AtomX Lot 2: Go live Date July 25th, 2016

Dear Clearing Members,

Following the AtomX Lot 2 communication sent on June 3rd, 2016 ([Click here](#)), member participants are actively engaged to support this new enhancement. To ease member readiness, LCH SA has decided to postpone AtomX Lot 2 Go-Live date to July 25th, 2016. This decision has been taken to allow Market Participants to complete their internal analysis and testing.

- Implementation process and detailed support will be communicated shortly.
- LCH testing environment and dedicated support are available for Clearing Members.

Reminder: Updated AtomX Documentation and Specifications:

Please find below the updated versions of the Technical and Functional documentations available on the LCH SA Secure Area :
