Compression Clearing Members or any ACSP or otherwise;
 - (ii) in relation to an ACSP Compression Cycle, as a result of any action or omission of an ACSP, including, without limitation, any error or omission in the terms of any Compression Proposal; or
 - (iii) in relation to any Multilateral Compression Cycle, as a result of any action or omission of a participating Compression Clearing Member, including, without limitation, any error or omission in the terms of any Compression Proposal.
- (q) An ACSP's liability in respect of its acts or omissions is subject to the relevant terms of the applicable Compression Documentation.
- (r) Any notification or communication required in connection with a Multilateral Compression Cycle shall be made in accordance with the Compression Documentation (if any) or, if not specified in the Compression Documentation, the Procedures or such other guidance as the Clearing House may provide from time to time.
- (s) Notwithstanding any other provision of these Regulations or the terms of the SwapClear Contracts, the Clearing House may disclose details of any Compression Proposal and related details of Compression Clearing Members including (with respect to their Proprietary Accounts and Client Accounts) to any ACSP or otherwise as the Clearing House considers appropriate in order to facilitate a Multilateral Compression Cycle.

- (t) Where a Clearing Member is a Rejecting Compression Clearing Member with respect to a Multilateral Compression Cycle and acting with respect to one or more of its Client Accounts, the Clearing House may, in its sole discretion, prevent such Clearing Member from participating in future Multilateral Compression Cycles with respect to its Client Account unless or until the Clearing House considers such Client Account operationally capable of doing so, in its sole discretion.
- (u) **Unallocated SCM SwapClear Transactions.** In accordance with all other applicable provisions of the Rulebook, a SwapClear Clearing Member may register a SwapClear Contract subject to post-registration allocation on behalf of a Pre-Allocation Executing Party in accordance with the following provisions:
- (i) In order for a SwapClear Transaction executed by a Pre-Allocation Executing Party to be subject to post-registration allocation (such transaction, an “**Unallocated SCM SwapClear Transaction**”), the SwapClear Clearing Member that will be registering the Unallocated SCM SwapClear Transaction (such SwapClear Clearing Member, a “**Pre-Allocation SwapClear Clearing Member**”) must have notified the Clearing House that it wishes to establish an SCM SwapClear Suspension Sub-Account with respect to that Pre-Allocation Executing Party and the Clearing House shall have opened such SCM SwapClear Suspension Sub-Account for the SwapClear Clearing Member.
 - (ii) The SwapClear Contract registered on behalf of a Pre-Allocation Executing Party that results from an Unallocated SCM SwapClear Transaction (an “**Unallocated SCM SwapClear Contract**”) shall be registered in the SCM SwapClear Suspension Sub-Account. The beneficial owner of the Unallocated SCM SwapClear Contract shall be the unidentified SwapClear Clearing Client on whose behalf the Unallocated SCM SwapClear Transaction was executed.
 - (iii) In order to allocate an Unallocated SCM SwapClear Transaction, a Pre-Allocation Executing Party or Pre-Allocation SwapClear Clearing Member must provide the Clearing House with one or more Allocation Notices. Each Allocation Notice shall be delivered to the Clearing House via an Approved Trade Source System, the SwapClear API or such other means as notified by the Clearing House. Where the foregoing delivery methods are unavailable, or in such other circumstances that the Clearing House deems appropriate, the Pre-Allocation Executing Party or Pre-Allocation SwapClear Clearing Member as the case may be may provide the Allocation Notice in the form of a direct written request, subject that the processing of an Allocation Notice received as a direct written request may take the Clearing House up to five (5) Business Days.
 - (iv) Where an Allocation Notice: (i) contains instructions that would result in the allocation of a notional value that is greater than the notional value of the Unallocated SCM SwapClear Contract to which such Allocation Notice relates; or (ii) does not relate to an Unallocated SCM SwapClear Contract; or (iii) seeks to allocate part of all of an Unallocated SCM SwapClear Contract to a Proprietary Account of a SwapClear Clearing Member other than the Pre-Allocation SwapClear Clearing Member, then such Allocation Notice shall be ineligible and shall be rejected by the Clearing House. For the avoidance of doubt, the Post-Allocation Clearing Member(s) need not be the same as the Pre-Allocation SwapClear Clearing Member. Unless or until the Clearing House receives an

eligible Allocation Notice, the Unallocated SCM SwapClear Contract shall remain in the Pre-Allocation SwapClear Clearing Member's SCM SwapClear Suspension Sub-Account and subject to the rules of the Clearing House.

- (v) Following receipt of an eligible Allocation Notice, the Clearing House shall (following acceptance from the relevant Post-Allocation Clearing Member(s) and the Pre-Allocation SwapClear Clearing Member, in the same manner as a new SwapClear Transaction is accepted in accordance with the Procedures):
 - (A) close out the outstanding Unallocated SCM SwapClear Contract and simultaneously register two or more (as applicable) SwapClear Contracts to the same SCM SwapClear Suspension Sub-Account, and these newly registered SwapClear Contracts shall have the same Economic Terms as the Unallocated SCM SwapClear Contract except that they shall have lower notional values corresponding to the allocation instructions provided in the Allocation Notice (which notional values shall, in the aggregate, equal the notional value of the Unallocated SCM SwapClear Contract) – for the purpose of the foregoing, if the Allocation Notice has not allocated the full notional value of the Unallocated SCM SwapClear Contract, one of the SwapClear Contracts so registered by the Clearing House shall be a new Unallocated SCM SwapClear Contract with a notional value equal to that portion of the Unallocated SCM SwapClear Contract that has not been allocated; and
 - (B) following the actions described in paragraph (A) above, transfer one or more of the newly registered SwapClear Contracts resulting from the cancellation of the Unallocated SCM SwapClear Contract to the applicable Client Segregated Sub-Accounts, Client Account or Proprietary Account in accordance with the Allocation Notice. Following the transfer of one or more of the newly registered SwapClear Contracts, any remaining SwapClear Contract that has not been transferred shall thereafter be the Unallocated SCM SwapClear Contract.

Where an Allocation Notice directs the entire notional amount of an Unallocated SCM SwapClear Contract to be allocated to a single Client Segregated Sub-Account, Client Account or the Proprietary Account, then the Clearing House shall not take the steps described in sub-paragraphs (A) and (B) above and shall instead transfer the Unallocated SCM SwapClear Contract to the applicable Client Segregated Sub-Account, Client Account or Proprietary Account following receipt of the Allocation Notice.

Where the transfer is from an SCM SwapClear Suspension Sub-Account to a Client Segregated Sub-Account, the relevant SwapClear Contract shall be converted to an FCM SwapClear Contract.

By a Pre-Allocation SwapClear Clearing Member delivering an eligible Allocation Notice to the Clearing House, that Pre-Allocation SwapClear Clearing Member shall be deemed to represent and warrant that it has been properly authorized by the Pre-Allocation Executing Party to allocate the relevant Unallocated SCM SwapClear Contract or, where the allocation is to such Pre-Allocation SwapClear Clearing Member's Proprietary Account, in accordance with paragraph (vii) below. Where the Clearing House receives an ineligible

Allocation Notice, the Unallocated SCM SwapClear Transaction to which it relates shall remain in the SCM SwapClear Suspension Sub-Account.

- (vi) Subject to paragraph (viii) below, the transfer of an Unallocated SCM SwapClear Contract from the SCM SwapClear Suspension Sub-Account to a Client Segregated Sub-Account, Client Account or Proprietary Account shall be final. In no event can Unallocated SCM SwapClear Contracts be further allocated once they are transferred from the SCM SwapClear Suspension Sub-Account.
- (vii) Where an Unallocated SCM SwapClear Contract has been registered to an SCM SwapClear Suspension Sub-Account and is not allocated by the Pre-Execution Allocating Party or in such other circumstances that the Clearing House considers appropriate, the Pre-Allocation SwapClear Clearing Member may submit an Allocation Notice to the Clearing House requesting the transfer of the relevant Unallocated SCM SwapClear Contract to that SwapClear Clearing Member's Proprietary Account. A SwapClear Clearing Member, through requesting such transfer, shall be deemed to represent that such transfer is in accordance with Applicable Law and regulation and the SwapClear Clearing Member's contractual rights against the Pre-Allocation Executing Party or, if applicable, the Pre-Allocation Executing Party's underlying customer(s).
- (viii) Where an Unallocated SCM SwapClear Contract has been erroneously allocated to a Client Segregated Sub-Account or Client Account, the Clearing House will, in response to a written request from a Post-Allocation Clearing Member and subject to acceptance of the transfer by the relevant Pre-Allocation SwapClear Clearing Member, transfer a SwapClear Contract or FCM SwapClear Contract (as applicable) to the SCM SwapClear Suspension Sub-Account from which that SwapClear Contract was allocated. Following such transfer, the SwapClear Contract shall be treated as an Unallocated SCM SwapClear Contract, except that the provisions of FCM Regulation 46(o)(iv) shall not apply to it, such that an over-allocation will not be ineligible and will result in the allocation of the notional amount prescribed in an Allocation Notice. Any transfer pursuant to this paragraph (viii) must be requested within three Business Days of the original allocation to the relevant Client Segregated Sub-Account or Client Account. Through requesting a transfer pursuant to this paragraph (viii), the Post-Allocation Clearing Member shall be deemed to represent and warrant that the transfer is in accordance with Applicable Law.
- (ix) The registration and allocation of Unallocated SCM SwapClear Contracts as set forth above is subject to all other applicable provisions of the Rulebook including, where applicable, and to the same extent as if an Unallocated SCM SwapClear Transaction or Allocation Notice were a new SwapClear Transaction with respect to the relevant account: (A) the provision by the Pre-Allocation SwapClear Clearing Member of adequate Margin in the SCM SwapClear Suspension Sub-Account at the time of registration of the Unallocated SCM SwapClear Contract; (B) the provision by the applicable Post-Allocation Clearing Member(s) of adequate Margin, at the time of the transfer of the relevant Unallocated SCM SwapClear Contract, in respect of each of the applicable Client Segregated Sub-Accounts, Client Accounts or Proprietary Account to which an Unallocated SCM SwapClear Contract is to be allocated. If adequate Margin is not so provided in respect of each Proprietary Account, Client Account and Client Segregated Sub-Account, the Clearing House may in its sole discretion, delay or reject the

allocation and transfer all or any portions of the Unallocated SwapClear SCM Contract, and may take any other actions permitted under the Rulebook.

- (x) Each Pre-Allocation SwapClear Clearing Member and Post-Allocation SwapClear Clearing Member must comply with Applicable Law, and shall be responsible for ensuring that Pre-Allocation Executing Parties clearing through it are in compliance with Applicable Law.

REGULATION 57 COLLATERALISATION OF SWAPCLEAR CTM CONTRACTS

- (a) The net present value of each SwapClear CTM Contract shall be calculated by the Clearing House for the purposes of determining required variation margin in such manner and at such times as may be provided in the Procedures. Except as prescribed in the Procedures, the net present value calculated by the Clearing House may in no circumstances be called in question.
- (b) The Clearing House shall, at least daily:
- (i) where the net present value of an outstanding SwapClear CTM Contract has moved in favour of the Clearing House since the last valuation, call on the SwapClear Clearing Member to transfer to the Clearing House cash in an amount equal to (A) the net present value to the Clearing House of the relevant SwapClear Contract minus (B) the current balance of cash Collateral provided to the Clearing House by such SwapClear Clearing Member in respect of its variation margin obligations in respect of that SwapClear CTM Contract; and
 - (ii) where the net present value of an outstanding SwapClear CTM Contract has moved in favour of the SwapClear Clearing Member since the last valuation, transfer to the SwapClear Clearing Member cash in an amount equal to (A) the net present value to the SwapClear Clearing Member of the relevant SwapClear CTM Contract minus (B) the current balance of cash Collateral provided to such SwapClear Clearing Member by the Clearing House in respect of its variation margin obligations in respect of that SwapClear CTM Contract,
- provided that:
- (iii) (A) and/or (B), as used in sub-paragraphs (i) and (ii) above, may be negative numbers where the net present value of a SwapClear Contract has moved in favour of the party that was "out of the money" at the time of the preceding valuation;
 - (iv) any time the calculation provided for in this Regulation 57 is performed for the first time in respect of any particular SwapClear CTM Contract that SwapClear CTM Contract shall for the purpose of sub-paragraphs (i) and (ii) above be deemed to have had a net present value of zero at the time of the preceding valuation; and
 - (v) the calculations under this Regulation 57 shall disregard any amount previously determined to be payable by one party to the other pursuant to Regulation 57 but which has not yet been so transferred.
- (c) Cash provided by the Clearing House or a SwapClear Clearing Member under Regulation 57 is provided by way of title transfer and, other than where the provision of cash reduces a party's current balance of cash Collateral, for the purpose of collateralising the relevant party's obligations under the relevant SwapClear CTM Contract(s).

(d) In respect of all SwapClear CTM Contracts, on every Business Day, the Clearing House shall aggregate:

(i) the sums which would otherwise have been payable by the SwapClear Clearing Member to the Clearing House as cash Collateral (in respect of variation margin obligations) on such date, any coupon payments which would otherwise have been due on that date from the SwapClear Clearing Member to the Clearing House and any other sums which would otherwise have been payable by the SwapClear Clearing Member to the Clearing House on such date (including any amounts due in respect of an obligation to return cash Collateral and any settlement amounts payable under a SwapClear CTM Contract or a Portfolio Margined Contract and excluding any amounts which are to be Charged Cash Collateral); and

(ii) the sums which would otherwise have been payable by the Clearing House to the SwapClear Clearing Member as cash Collateral (in respect of variation margin obligations) on such date, any coupon payments which would otherwise have been due on that date from the Clearing House to the SwapClear Clearing Member and any other sums which would otherwise have been payable by the Clearing House to the SwapClear Clearing Member on such date (including any amounts due in respect of an obligation to return cash Collateral which is not Charged Cash Collateral and any settlement amounts payable under a SwapClear CTM Contract or a Portfolio Margined Contract),

(in each case which are payable in the same currency and which are payable in respect of the same Client Account (that is not an Indirect Gross Account), Proprietary Account or Indirect Gross Sub-Account (as applicable)), and all such sums shall be automatically satisfied and discharged and only the excess of the larger aggregate amount over the smaller aggregate amount shall be payable by the party by whom the larger aggregate amount would otherwise have been payable.

(e) The parties acknowledge that the effect of Regulation 57(d) is that any settlement payment obligation of a Clearing Member (or of the Clearing House) under a SwapClear CTM Contract and any obligation of the Clearing House's (or of the Clearing Member) on the date of such settlement to return same-currency cash Collateral provided to it by way of variation margin in respect of that SwapClear CTM Contract will be netted against each other, with only the balance being payable in accordance with Regulation 57(d)

REGULATION 57A SETTLEMENT OF SWAPCLEAR STM CONTRACTS AND CONVERSION TO SWAPCLEAR STM CONTRACTS

- (a) Each SwapClear Contract registered in the name of a SwapClear Clearing Member that is established under the laws of any state of the United States or under the federal laws of the United States shall be designated a SwapClear STM Contract.
- (b) Notwithstanding anything to the contrary in Regulation 20, neither the Clearing House nor a SwapClear Clearing Member shall be obliged to make any payment by way of variation margin in respect of a SwapClear STM Contract. This Regulation 57A shall be without prejudice to the Clearing House's other rights to require Collateral to be transferred to it under Regulation 20 (including, but not limited to, its right to require Collateral to be transferred to it in respect of a SwapClear Clearing Member's initial margin obligations in respect of a SwapClear STM Contract).
- (c) The Clearing House shall, at least once per Business Day, determine (i) the change in the net present value of each SwapClear STM Contract, and (ii) the Price Alignment Amount payable on such Business Day, in each case in such manner and at such times as may be provided in the Procedures. Immediately upon the Clearing House making each such determination of the net present value of a SwapClear STM Contract, an NPV Reset shall occur with respect to that SwapClear STM Contract.
- (d) Upon the occurrence of an NPV Reset in relation to a SwapClear STM Contract:
 - (iii) if the Clearing House has determined that the net present value of the SwapClear STM Contract has increased since the immediately preceding NPV Reset, an amount of cash denominated in the currency of the SwapClear STM Contract (as specified in the Economic Terms relating to that SwapClear STM Contract) equal to the amount of such increase shall immediately become due and payable by the SwapClear Clearing Member to the Clearing House under the SwapClear STM Terms;
 - (iv) if the Clearing House has determined that the net present value of the SwapClear STM Contract has decreased since the immediately preceding NPV Reset, an amount of cash denominated in the currency of the SwapClear STM Contract (as specified in the Economic Terms relating to that SwapClear STM Contract) equal to the amount of such decrease shall immediately become due and payable by the Clearing House to the SwapClear Clearing Member under the SwapClear STM Terms;
 - (v) if the Clearing House has determined that the net present value of the SwapClear STM Contract has not changed since the immediately preceding NPV Reset, neither the Clearing House nor the SwapClear Clearing Member shall be obliged to make any payment; and
 - (vi) the net present value of the SwapClear STM Contract shall for all purposes be equal to zero.
- (e) The SwapClear Clearing Member and the Clearing House hereby agree that:

- (i) for the avoidance of doubt, an "increase" in the net present value of a SwapClear STM Contract shall mean that the net present value of that SwapClear STM Contract has moved in favour of the Clearing House since the immediately preceding NPV Reset;
 - (ii) for the avoidance of doubt, a "decrease" in the net present value of a SwapClear STM Contract shall mean that the net present value of that SwapClear STM Contract has moved in favour of the SwapClear Clearing Member since the immediately preceding NPV Reset; and
 - (iii) unless otherwise agreed between the SwapClear Clearing Member and the Clearing House, the net present value of a SwapClear STM Contract on the Trade Date (as such term is defined in the SwapClear STM Terms applicable to that SwapClear STM Contract) shall be equal to zero.
- (f) Except as prescribed in the Procedures, the net present value calculated by the Clearing House shall in no circumstances be called in question.
- (g) Upon the Clearing House's determination of the Price Alignment Amount in relation to a SwapClear STM Contract:
- (i) if the Clearing House has determined that the Cumulative Net Present Value is greater than zero, then, subject to (iii) below, an amount of cash denominated in the currency of the SwapClear STM Contract (as specified in the Economic Terms relating to that SwapClear STM Contract) equal to the Price Alignment Amount shall immediately become due and payable by the Clearing House to the SwapClear Clearing Member;
 - (ii) if the Clearing House has determined that the Cumulative Net Present Value is less than zero, then, subject to (iii) below, an amount of cash denominated in the currency of the SwapClear STM Contract (as specified in the Economic Terms relating to that SwapClear STM Contract) equal to the Price Alignment Amount shall immediately become due and payable by the SwapClear Clearing Member to the Clearing House; and
 - (iii) if the Price Alignment Amount payable by a party on a Business Day (as such term is defined in the SwapClear STM Terms relating to that SwapClear STM Contract) is a negative amount, then the Price Alignment Amount payable by that party will be deemed to be zero, and the other party will pay to that party the absolute value of the negative Price Alignment Amount on such Business Day (as such term is defined in the SwapClear STM Terms relating to that SwapClear STM Contract).
- (h) For the purpose of determining the Cumulative Net Present Value of a SwapClear STM Contract that has been either (i) transferred to a Backup Clearing Member pursuant to the Default Rules in relation to SwapClear Contracts, or (ii) transferred to a Receiving Clearing Member pursuant to Regulation 60, the Trade Date of the SwapClear STM Contract that comes into existence immediately following such transfer shall be the Trade Date of the SwapClear STM Contract that was so transferred.

- (i) For the purpose of determining the Cumulative Net Present Value of a SwapClear STM Contract that has been converted from a SwapClear CTM Contract pursuant to this Regulation 57A the Trade Date of the SwapClear STM Contract that comes into existence immediately following such conversion shall be the Trade Date of the SwapClear CTM Contract that was so converted.
- (j) The payment of each of the amounts due and payable under the SwapClear STM Terms applicable to a SwapClear STM Contract shall be made in such manner and at such times as may be provided in the Procedures.
- (k) In respect of all SwapClear STM Contracts the Clearing House shall:
 - (i) on each Business Day (as such term is defined in the SwapClear STM Terms relating to that SwapClear STM Contract), and to the extent that the following amounts are payable in the same currency and in respect of the same Client Account (that is not an Indirect Gross Account), Proprietary Account or Indirect Gross Sub-Account (as applicable), aggregate:
 - (A) the amounts (if any) payable by the SwapClear Clearing Member to the Clearing House on such Business Day in accordance with Regulation 57A(c);
 - (B) the Price Alignment Amount (if any) payable by the SwapClear Clearing Member to the Clearing House on such Business Day in accordance with Regulation 57A(f);
 - (C) the amounts (if any) of the coupon payment payable by the SwapClear Clearing Member to the Clearing House on such Business Day in accordance with the Procedures; and
 - (D) any other amounts which are payable by the SwapClear Clearing Member to the Clearing House on such Business Day (excluding any amounts which are to be Charged Cash Collateral),
 - (ii) on each Business Day (as such term is defined in the SwapClear STM Terms relating to that SwapClear STM Contract), and to the extent that the following amounts are payable in the same currency and in respect of the same Client Account (that is not an Indirect Gross Account), Proprietary Account or Indirect Gross Sub-Account (as applicable), aggregate:
 - (A) the amounts (if any) payable by the Clearing House to the SwapClear Clearing Member on such Business Day in accordance with Regulation 57A(c);
 - (B) the Price Alignment Amount (if any) payable by the Clearing House to the SwapClear Clearing Member on such Business Day in accordance with Regulation 57A(f);
 - (C) the amounts (if any) of the coupon payment payable by the Clearing House to the SwapClear Clearing Member on such Business Day in accordance with the Procedures (excluding any amounts which are Charged Cash Collateral); and

- (D) any other amounts which are payable by the Clearing House to the SwapClear Clearing Member on such Business Day (excluding any amounts which are Charged Cash Collateral),

and the amount payable on a Business Day to one party (the **Payee**) by the other party (the **Payer**) under Regulation 57A(j)(i) or (ii) (as applicable) shall be reduced by setting-off such amount against the amount (the **Other Amount**) payable by the Payee to the Payer under Regulation 57A(j)(i) or (ii) (as applicable). To the extent the Other Amount is so applied, the Other Amount will be discharged promptly and in all respects.

- (l) On each Business Day the Clearing House shall, to the extent that the following amounts are payable in the same currency and in respect of the same Client Account (that is not an Indirect Gross Account), Proprietary Account or Indirect Gross Sub-Account (as applicable) aggregate the amount that is payable by either the SwapClear Clearing Member or the Clearing House following the operation of the payment netting provision under Regulation 57(d) and the amount that is payable by either the SwapClear Clearing Member or the Clearing House following the operation of the payment netting provision under Regulation 57A(j), and only the excess of the larger amount over the smaller amount shall be payable by the party by whom the larger amount would otherwise have been payable. To the extent the smaller amount is so applied, the smaller amount will be discharged promptly and in all respects.
- (m) The Clearing House and the SwapClear Clearing Member agree that satisfaction of the payment obligation arising under the SwapClear STM Terms by either party shall discharge such obligation for the purpose of settling the then outstanding exposure under a SwapClear STM Contract.
- (n) A SwapClear Clearing Member (a “**Converting SwapClear Clearing Member**”) or a Clearing Client (including an FCM Client) on its behalf may, from time to time, submit a request, in such form as permitted by the Clearing House from time to time in its sole discretion, or, in the case of a compression of the type described in Regulation 56(c)(iii) or Regulation 56(e)(iv)(A), a SwapClear Clearing Member or a Clearing Client (including an FCM Client) on its behalf shall be deemed to have submitted a written request (each such request, an “**STM Conversion Request**”) to the Clearing House requesting that the Clearing House converts one or more of its open SwapClear CTM Contracts to SwapClear STM Contracts. Such request shall identify those SwapClear CTM Contracts (the “**STM Conversion Contracts**”) which the SwapClear Clearing Member or a Clearing Client (including an FCM Client) on its behalf wishes to be converted to SwapClear STM Contracts. No open SwapClear CTM Contract shall be converted into a SwapClear STM Contract except as provided in this Regulation 57A or the Procedures.
- (o) Following its receipt of an STM Conversion Request made (or deemed to have been made) by a Converting SwapClear Clearing Member pursuant to (m) above, the Clearing House may, in its sole and absolute discretion, nominate a Business Day (the “**STM Conversion Date**”) from, and including which, some or all of the STM Conversion Contracts shall, subject to the satisfaction of the conditions specified in (o) below, cease to be registered as SwapClear CTM Contracts and shall immediately and automatically become registered as SwapClear STM Contracts which are subject to this Regulation 57A and the SwapClear STM Terms. For the avoidance of doubt, if

the Clearing House determines that it shall convert a SwapClear CTM Contract into a SwapClear STM Contract, such conversion shall be effected through the Clearing House and the Converting SwapClear Clearing Member agreeing to a modification of the terms of the relevant STM Conversion Contract, and such conversion shall not be effected through the Clearing House and the Converting SwapClear Clearing Member terminating the relevant STM Conversion Contract and entering into a new SwapClear STM Contract.

- (p) The occurrence of an STM Conversion Date in respect of an STM Conversion Contract shall be subject to the condition precedent that:
- (i) the Converting SwapClear Clearing Member is not a Defaulter;
 - (ii) no relevant SwapClear Clearing Client is insolvent;
 - (iii) the conversion of that STM Conversion Contract to a SwapClear STM Contract would not violate or result in the violation of any Applicable Law;
 - (iv) the Converting SwapClear Clearing Member has satisfied all of its obligations to meet any margin calls made by the Clearing House in respect of that STM Conversion Contract up to, but excluding, the STM Conversion Date. The Converting Clearing Member shall satisfy such margin calls in accordance with the Procedures and/or applicable Regulations, as would ordinarily be the case;
 - (v) the Converting SwapClear Clearing Member has paid to the Clearing House, or the Clearing House has paid to the Converting SwapClear Clearing Member (as applicable), any cash settlement amount that the Clearing House determines (in its sole and absolute discretion) must be paid to ensure that the net present value of the STM Conversion Contract shall be equal to zero on the STM Conversion Date. Such amounts shall be determined and paid by the relevant party in accordance with the Procedures. The Converting SwapClear Clearing Member and the Clearing House agree that the Clearing House may, in its sole and absolute discretion, apply any Collateral held by it in respect of a STM Conversion Contract to satisfy (in whole or in part) the Converting SwapClear Clearing Member's obligation to pay the amount (if any) required under this Regulation 57A(o)(v) in relation to that STM Conversion Contract. The Converting SwapClear Member and the Clearing House agree that any Collateral held by the Converting SwapClear Clearing Member in respect of a STM Conversion Contract shall be applied to satisfy (in whole or in part) the Clearing House's obligation to pay the amount (if any) required under this Regulation 57A(o)(v) in relation to that STM Conversion Contract; and
 - (vi) all other conditions stipulated by the Clearing House have been complied with in a manner satisfactory to it.
- (q) Each time a SwapClear Clearing Member or a Clearing Client (including an FCM Client) on its behalf delivers an STM Conversion Request that SwapClear Clearing Member:

- (i) agrees and acknowledges for the benefit of the Clearing House that if an STM Conversion Date occurs in respect of an STM Conversion Contract, that STM Conversion Contract cannot, in any circumstance, be re-converted into a SwapClear CTM Contract; and
 - (ii) is deemed to represent to the Clearing House that the person, agent, officer, employee, or representative that delivers that STM Conversion Request is fully authorised by it to do so, and has the requisite power to bind the Converting SwapClear Clearing Member in this regard.
- (r) For the purposes of this Regulation 57A:
- (i) "**Cumulative Net Present Value**" means, in respect of a SwapClear STM Contract and a Business Day (as such term is defined in the SwapClear STM Terms relating to that SwapClear STM Contract) falling after the Trade Date, a hypothetical value, determined by the Clearing House acting in its sole and absolute discretion, equal to:
 - (A) the aggregate of the amounts (if any) payable by the SwapClear Clearing Member to the Clearing House (expressed as a positive number) under Section 4.1 of the SwapClear STM Terms from, and including, the Trade Date to, but excluding, that Business Day; plus
 - (B) if such SwapClear STM Contract has been converted from a SwapClear CTM Contract, the aggregate of the amounts (if any) of variation margin determined to be payable by the SwapClear Clearing Member to the Clearing House (expressed as a positive number) from, and including, the Trade Date, to, and including, the STM Conversion Date relating to such SwapClear STM Contract; plus
 - (C) the aggregate of the amounts (if any) payable by the Clearing House to the SwapClear Clearing Member (expressed as a negative number) under Section 4.1 of the SwapClear STM Terms from, and including, the Trade Date, to, but excluding, that Business Day; plus
 - (D) if such SwapClear STM Contract has been converted from a SwapClear CTM Contract, the aggregate of the amounts (if any) of variation margin determined to be payable by the Clearing House to the SwapClear Clearing Member (expressed as a negative number) from, and including, the Trade Date, to, and including, the STM Conversion Date relating to the SwapClear STM Contract.
 - (ii) "**NPV Reset**" means, in relation to a SwapClear STM Contract, the point in time when LCH makes its determination of the net present value of that SwapClear STM Contract, and immediately following which the provisions of Regulation 57A(c) shall apply.
 - (iii) "**Price Alignment Amount**" means, in respect of a Business Day (as such term is defined in the SwapClear STM Terms relating to that SwapClear STM Contract) falling after the Trade Date, the product of:

- (A) the absolute value of the Cumulative Net Present Value on such Business Day;
 - (B) the applicable Price Alignment Amount Rate on such Business Day;
and
 - (C) the day count fraction determined by the Clearing House as being applicable to the currency of the SwapClear STM Contract.
- (iv) **"Price Alignment Amount Rate"** means the applicable rate that is specified and published by the Clearing House in accordance with the Procedures.

REGULATION 58 THE APPLICABLE RATE FOR, AND THE NET PRESENT VALUE OF, A SWAPCLEAR CONTRACT

The Clearing House may determine the applicable rate for, and the net present value of, a SwapClear Contract for the purposes of these Regulations, the Procedures and the SwapClear STM Terms of a SwapClear STM Contract in such manner and at such times as may be prescribed in the Procedures. Except as prescribed in the Procedures, neither the applicable rate nor the net present value determined by the Clearing House may in any circumstances be challenged.

REGULATION 59 PORTFOLIO MARGINING SERVICE

The Clearing House shall provide the Portfolio Margining Service subject to an in accordance with the terms of the Procedures.

REGULATION 60 TRANSFER; BULK EVENTS

- (a) Other than in the event that a SwapClear Clearing Member is a Defaulter, any Permitted Transfer of one or more Transferring SwapClear Contracts from the Transfer Account of an Eligible Transferor to the Transfer Account of an Eligible Transferee (including, where relevant, the transfer of an Associated Collateral Balance), may only be done pursuant to this Regulation 60 and in accordance with the Procedures and (where applicable) any relevant Collateral Management Agreement. Notwithstanding the foregoing, a SwapClear Clearing Member may transfer SwapClear Contracts pursuant to and in accordance with Section 2.1.13 of the FCM Procedures.
- (b) Further to the satisfaction of the conditions set out in the Procedures and (where applicable) any relevant Collateral Management Agreement, and **provided that** the Clearing House does not determine, in its sole discretion, that (x) a Permitted Transfer cannot be effected under these Regulations, the Procedures or otherwise under Applicable Law and/or (y) where applicable, the additional conditions as set out in Regulation 46(p) of the FCM Regulations need to be and have not been complied with, the Clearing House shall transfer the Transferring SwapClear Contract(s) into the Transfer Account of the Receiving Clearing Member as follows:
- (i) in the case of a Permitted Transfer where the Receiving Clearing Member is the same entity as the Eligible Transferor, the Transferring SwapClear Contracts (and, if applicable, the Associated Collateral Balance) shall be transferred to the Proprietary Account of the Receiving Clearing Member;
 - (ii) in the case of a Permitted Transfer where the Carrying Clearing Member is not an FCM Clearing Member and the Receiving Clearing Member is an FCM Clearing Member, the Transferring SwapClear Contracts (and, if applicable, the Associated Collateral Balance) shall be transferred to the relevant Transfer Account of the relevant Receiving Clearing Member and all of the SwapClear Contracts to be transferred (which are subject to the Rulebook) shall, upon transfer, be converted to FCM SwapClear Contracts subject to the FCM Regulations and the FCM Procedures but shall otherwise remain on the same contract terms;
 - (iii) in the case of a Permitted Transfer where the Carrying Clearing Member is an FCM Clearing Member and the Receiving Clearing Member is not an FCM Clearing Member, the FCM SwapClear Contracts (and, if applicable, the Associated Collateral Balance) shall be transferred to the relevant Transfer Account of the relevant Receiving Clearing Member and all of the FCM SwapClear Contracts to be transferred (which are subject to the FCM Rulebook) shall, upon transfer, be converted to SwapClear Contracts subject to the Rulebook but shall otherwise remain on the same contract terms; or
 - (iv) in all other cases, the Transferring SwapClear Contracts (and, if applicable, the Associated Collateral Balance(s)) shall be transferred to the Transfer Account of the Receiving Clearing Member.

The Transfer of the Transferring SwapClear Contracts shall occur by novation of all of the Carrying Clearing Member's rights and obligations in respect of such

Transferring SwapClear Contracts to the Receiving Clearing Member as provided in Regulation 12(b).

- (c) A SwapClear Clearing Member may only assign the rights under, or transfer, a SwapClear Contract entered into by such SwapClear Clearing Member in respect of SwapClear Client Clearing Business, in accordance with the Rulebook and (where applicable) any relevant Collateral Management Agreement or with the prior written consent of the Clearing House. Any purported assignment, or any purported transfer, of a SwapClear Contract entered into by a SwapClear Clearing Member in respect of SwapClear Client Clearing Business that is not in compliance with this Regulation 60(c) shall be void.
- (d) If a SwapClear Clearing Member is a Defaulter, the Clearing House shall take such actions, subject to and in accordance with the Default Rules in relation to SwapClear Contracts carried by such SwapClear Clearing Member on behalf of SwapClear Clearing Clients, **provided always that** the Clearing House shall take such actions as are required to meet the Clearing House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.
- (e) The Carrying Clearing Member agrees to indemnify the Clearing House in respect of all liabilities, costs, loss, fees, damages or expenses suffered or incurred by the Clearing House (howsoever arising or occurring) by reason of a proposed transfer being rejected by the Carrying Clearing Member other than in compliance with the grounds set out in the Procedures.
- (f) Each of the following processes constitutes a "**Bulk Event**" and will be processed together by the Clearing House in one individual bulk event cycle (each, a "**Bulk Event Cycle**") at such times as determined by the Clearing House in its sole discretion:
 - (i) Multilateral Compression Cycle;
 - (ii) Backload Registration Cycle; and
 - (iii) Intra-Day Bulk Transfer.

The Clearing House may call for additional Collateral in respect of initial and/or variation margin to be deposited in such amounts and at such times as the Clearing House, in its sole discretion, requires prior to processing a given Bulk Event Cycle. Any Collateral so called and deposited shall be reserved and made available solely in connection with the relevant Bulk Event Cycle. In the event the Clearing House calls and reserves additional Collateral for a given Bulk Event Cycle and, subsequently, one or more Bulk Events in that given Bulk Event Cycle is cancelled by the Clearing House, in its sole and absolute discretion, all Bulk Events in that given Bulk Event Cycle shall be cancelled. The Clearing House reserves the right to cancel any Bulk Event and/or Bulk Event Cycle in its sole and absolute discretion. The Clearing House shall publish the Bulk Event Cycle schedule on its website, as amended from time to time.

REGULATION 60A INFLATION SWAPS

- (a) This (a) should be read separately for each index identified in the Product Specific Contract Terms and Eligibility Criteria Manual as an acceptable index for vanilla inflation rate swaps (each an “**Index**”) and, in respect of each SwapClear Clearing Member or Inflation Clearing Group (as applicable), with regards to each Index in respect of which the SwapClear Clearing Member clears or intends to clear, or the Group Members of the relevant Inflation Clearing Group clear or intend to clear, an Inflation SwapClear Contract through the Clearing House.
- (b) Each SwapClear Clearing Member represents and warrants that it has the capacity, power and authority under all Applicable Law to enter into, to exercise its rights and to perform its obligations in relation to the Inflation SwapClear Contracts registered in its name.
- (c) In respect of each quarter (the start dates of the quarters being 1 January, 1 April, 1 July and 1 October in each year (each a “**Quarter Start Date**”), the Clearing House will determine which Inflation Clearing Groups shall be required to provide Market Data during the relevant quarter, as set out below:
 - (i) Each SwapClear Clearing Member clearing Inflation SwapClear Contracts is combined in a group with those of its affiliates (if any) who also clear Inflation SwapClear Contracts (each such group being an “**Inflation Clearing Group**”) and each SwapClear Clearing Member that is a member of an Inflation Clearing Group being a “**Group Member**”). For the avoidance of doubt, an Inflation Clearing Group may consist of one or more Group Members.
 - (ii) The Clearing House will calculate, on each Quarter Start Date and for each Inflation Clearing Group, the aggregate of all Inflation SwapClear Contracts referencing each particular Index cleared, over the course of the immediately preceding 12 months, through the Proprietary Accounts of the Group Members of that Inflation Clearing Group (the “**Inflation Clearing Group Aggregate**”).
 - (iii) Where the Inflation Clearing Group Aggregate of an Inflation Clearing Group in respect of a particular Index on a particular Quarter Start Date exceeds the Reporting Threshold Amount, each Group Member of that Inflation Clearing Group (each a “**Market Data Provider**”) will be required to provide Market Data in respect of that Index for the duration of the quarter in question in accordance with (f)(i). An Inflation Clearing Group, acting through one of its Group Members, shall be entitled to request a deferral of such obligation, on a one-off basis on the first occasion that the obligation arises in respect of the relevant Index, until the Quarter Start Date of the quarter immediately following the quarter in question.
 - (iv) If for any quarter there are to be less than 8 Inflation Clearing Groups to which (f)(i) applies in respect of a particular Index (or such lower number of Inflation Clearing Groups as the Clearing House may from time to time consider sufficient to allow it to produce Inflation Derived Data that is fair and representative of the pricing level of the relevant Index), the Clearing House may: (i) require any Inflation Clearing Group to which (f)(i) applied in the

prior quarter and which includes at least one Group Member who continues to enter into a non-trivial number of Inflation SwapClear Contracts referencing the relevant Index (as determined by the Clearing House in its sole discretion) to continue to comply with the obligations set out in (f)(i) in respect of that Index, notwithstanding that it may otherwise not be required to do so; or (ii) where the course of action outlines in (i) is not possible or would not be sufficient to ensure that an adequate number of Inflation Clearing Groups provide Market Data in relation to the relevant Index in accordance with (f)(i), require an Inflation Clearing Group requesting a deferral in accordance with (iii) above to start complying with the relevant obligation to provide Market Data from an earlier date.

- (d) If, on a Quarter Start Date or on the date of launch of a new Index, the Clearing House has insufficient data for the purposes of calculating an Inflation Clearing Group Aggregate, it shall make its determinations on the basis of the following:
- (i) in respect of Inflation SwapClear Contracts referencing a particular Index which were not eligible for clearing by the Clearing House for some or all of the immediately preceding 12 month period, the Clearing House shall determine the Inflation Clearing Group Aggregate of each relevant Inflation Clearing Group by estimating what it would have been, had the relevant Inflation SwapClear Contracts been eligible for clearing for all of such period; and
 - (ii) when the Clearing House wishes to launch a new Index, it shall reasonably determine the Inflation Clearing Group Aggregate of each Inflation Clearing Group with at least one Group Member who has informed the Clearing House that it intends to transact in Inflation SwapClear Contracts referencing the relevant new Index.

Any determination made by the Clearing House as to the Inflation Clearing Group Aggregate of an Inflation Clearing Group for which the Clearing House does not have the requisite data shall be made by the Clearing House applying, in its opinion, the most suitable methodology, which will, wherever possible, be based on the relevant Group Members' volume of business and trading patterns in relation to the relevant Index (where available) and, otherwise, any other Index that the Clearing House deems to be relevant. Any determination made by the Clearing House pursuant to Regulation 60A shall be final and binding.

- (e) For the purposes of this (a), the reporting threshold in respect of an Index (the “**Reporting Threshold Amount**”) shall be 250 or such lower number as the Clearing House may from time to time apply in order to ensure that the number of Inflation Clearing Groups providing Market Data in accordance with (f)(i) in relation to that Index will be at least 8 (or such lower number that the Clearing House considers sufficient, as described in (c)(iv) above).
- (f) Each relevant Inflation Clearing Group required to provide Market Data to the Clearing House shall do so in accordance with the following procedures:

- (i) The relevant Inflation Clearing Group (acting through one of its Group Members) shall provide to the Clearing House such inflation market data as is specified in the Inflation Swaps Market Data Operational Specifications in respect of the relevant Index (the “**Market Data**”) and in the manner set out in the Inflation Swaps Market Data Operational Specification at the end of each Inflation Swaps Business Day and at such other times specified in the Inflation Swaps Operational Specifications where “**Inflation Swap Business Day**” means: (i) in the case of any GBP denominated Index, each day that is a London business day; (ii) in the case of any EUR-denominated Index a Target Settlement Day; or (iii) in the case of any USD-denominated Index, a New York business day. Where an Inflation Clearing Group contains two or more Group Members, the obligation to provide Market Data in accordance with this (i) shall apply individually with respect to each Group Member, as required by (c)(iii), but may be discharged by any one of such Group Members providing Market Data on behalf of the Inflation Clearing Group.
 - (ii) Where it is a Market Data Provider, the SwapClear Clearing Member represents and warrants that it has the capacity, power and authority under all Applicable Law to provide Market Data to the Clearing House.
 - (iii) Notwithstanding any provision of this (a) to the contrary, no SwapClear Clearing Member will be under any obligation to provide Market Data to the extent that it is prohibited from doing so by Applicable Law to it or by any contract that was in place prior to this (a) coming into force and no Inflation Clearing Group will be under any obligation to provide Market Data in circumstances where this (f) applies to each of its Group Members.
 - (iv) Subject to these Regulations, the Market Data Provider will retain all ownership rights, Intellectual Property Rights and all other rights in respect of the Market Data provided by it.
- (g) The Clearing House may only use and/or disclose Market Data in accordance with the following:
- (i) the Clearing House may use market-standard data aggregation tools in order to combine the Market Data received from different Inflation Clearing Groups in respect of a particular Index and/or combine Market Data with relevant data from other data sources (any such combined data or further data derived there from (the “**Inflation Derived Data**”)), provided that the Clearing House shall be entitled, in its sole discretion, to disregard one or more sets of relevant Market Data for these purposes. In producing the Inflation Derived Data, the Market Data will be anonymised and aggregated with other Market Data and/or equivalent market data received from other data sources so that it is not possible to analyse or reverse engineer the Inflation Derived Data in such a way as to attribute particular Market Data to a particular Inflation Clearing Group;
 - (ii) the Clearing House, LCH Group Holdings Limited and/or a subsidiary of LCH Group Holdings Limited (for purposes of this Regulation 60A, each an “**LCH Group Company**”) may use and/or disclose Market Data (A) where required by law or by a regulatory authority, (B) use (but not disclose) Market Data

where required in accordance with the exercise of a discretion by the Clearing House Risk Committee and (C) for risk management and settlement purposes (including, for the avoidance of doubt, valuation, margining, reporting and account management purposes); and

- (iii) other than as permitted by (ii) or as agreed in writing with a relevant Group Member, the Clearing House shall not (and the Clearing House shall procure that any LCH Group Company that uses and/or discloses Market Data pursuant to Regulation 60(g)(ii) shall not) use and/or share Market Data received from an Inflation Clearing Group with third parties (whether for fees or otherwise). In all cases, the Clearing House will (and the Clearing House will procure that any LCH Group Company that uses and/or discloses Market Data pursuant to Regulation 60(g)(ii) will apply) apply standards of confidentiality to the Market Data at least equivalent to those the Clearing House applies to its own confidential information. This obligation of confidentiality covers, but is not limited to, information about which SwapClear Clearing Member has provided what Market Data.
- (h) The Clearing House may only use and/or disclose Inflation Derived Data (as applicable) in accordance with the following:
 - (i) use of the Inflation Derived Data for risk management and settlement purposes (including, for the avoidance of doubt, valuation, margining, reporting and account management purposes);
 - (ii) use of the Inflation Derived Data as a data source for other Services;
 - (iii) use of the Inflation Derived Data for the purpose of answering ad hoc queries from Clearing Members (including FCM Clearing Members) and industry bodies (but not systematic, regular distribution) relating to Inflation SwapClear Contracts or Inflation FCM SwapClear Contracts;
 - (iv) use of the Inflation Derived Data for the purpose of responding to surveys conducted by relevant international not for profit organisations (such as BIS or IOSCO) relating to Inflation SwapClear Contracts;
 - (v) use of the Inflation Derived Data where otherwise required to do so by a direction of the Clearing House Risk Committee;
 - (vi) use or disclosure of the Inflation Derived Data where required or requested to do so by law or by a regulatory authority or for the purposes of commencing, or defending, any arbitration or court proceedings;
 - (vii) making some or all of the Inflation Derived Data available, directly or indirectly, to SwapClear Clearing Members (including FCM Clearing Members), SwapClear Clearing Clients and/or FCM Clients, clearing or intending to clear Inflation SwapClear Contracts or Inflation FCM SwapClear Contracts through the Clearing House, and their respective service providers;
 - (viii) making some or all of the Inflation Derived Data available to one or more of the Clearing House's affiliates, auditors or professional advisers, provided that

each such affiliate, auditor or professional adviser shall be subject to restrictions on the use of such Inflation Derived Data which are no less onerous than those applicable to the Clearing House; and/or

- (ix) other than as permitted by this (h), the Clearing House shall not use and/or share the Inflation Derived Data with third parties (whether for fees or otherwise), save with the prior written consent of 75% in aggregate total of the Group Members of the Inflation Clearing Groups that were subject to a reporting requirement pursuant to (f)(i) on the most recent Quarter Start Date preceding the date on which the consent is to take effect.

Notwithstanding anything to the contrary in (h) above, in fulfilling its obligations hereunder, the Clearing House shall not be required to use and/or disclose Inflation Derived Data, and otherwise act, in contravention of Applicable Law or its continuing regulatory obligations.

Where the Clearing House makes Inflation Derived Data available to an LCH Group Company pursuant to Regulation 60A(h)(vii), the Clearing House shall ensure that such LCH Group Company does not use the Inflation Derived Data for any purposes other than those which the Clearing House is entitled to use the Inflation Derived Data pursuant to this Regulation 60A. For the purposes of the foregoing, references in Regulation 60A(h)(vii) to (i) 'SwapClear Clearing Member' shall be construed to include a member of an LCH Group Company and (ii) 'clearing or intending to clear Inflation SwapClear Contracts or Inflation FCM SwapClear Contracts through the Clearing House' shall be construed to include participating in or intending to participate in the service(s) of the given LCH Group Company.

- (i) SwapClear Clearing Members (including FCM Clearing Members) and/or the service providers of such Clearing Members may use the Inflation Derived Data solely for the purposes of such Clearing Members' internal risk management and settlement activities, in relation to Inflation SwapClear Contracts referencing the relevant Index and may only share the Inflation Derived Data with;
 - (i) SwapClear Clearing Clients or FCM Clients (as applicable) and/or the service providers of such SwapClear Clearing Clients or FCM Clients, and shall procure that the Inflation Derived Data may only be used solely for the purposes of SwapClear Clearing Clients' internal risk management and settlement activities in respect of the positions associated with the relevant Inflation SwapClear Contracts referencing the relevant Index and FCM Clients' internal risk management and settlement activities in respect of the relevant Inflation SwapClear Contracts and may not further disclose the Inflation Derived Data to any other person or use the Inflation Derived Data for any other purpose; and
 - (ii) where required or requested to do so by law or by a regulatory authority or for the purposes of commencing, or defending, and arbitration or court proceeding.

Inflation Derived Data may not be disclosed by SwapClear Clearing Members (including FCM Clearing Members) and/or their service providers to any other person or used by such parties for any other purpose.

- (j) For the purposes of this (a), “**Intellectual Property Rights**” means any right, title and interest in patents, trademarks, copyright, typography rights, database rights (including rights of extraction), registered designs and unregistered design rights, trade secrets and the right to keep information confidential, and all rights or forms of protection of a similar nature or having equivalent or similar effect to any of them which may subsist anywhere in the world, whether or not any of them are registered and including applications for registration of any of them.
- (k) On a given Quarter Start Date, each Inflation Clearing Group that consists of more than one Group Member and which is required to provide Market Data to the Clearing House in respect of the relevant quarter must:
- (i) designate a Group Member (the “**Designated Group Member**”) who shall be responsible for entering into Crossing Transactions on its behalf during that quarter (if any). Where an Inflation Clearing Group does not designate a Group Member, the Clearing House shall (where applicable) treat the previously designated Group Member as the Designated Group Member.
 - (ii) nominate a Group Member (the “**Nominated Group Member**”) to which the Clearing House will send Non-Performance Notices and Market Deviation Notices (if any). Where an Inflation Clearing Group does not designate a Group Member, the Clearing House shall (where applicable) treat the previously nominated Group Member as the Nominated Group Member.

Where an Inflation Clearing Group consists of only one Group Member, that Group Member shall be treated as the Designated Group Member and Nominated Group Member for the purposes of this (a) and the Procedures.

- (l) At the end of each Inflation Swap Business Day in respect of an Index, the Clearing House will generate a market price in each Key Tenor for that Index (the “**SwapClear End of Day Price**”) and will compare the price of the Market Data most recently received from each Market Data Provider prior to the time when the SwapClear End of Day Price was calculated in the Key Tenors set out in the Inflation Swaps Operational Specifications (the “**Key Tenor Market Data**”) against the SwapClear End of Day Price. The Clearing House will deliver a “**Market Deviation Notice**” to the Market Data Provider in respect of provision by that Market Data Provider of Key Tenor Market Data that deviates from the SwapClear End of Day Price by an amount which is equal to or greater than the threshold specified for market deviation purposes in the Inflation Swaps Operational Specifications. The Clearing House may also deliver a Market Deviation Notice to a Market Data Provider in accordance with the Procedures. An Inflation Clearing Group where group members in aggregate receive four or more Market Deviation Notices in respect of an Index and in a calendar month will be required, upon written notice from the Clearing House, to enter into a transaction (a “**Crossing Transaction**”) through its Designated Group Member in accordance with the terms set out in the Procedures.
- (m) At the end of each Inflation Swap Business Day in respect of an Index and other than in the event of Inflation Force Majeure Event, the Clearing House will deliver a “**Non-performance Notice**” on an Inflation Clearing Group through a notice to the Nominated Group Member in respect of any failure by each Group Member of that Inflation Clearing Group to deliver Market Data on an Inflation Swap Business Day.

An Inflation Clearing Group where Group Members in aggregate receive two or more Non-performance Notices in respect of an Index and in a calendar month will be required, upon written notice from the Clearing House, to enter into a Crossing Transaction through its Designated Group Member in accordance with the terms set out in the Procedures.

- (n) In the event that a Inflation Clearing Group where Group Members in aggregate receive a total of ten or more Market Deviation Notices or Non-performance Notices in any given quarter the Clearing House may require a written report from such Inflation Clearing Group (acting through one of its Group Members) which sets out:
- (i) the reasons behind its provision of off-market Market Data and/or failure to provide Market Data (ass applicable); and
 - (ii) the steps being taken to ensure that the provision of timely and accurate Market Data in accordance with the obligations set out in Regulation 60A(f)(i) will be fulfilled in the future.

Each report provided in accordance with this (o) will be prepared by the compliance department(s) of the relevant Group Member(s) or by other divisions within such Group Member that are charged with exercising appropriate internal control functions.

- (o) The Clearing House shall not serve a Default Notice on any Group Member solely because each of the Group Members of its Inflation Clearing Group has failed to comply with their obligations under (a). However, where the Clearing House considers that one or more Group Members of an Inflation Clearing Group are in material, persistent or recurring breach of its obligations under this (a), the Clearing House may, following discussion with the relevant Group Member(s) of the affected Inflation Clearing Group, decline to register additional Inflation SwapClear Contracts in the name of any of the Group Members of such Inflation Clearing Group or make the registration of additional Inflation SwapClear Contracts in their names, subject to such conditions as the Clearing House may consider appropriate in its sole discretion (such as requiring that the registration of the additional Inflation SwapClear Contracts would reduce the overall risk associated with the relevant Group Member's portfolio of Inflation SwapClear Contracts); provided that the Clearing House shall not take any steps pursuant to this (o) where the failure of one or more Group Members to comply with this (a) results from an Inflation Force Majeure Event.

For the purposes of this (a) and with respect to a Group Member, an “**Inflation Force Majeure Event**” shall occur where (i) the failure of the relevant Group Member to comply with its obligations pursuant to this (a) results from: (A) a force majeure event falling within the scope of Regulation 38(a); or (B) a significant and widespread market disruption preventing the relevant Group Member from complying with its obligations; (ii) the relevant Group Member has notified the Clearing House of the occurrence of the force majeure event or market disruption immediately upon becoming aware thereof; and (iii) the relevant Group Member is using all commercially reasonable efforts to bring about a situation where it and the other Group Members of the relevant Inflation Clearing Group can continue to comply with their respective obligations pursuant to this (a).

- (p) The clearing House shall, except where a change needs to be implemented more quickly in order to comply with Applicable Law or to protect the solvency or integrity of the Clearing House, give SwapClear Clearing Members reasonable prior notice of any proposed material changes to the Inflation Swaps Operational Specifications.

REGULATION 62 SUBMISSION OF DETAILS OF REPOCLEAR TRANSACTIONS AND REPOCLEAR GC TRANSACTIONS THROUGH AN APPROVED TRADE MATCHING SYSTEM

- (a) Details of RepoClear Transactions and RepoClear GC Transactions other than those referred to in Regulation 63 (RepoClear Transactions and RepoClear GC Transactions entered into through an Automated Trading System) which are to be submitted for registration must be submitted by the RepoClear Participants party to such transactions through an Approved Trade Matching System ("ATMS") specified for the purpose of this Regulation in the Procedures, and in accordance with the Procedures.

REGULATION 63 REPOCLEAR TRANSACTIONS ENTERED INTO THROUGH AN AUTOMATED TRADING SYSTEM

- (a) This Regulation 63 applies to Repo Trades, Bond Trades and GC Trades and ATS Contracts made (i) between RepoClear Clearing Members or RepoClear Dealers; or (ii) in respect of ATS Contracts only, between the Clearing House and a RepoClear Clearing Member or a RepoClear Dealer, through an Automated Trading System which such RepoClear Clearing Member or RepoClear Dealer is authorised by the Clearing House to use under the Procedures ("an **ATS**") either as direct participants in the ATS or indirectly through a participant in the ATS. In the event of any inconsistency between the Regulations (including any applicable RepoClear Dealer Clearing Agreement and the terms of any other agreement entered into between the RepoClear Dealer, the RepoClear Clearing Member and the Clearing House, or any of them), and the rules, practices, procedures and arrangements of the ATS ("**ATS Rules**") the Regulations shall prevail.
- (b) Except in respect of ATS Contracts, if an "**ATS Participant**" (defined for these purposes as a RepoClear Dealer or a RepoClear Clearing Member, who is a direct or indirect participant in an ATS) has given notice to the Clearing House, in accordance with the Procedures, that it intends to carry out Repo Trades and/or Bond Trades and/or GC Trades through an ATS specified in its notice and has not withdrawn such notice in accordance with the Procedures, the Clearing House will enter into RepoClear Contracts or RepoClear GC Contracts, as the case may be, with the ATS Participant (where it is a RepoClear Clearing Member) or the ATS Participant's RepoClear Clearing Member (where the ATS Participant is not a RepoClear Clearing Member itself) pursuant to such dealings in accordance with and subject to the following provisions of this Regulation. The terms of a registered RepoClear Contract or RepoClear GC Contract shall be as notified to the Clearing House by the ATS and otherwise subject to the Regulations (and the Clearing House and the RepoClear Clearing Member party to the registered RepoClear Contract or RepoClear GC Contract, as the case may be, shall be obliged to perform their obligations thereunder in accordance with such terms).
- (c) Except in respect of ATS Contracts, the Clearing House shall, in relation to an ATS Participant (where it is a RepoClear Clearing Member) or the ATS Participant's RepoClear Clearing Member (where the ATS Participant is not a RepoClear Clearing Member itself) enter into a RepoClear Contract in respect of any Repo Trade or any Bond Trade or to enter into a RepoClear GC Contract in respect of any GC Trade, in accordance with paragraph (d) of this Regulation, as applicable, pursuant to the ATS Participant's dealings through any ATS referred to in paragraph (b), **provided that** the following requirements ("**the RepoClear Trade Registration Criteria**") shall have been complied with:
- (i) the Clearing Membership Agreement:
- (A) to which the ATS Participant is party has not been terminated in accordance with its terms; or
- (B) to which the ATS Participant's RepoClear Clearing Member is party has not been terminated in accordance with its terms; or

- (ii) the ATS Participant has not (where it is not itself a RepoClear Clearing Member) been removed or suspended from the Register of RepoClear Dealers, or (where it is a RepoClear Clearing Member) has not had its authorisation to participate in the RepoClear Service removed by the Clearing House;
- (iii)
 - (A) in the case of an ATS Participant who is a RepoClear Clearing Member, a Default Notice has not been issued in respect of the ATS Participant under Rule 3 of the Default Rules (without prejudice to the Clearing House's rights to register new Contracts (including RepoClear Contracts and RepoClear GC Contracts, whether closing out contracts or otherwise) in the ATS Participant's name under the Default Rules in connection with the Clearing House's default proceedings); or
 - (B) in the case of an ATS Participant who is not a RepoClear Clearing Member, a Default Notice has not been issued in respect of the ATS Participant's RepoClear Clearing Member under Rule 3 of the Default Rules (without prejudice to the Clearing House's rights to register new Contracts (including RepoClear Contracts and RepoClear GC Contracts, whether closing out contracts or otherwise) in the RepoClear Clearing Member's name under the Default Rules in connection with the Clearing House's default proceedings);
- (iv) such dealings satisfy the terms and conditions stated in the Regulations and the Procedures with respect to such dealings (together the "**RepoClear Eligibility Criteria for RepoClear Contracts and RepoClear GC Contracts**") and the offers made in this Regulation 63, including the terms of any Contract which would arise under paragraph (d) and all necessary details as required by the Clearing House, shall have been provided to the Clearing House;

- (vi) the ATS Participant (including, where applicable, as agent for the relevant RepoClear Clearing Member) has executed such agreements or documents as may be required by the Clearing House from time to time in connection herewith (or, where applicable, in connection with the relevant RepoClear Dealer Clearing Agreement); and

 - (i) satisfy the relevant RepoClear Trade Registration Eligibility Criteria;

- (ii) have been input into the relevant ATS by or on behalf of an ATS Participant as seller (or buyer);
- (iii) have been matched by, or in accordance with the ATS Rules with particulars with respect to a Repo Trade, Bond Trade or GC Trade, on such terms input into such ATS by another ATS Participant as buyer (or seller), and
- (iv) the Clearing House has registered on its system such Repo Trade, Bond Trade or GC Trade (as the case may be);

then two RepoClear Contracts or RepoClear GC Contracts, as the case may be, shall arise. The Clearing House shall be the buyer (or seller) under one RepoClear Contract or RepoClear GC Contract (as the case may be) to the selling (or buying) ATS Participant, and the seller (or buyer) under the second RepoClear Contract or relevant RepoClear GC Contract, as the case may be to the buying (or selling) ATS Participant.

- (e) In respect of ATS Contracts, the Clearing House shall, in relation to an ATS Participant (where it is a RepoClear Clearing Member) or the ATS Participant's RepoClear Clearing Member (where the ATS Participant is not a RepoClear Clearing Member itself) enter into a RepoClear Contract in accordance with paragraph (f) of this Regulation pursuant to the Clearing House; and such ATS Participant's course of dealing on any ATS, provided that, the following requirements (the "**ATS Contract Eligibility Criteria**") shall have been compiled with:

- (i) the Clearing Membership Agreement;
 - (A) to which the ATS Participant is party has not been terminated in accordance with its terms; or
 - (B) to which the ATS Participant's RepoClear Clearing Member is party has not been terminated in accordance with its terms;
- (ii) the ATS Participant has not (where it is not itself a RepoClear Clearing Member) been removed or suspended from the Register of RepoClear Dealers, or (where it is a RepoClear Clearing Member) has not had its authorisation to participate in the RepoClear Service removed by the Clearing House;
- (iii) in the case of an ATS Participant who is a RepoClear Clearing Member, a Default Notice has not been issued in respect of the ATS Participant, or, in the case of an ATS Participant who is not a RepoClear Clearing Member, a Default Notice has not been issued in respect of the ATS Participant's RepoClear Clearing Member;
- (iv) such dealings satisfy the terms and conditions stated in the Regulations and the Procedures with respect to such dealings (together, the "**RepoClear Eligibility Criteria for RepoClear Contracts and RepoClear GC Contracts**") and the offer made in this paragraph (e) to this Regulation 63, including the terms of any ATS Contract which would arise under paragraph (d) above and all necessary details as required by the Clearing House, shall have been provided to the Clearing House;

- (v) the dealings are recognised by the relevant ATS as satisfying the RepoClear Eligibility Criteria for RepoClear Contracts and RepoClear GC Contracts and as dealings which the parties thereto have identified are to be registered by the Clearing House as a RepoClear Contract;
 - (vi) the ATS Participant (including, where applicable, as agent for the relevant RepoClear Clearing Member) has executed such agreements or documents as may be required by the Clearing House from time to time in connection herewith; and
 - (vii) all or any conditions imposed by the Clearing House have been satisfied.
- (f) If particulars with respect to a RepoClear Contract which satisfy the relevant ATS Contract Eligibility Criteria have been input into the relevant ATS by the Clearing House (as buyer or seller, as applicable) and have been matched by the ATS Participant (as buyer or seller, as applicable), and the relevant ATS Contract Eligibility Criteria have been satisfied, one RepoClear Contract shall arise immediately on the registration of such details. The Clearing House shall be the buyer or seller (as applicable) under the RepoClear Contract to the selling or buying (as applicable) ATS Participant.

REGULATION 64 DISPUTES

- (a) In the event of a dispute arising out of, or in respect of, the existence of a trade, or whether it was identified to the ATS by the ATS Participants (as defined above) as a trade to be registered by the Clearing House as a RepoClear Contract or RepoClear GC Contract, such dispute shall be settled as provided for in the ATS Rules, without recourse to the Clearing House. In respect of a dispute arising out of, or in respect of, a registered RepoClear Contract or RepoClear GC Contract, other than a dispute in respect of a matter referred to above as a dispute to be settled as provided for in the ATS Rules, such dispute shall be settled as provided in the Regulations.

REGULATION 65 AUTHORITY TO ACT AS A REPOCLEAR CLEARING MEMBER

- (a) A Member may not become party to RepoClear Contracts or RepoClear GC Contracts unless it has been authorised by the Clearing House as a RepoClear Clearing Member and is eligible to be party to such RepoClear Contracts or RepoClear GC Contracts and such authorisation has not been withdrawn or suspended by the Clearing House.
- (b) Application for authorisation as a RepoClear Clearing Member shall be made in accordance with these Regulations and the Procedures. In order to be authorised as a RepoClear Clearing Member, a Member must meet the criteria applicable to the RepoClear Contracts or RepoClear GC Contracts to which it wishes to become a party. A Clearing Member may be authorised as eligible to become party to certain RepoClear Contracts or RepoClear GC Contracts and not others.
- (c) The withdrawal or suspension of a Member's authorisation referred to in paragraph (a) shall not, of itself, affect its membership of the Clearing House, or its entitlement (if any) to become party to RepoClear Contracts or RepoClear GC Contracts which are not caught by the withdrawal or suspension of such authorisation.
- (d) Where a Default Notice is served in accordance with these Regulations, or the Clearing Membership Agreement of a RepoClear Clearing Member is terminated, the service of such notice or the termination of such Clearing Membership Agreement, as the case may be, shall automatically withdraw the authorisation of that Member to be a RepoClear Clearing Member.
- (e) Without prejudice to paragraph (d) of this Regulation, the Clearing House shall suspend the authorisation referred to in paragraph (a) of any Member who is no longer otherwise eligible to have RepoClear Contracts and/or RepoClear GC Contracts registered in its name for such period as the Clearing House may determine.
- (f) If a Member's authorisation to act as RepoClear Member is withdrawn, or is withdrawn with respect to some but not all RepoClear Contracts and RepoClear GC Contracts, those RepoClear Contracts or RepoClear GC Contracts which the Member is no longer eligible to clear with the Clearing House shall be closed-out in accordance with directions given by the Clearing House.

REGULATION 66 DAILY MARGINING OF REPOCLEAR CONTRACTS AND REPOCLEAR GC CONTRACTS

- (a) This Regulation 66 shall be without prejudice to the Clearing House's rights to require Collateral to be transferred to it under Regulation 20.
- (b) The Net Present Value of each RepoClear Contract and each RepoClear GC Contract shall be calculated by the Clearing House in such manner and at such times as may be provided in the Procedures. Except as prescribed in the Procedures, the Net Present Value calculated by the Clearing House may in no circumstances be challenged.
- (c) Subject to paragraph (d), the Clearing House shall require transfer, in accordance with the Procedures, at least daily, of cash Collateral to the Clearing House in respect of variation margin from a RepoClear Clearing Member, or will be required to transfer cash collateral in respect of variation margin to such RepoClear Clearing Member, representing the change in the Net Present Value of all RepoClear Contracts and RepoClear GC Contracts registered in the RepoClear Clearing Member's name for a particular currency from the preceding RepoClear Opening Day (as defined in the Procedures), in an amount calculated in accordance with the Procedures. Transfer of cash collateral shall be made in accordance with and by the time or times stated in the Procedures.
- (d) Interest shall be paid by the Clearing House on cash Collateral (other than Clearing Member Returned Collateral) transferred to the Clearing House by such RepoClear Member and shall be calculated on the basis set out in the Procedures. A RepoClear Clearing Member shall pay interest to the Clearing House on cash collateral (other than returned cash collateral) transferred by the Clearing House to the RepoClear Clearing Member in respect of variation margin as calculated by the Clearing House on the basis set out in the Procedures.

- (c) LSE Derivatives Markets Cleared Exchange Contracts may be registered in the LSE Derivatives Markets Account in connection with any step taken by the Clearing House under paragraph (b) of this Regulation 81 or in such other circumstances as may be agreed between LSE and the Clearing House from time to time.
- (d) A Clearing Member whose LSE Derivatives Markets Cleared Exchange Contracts have been varied under this Regulation 81 shall be bound by the terms of such Contracts as varied and any relevant provisions of the Procedures.
- (e) Upon an LSE Derivatives Markets Cleared Exchange Contract being cancelled under this Regulation 81, the particulars of the transaction in question shall be deemed never to have been presented to the Clearing House for registration. Any payment (other than fees) made to the Clearing House under, or in respect of, an LSE Derivatives Markets Cleared Exchange Contract which has been cancelled under this Regulation 81 shall be repayable to the person who made the payment, subject to the Clearing House's rights under Regulation 20 and the Default Rules.
- (f) Without prejudice to Regulation 52 and its rights and obligations set out in this Regulation 81, the Clearing House shall have no liability whatsoever to any person in respect of any step taken under paragraph (a) or (b) of this Regulation 81.

REGULATION 82 Rejection of LSE Derivatives Markets Matches

- (a) Subject to paragraphs (b) and (c) of this Regulation 82 and to Regulation 77(m), any LSE Derivatives Markets Match which does not meet the LSE Derivatives Markets Open Offer Eligibility Criteria, or in respect of which the Clearing House declines to register LSE Derivatives Markets Cleared Exchange Contracts under any other provision of these Regulations or the Procedures, will be rejected by the Clearing House and no LSE Derivatives Markets Cleared Exchange Contracts shall be deemed to have arisen. Without prejudice to the generality of Regulation 52, and any other provision of these Regulations, the Procedures or the Exchange Rules concerning the liability of the Clearing House, the Clearing House shall have no liability whatsoever to any Clearing Member or any other person (including but not limited to any Linked Member)) with regard to the rejection by it of any such LSE Derivatives Markets Match. If the Clearing House rejects an LSE Derivatives Markets Match, the presenting Clearing Members and the LSE Derivatives Markets Platform will be notified of the rejection within the required timeframe under all Applicable Law.
- (b) The Clearing House may, in its absolute discretion, agree to register an LSE Derivatives Markets Cleared Exchange Contract in the account of a Clearing Member in respect of an LSE Derivatives Markets Match in accordance with any provisions in this regard set out in the Procedures, notwithstanding that the LSE Derivatives Markets Open Offer Eligibility Criteria in respect of the LSE Derivatives Markets Match are not met or the Clearing House receives invalid or incomplete message data in respect of an LSE Derivatives Markets Match.
- (c) The Clearing House shall only exercise its rights to decline to register LSE Derivatives Markets Cleared Exchange Contracts under Regulation 16(c) if:
 - (i) the Clearing House is required by an order or direction issued by, or a requirement of, a Regulatory Body pursuant to its rules or otherwise, or in order to comply with Applicable Law or court order, to cancel, decline to enter into or reject an LSE Derivatives Markets Cleared Exchange Contract or to take other similar measures in relation to an LSE Derivatives Markets Cleared Exchange Contract; or
 - (ii) an LSE Derivatives Markets Match exceeds a size specified in the Exchange Rules or the Procedures from time to time.
- (d) If any of the circumstances referred to in paragraph (c)(i) apply in respect of an affected Clearing Member, the Clearing House shall take such action as it may determine in order that the Clearing House does not have (or to minimise the effect of) an unbalanced position. Any such action may, without limit, include entering into contracts with a Clearing Member or a third party in order to balance its position, or to vary or cancel LSE Derivatives Cleared Exchange Contracts entered into with a Co-operating Clearing House, as appropriate and the affected Clearing Member shall indemnify the Clearing House against all losses, costs, taxes or expenses suffered or incurred by the Clearing House in taking such action.

REGULATION 91 REGISTRATION OF FOREXCLEAR CONTRACTS

- (a) A ForexClear Transaction may be presented for registration as two ForexClear Contracts, or one ForexClear Contract and one FCM ForexClear Contract, in accordance with the provisions of the Rulebook.
- (b) Once a ForexClear Transaction has been presented to the Clearing House, the Clearing House shall (where applicable in accordance with paragraph (c) below and Procedure 2I (*ForexClear Clearing Service*)) request the consent of the relevant ForexClear Clearing Member with whom a ForexClear Contract shall be registered as a result thereof to such registration. Upon the ForexClear Clearing Member providing its consent, such ForexClear Transaction shall be deemed to have been submitted (as such term is defined in the Procedures) by such ForexClear Clearing Member to the Clearing House for registration. Any such consent shall be provided in accordance with the Procedures.
- (c) Each ForexClear Contract shall be registered by the Clearing House either as a ForexClear CTM Contract or a ForexClear STM Contract, and a ForexClear Transaction may be registered as two ForexClear STM Contracts, two ForexClear CTM Contracts, one ForexClear CTM Contract and one ForexClear STM Contract, a ForexClear STM Contract and an FCM ForexClear Contract or a ForexClear CTM Contract and an FCM ForexClear Contract (in accordance with the other provisions of the Rulebook). The registration of a ForexClear Contract as a ForexClear CTM Contract or a ForexClear STM Contract shall be determined by the Clearing House as follows:
 - (i) if the ForexClear Clearing Member in whose name the ForexClear Contract is to be registered is a US FXCCM, the Clearing House shall, subject to the Rulebook, from and including a business day nominated by it (such day, the **US ForexClear STM Conversion Date**) register such ForexClear Contract as a ForexClear STM Contract; and
 - (ii) if the ForexClear Clearing Member in whose name the ForexClear Contract is to be registered is not a US FXCCM, the Clearing House shall, subject to the Rulebook, register such ForexClear Contract as a ForexClear CTM Contract.
- (d) At the point the Clearing House registers a ForexClear Contract as a ForexClear STM Contract in accordance with the Procedures, the ForexClear Contract Terms applicable to that ForexClear Contract will automatically, and without any further action by either party, include the ForexClear STM Terms applicable to that type of ForexClear Contract.
- (e) A ForexClear Clearing Member which has been nominated to clear the ForexClear Contract arising from the registration of a ForexClear Transaction on behalf of a third party Executing Party other than a ForexClear Dealer will (only where such ForexClear Transaction is not a Trading Venue Transaction) be notified by the Clearing House of the relevant ForexClear Transaction and shall choose whether to grant or refuse consent to the registration of such ForexClear Transaction and the ForexClear Contract resulting from such ForexClear Transaction. Where:

- (i) a ForexClear Clearing Member is an Executing Party to a ForexClear Transaction and is to clear a ForexClear Contract resulting from such ForexClear Transaction;
- (ii) a ForexClear Dealer approved to clear ForexClear Transactions through a ForexClear Clearing Member is an Executing Party to a ForexClear Transaction and such ForexClear Clearing Member is to clear a ForexClear Contract resulting from such ForexClear Transaction; or
- (iii) a ForexClear Transaction is an Eligible Trading Venue Transaction in respect of a ForexClear Clearing Member, and a third party Executing Party (other than a ForexClear Dealer) to such ForexClear Transaction has nominated such ForexClear Clearing Member to clear a ForexClear Contract resulting from such ForexClear Transaction,

the consent of that ForexClear Clearing Member to the registration of the relevant ForexClear Contract will occur automatically and without the need for any further action by such ForexClear Clearing Member.

- (f) The Clearing House shall register or reject the registration of a ForexClear Contract in respect of a ForexClear Transaction presented for registration subject to, and in accordance with, these Regulations, the Procedures and all Applicable Law
- (g) Subject to Regulation 91(i), if at any time falling after the registration of any ForexClear Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration:
 - (i) did not, at the Registration Time, meet the ForexClear Eligibility Criteria applicable to that ForexClear Transaction in existence at the Registration Time;
 - (ii) in the case of a ForexClear Deliverable Forward Transaction or ForexClear Spot Transaction, was not, at the Registration Time, entered into in accordance with Regulation 98(a); or
 - (iii) in the case of a ForexClear Swap Transaction, was not, at the Registration Time, entered into in accordance with Regulation 100 or Regulation 101, each an "**Ineligible Transaction**",

the Clearing House shall, as soon as practicable thereafter, set aside both ForexClear Contracts arising from such Ineligible Transaction in accordance with Regulation 91(h) below.

- (h) Upon a ForexClear Contract being set aside under Regulation 91(g) (an "**Ineligible ForexClear Contract**"), the Clearing House will notify the FXCCM party to such Ineligible ForexClear Contract via the ForexClear Approved Trade Source System that such Ineligible ForexClear Contract has been set aside. The following shall take effect immediately upon the delivery of such notice: (i) such Ineligible ForexClear Contract shall be deemed to be terminated at the time of the notification and shall thereafter have no force or effect; (ii) all collateral in respect of variation margin obligations (if any) provided by the Clearing House or by an FXCCM in respect of

such Ineligible ForexClear Contract shall be retained by the receiving party upon termination; (iii) where there is a difference between the value of the Ineligible ForexClear Contract as at the last margin run and the value (as determined by the Clearing House) of that Ineligible ForexClear Contract at the time of the next official settlement rate for that currency pair, then a payment shall be made between the FXCCMs to the original Ineligible Transaction equal to such difference; and (iv) these payments shall be deemed to satisfy in full the relevant party's obligations under the Ineligible ForexClear Contract and shall be retained by the receiving party upon termination as a termination payment.

- (i) The Clearing House may not determine a ForexClear NDF Transaction to be an Ineligible Transaction after the Valuation Date (as defined in the Procedures) in respect of the ForexClear NDF Contracts arising from the registration of such a ForexClear NDF Transaction has occurred.
- (j) The Clearing House shall provide no less than 10 business days' prior notice (including by email) to ForexClear Clearing Members of an amendment to the ForexClear Eligibility Criteria.
- (k) Where a ForexClear Contract relates to an FCM ForexClear Transaction, it is a condition for registration as a ForexClear Contract that the FCM ForexClear Transaction to which the ForexClear Contract relates be presented for clearing: (i) by an executing party (in its capacity as an FCM Clearing Member or ForexClear Clearing Member or through its designated FCM Clearing Member or ForexClear Clearing Member) as a ForexClear Contract or FCM ForexClear Contract (as the case may be); and (ii) by an FCM Clearing Member on behalf of its FCM Client as an FCM ForexClear Contract. In the event that the Clearing House registers a ForexClear Contract and, for whatever reason, the corresponding FCM ForexClear Contract has not also been registered, the ForexClear Contract shall be deemed not to be registered as a ForexClear Contract until such time as such corresponding FCM ForexClear Contract has been registered.
- (l) In relation to an FCM ForexClear Transaction, if either the executing party (in its capacity as an FCM Clearing Member or ForexClear Clearing Member or through its designated FCM Clearing Member or ForexClear Clearing Member) or the FCM Clearing Member (as the case may be) does not present an FCM ForexClear Transaction for clearing, the Clearing House shall set aside any FCM ForexClear Contract or ForexClear Contract that has been registered (if any) and the particulars of the corresponding FCM ForexClear Transaction in question shall at the Clearing House's discretion be either: (i) deemed never to have been submitted to the Clearing House; or (ii) rejected until such time as the Executing Party (in its capacity as an FCM Clearing Member or ForexClear Clearing Member or through its designated FCM Clearing Member or ForexClear Clearing Member) or the FCM Clearing Member have presented the relevant contract to the Clearing House. In addition, any payment made under, or in respect of, any FCM ForexClear Contract set aside or deemed not cleared under this paragraph shall be repayable to the person who made the payment. Without prejudice to FCM Regulation 44 and its obligations under this Regulation 91 and under FCM Regulation 49, the Clearing House (and each other member of the LCH Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an FCM ForexClear Contract.

- (m) Upon the exercise of a ForexClear Option Contract by or on behalf of a ForexClear Clearing Member or, as the case may be, by the Clearing House or upon the deemed exercise of such option pursuant to these Regulations or the Procedures, the ForexClear Option Contract shall immediately terminate and in its place a ForexClear Spot Transaction or a ForexClear Deliverable Forward Transaction shall automatically and immediately come into existence, and the related ForexClear Spot Contracts and ForexClear Deliverable Forward Contracts shall immediately be deemed to be registered by the Clearing House, on the terms specified in the applicable ForexClear Option Contract Terms, these Regulations and/or the Procedures. Notwithstanding the foregoing and in accordance with the Procedures, the Clearing House may, in its sole discretion, postpone or delay the registration of a ForexClear Spot Transaction or ForexClear Deliverable Forward Transaction resulting from the exercise of a ForexClear Option Contract in the event of an administrative, system or processing delay that affects the Clearing House's ability to register such ForexClear Spot Transaction or ForexClear Deliverable Forward Transaction. For the avoidance of doubt, a postponement or delay pursuant to this Regulation 91(m) shall not (a) impact a ForexClear Option Clearing Member's ability to exercise a ForexClear Option Contract (or the deemed exercise of such ForexClear Option Contract pursuant to these Regulations or the Procedures), which exercise shall be irrevocable or (b) prevent the related ForexClear Spot Contracts or ForexClear Deliverable Forward Contracts, as applicable, from coming into existence. Where the Clearing House postpones or delays registration pursuant to this Regulation 91(m) with respect to a ForexClear Option Clearing Member, such ForexClear Option Clearing Member cannot be considered a Defaulter, and a Liquidity Event cannot be considered to have occurred with respect to such ForexClear Option Clearing Member, as a result of a failure by such ForexClear Option Clearing Member to make a payment under an unregistered ForexClear Spot Contract or ForexClear Deliverable Forward Contract, as applicable. The Clearing House shall, upon registration of a postponed or delayed ForexClear Spot Transaction or ForexClear Deliverable Forward Transaction, as applicable, request such payments from the ForexClear Option Clearing Member, or make such payments to the ForexClear Option Clearing Member, in each case as are necessary to put the Clearing House and such ForexClear Option Clearing Member in the position they would have been if the ForexClear Spot Transaction or ForexClear Deliverable Forward Transaction, as applicable, had been registered immediately upon exercise (or deemed exercise) of the related ForexClear Option Contract.
- (n) Where a transfer of an open contract (the "**Original Contract**") which is a ForexClear Contract takes place pursuant to Regulation 12(b), the Clearing House may, subject to any conditions stipulated by it, register the new open contract (i) if the ForexClear Clearing Member in whose name the new open contract is to be registered is a US FXCCM, as a ForexClear STM Contract or (ii) if the ForexClear Clearing Member in whose name the new open contract is to be registered is not a US FXCCM, as a ForexClear CTM Contract, in each case notwithstanding that the Original Contract was registered as a ForexClear STM Contract or a ForexClear CTM Contract (as applicable). For the avoidance of doubt, the transfer of an Original Contract (including a transfer that is made pursuant to the Default Rules) shall be effected by that Original Contract being closed-out and a new ForexClear Contract

being established, and the applicable provisions of this Regulation 91 shall apply to the registration of such new ForexClear Contract.

REGULATION 92 CANCELLATION OF FOREXCLEAR CONTRACTS

- (a) A ForexClear Clearing Member may, in accordance with this Regulation 92 and the Procedures, cancel a ForexClear Contract to which it is a party.
- (b) A ForexClear Dealer may, in accordance with this Regulation 92 and the Procedures, cancel a ForexClear Contract that arose from a ForexClear Transaction to which it is a party.
- (c) A ForexClear Clearing Member shall be bound by the cancellation of a ForexClear Contract made by the relevant ForexClear Dealer.
- (d) A ForexClear Dealer shall have no obligation to inform, notify or seek the consent of any ForexClear Clearing Member prior to initiating the cancellation of a ForexClear Contract in accordance with Regulation 92(b).
- (e) Each ForexClear Clearing Member is deemed to grant a continuing authority to the Clearing House to terminate any ForexClear Contract registered in the name of that ForexClear Clearing Member upon the request of a ForexClear Dealer with whom that ForexClear Clearing Member is a party to an FDC Agreement.
- (f) The Clearing House shall have no obligation to inform, notify or seek the consent of any ForexClear Clearing Member prior to cancelling a ForexClear Contract in accordance with this Regulation 92.
- (g) The cancellation of a ForexClear Contract to which a ForexClear Clearing Member is a party (in this Regulation, the "**First ForexClear Contract**") is contingent upon *inter alia* the cancellation of the corresponding ForexClear Contract that arose from the same underlying ForexClear Transaction (in this Regulation, the "**Second ForexClear Contract**"), and vice versa.
- (h) The date and time of the cancellation of a ForexClear Contract shall be as reported by the Clearing House in accordance with the Procedures and shall be binding on ForexClear Clearing Members.
- (i) The Clearing House may decline to cancel a ForexClear Contract if:
 - (i) in the opinion of the Clearing House acting in its sole discretion, the cancellation of that ForexClear Contract is not consistent with the Regulations and Procedures of the Clearing House and any policies of the Clearing House concerning risk management; or
 - (ii) if there is insufficient Collateral standing to the credit of a ForexClear Clearing Member's account to accommodate the cancellation of the First ForexClear Contract and/or the Second ForexClear Contract.
- (j) With effect from the time of the cancellation of a ForexClear Contract in accordance with this Regulation 92, neither the ForexClear Clearing Member nor the Clearing House shall have any obligations under the terms of that ForexClear Contract and liability in respect thereof.

REGULATION 93 VARIATION MARGIN IN RESPECT OF A FOREXCLEAR CTM CONTRACT

- (a) In respect of the ForexClear CTM Contracts registered in the name of a ForexClear Clearing Member, the Clearing House shall, at least daily and in accordance with and at the times stated in the Procedures, transfer to, or require transfer from a ForexClear Clearing Member of, cash collateral in respect of variation margin. The amount transferred represents the change from the preceding business day in the net present value of all ForexClear CTM Contracts registered in that ForexClear Clearing Member's name.
- (b) The net present value of each ForexClear CTM Contract shall be calculated by the Clearing House in such manner and at such times as may be provided in the Procedures. Except as prescribed in the Procedures, the net present value calculated by the Clearing House may in no circumstances be challenged.
- (c) The Clearing House pays to (or receives from) each ForexClear Clearing Member interest on cash collateral received (or provided) by the Clearing House in respect of variation margin, calculated in accordance with the Procedures.
- (d) This Regulation is without prejudice to the Clearing House's right to require Collateral to be transferred to it under Regulation 20.

REGULATION 94 EXERCISE OF FOREXCLEAR OPTION CONTRACTS

- (a) Subject to (b) below, a ForexClear Option Buyer may exercise the right or rights granted to it pursuant to a ForexClear Option Contract only by giving an irrevocable notice in the manner and at the time specified by the Procedures.
- (b) If a ForexClear Option Contract has not been exercised in the manner and by the time specified in the Procedures, then it will, subject to the satisfaction of any conditions set forth in the Procedures, be deemed exercised in the manner and at the time specified by the Procedures.
- (c) If a ForexClear Option Contract has not been exercised or deemed to have been exercised pursuant to this Regulation 94, the right or rights granted pursuant to that ForexClear Option Contract will immediately expire and become void and of no effect.
- (d) For the avoidance of doubt, a ForexClear Option Contract may be exercised (or deemed to be exercised) in partial or in whole.

REGULATION 95 COMPRESSION

- (a) Nothing in this Regulation shall apply to ForexClear Contracts which are not ForexClear NDF Contracts.
- (b) Notwithstanding any other provision of these Regulations, but subject to paragraph (a) above, if:
 - (i) one or more ForexClear Contracts registered by a ForexClear Clearing Member in accordance with the Rulebook has substantially the same Economic Terms as one or more other ForexClear Contracts registered for the account of such ForexClear Clearing Member, and
 - (ii) all such ForexClear Contracts are either (a) registered on the ForexClear Clearing Member's own behalf or (b) registered on behalf of the same ForexClear Clearing Client and in the same Client Account,

then, to the extent permitted in the Procedures and this Regulation 95, the ForexClear Clearing Member may request that the Clearing House compress and combine all such ForexClear Contracts by terminating the relevant existing ForexClear Contracts and compressing them so that there results in either (1) no replacement ForexClear Contract, or (2) one or more replacement ForexClear Contracts having a net future cash flow equal to the net future cash flow of such original ForexClear Contracts (including, for the purposes of determining the net future cash flow of a ForexClear STM Contract, the payment obligations of the ForexClear Clearing Member and the Clearing House under the ForexClear STM Terms applicable to such ForexClear STM Contract). For the avoidance of doubt, in no circumstances can a ForexClear Contract registered in the Proprietary Account of a ForexClear Clearing Member be compressed pursuant to this Regulation 95 with a ForexClear Contract registered in the Client Account of that ForexClear Clearing Member.

- (c) For the purposes of paragraph (b) above, two or more ForexClear Contracts may be deemed by the Clearing House to have "substantially the same Economic Terms" if they are based on the same underlying currencies and the Clearing House considers them, in its sole discretion, to have substantially the same Valuation Date (as defined in schedule 6 of the Product Specific Contract Terms and Eligibility Criteria Manual) and Settlement Date (as defined in schedule 6 of the Product Specific Contract Terms and Eligibility Criteria Manual). For the avoidance of doubt, the Clearing House may determine that two or more ForexClear Contracts have "substantially the same Economic Terms" even if they have differing Forward Rates (as defined in schedule 6 of the Product Specific Contract Terms and Eligibility Criteria Manual). The Clearing House shall determine (in its sole discretion) whether ForexClear Contracts that are the subject of a request for compression from the ForexClear Clearing Member may be compressed and, if such ForexClear Contracts are compressed, the Clearing House shall determine (in its sole discretion) whether any replacement ForexClear Contract(s) shall replace the compressed ForexClear Contracts and, if so, the resulting terms of such ForexClear Contract(s), and such determinations shall be binding on the ForexClear Clearing Member, absent manifest error. It is a condition for compression of ForexClear Contracts that the amount of Collateral that the Clearing House requires in respect of the original ForexClear Contracts is equal to that which is required by the Clearing House in respect of the replacement ForexClear Contract(s).

- (d) If:
- (i) the ForexClear Contracts that are the subject of a ForexClear Clearing Member's compression request pursuant to **Error! Reference source not found.** above comprise only ForexClear CTM Contracts, then the one or more ForexClear Contracts that come into existence immediately following, and as a result of, the compression shall all be ForexClear CTM Contracts; and
 - (ii) the ForexClear Contracts that are the subject of a ForexClear Clearing Member's compression request pursuant to **Error! Reference source not found.** above comprise only ForexClear STM Contracts, then the one or more ForexClear Contracts that come into existence immediately following, and as a result of, the compression shall all be ForexClear STM Contracts.

REGULATION 96 SETTLEMENT OF FOREXCLEAR OPTION CONTRACTS

- (a) A ForexClear Option Contract that has been exercised, or deemed to be exercised, pursuant to Regulation 94 shall only be settled in accordance with this Regulation 96 and the Procedures.
- (b) Immediately upon the exercise or deemed exercise of a ForexClear Option Contract pursuant to Regulation 94:
 - (i) if the ForexClear Option Contract is a Spot Settled ForexClear Option Contract, a ForexClear Spot Contract (between the same parties as the relevant ForexClear Option Contract) shall immediately arise pursuant to Regulation 91(j); and
 - (ii) if the ForexClear Option Contract is a Deliverable Forward Settled ForexClear Option Contract, a ForexClear Deliverable Forward Contract (between the same parties as the relevant ForexClear Option Contract) shall immediately arise pursuant to Regulation 91(j).
- (c) The ForexClear Spot Contract or ForexClear Deliverable Forward Contract (as applicable) that arises pursuant to this Regulation 96 shall be on the ForexClear Spot Contract Terms or ForexClear Deliverable Forward Contract Terms (as applicable), such that on the Settlement Date specified in the ForexClear Option Contract Terms relating to the relevant ForexClear Option Contract:
 - (i) the party that was the ForexClear Option Buyer under the relevant ForexClear Option Contract shall be obliged to pay an amount equal to (and in the same currency as) the Put Currency Amount to the Clearing House; and
 - (ii) the party that was the ForexClear Option Seller under the relevant ForexClear Option Contract shall be obliged to pay an amount equal to (and in the same currency as) the Call Currency Amount to the Clearing House.
- (d) Any ForexClear Deliverable Forward Contract or ForexClear Spot Contract that arises pursuant to this Regulation 96 shall be registered as a ForexClear Deliverable Forward STM Contract or a ForexClear Spot STM Contract (as applicable) if the ForexClear Option Contract to which it relates was registered as ForexClear Option STM Contract at the point immediately prior to exercise (or deemed exercise). Any ForexClear Deliverable Forward Contract or ForexClear Spot Contract that arises pursuant to this Regulation 96 shall be registered as a ForexClear CTM Contract if the ForexClear Option Contract to which it relates was registered as ForexClear CTM Contract at the point immediately prior to exercise (or deemed exercise).

REGULATION 97 PREMIUM UNDER FOREXCLEAR OPTION CONTRACTS

- (a) The premium payable by a ForexClear Option Buyer under the terms of a ForexClear Option Contract shall be paid by such party to the Clearing House in the form and manner prescribed in the Procedures and by the time specified in the Procedures.
- (b) The Clearing House shall pay to a ForexClear Option Seller under the terms of a ForexClear Option Contract the premium in the form and manner prescribed in the Procedures and by the time specified in the Procedures.

REGULATION 98 HEDGING OF FOREXCLEAR OPTION CONTRACTS

(a) A ForexClear Clearing Member may, from time to time, submit for registration to the Clearing House one or more ForexClear Deliverable Forward Transactions or ForexClear Spot Transactions (or any combination of the same) provided that the same have been concluded for the purpose of:

- (i) hedging some or all of its foreign exchange exposure;
- (ii) reducing its initial margin requirement; and/or
- (iii) reducing its settlement risk,

in each case arising under, or in connection with, (A) one or more ForexClear Option Transactions submitted by that ForexClear Clearing Member at the same time, (B) one or more ForexClear Option Contracts then registered in its name, in each case in the manner contemplated under the Procedures, or (C) in the case of (i) only, one or more other Contracts then registered with the Clearing House in its name.

(b) No ForexClear Deliverable Forward Transaction or ForexClear Spot Transaction shall be entered into by a ForexClear Clearing Member and submitted for registration other than as may be permitted by (a) of this Regulation 98.

- (e) The ForexClear Clearing Member and the Clearing House hereby agree that:
- (i) for the avoidance of doubt, an "increase" in the net present value of a ForexClear STM Contract or an obligation thereunder shall mean that the net present value of that ForexClear STM Contract or that obligation has moved in favour of the Clearing House since the immediately preceding NPV Reset;

- (ii) for the avoidance of doubt, a “decrease” in the net present value of a ForexClear STM Contract or an obligation thereunder shall mean that the net present value of that ForexClear STM Contract or that obligation has moved in favour of the ForexClear Clearing Member since the immediately preceding NPV Reset; and

 - (ii) if the Clearing House has determined that the Cumulative Net Present Value in relation to the ForexClear STM Contract or those obligations is less than zero, then, subject to (iii) below, an amount of cash (denominated in the currency determined in accordance with the Procedures for that ForexClear STM Contract) equal to the relevant Price Alignment Amount shall immediately become due and payable by the ForexClear Clearing Member to the Clearing House; and
 - (iii) if any Price Alignment Amount payable by a party on a business day is a negative amount, then the relevant Price Alignment Amount payable by that party will be deemed to be zero, and the other party will pay to that party the absolute value of the negative Price Alignment Amount on such business day.
- (i) For the purpose of determining the Cumulative Net Present Value in relation to a ForexClear STM Contract that has been (i) transferred to a Backup Clearing Member pursuant to the Default Rules in relation to ForexClear Contracts, or (ii) novated pursuant to Regulation 91(n), the Trade Date of the ForexClear STM Contract that comes into existence immediately following such transfer or novation (as applicable) shall be the Trade Date of the ForexClear STM Contract that was so transferred or novated (as applicable).
