AtomX Lot 2 Reminder: Go-Live Date 25 July, 2016

Dear Clearing Members,

Following the AtomX Lot 2(Euronext reporting service for Derivatives*) communication sent on 4 July 2016 ([Click here](#)), LCH SA kindly reminds members:

- **AtomX Lot 2 Go-Live Date → 25 July, 2016**

As a reminder from our last bulletin, please find here the launch strategy details:

- **Friday 22 July 2016:** The AtomX Lot 2 changes will be activated on LCH SA production platforms after Friday End Of Day (EOD) process completion. This activation will neither affect the initial and intraday margin calculations nor the Clearing Member reports issued on Friday 22 July 2016. All files - including the SPAN® parameters and position files - will be made available as per usual process.
- **Monday 25 July 2016:** Intraday initial margin calculations cycles will incorporate the AtomX Lot 2 changes.
- **Tuesday 26 July 2016:** Margins and Positions cycles will operate as per usual

processes including AtomX Lot 2 changes.

Dedicated support on Saturday 23 July 2016:

If necessary, Monep and Matif SPAN® parameters files which will be used for Monday first Intra Day Margin Call can be made available via E-mail on Saturday 23 July 2016 from 11:00 am CET, for Clearing Members who would have requested for it.

If these files are required, we kindly invite Clearing Members to provide contact details for the people being present on Saturday July 23, by sending an e-mail to:

juan-jose.lizana@lch.com

Should you have any questions or require a specific support, please, do not hesitate to liaise with your Delivery and/or Account Managers.

Euronext AtomX Updates:

(*) More information about AtomX can be found on the following link:
