Position Account Management in eCCW

Upgrade of account deletion functionality Go-Live 27 April 2018

Dear Clearing Members,

In order to continue improving LCH SA services, the below upgrade will be implemented on the eCCW Derivatives application.

Starting from 27 of April, a position account deleted in the eCCW Derivatives application will be directly removed from the system, and therefore will no longer be available for consultation.

As a result, immediately after deleting a position account, members will have the possibility to name another position account the same way as the one deleted (in case of creation or modification of a position account).

- Upgrade available for tests from **10 April 2018**
- Go Live on **27 April 2018**

Should you have any questions or require a specific support, please, do not hesitate to liaise with our LCH SA contacts listed below,

Best regards,

Jean-Bertrand Lesparre | Head of Service Delivery LCH SA
