

LCH.Clearnet SA – Equities

10 September 2014

### Testing - T+2 migration rehearsal - Synchronisation point

Dear Members;

The connectivity issue faced last night is still under investigation with Euroclear/ ESES.

We are currently assessing the ability to integrate today's ESES settlement results in tonight netting process.

Further communication will be provided in due time.

Should you need further details, please revert to the below contact and also provided in Euroclear communication ([Click here](#))

Kind regards

Christelle Girard – Head of Cash Equities (SA) - LCH.Clearnet SA
