Group Member Access Connectivity Migration

Dear Member,

Following our previous “Group Member Access Connectivity Migration” communication sent on 12 October 2017, ([click here](#)), LCH SA would like to kindly remind Clearing Members that our technical team is ready to start your connectivity migration,

The next step is to coordinate migration dates with each member. Consequently, we now need **each member to:**

- **Complete the “Order Form”** attached to this bulletin,
- Indicate **your preferred range of dates to be migrated** (between now and the end of March 2018),
- Send the filled order form together with preferred dates to juan-jose.lizana@lch.com by **30 November 2017**, at the latest,

We encourage members not to wait for the 30 November 2017 deadline, but rather to send the form as soon as possible, in order to start planning discussions to better answer your expectations,

- Migration Start Date → **October 2017**
- Migration Deadline → **End Q1 2018**

Should you have any questions or require a specific support, please, do not hesitate to liaise with our LCH SA contacts listed below,

Best regards,
